Chapter 2101: How Dare You!

“Feng Wu” raised “her” fist.

Thump!

“She” then punched the younger prince in the nose.

Everyone was astonished.

Including the younger prince himself.

He stared at “Princess Feng Wu” in disbelief.

“You —”

“She” was the woman he wanted to marry, but “she” had just hit him. Covering his nose, the prince stared at “Feng Wu” in disbelief.

Because Feng Wu’s body was still weak, Jun Linyuan’s punch hadn’t done much damage to him.

Had Jun Linyuan been in his own body, the prince would have been killed already.

Before the prince could react, Jun Linyuan punched him again.

The poor prince was knocked to the ground.

Thump! Thump! Thump!

Jun Linyuan kept throwing punches at his head.

He was the crown prince; would his punches be the same as other people’s?

Obviously not.

He aimed at the spots that would hurt the most.

Therefore, after a few punches, the poor prince collapsed on the ground and was barely breathing.

Feng Wu covered her eyes involuntarily.

She preferred to use her brain to solve problems. Jun Linyuan was smarter than she was, but he couldn’t be bothered to think, and had chosen to directly use his fists.

However, what everyone else saw was that Feng Wu had beaten up the prince.

They believed that Feng Wu was the culprit here.

Everyone was dumbfounded.

They stared at the “teenage girl” in disbelief and couldn’t believe how violent “she” was.

She was no more than 14 years old, but she jumped so high, and her punches were relentless. That was the prince who wanted to marry her. How could she bring herself to do this?

Ranmil was the first to react, and her eyes widened in surprise.

It had never occurred to her that “Feng Wu” would use such a way to solve “her” problem.

It was straightforward but effective.

However...

Such an opportunity wouldn't appear every day, so of course, Ranmil wouldn't give in just yet.

Therefore, she tugged at Emperor Wu.

Emperor Wu reacted immediately and shouted angrily, “That's enough! Take Feng Wu down!”

Instantly, two of his four guards stepped out and charged at “Feng Wu.”

However, when they almost touched “Feng Wu's” arms, Jun Linyuan looked at them with frightening eyes, and they felt their hearts stop.

Being Emperor Wu's guards, the two men had to be very capable.

Their cultivation levels should be much higher than Feng Wu's.

But strangely, when “Feng Wu” glanced at them with “her” cold eyes, they involuntarily froze.

The two guards looked at each other uneasily.

For a split second, they thought that they were seeing the crown prince's eyes.

That was so frightening...

“Back off.” Given Jun Linyuan's intimidating demeanor, the two guards backed away before they realized what they were doing.

“Take her down!” Emperor Wu shouted angrily.

He decided that the “girl” was mimicking Jun Linyuan and had done a very good job, but it only made him even more furious.

Chapter 2102: It's Outrageous!

“How dare you?!” Jun Linyuan said arrogantly. He was ready to fight.

His demeanor made many people uneasy.

Master Zuo and Master Dugu looked at each other.

Master Dugu murmured, “Since when has Feng Wu been so intimidating?”

“She's bluffing.” Master Zuo snorted.

Master Dugu glanced at him. “And she's good enough to fool both of us?”

Master Zuo didn't know what to say.

Master Dugu said, "Although her cultivation level is still the same, her demeanor reminds me of an invincible sword. We have to admit that she's going to be great one day."

Master Zuo clenched his fists.

Master Dugu was right. He couldn't fool himself anymore.

At the thought of Zuo Qingxian and Zuo Qingyu, Master Zuo was filled with hatred.

Feng Wu had to die!

At the same time...

Feng Wu sighed in resignation. She tugged at the proud crown prince's sleeve and said, "Calm down. Don't be mad."

Was the "crown prince" appeasing "Feng Wu" now?

Exactly what did "he" see in "her"?!

Everyone watched in disbelief.

But to their surprise, "Feng Wu" didn't show any gratitude. Rather, "she" behaved even worse.

"She" threw off the "crown prince's" hand.

OMG!

Everyone was shocked by "Feng Wu's" willfulness.

