

G E D 1571

Chapter 1571: Seventh Prince (3)

The teenager stared at Feng Wu and still couldn't utter a coherent sentence after quite a while.

"Come over here and let me see your wound. Hey, I'm a physician. I won't hurt you."

Feng Wu immediately pulled the teenager to her side.

He was slightly older than Feng Wu, but he couldn't be more than 15 or 16.

He stole a glance at Feng Wu when she pulled at him.

But Feng Wu didn't notice as all her attention was on his neck.

"The energy channel is indeed injured. My aim is quite accurate." After some close inspection, Feng Wu saw that the channel was indeed disrupted as she had foreseen, which pleased her.

The teenager rolled his eyes at Feng Wu. "So, are you showing off?"

"Ahem — of course not." Feng Wu immediately changed the subject. "Although your energy channel is injured, I knew what I was doing, and your main artery is untouched. Otherwise, you wouldn't be able to talk now. So, wasn't I nice to you?"

The teenager was speechless.

Feng Wu didn't care how the teenager felt. She took out some ointment and smeared it on his neck.

"Hey, that's very inappropriate." The pretty teenager protested.

Feng Wu smacked him on the head. "Nonsense. This is a supreme-level recovery ointment. Would you know how to apply it?"

The pretty teenager didn't know what to say.

"No more crap. Activate your energy so that the bruise will disappear more quickly." Feng Wu glanced at the teenager.

"Alright —"

He nodded obediently.

When Feng Wu applied the ointment on him, he could feel her soft hands on his neck.

He stole a glance at her, but all her attention was on his wound.

"Focus," said Feng Wu without looking at him.

"Sure —" The teenager looked down, but he opened his eyes again after a while and stole glances at Feng Wu.

He wondered if she really hadn't recognized him, and felt conflicted. As much as he wanted to ask her, he also feared her answer.

“Do you have worms on you or what?” Feng Wu was at the last step of clearing up his bruise, and she cast a grumpy glance at the fidgety teenager.

“What? No, I don’t,” he immediately said; he was a very clean and tidy noble young man!

“If not, why are you squirming?” Feng Wu looked at him.

“Well... I – I...”

Feng Wu waved him off before he could think of an excuse. “It doesn’t matter. I don’t care.”

The pretty teenager didn’t know what to say.

Feng Wu was as amazing as always. After a quick massage, the bruise on the teenager’s neck disappeared.

“Done.” She wrapped things up.

Taking out a damp handkerchief, she wiped each of her slender fingers clean. Then, with a wave of her hand, the cloth was set on fire.

She was in the habit of using disposable ones.

Burning it after one use was a hygienic and safe measure.

“Hey, why are you leaving already? Hey —”

Before the pretty teenager realized it, Feng Wu had already walked away. Moreover, she picked up her pace, and soon disappeared into the tall grass. The teenager couldn’t catch up with her even if he wanted to.

In the end, he could only stare blankly at Feng Wu from behind.

He wondered if she really didn’t recognize him...

Chapter 1572: Seventh Prince (4)

“Hey, kiddo, what are you doing out here in the middle of the night?” Feng Xun came out of nowhere shortly after Feng Wu left.

“What?” The teenager jumped at the sudden sound. When he turned around and saw that it was Feng Xun, he pressed a hand to his chest. “Brother Feng, you scared me.”

Feng Xun rubbed his head grumpily. “What are you doing here, staring into empty air?”

Following the teenager’s gaze, Feng Xun saw nothing but the tall grass.

“Please don’t tell me you were looking at a pretty girl.” Feng Xun raised an eyebrow and teased him.

However, the teenager immediately blushed when he heard those words.

That was quite the reaction.

Feng Xun immediately stared at the teenager and yelled, “Hey, kiddo, was that what you were really doing, looking at a girl?”

“Ahem —” Instead of denying it, the teenager smiled shyly.

