1011 Feng Wu the Murderer 6

“Let’s go.” Feng Wu tugged at Chaoge.

Given how stubborn Chaoge was, she wouldn’t listen to anyone but Feng Wu.

She followed Feng Wu in a cheerful mood, not the least bit worried about the possibility that she might be expelled.

Feng Wu, Chaoge, Yao Hao, and Lei Kai followed Qiao Yi out of the classroom.

Feng Wu looked into the distance at Xuanyuan Yi, who had almost walked out of sight.

He had nearly wounded Chaoge, and he thought he could walk away just like that? Feng Wu smirked.

The classroom remained boisterous after Feng Wu and the others left.

The newbies and the seniors usually didn’t mingle and were segregated. At the moment, however, they crowded together in animated discussion.

“That was incredible! That Feng Wu was bold enough to challenge Miss Qiao Yi!”

“Does she know who Qiao Yi’s father is? Mr Qiao is the head of the Year 2 teachers! Does she want to stay in Year 1 forever?”

“I think it’s safe to say that Feng Wu and Duan Chaoge will both be expelled this time, and they’ll never get the chance to proceed to Year 2. They won’t have to deal with Mr Qiao after that.”

Feng Sang and her friends smiled.

“Sangsang, Feng Wu is going to be expelled! Hahaha! We won’t have to see her ever again!”

Guan Jing and her friends were thrilled.

However, several boys standing next to them smiled bitterly.

If Feng Wu were here, she would recognize them right away, for they were Jin Yuntao, Yuan Ming, and Ye Zhou.

The three of them had met Feng Wu for the first time in World Tower. Jin Yuntao had spoken up for Feng Wu, which had earned him a reward of some top-grade spiritual stones!

And that had been a gift from World Tower.

On the other hand, those who had opposed Feng Wu, be it the well-connected Mu Yaoyao or the privileged royal princess, had been punished accordingly.

Jin Yuntao knew there and then that Feng Wu was more than an acquaintance of His Royal Highness.

Therefore —

After hearing everything people had been saying about Feng Wu and the way Miss Qiao Yi treated her, he had an idea. Should he try something?

At that thought, Jin Yuntao headed for the door.

“Where are you going?” Yuan Ming and Ye Zhou ran out after him.

Jin Yuntao went to World Tower.

The quickest way to deliver the message was to go to the crown prince’s residence. However, he was too unimportant to even walk through the front door. That was why Jin Yuntao went to World Tower, where he ran into the one-armed Yan Yue.

Other people might not think much of the message delivered by Jin Yuntao, but Yan Yue thought otherwise. She had learned the hard way. She had ignored Feng Wu’s influence with Jun Linyuan last time, and had ended up losing an arm!

After hearing what Jin Yuntao had to say, she showed him to her master immediately...

Meanwhile, Feng Wu and the other three were being taken to the office of the head teacher.

Qiao Yi was seething with anger!

She had been offended, physically abused, and threatened in public! Very well! She wouldn’t rest until Feng Wu and Duan Chaoge were expelled!

“What happened?”

Seeing the furious Qiao Yi, Yu Yue, the head teacher of Year 1, frowned.

She then saw the four students behind Qiao Yi.

Both boys had cuts and bruises on their faces and looked like wrecks. The two girls, on the other hand, were tidy and poised, without a scratch on them.

Yu Yue couldn’t help but give Feng Wu another look, for she recognized the latter. She was the girl who had come to have her exam permit stamped.

“Chief Yu! I can’t handle the new students this year! I want to resign from my post!”

No one saw that coming.

Chapter 1012 I Have No Connections? Says Who?

“Resign?” Yu Yue stared at Qiao Yi. “But why?”

Qiao Yi glared at Feng Wu and Chaoge so fiercely that she could have torn them to pieces with her eyes.

“There, there. You’re a grownup. Why so grumpy?” Yu Yue tried to calm her down.

“Chief Yu, do you know what they did?” Qiao Yi complained to Chief Yu and told the latter what happened. “You know what that Duan Chaoge did? She hit a teacher! I can’t believe this!”

Ms Yu frowned.

The other teachers in the room looked displeased as well.

As fellow teachers, they naturally took Qiao Yi’s side.