This "girl" was the boldest person they had ever seen. Did she have a death wish?

At the same time, Feng Wu held Jun Linyuan's arm and tried to appease him. "Your Royal Highness, didn't you agree that you would behave yourself?"

She caressed the back of his hand, trying to calm him down. "As I said, I'll owe you one, so please help me. Please? You're the best."

Feng Wu was great at these things because she had practised them on her beautiful master; she didn't even need to warm up.

Luckily, Feng Wu had whispered those words to Jun Linyuan. If anyone else heard what she said, Jun Linyuan's image would be ruined instantly.

Jun Linyuan stared at Feng Wu.

Feng Wu gave him a grin in return.

The crown prince looked at her in resignation. "Just this once."

Feng Wu was so happy that if she had a tail, it would be wagging now. "Just this once!"

Jun Linyuan snorted reluctantly and put his hands behind his back. He resumed his indifferent demeanor, which to other people, was a sign of "her" arrogance.

But to Jun Linyuan, he felt that he had never been so humble.

If Feng Wu hadn't pleaded...

The crown prince shot a cold glance at the younger prince.

Poor prince. He had wanted to make a marriage proposal, but his dream girl had beaten him up. That had to be a first.

Ranmil wouldn't stand for such humiliation.

Chapter 2103: Outrageous!

Of course, Ranmil wouldn't allow "Feng Wu" to look so arrogant.

She felt like she had been slapped in the face.

At that thought, Ranmil frowned and said, "Princess Feng Wu, I don't think I can agree with what you've done!"

Before Jun Linyuan could say anything, Feng Wu spoke up.

She said, "What?"

Ranmil looked at her and said, "Your Royal Highness, are you on Princess Feng Wu's side, then?"

"Of course I'm on my side," Feng Wu thought.

She nodded, which infuriated Ranmil.

Ranmil gritted her teeth. "Fine. If Your Royal Highness doesn't care about your woman's chastity, why should we?"

Was she going to incriminate Feng Wu?

Feng Wu couldn't let her do that, so she stepped forward, stared at Ranmil, and asked, "Princess Ranmil, are you sure that Feng Wu gave your brother her consent?"

Ranmil smirked. "I believe my brother."

Feng Wu snorted. "But I believe Feng Wu."

"You —" Ranmil was rendered speechless.

Although she claimed that she didn't like Jun Linyuan anymore, her actions weren't convincing. She hadn't moved on. Instead, she was obsessed with taking revenge.

Because of that, when she saw "Jun Linyuan" turn against her for "Feng Wu," she was even more furious and heartbroken.

But she had no idea that she was in fact arguing with Feng Wu.

Ranmil stared at Feng Wu. "So what if you believe her? We need proof!"

Feng Wu chuckled and crossed her hands. "Proof? I'm her proof."

Ranmil glared at “Jun Linyuan.” “What do you mean?”

Feng Wu said, “Who has known Feng Wu for longer? Me or this prince?”

Everyone looked at the beaten-up prince, and felt that he had made the worst choice. Why would he try to compete with the crown prince over a woman?

Ranmil said, “So what?”

She wouldn’t accept this!

Why was this even happening?!

Why would the unapproachable crown prince support Feng Wu now? It was so frustrating!

Feng Wu had no idea how Ranmil felt. She only looked at her and snorted. “Given the choice, who would you choose, me or my father?”

Ranmil’s gaze was fixed on “Jun Linyuan.”

That was an outrageous question!

How could “he” ask such a thing?!

“Jun Linyuan” said, “If I accept you as a consort and take you away as long as you say yes, will you come?”

Wow —

Everyone was astonished.

Oh god!

No one saw that coming.

They never expected the crown prince to be so bold.

Ranmil had slept with Emperor Wu already and was the emperor’s Consort Ranmil. Technically speaking, she was Jun Linyuan’s stepmother now.

That was incredible!

The continent was quite open about such things, but this was still unheard of.

However, Ranmil had confessed her love for Jun Linyuan first before sleeping with Emperor Wu, which proved that she wasn’t that faithful. The looks the other people gave her changed.

