Fortune Chapter 25

With this order, Yan Lingjiao made the entire police station's atmosphere subtle to the extreme, quiet to the point where a pin drop could be heard, those officers didn't know who to listen to, one was the Deputy Chief who had more power than Yan Lingjiao, and the other was Yan Lingjiao who had received a phone call from some mysterious chief, which made them not know how to choose.

"Unbridled, Captain Yan, who are you talking to, and do you still have me, the deputy commissioner, in your eyes?" Zhou Guodong was outright furious, how dare Yan Lingjiao, a small police captain, speak to him like this, it was simply against the sky!

Yan Lingjiao said indifferently; "Sorry, Deputy Director Zhou, this is an order directly from the provincial hall leader, as for the specific situation, I think Director Zhao will personally come over to explain to you later, now all police officers listen to the order, arrest Feng Tao!"

Feng Tao is Master Feng, hearing Yan Lingjiao's words with such courage, those police officers who originally wanted to take down Ye Han also went towards Master Feng, seeing this, Zhou Guodong's lungs exploded with anger; "I see who dares to move, they all don't want to do their job anymore, do they? A trumped up phone call is all it takes to make you all listen to what you want, Yan Lingjiao, from today onwards, I'm going to relieve you of your captaincy."

"Relieve Captain Yan of his duties? Who the hell are you? Deputy Chief Zhou, I'm afraid you don't have the right to do that."

At that moment, two men and a woman came outside the police station, one of them was naturally Lin Baimo, what surprised Ye Han was that Zhou Yun'er, the woman, was also here, as for the other one, Ye Han did not know the fat young man, but he was the one who said that just now.

When he saw these three people come in, everyone in the police station saluted, but basically everyone knew them, Lin Baimo is the eldest son of the Lin family in Shanghai City, with a deep background, Zhou Yun'er is the founder of the largest jewellery industry in Shanghai City, with an uncountable network behind her, and the chubby-looking young man is the son of the mayor of Shanghai City.

The appearance of any one of these three people at the Southern Suburbs Branch would have attracted attention, and the simultaneous appearance of these three people immediately startled the people of the Southern Suburbs Branch.

As for Master Feng, when he saw so many big shots appear, he also had a bad feeling in his heart, he knew Zhou Yun'er, he was the one who sent people to kidnap Zhou Yun'er and Ye Han last time, if it was Zhou Yun'er alone who appeared he was not afraid of anything, but Lin Baimo and the mayor's son of Shanghai City also appeared is not something he can afford to offend.

"Damn it, didn't Bai Luofei say that this kid didn't have much of a background?" Master Feng cursed in his heart.

"Oh, so it's Young Master Tang." Zhou Guodong glanced at Tang Haibin, then looked at Lin Baimo and Zhou Yun'er; "Young Master Lin and Miss Zhou are also here, I wonder if the three of you have come to the Southern Suburbs Branch for something?"

Tang Haibin patted his round belly and said; "It's not a big deal, I just heard that someone was bullying my brother's brothers, so I came over to take a look and see which old bastard had the guts to do that?"

As Tang Haibin spoke, Lin Baimo and Zhou Yun'er had already walked towards Ye Han, as for Zhou Guodong and Master Feng who heard Tang Haibin's words, their faces turned green, they naturally knew who this old bastard was referring to.

Zhou Guodong said with a smile; "Where are the words of young Tang, if it's a legal matter our Southern Suburbs Branch will naturally deal with it according to the law."

"Is that so, handled according to the law?" Seeing that Ye Han was fine Lin Baimo was relieved, he looked at Zhou Guodong and said; "Deputy Director Zhou, I don't know how the legal treatment you are talking about is actually handled? As far as I know, that Master Feng beside you is engaged in a variety of illegal businesses, let him go without arresting him, but come to arrest this innocent brother of mine, is it because you think my brother is young and easy to bully?"

Hearing this, Zhou Guodong's face stiffened and said; "Young Master Lin, you have to speak with evidence, you have to be responsible for deliberately slandering others, as for whether your brother is innocent or not we at the Southern Suburbs Branch will definitely check it out."

"You want evidence." Lin Baimo sneered and said; "My Lin family can give you evidence, but I just hope that Deputy Director Zhou's ass is a little cleaner, so that he doesn't get himself involved when the time comes."

At that, Zhou Guodong, whose face was stiff, suddenly fell silent. He knew exactly how clean his own bottom was, and if it was really revealed, not to mention that he could no longer wear the police uniform, he would also have to go to jail.

If he had known that Ye Han had such great power behind him, he would have preferred not to give a shit and hide at home.

The police officers around him were surprised to see that the always strong deputy chief had gone soft.

At this time, a red flag car made its way into the South Suburban Branch, from the car came down a middle-aged man with a Chinese face, he was the director of the South Suburban Branch, Zhao Aiguo, many people called out to the director when they saw him come in, but Zhao's face was now dark, he walked directly to Zhou Guodong and said; "Deputy Director Zhou, I didn't expect you to be here too, just in time, I'll convey a directive on behalf of the provincial department for the time being In view of the many omissions in your position, the Provincial Discipline Inspection Commission will send someone down to investigate, you are temporarily at home for a few days to reflect, and when the Provincial Discipline Inspection Commission has investigated clearly in the decision to reinstate your position, for this directive, I wonder if you have anything to say?"

Once he heard these words, Zhou's face immediately turned blue, and in his heart he cursed Master Feng's ancestors, but in the face of the instructions conveyed by the provincial department he did not dare to disagree, a little more honestly might have a chance to turn around, and could only be silent.

Seeing that Zhou Guodong did not speak, Zhao Aiguo said; "Well then, Captain Yan, I'll leave the next matter to you, everything will be handled according to the law, never condone it understand?"

“Yes, Chief.” Yan Lingjiao responded with a standard salute.

Seeing that the matter here was finished, Tang Haibin cheekily walked up to Zhao Aiguo and patted his shoulder and laughed; “Old Zhao ah, you’re still mean enough, since that’s the case, then we’ll lead the people away first.”

Zhao Aiguo gave a bitter smile and said; “It’s natural to have you three as guarantors, but if there is a need for the case to follow up, we still have to trouble your friend.”

“That’s of course, I’ll never delay if you old Zhao is kind enough.”

Ye Han then followed Lin Baimo and the three of them towards the outside of the police station, but both sides glanced at each other when they brushed past Yan Lingjiao, the latter still had a strong anger in her eyes, and Ye Han didn’t bother with her, the two of them might not cross paths in the future.

As she watched Ye Han leave, Yan Lingjiao was furious, but she was more curious in her heart, there was obviously nothing surprising in Ye Han’s previous profile, why did he not only possess an exceptional hand in such a short period of time, but also had such great energy behind him?

All this made Yan Lingjiao extremely interested in Ye Han, she felt that there were many secrets in Ye Han’s body that no one knew about.