Because they were thinking a little further ahead.

If the students weren't properly disciplined this time, it could set a bad example for potential offenses in the future. What if other students started to challenge their teachers?

"Abominable!" Mr Gu frowned and said angrily, "Unruly students like her are of no use here! She won't follow her teacher's instructions! What kind of place does she think Imperial College is? This kind of behavior won't be tolerated!"

Mr Hu shook his head, a cup of tea in his hand. "Unbelievable. Kids nowadays are unbelievable. They're out of control."

Qiao Yi said between broken sobs, "I know I'm new here, but that doesn't mean I deserve this! Chief Yu, if you won't do anything about this, I'll go to Mr Fang. I'd like to see what he has to say about this!"

By Mr Fang, Qiao Yi was referring to Grand Secretary Fang.

Ms Yu was perplexed.

She knew more than Qiao Yi did. Feng Wu had been absent for three days, and Grand Secretary Fang had asked for leave on her behalf. He had contacted Ms Yu himself.

What did that mean?

Feng Wu was well-acquainted with Grand Secretary Fang!

"Chief Yu, aren't you going to say something?" Qiao Yi stared at Ms Yu.

Feng Wu and Chao Ge had to go!

Ms Yu glanced at Qiao Yi, then smiled at Feng Wu and said in a gentle voice, "Feng Wu, what's your side of the story?"

Feng Wu smiled. "We're still missing a person. I'll wait."

Missing a person? Ms Yu looked at Qiao Yi in bewilderment.

Qiao Yi sneered at Feng Wu with flushed cheeks. "Xuanyuan Yi was only trying to help, because he saw injustice. He's too busy with his cultivation to be tangled up in this nonsense!"

Qiao Yi then turned to Ms Yu. "All Xuanyuan Yi did was help Lei Kai. He was busy, so I gave him permission to leave."

Ms Yu frowned.

The difference in treatment was so obvious!

Feng Wu smiled. "I see. Xuanyuan Yi took part in the fight, but he could leave freely. I didn't even lift a finger and Miss Qiao here is trying to get me expelled. How incredible."

Qiao Yi smirked. That boy had connections and Feng Wu didn't. What more did she expect?

But Qiao Yi couldn't say that out loud. She sneered at Feng Wu. "Xuanyuan Yi is already in the top 300 on the billboard. What about you? How dare you ask for equal treatment?!"

“So, Imperial College is a school that only considers martial prowess. Facts don’t matter here.” Feng Wu pressed, “Are you saying that if I’m first on that billboard, I can beat up anyone I like?”

Chapter 1013 A Fatal Injury?

“First on the billboard?” Qiao Yi snorted. “That’s a bold statement, given the fact that you didn’t even show up for the test. How arrogant of you!”

Seeing that the two of them were lashing out at each other, Ms Yu intervened. She cast a stern look at Qiao Yi. “You’re a grownup, so behave like one in front of your students.”

Qiao Yi opened her mouth. “I —”

But Ms Yu ignored her and turned to Feng Wu. “So, what are you going to do?”

Looking around the office, Feng Wu found an empty chair. She pulled it to her side, sat down readily, and said in an unhurried tone, “Nothing. I won’t let it drop until Xuanyuan Yi is here.”

Excuse me?!

Qiao Yi was already disgruntled when Feng Wu took the chair, which in fact belonged to her. The girl’s statement completely set her off.

“You won’t let it drop until Xuanyuan Yi is here?” Qiao Yi sneered at Feng Wu. “Humor me!”

Feng Wu only smiled at her and remained unperturbed.

Yu Yue had no choice but to ask around. Before long, she was able to put together what happened.

And she frowned.

It was now between a student under Grand Secretary Fang’s wing and a family member of Elder Xuanyuan... What a difficult choice to make.

She had to be diplomatic and try to defuse the spat before it got worse.

Yu Yue glanced at Qiao Yi. “It was a light altercation between students. Surely it wasn’t anything worth expelling them over.”

Yao Hao had been studying Yu Yue’s face, and he didn’t like what he saw — the teacher was obviously on Feng Wu’s side.

He had to look more severely injured, otherwise —

“Retch —”

Yao Hao had been trembling, but now, he fell to the ground and began to vomit blood!

