Chapter 2161: Untitled

At that thought, Feng Wu activated her spiritual essence and struck out.

Thump!

The dozen or so guards who were charging at “Feng Wu” flew backward, as if they had run into a wall.

Feng Wu couldn’t control all of Jun Linyuan’s power and had overdone it slightly...

The entire courtyard almost collapsed, and all the guards were knocked out.

Emperor Wu was furious.

He had no idea that things would get out of hand.

Without thinking, Emperor Wu grabbed “Feng Wu’s” arm and injected his spiritual essence into “her” body.

He wanted to damage her energy channels and make her implode.

Although Emperor Wu wasn’t as capable as Jun Linyuan was, he was much more powerful than Feng Wu.

Therefore, when he put his hand on Jun Linyuan’s arm, Feng Wu walked to his side and put a hand on his arm.

It was a blatant threat.

Feng Wu made it very clear that if Emperor Wu injured Jun Linyuan, there would be consequences.

Emperor Wu glared at Feng Wu. “Jun Linyuan, how dare you?!”

Feng Wu smirked. “Why are you so surprised?”

It was obvious that Emperor Wu was trying to kill “Feng Wu”; of course, Feng Wu wouldn’t let him.

Emperor Wu was furious.

“Jun Linyuan, have you lost your mind? Why are you still protecting her? She wanted to kill your sister!”

Feng Wu smirked. “Anyone would feel angry when they’re wronged; she’s only overreacting a little. Your Majesty, don’t be so upset.”

Emperor Wu was infuriated.

Overreacting a little?

“She” had tried to kill a princess!

Emperor Wu had never felt so confused before.

“Jun Linyuan! You’ve lost your mind! Let go of me!” Emperor Wu bellowed.

Feng Wu snorted. "I won't let anyone touch her, not even Your Majesty. Plus, she was wronged!"

That was a very straightforward statement.

She had her own plan, since she had a feeling that she and Jun Linyuan would soon switch back to their own bodies. When that happened, it wouldn't be that easy for her to play tricks.

Therefore, she had to let everyone know that Feng Wu was under Jun Linyuan's protection. That way, the others would have to think twice before they tried to do something to Feng Wu.

She didn't notice that when she said that, the crown prince glanced at her.

Emperor Wu was too furious to notice it either.

He snorted. "She was wronged? By whom? How? Explain it to me!"

"She has to release your sister first! If anything happens to Wuxia, I'll kill the entire Feng clan!"

Feng Wu's stomach lurched.

She couldn't care less about Feng Yanfeng and his family, but her mother and brother were at home as well. She didn't want them to become fugitives.

Chapter 2162: Untitled

At that thought, Feng Wu let go of Emperor Wu.

Emperor Wu let go of Jun Linyuan as well.

Feng Wu tugged at Jun Linyuan's sleeve, trying to give him a hint that it was time for her to take over.

Jun Linyuan took the hint and let her do the rest.

Thump!

Without warning, Jun Linyuan dropped his sister.

Caught off guard, Jun Wuxia fell on her bottom, and the pain brought tears to her eyes.

Before she realized it, Feng Wu was by her side. "Jun Wuxia, did you really see Feng Wu kill Zuo Qingyu?"

Jun Wuxia gasped for air. For a moment, she thought she was going to die.

But before she could breathe normally, her "brother" was questioning her.

That was the longest sentence "he" had ever said to her.

Therefore, Jun Wuxia was frightened once more.

She knew that the crown prince was on Feng Wu's side, which made her want to cry, but she was too scared to cry...

"Speak!" Feng Wu stared at her.

Jun Linyuan's grim face was one of the scariest images in Jun Wuxia's memory, and that fear hadn't faded as she grew older.

"I..." Jun Wuxia didn't dare stall. She rubbed her neck and said in a hoarse voice, "Yes... I saw Feng Wu kill Zuo Qingyu with my own eyes. I'm not lying!"

No one knew that better than Feng Wu.

She looked around and saw that more and more people had arrived.

Master Dugu, Master Zuo, and Lord Mu were all here. Even the empress dowager was here.

