

G E D 2511

Chapter 2511 Zuo Qingluan Said So

Emperor Wu didn't know what to say.

He began to wonder if he had indulged his mother too much. She had become so arrogant and willful that he couldn't remember what she was like before.

He knew that whenever he indulged his women too much, they became unreasonable.

Why was his mother giving him the same feeling? Or was he overthinking it?

"What are you waiting for? Kill her!" the empress dowager urged.

Zuo Qingluan and Empress Dugu looked at Emperor Wu.

Emperor Wu cleared his throat and put his hands behind his back, as if he was waiting for someone.

He was.

When Empress Dugu mentioned the Immortal Spiritual Fruit, he knew that his mother would be furious.

He couldn't do anything about his mother, but someone else could.

Gao had already sent a servant to fetch Jun Linyuan.

Emperor Wu thought, "It's time to test how much Jun Linyuan cares for Feng Wu."

It would take Jun Linyuan at least fifteen minutes to come to court from his residence after he received the message.

Only eight minutes had passed so far, so the servant should have just arrived at the crown prince's residence.

Emperor Wu thought that he needed to stall for a few more minutes.

But he was wrong.

He heard footsteps outside.

"All hail His Royal Highness —"

Ssss —

Emperor Wu drew in his breath because Jun Linyuan had arrived much sooner than he had expected. Everyone turned in that direction.

Zuo Qingluan had a bad feeling when she heard the announcement.

She had only revealed the secret to the empress dowager because Jun Linyuan had forgiven Feng Wu. She wanted the empress dowager to hate Feng Wu so that she could put some pressure on Jun Linyuan.

Jun Linyuan arrived with his usual demeanor.

His intimidating aura filled the room.

It was an aura which overpowered Emperor Wu's.

And he was unapproachable.

Everyone in the room could sense his energy.

Feng Xun came in after Jun Linyuan.

He gave Zuo Qingluan a taunting look, and Zuo Qingluan had to pretend that she didn't see it.

She had a feeling that she was going to be humiliated again.

She tried to convince herself that it wasn't going to happen.

"Junjun -"

The empress dowager was excited to see Jun Linyuan. She grabbed his hand and said, "Junjun! My Baby Jun..." Baby Jun... Feng Xun wanted to laugh, but he forced himself to keep a straight face.

Boss Jun would kill him if he laughed.

Jun Linyuan frowned and said coldly, "Grandmother!"

He had talked to the empress dowager twice about the way she addressed him.

His tone reminded the empress dowager of their conversation, so she took his hand and said obsequiously, "Sure, sure, I won't call you that. But you've been so careless! How could you let someone trick you like that? If Zuo Qingluan hadn't told me, I would never have known so many things."

Zuo Qingluan glared at the empress dowager.

How could she say that?!

To make herself seem a neutral party, Zuo Qingluan had told the whole thing to Empress Dugu, who had then told the empress dowager; why would the empress dowager blame everything on her? You're ruining my reputation, you old hag!

Chapter 2512 He's Pleased

Zuo Qingluan was so furious that she wanted to slap the empress dowager. But the empress dowager didn't know that. She was holding Jun Linyuan's hand and complaining. "Jun Linyuan, that Feng Wu is so evil! She's been using you the whole time!"

Jun Linyuan wanted to retort, but the agitated empress dowager wouldn't let him.

"Junjun, shall we kill her?" Kill her?!

Jun Linyuan's eyes glinted coldly when he heard those words.

The empress dowager was chilled to the bone, and her stomach lurched.

She felt as if she was being dragged into an abyss.

She was horrified.

Jun Linyuan calmed down and said, "I know what she did."

He knew?!

Everyone stared at Jun Linyuan in disbelief.

Why didn't he kill Feng Wu, then?

Zuo Qingluan took a deep breath.

She already knew that it was impossible to make Jun Linyuan get angry at Feng Wu. She only hoped that he wouldn't blame her for telling the empress dowager.

The empress dowager stared at Jun Linyuan. "You knew? Then why didn't you kill her? She stole Bao Er's Immortal Spiritual Fruit!"

She couldn't understand why the boy wouldn't kill the person who deserved to die.

Jun Linyuan gave her a warning look and said coldly, "I'm not killing her."

The empress dowager was disappointed. The boy had never given her that look before.

She said, "But she..."

Jun Linyuan waved her off. "She said she would treat Bao Er."

The empress dowager asked, "What if she can't cure Bao Er?"

All eyes were on Jun Linyuan. They all wondered the same thing. What if Feng Wu couldn't cure Bao Er? Her condition was so severe that even Master Linghu couldn't do much about it.

Zuo Qingluan, who had wanted to leave, also stopped and looked at Jun Linyuan.

What if Feng Wu couldn't cure Bao Er? His Royal Highness would have to kill her then, right?

However...

The crown prince's answer surprised everyone.

