

## G E D 2021

### Chapter 2021: The Romance (9)

“That’s right,” Mrs Zuo said. “Qingyu never found her a worthy companion.”

“Speaking of Qingyu —” Mrs Zuo suddenly realized something. “Why don’t I see her?”

She then had a bad feeling.

“And I haven’t seen Qingxian either. Where are they?” Mrs Dugu was perplexed.

“Yamo, Mengxi, you came out together. Did you see Qingyu and Qingxian?” Mrs Dugu asked her two children.

That question...

Dugu Mengxi and Dugu Yamo didn’t know how to answer them.

Dugu Yamo turned to leave.

Dugu Mengxi was slower, and was stopped by his mother.

“Mengxi, where are your cousins?” Somehow, Mrs Zuo felt uneasy.

The blow was so hard that Dugu Mengxi had yet to recover from it.

How was he supposed to tell his aunt?

“Aunt, stop asking,” Dugu Mengxi shook Mrs Zuo’s hand off and turned to leave.

Mrs Zuo felt even more uneasy. She rushed over and grabbed Dugu Mengxi. “Stop right there! Tell me! Where are Qingyu and Qingxian? Where did they go?!”

Dugu Mengxi said, “Aunt, I can’t...”

Mrs Zuo had an ominous feeling. “Speak!”

Dugu Mengxi took a deep breath. “Well, if you insist... I didn’t want to tell you. So, are you ready to hear it?”

“Mengxi, stop dawdling. Just tell your aunt where Qingyu and Qingxian are! Can’t you tell that your aunt is worried sick?” Mrs Dugu scolded Dugu Mengxi.

Dugu Mengxi said, “Mom, how am I supposed to tell her that both of my cousins are dead?!”

Mrs Zuo felt like she had been struck by lightning.

“Wanhua, Wanhua...”

No matter how loud Mrs Dugu yelled, Mrs Zuo remained unconscious.

Everyone panicked.

It was simply too much for Mrs Zuo.

By then, someone had already dashed off to get Master Zuo.

“How? How did this happen?” Mrs Dugu stared at Dugu Mengxi. “What’s going on? How did they die?”

Master Zuo arrived at that moment and asked, “What happened to Qingyu and Qingxian?! Say something!”

Mrs Zuo woke up at that moment.

“Master —” She burst into tears when she saw her husband. “They said... They said that Qingyu and Qingxian are dead... Oh god...”

Master Zuo swayed. His vision went dark, and he almost fainted.

The others immediately steadied him.

“How... Why? Who did this? Who killed them?!”

“It was Feng Wu!” Recalling what happened to Feng Liu, Dugu Mengxi blurted out the words.

Dugu Mengxi grew anxious. She kicked Dugu Mengxi and said, “You don’t know that! Don’t make things up!”

Dugu Mengxi didn’t dare speak a word after that.

But both Master Zuo and Mrs Zuo heard him.

“What did you say?! Feng Wu?! Tell me! What happened?” They rushed to Dugu Mengxi’s side and grabbed his arms.

## **Chapter 2022: The Romance (10)**

Dugu Mengxi looked at Dugu Yamo in resignation. He then turned to them and said, “Zuo Qingyu died first. Zuo Qingxian said that Feng Wu killed her. The second prince was there as well, so I think he’ll know about it.

“As for Zuo Qingxian...” Dugu Mengxi smiled bitterly. “Zuo Qingxian tried to kill Feng Wu, and to save her, Feng Xun killed Zuo Qingxian.”

Both Master Zuo and Mrs Zuo went pale with grief and anger...

Just then, they heard a tiny rumbling sound outside.

“That’s the sign of someone making a breakthrough,” said Dugu Yamo.

It happened all the time, so no one thought much about it.

But as soon as she said that, there was the sound again.

“Has someone made two breakthroughs in a row?” Dugu Yamo was amazed.

Just then, she heard something outside.

“Feng Wu’s little maid just made two breakthroughs in a row. Please don’t tell me that she has the legendary seed of the spirit source.”

WHAT?!

If the seed hadn't been mentioned, the others wouldn't be so shocked.

