

## Forgive My Ex-husband Chapter 392

"It's good that you can come." Seeing that Jessica was playing with the child, Melinda thought that if Jessica had her own child in the future, she would definitely be a good mother.

In fact, Jessica really wanted to hug the baby, but when she saw the baby's small body, she was afraid that she might hurt him, so she gave up and bent over to play with the baby.

The baby was very cute. The more he smiled, the more excited Jessica became. In her opinion, it wasn't her who was teasing the baby, but the baby was coaxing her. She and Melinda were talking about the story of the crew.

The baby was getting tired and fell asleep soon.

Jessica quietly left the baby. Instead, she walked to the side of the bed where Melinda leaned against and had a rest. Next to her was a fruit tray.

"I'm sorry. I didn't know you had suffered so many things." Jessica still felt guilty. As her friend, she didn't know anything about it and didn't come to visit her. It had been a long time before she knew it.

"Did you do anything wrong to me?" Melinda teased Jessica. Jessica looked at her and told her all her guilt. At last, she lowered her head shyly.

"Aren't you still helping me? It will be the best help for me if you act well in the play," Melinda said with a smile. Her words were plain and warm. Hearing that, Jessica burst into laughter.

That was also the reason why Jessica liked Melinda. She was always a nice person to get along with.

"I'm fine now. Don't worry. You can just focus on your work in the following days," Melinda comforted her. She was at home now, accompanied by her child and taken care of by servants. There was almost nothing to worry about in the crew with Jonas there.

"It's all Stacy's fault." At the thought of her good friend, Jessica felt helpless. She didn't expect that Stacy would meet such a bad man as Jerry.

"Stacy has broken up with Jerry, and it's not her fault," Melinda said. Thinking of the conversation with Stacy that day, she thought Stacy was not a bad guy in nature.

The reason why she did that was that she was blinded by Jerry.

"I know. She told me." Jessica thought of the day when Stacy called her and told her that she would divorce Jerry. At that time, she didn't believe her, so she didn't ask her in detail.

Thinking of that the two of them hadn't contacted each other since then, Jessica was in a dilemma again. She felt that she had really ignored too many of her friends these days.
