Chapter 2251: Untitled

With the white fairy guarding the courtyard, if anyone tried to invade her home again, they could go to hell!

While Feng Wu was placating her mother, Lady Gu and Feng Qi finally recovered from their initial shock.

Lady Gu looked from Feng Wu to Qiuling and said, "You're... You're Xiao Wu; then, who's that?"

"Lady Gu, I'm Qiuling." Lady Gu had seen Qiuling before, but she just couldn't believe it.

Because Qiuling had exerted so much power in that kick.

"Are you really Qiuling? You're so capable now..." Lady Gu didn't know how she should treat Qiuling now.

It pained Feng Wu to see how scared her mother was.

The beautiful lady had fallen ill years ago and had lost both her memory and her cultivation ability. She behaved like a five-year-old and was frightened by all the fighting.

Feng Wu told Qiuling, "Finish it outside, and be quick about it."

Having been with Feng Wu for so many years, Qiuling was no longer frightened by a nobody like Lady Gu.

All the high-ranking officials in court had spoken to her in person and tried to win her to their side. They had all promised her generous rewards.

Qiuling turned down every single one of them, saying that she couldn't leave her mistress.

In comparison, Lady Gu was almost too petty for her to handle.

Unfortunately, Lady Gu and her daughter didn't know that. They still thought of Qiuling as the little maid she used to be.

Qiuling stared at the mother and daughter. "You're bothering Miss Wu and my lady. Please come outside."

She then headed for the door.

Lady Gu was astonished.

She looked from Qiuling to Feng Wu and said, "Xiao Wu, aren't you going to say something? Did you hear what your maid said? How can a maid offend us..."

"Shut up." Feng Wu frowned.

Seeing the look on her face, Qiuling picked up Lady Gu and threw her over the wall.

Thump!

Lady Gu landed on the other side of the wall.

Feng Qi was shocked.

What was going on? How could this maid...

“Feng Wu! Are you an idiot?! How could you let a maid...”

“Stop talking,” said Feng Wu.

Qiuling moved again.

Thump!

This time, Feng Qi and Qingyi were thrown out.

Seeing the cold look in Qiuling’s eyes, Lady Gu’s servants all scattered and ran off.

Qiuling shut the front gate and shook her head when she saw the collapsed wall. “Uncle Qiu, do we have any bricks?”

The crowd couldn’t believe their ears. With what had happened, Qiuling only cared about repairing the wall. Gosh! That was unbelievable!

“Let’s go to the elders! Someone has to keep her under control!” Lady Gu said furiously.

They couldn’t do anything to Qiuling, but the family could!

At the same time.

Uncle Qiu was equally shocked.

“Qiuling?” He didn’t know what to say.

That was so incredible!

Chapter 2252: Untitled

Qiuling had really thrown those people out.

They were Lady Gu and her daughter!

“Qiuling, how could you...” Uncle Qiu stomped his foot. “They’ll come back! You’ve made so much trouble for Miss Wu and our lady!”

Qiuling wanted to speak, but Uncle Qiu wouldn’t let her.

By then, Feng Wu had calmed her mother down and put her to bed.

She came back out to see Uncle Qiu scolding Qiuling, so she said, “Uncle Qiu, Qiuling did nothing wrong. I told her to do that.”

Uncle Qiu rolled his eyes at her. “I’m not blind. I can see that.”

Feng Wu and Qiuling chuckled.

Uncle Qiu glared at Qiuling. "Stop laughing. Do you know how much trouble you've caused? We should keep a low profile and slowly build up our strength..."

"Uncle Qiu..." Feng Wu cut him off. "Qiuling is a Level 7 Spiritual Elder now."

Uncle Qiu said, "Even so, she still... Wait. Miss Wu, what did you just say? Qiuling is a Level 7 Spiritual Grandmaster now?"

Feng Wu laughed. "No, she's much better than that. She's a Level 7 Spiritual Elder!"

"What?!" Uncle Qiu was astonished. "Then, then isn't she more capable than you? How's that even possible? She only took a trip to the grassland! Miss Wu, are you making fun of me?"

Feng Wu shrugged. "You saw it yourself. Qiuling is so amazing. She threw those people out as if they were only sacks of rice."

