

Forgive My Ex-husband Chapter 259

The arrogant Emily was just like a clown in the corner now, making people laugh.

Emily's face grew paler, and her eyes were almost like knife filled as she looked at Melinda.

She also had no idea why Jonas held the party, or it could be said that she was not qualified to come here at all. It took her a lot of effort to get the invitation.

Jonas stood tall and clear in the royal blue suit, which made him look mysterious and dignified. And Melinda, who stood beside him, was petite.

When they stood together, people felt that they were well matched.

Melinda had a gentle appearance. When she stood beside the cold Jonas, she seemed to soften him a little bit.

Their clasped hands seemed to be whispering something.

The audience were all worldly wise, and many of them knew the identity of Melinda as Jonas's ex-wife, but standing here now made them feel that she was not simple.

"First, thank you for coming to this party." Jonas held the microphone and looked around. The invisible pressure soon spread to everyone's heart.

He was just the center of attention. As soon as he appeared, he drew many people's attention. He was the center of attention, and the eyes of Melinda were filled with infatuation with him.

'This is the man I love. I feel stressed to stand beside him. It seems that I'm not excellent enough to stand beside him.'

"I believe that many people are curious about why I held this party tonight." When Jonas said it again, he unexpectedly turned to look at Melinda and showed a comforting smile at the corners of his mouth.

Many people under the stage felt choked. The public display of affection was so shocking. Was it real when Jonas was so gentle?

Was the man on the stage the real Jonas?

"I don't want to keep you in suspense. Linda is a novelist, and her novel has been paid attention to by Director Elmer and he is going to turn it into a TV play. That's why I invite you all to celebrate it."

Hearing this, people burst into an uproar. It turned out that this was the purpose of the party, and it was only a simple celebration for Melinda.

Elmer was surrounded by a lot of people who couldn't wait to get the first-hand news.

"I hope all of you can support the TV play when it is on. Help yourself now," said Jonas, with his hands holding Melinda's all the time.

Though Melinda did not say a word, everyone knew that this woman was now held in the palm of the hands of Jonas and they wanted to flatter her.

Thinking of Melinda's status in the Gu family and how she had been bullied, everyone sighed, 'The world is inconstant.'
