Fortune Chapter 2

Running naked?

Ye Han was amused by the words of this little beauty in front of him, the corners of his mouth rose slightly, revealing a wicked smile, and the gamblers around him laughed out loud, their eyes darting around the two of them, such a bet was exciting and exciting!

Ye Han smiled wickedly, giving people a sense of evil endowment, that evil smile coupled with that masculine and handsome face, as if it could make any woman sink into it, he looked at the girl and grinned, saying; Fine, I can accept, but what if you lose? Is it possible to go naked too?

You Zhao You You puffed up her cheeks in anger, and her eyes seemed to spit out sparks, but she was confident that Ye Han would never win this next game, so she stared at Ye coldly and smiled coldly; If you win, this aunt is at your disposal.

Okay, let's begin. Ye Han waved his hand, his expression calm, this girl is so confident, he really want to see the other party in the end what superior means, whirl, under the surrounding gamblers' eyes only to see Zhao You You pick up the dice cup quickly with one hand, then left palm on the ground, the three dice bounced up, and Zhao You You lightning use the dice cup to fill the three dice into it quietly shake up, look solemn.

The girl is really an expert in dice shaking, and the young man who is betting against her will definitely lose.

Ye Han looked carelessly at the girl opposite him, looking lazy, and took out a Red Tower cigarette and smoked it slowly, although he was also amazed at the girl's dice shaking skills, but it didn't matter, as the dust had settled, the loser would not be him.

When she saw Ye Han's appearance, Zhao You You laughed coldly in her heart, a real gambling expert would concentrate on the moment the opponent shook the dice, there was nothing else on his mind, a gambling method like Ye Han's would have no chance of death.

The first thing you need to do is to take a look at the dice cup in your hand and put it on the ground upside down with a snap, squinting your big, charming eyes at Ye Han. It's not a bad deal, giggle giggle giggle!

The girl's laughter, Ye Han speechlessly rolled his eyes, a gambler touched Ye Han, said with a smile; little brother, our man's face is on this game, you must not lose, after all, we men can not let their women underestimate, ha ha!

Yes, little brother, you have to stand up straight this time, you must not lose.

The man should of course be straight, he can't lose in front of a woman, beautiful, I bet three sixes on this one, leopard!

The gamblers who were laughing just now had their mouths opened wide in shock. Those who play craps know that it is very difficult to shake out the dice, that is, the leopard.

The dice she shook herself she could of course feel, as long as there were no accidents, the chances of three sixes in this hand were very high, but she could never have imagined that Ye Han would have guessed this number of points, if it was a hoodwink, this luck would be too unbelievable.

The city manager is here!

At the moment when the surroundings fell into a brief moment of silence, a cry of alarm suddenly came out, breaking the silence around, the surrounding gamblers were all startled, but when they looked around there was no city police, but in this moment of commotion, the girl who was shaking the dice at the stall had already slipped out of sight.

Humph, want to run, no way. Ye Han was also bluffed by Zhao Youyou's words just now, this time back to his senses he immediately saw Zhao Youyou who had already run to a corner, instantly ran out, lost, but must fulfill the promise, at least give him the money to do so.

She ran! Did she lose? The punters were baffled, as this game looked like a sure loss for Ye Han. One of the punters then unlocked the dice cup, and the scene that surfaced before their eyes completely shocked them.

Three sixes, a leopard, Ye Han had won!

That teenager was also an expert at playing dice, and a master of masters at that!

On the street, Ye Han was following closely behind Zhao You You, although it was not a very elegant thing to ask a girl for money, but at the moment money was extremely important to him, as far as face was concerned, he wouldn't care, eh! Suddenly, the girl disappeared without Ye Han noticing, which made him stumble on his feet and raise his eyes to look around.

Under the observation of his right eye, the crowd of people passing by was like a blank sheet of paper, and a jade body that nearly made him spurt blood appeared in front of him. He soon found the girl's figure in an alleyway, but not long after, the girl disappeared again. Ye Han wanted to continue to look ahead, but his Yin Yang Dharma Eye seemed to have reached a limit, and he could no longer see anything further away.

Twenty metres, could it be that the Yin Yang Dharma Eye could only see through things within twenty metres? A light of doubt flashed in Ye Han's eyes, but this was not the time to look deeper into this matter, the girl had disappeared into that alley, so she was definitely not far away.

This is an old alley, similar to the environment Ye Han lives in, the alley is basically surrounded by some rental houses, the rent is relatively cheap, some foreign workers live here, fighting for a living, at the moment, there are some children playing inside the alley.

Ye Han walked in the alley and used his yin and yang eyes. In a moment, he saw the girl in an ordinary courtyard, and with a sneer, Ye Han walked towards the courtyard.

Ah, how come it's you, why did you come with me? Zhao Youyou came out of the kitchen with a bowl of medicine, when she saw Ye Han standing in the courtyard, with a clang, the bowl filled with Chinese medicine directly broke, she stared at Ye Han in a daze, for a moment she was a bit at a loss, the flickering and uneasy eyes exposed her nervousness at the moment.
