Chapter 1261 Is Feng Wu Really That Good?

Feng Wu sighed inwardly after figuring that out and said a silent prayer for the Dugu family. Still, she had to save Feng Liu. Even if she had to die, she couldn't die now.

Feng Wu ignored Dugu Mengxi and turned to Feng Yanfeng with a frown. "Uncle?"

She couldn't be bothered to argue with Dugu Mengxi, so she tossed the ball to Feng Yanfeng.

Feng Yanfeng was the one who had asked Feng Wu to come, so he stepped out and told Dugu Mengxi, "Young man, please back off. Xiao Wu is going to treat Xiao Liu."

Dugu Mengxi stared at Feng Yanfeng in disbelief. "She's going to kill Liu! She'll do it!"

Feng Yanfeng frowned. He couldn't understand why Dugu Mengxi could be so stubborn.

Just then, Master Gu, who was about to leave, stared at Feng Yanfeng in disbelief as well.

"Are you saying that this ignorant girl can save your daughter? That's ridiculous!"

Feng Yanfeng was furious. "Xiao Liu will have no chance if Xiao Wu doesn't do anything, but Xiao Wu may just be able to save her! Of course you people aren't worried. She's not your daughter!"

With a sudden wave of his hand, Feng Yanfeng said, "Get out, all of you! Xiao Wu, she's all yours!"

Feng Yanfeng was the minister of the Ministry of Official Personnel and could be quite intimidating when he flared up. Hence, neither Dugu Mengxi nor Master Gu dared to say another word.

However, it was obvious that they had a different opinion.

Feng Wu ignored all of them and only hurried over to Feng Liu.

Feng Liu had lost a lot of blood and was drifting in and out of consciousness. She looked conflicted when she saw Feng Wu.

She really thought she was going to die when Master Gu gave his verdict.

"Help me... Feng Wu, please help me..." Feng Liu grabbed Feng Wu's hand, gripping so hard that blue veins popped on the back of her hand.

Feng Wu nodded. "I won't let you die just yet."

If she died now, Feng Wu would be the one who was blamed.

Without another word, Feng Wu aimed her fair fingers at Feng Liu's belly and dots of green light appeared on her fingertips.

The light then slowly seeped into Feng Liu's belly.

"Wait a minute!"

Master Gu, who had been so sure of himself, was staring at Feng Wu in disbelief now!

This wasn't happening...

How could this be?

The girl couldn't be more than 14 years old; how could she be a supreme level medicine refiner already?

"Are you Feng Wu?!"

Master Gu smacked his thigh and asked the question in astonishment.

"Have you heard her name before?" Dugu Mengxi stared at Master Gu with a frown.

Master Gu nodded repeatedly.

"Everyone in the bureau of physicians knows her name!

"Masters Bai and Hei can't stop raving about her!

"I think Master Chu is the only one who's slightly better than her.

"When Her Majesty the empress dowager became seriously ill the other day, Feng Wu was the one who saved her life in the end!"

Master Gu had heard of Feng Wu's name before and was very familiar with her achievements. However, he hadn't connected this pretty girl to that name until now.

"That's right! Feng Wu... Of course she should be a member of the Feng clan!" Smacking his thigh, Master Gu said excitedly, "I admire her ability from the bottom of my heart!"

Dugu Mengxi's eyes widened.

Was Feng Wu really that amazing?

Chapter 1262: Don't Tell Them!

Dugu Mengxi stared at Feng Wu. "Can you save Liu?"

Feng Wu was too busy treating Feng Liu to answer Dugu Mengxi's question.

Dugu Mengxi said hastily, "I'll thank you with a large reward if you can save my girl!"

Feng Wu still ignored him.

Dugu Mengxi was about to say something else when Chaoge pushed him away. "Xiao Wu doesn't need your reward. Be quiet now. If you disturb Xiao Wu and she fails to save Feng Liu, it'll be your fault."

Dugu Mengxi immediately stopped talking.

Meanwhile, Feng Liu stared at Feng Wu with a malicious look in her eyes.

