

Fortune 421

Fortune Chapter 421

“What’s wrong?”

After Zhou Yun’er, who was lying in Ye Han’s arms, felt Ye Han’s strange appearance, she looked up at Ye Han’s handsome side face.

Ye Han laughed; “It’s nothing, I just saw an acquaintance, I had almost forgotten about him.”

Hearing Ye Han’s words, Zhou Yun’er followed his line of sight and then she laughed; “So it’s the young proprietor of Guo’s jewellery, back in Tengchong, the two of you were deadly rivals, but what is this guy doing here in Nanhai Province at this time?”

Ye Han said; “This is a master who has no interest in coming to Nanhai Province, naturally he is not here to simply have fun, Yun’er, let’s go over and say hello, let’s see if the young proprietor of our Guo’s Jewellery still remembers me as a person.”

After saying that, Ye Han shook the champagne in his hand, Zhou Yun’er held his hand at the side, the two of them walked towards the front of the beach, in front of them, Guo Yunxiao was wearing swimming trunks, with his arm around a beautiful woman, beside him, there was a young man, also holding a beautiful woman in his arms, the two of them were laughing and talking, looking very harmonious.

Ye Han walked past Zhou Yun’er’s waist and came to Guo Yunxiao’s face, lifting the champagne in his hand and said; “Young master Guo, long time no see!”

Guo Yunxiao was originally talking to the youth lying next to him, when he suddenly heard these words, he looked up, and under the sun, a youth so handsome that even he was jealous was holding a woman who was even more beautiful than the woman beside him, and under the sun, the two of them were like golden children.

“It’s you.” After Guo Yunxiao saw the person who appeared in front of him, those eyes instantly narrowed with a cold smile.

Ye Han laughed; “So Young Master Guo still remembers me, rare, I wonder if Young Master Guo has come all the way from Xiangjiang to Nanhai, is there something going on?”

Guo Yunxiao sneered; “Do you and I know each other well? Who am I to tell you?”

“Young Guo, I wonder if this is?” The youth beside Guo Yunxiao’s gaze fell on Ye Han’s body indifferently and only gave him such a glance, but it was Zhou Yun’er who made him shift his gaze a little, looking at that dimpled and seductive figure, a fiery look flashed across the youth’s eyes.

Guo Yunxiao said indifferently; “Just a lucky bumpkin who thought he was omnipotent after opening a few pieces of sky-high jade at the gambling festival.”

When the youth heard this, he laughed disdainfully and said; “I thought he was some big shot, but it turns out he’s just a profiteer who has made some money. How about you leave him and come with me? If you come with me, I can get you anything you want in the South China Sea.”

“Young Liu, how can you do that?” Hearing the youth’s words, the woman in his arms immediately became displeased, her eyes glancing at Zhou Yun’er with resentment.

“Shut up, it’s none of your business.” The youth patted the gorgeous woman’s arse in his arms, his gaze staring straight at Zhou Yun’er’s hot body.

“Oh, I didn’t think there was anyone in this world who was so good to me, who could buy me anything I wanted, if he was stepping up his game, I’m just afraid I’d be touched.” Zhou Yun’er giggled and looked charming in Ye Han’s arms, that charming and noble look made Guo Yunxiao very moved, but Guo Yunxiao knew that Ye Han was a fierce man with a very powerful body, although he also desired to get Zhou Yun’er, he would not do so, in case he angered Ye Han, it would not be good for him.

The others wanted to go for this crab, he just had to watch the show quietly from the side, and if he could lend the Liu family’s hand to get rid of Ye Han in the South China Sea, it would be a good thing for Guo Yunxiao.

“I say Yun’er, you can even look at this kind of dirt-cheap goods?” Hearing the youth’s words, and then seeing his naked gaze, a murderous look flashed across Ye Han’s eyes, was this guy looking for trouble for nothing? If he deliberately provoked him, that consequence was not something that anyone could afford.

“People are more generous than you.” Zhou Yun’er gave Ye Han a white glance, then she said to the youth; “In the South Sea, I really want something, and you will agree to it, right?”

At his words, a proud look flashed across the youth’s face, any woman in the face of his money attack, in the end, any innocent jade girl would only moan under his body, Zhou Yun’er’s words made the youth’s face flash with a sense of accomplishment after conquest, he said; “Of course, as long as you leave that person beside you, then anything you ask for, I, Liu Rulong, can help you get it.”

“Young Liu is not joking with this statement, is he?” A hint of contempt appeared on Zhou Yun’er’s face.

Seeing this expression on Zhou Yun’er’s face, Liu Rulong felt as if his tail had been stepped on, and immediately said with conviction; “In the South Sea, there is absolutely nothing that I, Liu Rulong, cannot do if I say so, and if I go back on my word, I will be the number one coward in the South Sea.

“Alas! I can’t help it, my dear, I’ve been touched by him, so it seems I can only leave you.” After Liu Rulong said these words, Zhou Yun’er said to Ye Han ‘shaking her head and sighing’, that look was as if she was very reluctant to leave Ye Han, after hearing this, Ye Han naturally knew that Zhou Yun’er was acting, his woman wanted to play, of course he had to cooperate fully in order to do so.

“Yun’er, can you really bear to leave me?” Ye Han said with a ‘gloomy’ face.

“Ugh! Who told people to offer conditions that were hard for me to refuse.” After Zhou Yun’er said that, he looked at that Liu Rulong and said; “Young Liu, now you can fulfil your promise, right?”

“Of course, I don’t know what you need, beautiful lady?” Liu Rulong gave Ye Han a condescending look, that look seemed to be saying that the woman you like is being picked up by me.

“Good, then I’ll say it, I hope young Liu can really do it, in the South China Sea, I don’t want anything, I want you to kneel in front of my man and admit your mistake, I don’t know if young Liu is able to do it

yet?" Zhou Yun'er mockingly looked at Liu Rulong, let her leave Ye Han, unless this world is destroyed, the whole world is extinct, despise their own man, Zhou Yun'er now also learned, she wants to fight back in the most trampling dignity way, any person who dares to despise her man, she is going to retaliate.

Hearing Zhou Yun'er's words, Liu Rulong's face turned blue. By now, he didn't know that he was being played by Zhou Yun'er. He was being completely played by that woman as a monkey. Unless his Liu Rulong's legs were broken and he was lying on the ground.

Guo Yunxiao faintly glanced at Liu Rulong, in fact, just now he had sensed that Zhou Yun'er was playing a trick on Liu Rulong, but he didn't say anything, back in Tengchong, this was how Ye Han had teased Ning Feng, the Ning's jewel, and how similar this scene now was to that scene back then.

"What's wrong, can't our young Liu do this?" Zhou Yun'er sneered and said; "It seems that my expectations of young Liu are too high, but if young Liu can't do it, remember what you said yourself just now, if you can't do it, in the South China Sea, you are the number one coward young man."

Fortune Chapter 422

"B*tch, are you looking for death?"

Zhou Yun'er's words completely enraged Liu Rulong, he pushed the woman in his arms away and stood up from the recliner, about to slap Zhou Yun'er across the face, but how could Ye Han let anyone hit his woman with his hands, so before this Liu Rulong's hand could touch Zhou Yun'er's beautiful face, Ye Han had already kicked Liu Rulong out and fell on the beach, with his ass facing the sky and his head facing the ground. Eating a mouthful of sand.

"Touching my woman, surnamed Liu, do you not want to live anymore?" Ye Han's gaze was indifferent as he looked at Liu Rulong who had climbed to his feet, his eyes showing his murderous intent, that look scared Liu Rulong so much that he shivered, making him feel like he had fallen into an ice cave, his body was incomparably cold.

"Trick me, in the South China Sea I, Liu Rulong, will definitely make you pay the price." Liu Rulong looked at Ye Han and Zhou Yun'er with a grim face, all this time no one had ever dared to humiliate him like this in the South China Sea, this scene today was simply a great shame to him.

"I'm waiting for you to come and make me pay the price." Ye coldly laughed, then he looked at Guo Yunxiao who had a gloating face and said; "Young master Guo, the Mainland is not like your Xiangjiang, be careful when you go out, don't have an accident here and lose your life."

After saying that, Ye Han took Zhou Yun'er's hand and left.