*Whoosh* —

Everyone headed in the direction that the fluctuation had come from.

Qiuling had been carried out by Feng Xun himself, and had been lying by his feet all this time.

Feng Xun and Ranmil had been fighting, but the unexpected breakthrough attracted all their attention.

Even now, Qiuling was still unconscious.

She was a Level 1 Spiritual Grandmaster at first, but now, she was already a Level 3 Spiritual Grandmaster.

Everyone was watching her...

And they were all surprised and full of expectations.

She didn't disappoint them. She made another breakthrough.

"Shit!"

"She's Level 4 now!"

"It's only been 15 minutes, but she's made three breakthroughs already! How can that happen?!"

"Do you think she found the seed of the spirit source? Isn't it supposed to be able to raise one by a whole stage?"

"She only made three breakthroughs; that's a lot less than a whole stage. Moreover, she's just a maid. If all the geniuses couldn't get it, how could she?"

"But did all those geniuses make three breakthroughs in a row?"

As they spoke —

Qiuling was once again surrounded by dense spiritual essence, which eventually flowed into her body through her nose.

Everyone was speechless.

*Rumble* —

Qiuling made another breakthrough.

"OMG!"

"What?!"

"It's not what we think, is it?"

"Look, it happened so easily, it's like she's making a breakthrough in her dreams.

“The seed of the spirit source. Is it really...”

“Look! The spiritual essence has gathered around her again!!!”

*Buzz* —

There were two sounds.

The onlookers held their breaths, afraid of waking her up.

“She’s a Level 6 Spiritual Grandmaster!”

“Shit! It’s happening again! She’s a Level 7 Spiritual Grandmaster!”

“Level 8 now!”

“She’s a Spiritual Elder now!”

...

Qiuling’s progress was so fast that even Emperor Wu heard about it.

One could only imagine how many people would want to have Qiuling on their team.

Feng Wu had no idea what was going on outside. Right now, all her attention was focused on Jun Linyuan.

But Jun Linyuan was doing all he could to repair her damaged body, and didn’t say a word to Feng Wu.

Everything was fine, but...

Would Jun Linyuan find out about her beautiful master?

She was so nervous...

### **Chapter 2023: The Romance (11)**

Just then, Jun Linyuan slowly opened his eyes.

Feng Wu stared at him nervously. “You’re awake.”

It was quite strange to look at her own face but think of it as Jun Linyuan.

Jun Linyuan glanced at her. “Yes.”

Feng Wu swallowed and said, “Well...”

“What?”

Jun Linyuan frowned.

All Feng Wu could think of was her beautiful master, so she cut to the chase and said, “Jun Linyuan, can you feel anything?”

“Like what?” he asked.

Feng Wu said, "Well... like something in my mind, such as my spiritual pets..."

Feng Wu had tried to summon Little Phoenix, but the bird gave her no response.

Jun Linyuan glanced at her.

Feng Wu asked, "What?"

Jun Linyuan said, "Are you talking about that little bird?"

Feng Wu's stomach lurched!

Jun Linyuan had discovered Little Phoenix. What about her beautiful master?

The beautiful master was her biggest secret!

It would be more dangerous for the beautiful master if one more person knew about his existence.

Seeing how nervous Feng Wu was, Jun Linyuan cleared his throat.

Feng Wu asked nervously, "That little bird, right? How is it?"

Jun Linyuan rose to his feet.

Feng Wu followed him. "Hey, Jun Linyuan, say something."

The crown prince only glanced at Feng Wu and kept walking.

Feng Wu shouted, "Jun Linyuan!"

He stopped by the bronze door and gestured at it. "Open it."

Feng Wu said innocently, "I'm not good enough to do that."

Jun Linyuan found her claim idiotic. "Are you sure about that?"

Feng Wu said, "I..."

Jun Linyuan said, "You're using my body now, and you're saying that you're not good enough?"

Feng Wu cleared her throat uneasily.

Jun Linyuan said, "Open it."

Feng Wu said, "Well, how do I use your power?"

Jun Linyuan gave her some instructions and said, "Concentrate the spiritual essence in your palm and exert all of it in one go."