Feng Xun looked like he had just discovered a new land. “Well, well, Jun Linyun, how old are you now? You’re interested in girls already.”

“I’ll be 16 next year!” Blushing, the teenager stared at Feng Xun.

Feng Xun laughed. “Alright, alright. You’re 16 and a big boy now. Hey, by the way —”

Throwing an arm over the teenager’s shoulder, Feng Xun asked, “Now, tell me, which family is this girl from?”

Jun Linyun pursed his lips and smiled shyly.

Feng Xun said, “Oh my, are you shy? Tell me. How am I going to help you if you don’t say anything? How are you going to get the girl if you keep acting so shy?”

Jun Linyun turned his head and agreed with his Brother Feng, who was a veteran in such things. Moreover, that pretty girl didn’t seem that easy to get along with either.

At that thought, Jun Linyun nodded, before he shook his head.

Feng Xun was confused. “Why are you nodding and shaking your head at the same time?”

Jun Linyun said, “Brother Feng, I want to tell you, but I don’t know the answer.”

“What?” Feng Xun looked at Jun Linyun as if he was looking at an idiot. “You don’t know which family she’s from?”

Jun Linyun shook his head.

Feng Xun asked, “Do you know her name, then?”

Jun Linyun tilted his head and realized that he had only seen her twice, and each time, he hadn’t spoken to her properly. So —

He shook his head again.

Feng Xun wanted to smack him in the head. “At least you know her surname, don’t you?”

Jun Linyun said, “Hm... I don’t think so.”

Feng Xun was speechless. “You... you don’t know anything. How can you be in love with her when you don’t know anything? Did she trick you? A lot of girls are like that nowadays —”

Before Feng Xun could finish, Jun Linyun shook his head repeatedly. “No, it’s not like that. I only met her once and I hardly talked to her. She didn’t keep it from me on purpose.”

Feng Xun didn’t know what to say. “You’re the seventh prince; every person in the Junwu Empire should know you! Since she knows who you are and she’s still playing hard to get after deliberately getting close to you... Well, well, Jun Linyun, you’ve been swindled.”

“No, it’s not like that! It’s not!” Jun Linyun tried to explain. “She didn’t know who I was! She really didn’t!”

“And how do you know that?” Chewing on a blade of grass, Feng Xun rested his head on his hands as he chatted with Jun Linyun.

Chapter 1573: It Has to be Her (1)

Jun Linyun said, “She took my horse the first time I saw her and left me with a spiritual stone, saying that she was buying my horse.

“How ridiculous is that? I’m the seventh prince. The last thing I need is a spiritual stone!

“And do you know how rude she was? She kicked me off my horse!”

Feng Xun laughed until his belly ached. “Hahaha —”

“Brother Feng! Stop laughing!” Jun Linyun felt angry and ashamed.

But Feng Xun laughed even louder. “Hahaha! That’s hilarious! A prince like you was kicked off of his horse and robbed! Who was that girl? She sounds so lovely!”

Jun Linyun said grumpily, “No, she wasn’t lovely at all! She was abominable!”

Feng Xun said, “Hahaha, what about the second time?”

The mention of the second meeting made Jun Linyun feel even more conflicted. He rubbed his neck where it still seemed a little swollen.

“What —”

The sharp-eyed Feng Xun immediately noticed it, and he raised an eyebrow. “Linyun, what happened to your neck? Did the girl kiss you?”

“No, she didn’t! She hit me with a rock!” Jun Linyun said grumpily.

“She hit you with a rock? Hahaha —” Feng Xun guffawed and pounded his fists on the ground, laughing so hard that he couldn’t stand straight.

Jun Linyun was infuriated, but he couldn’t offer any excuse, and his face went scarlet red.

“Hey, are you done laughing?” He glared at Feng Xun.

Feng Xun finally stopped laughing, but he was still holding his stomach.