With them looking on, Feng Wu would never admit that she was the one who killed Zuo Qingyu. She needed to exonerate herself.

Only four people were there. Zuo Qingyu was dead, and Qiuling was on her side. All she needed to do was prove that Jun Wuxia was lying.

Feng Wu racked her brain. Suddenly, her eyes lit up.

She stared at Jun Wuxia. "What did Zuo Qingyu or you do to make Feng Wu want to kill you?"

Feng Wu knew that given Jun Wuxia's personality, she would try to completely absolve herself.

She would never admit that they had wanted to kill Qiuling.

And that was the trap Feng Wu set for Jun Wuxia.

She was right!

As Feng Wu expected, Jun Wuxia did exactly that. She shrugged and said innocently, "I didn't do anything. I don't know why Feng Wu was mad at us."

Feng Wu smiled. "If that's true, then why did she want to kill you?"

Jun Wuxia said, "Feng Wu and Zuo Qingyu had grudges against each other. When Feng Wu found an opportunity in the tombs, of course, she would grab it."

Feng Wu frowned. "Are you sure that you did nothing wrong?"

Jun Wuxia gave Jun Linyuan a terrified glance.

Chapter 2163: Untitled

Jun Wuxia couldn't tell them that she had tried to kill Qiuling. She had been insisting that she hadn't done anything wrong. If she admitted it now, they would think that she had been lying.

At that thought, Jun Wuxia shook her head solemnly. "No, we didn't do anything."

Feng Wu smirked. "Jun Wuxia, do you know that I can see what you did and what you're going to do in the future?"

Jun Wuxia said, "What?"

Feng Wu pulled a hair off Jun Wuxia's head and pretended to listen to it.

Jun Wuxia was dumbfounded.

What was her “brother” doing?

Everyone else was as perplexed as she was. No one understood what “Jun Linyuan” was doing.

Feng Wu smirked and said, “You bullied a girl in a green dress, didn’t you?”

What?

Jun Wuxia stared at her in disbelief.

How did “he” know that?

Was “he” clairvoyant?

Jun Wuxia was frightened.

She suddenly recalled what “Jun Linyuan” said earlier about “him” being able to see what she had done before. So, did “he” see how she and Zuo Qingyu had abused Qiuling?

Seeing that she couldn’t keep up her lie, Jun Wuxia said anxiously, “I... I lied. You’re right. We bullied Qiuling...”

“As in Feng Wu’s maid.” Feng Wu snorted.

Jun Wuxia said, “Yes, she’s Feng Wu’s maid.”

Feng Wu asked, “Was that all you did?”

Jun Wuxia was even more shocked.

Was “he” even human? Why did “he” know everything?

Jun Wuxia was capable of lying to anyone except for Jun Linyuan, because he made her nervous.

Therefore, she said uneasily, “Yes... We did that, but it was mainly Zuo Qingyu. She hated Feng Wu, so when she saw that Feng Wu’s maid was alone, she wanted to kill her.”

Everyone looked at Jun Wuxia in surprise.

So, it was true. They had started it.

Empress Dugu pressed her hand to her chest. “Did you really try to kill Qiuling?!”

Jun Wuxia muttered, “She’s just a maid. So what if we killed her?”

Everyone found her statement idiotic.

Qiuling was no longer an ordinary maid now.

“Do you know...” Empress Dugu stared at Jun Wuxia. “Do you know what Qiuling is like now? After she left the tombs, she rose over ten levels in a day. Right now, she’s already a Level 5 Spiritual Elder!”

Someone said gingerly, “She made more breakthroughs already; she’s a Level 7 Spiritual Elder now.”

Ssss!

Everyone drew in their breaths.

Jun Wuxia was the most astonished of them all.

“What?!” Jun Wuxia looked like she had been electrocuted. She stared at Empress Dugu and asked, “Mother, what did you say?”

“You heard me correctly. Qiuling now has an Ultimate Yin Body, and that’s extremely rare. She’s been making such fast progress that...”

Empress Dugu pointed at Feng Wu. “Qiuling is about as capable as her master now. Many forces want to take her in, but she’s being a fool, and won’t leave Feng Wu.”