"Miss Wu —" Qiuling blushed.

Uncle Qiu was thrilled.

"A Level 7 Spiritual Elder! Oh my god!" Uncle Qiu was so excited that his mouth twitched. "If that's the case, we don't have to be so humble anymore!"

Feng Wu was moved by his excitement.

In the years that Feng Wu had been without her cultivation ability, it was Uncle Qiu who had protected the family.

But he wasn't very capable himself either.

Feng Wu knew how hard it had been for him.

"Miss Wu, Qiuling is a Level 7 Spiritual Elder now, so you better work hard," Uncle Qiu encouraged Feng Wu. "You need to keep up with her."

Qiuling chuckled.

Uncle Qiu stared at her. "Yes, you're so amazing now. Even so, you still have to serve Miss Wu properly."

Qiuling said, "Of course."

Feng Wu said, "Uncle Qiu, I won't be able to make any more progress for a while, but don't worry."

Uncle Qiu asked, "Why?"

Feng Wu said, "I've made so many advancements recently that my foundation isn't as solid as before. I need to work on that first before I make any more breakthroughs. Otherwise, I'll have a lot of trouble in the future."

Uncle Qiu didn't understand everything she said, but he heard the "many advancements" bit.

"So many advancements? Miss Wu, have you become a Level 7 Spiritual Elder as well?" he asked curiously.

Qiuling chuckled. "What are you talking about? Miss Wu is a Spiritual Lord now."

Chapter 2253: Untitled

What?!!!

Uncle Qiu almost jumped to his feet.

"A Spiritual Lord? Is that true?"

Granny Zhao almost cried out in excitement as well. She covered her mouth and stared at Feng Wu.

Feng Wu chuckled. "Qiuling is already a Level 7 Spiritual Elder. I have to be better than that, don't I?"

Uncle Qiu asked gingerly, "Are you a Level 1 Spiritual Lord?"

Feng Wu shook her head.

Granny Zhao asked, "Are you Level 2?"

Feng Wu shook her head again.

Uncle Qiu asked, "Level 3?"

Still shaking.

"Level 4?"

Feng Wu went on shaking her head.

Uncle Qiu was astonished.

"Still no? You're even higher than that? Miss Wu, is this real?"

Feng Wu said grumpily, "Why would I lie to you?"

"Then, you're..."

"Miss Wu is a Level 7 Spiritual Lord," Qiuling said with a smile.

A Level 7 Spiritual Lord?!

Uncle Qiu was so excited that he almost fainted.

"Really? Miss Wu, is that true? You really are a Level 7 Spiritual Lord?! Oh my god!" Uncle Qiu burst into tears.

Things were really looking up for them.

Granny Zhao was also in tears.

The old lady had always been very tough. Despite her old age, she had never asked for any help.

Because of that, Feng Wu had always found her a little distant.

At that moment, Feng Wu was so glad that everyone was happy about her new cultivation level.

Why should she keep anything from them?

She shook her head. "I'm not a Level 7 Spiritual Lord."

No?!

Those words almost scared Uncle Qiu and Granny Zhao out of their wits.

Feng Wu looked at them and said seriously, "The others all think that I'm a Level 7 Spiritual Lord, but in fact, I'm..."

"I'm a Level 9 Spiritual Lord!"

Those words were like a thunderclap in everyone's ears.

Qiuling, Uncle Qiu, and Granny Zhao were all astonished.

A Level 9 Spiritual Lord?!

What did that mean? It meant that she was so close to becoming a Spiritual King!

And what did it mean to be a Spiritual King? Northern Feng General, who was stationed on the northern border, was a Spiritual King!

No one knew what level he was at now, but everyone knew that he had been a Spiritual King when he first set out.

"Miss Wu is only 13 years old!

"She'll be 14 next year.

"She's only one level away from the Spiritual Lord stage!

"No one else in the Feng clan is nearly as talented as Miss Wu!"

...

Feng Wu started asking questions after Uncle Qiu and Granny Zhao stopped shouting excitedly.

"What's going on with Lady Gu?

"And what about Feng Qi?

"What's the signature Lady Gu was talking about?"