Before he could say anything else, something rumbled.

*Bang!*

The ferocious power hit the bronze door, making it rumble.

The strike was too quick and too fierce.

*Rumble!*

The door flew off.

*Rumble —*

The entire building shook violently, and stones and sand started falling down.

The crown prince gave Feng Wu a strange look.

Feng Wu returned his gaze with an innocent look of her own.

Jun Linyuan grabbed Feng Wu and started running. "Let's go!"

But Feng Wu's injuries were too severe. Even with Jun Linyuan's efforts, he could only repair the heart and lungs, and was barely keeping her body alive.

As for her cultivation, he didn't have time for that.

As soon as Jun Linyuan started moving, he coughed violently.

Feng Wu looked at her hand in surprise. "I barely used any strength. Why did that door fly off?"

### **Chapter 2024: The Romance (12)**

Jun Linyuan glanced at her.

Feng Wu said, "Did I really do that?"

Jun Linyuan said, "You destroyed this building as well."

Feng Wu said, "That's so scary. I can't control this power."

Jun Linyuan said, "If you keep acting so astonished, we'll both die here."

Feng Wu said, "Yes! Right!"

She immediately started running, but she realized that something wasn't right after a few steps, and looked over her shoulder. Jun Linyuan was looking at her with a strange look on his face.

She smacked her head.

How could she be so stupid?

She had forgotten about Jun Linyuan.

Right now, she was using Jun Linyuan's body while Jun Linyuan was using hers, which could die if they weren't careful.

Seeing the falling stones, Feng Wu picked Jun Linyuan up and dashed off.

Jun Linyuan's face went scarlet red.

"Ahem..." He felt embarrassed.

Feng Wu looked down and found the gesture inappropriate, so she threw Jun Linyuan over her shoulder instead.

Jun Linyuan was speechless.

*Thump!*

As soon as she made the change, she ran into a rock a few steps away.

It almost gave her a nosebleed.

Feng Wu didn't know what to say.

Jun Linyuan was speechless.

Everything seemed to happen quite suddenly.

Feng Wu said awkwardly, "I'm still adjusting to your power..."

How awkward...

Feng Wu rubbed her forehead and felt even more guilty.

Jun Linyuan had always kept his handsome face immaculate.

But now —

There was a bump on his forehead.

Jun Linyuan wanted to say something, but he could only take a deep breath and fight down his anger. "Let's go."

Feng Wu said, "Don't worry. I'll use your power well. This won't happen again."

Right at that moment!

*Rumble!*

The palace they were in a moment ago exploded and turned to ash.

This power... this power...

Feng Wu looked down at her hand and wondered if she had enough power to destroy the empire.

The feeling of having so much power was unbelievable.

"Feng Wu." Jun Linyuan rose to his feet and looked at Feng Wu. "Do you feel powerful?"

Feng Wu asked, "Shouldn't I?"

Jun Linyuan snorted. "I do have some power, but remember this: I was set up as well."

Feng Wu said, "That's because of me..."

Jun Linyuan waved at her. "I was set up, and there's no excuse. Haven't you realized something?"

Feng Wu asked, "And what might that be?"

Jun Linyuan narrowed his eyes. "The person made me fall into their trap. Do you think a stupid person could do that?"

Feng Wu said, "Of course not. They have to be one of the smartest people in this world!"

Jun Linyuan went on. "They prepared the magic vine and I didn't notice it until the very end. What do you think about their capability?"

Feng Wu said, "They have to be remarkably capable."

### **Chapter 2025: The Romance (13)**

Jun Linyuan said, "So, which smart and powerful man is targeting you?"

Feng Wu shook her head in confusion.

Jun Linyuan said, "I have no idea either."

Feng Wu's stomach lurched!

Even Jun Linyuan didn't know...

Jun Linyuan said, "I don't even know where to start searching."

Feng Wu bit her lip and asked gingerly, "So... did you switch bodies with me to keep me out of danger?"

Jun Linyuan gave her an arrogant look. "Otherwise, do you think you would be able to handle it?"

Feng Wu couldn't think of a retort.