“Hahaha, Linyun, that sounds so unfortunate... Hahaha —” Feng Xun then patted him on the shoulder.

“Don’t worry. When we find her, I’ll teach that arrogant girl a lesson!”

Jun Linyun said hastily, “Brother, can we skip the lesson?”

Feng Xun asked, “What?”

Jun Linyun said, “Brother, let’s just find her, but don’t do anything to her. Is that alright?”

Feng Xun looked at him in bewilderment. “The girl picked on you and ignored your authority. It’s not like you’re just a commoner. How can you live with that?”

Jun Linyun said, “Well... it’s not that bad.”

Feng Xun suddenly saw the light. Eyes shining, he looked Jun Linyun up and down. "Oh my, Linyun, are you... falling for her?"

Jun Linyun cleared his throat.

Feng Xun cried out, "Gosh! This is big news! Our Linyun is in love! Are you thinking straight? After what she did to you, you actually like her?"

Because Jun Linyun had followed Jun Linyuan and Feng Xun around since he was little, Feng Xun treated him like a little brother and would talk to him freely.

Jun Linyun cleared his throat.

Feng Xun patted his shoulder. "Stop coughing! If you like her, go get her! Coughing won't get you anywhere!"

Jun Linyun's eyes flickered. "Can... can I really do that?"

Feng Xun almost rolled his eyes. "Of course you can. The girl may be rude, vulgar, and a bit violent, but you like her, don't you?"

Jun Linyun said, "Yes, I do! I really like her!"

Chapter 1574: It Has to be Her (2)

Feng Xun said, "Do it, then. It's not a big deal."

Jun Linyun nodded and looked expectantly at Feng Xun. "Brother Feng, you're going to help me, aren't you?"

Feng Xun liked the feeling of being needed, so he patted his chest with a smile. "Don't worry. I'll help you with courting the girl. But remember this: When she's yours, you have to discipline her when needed. Don't let her go over your head. Got it?"

Jun Linyun was elated. "I'll remember that!"

Poor Feng Xun. He had no idea that the girl Jun Linyun had fallen for was Feng Wu. Had he known better... He would smack his own head.

"But our top priority right now is to find that girl," Feng Xun said.

With Feng Xun by his side, all Jun Linyun needed to do was follow his instructions, so he immediately nodded.

Feng Xun said, "To find the girl, we need to find the name list first. After all, everyone on this trip is registered.

"With the list, we can eliminate the names one by one. In the end, the rude girl won't be able to hide anymore!"

Jun Linyun nodded repeatedly.

“There are only two copies of this list. His Majesty has one, and Boss Jun has the other. Come, let’s go to your brother.”

Jun Linyun could hardly contain his excitement.

Soon, he would know the naughty girl’s name.

Jun Linyuan had been trying to make some progress lately, so he had been spending most of his time meditating.

However, Jun Linyun was quite lucky. He and Feng Xun arrived when Jun Linyuan happened to wake up.

“Brother, please help me!” Jun Linyun threw himself at Jun Linyuan as soon as he saw him.

Jun Linyuan frowned a little and gave Feng Xun a grumpy glance.

Feng Xun pursed his lips. “Boss Jun, Linyun is a big boy now. He’s fallen for a girl he has to marry.”

“He has to marry?” Jun Linyuan gave Jun Linyun a strange look.

Jun Linyun immediately nodded. “That’s right! It has to be her! Brother, please help me!”

Jun Linyuan narrowed his eyes. “What girl?”

She had to have a death wish, seducing his talented brother like this.

Jun Linyun and Feng Xun both smiled bitterly.

“We wouldn’t have come to you if we knew who she is.” Crossing his arms, Feng Xun leaned against the wall. He looked full of spirit.

“Well?” Jun Linyuan raised his eyebrows.

“As a matter of fact, your brother doesn’t even know her name. He fell in love with her after she picked on him twice.” Feng Xun was greatly amused.