Feng Wu looked at Uncle Qiu and Granny Zhao. "Qiuling and I are much stronger than before, and —"

With a wave of her hand, Feng Wu presented the white fairy.

The fairy was less transparent at night, but in the end, she still didn't have a tangible form.

"What's that?"

It happened so suddenly.

Everyone jumped.

They all thought that they were looking at a ghost.

Uncle Qiu took another look and saw that she didn't have a shadow, which frightened him even more!

They wondered where Miss Wu had found such a thing. What was it?

"Weren't we talking about Spiritual Kings?" Feng Wu pointed at the white fairy with a smile. "The white fairy here is a Spiritual King."

The white fairy rolled her eyes at Feng Wu. "For now."

Her cultivation level dropped once she left the tombs, which was why she had fallen to the Spiritual King stage.

Feng Wu said, "You'll frighten them if you tell them that you're at the Spiritual Region stage. Keep a low profile, shall we?"

The fairy snorted.

Feng Wu said, "The white fairy is going to stay here from now on, but she'll be invisible most of the time. You can call for her when there's an emergency, and she'll come out to help you."

The white fairy looked exceptionally pale because she had been injured in the battle against Master Zuo.

"Are you done?" She glanced at Feng Wu.

Feng Wu said, "Yes."

The white fairy nodded. "Don't call me unless it's really important."

She disappeared after that.

Uncle Qiu and the others were shocked, and it took them a while to recover. "Miss Wu, is the white fairy really a Spiritual King?"

Uncle Qiu still couldn't believe his ears.

Qiuling had become a Spiritual Elder and Miss Wu a Spiritual Lord during the trip, and they had even brought back a Spiritual King. He almost couldn't recognize the world anymore.

Feng Wu said, "Yes. She owes someone a favor, and that person transferred that favor to me. Therefore, she'll protect our family for a hundred years. You'll get to know her better; she's not that frightening. She may seem distant, but she's not a bad person."

Uncle Qiu couldn't begin to imagine befriending a Spiritual King.

"Right. Let's get back to what we were talking about. What signature was my aunt talking about?" asked Feng Wu.

Uncle Qiu would have kept it from Feng Wu before for her own safety, but now —

There was a Level 9 Spiritual Lord and a Spiritual King at home!

What did that mean?

Uncle Qiu knew that he had nothing to worry about anymore!

Chapter 2254: Untitled

“Right. Let’s get back to what we were talking about. What signature was my aunt talking about?” asked Feng Wu.

Uncle Qiu answered the question.

“That’s a long story.” Uncle Qiu smiled bitterly. “A lot happened after you left, Miss Wu. Granny Zhao and I managed to stop most of them, but there were things that we couldn’t do anything about.

“Your third uncle, who took office in the south, came back to the imperial capital last month. Ever since Lady Gu’s return, we’ve been having a lot of trouble at home.

“Miss Wu, Lady Gu isn’t a nice person. Be careful.”

Feng Wu nodded. “And then?”

Uncle Qiu said, “I’m running errands outside most times, and Granny Zhao takes care of domestic affairs. I think she should be the one to tell you everything.”

Feng Wu then turned to Granny Zhao.

Granny Zhao sighed. “Lady Gu was very warm at first and would visit us from time to time. Although your mother never talked, she didn’t seem to mind it at all.

“With time, my lady let her guard down. Lady Gu’s son came with her one time, and to be honest, he’s a very spoiled child. He ran around the house the whole time, and wanted everything he laid his eyes on. If he couldn’t have it, he would start shouting and crying.

“That time, he wanted something from your room. It was a set of 18 figurines.” Granny Zhao gestured at Feng Wu’s room.

Feng Wu searched her memory.

She recalled that the set had been a gift from Yu Mingye when he left the imperial capital.

It had been a moonless night when he left. He had patted her shoulder and beamed at her. “Xiao Wu, you’re meant to be my wife. Don’t get too close to Jun Linyuan, alright? Keep your distance!”

“Get lost!” Feng Wu glared at him.

Yu Mingye rubbed his nose and mumbled, “You never believe me when I tell you the truth.”

It had been very windy, and Feng Wu didn’t hear him. “What did you say?”