Threatening me!

Guo Yunxiao coldly watched Ye Han's back, then he looked at Liu Rulong who also had an icy face, suddenly smiled, the Liu family was not small in the South China Sea, Ye Han had hit Liu Rulong today, a vengeful villain, he would definitely not give up like that, retaliation against Ye Han was a sure thing, perhaps, he just had to continue watching the show from the side.

“Damn bastard, I will kill you, bitch, I will play you so hard that you will only live under this young master’s crotch for the rest of your life” Liu Rulong’s face was fierce, his fists clenched, then he directly picked up the phone from the table next to the recliner and dialed a number out; “Young Fei, do me a favour, there is a man and a woman at Deep Water Bay Beach”

Looking at Liu Rulong after dialing the number, Guo Yunxiao picked up the champagne on the table and said; “Young Liu, the guy who taught you a lesson just now is not weak, if you want to retaliate against him, you’d better find some capable people to come, otherwise, in the end, you’ll only lose your wife and your army.”

Liu Rulong sneered; “Don’t worry, the people I called are definitely an existence that speaks for itself in this area of Nanhai Province, those two guys are dead.”

“That’s good, so it looks like I have to congratulate young Liu here first for holding the beauty.” Guo Yunxiao smiled lightly and clinked the champagne in Liu Rulong’s hand, Liu Rulong drank the champagne in his hand with a fierce face, when he caught Ye Han and Zhou Yun’er, he would use the most vicious way to deal with them, he would put on a live spring show with his woman in front of that man himself, to make them regret messing with him.

After leaving the beach, Ye Han and Zhou Yun’er went to a nearby hotel for dinner.

“Ye Han, could that Liu Rulong be a member of the Sanya Liu family?” Inside the hotel, Zhou Yun’er said to Ye Han as she dined elegantly. Ye Han laughed; “I’ve seen it already, surnamed Liu, and with such arrogance, the only person with such a big mouth on this side of Sanya is the one surname out of the Liu family.”

“In that case, Guo Yunxiao is with the Liu family at this time, I’m only afraid that the plan is not simple.” Zhou Yun’er frowned.

“It doesn’t matter.” Ye Han said; “Guo Yunxiao getting together with the Liu family is at most a business matter, as long as we offer generous terms to the Liu family, I think Elder Liu Guangzong will definitely accept it gladly, the mainland is not like Xiangjiang, to do business over here, any background has to be tough enough, I think Elder Liu Guangzong who is old and wise will make the right choice in the end.”

After the meal, the time is still early, Ye Han and Zhou Yun’er did not return to the temporary hotel, watching the night scene of Sanya is also a must-see program, above the streets, the two hand in hand as if in love with the couple, occasionally watching the small jewellery on the ground stalls, occasionally run to a square to watch acrobatic performances, occasionally go to ride the carousel, in many places in the city left their laughter The three days were a time for Yoonee to spend.

These three days were the happiest and most blissful three days Zhou Yun’er had ever spent, not for any other reason but because she had Ye Han with her, so she was indulging herself to her heart’s content, and probably after she left the South Sea, she and Ye Han would each have to start being busy again.

“Ye Han, are you tired?” On Ye Han’s back, Zhou Yun’er looked at this little man who was carrying her with a happy face, and secretly kissed the side of Ye Han’s face, Ye Han pinched Zhou Yun’er’s thigh and laughed; “Don’t you still know about your family man’s physical ability?”

“Shameless guy.” Zhou Yun’er shattered a mouthful with a red face, the word physical ability, Zhou Yun’er who knew Ye Han well naturally knew which aspect Ye Han was referring to. Ye Han grinned, then his gaze glanced in several directions behind him and said to Zhou Yun’er; “Yun’er, there are several tails behind us, it seems that later on your man can move his arms and legs and stretch his body.”

Hearing this, Zhou Yun’er’s face changed, but she didn’t say anything and let Ye Han carry her inside a dimly lit alleyway.

After walking into the alley, Ye Han put Zhou Yun’er down, lit a cigarette and quietly waited for those few tails to appear of their own accord, in fact, these few tails Ye Han found half an hour ago, but these people did not make a move, now Zhou Yun’er has also had enough fun, it was time for Ye Han to clean up these tails, being followed by people, always makes him unhappy ah!

Ye Han’s cigarette had just been lit when the entrance to the alleyway, those few tails themselves appeared, a total of six people, seeing Ye Han and Zhou Yun’er walking into a dead end, these few people all walked over with a cold smile on their faces, and also smoothly drew the weapons they had carried long ago, under the dim light, these several weapons flashed bursts of cold aura.

“A few of you, you have followed us for most of the day, only to show up now, aren’t you tired?” Ye Han smoked a cigarette and looked at the six people who had appeared with a playful expression.

“Hmph, knowing that we are following and still daring to run in here, it seems that you are looking for death yourself.” One man gave a cold laugh at Ye Han, then continued; “Kid, you are given a chance to come with us yourself, if you refuse, then we will have to break your limbs and carry you away.”

“It was Liu Rulong who told you all to come, right?” Ye Han smiled lightly as he looked at the six men and said; “If you give me the chance, in the end, I am only afraid that I will be a dead man, so I refuse”

After saying that, the cigarette inside Ye Han’s hand violently shot out electrically, landing directly on the face of a tall man, burning him and causing him to scream miserably.

Fortune Chapter 423

Although these six men were much stronger than ordinary people, but compared to Ye Han, they were completely different by a hundred thousand miles. Looking at the six men who had fallen inside the alley and were wailing in pain, Ye Han squatted down and said to one of them; “Now, I will give you a chance to take me to the people behind you, otherwise, I will kill you.”

At those words, those six men were instantly frightened, they had just fought with Ye Han, in just a few seconds, they hadn’t even seen clearly how Ye Han had struck, and they had fallen to the ground, either with broken hands or short legs.

“What, are you guys not agreeing?” Ye Han had a cold smile on his face, and even picked up a knife from the ground and waved it under the night sky.

“Wait, we promise, Brother Qiang told us to come, we will take you to see Brother Qiang now” Looking at Ye Han playing with that knife in a fancy way, the six men who fell inside the alley trembled in their voices in fear.

“That’s more like it.” Ye Han stood up and looked at them; “So, are you still lying on the ground and pretending to be dead?”

Hearing these words, these six people immediately stood up with each other and limped towards the outside.

He usually watched over a few nightclubs to deter those who dared to make trouble. Tonight, Brother Qiang was sitting in his office, and on his lap was a woman of good looks.

However, just as Keung’s excitement was high and he was ready to bring his gun to bear, a sharp knock sounded at the door.

“Damn, there is no hundred thousand urgent matters, who stirred up the old man’s excitement today, I abolished him” Qiang looked at the office door with hatred and said to the woman sitting on top of him; “Go, open the door.”

“No, Brother Qiang” said the woman with her charming eyes.

“Go if you’re told to, where the fuck is all the bullshit.”

The woman was startled by Qiang’s words and hurried over to open the door, then a man with a bloodied face fell straight to the door and said in a broken voice; “Brother Qiang, someone” smashed the venue.”

The first thing you need to do is to ask who it is, and he cursed out, pulling out a knife from the wall and rushing towards the floor, this is a nightclub he looks after, usually anyone would give him a few face not to cause trouble here, today is good, but someone came to smash the venue.

However, when Qiang arrived downstairs, he saw that all the people in charge of the club had fallen to the ground, many of the facilities had been smashed, and the customers and waiters had all run away.

Seeing this scene, Brother Qiang’s gloomy eyes suddenly stared, he carried his knife and slowly walked downstairs, looked at the man and woman sitting at the bar with their backs to him and said; “Friend, from that road, give me your number, did I, Li Wenqiang, offend you two in any way?”

Hearing this, Ye Han turned his head to look at him and said; “You’re the one who sent someone to arrest me?”

At these words, Brother Qiang’s eyebrows furrowed, today Young Fei had sent word for him to send a few people to capture two people back, could it be that this man and woman were the two people Young Fei was talking about?

“Friend, do you know that the venue you’re trashing now belongs to Gu Longtou?”

“So what?” Ye Han turned around and stood up, walking straight towards Brother Qiang with a bland expression and a playful smile; “Can’t the underground leader of the South China Sea be touched?”

