

Fortune 28

Fortune Chapter 28

As the saying goes, the heart of a woman is a needle under the sea, their minds are very difficult to guess, especially for Ye Han, the first time, he can not guess women's minds, last night he forced himself to be a willow, this is good, but even ended up with a beast not even like the end.

Ye Han touched his nose, he should have done something last night if he had known, but Ye Han felt that if he had done it, he was afraid that Zhou Yun'er would even have the heart to kill him now.

Seeing Ye Han exit the room, Zhou Yun'er slowly walked down from the bed.

"Humph, a guy with the heart of a thief but not the guts of a thief, count that I didn't misjudge you." But despite saying so, Zhou Yun'er heart is still a bit lost, as for whether Ye Han has touched her or not, Zhou Yun'er herself is clear, because yesterday was the last day that her relatives were about to leave, that what for sh towel is still put inside, no one has moved at all, which also proves that Ye Han did not mess around last night.

When Zhou Yun'er changed her clothes and came downstairs, Ye Han, who was only wearing a bath towel, immediately ran up and changed his already dried clothes and prepared to go home.

"That, I'll go back first." Ye Han looked at the door and said this to the cold-faced Zhou Yun'er.

Zhou Yun'er looked at Ye Han with a cold face, under the gaze of her pair of eyes, Ye Han felt more and more weak, Zhou Yun'er said indifferently; "For what happened last night, don't you want to say something?"

"Say what?" Ye Han was a bit baffled.

Hearing these words, Zhou Yun'er's face suddenly became even colder; "You looked at my body, is that how you're going to let it go?"

"Then what do you want?" Ye Han spread out his hands and looked at Zhou Yun'er, was this woman going to show her cards to him?

Zhou Yun'er snorted coldly and said; "I haven't thought about it for now, I'll tell you when I think of it, but from now on I'll call you and you'll be at your beck and call, no mistakes."

This Ye Han could accept, he shrugged his shoulders and said; "Of course, I have things to do so I'll go back first, just call me if there's anything."

After saying this, Ye Han walked out of Zhou Yun'er's villa, for Zhou Yun'er, Ye Han actually did not resent, but the relationship between the two could go to which step Ye Han himself was not sure, too much thought might as well take a step and see.

The moment Ye Han picked up his mobile phone, he picked it up and saw that it was Tang Haibin, they had exchanged numbers last night.

Ye Han laughed bitterly and said; "Don't make fun of me, what's the matter?"

"Nothing, I'm just bored and want to have some fun with you, where are you now, I'll go over to you."

Ye Han thought about it and told Tang Haibin his location, not long after, Tang Haibin drove his car to the entrance of Jing Shan Villa area, Ye Han sat on the passenger side and looked at Tang Haibin and said; "You guy is idle enough, big brother Lin? Wasn't he the one who drove you back last night?"

Tang Haibin grinned; "It was so late last night, Old Lin is probably on his knees writing a review, let's not worry about him, where are you going now, I'll drive you there."

"Go home, I don't know how anxious my sister should be?" Ye Han said a location, and Tang Haibin drove the car out, Ye Han felt that it was time to show his sister the truth, it was not a long term solution to keep hiding it like this.

"Right, fatty, do you know where there are affordable and good houses to buy in Shanghai City? I want to buy a building for around five million." Ye Han said to Tang Haibin, if it was someone else calling himself fatty, Tang Haibin would definitely be angry, but Ye Han he wouldn't; "Buying a house, damn this I really haven't paid attention to, but this is something you can ask Old Lin to look at for you, right, you guy is now considered rich, go buy a car, how can you buy a house without buying a car."

Ye Han shrugged and laughed; "The key is that I don't have a driving licence, and I don't really know how to drive this thing."

"That's easy to do, I'll make a phone call later, I'll help you get your driving license within a week, as for learning this thing simple, let me teach you, one hour package."

Ye Han patted Tang Haibin's shoulder and laughed; "I won't say much more if you're polite, thanks."

"What are you talking about, come on, brother will teach you now, I am manual, this is the clutch, brake, throttle, look ah, like this"

The first thing you need to do is to get the car to a wide area and let Ye Han try it out himself, at first Ye Han was still a bit rusty, but gradually, Ye Han had already driven the car up to 50 or 60 yards, shifting gears, brakes, and throttle operated not at all like a novice just learning to drive.

"Yo, Hanzi, you can do it, it took me several hours to learn this thing." Tang Haibin looked at Ye Han in amazement, he really had some doubts if Ye Han really couldn't drive. Ye Han laughed; "This doesn't seem to be difficult, it's easy to learn."

In the end, Ye Han drove Tang Haibin's car all the way to the factory where his sister Ye Qing worked. He wanted his sister to quit her current job and stop working so hard all day long, now that he had money, even if he could support Ye Qing for the rest of her life, it would not be a problem.

However, Ye Han came to Ye Qing's workplace but found that she was not there. He finally found out that Ye Qing had been called by the manager, so Ye Han waited for a while and chatted with his former colleagues.

"Sister, what's wrong with you, did that bastard bully you?" Ye Han saw his sister Ye Qing crying, that's not good enough, immediately came over with a fierce face and asked, Ye Qing saw Ye Han, wiped his face and said; "Little Han, why did you come over? Where did you run off to last night and didn't come back all night?"

“Sister, first tell me was that bastard bullying you?” Ye Han grabbed Ye Qing’s arm and wouldn’t let go, someone was bullying his sister this matter must not just be let go.

“Forget it, Hanzi, don’t ask, I’m fine, you go home first, I’ll come back later to cook for you, behave.”

Ye Han would not listen, but just as he was getting anxious, a big brother who worked here spoke up next to him; “Little Ye, I think it’s probably that bastard Manager Wang who has misbehaved with your sister again, it’s not just once or twice.”

Hearing these words, the fire in Ye Han’s heart immediately erupted, he knew that person, Manager Wang, a typical old pervert, many girls of good looks in the factory had been bullied by him for various reasons.

“Son of a bitch, dare to misbehave with my brother’s sister, let’s go, Hanzi, let’s go and kill him son of a bitch.” Tang Haibin also got angry when he heard this, but he didn’t need to say that Ye Han was already walking towards the office where the manager was, when he saw Ye Han running past in a rage, Ye Qing was in a hurry and hurriedly followed him, Manager Wang was not to be messed with, many people inside this factory were his sworn friends, what should Ye Han do if something happened to him?

With a bang, Ye Han kicked open the door of Manager Wang’s office, at this time, Manager Wang was in his office, he was having his hands on a woman, when he suddenly heard the sound of kicking the door, Manager Wang was shocked, immediately pushed the woman away, and looked at Ye Han angrily; “It’s you, Ye Han, why are you back? What do you want? Rebellion?”

However, after he finished speaking, a huge fist had already smashed into his face, knocking his nose out of alignment and causing blood to flow.