Yu Mingye looked at her sadly, and he sighed when he saw the confused look on her face. He had then tossed something at her. “Take it.”

“What is it?” Feng Wu caught it and saw that it was a square box.

Yu Mingye grunted. “One day, you’ll know that I’m the best!”

He then jumped off the wall and disappeared into the night.

Feng Wu called after him.

But her voice was lost in the night wind.

When she opened the box, she saw that it was a set of clay figurines.

They were all the size of her fingers.

Feng Wu had counted and saw that there were 18 of them.

“Miss Wu?” Seeing that Feng Wu was lost in thought, Granny Zhao waved her hand in front of her face.

Feng Wu looked at her.

Granny Zhao asked, “Miss Wu, are you alright?”

Feng Wu nodded and said, “Keep going.”

Granny Zhao nodded and went on.

Chapter 2255: Untitled

“Lady Gu’s son came with her to Fallen Star Yard. Because Lady Gu has always been very friendly, we let our guard down.”

Granny Zhao grew angry. “Miss Wu, we locked your room after you left.”

Feng Wu nodded.

Granny Zhao said, “But your cousin picked the lock, opened your door, and broke one of the figurines on the table. Your mother was very angry.”

Feng Wu wasn’t surprised. Her mother cared about her very much. Of course, she was angry.

Granny Zhao said, “My lady was so angry that she shook. Young Master Qi was there as well, and he beat up your cousin. Young Master Qi is very capable now. Those people weren’t his match.”

Feng Wu glanced at Granny Zhao, who seemed very proud of her brother.

Granny Zhao frowned. “Of course, Lady Gu and your uncle wouldn’t have it, so they came back here and wanted to punish Young Master Qi.”

Feng Wu frowned. Jun Linyuan had given Chang San to her, and she had left him in Fallen Star Yard to keep her family safe.

What had Chang San been doing?

Granny Zhao said, “Qingyi, the one whom Qiuling kicked away, was the guard Lady Gu and Miss Qi brought with them. He almost took apart our Fallen Star Yard. He wanted to take Young Master Qi away to punish him!”

Feng Wu frowned. “Where was Chang San? I haven’t seen him since I came back.”

“Master Chang stepped in and beat up Qingyi. He nearly hit Lady Gu and Miss Qi as well. Master Chang threatened them, saying that he would break their legs if they returned. He was quite scary.”

Feng Wu nodded. “It’s his job to guard Fallen Star Yard. What happened next?”

Granny Zhao sounded concerned. “We thought that Lady Gu would stop trying after that, but someone tried to invade Fallen Star Yard at night, and Master Chang went after them. That was a few days ago, and he hasn’t come back yet. I don’t know what happened to him.”

Had someone deliberately lured him away? Feng Wu decided that she would go to Jun Linyuan and find Chang San after everything settled down.

Her family was her priority.

“Go on.” Feng Wu grabbed a chair and had Granny Zhao sit down.

Qiuling had made them some tea.

Although she was a Level 7 Spiritual Elder and a rising star, she still behaved like an ordinary maid.

Granny Zhao said, “Once Master Chang left, we were defenseless. Lady Gu got wind of it and came back. This time, she brought with her the elders of the clan!”

Although the Feng clan was no longer what it used to be, many elders still thought very highly of themselves.

Granny Zhao said, “The elders were on Lady Gu’s side and kept saying that Young Master Qi needed to be disciplined. Otherwise, he would grow up just like...”

Chapter 2256: Feng Wu Is Angry

“Just like me?” Feng Wu smirked.

Granny Zhao said, “Yes, that was what they said. They wanted to take Young Master Qi away, and your mother wouldn’t let them. Things got very chaotic. In the end, Lady Gu said that if your mother signed an apology letter, she would forgive your brother.”

Feng Wu said, “What apology letter? Wasn’t a spoken apology enough?”

Granny Zhao said, “That was what we said, but Lady Gu said that without a written letter, you might not acknowledge it when you came back. Your mother had to sign the letter, otherwise, they would take away your brother, flog him, and put him in confinement... Your mother was frightened.