Pfft —

He spat out a mouthful of blood, which stained the lower hem of Yu Yue’s skirt.

With a shaking hand, he grabbed a corner of Yu Yue’s skirt and squeezed out some pleading words. “Ms... help... will the school... get even for me...”

Yao Hao passed out after that.

“Yao Hao!”

Qiao Yi was thrilled to see Yao Hao pass out. She rushed over to him and put a trembling finger under his nose. She jolted.

“Oh, no! Yao Hao isn’t breathing! Yao Hao’s dead!”

The news flew out of the office as if it had wings, and it quickly spread to the Year 1 quarter.

Year 1 and Year 2 had classrooms in separate locations, and the two groups had very limited contact.

Nearly all the Year 1 students had gathered in Blue Cloud Court in animated discussion, trying to figure out what kind of punishment Feng Wu and Chaoge would receive. However —

“He’s really dead?”

“Wasn’t Yao Hao walking around just then? How can he be dead all of a sudden?”

“Duan Chaoge kicked him in all his vital parts. I bet that’s what killed him.”

The atmosphere in Blue Cloud Court was filled with anxiety.

Mu Yaoyao and Ye Yafei, who had been hiding in the dark, let out breaths of relief.

Finally —

Things were looking up for them.

“Let’s go!” Mu Yaoyao and Ye Yafei headed for the head teacher’s office with their arms linked together.

Feng Wu, you’re dead!

Feng Wu didn’t expect to run into so much trouble when she arrived at Imperial College this morning to register. With everything that had happened, she was displeased.

Chapter 1014 Xiao Wu, I Didn’t Kill Him

However, she still managed to put on an indifferent smile, despite her reluctance.

At that moment, everyone was concerned about Yao Hao’s condition.

After all, the accident took place in Imperial College, and the school would have to take responsibility for the consequences.

Yu Yue cried out, “Go get a doctor! Get Master Duanmu here!”

Mr Gu jumped to his feet. “I’ll go get him!”

Yao Hao was still vomiting blood, and they didn’t dare move him. Mr Gu rushed out of the office immediately.

He only realized after a moment that he had a communication jade on him. Smacking his forehead, he took it out and called Master Duanmu’s assistant.

Someone as prominent as Master Duanmu would be too proud to talk directly to a common teacher like Gu Yi.

“Master, someone has been fatally wounded in the Year 1 quarter, and the student is said to have stopped breathing. They need you there.” The assistant was Meng Chu, a pretty girl from Year 2.

Master Duanmu’s eyes flickered when he recalled the favor Mu Yaoyao had asked of him the day before.

Mr Fang, the current acting principal, was Mu Yaoyao’s grandfather, and Master Duanmu wanted to jump on Fang’s bandwagon so that he could move further up the food chain.

With the help of his walking stick, he rose to his feet. “Let’s go.”

The Year 1 head teacher’s office.

Qiao Yi was screaming, “Yao Hao’s dead! Yao Hao’s really dead! Feng Wu! Duan Chaoqe! You killed him! Hey, take them down! Don’t let them run away!”

The school guards had been waiting outside, and they were prepared to enter the building when they heard Qiao Yi’s voice.

Ms Yu cast a stern look at them. “Stay where you are! Do you want to create an even bigger scene?!”

Qiao Yi stared at Ms Yu. “But Ms Yu, if the two of them escape...”

“Where can they possibly go?!” Ms Yu rolled her eyes at Qiao Yi. The young teacher had seemed so docile before, but she had done nothing but add to the confusion here!

Ms Yu didn’t take Qiao Yi’s words for granted. She crouched down next to Yao Hao and examined him with her spiritual essence.

It was true; his breath was undetectable and he appeared to be dead. But he was still alive, although barely.

“I found his pulse. We may still be able to save him if Master Duanmu gets here in time,” Ms Yu said anxiously.

She looked around the room, and her gaze landed on Feng Wu.

To her surprise, Feng Wu didn’t look the least bit flustered or perplexed...

How was that even possible?!

Ms Yu stared at Feng Wu in disbelief. Her friend had practically killed a person because of her!

And they would be considered murderers if Yao Hao died.