Jun Linyuan said, "This person has been hiding in the dark like a viper; who knows when they'll attack next. They might have planned this for a very long time."

Feng Wu asked, "Who can it be?"

Jun Linyuan snorted and said, "I also want to know where you found such formidable enemies." He only said it in passing, but Feng Wu was taken aback.

Maybe the enemy wasn't going after her. Maybe they were after her beautiful master.

Her beautiful master was so formidable that to be his enemy, they had to be very powerful as well. Even Jun Linyuan was intimidated.

Who could it be?

Feng Wu wanted to ask Little Phoenix because it might have a clue.

But —

"Where's my Little Phoenix?" Feng Wu looked at Jun Linyuan.

When such a powerful enemy was watching her like a serpent, she felt that her life could be in danger at any time.

“It’s sealed away,” said Jun Linyuan.

“What do you mean by that?” Feng Wu was confused.

After some thought, Jun Linyuan explained in simpler terms. “The moment we exchanged souls, it used all its spiritual essence to seal up a space...”

Wow!

Feng Wu’s eyes lit up.

As soon as the loyal bird realized that something was wrong, it sealed up the space, shutting the beautiful master and itself inside.

That way, Jun Linyuan couldn’t see inside.

That was awesome!

Meanwhile, Feng Wu couldn’t stop singing Little Phoenix’s praises in her head.

“Feng Wu.” Jun Linyuan glanced at Feng Wu.

The look in his eyes was very intimidating.

Feng Wu asked, “What?”

Jun Linyuan smiled. “You have a secret space.”

Feng Wu said, “Well, everyone has their own secrets, right?”

Jun Linyuan gave her an indifferent look and turned to leave.

Feng Wu immediately knew that he was angry.

But why?

Jun Linyuan coughed loudly as he walked.

Feeling both worried and guilty, she quickly followed him and held his arm. “Hey, why are you angry again?”

Jun Linyuan brushed her off and wouldn’t talk to her.

Feng Wu grabbed his sleeve. “Boss Jun, Brother Jun, why are you angry? Please tell me why.”

Jun Linyuan stopped and stared at Feng Wu with an aggressive look in his eyes.

### **Chapter 2026: The Romance (14)**

Feng Wu looked innocent and confused.

Jun Linyuan wanted to say something, but hesitated. In the end, he sighed in frustration and said, “I don’t want to talk to you!”

Feng Wu cleared her throat.

The crown prince felt like a little boy sometimes, and was so lovely that she wanted to rub his head. But when she recalled how terrifying he was, she kept that thought to herself.

Nevertheless, she was still happy.

Since Little Phoenix had shut itself in together with her beautiful master, her biggest secret was safe. The remaining problem was...

Before she could figure something out, she heard a snort.

She looked up at Jun Linyuan in bewilderment.

What now?

Jun Linyuan looked away and sounded disappointed when he said, "Just because I don't want to talk doesn't mean that you should stop talking to me."

His voice was so low that she could barely hear it.

She moved closer and asked, "Come again? I didn't hear you."

Come again?! The crown prince glared at Feng Wu.

Feng Wu looked very innocent and wondered why the crown prince was angry again. No wonder everyone said that he was the most unpredictable man.

Jun Linyuan said, "We're leaving!"

Feng Wu said, "Fine..."

In fact, she wanted to ask him about the fairy.

Now that her beautiful master and Little Phoenix were no longer a problem, she was worried about that fairy.

Because if Jun Linyuan looked closely enough, he would be able to connect the fairy to her beautiful master.

What was more...

She had completed all the tasks the fairy had given her so far, and was on the 8th trial now.

If Jun Linyuan found out the truth about the change in her attitude toward him... The thought alone made her want to kill herself.

Feng Wu followed Jun Linyuan closely and was filled with conflicted feelings as she looked at him from behind.

Should she ask him or not?

With Jun Linyuan's short temper, would her question create even more trouble?

Hmm...

Feng Wu was distracted and didn't watch where she was going. The next moment, she stepped on Jun Linyuan's foot.

Jun Linyuan took a deep breath, turned his head, and glared at Feng Wu.

Feng Wu said, "I, I just..."