“She couldn’t stand the idea of confinement and almost lost it. Lady Gu caught her off guard and put your mother’s thumbprint on the paper.

“After that, Lady Gu looked very pleased. She said that she would start preparations.”

Feng Wu asked, “What preparations?”

Granny Zhao slapped herself. "We only learned the day before yesterday that it wasn't an apology letter! It was a marriage agreement!"

Feng Wu's eyes widened. "What marriage agreement?!"

Granny Zhao shook with anger. "It was a trap! Lady Gu wanted to marry your mother to some other man!"

What?!!!

Feng Wu was furious.

How dare they try to do that to her dear beautiful mother?!

She wanted to cut off Lady Gu's head!

"Who is the lucky man?" Feng Wu smirked.

Her mother was so beautiful that even the emperor was tempted, let alone other men. But if her mother didn't want to remarry, no one could force her!

Granny Zhao said gingerly, "He's not just any man..."

Feng Wu snorted. "I'd like to see how special he is."

"He's Lord Gu of Yongxing Manor..." Granny Zhao said.

Feng Wu asked, "As in Lady Gu's family?"

Granny Zhao nodded.

Feng Wu said, "If I remember correctly, Lord Gu has a wife already."

Lord Gu was Lady Gu's brother.

Granny Zhao nodded. "He does. Your mother isn't going to be his wife..."

What the heck?!

Feng Wu stared at Granny Zhao. "That son of a b*tch wants my mother to be his concubine?!"

Granny Zhao nodded, looking humiliated.

Feng Wu smashed a chair into pieces.

She headed for the door.

Qiuling asked, "Miss Wu, where are you going?"

Feng Wu didn't answer.

Qiuling said, "Miss Wu, aren't you always telling us that we should think carefully before we take action?"

Feng Wu smiled coldly. "Think carefully? I'll do that after I kill her!"

This was unacceptable!

Lady Gu had crossed the line!

Chapter 2257: Let's Run

With Feng Wu's capability now, of course, she wouldn't endure such humiliation.

Granny Zhao and Uncle Qiu were shocked.

Kill her...

Did Feng Wu want to kill Lady Gu?

Seeing that Feng Wu was heading for the door, they immediately went after her and grabbed her arms.

Uncle Qiu said, "Miss Wu, you can't! She's your aunt! You can't kill her!"

Granny Zhao said, "Miss Wu, what will other people say about you if you kill her? Don't do it. Miss Feng Liu has said worse things, but you still let her live..."

"Miss Feng Liu is dead," Qiuling said in a low voice.

"Miss Feng Liu is so much more arrogant than Lady Gu... What?" Granny Zhao turned to Qiuling and asked, "What did you say?"

Qiuling announced the breaking news in a flat voice. "Miss Feng Liu is dead."

"What?"

Uncle Qiu and Granny Zhao were astonished.

Ever since they came back, Feng Liu had been giving them a hard time. She wouldn't stop creating trouble for them, and Granny Zhao was so angry at her.

But she was still shocked to hear that she was dead.

"Miss Feng Liu is dead? How? Did someone kill her?" asked Granny Zhao.

Qiuling nodded.

Granny Zhao sighed. "Miss Feng Liu is so unbridled that it was only a matter of time before she got herself killed, but I didn't expect the day to come so soon... Whoever did it will be in big trouble. Her parents are very difficult to handle. They'll find a way to get their revenge.

"They won't care about the consequences. By the way," Granny Zhao asked Qiuling, "who was bold enough to kill Miss Feng Liu?"

Qiuling glanced at Feng Wu but didn't reply.

Granny Zhao thought that Qiuling didn't dare to tell her because the person was too terrifying.

"Miss Wu, you must know who that person is." Uncle Qiu and Granny Zhao were so curious.

Feng Wu sounded perfectly calm when she said, "Me."

Granny Zhao said, "Miss Wu, please tell us. We'll set up a little shrine for that person."

Feng Wu rolled her eyes at her. "I told you already. It was me."

Granny Zhao couldn't believe her ears. "Miss Wu, what are you talking about? You can't joke about such things! Even if it's true, you should really keep your voice down. If someone hears you..."

Feng Wu looked at her. "Everyone out there knows that I was the one who killed Feng Liu."