But Jun Wuxia didn’t hear her.

All she could hear was that Qiuling was a Level 7 Spiritual Elder now.

“She was only a Level 9 Spiritual Master when I met her. Why so sudden...” Jun Wuxia had gained nothing in the tombs, and she was filled with despair.

Chapter 2164: Untitled

Feng Wu was happy that people were praising Qiuling, but her top priority now was still setting Jun Wuxia up.

Therefore, she resumed the subject.

She stared at Jun Wuxia and said, “So, you were lying when you said that Feng Wu tried to kill you for no reason.”

Jun Wuxia said, “I...”

Feng Wu wouldn’t give her any chance to explain herself. “Your lie proves that you’re not trustworthy. Why should anyone believe you?”

Jun Wuxia felt wronged. “But Feng Wu really killed Zuo Qingyu.”

She ran to Mr. and Mrs. Zuo and said loudly, “I swear it! I saw it with my own eyes!”

The couple nodded and glared at “Feng Wu.”

Feng Wu smiled. “Did you say that you saw it with your own eyes?”

Jun Wuxia nodded.

Feng Wu asked, “How capable is Feng Wu?”

Jun Wuxia didn’t want to say nice things about Feng Wu, so she said, “She’s just a little bit better than me.”

Feng Wu asked, “How far were you from Zuo Qingyu?”

Jun Wuxia thought about it and said, “Not very far. She was a little over ten meters away.”

Feng Wu smirked. "If that's the case, then why didn't you help Zuo Qingyu?"

Immediately, everyone gave Jun Wuxia strange looks.

That was right. Jun Wuxia and Zuo Qingyu went everywhere together like real sisters. Did Jun Wuxia abandon Zuo Qingyu when she was in danger?

Mr. and Mrs. Zuo also looked surprised.

Jun Wuxia was dumbfounded.

She just didn't want to admit that Feng Wu was a capable cultivator. Why did it become her fault now?

Jun Wuxia panicked a little.

She said, "My leg was injured. I couldn't run fast enough to help her!"

Feng Wu nodded. Jun Wuxia had just walked into another trap.

Feng Wu smiled. "So, you were injured."

Jun Wuxia nodded.

Feng Wu asked, "Tell me what stances Feng Wu used! Now!"

Jun Wuxia was too scared of Jun Linyuan to stall. She searched her memory and said, "Feng Wu... She killed Zuo Qingyu with a single punch."

Feng Wu didn't give Jun Wuxia any time to hesitate. She quickly asked, "How fast was she?"

Jun Wuxia had to answer the question. "One second."

Feng Wu said, "You're lying!"

Jun Wuxia shouted, "I'm not!"

Feng Wu said, "You said that Feng Wu is only slightly faster than you. How could she kill Zuo Qingyu with a single punch?"

Jun Wuxia said, "I..."

Jun Wuxia panicked under the pressure.

She was very frustrated.

Had she known that she would have to cover one lie with more lies, she would have told the truth from the very beginning.

She said, "I... Feng Wu probably wasn't that fast... I feel dizzy... I don't know what I'm talking about."

Feng Wu shouted, "You're lying!"

Jun Wuxia's stomach lurched. "Why do you say that? I'm not lying."

Feng Wu smirked. "Is Feng Wu a lot more capable than you or just a little?"

Jun Wuxia became more and more confused.

Chapter 2165: Untitled

Feng Wu spoke too fast for Jun Wuxia to follow.

Jun Wuxia was so frustrated.

She couldn't understand what all the fuss was about. No one had questioned her like this before. If it was someone else asking her such questions, she would have lost her temper already. However, looking at "Jun Linyuan's" frightening face, she didn't dare object.

Jun Wuxia flinched and made up her mind. "Feng Wu is about as capable as we are. She chased Zuo Qingyu for a while before she killed her."

Feng Wu nodded. "Alright, I'll believe you for now. Tell me. Why didn't she kill you after she killed Zuo Qingyu?"

That rendered Jun Wuxia speechless.

Empress Dugu realized that if "Jun Linyuan" went on pressing Jun Wuxia like this, the girl might break down.