Chapter 2104: Do You Think Feng Wu Is Blind?

Emperor Wu’s face turned livid, and he almost fainted.

That defiant son!

But now, everyone was looking at Ranmil.

She didn't lose her temper or decline the offer immediately. Rather, she was hesitating... She was considering the offer!

Oh god...

That was what infuriated Emperor Wu the most.

Looking around, Feng Wu saw the astonished crowd, the furious Emperor Wu, and the hesitant Ranmil...

Human beings were such complicated animals.

"I wi—" Ranmil started to say, but was cut off.

Feng Wu said, "Of course, it's only a hypothesis."

A hypothesis?!

Ranmil wanted to slap "Jun Linyuan."

She had been so close to saying that she would go with "him." Luckily, she was stopped mid-sentence.

She was Consort Ranmil, Emperor Wu's woman. She could never marry Jun Linyuan.

What she didn't notice was that Feng Wu had set her up.

Emperor Wu had seen Ranmil's hesitation.

Because of Ranmil's Enchanting Body, Emperor Wu might like her more and more in the future, but now, Feng Wu had planted a seed of distrust in his heart.

It was easy for all kings and emperors to distrust others.

The more he liked Ranmil, the more doubts he would have about her.

Therefore, he would dote on Ranmil, but he would never trust her.

Poor Ranmil. She hadn't realized that Feng Wu had ruined her future.

Of course, she was too jealous of Feng Wu right now to see things clearly.

Feng Wu smiled at Ranmil. "Princess, you've given your answer, haven't you?"

Ranmil glared at her. "No! I didn't say anything!"

Feng Wu chuckled. "Of course you did. You confessed your love for me first. After I turned you down, you chose His Majesty instead. Isn't it obvious?"

Ranmil was so furious.

So was Emperor Wu. He thought he was going to pass out.

Feng Wu smirked.

"Even if you wanted to choose me, do you think Feng Wu is blind?"

"Why would she choose another man instead of me?"

“Ranmil, don’t take other people to be idiots!”

The questions made Ranmil’s face turn scarlet red.

She stared at “Jun Linyuan” and said, “Maybe she’s trying to use my brother as her plan B, in case she can’t marry Your Royal Highness!”

Feng Wu snorted. “Princess, do you think that we’re all as stupid as you are?”

“Don’t you know that Feng Wu and I are still engaged?”

Feng Wu then glanced at Ranmil and shook her head. “Princess, do you ever use your brain?”

Wow —

Everyone’s eyes widened, and they held their breaths.

When the crown prince lost his temper, no one could withstand his rage.

The humiliation made Ranmil want to hide in a cave. Feng Wu then turned to lead Jun Linyuan away.

After taking a few steps, she turned around and stared at Emperor Wu.

“Father, are you sure you want to take such a stupid woman back to the imperial capital?”

Ranmil was almost in tears.

Once Feng Wu and Jun Linyuan had said everything there was to say, they left together.

Chapter 2105: My Dearest Crown Prince

The people looked at one another in bewilderment.

No one knew what to say.

Did the emperor bring His Royal Highness and Feng Wu here only to be humiliated?

Why...

The younger prince was still in shock. He had been crying since “Feng Wu” beat him up.

He couldn’t understand.

Feng Wu hadn’t been so scary before.

Ranmil threw a dirty look at her brother. The thought of what she had gone through made her want to scream.

Since Jun Linyuan had given her no hope, Ranmil focused on Emperor Wu instead.

However, when she tried to hold Emperor Wu’s arm, the emperor, who had been affectionate before, brushed her hand off and walked away.

All the officials left with him, leaving Ranmil behind.

“Ranmil...” The chieftain wanted to say something, but hesitated.

Ranmil bit her lip and clenched her fists. "Father, don't worry! I can handle Emperor Wu! I remember what I need to do!"

"The imperial capital is worlds away, and your life in the royal palace won't be easy... the Senal Grassland is counting on you."

"Father, I promise you: One day, the entire grassland will be ours!"

...

Feng Wu and Jun Linyuan went back to their carriage.