Ssss —

Granny Zhao drew in her breath. "Everyone?"

Feng Wu nodded.

Granny Zhao trembled with fear.

She was just a servant. Despite her tough look, she still revered her masters.

When she heard that Feng Wu had killed Feng Liu, she felt a chill run down her spine.

Oh no... Feng Yanfeng was the head of the family, and Feng Wu had killed his daughter...

"Miss Wu, run!" Granny Zhao said nervously. "Let's pack our things now and go back to the northern border! We'll never come back! Old Qiu, get the carriage!"

Chapter 2258: Attack

"Sure!" Uncle Qiu turned to fetch the carriage.

Feng Wu said, "Stop!"

Granny Zhao and Uncle Qiu looked at her in bewilderment.

Feng Wu said, "So what if I killed Feng Liu?"

Uncle Qiu said, "Miss Wu, don't say that! Miss Liu is your uncle's favorite daughter! Lady Wang will want to kill you!"

Feng Wu smiled. "Kill me? I'd like to see them try!"

Uncle Qiu was stunned. That was true. Even Feng Yanfeng wasn't Miss Wu's match anymore, but...

Feng Wu stopped trying to persuade them. She needed her anger for Lady Gu.

That woman tried to marry her mother off when she was away. How dare she?!

Feng Wu uprooted a tall tree on the way and carried it on her shoulder.

Granny Zhao, Uncle Qiu, and Qiuling all followed her.

They were speechless when they saw the five-meter tree.

Granny Zhao asked Qiuling, "Aren't you going to talk Miss Wu out of it?"

Qiuling said, "Miss Wu is always right. If something is wrong, it must be someone else's fault."

Granny Zhao smacked her own forehead. How could she have forgotten what Qiuling was like? She would support Feng Wu no matter what!

Granny Zhao said, "Should we go to Lady Wang?"

Uncle Qiu said, "Miss Wu just killed her daughter. They'll never help us!"

Granny Zhao didn't know what to say.

She couldn't understand why Feng Wu would confront her third uncle's family when she had already offended her first uncle.

Uncle Qiu said calmly, "Don't worry. Miss Wu is invincible in this manner now. As long as the elders don't intervene, everything will be fine."

But no one knew if those old men would stay out of it...

The family clan used to be one of the major clans, so they did have some very capable members.

Feng Wu moved very fast and soon reached Wave Yard, where the third branch of the clan lived.

Several servants were outside, and among them was Granny Ding, the guard of the place. She didn't recognize Feng Wu at first, but she knew Granny Zhao and Uncle Qiu.

She frowned and scolded them. "Granny Zhao, what's this? Are you invading Wave Yard now?!"

Granny Zhao and Granny Ding had been bought by the Feng clan at the same time, and the two of them had a competitive relationship. When the third branch of the clan rose to power, Granny Ding began to look down upon Granny Zhao.

Before Granny Zhao could say anything, Granny Ding smirked and said, "Who's this girl? And why does she have a tree? We don't need more trees here. Granny Zhao, I heard that your lady is about to marry into the Gu family, and you won't have a family to serve anymore. If you beg me, maybe I can go talk to Lady Gu, and she'll keep you here as a cleaner!"

She started laughing.

Around her were a few low-level teenage maids, and they all laughed with her.

The servants were divided into different levels as well.

Granny Zhao was a senior maid of the beautiful lady, but Granny Ding wanted to turn her into a cleaner. How humiliating!

Chapter 2259: Untitled

Granny Ding laughed so hard that she was in tears. She said, "I said so five years ago when Miss Wu lost her ability. I told you that you should work for Lady Gu, but what did you say? You said that Miss Wu would recover. What about now? Where's your Miss Wu?"

"Here!" Feng Wu put down the tree and stared at Granny Ding.

Only then did Granny Ding recognize her.

Her stomach lurched. After all, Feng Wu had just heard what she said about her. But she didn't think much of it because she still believed that Feng Wu was a good-for-nothing who lived more miserably than a maid.

At that thought, Granny Ding began to scold Feng Wu as if the girl was a low-level servant.