"I object. His Royal Highness is pushing too hard." Empress Dugu tried to intervene.

"Your..."

Emperor Wu only managed to utter one word before Feng Wu cut him off.

"Overruled!" Feng Wu cast a stern look at Empress Dugu and ignored her. She then went back to questioning Jun Wuxia.

Emperor Wu didn't know what to say.

Feng Wu asked, "Which of your legs was injured?"

Jun Wuxia said, "My left leg..."

Under Feng Wu's stare, Jun Wuxia looked as helpless as a bunny. She then said, "No, it was my right leg."

Feng Wu looked at her in resignation. "Which one was it? Left or right?"

Jun Wuxia shuddered and said, "L- Left."

Feng Wu then turned to Granny Lan, the empress dowager's maid. "Granny Lan, please examine the princess's left leg. See if she's really injured."

Jun Wuxia immediately paled.

She had lied again!

There was no injury on her leg.

She forced a smile and said, "That won't be necessary. I've recovered fully already."

Feng Wu smirked. "If there's no injury, that means that you've lied to us again."

Jun Wuxia was speechless.

Empress Dugu looked at Jun Wuxia in disappointment.

This was such a great opportunity, but Jun Wuxia had ruined it.

She couldn't understand how her daughter could be so stupid.

Granny Lan walked to Jun Wuxia's side and said, "Your Royal Highness, please follow me."

Jun Wuxia couldn't let Granny Lan examine her, but "Jun Linyuan" was watching, so she couldn't throw a tantrum. In the end, she lowered her head and said weakly, "I... I made it up. My leg wasn't injured."

Everyone gave her strange looks.

She had revoked her statements so many times that everyone now doubted everything she said.

"But Feng Wu really killed Zuo Qingyu! She tried to kill me, too! I'm not lying!" Jun Wuxia was almost in tears.

She was telling the truth.

That was exactly what happened.

Somehow, her "brother," who could see the past, wouldn't believe her. Jun Wuxia felt helpless.

Feng Wu looked at Jun Wuxia and said coldly, "If Feng Wu could kill you, why didn't she?"

Jun Wuxia said angrily, "She wanted to, but she didn't have time! She ran away when she heard the footsteps of my brother and Zuo Qingxian!"

Chapter 2166: Untitled

Feng Wu laughed. "Didn't you just say that she's a lot more capable than you? She should still have enough time to run away after killing you."

Jun Wuxia said, "She's not a lot more capable than me! She's just slightly better."

"Are you sure?"

Jun Wuxia said, "I'll take responsibility for everything I say! My brother can be my witness!"

Feng Wu said, "Bring Jun Linshen here!"

Gao glanced at Emperor Wu.

Emperor Wu nodded, and Gao left in a hurry.

Jun Linshen had been locked up after he made a fool of himself in front of the "crown prince."

The real Jun Linyuan glanced at Feng Wu and looked pleased.

He didn't expect the girl to be so bold.

She had been so intimidating when she questioned Jun Wuxia and had successfully carried Empress Dugu and Emperor Wu away with her logic.

Not everyone could do that.

“She knows what she’s doing,” Jun Linyuan thought.

Feng Wu had no idea what Jun Linyuan was thinking. All she wanted to do was convince everyone that Jun Wuxia was a liar. That way, no one would believe anything she said.

She had been quite successful so far. After all the questioning, Jun Wuxia had pretty much lost her credibility.

Jun Linshen soon arrived.

“Jun Linyuan’s” presence both infuriated and intimidated him.

Feng Wu asked him, “Did you see with your own eyes Feng Wu kill Zuo Qingyu in the tombs?”

On any other day, Jun Linshen would have said yes, but what happened the day before had taught him a lesson. He shook his head and said, “No, I didn’t.”

Feng Wu said, “Tell us what you saw.”

Jun Linshen felt like a prisoner and wanted to retort, but when he saw the eager look in everyone’s eyes, he knew he couldn’t stall.

He felt speechless.

He was also the emperor’s son, but why was he being questioned by Jun Linyuan? Why did people think that was the natural way of things?