“Nonsense!” Jun Linyuan stared at Jun Linyun with an imposing look in his eyes.

Jun Linyun had always been afraid of Jun Linyuan, so he was terrified when he saw that look.

But he still summoned up his courage and gritted his teeth. “Brother, she’s the only love of my life. If I can’t marry her, I won’t marry anyone else! Please help me!”

Jun Linyuan narrowed his eyes. “Are you sure?”

Chapter 1575: It Has to be Her (3)

Jun Linyun nodded solemnly. “I’m very sure.”

Jun Linyuan snorted. “If that person has this much of an impact on you, we have to get rid of her.”

“Brother!” Jun Linyun cried out; his heart was pounding now.

Jun Linyuan ignored him and only glanced at Feng.

Feng was indeed Jun Linyuan's most reliable confidante.

One look from Jun Linyuan and Feng knew what he wanted.

Soon, Feng fetched a small, exquisite chest.

It was a fine chest made of purple sun wood, and one could tell how well-maintained it was from its vivid color.

Feng opened the chest to reveal the booklets neatly packed together inside.

Feng said, "Here's the entire list of everyone in His Majesty's entourage with all their information, including a portrait and their family background. Please feel free to look through them."

Jun Linyun stared at the chest, feeling so excited that his fingers trembled.

He really wanted to know who the girl was!

Feng Xun was curious as well. "Let me help you. I'd like to know who this girl is. After what she did to you, how can you be so infatuated and mesmerized?"

Xuan Yi had been holding his sword on the side with an indifferent look on his face, but even he was a little intrigued.

As they were speaking, they started.

Feng Xun took all the booklets out of the chest and told Jun Linyun, "Let's search by family, one at a time."

Jun Linyun said, "Sure!"

The Zuo family, the Dugu family, the Mu Manor... they even looked through the Feng family.

But because of Feng Wu and Feng Yanfeng's previous conflict, she had been banished from the clan, and her name wasn't included in the Feng clan's booklet anymore.

As for the booklet of the crown prince's residence...

It was so easily overlooked, and the two men didn't think of looking at it at all.

Therefore —

They read every booklet from front to back... and after going through almost all the booklets...

"She's not there?" Feng Xun looked at Jun Linyun in disbelief.

Jun Linyun shook his head.

"That's odd." Feng Xun rubbed his chin. "Is it possible that the girl isn't one of ours? That's the only explanation."

"What's that?" Jun Linyun obviously trusted Feng Xun.

But he could never have expected for Feng Xun to be so wrong.

“The only possibility is... The girl is a member of the Senal Grassland.” Feng Xun smiled wryly. “If that’s the case, we’ll have to cover a lot of ground. Moreover, we’ve only just fallen out with Chieftain Senal today... Ahem.”

Jun Linyun gritted his teeth. “Brothers, I’ve made up my mind. I have to marry this girl regardless of who she is. She’s the only one I want for the rest of my life. Please help me.”

Despite his wry smile, Feng Xun was secretly alarmed. He knew that this girl had to be spectacular to have mesmerized Jun Linyun to this extent.

He wanted to find out who the girl was more than ever.

Everyone in the room wanted to find the teenager’s dream girl. But if they had known that it was actually Feng Wu...

The expressions on their faces would be so interesting.

Feng Wu had no idea that she had become their target. When she returned, she found another person in her tent.

Face buried in her arms, she was fast asleep over the table.

On the other hand, Qiuling was especially gifted at taking care of daily affairs.

“Miss, please have something to eat. You shouldn’t walk around on an empty stomach.” Qiuling had always looked after Feng Wu well.

“By the way, miss —” said Qiuling.

Chapter 1576: Mysterious Girl (1)

Qiuling said to Feng Wu in an amused tone, “I heard that Prince Jun Linyun is searching everywhere for someone.”

Prince Jun Linyun?