She knew that she couldn't keep this child.

Dugu Mengxi wasn't the father, so if she gave birth to the baby, it would only become a problem in the future. Therefore, she had to take this chance to get rid of the baby.

While Feng Wu was still treating Feng Liu, the latter directed her spiritual energy toward her own womb. It was too sudden for anyone to react.

“Ahhh —”

Feng Liu screamed, “Feng Wu! You’re killing me and my child!”

Even now, she still tried to frame Feng Wu.

Because she was convinced that no matter how unreasonable she was, Feng Wu wouldn’t let her die, at least not now.

Feng Wu was in the middle of treating Feng Liu when all that happened. Her hands jolted and she stepped away involuntarily.

“Argh! My baby!”

Blood gushed out of Feng Liu’s body.

Dugu Mengxi panicked.

But Granny Chang said, “Miss Liu is going to have a miscarriage. Everybody out!”

Quite a few men were still in the room, and it would be so unpropitious for them to witness a miscarriage.

Dugu Mengxi wanted to say something else, but his old maid was already pushing him out of the room.

As he was being pushed away, Dugu Mengxi threatened Feng Wu. “Feng Wu, I’m warning you. If anything happens to Liu, I’m going to kill you! I mean it!”

Once Dugu Mengxi left the room, Feng Liu finally realized that something wasn’t right.

Because Feng Wu was looking down at her with a smile, and kept her arms crossed.

Feng Liu panicked. “Feng Wu, are you not going to save me?”

She knew she would die if she kept bleeding like this.

Crossing her arms, Feng Wu leaned on a pillar and looked sympathetically at Feng Liu. “Since you’re so eager to die, I’m going to make your wish come true.”

“Feng Wu, you —”

Feng Liu was finally scared.

Brandishing her arms, she cried out, “Help me! Feng Wu, please don’t let me die!”

Feng Wu only smiled. “Didn’t you just kill your baby on purpose? Why would a mother do such a thing?”

She moved closer, bent over, and whispered in her ear, “Is it because of the child’s father...”

“Feng Wu!!!”

Because of the pain, Feng Liu was covered in a cold sweat, and she could feel a chill run down her spine.

“What about the baby?”

Dugu Mengxi’s old maid was still in the room, and she frowned when she heard Feng Wu. “What’s wrong with the baby?”

Feng Liu gave Feng Wu a pleading look.

“Don’t say it! Please don’t! If you tell her the truth, the reputation of the entire Feng clan will be ruined!”

Chapter 1263: I Hope She Won’t Do Anything Stupid

Feng Wu only smiled when she saw the pleading look in Feng Liu’s eyes. “Nothing. I have no doubt that Young Master Dugu is the father. Who else would be so desperate?”

Feng Wu didn’t give a straight answer, which only made Granny Chang more suspicious.

She gave Feng Liu a strange look. The girl had been all about saving the baby a moment ago, but now...

Feng Wu’s face was expressionless when she looked at Feng Liu. She knew that the baby was the result of incest, and she had examined the baby already. It was abnormal. To be more precise, it was...

She looked at Feng Liu. “Do you want to live? It’s quite simple. Get through this and you’ll live.”

What was “this”?

Something began to come out of Feng Liu at that moment.

Thinking that it was the fetus, Feng Liu’s maid immediately fetched a clean spittoon with some hot water in it, and put it between Feng Liu’s legs.

Thump —

There was a tiny splash.

The splashing sound went on, and it was quite scary.

That didn’t sound right. If it was the fetus, one splash would have been enough. What was everything else?

Granny Sun took the spittoon and observed the contents in the light.

“Ahhh —”

After everything she had seen in the Feng clan after so many years, Granny Sun still fell to the ground in fright when she saw what was inside.

She dropped the spittoon and the things inside fell out.

“Argh! What —” Granny Chang gagged when she saw what they were.

It was no baby, but something which resembled a cluster of grapes!

They were flesh-colored balls, and there were as many as over 50 of them. It was such a frightening sight.