“Hmph, do you know what kind of price you will pay for saying such words in the South Sea?”

“The price?” Ye coldly laughed; “I only know that I will deal with whoever deals with me, as for this price, it depends on who is facing, perhaps, it is you who pays the price.”

He was one of the few war generals under the leader of the Gu army, normally, even the powerful people were polite when they met him, when had he ever been slapped like this?

To Ye Han, slapping Brother Qiang was still light. If he hadn't just taught a lesson to the thugs watching the nightclub, so that he had enough anger, at this moment, he might have killed this Brother Qiang, originally he wanted to accompany his woman to go shopping, have some fun and relax, but these people just wouldn't let him live his life comfortably and had to cross him.

"Who's paying the price now?" Ye Han picked up a chair from the ground and sat down in front of Qiang, then Zhou Yun'er walked behind him and stood calmly, she liked to see her man's domineering and peerless side.

"You'll regret this!" Qiang's gaze was fixed on Ye Han as he slowly climbed to his feet, gritting his teeth and saying.

"I never regret anything I've done." After Ye Han quietly looked at Brother Qiang for a moment, he said; "In front of my woman, I will not kill you today, I know that there is someone else behind you who is ordering this, I will give you one night, the next day at noon, if no one comes to explain this matter to me, then there will be no need for Dragon Head Gu to exist in the South Sea. "

"Arrogant fellow, who do you think you are? Smashing up this nightclub of mine, and wildly saying that you want to kill Gu Longtou, do you think you are Ye Han?" Brother Qiang said with an ice-cold face.

Hearing this from Brother Qiang, Ye Han smiled lightly and said; "It seems Ye Han is quite famous in your Nanhai, whether you can kill Dragon Head Gu or not, this is not a question for you to consider, I only give you one night, if I don't see the mastermind behind the curtain at the Nanhai Hotel by noon the next day, then you will know whether I can kill Dragon Head Gu or not. "

After saying that, Ye Han got up and straightened his suit, and Zhou Yun'er took the initiative to walk over and hold his hand towards the outside of the nightclub.

However, halfway through the walk, Ye Han suddenly turned his head and said; "By the way, if the person behind the curtain doesn't know who I am, then, just tell him that my surname is Ye."

Surname Ye?

Brother Qiang's cold eyes stared, then, a name suddenly came to him, causing his hands to tremble, recently, hadn't the man surnamed Ye come to South China? This youth was also surnamed Ye, could he be?

Thinking of this possibility, Qiang's face was covered in cold sweat, his palms trembling as he took out his mobile phone and directly dialed the number of Gu Longtou, what had happened over in Nanning had made the Longtou of several provinces around Guangnan Province all scornful of this man surnamed Ye, afraid that his next target would come to him, if this youth was that man, the South China Sea underground world would really be in great trouble.

Fortune Chapter 424

"What, Ah Qiang, are you sure it's him?"

Inside a villa in Haimen City, South China Sea, an old man dressed in a Tang suit held the phone, that face was quite unpleasant, the scorn that came out of his eyes anyone could feel how strong his fear was at this moment.

“Leader, I’m not sure, but I have a feeling it’s him.” On the other side of the phone, Keung’s voice trembled as he said.

“Keung, how did he get to you? What is this all about?”

“It’s Young Fei, Dragon Head, I’m sorry, Young Fei asked me to capture two people back this afternoon, at first I didn’t care until these two people killed me straight away, that’s why I

“Useless loser, pissed me off, what else can he do all day but know how to eat, drink and play?” Hearing Keung’s words, Gu Longtou directly cursed in anger, his chest heaving.

“Dragon Head, what should we do now? He only gave us one night, if we don’t see the mastermind behind it at the Nanhai Hotel by noon the next day, he’s only going to strike at us.”

Upon hearing this, Gu Longtou stabilised his emotions and said; “Ah Qiang, don’t panic yet, let me handle this matter, remember, don’t make any rash moves.”

“Got it, Dragon Head.”

After hanging up Keung’s phone, Gu Longtou immediately made a call, this call went directly to the East Canton Province, to the headquarters of the Heavenly Dignity Society, Ye Han had descended to the South China Sea and had confronted him, Gu Longtou could only ask the Heavenly Dignity Society for help at the moment.

However, after calling this number, the person from the Heavenly Dignity Society only answered him with one sentence; “If you want to live, do as he says.”

Gu Longtou froze and put down the phone, his face was ugly to the extreme, now, he had no other choice but to meet Ye Han instead of his useless son, because the Heavenly Dignity Society would not send anyone over to help him at all, this made Gu Longtou very confused, right now, the news of Huo Tianzun’s departure from the gate had spread all over the underground world in South China, since Huo Tianzun, the overlord, had left the gate, why did he not just kill Ye Han? And still let him roam freely in the land of South China?

Only, how would Gu Longtou and the others think that Huo Tianzun and Ye Han had already fought in secret, and right now Huo Tianzun was not completely sure of killing Ye Han, so he would not move, and to kill Ye Han, he had to strike a blow, otherwise, the consequences would be endless.

The night passed quickly, and it was already nine in the morning when Zhou Yun’er woke up the next morning, and the warm sunlight shone in through the floor-to-ceiling windows, giving people a very comfortable feeling.

“Awake.” Ye Han leaned over the bed, looking at Zhou Yun’er who had woken up curled up in his arms, and stroked her hair.

Zhou Yun’er looked up at Ye Han and said with half-opened eyes; “You’re a chicken, you always wake up before me, no, I need to sleep a bit more, you killed me last night.”

Ye Han smiled wickedly and said; “Who let a certain woman have more than she wanted last night.”

Hearing Ye Han’s words, Zhou Yun’er’s face flushed red, kicked Ye Han inside the quilt and said; “Go down and take a shower.”

Ye Han shrugged, then got out of bed and walked into the bathroom naked with a bath towel around his upper body.

When the two of them washed up and took the lift to the restaurant on the ground floor of the hotel, Ye Han and Zhou Yun’er were surprised to find that there was not a single customer in the restaurant today, and a few waiters were standing around with trepidation, looking outside the hotel from time to time. Large men in neat suits guarded all the doors of the hotel, allowing only exit, not entry.

After getting out of the car, the old man and Brother Qiang went straight to the hotel. The old man was naturally the underground leader of the South China Sea, Gu Longdong. to get here before noon.

“Two of you, I wonder what you would like to eat?” A waiter slowly walked up to Ye Han and the others at this time and asked, pretending to be calm.

Zhou Yun’er said; “Give us a rare and a fully cooked steak, and a bottle of red wine.”

“Okay, both of you please wait a moment.”

After the waiter left, Ye Han lit a cigarette under the gaze of Zhou Yun’er who rolled her eyes fiercely, last night when he was sleeping together, Zhou Yun’er just wouldn’t let him smoke, he had been holding it in all night, now that he was addicted to smoking, Ye Han didn’t care what kind of place this was.

“Mr. Ye.” Behind Ye Han, Gu Longtou slowly walked up and shouted with a respectful face.

Ye Han said indifferently; “What’s the matter, wait until I’ve finished my breakfast, if you two haven’t eaten yet, you can sit down and eat together, my treat.”

“I don’t dare, I will just wait for Mr. Ye at the side.” Gu Longtou said with increasing respect.

“That’s not nice, I’m not in the habit of eating while being watched, find a place to sit down.”

“Thank you very much Mr. Ye.” Feeling that Ye Han was speaking well, Gu Longtou snapped with relief and then sat down quietly at a seat not far away, with Brother Qiang accompanying him.

After the steak and wine were served, Ye Han and Zhou Yun’er ate and chatted for most of an hour before they finished eating, the steak thing, in fact, Ye Han did not like it, for him, it was better to eat the white rice that he grew up eating, but when he came to the South China Sea, clothing, food and accommodation were all arranged by Zhou Yun’er, Ye Han was the one who came to eat and clothe himself.

Seeing Ye Han wiping his mouth with a napkin, Brother Qiang had the good sense to run over and settle the bill, incidentally also paying for Ye Han and their room, Gu Longtou reappeared beside Ye Han and said; “Mr. Ye, the people under his hand don’t know what they are doing and have provoked you, please forgive Mr. Ye and let them off the hook, if Mr. Ye doesn’t feel relieved, I can make compensation.”