According to the regulations of Imperial College, killing a fellow student was punishable by death, and what was more...

They would face the most ruthless penalty!

Even with Grand Secretary Fang's support, the girl shouldn't be this arrogant. Where did her confidence come from?

Feng Wu sat there, perfectly calm. She even had the mood to flip through a book, as if none of this concerned her.

But Duan Chaoge was uneasy.

"Xiao Wu, I didn't kill him." Despite her tough appearance, Chaoge was a gentle girl deep down. She bit her lower lip and whispered in Feng Wu's ear.

"I know." Feng Wu patted Chaoge on the shoulder.

Seeing how confident Feng Wu was, Chaoge calmed down, too.

Hasty footsteps came from outside at that moment.

"Yao Hao! Yao Hao! Are you alright?!"

Chapter 1015 Ups And Downs 1

Mu Yaoyao arrived with Ye Yafei, followed by another person. It was Yao Ying, whom Feng Wu had beaten up before!

And she was Yao Hao's own sister!

In a moment like this, Yao Hao's family member came in handy for Mu Yaoyao!

Mu Yaoyao rushed toward Yao Hao with an astonished look on her face.

"Yao Hao! Yao Hao! Are you alright? Wake up!" Mu Yaoyao cried out, knelt down, and called at the top of her lungs.

Yao Ying looked devastated.

"Brother! Brother! Talk to me! Wake up! Please wake up!" Yao Ying was trembling from head to toe and her face was streaked with tears. She looked like she was going to have a nervous breakdown.

However, no matter how loudly she called, Yao Hao remained motionless, his face as bloodless as a dead person's.

Mu Yaoyao bolted upright and looked indignantly at Qiao Yi. "Miss Qiao Yi, what happened?! Everything was fine this morning! Why is Yao Hao like this?!"

Eyes wide open, Mu Yaoyao grabbed Qiao Yi by her shoulders and shook the latter violently.

Qiao Yi almost lost her balance, but she only turned to stare at Feng Wu, and pointed her finger at the latter. "It was Feng Wu and Duan Chaoge. They did this to Yao Hao."

And that was what Mu Yaoyao had been waiting for.

She glared at Feng Wu with her chest stuck out and her tone oh so righteous!

That was right. She had planned everything.

Since the bet with Feng Wu would have gotten Mu Yaoyao killed, Mu Yaoyao had set Feng Wu up to kill Yao Hao. That way, Feng Wu would have to pay with her life, and Mu Yaoyao would remain safe.

That was Mu Yaoyao's plan, but she still managed to look devastated.

"Feng Wu! How could you do this?! You killed Yao Hao!" Mu Yaoyao bellowed.

Yao Ying had almost passed out. "Brother, Brother..."

She rushed over to Yu Yue and wrapped her arms around the teacher's leg. "Ms Yu, say something! You can't let the murderers go free —"

Yu Yue felt she was getting a headache.

After finally silencing that Qiao Yi, now this?!

Then there was Mu Yaoyao...

Yu Yue found Mu Yaoyao even more troublesome, for she was the granddaughter of Mr Fang, the acting principal.

Before, Yu Yue could still side with Feng Wu, but now that the principal's granddaughter was here, Yu Yue didn't think that the old man would favor Feng Wu over his granddaughter.

Just then, footsteps came from outside again. They turned around to find an old man with his young, pretty assistant.

"Master Duanmu!"

Everyone cried out in surprise. Yu Yue was delighted!

"Master Duanmu, thank god! Please have a look at Yao Hao!"

Master Duanmu looked around the room and exchanged quick looks with Mu Yaoyao. It happened so briefly that most people didn't notice it.

However, Feng Wu did, for she had her eyes fixed on Mu Yaoyao the entire time.

Interesting...

As expected, Master Duanmu shook his head after examining Yao Hao only briefly. He had a pitiful look on his face.

"Master Duanmu!" Yao Ying stared at the doctor.

And she wasn't the only one. Almost everyone was staring at Master Duanmu.

His verdict could determine the fate of several people.

"His internal organs have been shattered, his heart has stopped, and he's barely breathing... It's too late," said Master Duanmu in a deeply grieved tone. After giving his conclusion, he shook his head, rose to his feet, and was prepared to leave.