Jun Linyuan said, "Do you have any idea how damaging you are right now?"

Feng Wu looked down and saw Jun Linyuan's wounded heel. She felt very sorry.

Because that was her foot.

Feng Wu said, "I..."

Jun Linyuan said, "Ask away."

Feng Wu said, "Well... how do you know that I have questions?"

Jun Linyuan snorted. "It's so obvious. You're as restless as a monkey. It doesn't take a genius to see through you."

Feng Wu said, "Is it so obvious? You make it sound like I can't wait to ask you something."

Jun Linyuan said, "So, you don't want to ask."

Feng Wu said, "Says who? Of course, I want to ask you."

Jun Linyuan slowed down and glanced at Feng Wu.

Feng Wu bit her lower lip and asked, "Your Royal Highness, how much have you repaired of my body?"

Jun Linyuan gave it a thought. "How much?"

### **Chapter 2027: The Romance (15)**

Feng Wu's eyes twinkled. "Yes. How much?"

Jun Linyuan found the question idiotic. After a pause, he said, "About 1%."

"1%?!" Feng Wu stared at Jun Linyuan. "Are you saying that you only have 1% of my bodily functions? Ordinary people would have collapsed, but you still can walk around!"

Jun Linyuan said, "That's why you're ordinary, and I'm not."

Feng Wu cleared her throat.

Fine, fine. The crown prince looked like a three-year-old when he bickered with her like this.

"Well..." Feng Wu finally got around to asking the real question. "Have you seen a little fairy anywhere?"

"Do you mean this?" The crown prince raised a finger. On it, the thumb-sized fairy was yelling at him.

Feng Wu jumped up and tried to take her.

But Jun Linyuan glanced at her and put his hand behind him.

“Hey, Jun Linyuan, give her back! Give the fairy back to me!”

She jumped around Jun Linyuan but couldn't get the fairy back.

Jun Linyuan glanced at her. “Do you want her?”

“Feng Wu said, “Yes! Please give her back to me. Now!”

The fairy had so many secrets!

She couldn't let the fairy stay with Jun Linyuan.

Feng Wu reached out, but Jun Linyuan said coldly, “No.”

Feng Wu was astonished!

“Why?” She gritted her teeth.

Jun Linyuan said grumpily, “Why should I follow your orders?”

Feng Wu said, “Hey, Jun Linyuan, what are you? Three years old?”

The crown prince wouldn't look at her.

Feng Wu walked up to him and held his arm. “Boss Jun, I'm sorry. Would you please give the peach blossom fairy back to me?”

“The peach blossom fairy?” Jun Linyuan raised his hand, pinching the fairy between his fingers.

“Yes, this is her. It's said that having her around will make it easier for me to... find love!” Feng Wu began to make up stories.

She couldn't tell him about the 12 Trials of Love which the fairy had given to her.

Nor could she mention the fairy's connection to the broken star pieces.

She had to lie to him.

“Do you want to be in love?” Jun Linyuan glanced at Feng Wu.

Feng Wu was speechless. She now needed to make up more lies to cover up the first one.

“Well... yes.” Feng Wu nodded. “Of course I do. I'm a girl.”

Jun Linyuan gave her a sidelong glance. “Shouldn't girls feel shy about such things?”

“Well... Of course I will, when I meet the right boy,” Feng Wu said matter-of-factly. “I haven't met him yet. Why should I be shy?”

Immediately after she said that, the temperature in the room seemed to drop.

Jun Linyuan's face darkened, and he put the fairy away.

“Hey!”

Feng Wu was flustered. “Jun Linyuan, what happened? Why are you angry again?”

Jun Linyuan wouldn't even look at her now. He marched off, walking as fast as he could.

Feng Wu trotted after him. "Hey, slow down. Be careful with my body."

### **Chapter 2028: The Romance (16)**

Jun Linyuan looked so angry that even his hair seemed to be on fire.

Feng Wu didn't know what to do.

"I now know why people say that you're so unpredictable and can get angry at anything. Why are you being so difficult?"

By then, they had reached the bronze door exit.

Meanwhile —

An unusual thing was happening outside as well.

Everyone was watching Qiuling.