“Oh god! That’s the child of a devil! That’s pure evil!” Granny Chang was shaking from head to toe, and she pointed at Feng Liu, saying, “You’re cursed by the devil!”

She ran out the door after saying those words.

Feng Liu was dumbfounded.

Looking from the grape-like objects to Granny Chang, who had run out of the room to report to her master, Feng Liu fainted.

Feng Wu darted a glance at the pale-faced Feng Liu and headed for the door.

“Miss Wu —” Granny Sun called after Feng Wu. “Miss Wu, is Miss Liu going to be alright?”

Feng Wu said indifferently, “It’ll depend on how lucky she is.”

She then walked out of the room.

Feng Yanfeng was about to ask Feng Wu how things went when he saw her, but Feng Wu waved at him first. “Uncle, I think you should take care of those grapes first.”

Something like this couldn’t be kept a secret for long, and word would soon get out.

Grapes? Feng Yanfeng didn’t know what she meant, until he saw the overturned spittoon on the floor...

Chaoqe only heaved a sigh of relief after they returned to Fallen Star Yard. “Xiao Wu, do you think Feng Liu will survive this time?”

Feng Wu smiled a little. “Do you want her alive or dead?”

Tilting her head, Chaoqe said, “Feng Liu really is very annoying, and I’ve often wished that she could disappear from this world for good, but she can’t die yet...”

Qiuling nodded as well. “Miss Liu has to live, and we have to spread the news, telling everyone that Miss Wu saved her. If she offends Miss Wu again, she’ll be seen as the most ungrateful person!”

Feng Wu chuckled. “I don’t need her to thank me, but...”

Feng Liu couldn’t die yet, so Feng Wu hoped that her sister wouldn’t do anything stupid. Just then —

Chapter 1264: The Fourth Trial

Just then, something clicked in Feng Wu’s head, and she realized that the fairy was talking to her.

“Hey, you.” The fairy gave Feng Wu a strange look.

Feng Wu’s stomach lurched. “What now? Do you have a new task for me?”

The fairy said, “Yes, it’s the fourth trial. But...”

Feng Wu asked, “But what?”

The fairy put on a long face. "But it's kind of... long."

Feng Wu asked, "What's that supposed to mean?"

The fairy thought for a moment before she asked, "Are you sure you want to hear it?"

Feng Wu was speechless. "What do you think?"

The fairy looked sympathetically at Feng Wu when she said, "For the fourth trial, you'll have to become a top 10 Year 2 student, make Jun Linyuan change his opinion about you, cheer him up, and make him call you his lovely little fool of his own free will..."

Feng Wu was speechless.

The fairy buried her face in her hands. "Don't hit me. I have nothing to do with the design of the task."

Feng Wu took a deep breath.

The fairy was right. It was a very long task — so long that it almost made her lose control.

"Became a top 10 Year 2 student?" The corner of Feng Wu's mouth twitched.

She was the top student of Year 1 now, but she had only just gotten in, so she hadn't thought about skipping a grade yet. However...

She said, "It's doable. I can just go talk to Grand Secretary Fang."

Lucky for her, she had been on friendly terms with Grand Secretary Fang from the beginning, and he would always help her when something came up in Imperial College.

Chaoge and Qiuling noticed Feng Wu sitting there absentmindedly for a while, before she got to her feet.

Chaoge was bewildered. "Xiao Wu, where are you going?"

Feng Wu said, "I just remembered something, and I need to see Grand Secretary Fang now."

"What..." Chaoge smacked her own forehead. "I just remembered; Grand Secretary Fang has gone into seclusion!"

"What?!" Feng Wu was dumbfounded.

"He did!" Chaoge said earnestly. "It was yesterday, and you weren't around. Grand Secretary Fang sent us a message, saying that he'll be out in 10 days."

Feng Wu immediately asked the fairy, "What's the time limit for this trial?"

The fairy said, "10 days..."

Feng Wu was speechless.

That was to say, her time would be up when Grand Secretary Fang came out of seclusion.