"If she can't cure Bao Er, she'll use herself as compensation."

Teehee —

Feng Xun didn't want to laugh, but he couldn't help it.

He had never seen the crown prince lie like that.

But he was the only one laughing. The other people were all astonished.

Feng Wu would be the compensation...

How could that happen?!

That was preposterous!

Zuo Qingluan looked at Jun Linyuan and saw the pleased look on his face.

Why was he so pleased?

Zuo Qingluan was so shocked that her mind went blank.

No!

I won't admit it!

I'll never admit that His Royal Highness is in love with Feng Wu! Never!

Zuo Qingluan put a hand on her chest, and the dull pain made her want to cry.

His Royal Highness must be in love with Feng Wu's good looks!

That's right!

It's only her looks that he's into!

The empress dowager was almost as furious as Zuo Qingluan was.

Chapter 2513 It's Not Your Call

Somehow, the empress dowager felt as if her dear grandson was being taken away from her. She grabbed Jun Linyuan's hand and shook her head. "Junjun, we can't have her! She'll bring you so much trouble!"

She was certain that Feng Wu was using Jun Linyuan, and she couldn't wait for Feng Wu to disappear. There was no way she would let Feng Wu anywhere near her grandson.

But the crown prince...

He looked at the empress dowager and made an announcement.

He said calmly, "It's not your call."

Someone chuckled.

This time, it was Emperor Wu.

He feared that his mother would hear her, so he quickly turned to the other side.

The empress dowager had been bullying him all this time, but now, she couldn't do anything to Jun Linyuan.

The empress dowager was so shocked.

She didn't know what to say. She stared at Jun Linyuan, but no words would come out of her mouth.

Jun Linyuan then turned around and glared at Zuo Qingluan.

"Don't come to court anymore." He stopped Zuo Qingluan from trying to win over the empress dowager.

Zuo Qingluan felt as if she had been slapped.

“I wasn’t the one who told the empress dowager...” She tried to explain. But she was talking to the crown prince.

He was Jun Linyuan.

He didn’t listen to excuses.

That was, apart from Feng Wu’s excuses. He looked at Zuo Qingluan as if she were a total stranger. Zuo Qingluan’s heart sank.

Jun Linyuan left before she could say another word.

He walked away, just like that.

As soon as he was gone, the air didn’t feel so frigid anymore.

Jun Wuxia was the first to react.

She glared at Zuo Qingluan. “Didn’t you say that my brother is madly in love with you? Does it look like he’s infatuated?!”

Empress Dugu wanted to smack Jun Wuxia.

Why would she say such a thing?!

However, Empress Dugu’s attitude toward Zuo Qingluan had also changed.

She thought highly of Zuo Qingluan because, apart from being the sacred lady of Firmament Palace and having the True Phoenix Blood, the crown prince was also supposed to be madly in love with her.

Such humiliation...

Zuo Qingluan swayed and fell to the floor.

She had fainted.

“Qingluan?!” Mrs. Zuo and Empress Dugu both rushed to her side.

All people sympathized with the weak.

If Zuo Qingluan had stormed off, no one would be impressed, but now that she had passed out, people felt sorry for her.

The empress dowager hated Feng Wu so much that she was almost out of her mind.

An enemy’s enemy was a friend. Therefore, she liked Zuo Qingluan very much now. “Master Chu, do something!” the empress dowager shouted at Master Chu.

Master Chu rubbed his nose. Poor Feng Wu. She wasn’t even here, but the empress dowager hated her so much.

The incident was kept a secret from many people, but Feng Wu wasn’t just anyone.

Feng Xun saw everything.

In Fallen Star Yard – “Xiao Wu, listen to me. It was hilarious!”

Chapter 2514 How Troublesome

Feng Xun went all the way to Fallen Star Yard to tell Feng Wu what happened.

“Can you imagine? When the empress dowager said that it was Zuo Qingluan who told her, Zuo Qingluan looked like she wanted to kill someone.

“And when Boss Jun said that you were going to make yourself the compensation, the empress dowager and Zuo Qingluan looked like they had seen a ghost.

“Zuo Qingluan thought she could use that piece of information against you, but she failed.

“It was hilarious!”

Feng Wu rested her face on her hands and looked at Feng Xun curiously.

Feng Wu asked, “Did His Royal Highness really humiliate Zuo Qingluan in front of so many people?”

Feng Xun nodded. “Yes, he did. Boss Jun doesn’t care how the empress dowager feels, let alone Zuo Qingluan. The most ridiculous thing is that Princess Jun Wuxia asked Zuo Qingluan afterward, ‘Didn’t you say that my brother is madly in love with you? Does it look like he’s infatuated?’

“Zuo Qingluan was so furious that she passed out after that.”

Feng Xun was laughing, but Feng Wu felt troubled.

Why is Zuo Qingluan so stubborn? Other people would have admitted that Jun Linyuan is in love with me! I should have finished the eleventh trial by now!