Chapter 1016 Ups and Downs 2

And those words were like a sudden clap of thunder in their ears.

Yao Hao... was really dead?!

Instantly, all eyes were on Feng Wu and Chaoge!

“Murderers!”

“Arrest them!”

“A life for a life!”

The clamor of everyone talking at the same time seemed to drown Feng Wu and Chaoge like a tidal wave.

A team of college guards also rushed in to arrest the culprits.

Chaoge blocked their way, bellowing, “What are you doing? Take me! Xiao Wu has nothing to do with this! I’ll take full responsibility!”

How she hated these people! They just wouldn’t leave Xiao Wu alone, when it was she who had beaten Yao Hao up.

However, all these people, Qiao Yi and Mu Yaoyao alike, had been targeting Feng Wu all along. They couldn’t care less about Chaoge.

Amidst all the chaos, Qiao Yi gave an order. “Arrest them both!”

The guards then reached out to grab Feng Wu and Chaoge.

Thump!

Chaoge kicked them away!

WHAT?!

Everyone cried out in surprise!

These were the college guards, and Duan Chaoge had just confronted them openly. Did she have a death wish?!

“Stop!” Ms Yu frowned.

Here in this room, Chief Yu called the shots. She gave the order. “Arrest Duan Chaoge!”

“What about Feng Wu?”

Mu Yaoyao, Ye Yafei, Yao Ying, and Qiao Yi cried out in unison.

Ms Yu snapped, “Did you see Feng Wu do anything?”

Mu Yaoyao said, “But...”

Ms Yu waved her off. “It was indeed she who started the whole thing, but it was also true that she didn’t do anything. So, arrest Duan Chaoge and wait for further instructions from the college!”

Du Chaoge had killed a fellow student in public, and she would probably have to pay with her own life.

Ms Yu glanced at Feng Wu. That was all the help she could give Feng Wu. Unless some miracle happened now, Duan Chaoge was going to die!

Mu Yaoyao wasn't reconciled to this.

She had set the trap for Feng Wu, but Duan Chaoge was the one who took the bait.

Mu Yaoyao clenched her fists.

Well, better than nothing!

The school guards rushed in and acted quickly. They surrounded Chaoge in no time!

Feng Wu frowned. She had kept her silence so far, and these people just acted as if she wasn't there.

Feng Wu smiled. "Stop."

Her voice wasn't loud, but it was authoritative and couldn't be ignored.

All eyes turned in her direction.

Feng Wu asked quietly, "What gives you the right to arrest Chaoge?"

The school guards exchanged bewildered looks.

The others stared at Feng Wu in amazement as well.

Mu Yaoyao smirked. "Who gave you the courage to say those words? Feng Wu, who the hell do you think you are?"

Feng Wu didn't answer her. To be more precise, she ignored Mu Yaoyao.

Staring at Yao Hao, who was lying on the ground, Feng Wu snorted. "Yao Hao isn't dead!"

"Impossible!"

Mu Yaoyao and Master Duanmu cried out in unison!

Especially Mu Yaoyao. She stared at Feng Wu and sneered at the latter.

Master Duanmu also stared at Feng Wu. "He's dead and that's my conclusion. How can you say otherwise?!"

Feng Wu said, "He's not dead."

Master Duanmu said, "He is!"

Feng Wu said, "He's not dead."

Enraged, Master Duanmu ignored Feng Wu and turned to Ms Yu instead. "Why did you invite me here if you won't believe me? I'm leaving!"

Master Duanmu turned to leave.

Ms Yu frowned. "Feng Wu..."

Chapter 1017 Ups and Downs 3

Ms Yu had been putting up with Feng Wu's nonsense until then, but the kid only repaid her with even more of a farce. Despite her usually mild temper, Ms Yu had become vexed.

Feng Wu shook her head. "Chaoge didn't hit him hard. The force she used couldn't have killed anyone."

Mu Yaoyao smirked inwardly. Indeed, Chaoge couldn't have, but Mu Yaoyao had her whole plan. Yao Hao had to die today!

Mu Yaoyao feigned a furious tone and stared at Feng Wu. "He's stopped breathing! You're going to pay with your life!"