Feng Wu sat down and let out a breath of relief.

Jun Linyuan had walked so fast that she almost couldn't catch up with him.

A few times, they were almost over ten steps apart. That was close.

She looked at Jun Linyuan with a grin.

"What are you smiling at me for?" Jun Linyuan glanced at her. "You look fishy."

Feng Wu smacked him on the shoulder. "Who are you calling 'fishy'?!"

Jun Linyuan ignored her and turned to look out the window.

The carriage had already started moving, and the view outside was quite pleasant.

He knew that the girl would soon come to talk to him.

As expected —

Before long, Feng Wu gave him a little nudge.

He pretended that he didn't see her, and kept looking out the window as if he was drawn to the view.

"Hey, hey —"

Seeing that Jun Linyuan wouldn't reply, Feng Wu grew anxious. She ran to the other side so that Jun Linyuan had to look at her.

"What?" The crown prince sounded annoyed.

Feng Wu said, "I need to talk to you."

Jun Linyuan said, "No."

Feng Wu said, "I haven't said anything yet."

The crown prince said, "It won't be anything good."

Feng Wu punched him lightly on the shoulder. "Why do you say that? I haven't told you what it's about yet! Jun Linyuan, you have to listen to me!"

Jun Linyuan said in annoyance, "You're such a troublemaker."

Feng Wu took a deep breath and forced a smile. “My dearest crown prince, please hear me out, alright?”

She knew that Jun Linyuan would say yes if she asked nicely.

As expected, the impatient look gradually faded from Jun Linyuan’s face, and he was about to speak.

Chapter 2106: You Want to Sleep In the Same Room as Boss Jun

“Boss Jun, Boss Jun —”

There was a familiar voice.

Feng Wu cried out inwardly. Feng Xun was coming.

“Boss Jun, we’re arriving at a courier station. I’ve had your room cleaned, and there’s hot water inside. You can freshen up right away.”

Feng Xun grinned at Feng Wu from outside the window, ready to be praised. If he had a tail, it would be wagging nonstop right now.

Feng Wu wanted to smack him on the head.

She was so close to getting Jun Linyuan to agree to play the game, and to tie the two of them together with a transparent rope...

But...

Feng Xun had ruined everything.

“Why, little Feng Wu, you’re here, too.” Feng Xun looked at Jun Linyuan and tried to take him away. “Come with me. I need to talk to you.”

As he spoke, Feng Xun put a hand on Jun Linyuan’s shoulder, trying to drag him away.

However...

The crown prince hated other people touching him, so he looked sharply at Feng Xun.

WTF!

The look made Feng Xun jump, and he drew back his hand involuntarily.

“What?” Jun Linyuan looked at Feng Xun.

Since Feng Xun was his best childhood friend, the crown prince was relatively nice to him.

Feng Xun cleared his throat and murmured, “Why do I feel like Boss Jun is staring at me? Am I daydreaming?”

Meanwhile, the real crown prince was giving him a “you idiot” look.

“Little Feng Wu, come here. I have something serious to tell you.” Feng Xun remembered what he wanted to do.

The crown prince wasn't interested, until Feng Xun said, "It's about your reputation!"

Jun Linyuan frowned. If that was the case, he was indeed intrigued.

Feng Xun took Jun Linyuan to a quiet corner. Seeing that "Jun Linyuan" was walking toward them, he gestured for "him" to stop.

"Stop —

"Boss Jun, I've always listened to you, but now, you have to listen to me.

"This is a private matter between me and my sister. Boss Jun, don't eavesdrop."

Feng Wu looked at Feng Xun in resignation.

What did he want to do now?

Feng Xun's attitude made Feng Wu a little uneasy.

Because every time Feng Xun tried to help, he ended up giving her more trouble than she already had.

Therefore, she stepped forward, trying to soothe Feng Xun.

"Feng..."

However, as soon as she started talking, Xuan Yi stopped her. "Boss Jun, I need to talk to you."

Feng Wu was a little speechless when she saw the silent and prim teenager standing in front of her.