What an unfortunate coincidence... Feng Wu rubbed her forehead in frustration.

Since all her previous trials had been completed in such a hurry, she decided that she was going to start early this time.

She told the other two girls, "I'm going to Imperial College."

Without Grand Secretary Fang's help, she could still get into Year 2 herself.

"Xiao Wu, are you going to school now?" Chaoge asked curiously.

Feng Wu chuckled. "No, I'm going to skip a grade."

"What?" Even Chaoge was surprised. "Why so sudden?"

Feng Wu chuckled. "I'll become a Year 2 student sooner or later, won't I?"

"Without you, what fun will Year 1 be? Xiao Wu, I'm going to Year 2 with you," Chaoge said earnestly as she took Feng Wu's hand.

Feng Wu nodded after some thought. "At your current cultivation level, you might be pushing your limits a little if you try to get into Year 2 now, but it's always worth trying."

Hence, the two of them went to Imperial College together.

The office of the chief of Year 1.

"What? You want to skip a grade to Year 2?" Chief Yu stared at Feng Wu in disbelief. "Are you sure about that?"

Chapter 1265: Difficulty

Feng Wu nodded. "I'm sure."

Chief Yu frowned. "You're capable enough to go to Year 2, but Grand Secretary Fang isn't here at the moment, and no one can approve your application."

"Is there another way?" Feng Wu asked.

Chief Yu said, "If the chief of Year 2 agrees and you can pass their formation trial, you'll be allowed to skip grades. No one will be able to stop you then."

Hearing that there was another way, Feng Wu nodded with a smile. "I'll try it, then."

Chief Yu gave her a strange look. "Aren't you going to ask me who the chief of Year 2 is?"

The question itself was enough to suggest that the chief of Year 2 had to be someone special.

Feng Wu asked, "Who is it?"

Chief Yu said quietly, "He's Chief Qiao."

"Qiao?" Feng Wu hesitated before asking, "Is this person related to Miss Qiao Yi?"

Chief Yu gave Feng Wu a solemn nod. "He's Qiao Yi's father."

Feng Wu was amazed by the unfortunate coincidence.

Chief Yu smiled. "Do you see the difficulty that you're facing now?"

Feng Wu was speechless. "Miss Yu, how can you still smile?"

Chief Yu was still smiling. "Now that Mr. Fang isn't here, I'd like to see you defeat Chief Qiao. I should tell you that his daughter is everything to him, and he dotes on her. Otherwise, she would never have become such an arrogant person."

Feng Wu said, "Hm..."

Chief Yu said, "He personally walked Qiao Yi into our office and made sure we all heard him: If anyone dares to pick on his baby girl, he'll stop at nothing to get revenge for her."

Chief Yu smiled at Feng Wu after she said those words.

Feng Wu had greatly offended Qiao Yi, not to mention that she had slapped her. That was some serious offense by Qiao Yi's standards.

Rubbing her forehead, Feng Wu was a little frustrated.

Chief Yu reminded her out of kindness, "Would you like to wait until Mr. Fang comes back? I'm sure he'll help you."

Feng Wu smiled bitterly. She would love to wait for Grand Secretary Fang to come back, but her task wouldn't let her.

She gave Chief Yu a wry smile. "Miss Yu, can you tell me exactly what I need to do?"

Chief Yu had always liked Feng Wu, not to mention that Grand Secretary Fang had left instructions that she should help Feng Wu whenever she could. Hence, she carefully talked Feng Wu through the process before telling her, "You'll also have to fill in an application form and have your class teacher sign it."

Feng Wu didn't see that coming.

Qiao Yi had to sign it? Could it get any more difficult?

However, she had to complete the task, and she didn't have much of a choice.

Feng Wu could only ask, "Where's Miss Qiao Yi now?"

Glancing at the class schedule, Chief Yu said, "She's teaching the new Year 1 students now. If you go to the new student quarter now, I'm sure you'll find her there."