This was the second time Feng Wu heard Jun Linyun’s name mentioned, but since he was of no consequence to her, she wasn’t really interested.

Although Feng Wu wasn’t interested, Chaoge, who liked buzz, was intrigued and asked curiously, “What now? What’s that about? Jun Linyun looks quite dumb, but he’s very funny.”

Qiuling smiled and said, “I don’t know exactly what it’s about. I only heard that he’s looking for some girl, and he’s been going from one family to the next.”

Chaoge said, “What? Is Prince Jun Linyun that eager?”

“Who’s eager?” Feng Xun and Xuan Yi came in from outside, followed by the most handsome teenager. It was none other than Jun Linyuan himself.

Chaoge sounded excited when she said, “Haven’t you heard? Jun Linyun is anxiously looking through the women of every family. What else can it be, if he isn’t eager for women?”

Feng Xun grumpily knocked Chaoge on the forehead. "Nonsense. It's not like that at all."

"Not like that? What's it like, then? Is the rumor wrong?" Chaoge asked in bewilderment.

As Feng Xun and Chaoge bantered with each other, Jun Linyuan's brooding gaze landed on Feng Wu as always.

Involuntarily, Feng Wu looked at him as well.

Their eyes met.

It was as if electric currents were flickering in the air, but no one else could see the sparks.

The crown prince's unblinking gaze was fixed on Feng Wu, and his eyes seemed to grow even more brooding.

Involuntarily, Feng Wu avoided his intense gaze. Her heart was racing as it pounded hard like that of a young deer.

No one noticed the subtle interaction between Feng Wu and Jun Linyuan, because everyone was watching Feng Xun.

Feng Xun was cheerfully explaining to Chaoge, "Well, you don't know what happened. Linyun really isn't looking for a future wife. He wants to get revenge."

Chaoge's eyes widened. "What? Did someone pick on Prince Jun Linyun? Who would dare do that? He's a royal prince! He helped us a lot by bringing us here, and I have to show my gratitude. Feng Xun, tell me. Who offended Prince Jun Linyun? I'll get revenge for him!"

Chaoge was also very impulsive and would act before she thought things through. Rolling up her sleeves, she wanted to offer her help.

Feng Xun pressed her back down when she bolted up from her chair and said grumpily, "Don't rush it. We also want to know who displeased him, but we can't find the person."

Chaoge asked, "Is that person here in the campsite?"

Feng Xun nodded.

Chaoge asked, "What's her name?"

Feng Xun shook his head.

Chaoge stared at Feng Xun. "You don't even know her name? What does she look like, then?"

Feng Xun said, "Not very attractive, according to Linyun's description."

Chaoge said, "Well, it won't be easy to find them."

Feng Xun nodded.

Feng Wu was attracted to their conversation, but she never thought that she would be the one they were searching for.

Until —

Tilting her head, Chaoge curiously jabbed a finger in Feng Xun's arm. "Talk to me, then. How did this plain girl pick on Prince Jun Linyun? Did she take advantage of him? Hahaha —"

Feng Wu was intrigued as well, although she had never seen Jun Linyun before.

Chapter 1577: Mysterious Girl (2)

"Take advantage of him? Hahaha! No, it isn't like that. The girl's simply strong and violent. Guess what? Linyun said that when they met for the first time, the girl kicked him off his horse before taking it and riding off!"

"Wow!"

Chaoge's eyes lit up when she heard that.

"Seriously?! That's Prince Jun Linyun, the well-respected royal prince who enjoys wealth and honor! He was kicked off his horse!"

Feng Xun found it amusing as well. "Right? That girl's impressive, isn't she?"

"Yes! I like her!" Chaoge gave a thumbs up. "She's my cup of tea! I like the sound of her!"

While Feng Xun and Chaoge were chatting happily, Feng Wu's face stiffened.

She had done the same thing once, kicking someone off their horse before riding off...