But she had to admit that hearing him call her "Boss" felt really good.

"Boss Jun, I need to talk to you," Xuan Yi repeated.

Feng Wu rolled her eyes at him. "Fine. Go ahead."

But all of Feng Wu's attention was on Feng Xun. She didn't know if he would make trouble for her again.

Her hunch was accurate.

Feng Xun pulled Jun Linyuan to a corner and said seriously, "Xiao Wu, do you know that you've made a terrible mistake?"

The crown prince narrowed his eyes and glanced at Feng Xun.

Feng Xun snorted. "You're going to sleep in the same room as Boss Jun! Feng Wu, are you an idiot?!"

Jun Linyuan narrowed his eyes further.

Chapter 2107: Untitled

However, Feng Xun was too absorbed in his own thoughts to notice the oncoming storm. He jabbed "Feng Wu" in the temple and gritted his teeth. "You make me so mad!"

The crown prince had never been jabbed in the temple before.

He brushed off Feng Xun's hand.

Feng Xun didn't realize how strong "Feng Wu" had become. He only stared at "her" and said in frustration, "Do you know what that kind of behavior will do to a girl? You're not married yet. Your reputation will be ruined!"

Jun Linyuan had a brooding look in his eyes.

Feng Xun went on babbling for a while before he reached the conclusion. "Anyway, you need to marry His Royal Highness as soon as possible! Otherwise, you'll have a lot to lose!"

The crown prince glanced at Feng Xun and walked away.

"What's that look on your face? I'm so mad!" Feng Xun said in frustration.

The courier station wasn't big, and there were a lot of people. In the end, only the royal family and the high-ranking officials could spend the night inside. The rest had to set up tents around the station.

After they settled in, naturally, Feng Wu ran into Jun Linyuan's room.

Of course, she had to.

With the ninth trial, Feng Wu couldn't stay more than ten steps away from Jun Linyuan, and nothing was more important than completing that trial.

Jun Linyuan glanced at Feng Wu but didn't say a thing.

Feng Wu asked, "What?"

The crown prince wanted to say something, but hesitated.

Feng Wu quickly set up her bed on the floor. She then asked Jun Linyuan in bewilderment, "What did Feng Xun say?"

The crown prince shook his head. "Nothing."

Feng Wu was curious. "If that's the case, why do you look so preoccupied? He must have said something to you. Just tell me. I'm not that fragile. I can take it."

The crown prince looked at her for a moment and suddenly said, "You should go back to your own room."

What?

Feng Wu stared at him in disbelief, then narrowed her eyes. "What did you say?"

"Go back." Jun Linyuan stared at Feng Wu.

Feng Wu was angry.

When she didn't want to be around him, he did all he could to trap her.

But now, when she had to stick around because of the ninth trial, his attitude changed completely.

Feng Wu stared at Jun Linyuan.

Jun Linyuan also looked back at Feng Wu.

Hmph!

Feng Wu rose to her feet and headed for the door, but she walked very slowly.

She was sure that Jun Linyuan would stop her.

But to her frustration –

She was about ten steps away, but Jun Linyuan still hadn't said a thing.

In fact, the crown prince was thinking along the same lines as Feng Wu.

He felt at quite a loss when Feng Wu walked away, as if a hole had opened up in his chest. He opened his mouth.

But he wondered if it would weaken his authority if he stopped her.

He decided that he would stop her after she took the 11th step.

Hence –

While Feng Wu waited for him to stop her, he was waiting for her to take one more step. It was a stalemate.

The atmosphere grew rather awkward.

Anyone else might not have been able to stand it, but not Feng Wu. She was great at enduring awkwardness.

Chapter 2108: Untitled

Feng Wu turned around, walked back to Jun Linyuan, and sat down.

"Why are you back?" the crown prince asked with a frown.

He wanted to smile, but he forced himself to look reluctant. That was just what he would do.

Feng Wu stared at Jun Linyuan with a smirk on her face. "Your Royal Highness, haven't you forgotten something very important?"