Feng Wu glanced at Mu Yaoyao. She was anything but stupid, and she had realized what Mu Yaoyao wanted after the latter mentioning paying with her life repeatedly. Mu Yaoyao was trying to call off that bet!

As expected, Mu Yaoyao moved closer and whispered in a threatening voice.

"Destroy that paper with the bet on it and I may let you live."

She was right —

However, Feng Wu only darted a look at Mu Yaoyao. "You'll beg for my forgiveness in a moment."

Feng Wu was amazed by how emboldened these people were. Were they seriously trying to poison someone when she, the master of poison, was around?

When she was only five, she already knew of every poison known to man. That little red pill she had created, the laxative, was still sold widely across the Junwu Empire. Mu Yaoyao still had a lot to learn if she wanted to conceal a poison from Feng Wu.

Mu Yaoyao snorted inwardly after Feng Wu rejected her offer. So, the girl would rather learn the hard way!

However, Feng Wu had walked up to Yao Hao and started working on him with her pale green light. Dots of green light then seeped into his body through his forehead.

Master Duanmu was astonished!

What Feng Wu was doing was completely out of his expectations.

Because that green light was a treatment method only practiced by Supreme Level medicine refiners!

In other words —

This teenage girl was a Supreme Level medicine refiner?!

That was preposterous! Master Duanmu refused to admit it!

More green light flew out of Feng Wu's hands.

And they covered Yao Hao's entire body.

Was there going to be a miracle?

Everyone stared at Feng Wu in astonishment.

However, Mu Yaoyao smirked the entire time.

She had planned everything out; Yao Hao had agreed to take a medicine that would make him appear dead. He could come back to life after Mu Yaoyao got the bet called off.

However, Yao Hao didn't know that Mu Yaoyao hadn't told him the whole truth!

Knowing what an amazing doctor Feng Wu was, Mu Yaoyao had used a real poison on Yao Hao, which would actually kill him!

That was why Mu Yaoyao was so pleased when Feng Wu tried to save Yao Hao.

Yao Hao had no chance!

She was right —

One minute passed...

Three minutes...

Five minutes...

Yao Hao still lay there with his eyes closed. His face was emotionless and he still wasn't breathing.

It seemed that Yao Hao really was dead.

"Stop it! Don't touch my brother!" Yao Ying rushed out and charged at Feng Wu.

Mu Yaoyao gloated.

However, just before Yao Ying made contact with Feng Wu —

Green light appeared all over Feng Wu and sparked to life like a protective shield.

Yao Ying looked like she had bumped into a wall, and she bounced off the shield!

Thump!

She was flung back as she smashed into a wall. There was a loud crack, and Yao Ying cried out in pain.

Chapter 1018 Ups and Downs 4

"That's enough!" Ms Yu picked Yao Ying up and steadied her. She then frowned at Feng Wu. "You can get up now."

But Feng Wu ignored her. She then started pressing Yao Hao's acupoints as quickly as she could manage.

Three more left to go and then —

"Feng Wu! That's enough!"

Yu Yue was genuinely angry now. "He's already dead. Is it that difficult to show him some respect?!"

Feng Wu looked perfectly calm. "He's not dead."

However, her statement only received more stares.

The length she would go to, to have Duan Chaoqiong exonerated... Did she think the others here couldn't tell a dead person from a living one? How could she...

Yu Yue had thought about cutting Feng Wu loose for the sake of Grand Secretary Fang, but she was infuriated by how unreasonable Feng Wu was.

"Have Feng Wu arrested!"

The girl wouldn't leave a victim's body alone, and had injured the victim's family member. What Feng Wu had done was abominable!

The school guards had been standing by, and they were going to charge at Feng Wu when —

"What's all this? What do you think you're doing?" A familiar voice came from outside.

Feng Wu had been feeling uneasy, but she relaxed a little at that voice.

She had reached the critical moment of her treatment, and she might not be able to revive Yao Hao if she was interrupted. Priest Wu had shown up just in time.

Yes, it was none other than the Priest Wu Feng Wu knew.

Priest Wu hadn't known about this at first, for as one of the seven bosses of the college, he hardly ever set foot in the Year 1 quarter.