As for if she would sign Feng Wu's form... Chief Yu shook her head inwardly.

She prayed that those two wouldn't start a fight again.

Turning around, Feng Wu saw that Chaoge wasn't there. She realized that the girl must be bored and had gone out to play.

So, she filled in a form for Chaoge as well.

"Chaoge is going to skip grades, too?" Chief Yu was shocked.

Feng Wu nodded. "That's right. She's with me."

Chief Yu was surprised. "You're the top student on the Year 1 billboard, and students like Rong Shixin or Si Yuan aren't your match. But Chaoge..."

Chapter 1266: He Used to Belittle Feng Wu

Chaoge hadn't taken the test either, and like Feng Wu, her name wasn't on the billboard.

Feng Wu smiled. "Miss Yu, please don't worry. Grand Secretary Fang is teaching Chaoge himself, and she's been making progress at an incredible speed."

Since Grand Secretary Fang was teaching Xiaoqi, Feng Wu had asked him to include Chaoge in his classes as well, since it wouldn't make any difference to him.

While Feng Wu was busy with her trials, Chaoge and Xiaoqi had been making huge progress in their cultivation. These people at Imperial College would be astonished when they saw what they had achieved.

Chief Yu had no idea what was going on in Feng Wu's head, and there was no way she could know how capable Chaoge was.

She was about to speak when —

Quick footsteps came from outside.

"Chief Yu, please come! Some students have broken into a fight!"

Involuntarily, Chief Yu glanced at Feng Wu, wondering who else could have started a fight when Feng Wu was here in the office.

"What happened?" Chief Yu stared at the student.

Feng Wu recognized the student. His name was Guan Shan, and he was from Universe Court.

Guan Shan glanced at Feng Wu and hesitated.

That struck Feng Wu as odd, and she wondered if it had something to do with her.

"Answer my question!" Chief Yu prompted.

Guan Shan said hastily, "Duan Chaoge and Tao Yue had a quarrel that turned into a fight. Duan Chaoge hit Tao Yue, so Guan Jing went to help Tao Yue, then Duan Chaoge hit her as well."

Guan Shan could still remember how intimidating Duan Chaoge was!

The way she punched Tao Yue and kicked Guan Jing made many senior students go pale!

She was only Duan Chaoge, not Feng Wu! What was wrong with the newbies this year?! Why were they so unbelievably capable?!

"Are you telling me that Chaoge hit both Guan Jing and Tao Yue?" Chief Yu looked shocked.

She had been questioning Chaoge's capability just a moment ago, and now here was proof to the contrary.

Both Guan Jing and Tao Yue were senior Year 1 students who were ranked in the top 100 on the billboard, but the two of them couldn't even defeat Chaoge together.

"Are you talking about Feng Sang's two friends?" Feng Wu recognized the two names.

She remembered that every time she ran into Feng Sang, those two girls would start taunting her before Feng Sang spoke, which was why Feng Wu remembered who they were.

"Yes! Them!" Guan Shan nodded at Feng Wu.

As a senior student, he used to look down on Feng Wu as well. However, ever since she defeated Xuanyuan Yi in the duel, he began to feel reverence in her presence.

Crossing her hands behind her back, Feng Wu asked indifferently, "So what if she did hit them?"

Guan Shan pulled a long face. "It wouldn't be a problem if she had hit someone else, but Tao Yue's brother Tao Hu is a Year 2 student, and she's run to him for help."

A Year 2 student? Feng Wu was looking for an opportunity to get in touch with one, and voila! Here he was!

Feng Wu said goodbye to Chief Yu, then headed for Universe Court with Guan Shan.

The courtyard was crowded when Feng Wu arrived.

Everyone from both Universe Court and Blue Cloud Court was there after hearing the news.

Chaoge stood in the middle, as everyone whispered among themselves around her.

Chapter 1267: She's Doomed For Sure

"Is she Duan Chaoge, the new student this year who's been hanging around Feng Wu?"

"That's her alright."

"Wasn't she a butterball before? She's so pretty now."

