

Forgive My Ex-husband Chapter 267

Melinda had been worried about the baby in her womb for a long time, and she had mentioned it to Jonas on the way home. So now the main task for them was to check if there was anything wrong with the baby.

This baby didn't come easily. Due to the miscarriage of her child before, Melinda had a little shadow in her heart. Anything related to this child would become very sensitive.

At the same time, in the street where an accident had just happened, Emily stood alone, keeping the posture that Jonas had left without moving a bit.

"Huh." After a long time, Emily gave a bitter smile.

She had already been used to the feeling of being thrown on the street. Every time Jonas left, he left without mercy.

Thinking of that before, they were always holding hands and leaving, leaving only Melinda alone in the place. Emily's eyes slightly narrowed and looked at the street scene in the distance.

'it doesn't matter. I can find a way to get Jonas back.'

In her eyes, Jonas was just like toy and she was like a kid trying to get her toy back.

And Melinda was the child living next door.

Her car was scraped seriously, but she didn't care at all. Emily got into the car and directly drove back to the city.

She was alone and was unable to do many things. Otherwise, she must be able to stop Jonas, and Melinda would only be taken away.

Thinking of this, Emily slapped hard on the steering wheel.

"Melinda, I will take back Jonas from you," Emily said seriously and then turned to another direction.

More than ten minutes later, the car stopped in front of a community. It was a small area and most of the young people who lived here were struggling.

And here was Jerry's new address.

Emily looked around the community and there was still contempt in her eyes. She disdained such places.

But now she needed the help of Jerry, and she couldn't think of anyone else.

Jerry looked coldly at the woman in front of him. The last time they had an argument in the bar, he still remembered the vicious words of Emily. He did not expect that it was not long before Emily came to him.

"What? Can't I get in this place?"

Emily said arrogantly, looking at Jerry with her arms crossed over her chest. The house was at most no more than 50 square meters, and the space was very small. The whole space could be seen from the door.