“Gu Longtou, according to the rules, you are my senior, please sit down, I have a lot of time now, so let’s have a good chat.” Ye Han smiled slightly at Gu Longtou and gestured for him to sit down, although Gu Longtou sat down, however, seeing this smile of Ye Han, he felt a little hairy in his heart, wondering what exactly Ye Han would talk to him about next?

“Mr. Ye, please speak.” Gu Longtou said apprehensively.

Ye Han took out two cigarettes and handed one to Gu Longtou and lit one for himself, then said; “Gu Longtou, let’s not speak in secret, I believe the mastermind behind this attack on me is not you, you don’t have the guts, so I think it’s better for Gu Longtou to let the person behind the mess come to see me himself.”

Fortune Chapter 425

Hearing Ye Han’s words, Gu Longtou’s face changed, the mastermind behind this was his only son, although this son was untalented, but he had such a son in his later years, if Ye Han really wanted to kill him, would his son still have a chance to live?

“Mr. Ye, I am willing to suffer on behalf of my son, please Mr. Ye raise your hand.” Gu Longtou stood up and fiercely bent down to Ye Han, with a pleading face, Ye Han looked at him and said; “Gu Longtou, in fact, I am not a man who is good at killing, last night I didn’t lay a killer, you should know that, I am giving the person behind the curtain a chance, now there are two hours before noon, you can have someone bring him here within those two hours, if on time I promise you won’t make things difficult for him, young people, everyone makes mistakes.”

At these words, Gu Longtou’s face was pleased, as the king of the underground world in East China, Gu Longtou knew that Ye Han was a man of his word, he said with a pleased face; “Thank you, Mr. Ye, I will have someone bring that untalented beast to you.”

“Hold on.” Seeing that Gu Longtou was about to order someone to do this, Ye Han suddenly said, which caused Gu Longtou’s heart to tighten as he asked; “Mr. Ye, I don’t know what else you have ordered?”

Ye Han took a puff of his cigarette and said; “Whoever ordered him to do this, bring that person over to see me as well, remember, always be on time, I’m not used to waiting for people for too long, especially my enemies, Gu Longtou, do you understand what I mean by that?”

“Understood, understood Mr. Ye please don’t worry, within two hours, I will have them brought over.”

Seeing that Gu Longtou had left, Zhou Yun’er said; “Ye Han, we won’t really have to wait here for him for two hours, will we?”

“Of course.” Ye Han nodded his head.

Zhou Yun’er frowned and said; “But I still have to go to Liu’s Jewellery Group, will this delay the trip?”

“Yun’er, don’t worry, it won’t delay your big event.” Ye Han laughed; “If this is handled well, we don’t need to go to Liu’s Jewellery Group, I think the people from Liu’s Jewellery will come to us themselves by then.”

“You mean Liu Rulong?” Zhou Yun’er’s eyes lit up.

“Apart from him, who else is there.” Ye Han laughed; “In this matter of the Willow Jewel, this guy did help me out, giving me a legitimate reason to slaughter the Liu family, last night I checked, this Liu Rulong is the eldest grandson of Elder Liu Guangzong, although he is an unworthy second generation, but he is deeply loved by Elder Liu Guangzong, if I were to deal with him, do you think, the people from the Liu family would step in?”

“You guy, you’re really bad.” Zhou Yun’er covered her mouth and snickered, being said by Ye Han, she felt that the matter of coming to the South China Sea to acquire Liu’s jewellery became a lot easier all of a sudden.

Two hours, not to say long, not to say short, amidst Ye Han and Zhou Yun’er’s affectionate words, two hours soon arrived, at this moment, Gu Longtou almost trotted into the hotel, sweating profusely, behind him, Qiang and the others also escorted two young men in.

“Mr. Ye, I’ve brought you the man you want.” Once again coming to Ye Han’s side, Gu Longtou looked breathless and depressed as he said.

Upon hearing this, Ye Han smiled at Leader Gu and said; “Leader Gu, please sit down, have a cup of tea first and let’s talk slowly.”

“Thank you, Mr. Ye.” After Gu Longtou sat down, he directly drank the cup of tea in front of him, in order to find the person Ye Han wanted to meet within two hours, he did not even have the time to take a sip of water, it was hard for him to do so at such an old age.

Ye Han’s gaze looked towards the two youths that Brother Qiang was escorting, one of them was naturally Liu Rulong, while the other, with a somewhat pale face and weak feet, looked like a guy who had overindulged in sex.

But facing Ye Han’s gaze, Liu Rulong didn’t have the guts to look at him at this moment, just now, he was pulled up from a woman’s belly. He was still alive, and he felt lucky.

As for the other youth, he likewise did not dare to look at Ye Han, at this moment, he could be said to hate Liu Rulong in his heart, if it wasn’t for Liu Rulong calling him to ask him a favor, how would he have gotten into trouble with Ye Han, the fatal star, and gotten into this situation now, whether he could still live or not would depend on the mood of the youth in front of him.

“Mr. Ye, I wonder what you want to do with them?” Seeing Ye Han sizing up his son and the Liu family youth, Gu Longtou asked with some apprehension, although he knew Ye Han was a man of his word, there were surprises in all things, he did not care about the death of the Liu family youth, he only cared about his son.

Upon hearing this, Ye Han laughed; “There is no need to worry, Dragon Head Gu, I merely wanted to see who was behind this order, and now that I have seen it, your son can leave.”

“It’s that simple?” After hearing Ye Han’s words, Gu Longtou felt a little incredulous, with a stunned look on his face.

“As simple as that, Gu Longtou, I have already said that I, Ye Han, am not that kind of murderous person, so he can leave now, but” Ye Han’s gaze landed on Liu Rulong’s body and said with a playful

expression. "However, this Young Master Liu still has to sit with me for a while before he can do so, Young Master Liu, you said?"

Hearing these words, Liu Rulong's face changed greatly and he stammered; "Ye Han, no, Young Master Ye, it was my eyes that offended you yesterday, I beg Young Master Ye to let me live?"

"Let you live?" Ye coldly laughed; "It seems that yesterday Young Master Liu had to make me pay a price, you know? For those who want to make me pay the price, I have never been merciful, so, Young Master Liu, when you reincarnate in your next life, keep your eyes open, there are some things you can't say and some things you can't do, and if you say and do them, that kind of price, most likely, will be using your life as an exchange."

Hearing Ye Han's words, Liu Rulong was so frightened that his legs went limp and he actually knelt down directly on the ground, kowtowing and said; "Younger Ye, please let me go, I swear I won't dare again next time, as long as you don't kill me, I'll be a cow and a horse in the future to repay your kindness, Younger Ye, please"

At the end, this Liu Rulong actually cried, facing the threat of death, these second generation ancestors who grew up with golden keys, where he has that kind of courage to face death, if Ye Han took out a knife at this moment, I'm afraid he would immediately be scared to piss his trousers.

Ye Han looked at this Liu Rulong with a disdainful face, yesterday on the beach this guy was quite arrogant, now this look, just as he himself said yesterday, the number one coward young man in the South China Sea.

"Don't knock, I'm still young, I can't afford it." Ye Han looked at Liu Rulong and said indifferently; "I still have some friendship with your family's Old Master Liu Guangzong, if you want to live, let him come here to see me personally."

Fortune Chapter 426

In order to stay alive, Liu Rulong called the family with a cry, and instead of calling his father, he called Liu Guangzong directly. From Ye Han's words, he also heard that Ye Han only wanted to see Liu Guangzong, not anyone else in the Liu family.

At this moment, after Liu Guangzong, who was fiddling with a jade object in the courtyard, heard his grandson's distress call, he immediately put down the treasure in his hand, called his eldest son, and immediately came towards the Nanhai Hotel in his car.

Although Liu Guangzong didn't know exactly what was happening, his grandson's life was in danger and if he didn't go, his favorite grandson would be dead.

Liu Guangzong came quickly, the Liu family's residence is in Sanya, and it has not been a short time, the Liu family has developed for hundreds of years, although now the sun has set, but the heritage and connections are still there, so when arrived at the Nanhai Hotel, Liu Guangzong saw Gu Longtou at first sight.