What did that poor teenager whom she kicked off look like? Tilting her head, Feng Wu tried to remember, but she could only recall how angrily he had hopped around. However, she simply couldn't remember his face.

Poor teenager... Feng Wu secretly offered him her sympathies.

Over on the other side, Feng Xun and Chaoge went on chatting happily.

Feng Xun said, "Hahaha, you have no idea what happened next. The girl did something even more awesome. In the middle of the night yesterday, right in the meadow behind our campsite —"

Chaoge's eyes widened, and she asked curiously, "In the middle of the night in that meadow where the grass is taller than a grown man? Oh my —"

"It's not like that!" Feng Xun smacked her on the forehead. "What are you thinking?"

In fact, Feng Wu was curious as well. Before she knew it, she had moved closer and grinned at Feng Xun.

She had been in that meadow at the back last night as well, but she hadn't noticed anything...

Seeing that Feng Wu was interested as well, Feng Xun was satisfied. He smiled and said, "That girl is so amazing. In their second meeting, she hit Linyun with a rock right away. That poor boy. After finally managing to catch up with us, he was hit by a rock before he could take a nap in the meadow..."

Feng Wu didn't hear the rest of his words. The only thing she could hear repeatedly in her head was that Prince Jun Linyun had been hit by a rock...

Feng Wu didn't know what to say.

If she remembered correctly, she had indeed hit a teenager in that meadow the night before by accident.

And if memory served her right, she had also taken a teenager's horse back in the imperial capital.

Were they the same person?

Although she couldn't remember his face, the guy had been quite jumpy on both occasions. So... they might be the same person.

So, that really was Prince Jun Linyun.

And she was the one he was searching for?

Feng Wu felt conflicted and thought that she should explain herself.

However, before she could say anything, Feng Xun grinned and said, "That's why Linyun has been turning this place upside down for that girl!"

Chaoge said, "He's a prince. After what he went through, he has to get his revenge."

"You would normally be right. No one would like such a rude and violent girl. But Linyun isn't just any normal teenager."

Feng Xun was utterly bemused.

Chapter 1578: Mysterious Girl (3)

"After what Linyun went through, do you know what he said? He said that he's in love with that girl!" Feng Xun said.

"What?!" Chaoge almost jumped to her feet.

"That's right. That was what he said."

"Hahaha! Hahaha!" Chaoge laughed so hard that she was almost in tears. "Seriously? Prince Jun Linyun fell for her after everything?"

Feng Xun said, "He's not just in love. He said that she was the only one he wanted to marry!"

Chaoge looked dumbfounded and gave a thumbs up. "That's amazing! He's unbelievable!"

While they were chatting happily, they didn't realize that Feng Wu's face had almost turned blue.

She already felt awkward enough when she learned that the teenager she had mistreated was Prince Jun Linyun. After hearing Feng Xun's revelation, she didn't know how to express what she was feeling.

She cleared her throat and chuckled awkwardly. "Is it possible that Prince Jun Linyun was only joking?"

"Joking? No, no, no. How can he joke about such a thing? He's never been so serious!"

Feng Xun went on in a serious tone. "After we came back last night, we took the name list and checked everyone. We've already circled all the possible suspects."

Feng Wu looked perplexed.

Feng Xun said proudly, "After that, we examined each clan in turn, and we'll meet all the girls in the campsite. I believe that we'll definitely find the girl!"

Feng Wu looked perplexed.

Feng Xun patted his chest proudly. "Do you know who came up with such an amazing idea?"

Feng Wu asked, "Who?"

Feng Xun raised an eyebrow. "Of course it was me. Apart from me, what other genius could have come up with such a good idea?"

Feng Wu didn't know what to say.

"By the way, Xiao Wu, you're a smart girl yourself. Can you think of a way to find the girl quickly?" Feng Xun asked for her help.

Feng Wu wanted to roll her eyes.

Actually, there was a way.