"She was poisoned back then. Feng Wu helped her get rid of the toxin, and she's transformed from a 100kg fatso to a 40kg cutie."

"I heard Tao Yue's brother has a thing for pretty girls. I'm sure he'll cut Duan Chaoge some slack when he sees her pretty face."

"Don't be too sure about that. You weren't here just then, but Duan Chaoge was relentless. Tao Yue's face is all swollen, and you can see the handprint Duan Chaoge left on her cheek."

"Chaoge isn't to be blamed for everything, you know. You weren't here, but Tao Yue said some pretty mean things. She wouldn't stop insulting Feng Wu."

"I don't think this will end well. Tao Yue's brother is said to be a very irascible guy with a gang of his own known as 'Tiger Head.' It's quite influential among the Year 2 students."

“The Year 1 and Year 2 students have lived in peace all this time, but I think something big is about to happen.”

Just then, there were aggressive footsteps in the distance.

“No! That’s Tao Yue!”

“That stalwart young man next to her must be her brother, Tao Hu!”

“Tao Hu has five people with him. Their eyes are glowing; you can tell how capable they are.”

“Oh god, Chaoge is so dead...”

—

Instantly, everyone began to give Chaoge sympathetic looks.

The group of people arrived at Universe Court in no time.

Thump!

Tao Hu kicked the front gate of Universe Court open.

The rumble resonated in the air.

The Year 1 students felt a ringing in their ears and pain in their heads. Everyone paled.

How impressive!

Year 2 students were indeed very capable!

That made sense. It would take most students 10 years to make it from Year 1 to Year 2, and one could learn a lot in those 10 years.

Almost every student backed away when Tao Hu entered, creating a path wide enough for three people to walk through shoulder to shoulder.

“Brother! There’s Duan Chaoge!” Tao Yue was still crying, her face so swollen that she reminded one of a pig.

Seeing the sorry state his baby sister was in, Tao Hu was furious.

He charged out even before Tao Yue was done speaking.

With a heavy cape over his shoulders, he cut quite an imposing figure as he walked.

He quickly approached Duan Chaoge.

“Such a pretty girl!”

That was the first thing Tao Hu thought of when he saw Chaoge.

But his rage took over, and he stared at her. “Are you the one who hurt Tao Yue?”

Chaoge never cowered in front of anyone.

Staring back at Tao Hu, she said coldly, “Yes, but it’s none of your business.”

She admitted it outright.

Covering her swollen cheek with her hand, Guan Jing grinned maliciously.

“Duan Chaoge, since you dare admit it, be prepared to take Tao Hu’s rage!”

The students in the crowd were all scared at what might happen to Chaoge next.

“How can she be so dumb? Why did she admit it?”

Chapter 1268: Untitled

Tao Hu stared at Duan Chaoge. “I see. I don’t fight women, though. Leng Hu, you do it!”

Leng Hu was the only female member of Tiger Head.

She stepped out at the boss’s order.

Leng Hu wore a short fur coat made from white fox and a plain black skirt. Her face was expressionless, and her eyes were as cold as ice. She was everything her name suggested[1].

As soon as she stepped out, she charged at Chaoge without another word.

She moved as fast as a white fox!

It was so fast!

All anyone could see was a flash of white light, and the next second, Leng Hu was in front of Chaoge.

It was so fast!

She was a Level 6 Spiritual Grandmaster at least.

Chaoge was a Level 5 Spiritual Grandmaster. She was inferior in cultivation ability, but the gap wasn’t unsurpassable.

She was the fearless type, and even a stronger opponent wouldn’t intimidate her.

Thump! Thump! Thump!

They exchanged a few blows before both landed on the ground.

Chaoge stumbled back seven steps, but Leng Hu stopped after three.

She smirked. “You’re too weak to fight me. Die!”

Before Chaoge had time to react, Leng Hu struck out again!

Thump! Thump! Thump!

Both spared no effort when they struck.

The crowd all watched with wide open, unblinking eyes.