The girl was amazing!

She had risen from a Level 1 Spiritual Elder to a Level 1 Spiritual Grandmaster, and was still advancing... If she wasn't a genius, no one was.

Many people began to make plans.

They were all trying to find out who she was.

"What?"

"She's just a maid?"

"She's Feng Wu's maid?"

If she was well-connected, no one would be so interested, but it was obvious that she wasn't.

Therefore, people began to make their move.

Master Dugu was the first one to speak.

He said to Feng Yanfeng, "Master Feng, congratulations. Your clan has such a talented girl."

Feng Yanfeng cupped his hands. "You flatter me."

Master Dugu asked, "I wonder if I can persuade you to part with her?"

"Master Dugu, what do you mean?" Feng Yanfeng looked bewildered.

Master Dugu raised a hand and spread his fingers.

Feng Yanfeng smiled bitterly. "50,000 taels of silver? Master Dugu, that doesn't sound very sincere."

Master Dugu said, "Master Feng, you should be more imaginative. I mean 50,000 low-grade spiritual stones."

“What?!”

Feng Yanfeng was astonished.

Master Dugu said, “Master Feng, what do you think?”

Feng Yanfeng hesitated. That was so tempting!

Just then, Master Zuo smirked.

“Master Feng, Feng Wu killed my children. Aren’t you going to compensate us?”

Feng Yanfeng heard it when Feng Wu was said to have killed Zuo Qingyu, but...

He decided to deny it. “Master Zuo, I’m sorry that your daughter and son are dead, but you have no evidence that Feng Wu did it. Please don’t rush to conclusions.”

“Rush to conclusions?” Master Zuo narrowed his eyes. “I hope you can say the same thing when Feng Yiran and Feng Sang are found dead on the street!”

Feng Yanfeng was shocked. That was a blatant threat!

He hesitated.

At the same time.

Chieftain Senal, who had kept silent until then, spoke. “Your Majesty, I’ll give you 100,000 acres of grassland in the south in exchange for this girl! Please consider my offer!”

Emperor Wu stared at the chieftain.

They had yet to figure out how Feng Wu had died, but Chieftain Senal was already trying to take advantage of the Junwu Empire.

Emperor Wu studied all the forces.

They were all watching Feng Wu’s maid like vultures drooling over meat.

Seeing that they were going to raise the stakes again, Emperor Wu waved them off. “There’s no need to rush. The girl hasn’t woken up yet. Let’s wait.”

He then added, “With her talent, she can choose her future freely.”

Everyone fell silent.

They all turned their gazes to the girl, who used to be a nobody.

### **Chapter 2029: The Romance (17)**

From today onward, everyone would know her name.

“She made a breakthrough again!”

“She’s a Level 3 Spiritual Elder now! Level 4! Level 5!”

“Have you noticed? The grass around her turned black!”

“That is to say, she has the dark element.”

“Princess Ranmil is light, and this girl is dark. The two elements are incompatible. I wonder which of them is more powerful.”

Just then, someone cried out, “Have you realized something?”

“What?”

“If this girl is as talented as Princess Ranmil, as her master, how talented must Feng Wu be?”

“No, I don’t think so. Feng Wu probably isn’t as talented as this girl.”

“Look! She’s waking up!”

*Whoosh —*

Immediately, all eyes were on Qiuling.

Qiuling slowly opened her eyes and looked around her.

The expectant looks on everyone’s faces nearly frightened her.

“You —”

Qiuling jumped to her feet.

Feng Xun stood by her side and said, “Don’t worry. I promised Xiao Wu I would protect you.”

“Where’s Miss Wu?” Qiuling asked nervously. She was flustered when she looked around but didn’t see Feng Wu.

The others couldn’t wait to name their price.

Master Dugu said, “Miss Qiuling, if you join my family, your future will be very promising!”

Master Zuo said, “The head of your clan has sold you to me! From now on, you’re a member of the Zuo family!”

The Senal Grassland and other major clans all invited her to join them as well.

Qiuling was shocked to see all the influential figures trying to recruit her. She turned to Feng Xun and asked, “What’s going on?”