As she spoke, she lay on the bed on the floor, rested her head on her hands and crossed her legs. She looked very relaxed.

Jun Linyuan looked at Feng Wu suspiciously.

Feng Wu patted her chest and said proudly, "I'm Jun Linyuan now. If you want to leave, be my guest. I'm not leaving this room."

Jun Linyuan stared at her.

She grinned. "You don't scare me!"

Jun Linyuan was speechless.

But he had to admit that with the girl around, he slept much better.

He frowned, rose to his feet, and seemed about to head for the door.

Feng Wu's stomach lurched.

No!

What was the point in staying here if Jun Linyuan left this room? She had to stay within ten steps of him!

What happened next was quicker than words could describe!

With a whoosh, she ran past Jun Linyuan.

Looking up, Jun Linyuan saw that Feng Wu had jumped onto the bed and wrapped the blanket around her. Only her head was left outside.

"Please don't leave." Her eyes glistened, and the look in them was very innocent.

That look —

It could melt any heart.

Jun Linyuan had never wanted to leave, and seeing Feng Wu like this only convinced him to stay.

But he wasn't good at expressing his emotions, so he waved at her and said, "Go to bed."

"Yes!"

He thought he saw a bright, happy smile on Feng Wu's face.

Yes, it was a bright smile. As for happiness, he had probably imagined it.

Before they put out the lamp —

Thump!

The door was kicked open, and someone rushed into the room.

Jun Linyuan and Feng Wu bolted up.

Jun Linyuan quickly stood behind Feng Wu.

But it was too late.

The intruders had spotted him.

The empress dowager saw "her" as soon as she stepped into the room.

"Feng Wu! How dare you?!" The empress dowager pointed at "Feng Wu."

Of course, she was in fact pointing at the crown prince.

Although Jun Linyuan seldom showed emotions, she was still his grandmother, so he stepped forward and said, "Grandma —"

"Shut up! Who gave you permission to call me that? I'm not your grandmother! You're not a part of the family! Don't flatter yourself!" The empress dowager scolded Jun Linyuan.

Feng Wu laughed inwardly.

She was glad to see Jun Linyuan, whom the empress dowager doted on, get told off.

“And you!”

However, the empress dowager saw her grin and turned to lash out at her in frustration.

“Jun Linyuan, have you lost your mind? How can you do such a thing?!” the empress dowager said angrily.

Feng Wu was dumbfounded.

What did she do?

“Grandma, please don’t be mad. What did I do?” Feng Wu spoke like a loving grandson.

Chapter 2109: Untitled

The empress dowager glared at Feng Wu. “Don’t you know what you’ve done?!”

Feng Wu smiled wryly, “Grandmother, please tell me what I did wrong.”

That infuriated the empress dowager again.

“Jun Linyuan, are you really that stupid? Have you forgotten who you are? You’re the crown prince, and you’ll rule the Junwu Empire one day! What are you doing?”

“You don’t care about your health at all. You’re sleeping on the ground and letting the girl sleep on the bed!”

“Have you lost your mind?!” The empress dowager jabbed Feng Wu’s forehead with a finger. “She’s the maid! She should be looking after you and sleeping on the ground! Use your brain!”

The empress dowager wouldn’t stop scolding Jun Linyuan, and he could only listen.

Feng Wu saw his face turn dark.

She couldn’t help but chuckle.

“Why are you smiling? Stop it!” The old lady hit Feng Wu’s butt with her walking stick. “You’re such a fool! That girl is making you forget who you are!”

Feng Wu said, “Grandmother, please don’t be mad. You’ll give yourself a headache.”

The empress dowager said, “If I die, you’re to blame!”

“Gosh, my head...” The empress dowager felt dizzy.

Feng Wu immediately helped the old lady sit down. She checked her pulse and said, “Your Majesty, you need to calm down. You’re stressing yourself out.”

“I’m stressed out because of you!” The empress dowager thumped her walking stick on the ground and glared at “Jun Linyuan.”

Feng Wu asked, "What's wrong?"