Most people felt certain that Duan Chaoge was going to be defeated.

They believed that a new Year 1 student could never win against a Year 2 student.

What was more, Duan Chaoge had been losing ground from the very beginning.

Thump!

Chaoge was caught off guard, and Leng Hu stabbed her in the shoulder with her sword.

The pain made Chaoge pale a little and draw in her breath.

Despite her injury, she fought even harder.

As time went by, Chaoge suffered from even more injuries, and the dots of blood looked like plum blossoms on her dress.

There were as many as thirteen of them!

“Duan Chaoge is going to lose...”

“She has so many cuts on her. If she doesn’t stop, she’ll bleed to death.”

“Year 2 students are so much better than us.”

“Duan Chaoge has already defended her honor by withstanding Leng Hu’s attack for so long.”

“That’s right. Her smartest choice now is to stop fighting and apologize.”

—

Almost everyone agreed that Chaoge was going to lose, and they all thought that she should apologize.

Among the senior Year 1 students, Feng Sang and Ye Yafei were gloating over Chaoge’s predicament.

But —

Duan Chaoge had no intention of doing that.

Even when blood was oozing from her wounds and even when each breath she took pained her, she still went on fighting.

She never believed in giving up!

“Are you going to admit your defeat or not?” Leng Hu’s blade rested on Chaoge’s fair neck.

Chaoge smirked. “Admit my defeat? In your dreams!”

“Die, then!” Leng Hu flipped her sword around and aimed the tip of the blade at Chaoge’s neck.

But before she could give the final blow —

Chaoge caught the sharp blade with both hands!

“Oh god —”

“Look at Duan Chaoge’s hands!”

“She’s holding the blade with her bare hands! Does she want to ruin them?!”

Everyone watched as blood ran down Duan Chaoge’s palms and dripped onto the ground!

Drip, drip —

Chapter 1269: Untitled

That was the sound of her blood dripping on the ground.

It sounded so painful!

Even Leng Hu looked astonished, let alone the audience.

She might be relentless herself, but she knew she couldn’t see herself bleed without so much as a frown like Chaoge.

That was the chance Chaoge had been waiting for!

While Leng Hu was distracted, Chaoge took a deep breath, and shifted suddenly while activating her spiritual energy.

“Die!”

Chaoge dashed out and reappeared behind Leng Hu.

She had used Phoenix Dance, the move that Feng Wu had taught her.

She hadn’t mastered it yet, but it was more than enough to handle a distracted Leng Hu.

The next second!

Chaoge was no longer in front of Leng Hu when the latter came back to her senses.

All of a sudden!

She felt something cold on her neck.

A streak of cold energy ran up her leg, then her spine!

Shit!

When Leng Hu realized what had happened, it was already too late.

The blade of Chaoge’s dagger was on Leng Hu’s neck.

Chaoge’s hands were still bleeding, and the warm blood ran down Leng Hu’s neck into her clothes.

Leng Hu, the nonchalant and arrogant girl, felt terrified for the very first time.

“Are you willing to admit your defeat?” Chaoge smirked.

The crowd stared at Chaoge in disbelief.

That was incredible!

She had been losing ground from the very start, but had grabbed the opportunity to turn things around!

A short distance away, Tao Hu looked infuriated when he saw this.

Leng Hu snorted. "You want me to admit my defeat? That's never going to happen!"

Chaoge asked, "Aren't you afraid that I'll kill you?"

Leng Hu sneered. "You wouldn't dare!"

Chaoge didn't reply, but only pressed the dagger down.

Whoosh —

It was the sound of the blade cutting open flesh.

Everyone's eyes widened!

They saw that Chaoge had really cut Leng Hu's neck!

Blood immediately oozed out!

Leng Hu felt a chill go down her spine.

How dare she...

Damn it!

"Stop!" With a grim look on his face, Tao Hu glared at Chaoge. "She's lost, so let her go!"

Chaoge smiled. Then, two crisp, cracking sounds resounded in the air.

"Duan Chaoge, you —"

Everyone watched as Chaoge broke both of Leng Hu's arms.