"I didn't expect Dragon Head Gu to be here too, what a rarity."

Gu Longtou smiled; "Mr. Liu, Mr. Gu is just meeting a friend in this, but Mr. Liu came really fast, it seems that this young man is not low in your mind."

Now, his son was no longer in fear of his life, and Ye Han was not counting the things that the people under him had done to offend him, so Gu Longtou felt much more relaxed all over, but his son had offended Ye Han unknowingly because of the Liu family people, which made Gu Longtou have a bit of a problem with the Liu family.

"No one from my Liu family has a low status in my heart." Liu Guangzong said indifferently as he looked at Liu Rulong who was still kneeling on the ground at the moment and said; "Rulong, stand up, how does kneeling on the ground look like a descendant of my Liu family."

"Grandpa, I don't dare!" Liu Rulong's voice was tinged with tears as he said.

"Bastard, you don't even have the guts to do that, are you still my Jian Liu's son, today I want to see who is trying to kill my Jian Liu's son?" Liu Rulong's father looked towards Ye Han's back with a hostile face, Liu Guangzong was also looking at Ye Han's back, under this gaze of theirs, only to see Ye Han slowly turn around, he looked at Liu Guangzong and smiled; "Elder Liu Guangzong, it's been a long time."

"It's you, Ye Han!" There was a touch of surprise in Liu Guangzong's voice, but after seeing Ye Han, his gaze also stared, this young man in front of him now was not the same young man he had been in Tengchong. above him now.

"Oh, Old Mr. Liu, please have a seat." Ye Han personally stood up and invited Liu Guangzong to sit down.

After Liu Guangzong glanced at his grandson, he sat down next to Ye Han and said; "Ye Han, what exactly is going on here today? If my grandson has provoked you, I hope you can spare him for once for the sake of me, an old man, how about that?"

Ye Han laughed; "Old Mr. Liu, your words put me in a difficult position, to put it mildly, if someone were to kill you, would you let him go?"

"What!" After Liu Guangzong heard these words, his face changed, this grandson of his seemed like he was used to indulging him normally, to kill Ye Han, only a few people in the whole South would dare to say such words, this bastard dared to do so, no wonder he would ask for help from inside his family.

"Rulong, is this thing true?" Liu Guangzong looked at Liu Rulong who was kneeling on the ground and asked with an ugly face, Liu Rulong lowered his head and kept silent, seeing this, Liu Guangzong sighed in his heart, then he looked at Ye Han and said; "Ye Han, I wonder what you want to do to spare him? As long as you ask, what I, Liu Guangzong, can do, I will try my best to do."

Ye Han looked at Liu Guangzong and said; "Elder Liu, you should know that I am a person who walks on the dark side that ordinary people can't touch, so when dealing with my enemies, my guideline has always been to kill when I should, and I won't leave any chance for my enemies to turn against me, so how do you want me to spare him now?"

Liu Guangzong's face became even uglier and he did not say a word, this grandson of his was going to kill Ye Han, now he was going to beg others to let him go, naturally it was somewhat unlikely, unless there were huge benefits that could move Ye Han, or there was enough power to confront Ye Han, but both of

these were more reliable for the Liu family, although the Liu family had lasted for hundreds of years, they were only a business family and did not have the force to stand up to Ye Han, a ruthless man.

“Ye Han, then what do you have to do to spare him?” Liu Guangzong looked at Ye Han and asked.

Ye Han said; “Elder Liu, in fact, this time when I came to Sanya, I originally came to talk business with the Liu family, it’s just that it’s fine if this grandson of yours provoked me for no reason, but he ended up wanting to kill me, now, you really put me in a difficult position.”

Talking business?

Hearing the meaning implicitly expressed in Ye Han’s words, Liu Guangzong said; “Ye Han, we have met a few times, so please speak directly about what you have to do.”

Ye Han said indifferently; “Master Liu, to be honest, I came to Sanya this time to acquire Liu’s Jewellery, but your grandson’s behaviour has made me think less of Liu’s Jewellery, so I am not going to acquire your Liu’s Jewellery now, I will kill him and then use the formal way to bring down Liu’s Jewellery, so from today onwards, Liu’s Jewellery is the rival of Zhou’s Jewellery, and even more so, it is my enemy. More so, it is my enemy, Ye Han’s enemy, and the way I treat my enemies is; leave no room for error.”

At these words, Liu Guangzong’s and Liu Jian’s faces changed drastically, Ye Han’s opening to acquire Liu’s Jewellery had already alarmed them, after all, even if their Liu family agreed to Ye Han’s acquisition of Liu’s Jewellery, it would still require a huge amount of money, could Ye Han afford to take it out?

These aside, Ye Han’s next two sentences were what made Liu Guangzong and Liu Jian’s faces turn pale, as Zhou’s Jewellery had developed rapidly this year, and in cooperation with the Tiniya Group, had developed into a jewellery industry’s newest giant. If Zhou’s jewellery really wants to deal with Liu’s jewellery, how many years can Liu’s jewellery, which is on its way down, survive?

What’s more, once they became enemies with Ye Han, the consequences would be unimaginable. Even if the Liu family had beaten back Zhou’s jewellery in the market, secretly, they would never be able to stop Ye Han, and if they angered him, the Liu family could be exterminated.

At this time, Liu Guangzong suddenly did not like Liu Rulong anymore, because this grandson of his, now put the whole Liu family in a dilemma, the slightest inadvertence, the Liu family will be ruined.

Fortune Chapter 427

“Ye Han, we were friends who had worked together when we were in Tengchong, so why make things so difficult, if you really want to buy Liu’s jewellery, we can sit down and have a good talk, destroy Liu’s, I know you can do it with your current ability, but what can you get by destroying Liu’s? It’s just a temporary relief.” Liu Guangzong let out a deep breath as he looked at Ye Han and said this.

“What’s more, even if you can destroy my Liu Clan, do you really think you won’t pay the price? Although my Liu Clan is now in its sunset, its powerful heritage is still there, its connections are still there, and it won’t do you any good for us to become enemies.”

Hearing these words, Ye Han laughed lightly; “Elder Liu, you mean by your words that you want me to acquire Liu’s jewellery?”

“This matter, we can talk about it properly.” Liu Guangzong said calmly, weighing the pros and cons, Liu Guangzong knew that the only way at the moment was to let Ye Han acquire Liu’s, as for how exactly to operate first, the most important thing now was to stabilize Ye Han, being Ye Han’s enemy, that kind of price the Liu family could not afford.

The frowning appearance of Ye Han seemed to be silent, thinking, and Zhou Yun’er snickered in her heart, the Liu family was really going to be slaughtered by this little man this time.

“Elder Liu, since the words have come to this point, I, Ye Han, will not be the kind of person who is bent on having his own way, regardless of the consequences.” Ye Han looked at Elder Liu and said; “It’s fine to acquire Liu’s jewellery, moreover, I can also let Liu Rulong off the hook, but, this price I don’t know what kind of price Elder Liu will offer?”

“Ye Han, I don’t think this is the place to talk about business, why don’t we pick a time and talk about this matter properly in another place, what do you think?” Liu Guangzong looked at Ye Han and asked.

Ye Han said; “Master Liu, for me to talk about business anywhere is the same, right now, I just want to know the price you have in mind, if it is possible, we can settle it now, if not, I can also go back and arrange it earlier.”

At these words, Liu Guangzong’s face looked a bit unsightly, Ye Han’s words seemed calm, but in fact, he was threatening him. To deal with his Liu family?

“Eighty billion, plus twenty percent of the shares.” Liu Guangzong said in a cold voice, if not for the situation being stronger than people, Liu Guangzong would not have said anything to let Liu’s jewellery be acquired, that was the world his ancestors had built, in his hands not only did he not make Liu’s jewellery stronger, but now he had to give it away, I’m afraid that when he got to the underworld, the people before him would point at his nose and curse.

But now the situation is stronger than the people, and Ye Han is the enemy, then, the loss is not a Liu’s jewellery, his entire Liu family will lose up, let Ye Han buy Liu’s jewellery, at least can get a large amount of money, but also, also occupy twenty percent of the shares, so that is enough for the Liu family to survive, Liu family no one has the ability to make Liu’s jewellery to the next level, handing over to outsiders to make it strong is not impossible. It was possible.