Although he didn’t like it, there was nothing he could do. He had to answer the question if he still wanted to be a prince.

In order not to enrage Jun Linyuan, Jun Linshen had to fight back his frustration, and he described what he had seen.

He concluded, “My sister was unconscious when Zuo Qingxian and I arrived, and the culprit was gone. We didn’t see who it was.”

Jun Wuxia shouted, “It was Feng Wu! I saw it!”

Jun Linshen gave it some thought, then shook his head. “Not necessarily.”

Jun Wuxia stared at him. “Why won’t you take my side?”

Jun Linshen wanted to, but he couldn’t afford to make any more mistakes. Otherwise, he wouldn’t just be imprisoned; he might actually be expelled from the royal family.

This time, Empress Dugu supported Jun Linshen.

After all, he was a son, while Jun Wuxia was only a daughter.

“Wuxia, be reasonable.” Empress Dugu gave Jun Wuxia a stern look.

Jun Wuxia bit her lower lip and was speechless.

She felt that the world had turned upside down.

Chapter 2167: Untitled

Would Feng Wu stop there? Of course not.

She asked Jun Linshen, “Are you saying that neither you nor Zuo Qingxian could catch up to the killer?”

Jun Linshen nodded.

Feng Wu smiled. “We all know that Feng Wu is a Level 7 Spiritual Elder. Do you think it could have been her?”

That was the million-dollar question.

Jun Linshen’s cultivation level was much more advanced

, not to mention that Zuo Qingxian had been with him. If neither of them could catch up to the killer, how could that person be a mere Level 7 Spiritual Elder?

“It couldn’t have been Feng Wu.” Jun Linshen shook his head. “That person was very fast and almost as capable as we are.”

Poor Jun Linshen. He didn’t know that Feng Wu had had the white fairy as her guide.

“Brother!” Jun Wuxia cried out and stared at Jun Linshen in disbelief.

Jun Linshen didn’t feel guilty at all.

He was only telling the truth. Moreover, why shouldn’t he protect his own reputation?

But what he said confirmed Feng Wu’s claim that Jun Wuxia was a liar. No one would believe anything she said anymore.

Since that was the case, her accusation of Feng Wu killing Zuo Qingyu and trying to kill her would no longer hold.

But Jun Wuxia wouldn’t give up. She stared at Feng Wu and asked, “If Feng Wu wasn’t the killer, then who killed Zuo Qingyu? Who was the person who tried to kill me?”

Immediately, all eyes were on Feng Wu.

Feng Wu said calmly, “He was a spy of the Dongsang Kingdom.”

“What?” Jun Wuxia was dumbfounded.

She knew nothing about such spies.

She shook her head. “No, there was no spy. It had to be Feng Wu! I swear!”

But Feng Wu ignored her because no one would listen to Jun Wuxia anymore.

Feng Wu said, "The information on the spies of the Dongsang Kingdom is classified, but with everything that has happened, I have to tell you: There were Dongsang spies in the tombs."

Emperor Wu stared at her. "How can you be so sure?"

Feng Wu said, "Because of the Seed of the Spirit Source."

Emperor Wu asked, "Who has it now?"

Feng Wu glanced at him and said, "I do."

Everyone stared at her.

So, it was the crown prince. That wasn't unexpected. With the crown prince in the tombs, of course, no one else would be able to find it.

Feng Wu said, "But that seed was poisoned."

Jun Wuxia was furious. She decided that the crown prince was talking nonsense. There was no Seed of the Spirit Source.

She summoned up her courage and gave Feng Wu a shove. "Don't you know how to read the past? Take my hair and watch again! I'm not lying!"

However —

The impact made Feng Wu cough loudly.

She went on coughing.

In the end, she spat out a mouthful of blood.

The coughing brought color to her cheeks, making "Jun Linyuan" look rather vulnerable...

Chapter 2168: Untitled

She looked like she was about to die, and didn't look as intimidating as before.

Emperor Wu was shocked.

He had never thought that there would be a day when "Jun Linyuan" would look so weak.

"What's wrong with you?" Emperor Wu wasn't used to seeing his son like this, and his voice was full of concern.