The empress dowager said, "Don't you know? That Ranmil is no kitten. I've been watching her. Your father was mad at her before we set out, but the two of them did something in the carriage, and when they got out, your father looked refreshed. Plus, he was holding Consort Ranmil's hand."

Feng Wu said, "That's impressive."

The empress dowager glared at Feng Wu. "Do you know where Consort Ranmil is now?"

Feng Wu asked, "Where?"

The empress dowager said angrily, "She's gone to the empress! That woman has been losing ground, and her son is nothing compared with you. Her side was going to be doomed, but then, this Ranmil showed up.

"One look and you know that she's a tough one. She used to like you, but now, she's with the emperor. What a foolish son I have!

"But you're the one to blame. If you had accepted her, she would never have had the chance to obtain your father's favor or join hands with the empress. Of course, you're perfect. It's all her fault!"

The empress dowager complained to Feng Wu.

"Ahem — Grandma, it's not like that." Feng Wu helped the empress dowager sit down and said patiently, "Grandma, that Ranmil confessed her love for me first, but when I turned her down, she immediately went to my father. That kind of woman..."

The empress dowager smacked the table. "You're right! She's not good enough for you!"

Feng Wu sighed. "Grandma, just think about it. Would that woman stay faithful if I married her?"

Chapter 2110: Untitled

The empress dowager said, "She wouldn't dare!"

Feng Wu sighed. "Grandma, you know what Ranmil is like. Although she's my father's Consort Ranmil now, she still has feelings for me."

The empress dowager was furious. "That woman is a disaster!"

Feng Wu shrugged. "She knows the Fierce Face dance and has an Enchanting Body. Of course my father adores her."

The empress dowager said angrily, "Your father is a fool! I'll break his legs if he doesn't listen to me!"

Feng Wu chuckled inwardly.

Ranmil wouldn't leave her alone, but she didn't have the time to handle Ranmil. However, she had prepared a lot of traps for Ranmil in advance.

She was curious to know if Ranmil could win the empress dowager over.

It wouldn't be easy, because "Jun Linyuan" had made it clear that "he" and Ranmil were at daggers drawn.

"He" was the empress dowager's favorite grandson, and she was the bad woman who wanted both the son and the father. It didn't take a genius to figure out which side the empress dowager would be on.

The empress dowager rose to her feet. "I'd like to see what the emperor will say!"

Feng Wu and Jun Linyuan looked at each other and were glad that the old lady was leaving.

However, the empress dowager suddenly turned around and gave Jun Linyuan a threatening look.

"You're a maid! Behave like one!" said the empress dowager.

But "Feng Wu" was in fact the proud Jun Linyuan. Of course he wouldn't behave like a humble maid.

Therefore, Feng Wu stepped forward and blocked Jun Linyuan's view. She then smiled at the empress dowager. "Of course. I'm sure she knows that."

The empress dowager said angrily, "You're indulging her, and she's spoiled! How can she let you sleep on the floor?!"

After that, the empress dowager glared at Jun Linyuan. "If I see that happening one more time, I'm going to sell you off!"

Feng Wu cleared her throat.

What the empress dowager said made her heart skip a beat.

Luckily, Jun Linyuan hadn't lost his temper yet.

But if the empress dowager still wouldn't leave...

Feng Wu immediately took the empress dowager's hand and led her toward the door. "It's dark and slippery outside. Granny Lan, be careful on your way back. Don't let the empress dowager fall."

The empress dowager told Feng Wu, "That maid is impossible. She doesn't understand her role. In the end, you'll be maltreated. So —"

Feng Wu's stomach lurched.

And she had a very bad feeling.

The empress dowager told Granny Lan, "Send two disciplinary grannies here tomorrow. Feng Wu needs to learn the rules and how to serve her master!"

She left after that.

Feng Wu was dumbfounded.

Oh god...

Feng Wu looked at Jun Linyuan. As expected, his face was very dark.

Feng Wu said, "Don't take her too seriously. I won't let those nannies do anything to you! I'm not someone who would do something like that at all!"

"Feng Wu, do you have some misconception about me?" The crown prince glanced at Feng Wu.