After hearing Liu Guangzong’s words, Ye Han smiled lightly and said; “Elder Liu, it seems you don’t have the sincerity to negotiate business, 80 billion plus 20 percent of the shares, given your current situation, how many years do you think it will take to earn that much? I’m afraid it would be difficult to do so even if I gave you ten years. On the contrary, do you think it would take me ten years to take over Liu’s jewellery? In a year’s time I can make Liu’s Jewellery disappear in the south, so, Elder Liu, this appetite of yours is too big, while this bowl of mine is too small, I’m just afraid that I won’t be able to feed you.”

Upon hearing this, Liu Guangzong’s brow furrowed and said; “Ye Han, although what you say is not without reason, but my Liu’s Jewellery has been operating in the south for several generations, whether it’s the market channels it occupies, or in terms of contacts, these are all intangible wealth resources, after acquiring Liu’s Jewellery, these are all yours, so the conditions I offer are reasonable.”

“Wrong.” Ye Han looked at Liu Guangzong and said; “Elder Liu, have you ever thought about one thing, if I bring down your Liu’s Jewelry, I can completely start from the market aspect, you know, we can still

have Tinea as a powerful ally, moreover, we can start from within your group, Liu's Jewelry has existed for so many years, I'm afraid that the ass is not very clean either. ”

Liu Guangzong's face was ironic, every group naturally had an unseen side within it, the longer it existed, the more poisonous this unseen side was, once it was known, it was absolutely fatal damage.

“Then how much do you think is appropriate to acquire my Liu's jewellery?” Liu Guangzong asked with an ugly look on his face.

“Cut it in half.” Ye Han said; “Forty billion and ten percent of the shares.”

“Impossible!” Before Liu Guangzong could say anything, Liu Jian, who was standing next to him, suddenly said with an angry face.

Ye Han did not bother to look at Liu Jian, his gaze still fell on Liu Guangzong's body and said; “Master Liu, in fact, the terms I offer you are not a loss, the development prospect of Zhou's Jewelry right now I think you can also see, within a few years, it can definitely become one of the giants in the Southeast Asian jewellery industry, of course, my family Yun'er's idea is to break Zhou's Jewelry into foreign markets and become a global type of The company's idea is to enter the foreign market and become a global player, even if you follow it and drink the soup, it will be a piece of fat meat for you.

“Humph, big words can be said by anyone.” Jian Liu snorted coldly after hearing these words.

Liu Guangzong let out a deep breath and looked at Ye Han and said; “Ye Han, I don't doubt your ambition, but if Zhou's Jewellery wants to reach this point, this is too early for you to say this, so you don't need to draw an unrealistic pie and put it in front of me, I am old but not yet confused, sixty billion, fifteen percent, this is my last bottom line. ”

Ye Han shook his head and said; “Master Liu, I, Ye Han, am a man of my word, forty billion, ten percent, this is the highest price I can offer and will not be changing, if Master Liu feels that it is not possible, then there is no more business to discuss.”

After saying that, Ye Han stood up and looked at Gu Longtou who had been standing quietly next to him, he said seemingly unintentionally; “Gu Longtou, following Huo Tianzun, you might as well follow me, are you wondering why Huo Tianzun hasn't made a move on me since he's out of the gate?”

Hearing Ye Han's words, Gu Longtou's expression shook, this question was indeed troubling him.

Ye Han continued; “South China is a good place, the South China Sea is even a good place to live in, I think I will come here to live here regularly in the future, Huo Tianzun is old, the time that belonged to him has passed, so, Gu Longtou, I think you should plan for your future.”

After saying this, Ye Han stretched out his hand and took Zhou Yun'er's hand and walked towards the outside of the hotel.

Seeing this, Liu Guangzong's face was ugly to the extreme, once Ye Han left, then the Liu family was his enemy, what was more important was that the implicit meaning expressed in Ye Han's words just now was that he, Ye Han, wanted this part of South China for sure, if Ye Han also became the hegemon of South China in the future, then, his Liu family would never have a way to live.

“Wait, Ye Han, I promise you the condition.”

At those words, Ye Han turned his back on Liu Guangzong and smiled, victory in this business negotiation belonged to him.

Fortune Chapter 428

After hearing this forced voice of Liu Guangzong, Ye Han smiled, he turned to look at Liu Guangzong and said; "Elder Liu, in the future, you will not go to regret for this decision you made, since your old man has agreed, then, in a few days, someone will come over to Sanya to handle the formalities, also, I can promise one thing, as long as I, Ye Han, exist, then, in the South China Sea there is no one can bring down the Liu family."

Liu Guangzong said; "My Liu family can agree to your conditions, but Guo's jewellery in Xiangjiang is also interested in acquiring my Liu's jewellery as well, so"

"You want me to block this trouble for you from Guo's in Xiangjiang." Ye Han smiled; "No problem, Gu Longtou, do one thing for me, drive the heir of the Guo Clan of Xiangjiang out of the South China Sea, and say that I, Ye Han, don't like to see him here."

"Mr. Ye, please don't worry, I will do it for you." Gu Longtou patted his chest and said to Ye Han.

After these words were said, Ye Han was really gone this time.

Slaughtering the Liu family, in fact at first Ye Han did not have this idea, it was just that Liu Rulong himself stuck his head out and came over for him to slaughter, so he went along with it, of course, this negotiation might seem like the Liu family lost a lot of benefits, but, Ye Han was not joking with those words just now, once Zhou's jewellery developed, Liu Guangzong wanted that ten percent of shares was definitely a huge fortune, the Liu family's loss was only temporary.

The negotiations ended with such a result that Zhou Yun'er did not anticipate beforehand, her original vision was seventy billion dollars and fifteen percent of shares, but when it came to Ye Han, it directly became forty billion dollars and ten percent of shares, which was a big step in the middle that collapsed viciously.

"What, charmed by your man's negotiating style?" Sitting in the taxi, Ye Han looked at Zhou Yun'er who was looking at him with a smitten look on her face and grinned.

"A bit, but you guy is a bit ruthless in killing Liu's this time, aren't you afraid that they will hold a grudge against you behind your back?" Zhou Yun'er said as she leaned on Ye Han's shoulder.

Ye Han said; "So what if they hold a grudge against me? They can only hate me in their hearts, with the strength of the Liu family, they still don't dare to do anything to me, when they get a taste of the real sweetness, what they will do is not to hold a grudge against me, but to thank me from the bottom of their hearts."

Zhou Yun'er said; "This time, coming to Nanhai to acquire the Liu's jewellery went very well, if it wasn't for you, I'm afraid I would have had to struggle to negotiate with this old fox, Master Liu, for a few days, Ye Han, are you going to go back to Huazhong this time?"

Ye Han nodded and said; "The matter in Huazhong is still not fully resolved, it may take not a short time."

“I know the things you do are dangerous, fighting and killing you must be safe yourself, I don’t want to be widowed at a young age.” Zhou Yun’er leaned tightly on Ye Han’s shoulder and said softly.

Ye Han didn’t say anything, he hugged Zhou Yun’er tightly, for the sake of worrying about his woman, even in the face of dangerous things, he had to be strong and survive to see them, not to let them grieve and despair.

After returning to Shanghai City, Zhou Yun’er immediately went to work, arranging for people to go to Sanya and sign an agreement with Liu’s Jewellery, officially acquiring everything from Liu’s Jewellery, with the acquisition of Liu’s Jewellery, Zhou’s Jewellery had a broader market channel, Liu’s sales channels were not only in the country, but also in Southeast Asian countries and even in the Western world.

With the acquisition of Liu’s jewellery, all of this belongs to Zhou’s jewellery. Using Liu’s jewellery’s sales channels as a springboard, Zhou’s jewellery will step out of the country, face Southeast Asia and finally enter the Western world, this is the real purpose of Zhou Yun’er’s acquisition of Liu’s jewellery, although Liu’s jewellery occupies a favourable channel, but the wrong marketing in recent years has made them spend a lot of money on this piece of money, there is no extra money at all to expand their sales volume.