If Feng Xun hadn't mentioned the part where Jun Linyun said that he had to marry her and no one else, Feng Wu would have turned herself in already.

But now... this was simply too embarrassing. Feng Wu decided to talk it over with Jun Linyun in private instead of revealing herself.

"Don't you have any idea?" Feng Xun looked curiously at Feng Wu.

Feng Wu was speechless. "What idea can I possibly have?"

Feng Xun said, "Just help Linyun. Can't you do that?"

Feng Wu wanted to roll her eyes at him.

Was he asking her to help Jun Linyun with catching her?

"Xiao Wu, Xiao Wu —" Feng Xun took her arm and swayed it back and forth.

However, as soon as his fingers touched Feng Wu's skin, there was an intense gaze on him that felt like a shot from an arrow!

"Ouch —" Feng Xun involuntarily drew back his hands, feeling as if boiling water had just been poured over him.

That was right. Boss Jun was watching.

"By the way, why isn't Prince Jun Linyun with you guys? Weren't you searching each clan?" Chaoge asked curiously, resting her chin on her hands.

Feng Xun shrugged. "Jun Wuxia took him away."

Chaoge looked out the door curtain. It was true. A short distance away, tears were rolling down Jun Wuxia's cheeks as she spoke to Jun Linyun.

That displeased Chaoge. Dropping the door curtain, she said, "What's Prince Jun Linyun's problem? Can't he tell that Jun Wuxia is up to no good?"

Chapter 1579: Mysterious Girl (4)

Feng Xun only found her amusing. "You silly girl. They're still siblings, after all."

Jun Linyun was Empress Dugu's son and Jun Wuxia's own brother. Of course the two of them were close.

However, Jun Linyun was an odd prince. Instead of hanging out with his own sister, he had always followed Jun Linyuan around since he was little. For that, Empress Dugu had reprimanded him more times than he could count. She was secretly furious.

However, Jun Linyun simply wouldn't listen to her. When he had enough of her, he would run away on his own. Empress Dugu was infuriated, and in the end, she just let him be and let him do whatever he wanted.

Holding Jun Linyun's hand, Jun Wuxia wept. "Brother, that Feng Wu is such a bad person. She was so mean to me!"

Jun Linyun said, "Alright."

Jun Wuxia said, "Don't play with her when you meet her in the future. Don't be nice to her. Don't even look at her. Otherwise, I'll be mad at you. Got it?"

Trying to avoid as much trouble as possible, Jun Linyun waved at her. "Alright, alright. I'll remember."

Seeing that Jun Linyun couldn't wait to run away, Jun Wuxia sighed inwardly. Why wouldn't her brother get along with her?

"By the way, what do you know about our brother, the crown prince..." As soon as she asked the question, Jun Linyun stared at her.

"Sister, we had a deal! You can't ask me questions about Brother Crown Prince! I won't tell you anything!" Jun Linyun turned serious, and the look in his eyes had never been so cold!

Jun Wuxia stiffened. She was furious, but she couldn't utter a word.

"Fine, fine. Go away now. Take care of yourself, and don't get bullied again. You're a royal princess after all. How can you let Feng Wu do those things to you? What a shame."

Jun Linyun didn't stay in the imperial capital too often, so he didn't know much about such news.

Jun Wuxia had said a lot of bad things about Feng Wu just then, so he didn't think much of Feng Wu at all.

"Remember, never play with Feng Wu. Got it? I'm your closest sister. Remember that." Jun Wuxia reminded Jun Linyun repeatedly as she held his hand.

“Sure, sure.” Jun Linyun finally sent Jun Wuxia on her way.

“Gosh, girls are so much trouble.” Seeing that Jun Wuxia had left, Jun Linyun turned around and headed for Feng Wu’s tent.

Meanwhile, in the tent —

Chaoge had been looking outside the entire time, so she saw everything. She immediately told the others, “Princess Jun Wuxia has finally left. Prince Jun Linyun is coming this way.”