Chaoge smirked. "She hurt me with those arms. What's wrong with a little revenge?"

Well, technically, there was nothing wrong with what she did, but —

Everyone was concerned for Duan Chaoge's safety.

By the looks of it, Leng Hu was only the weakest member of Tiger Head, and there were four more of them. Wasn't she afraid of their revenge?

As expected —

There was a flash of red light, and someone grabbed Leng Hu.

"Sister Hu, are you alright? How do you feel?"

It was a teenager in a red robe.

A lock of red hair fell over his forehead, which was quite eye-catching.

“It’s Gu Honglang!”

“Gu Honglang? As in the one who fought his way into Dragon’s Teeth all by himself and decapitated the leader of those bandits?”

“Yes, him! I didn’t know he was a member of Tiger Head, though.”

“Oh god... Duan Chaoge is so dead this time...”

Everyone gave Duan Chaoge sympathetic looks, and some even hinted at her to run away while she still could!

Chapter 1270: A Ball of Light

Gu Honglang held Leng Hu with one hand, and it pained him to see her like this.

After examining Leng Hu’s arms, he was infuriated. A storm seemed to brew in his eyes.

“Sister Hu, the bones in your arms are broken, and I’m afraid it’ll hurt. But don’t worry. I’ll make her pay for this.”

Gu Honglang gave Leng Hu to Tao Hu before he walked up to Duan Chaoge.

He was very tall — at least 15cm taller than Chaoge.

There was a murderous look in his eyes as he looked down at Chaoge, and his voice was as cold as ice.

“Are you going to do it yourself, or do I have to do it for you?”

His tone was relentless.

Gu Honglang wanted to kill Duan Chaoge.

Everyone’s stomachs lurched when they heard this.

Shit!

This was only supposed to be a squabble between two students, not a duel!

But now, Gu Honglang wanted to kill Duan Chaoge... That wasn’t right at all!

Seeing that things were going south, Jin Yuntao and his friends ran off to get help.

Some went to look for Feng Wu, and some went to the crown prince’s residence...

Gu Honglang saw them leave, but he didn’t care.

He stared at Duan Chaoge with such a fierce look in his eyes.

Those terrifying eyes reminded the others of an eagle.

Many Year 1 students were frightened by the crazy look in Gu Honglang’s eyes and stepped back involuntarily.

That was so terrifying...

However, Duan Chaoge was dauntless.

She smirked. "Bring it on! I'm not afraid of you!"

"Young lady, you're very brave." Gu Honglang gave her an eerie smile and moved suddenly.

Before Chaoge could react, he struck out, a blazing ball of light forming between his palms.

"The Great Light!"

Everyone looked astonished, and they all stepped back.

Chaoge's stomach lurched as well.

Before she could react, that giant ball of light was falling down on her!

Shit!

Chaoge felt a chill run down her spine.

Instinctively, she jumped forward.

Thump!

The ball smashed into the ground, leaving a deep hollow.

Luckily, Chaoge had gotten away in time, or she would have been sucked into that ball of light.

"The Great Light doesn't try to crush a person, but to suck them into it."

Narrowing his eyes, Rong Shixin explained to the others, "Anyone touched by that ball of light will be sucked into it, and when that happens, they'll be rendered defenseless."

"That's so frightening..."

"Luckily, Duan Chaoge ran away in time. Otherwise, she would have been sucked into it."

"Look, that ball is rolling after Duan Chaoge. Everybody out of the way!"

Soon, they fell back another 50 meters or so.

The scowling Gu Honglang and fleeing Duan Chaoge were the only people left in the clearing.

"Oh god, look! That ball! It's grown bigger!"

Yes, that ball had only been as tall as a person at first, but it was getting bigger and bigger. By now, it was already two stories high!

The bigger it became, the easier it would be for it to catch Chaoge.

Chaoge didn't know what to do!

She could sense how terrifying this ball was and had been running as fast as she could, but she simply couldn't get away from it.