Just a few days after Ye Han returned to Shanghai City, when Ye Han was ready to accompany his sister Ye Qing and the girls on their way to Huazhong, a piece of news from Huazhong shocked Huazhong and even the whole south.

Murong Tiandu had come out of seclusion, and had opened the Governor’s Vessel, advancing to the level of an expert of the Small Rendu Realm!

Although Murong Tiandu was already in his thirties, and he was no match for Nalan Mietian or Ye Han in opening the Governor’s Vessel, his talent was still so terrifying that there were not many geniuses in the ancient martial arts world who could match him.

The fact that Murong Tiandu had opened the Governor’s Vein even directly alarmed Murong He Tu, who had been in seclusion all year round. For a while, Murong Tiandu’s opening of the Governor’s Vein, Murong He Tu, the hegemon of the Southern Underworld, coming out of seclusion, plus Huo Tianzun coming out of seclusion a few days ago, caused everyone in the Southern Underworld to feel a smell of war in the air, especially now that Ye Han had extended his hand to Central China after he had dominated Eastern China.

“They’re all out of the gate!”

After Ye Han received the news, he narrowed his eyes and looked in that direction of Central China, at this moment, Ye Han even felt a pressure descend upon him, Murong Tiandu was not a threat to him, but Murong Hetu, the overlord who was able to suppress Jiang Yutang, suppress Huo Tianzun, and suppress many great men in the southern underground world, no one was not scornful of him, even Huo Tianzun after he came out of seclusion was only very Even Huo Tianzun, who had come out of seclusion, was afraid of Murong He Tu.

No one knows how powerful Murong Hetu has become now that he has emerged from seclusion, but, he is definitely a more formidable figure than Huo Tianzun!

“Looks like it’s time to go to Hua Zhong.”

Murong Hetu had come out of seclusion and Murong Tiandu had opened his Governor’s Vein, these two fathers and sons were not simple figures, he had to personally go ahead and preside over the situation in Huazhong, once Murong Hetu made a move, without him, Sun Buwei and the others would not be able to withstand the pressure in Huazhong.

With this in mind, Ye Han left Shanhai City the next day and went directly to the Central China Lake Blue Shaoyang City, naturally accompanied by Little Tiger, a harmless looking super fighter.

For the sake of convenience, Sun Bu Mian and the others had already bought a villa next to the villa where Xie Han Yan and the others lived, it was always a bit inconvenient for a group of big men and a few girls to live together, after Ye Han came to Shaoyang City and entered the villa, to his surprise Leng Wufei had come down from the mountain and had come to him specifically.

“Oh, Ye Han, aren’t you surprised to see me?”

Looking at Ye Han who walked in from outside the villa, Leng Wufei stood up and said with a smile on his face.

Ye Han smiled; “It is natural for me to be very surprised by your arrival, I wonder what is the reason for your coming down to the mountain this time?”

Leng Wufei laughed and said; “You are in trouble and you didn’t inform me, I naturally came down for you this time, the commotion you made in Central China is known even to me, against the compulsion tribe, really makes me worry about you, moreover, recently even Murong Hetu is out of customs, you are alone in Central China, this is a very dangerous thing for you. ”

“Sir has a heart.” Ye Han sat down and said; “Since sir has come down from the mountain especially for me, then I am not polite, with sir around, I think we will be able to get through any difficulties.”

Fortune Chapter 429

The arrival of Leng Wufei was indeed a great help to Ye Han, Leng Wufei’s martial cultivation was also at the peak of the Little Ren Du realm, and he and Ye Han were the strongest here except for Chen Tian Xing as well as the two Chen Tian Tian brothers, with the exception of course of Little Tiger, an alien.

“Elder Sun, has there been any movement against us after Murong Tiandu came out of the gate?” Ye Han looked at Sun Buwei and asked.

Sun Bu Mian shook his head and said; “Murong Tiandu didn’t launch any action against us after he came out of seclusion, everything is very calm, but recently a group of guys with strange movements appeared in Shaoyang City, I suspect that they might be from the Corpse Catcher Clan, only that these people haven’t shown any hostility towards us for the time being.”

Leng Wufei knows more about the corpse chasing tribe, he said; “Ye Han, although the corpse chasing tribe is small, but these guys are unpredictable, especially in the area of Hulan Xixiang, which is their main base of activity. When Zhuge Lao’er invited the corpse chasing clan to perform their tricks in Xiangyang City, they directly scared away Cao Cao’s 100,000 troops, so it can be seen that they are very powerful, of course, there are also rumors among the people that those weird tricks of the corpse

chasing clan were researched by Zhuge Lao'er against the enemy and finally passed on to the corpse chasing clan, but no matter how to say that the corpse chasing clan is the same as the compulsion clan, the tricks of these two great families of supernatural arts are very scary. "

Ye Han nodded and said; "Elder Sun, do you know where this group of guys are now?"

Sun Buwei shook his head and said; "This group of guys have been moving strangely, I was afraid that continuing to follow them would cause them to turn against me, so I withdrew the Heavenly Dragon Guards back, no one is sure where this group of guys are now."

"Forget it, let's ignore them for now." Ye Han said; "Right now we need to keep a close eye on the Murong family, they are our formidable enemy, Murong He Tu coming out of seclusion is definitely much harder to deal with than Murong Tian Du."

In this way, after Ye Han arrived in Central China, he silently cultivated while silently waiting for the Murong Family's next movements, however, just as Ye Han was waiting like this, an invitation was delivered to him, this invitation was sent by someone from the Murong Family, the content on it was very simple, it meant that Ye Han was invited to go to the Murong Family in three days to participate in the so-called meeting alliance.

Of course, this alliance was only for the Southern Underworld Martial World, if he wanted to invite to the Ancient Martial World to come and participate, Murong Hetu did not have the qualification yet, he was only the Martial World Alliance of the Southern Underworld, not the Martial World Alliance of the Ancient Martial World.

"Interesting, Murong Hetu held an alliance right after he came out of seclusion, inviting the Southern Underworld Overlord and some powerful casual cultivators to attend, what exactly does he want? A convention of this nature has never existed before." Leng Wufei said with a frown.

Chen Tianxing said; "Our Chen family has also received the invitation, it seems that Murong Hetu must have made a big move this time out, and it is likely to have an impact on the pattern of the underground world, we are in the middle of it, even if there is something we cannot avoid, we will have to see what moves Murong Hetu will make at this so-called meeting."

Ye Han said; "Since everyone wants to go to this meeting alliance, then, in three days, we will head to the Murong family and meet this dominant figure of the southern underground world."

"Little Han, do you need to prepare anything? Going to the Murong Family to attend the meeting alliance, this trip is likely to be a dragon's den, in case the Murong Family makes a move against you then, then it will become extremely passive for us." Sun Buwei looked at Ye Han and inquired.

Ye Han pondered for a moment and said; "It's not advisable to bring all our forces to the Murong family, we will be eaten without even a scrap when we are dumpling." "How about this, I, the two seniors of the Chen family and Mr. Wufei and Silly Ben will go to the Murong family, Elder Sun, we will leave the Lake Blue side to you and Brother Zhou."

Sun Buwei said; "OK, then you must be careful yourselves when the time comes, compared to Jiang Yutang and Huo Tianzun, Murong Hetu is a more fearful lord, he tends to do things based on his own preferences only."

This alliance convened by Murong Hetu, going was a must, if not, it would only make the Southern Underworld laugh at him, the king of the East China Underworld, for not even having the courage to attend the alliance. Ye Han, together with Chen Tianxing and Chen Tiantian, as well as Leng Wufei and Silly Ben, the five experts, such a lineup should be able to protect themselves even if something unexpected happens in the Murong family.

After all, Chen Tianxing and Chen Tiantian are experts of the Middle Rendu realm, the same realm as Huo Tianzun. Even if Murong Hetu is an even more powerful expert than the two of them, together with this group of people, they will still be able to fight Murong Hetu.

Of course, this was all the worst case scenario. Perhaps, Murong Hetu was just convening a meeting alliance and did not make any other moves.

There were still three days before the start of the meeting, Ye Han was not in a hurry, the Murong family was in the Blue River City of the Central China River, which was only half a day's journey from here.