"Here you are, Miss Wu. You do look pretty, but your behavior is so..." She glanced at Feng Wu. "Where are your manners? What are you doing with that tree? No young lady should behave as rudely as this. If people outside hear about this, they'll think that Miss Qi is as bad as you are..."

Granny Ding sounded so arrogant, but she didn't get to finish...

Smack!

Feng Wu's tree jabbed her in the stomach.

The impact sent her flying backward...

Thump!

There was a loud noise.

Granny Ding smashed into the front gate of Wave Yard and knocked the doors open.

"Ahhh —"

Granny Ding was too weak to speak, but the low-level maids nearby all screamed in fear.

They all looked at Feng Wu in astonishment and didn't know how to react. Was she the "good-for-nothing" that Granny Ding had been talking about?

Was she the useless cousin that Miss Qi despised?

How could she be a good-for-nothing?

When the doors were forced open, several guards charged out.

They all held weapons. The leader was Steward Ding, Granny Ding's husband.

Granny Ding pointed at Feng Wu and said, "Miss Wu has lost her mind! Catch her and kill her!"

She was only a servant, but she wanted to kill her master. That was how arrogant the third branch of the clan was.

Feng Wu smirked.

A mere servant wanted to kill her now. How interesting.

Steward Ding shouted, "Miss Wu is crazy! Take her down now! If she resists, kill her!"

"Yes!"

The guards answered.

They thought that it would be a very easy job.

However, they soon learned the truth.

Thump! Thump! Thump!

Feng Wu struck out with the tree.

With every move, a man fell.

And when she swept it through the air, she knocked several men over.

With only three strikes, she defeated over a dozen guards. They all rolled over the ground and wailed.

Chapter 2260: Untitled

With only three strikes, she defeated over a dozen guards. They all rolled over the ground and wailed.

Granny Ding and Steward Ding watched this in disbelief.

Oh god!

That was so terrifying!

Miss Wu had defeated all of them with a mere tree!

It was as if the guards were made of paper!

“You...” Granny Ding sat on the ground, her face drained of all color.

Steward Ding was the same.

“Isn’t Miss Wu a cripple? Why...” Why was she so capable?

Lady Gu’s husband had paid a lot of money for these guards. They were all Spiritual Elders.

Steward Ding couldn’t tell what Feng Wu’s level was, because Feng Wu had hidden her cultivation level with the Concealing Jade.

Before they could do anything, Feng Wu marched into Wave Yard with the tree over her shoulder.

“Miss Wu! Miss Wu...” Steward Ding wanted to stop her, but Feng Wu smashed him into the wall with the tree.

He spat out a mouthful of blood and was too weak to do anything.

“My dear cousin, what’s this?” Feng Qi walked into the yard. She was relieved when she saw that Qiuling wasn’t with Feng Wu.

She still thought that Qiuling was the more capable one and that Feng Wu was still useless.

“Tell your mother to come out.”

Feng Wu sat down on a chair in the main hall, and the tree almost pierced the roof.

Feng Qi frowned. “Are you invading my home now? How hilarious.”

Feng Wu narrowed her eyes and repeated, "Tell your mother to come out."

Feng Qi sat down on a chair nearby and sipped on a cup of tea. "Or what? I'd love to know. Are you going to tear up this place?"

As a matter of fact —

Lady Gu wasn't in.

She was with Lady Wang in Flying Snow Building.

Right now, she was holding Lady Wang's hand as she cried, "Sister-in-law, you've come back just in time. Please help me."

Feng Yanfeng had his own business to handle and wasn't at home.

Only Lady Wang and her Granny Gui were there.

Granny Gui made some tea for Lady Gu.

Granny Gui resented Feng Wu's family. Because Feng Wu was on the rise now, she naturally wanted Lady Wang and Lady Gu to become allies.

Lady Wang felt the same.

She held Lady Gu's hands and said softly, "What's wrong, Sister-in-law? Feel free to tell me. I'll do everything I can to help you. Is it my brother-in-law?"

Hearing that, Lady Gu immediately smiled. "No, my husband is really kind to me. It's about the second branch of the clan..."

"Come to think of it, Feng Wu's father has been missing for many years, hasn't he? To this clan, he's as good as dead."