Jun Wuxia was stunned, and she looked at her hands in disbelief.

Did she do that to her brother?

The empress dowager was the most worried of them all.

She had been watching on the side, but somehow, things began to go wrong.

She threw away the praying beads in her hands and nervously ran toward Feng Wu. "Junjun! What's wrong, Junjun?! You're scaring me! Talk to me!"

“Grandma, I...” Jun Wuxia wanted to explain, but the empress dowager glared at her.

“Take her down!” the empress dowager ordered.

She held Feng Wu in her arms, fearing that her “grandson” was going to die.

Feng Wu sighed inwardly. The old lady was really biased toward Jun Linyuan, and she wasn’t afraid to show it.

She didn’t want to mislead the old lady, but Jun Linyuan told her to do it, so what choice did she have?

She had to play her part.

“*Ahem...* I’m fine. I just need some rest.” Feng Wu’s face was flushed from all the coughing.

“Bring Master Chu here!” the empress dowager shouted.

Soon, Master Chu arrived.

Everyone watched Master Chu eagerly and wondered what was wrong with the crown prince. Why was he suddenly so fragile? What happened to that formidable crown prince?

No one knew what was going on.

When the empress dowager turned around to see that all the officials were still here, she frowned.

“Jun Linyuan’s” condition had been exposed by Jun Wuxia, which already frustrated the empress dowager. However, these people showed no consideration and were still hovering around.

The empress dowager said angrily, “What are you waiting for? A dinner invitation?”

Master Dugu and Master Zuo looked at each other with bitter smiles, and they left after that.

With the two leaders gone, the rest of them didn’t dare to stay either, so they scattered as well.

However, were they really gone?

Would that stop the news from spreading?

The empress dowager didn’t have time to think about anything else. All she cared about was “Jun Linyuan.”

“Master Chu, you’re a great doctor. What’s wrong with Junjun?” the empress dowager asked nervously.

Emperor Wu didn’t ask any questions, but he listened intently as well, fearing that he might miss out on some important information.

Master Chu frowned after he checked “Jun Linyuan’s” pulse. “I think it’s the effect of poison, but I’m not very sure... Hold on!”

Even Master Chu could barely detect the poison, and he couldn’t understand why it had such a strong effect on the “crown prince.”

So, he decided to give that task to Feng Wu.

“Miss Feng Wu, you’re an amazing doctor. How about you take a look?” Master Chu smiled at “Feng Wu.”

The empress dowager frowned when she saw that “Feng Wu” was also here.

Chapter 2169: Untitled

If she could, she would tell “Feng Wu” to go away, but she needed “her” now.

Did the empress dowager trust Feng Wu’s medical skills? In fact, she did, more than anyone else, because the girl had cured her difficult medical condition with a single diagnosis.

But she simply didn’t like the girl around her grandson, nor did she want her Junjun to pay too much attention to one woman.

He was going to be the emperor one day. He needed to focus on the big picture!

Her late husband used to say that if Jun Linyuan became the emperor one day, he would unify the entire continent and become the greatest ruler ever.

That was one of the reasons why the empress dowager doted on Jun Linyuan.

She stared at “Feng Wu” and frowned.

But “Feng Wu” was really Jun Linyuan, and it was the first time that he realized what Feng Wu had to endure.

No one liked her, from the royal family to her own family members. The Zuo family couldn’t wait to kill her.

She didn’t do anything, but all these people wanted her dead.

She also had to protect her mother, her brother, her maids, and her servants...

She was too young to shoulder all the pressure.

The crown prince wasn’t the sympathetic sort, but he felt sorry for Feng Wu at that moment. He pursed his lips and decided that he would pick on the girl less often in the future.

“Feng Wu?!” The empress dowager called “Feng Wu” several times, but “she” didn’t respond, which upset the empress dowager.

Jun Linyuan heard her this time and looked up.

He shifted his gaze and looked at the old lady with cold eyes.

The empress dowager felt a chill run down her spine.

She couldn’t understand why the “girl” looked so intimidating.

That look almost reminded her of her grandson.