What Ye Han did not understand was that Murong Hetu had invited those experts to this meeting. In the south, there were quite a few experts from the casual cultivation like Leng Wufei, such as Silly Ben's grandfather, and Hatsukong Zhi, and the Ghost Master he had met at the Chen family.

However, what was certain was that Huo Tianzun would definitely be there in three days.

This alliance would be a group meeting, and experts from all over the world would only appear at the Murong family.

There were still three days left, Ye Han was in no hurry and when he had nothing to do, he also went to Xie Han Yan and the girls' side to sit down and ask about the situation of the Wen Chao Group.

"Brother, why don't you move over to our side, there are empty rooms anyway, a group of big men living together and going outside to eat every day is not good for your health." In Xie Han Yan's villa, Xie Han Yan looked at Ye Han who was sitting across from her looking at a statement of the Wen Chao Group and said.

Hearing this, before Ye Han could reply, Lin Feixue who was sitting next to Ye Han on a pair of long legs said; "Yes, yes, it's just as well that our yin and yang are in decline over here, let Ye Han come over to tonic our yang energy."

The woman's words were really thoughtless. The thing that nourishes Yin and Yang is naturally to do that and that.

A man can be philandering, but not promiscuous.

Seeing that Ye Han hadn't agreed, Zhang Yuemeng said; "I say Ye Han, over here there are four big beauties serving you and cooking for you don't you still want to? Do you have to let us sleep with you at night before you come over?"

At these words, amidst Xie Han Yan's blushing eyes, Ye Han looked at Zhang Yue Meng's hot and delicate body and smiled wickedly, saying; "If Sister Zhang doesn't mind, I naturally won't refuse."

Fortune Chapter 430

“Bastard, you’re thinking beautiful.”

Feeling Ye Han’s wicked gaze, Zhang Yuemeng’s face flushed scarlet as she scolded at Ye Han.

“Ye Han, Zhang Yue Meng, this wannabe hoof that is innocent on the surface but flirty on the inside is not willing, I am willing, ah, I will leave the door open for you at night when you go to bed, remember to come to me on time, yo!” Lin Feixue smiled flirtatiously at Ye Han, that look was so lethal to men that it made Ye Han shiver as if he had been electrocuted.

“Lin Feixue, who are you calling slutty and who’s slutty? If you’re talking nonsense, believe it or not, I’ll show Ye Han the nude photos you took of yourself.” After Zhang Yue Meng heard Lin Feixue’s words, that originally scarlet face became even redder, as if she was drunk.

“Hmph, fine, just you have my nude photos in your hand, aren’t your nude photos in my hand too, let’s just compete and see whose nude photos Ye Han will look at for a longer time.” Lin Feixue said without giving way.

“Yo yo yo yo, you two, you haven’t even entered the harem yet, and you’re arguing first. In terms of body and sexiness, are you two better than me? I think you guys should stop embarrassing yourselves in front of other people’s Ye Han.” Tao Yiran saw Zhang Yuemeng and Lin Feixue in this position, and immediately interjected a sentence, and also threw her snow-white thighs together by leaning on them, these pair of long legs shook Ye Han’s eyes could not break free.

In terms of beauty, all four women in this are actually comparable, but in terms of sexy body, then, Tao Yiran is deservedly the first, Zhang Yue Meng’s body is already hot enough, but than Tao Yiran are still a little worse.

As she listened to the three of them express themselves in front of Ye Han, Xie Xuan Yan, who was watching from the side, had a strange feeling in her heart that made her want to express herself in front of Ye Han as well, but Xie Xuan Yan, who was reserved by nature, was naturally not as bold as Zhang Yue Meng and the three of them.

Faced with the bold teasing of these women, Ye Han could not stand it, then he stood up and said; “This issue about the figure, Sister Zhang, you guys take your time to discuss it, I won’t get involved, goodbye.”

After saying that, Ye Han directly put down the statement in his hand and ran out of the villa in a flash.

Looking at Ye Han’s fleeing attitude, Zhang Yuemeng and the girls suddenly burst out laughing, in fact, they didn’t really want to show Ye Han their nude photos, but just wanted to tease and test Ye Han.

“This guy, what a failure, how can he not be horny at all?” Lin Feixue shook her head and said; “Zhang Yemeng, the three of us together can’t even seduce him, do you think it’s because this guy is no good, or is it because we’re not charming enough?”

“If you ask me, who am I going to ask?” Zhang Yuemeng shrugged her shoulders.

Xie Han Yan looked at Zhang Yue Meng and the girls and said; “Can you guys stop it, he has a girlfriend, don’t drive you away if Sister Yun Er finds out then.”

“Han Yan, I don’t agree with you, so what if he has a girlfriend?” Tao Yiran said; “As long as they are not married, anyone has the right to choose, what’s more, which of the capable men in this world don’t have three wives and four concubines, Han Yan, if you want to grasp the opportunity, sometimes you have to take the initiative yourself.”

Hearing these words, Xie Xuan Yan had a thought in her eyes.

After walking out of Xie Hanyan’s villa, Ye Han walked towards a villa next to him, staying with those few women, he was afraid that he would be tempted sooner or later, ding ding ding ding, a short ringtone rang, it was Ye Han’s mobile phone that received a text message.

Ye Han took out his mobile phone to take a look, on his mobile phone screen, surprisingly, a picture of a woman appeared, this woman light make-up and plain face, the appearance is not considered extremely beautiful, but very durable, the features match just right, the bland eyes are filled with extremely wisdom-like light, looking at these eyes, even if it is just a picture there is a feeling of being seen through these eyes.

“Zhuge Bongyu is heading south, beware!”

Looking at the warning line that appeared at the bottom of the photo, Ye Han’s sword brows furrowed, was this woman the number one strategist under the command of Nalan Mietian in the north, Zhuge Bongyuo?

Ye Han’s eyes narrowed, Zhuge Bongyuo’s appearance, this was the first time he had seen it, but who was this person who gave him the warning? Had Zhuge Bongyuo really gone south?

Subsequently, Ye Han dialed this phone and after two rings, a hoarse voice came from the other side, the owner of this voice obviously did not want to be heard in his original voice and said; “It seems that you have already seen what was sent to you.”

“Yes, I saw it.” Ye Han said; “Who are you? Why are you telling me this message?”

“Oh, you don’t need to know who I am, we will meet in the future, then, you will understand everything.” The owner of the hoarse voice on the other side of the phone continued; “Zhuge Bongyuo is a woman that should not be underestimated, this woman’s wisdom can be described as incomparable wisdom, the world that Nalan Mietian now has in the north is basically planned by her behind the scenes, those who win this woman can win the world, if you have the ability to take her, I would be happy to see it, right now she has secretly gone to the south, no one in the outside world even knows and I don’t know where she will appear, in any case, you should be careful.”

“Thanks.” Ye Han said calmly.

“Oh, no need, I originally owe you” A long sigh came from the hoarse voice; “You can call me at this number if you encounter any trouble in the future.”

After saying that, the other side hung up the phone.

Ye Han listened to the blind tone coming from inside the phone, and after a moment of silence, he dialed Old John’s number.

“Oh, Ye, what is it that you are looking for me?” Old John’s cheerful voice came inside the phone, he had given Old John one last treatment before Ye Han went to South China, and now Old John’s zombie disease had completely healed and the man had returned to the Western world.

Ye Han said; “Old John, I need to check a phone number for me, to see who the owner of this number is?”

“OK, send the number over and I’ll give you a message in ten minutes.”

Ye Han sent that number from earlier to Old John, who was this mysterious person? Why did he choose to help him? These were all unclear to Ye Han, this feeling of things being beyond his control was something Ye Han disliked, unless he knew who this person was.

After only five minutes had passed, Old John called Ye Han’s mobile phone and said; “Ye, I checked the number you just sent me, it’s a bearer card, I can’t find out who the owner is, but I’ve kept an eye on it for you, this number is currently being used in Yanjing, your country.”

“Yanjing!” Ye Han frowned, within Yanjing city, apart from the Zhang family’s people and Situ Zhentian who would genuinely help him, who else would help him? The Zhang family and Situ Zhentian would not inform him to be careful of Zhuge Bongyi in such a mysterious way, which one of Yanjing City was this mysterious person who had alerted him?
