

Forgive My Ex-husband Chapter 321

When seeing Melinda wearing the clothes he had chosen, Jonas was extremely proud and satisfied. He even wanted to pick clothes for her himself from now on.

The dress was designed in loose style, so it was hard to tell that Melinda was pregnant. With a soft hand covering her belly, she trembled violently.

It was said that pregnant people are more sensitive. Now, Melinda completely believed it. Her face suddenly turned red, and she was as shy as a strawberry juice.

Looking at the scene, Jonas felt a thrill of excitement. But when he thought of the baby under his palm, he held it back with all his strength.

"Linda, I'm going to take a bath." Jonas's voice was so hoarse that it made Melinda's face even redder. Her neck was burning. She walked aside quickly, lowered her head and nodded.

She just felt that the temperature around her began to rise, but after Jonas left, she felt that the air was much cooler. She just felt that there was an impulse in Jonas's body after that moment.

Jonas washed for a long time. When Jonas walked out of the bathroom, he saw that Melinda had fallen asleep on the bed. Her face was still flushing. It seemed that she was drunk, which made her much lovelier.

In the face of Melinda, all Jonas wanted to do was to stay with her anytime and anywhere.

Melinda was getting better, and at the same time, Jerry felt the crisis. Since the proposal incident last time, he hadn't seen Stacy for a long time. Every time the call was interrupted by David, which made Jerry angry from embarrassment.

Alston often asked him about the things between him and Stacy, which made Jerry panic. He was afraid that the change between him and Stacy would be found by Alston.

With a cigarette in his right hand and the phone in his left hand, Jerry clenched the cigarette and slowly dialed the number.

The ashtray was full of cigarette ashes and butts at this time. Because of this, Jerry's voice was very hoarse, as if he had a heavy cold.

He tried to make Stacy feel sorry for him in this way, and then she would naturally find a way to get them out of the current predicament.

"Stacy, I miss you so much!" There seemed to be a cry in Jerry's voice, and the sincerity was touching.

Stacy had been trapped at home by David during this period of time. He had given her the mobile phone, but he would never let her see Jerry anyway.

As soon as Stacy heard Jerry's voice, she couldn't help bursting into tears.

"Jerry, I..." Stacy didn't know what to do. During this period, she had been making various excuses to prevent Jerry from knowing his father's objection to their relationship.

Jerry had known all the reasons, but he was