But then, he heard that Feng Wu was here in Imperial College, and thought he should pop in to check up on her. Maybe he could persuade her to join the Formations Department.

However —

He was shocked by the news as soon as he arrived.

What? Little Feng Wu had killed someone?

Killing a fellow student was punishable by death! Fearing that Feng Wu would be bullied, Priest Wu arrived as soon as he could.

He got there just in time.

The crowd turned around, and they reacted differently to the presence of Priest Wu.

Students like Yao Ying were too new on campus to recognize Priest Wu, but Yu Yue and Master Duanmu knew better.

Priest Wu was the boss of the Formations Department, and one of the seven bosses; he was as famous as Elder Xuanyuan!

Yu Yue looked around at the mess, which was giving her a headache. However, she had no choice but to greet him with a wry smile. "Sir, to what do we owe this honor? You must have a lot of work to do."

With his hands behind his back, Priest Wu strolled over. He looked at the crowd and was displeased by what he saw.

It was obvious that most of these people were against Feng Wu.

"I was around and I heard the noise. I thought I should pop in." Priest Wu pretended that he was just passing by. He said grumpily, "What's this about?"

The man was one of the seven bosses, whom students in Year 1, 2 and 3 had no opportunity to meet. Only a handful of very lucky students could learn from him, and the little amount he taught could benefit them greatly.

To the students, all seven bosses were as unreachable as deities.

Yu Yue didn't dare to take the man lightly, and hurriedly told him what happened.

The old man flared up right away. "Nonsense!"

What did he mean? Everyone looked curiously at the old man.

Chapter 1019 What Gave Him the Courage?

Priest Wu snorted. "If little Feng Wu says she can save him, then he's not dead. What are you doing, hovering around her like this? You're getting in her way! Are you going to take responsibility when he really dies?!"

Little Feng Wu? That sounded intimate.

Yu Yue was suddenly struck with realization!

That was it!

Three bosses had signed Feng Wu's exam permit, and they were Mr Lu, Grand Secretary Fang, and Priest Wu.

Yu Yue couldn't help but dart another look at Feng Wu.

The girl was much more well-connected than she seemed!

Priest Wu was obviously taking Feng Wu's side, but the other people didn't dare to say that out loud.

However, at that moment —

"Old Wu, what are you doing here at the Martial Arts Department?"

Someone spoke in an indifferent voice.

Another one?!

Yu Yue turned around and saw that it was Elder Xuanyuan!

Not only was Xuanyuan Kun the grandfather of Xuanyuan Yi, he was also the head of the Martial Arts Department!

That was to say, he was in charge of all students of the department, from Year 1 to Year 4.

Everyone was baffled to see Xuanyuan Kun here.

What was going on today? Why did the mysterious bosses keep showing up?

They all greeted Xuanyuan Kun.

Elder Xuanyuan nodded, then scanned the crowd with a stern look on his face. His gaze landed on Feng Wu in the end.

“What’s going on?”

Elder Xuanyuan was Yu Yue’s direct supervisor, so she immediately told him what happened.

However, the fact that Xuanyuan Kun showed up here meant that he already knew what was going on.

Feng Wu?

Xuanyuan Kun’s eyes glinted, and he had a stern look on his face. “How outrageous. School has just started and something like this has already happened in my department.

“Those who have killed will pay with their lives! Arrest them and lock them up! They’ll wait for the death penalty there!”

The school guards followed Xuanyuan Kun’s order and charged out.

“Stop.”

Priest Wu stepped in.

“So, Old Wu, are you going to interfere with how I run my department now?” Xuanyuan Kun sneered at Priest Wu.

Priest Wu said, “We don’t know what happened yet. Elder Xuanyuan, you can’t sentence someone to death just like this!”

Feng Wu had left a good impression on Priest Wu, for her formation skills were as good as his. It would be such a pity if she was killed just like this.

Priest Wu didn’t want to lose such a talented student, which was why he wouldn’t give in.

“That boy is dead. What more do you need to know? Elder Wu, you’ve stepped out of line,” Xuanyuan Kun said coldly.

He knew who Feng Wu was and realized how capable she was.

Before he came here, someone had asked him: With Feng Wu around, would Xuanyuan Yi stand a chance? Would people remember who Xuanyuan Yi was?

