

Forgive My Ex-husband Chapter 350

Jessica had never treated her like this before. The more Stacy thought about it, the more uncomfortable she felt. She thought that it was all because of Melinda.

She was so angry that she blamed all the faults on Melinda. She didn't think about her own problems at all. The reason why Jessica was angry was that she took advantage of her.

And her stubbornness.

In the Gu's mansion, Melinda was still in a trance. She didn't expect that Jessica and Stacy were good friends. Thinking of Jessica, she felt a little sorry for her. That was a good girl, but being used by her good friend like this might make her very sad now.

Stacy and Jerry did everything they could to destroy the relationship of Jonas and her.

"Miss Wang, Young Mistress is still sleeping. Please don't disturb her." Gavin's anxious voice interrupted Melinda. When she came to herself and looked at the door, she saw Stacy coming in with an arrogant face.

It was in the Gu's mansion, but Stacy didn't realize it as a guest at all. Perhaps she had been brainwashed by the thought that the Gu's mansion would belong to Jerry sooner or later.

Gavin had seen a lot of people in his life, but he really didn't like Stacy. When he walked to the living room and saw that Melinda was sitting there, he simply stood aside.

"Young Mistress, Miss Wang wants to see you," said Gavin. Taking a look at Stacy, Melinda felt that she was looking for trouble.

"Give Miss Wang a glass of water," Melinda said and sat more straight. Jonas had said that this was the Gu's mansion, and she was the master here, so Stacy was not qualified to show off in her territory.

"Melinda, it's disgusting to see you like this. A pheasant always fantasies about becoming a Phoenix." Stacy was jealous of Melinda, but her words were disgusting.

Looking at Stacy, Melinda didn't say a word. She thought she had heard a lot of such ridicule and was immune to it.

"Why do you try to destroy my relationship with Jerry again and again? Do you have to destroy others' because you are not happy when Jonas goes out to find a woman?"

Although Stacy was not a shrewd woman, she was good at poking people's wounds. At first, Melinda didn't care much about these things, but now Stacy said it out like this, and she really didn't know how to feel.

Hearing this, Gavin was very worried about the emotional impact of Melinda. Stacy spoke rudely, like a rural shrew.

She was not as elegant as a lady from an eminent family at all. It was a pity that a person like David had such a daughter.

When Queena heard the quarrel downstairs, she went downstairs quickly. At this time, when she saw Stacy pointing at Melinda's nose and scolding her, she was angry.