Jun Linyuan walked up to Feng Wu, quickly checked her pulse, and said, “She’s been poisoned by the Magic Soul Vine.”

The empress dowager wasn't impressed. How could "Feng Wu" look so careless?

She was about to scold "Feng Wu," when Master Chu said, "That's right! Yes! That's why it felt so familiar! Why didn't I think of that? It's the poison of the Magic Soul Vine!"

The empress dowager frowned and stared at Master Chu. "Are you sure?"

Emperor Wu frowned. "The closest military town of the Dongsang Kingdom to us is called Magic Soul Vine City! The Magic Soul Vine is the plant that protects the city.

"It's a very powerful plant. The entire city is under its protection.

"It's also highly poisonous, and it's a neurotoxin as well. One can't just shake it off.

"Once it invades a person's body, it can turn one into an idiot or kill them!"

Emperor Wu stared at Feng Wu and asked in a trembling voice, "Is that true? Were you really poisoned by the Magic Soul Vine?"

This was also Feng Wu's first time hearing of the Magic Soul Vine's origin. Why hadn't Jun Linyuan told her more about it?

"Am I going to die?" Feng Wu frowned.

Jun Linyuan said grumpily, "Only the stupid will die. You'll live."

With that, Feng Wu felt reassured.

But not Emperor Wu!

Although he usually just shouted at Jun Linyuan, and neither of them would give in...

Chapter 2170: Untitled

If Emperor Wu had to be honest, Jun Linyuan was the son he was the most proud of.

At that thought, Emperor Wu asked Jun Linyuan, "Can you treat him?"

Jun Linyuan said, "I can try."

Emperor Wu suddenly said, "If you can cure the crown prince, I'll let him marry you!"

What?

Before Jun Linyuan could say anything, Feng Wu was stunned.

Marriage?

Between her and Jun Linyuan?!

She had no intention to do that at all!

"That's wonderful news! They'll be a lovely couple!" Master Chu laughed.

Feng Wu rolled her eyes. No, there would be no couple whatsoever.

Before she could protest, the empress dowager said impatiently, "We don't have time for this! Get on with the treatment already!"

Feng Wu said, "That's right."

The empress dowager patted Feng Wu and was pleased that her "grandson" was with her.

Jun Linyuan glanced at Feng Wu with a meaningful look in his eyes.

"How do you treat that poison?" the empress dowager asked Jun Linyuan.

Jun Linyuan said directly, "Your Majesty, please don't worry. I'll cure her."

After that, he took Feng Wu's hand and tried to lead her away.

"You disrespectful girl!" The empress dowager was furious, and she complained to Emperor Wu, "I intervened in her marriage, and she's giving me attitude now! I'll never let Junjun marry her!"

Feng Wu and Jun Linyuan could still hear the empress dowager's angry complaint as they walked away.

Feng Wu didn't say anything.

Jun Linyuan looked unhappy when they returned to his place.

But Feng Wu failed to notice it.

Not only that, she also said happily, "Can you tell me now why you wanted me to pretend that I'm sick? My body is the one that was poisoned. Did you expose yourself on purpose so that people could come to kill you?"

She shrugged. "To be honest with you, I can't master your spiritual essence yet, and I'm terrible at exerting it. I can't do any stances, nor can I carry your Sky Destroyer..."

She couldn't stop complaining.

She felt like a three-year-old in front of an open vault. Although it was filled with treasure, she couldn't carry any away with her.

She didn't realize how unhappy Jun Linyuan was and was lost in her imagination. "You let out the news deliberately. Aren't you worried that people from the Dongsang Kingdom will try to kill you?"

"Everyone knows that you're like the Chosen One and will unify the continent one day. If you really become the emperor, how desperate would the Dongsang Kingdom feel?"

"Therefore, compared with killing your father, they would rather assassinate you. With you dead, the Junwu Empire won't have a future.

"If I were from the Dongsang Kingdom, I'd try my best to kill you!"

"Now that I'm in your body, I want to hide from as many people as possible, but you're trying to tell people that you're weak... Do you have a death wish?"

The crown prince glanced at Feng Wu and snorted.

That made Feng Wu angry.