Feng Xun smirked. “They didn’t find anything valuable in the tombs, but you’ve risen from a Level 1 Spiritual Grandmaster to a Level 5 Spiritual Elder. Seeing your potential, they all want you to be on their team.”

Qiuling said, “Am I a Level 5 Spiritual Elder now?!”

That news sounded like a thunderclap in her ears.

When she checked her condition, she almost burst into tears.

She really was a Level 5 Spiritual Elder now!

“How did this happen? I didn’t do anything...” Qiuling was confused.

“Hey, little girl, did you find the seed of the spirit source?” someone shouted.

The seed of the spirit source?

*Whoosh* —

Immediately after that, all eyes were on her.

Qiuling said, “No, I didn’t... I don’t even know what that is...”

Sefiro pressed, “Then how did you advance so much? Did someone help you?”

Everyone stared at Qiuling.

Qiuling was used to being a maid, and felt uneasy being stared at by so many people.

But she had grown up with Feng Wu and knew how to maintain her poise.

“No one but my mistress helped me,” Qiuling said seriously. “Miss Wu led me to a hot spring and had me bathe there. When I woke up again, I was like this.”

### **Chapter 2030: The Romance (18)**

WHAT?!

Qiuling’s words astonished everyone.

“Who’s her mistress?”

“Feng Wu! She’s Feng Wu’s personal maid!”

“She said that all she did was follow Feng Wu to a hot spring...”

“Holy crap! Is she talking about the Spiritual Spring?!”

“The Spiritual Spring? Everyone has been saying that it’s inside the tombs, but no one has ever found it.”

“To enter the spring, one needs Spirit Pills and an Ultimate Yin Body. Moreover, the white ghost king has to open the door willingly!”

“It’s next to impossible to fulfill all three criteria!”

“Did she fulfill them all?”

Everyone turned to look at Qiuling.

But Ranmil wouldn’t believe it.

If that was true, it meant that she was less important than Feng Wu’s maid.

Gritting her teeth, Ranmil asked, “That spring you went to, were there a lot of ghosts?”

Qiuling said, "Yes."

Ranmil asked, "To stay inside that spring, you'll need Spirit Transformation Stones. Where did you find them?"

Qiuling asked, "Do you mean the black stones that look like obsidian?"

Ranmil frowned. "You've seen them?"

Qiuling said, "Yes. The white fairy gave Miss Wu a lot of them, and Miss Wu gave all of them to me. If those were Spirit Transformation Stones, I had more than enough."

Ranmil was frustrated.

"Qiuling, if I remember correctly, when you were sold to our clan, the elders examined you. You didn't have anything special about you, so why do you have an Ultimate Yin Body now?" Feng Yanfeng ground his teeth and stared at Qiuling.

Qiuling said, "Do you mean what I have now? I used to be an ordinary person, but Miss Wu gave me an ice water bath every day. With time, I obtained this Ultimate Yin Body you're speaking of."

No one believed her.

They all stared at her in resignation.

They had never heard of such a thing and decided that she was lying.

Qiuling said, "Why won't you believe me?"

Master Dugu said, "It doesn't matter if we believe you or not. Just tell me, would you like to come and work for the Dugu family?"

Master Zuo cut him off. "Qiuling, they've given you to the Zuo family as compensation."

Chieftain Senal and the other forces made their offers as well.

Qiuling looked at them in resignation. She then asked Master Dugu, "Master Dugu, why should I join the Dugu family?"

Master Dugu said, "Feng Wu is dead, and you have nowhere to go. Joining us is your best option. I'll do my best to train you!"

Qiuling shook her head.

Master Dugu asked, "Do you not like my offer?"

Qiuling said, "Miss Wu isn't dead."

Master Dugu smiled wryly. "We all saw her being buried alive in the tombs. She couldn't have survived."

Qiuling said, "Even if that was the case, Miss Wu won't die. Even if everyone else is dead, she'll still live. I don't care how many people saw it."

“Countless people have tried to kill her since she was little, but in the end, she was never the one who was killed!” Qiuling smiled confidently. “Miss Wu is definitely still alive!”

The others only found her claim idiotic.