Hearing that, Feng Wu almost jumped up.

Looking out through the lifted curtain, she saw the pretty face of that teenager. He really was the teenager she had picked on...

So, he really was the seventh prince. Feng Wu didn’t know whether to laugh or cry.

So, was he coming here now?

As soon as he walked in, he would see her and recognize her. After that...

Feng Wu could think of a hundred ways to avoid him if she wanted, so that he wouldn’t recognize her. But...

On second thought, she realized that the problem would always be there, like a ticking time bomb which would explode sooner or later.

If that was the case, better sooner than later.

After figuring that out, Feng Wu sat down and kept her gaze on the door curtain. She didn’t intend to run away and was ready to face the truth.

Meanwhile, Jun Linyun was approaching.

100m, 50m, 30m —

Chapter 1580: Mysterious Girl (5)

Chaoge had become quite familiar with Jun Linyun after their journey here together. Hence, she waved at him through the window. “Jun Linyun, come and sit with us.”

She had left a good impression on Jun Linyun, and he thought about coming in. However —

Granny Gong lifted the curtain. “Your Royal Highness, please come in. His Royal Highness is here as well, and so is Young Lord Feng.”

Jun Linyun was about to step in, but —

He suddenly remembered what Jun Wuxia had said just then.

Don’t meet Feng Wu. Don’t play with Feng Wu. Don’t get close to Feng Wu...

Turning around, Jun Linyun saw that Jun Wuxia was still staring at him from a distance.

She looked like she was going to rush over and cry her eyes out if he dared go in.

Jun Linyun was speechless. That woman was so much trouble. His dream girl was so much better. She didn't do such nonsense; she was decisive in her actions and never cried.

After sighing inwardly, Jun Linyun waved at them. "Brother Feng, I'm not going in. You guys come out here."

Feng Xun said grumpily, "Get in here and meet little Feng Wu."

Because she was going to be his future sister-in-law.

However, Jun Linyun waved his hands. "No, that won't be necessary. I shouldn't meet her. Otherwise, my sister will cry her eyes out. Brother Feng, come out here already. We need to visit the next clan. It's the Feng clan's turn."

Feng Xun still wanted to hang out with Feng Wu for a while, but Jun Linyun kept urging him. "Brother Feng, don't you want to know what that girl looks like? Aren't you curious who she is? Don't you want to find her quickly? Brother Feng —"

"Fine, fine. Stop nagging." With no other choice, Feng Xun had to stand up and say goodbye to Feng Wu.

Feng Wu was crying inwardly...

She didn't know how to describe her feelings anymore.

Jun Linyun wouldn't come in, so she decided that it wasn't her fault.

Poor Jun Linyun. The real Feng Wu was only a few steps away from him, and he wouldn't be able to find that girl anywhere else.

When Feng Xun came to find Feng Wu at dinner time, Chaoge asked curiously about the outcome.

"Did you find her? Did Prince Jun Linyun find his dream girl?" Chaoge asked curiously as she handed Feng Xun some skewered meat.

Feng Xun shook his head as he wolfed down his food.

He ate more than a dozen in a row. Only then did he slow down a little.

"We couldn't find her," said Feng Xun, smiling wryly. "That's just the strangest thing. We checked all the girls of the right age in the campsite according to the list, even the chambermaids and servant girls, but we still couldn't find her. Did she run off already?"

Chaoge said, "Isn't this entire area covered with a formation? No outsider can get in, and we can't get out even if we wanted to."

Feng Xun nodded. "Because the spiritual essence is about to recover, the formation on this spirit source land has activated. It's true. No one can get in or out. The deadline was right after you arrived."

Chaoge nodded. "That is to say, that girl has to be in the campsite. Is it possible that she's not one of us?"

Feng Xun said, "I thought the same, but according to Linyun, that girl is definitely one of us. She didn't look like a grasslander."