That question stirred him like a stone thrown into a still lake.

That question was also why Xuanyuan Kun had gotten here in a hurry. He wanted to use this chance to get rid of Feng Wu.

However, he didn't expect to find Priest Wu here. Instead of staying in his Formations Department, the guy was bold and upright, and was confronting him.

Who gave him the courage?

People looked from Xuanyuan Kun to Priest Wu and were baffled. Whose order should they follow?

Elder Xuanyuan bellowed, "Those who have killed should pay with their own lives! Yao Hao is dead, and the two of you will answer for your crime. No one can break the rules of this school!"

As he spoke, Elder Xuanyuan raised a hand.

Chapter 1020 Feng Wu Is in Trouble!

As he spoke, Elder Xuanyuan waved his hand in Feng Wu's direction!

A vine as thin as a thread flew toward Feng Wu!

Sensing the danger, Feng Wu moved quickly and hid behind Priest Wu. She was as nimble as a cat.

That was because she had noticed that the thin vine had leaves with serrated edges. She would be a dead body by now if she hadn't acted quickly enough.

"Xuanyuan Kun!"

Enraged, Priest Wu stared at Elder Xuanyuan with bloodshot eyes.

Elder Xuanyuan didn't look any better. His face had turned livid.

Elder Xuanyuan said, "Priest Wu, you're not meddling in the affairs of my department! The door's right over there; you can show yourself out!"

Priest Wu asked, "What if I say no?"

Elder Xuanyuan replied, "Then I'll have to remove you from the scene!"

After that, Elder Xuanyuan's hand landed on Priest Wu.

Both big shots were members of the education committee, and were highly capable cultivators. If a fight started between them, the consequences would be unimaginable...

Luckily, not many people were here, and the news hadn't gotten out yet.

Yu Yue had a bad feeling about this!

She shot warning glances at Mr Hu and Mr Gu!

Go ask Grand Secretary Fang for help!

If the two bosses here really got into a fight, how would the students of the Martial Arts and Formations departments face each other? Students were supposed to combine their skills in martial arts and formations in Year 2!

Mr Hu reacted quickly and dashed out of the room as soon as he got Chief Yu's hint!

The principal's office.

Grand Secretary Fang wasn't there.

Mr Hu was going to head for Grand Secretary Fang's house, when he saw an old man strolling in his direction, followed by a good-looking boy.

As Grand Secretary Fang walked, he pointed around at the school lawn, teaching the boy the names of the plants.

The boy with Grand Secretary Fang was none other than Feng Xiaoqi himself.

Grand Secretary Fang had had no interest in Feng Xiaoqi at first, but after he found out about the boy's Ultimate Spiritual Body, he was thrilled. He couldn't wait to take the boy in as his pupil.

However...

The boy only listened to his sister. He did whatever Feng Wu told him. Feng Wu had said that he wouldn't need a master yet, and the boy followed her order, not acknowledging Grand Secretary Fang as his master.

What choice did the old man have?

He could only take the boy with him, hoping that he could subtly influence the boy and make him realize that Grand Secretary Fang was indispensable.

Usually, it was the pupils that had to go through a probation period. But in this case, it was the other way round. The master himself was being tested.

What choice did the old man have?

Just as Grand Secretary Fang was patiently showing Feng Xiaoqi all the plants —

“Mr Fang! Mr Fang! Help —”

Grand Secretary Fang looked up at the man.

He wore the teacher's uniform of Imperial College, but Grand Secretary Fang didn't recognize his face.

“And you are?”

“Mr Fang! I'm Hu Fang, a teacher from Year 1, but that's not the point. I'm here because Mr Xuanyuan and Mr Wu are fighting!”

What?

Grand Secretary Fang was shocked. Those two didn't see eye to eye, but they had never confronted each other openly. How...

“Mr Xuanyuan wants to kill Feng Wu!” Mr Wu got straight to the point.

WHAT?!

Before Grand Secretary Fang could do anything, Feng Xiaoqi blanched and rushed over to Mr Hu.
“Where is she? Tell me! Where?”

Mr Hu didn't know who the kid was, but Grand Secretary Fang was holding his hand.