But now, she was stuck.

Zuo Qingluan knew what was going on, but she just wouldn’t face the truth.

Because of that, Feng Wu couldn’t finish the trial. How annoying.

But there was something else even more troublesome.

That was Jun Linyuan’s attitude toward her. She couldn’t bring herself to think further, and tried to convince herself that they were fine being just friends.

Feng Xun shook his head.

Why was he even telling her all this? He had better things to do.

He wanted to show Feng Wu what Boss Jun had done for her. He hoped that those things would move her heart.

Feng Xun could see that the girl had hidden her feelings away.

Just then, they heard footsteps outside.

Chaoge had arrived.

“There.” She handed Feng Wu a letter.

“What’s that?” Feng Wu was perplexed.

“It’s the registration letter for Year 4.” Chaoge grinned at Feng Wu. “I’m in Year 4 as well, and we’ll be going together.” Feng Wu said, “When did you skip Year 3?” Chaoge said, “When you were obsessing over the crown prince.” Feng Wu said, “When did I ever do that?”

Chaoge said, “Fine, you didn’t. You were just competing with Zuo Qingluan. Therefore, I took the test on my own, and I passed. I can go to Year 4 with you!”

Feng Wu shook her head and picked up the letter.

She frowned. “Tomorrow? Do I have to go?”

Feng Xun nodded. “You do. Normally, the passageway to Year 4 only opens once a month. If you don’t go tomorrow, you’ll have to wait another month.”

Chapter 2515 Who Else?

Feng Xun grinned at Feng Wu. “Of course, that restriction is only for ordinary people. If Boss Jun goes with you, that passageway is always open.”

All the things privilege could do...

Feng Wu nodded. “I’ll go to Year 4. That is, the War Academy.”

In the Imperial College, each year was given a different name, and Year 4 was the War Academy.

Seeing that Feng Wu was going, Feng Xun became serious. “Of course, you can go to the War Academy, but once you’re there, just be a normal student. Don’t get involved in anything else.”

Feng Wu asked, “What do you mean by ‘anything else’?”

Feng Xun said sternly, “You’re not a student there yet, and there are things you can’t be told yet. Once you’re officially one of them, you’ll know. I can’t make an exception for you.”

Feng Wu’s heart sank a little. By the sound of it, things could get quite serious.

Feng Xun said, “Boss Jun and I have graduated from Year 4, and we can’t go back as students. Once you’re there, you’re on your own.”

Feng Wu nodded. “Yup.”

Feng Xun said, “What I can tell you is that the students there are all very aggressive. They love fighting. If someone picks on you, you can go to Chen Ziyun for help. He’s the president of the Martial Arts Society.

“But don’t get too close to him. In fact, don’t go to him unless it’s really necessary!”

Feng Wu was intrigued. Who was this Chen Ziyun, and why would he have such an effect on Feng Xun?

“And don’t take part in their wars,” said Feng Xun. “No matter how persuasive they are, don’t get involved!”

“Wars?” Feng Wu was perplexed. “What wars?”

Feng Xun said sternly, “I can’t tell you more. I’m already telling you too much. Just keep in mind: Don’t join them!”

Feng Wu said, “Alright.”

She was more concerned about her tasks. The eleventh trial still wasn’t finished, and there was also the bonus task regarding Bao Er.

She knew that things wouldn’t always turn out the way she wanted.

Sometimes it was up to fate.

“Remember to ask around about the Immortal Spiritual Fruit for me,” she reminded Feng Xun.

Feng Xun nodded.

Feng Wu wasn’t going to stay in Year 4 for too long. The 12 Trials of Love and Bao Er were the top priority. She would graduate from the War Academy in a month.

Because she wouldn’t be home for a month, she made sure that everything was covered.

She felt quite safe now that two elders had become her friends and that the white fairy was guarding Fallen Star Yard.

The next day, Feng Wu and Chaoge went to the assembly hall of the War Academy.

The location surprised both of them.

Because it was a gambling house.

It was Lucky House, the biggest gambling house in the empire.

They followed the winding corridor and arrived at a courtyard.

Two people were already waiting there. Feng Wu recognized them right away. They weren’t exactly friends.

One was Gu Xingyuan, the third son of the Gu family.

The other one was Chu Junying, the girl who had a crush on Gu Xingyuan.

Feng Wu wondered why Gu Xingyuan was here since she didn’t think that he was capable enough.

Chapter 2516 Enemies (1)

And how did Chu Junying get in?

Hadn’t the Gu family been arrested for treason? Why was Gu Xingyuan still a free man? Feng Wu wondered if she had missed something

She glanced at them again. Level 6 Spiritual Lords?!

Both Gu Xingyuan and Chu Junying had become Level 6 Spiritual Lords!

A teacher was already there to greet them. Feng Wu heard Gu Xingyuan address him as Mr. Han.

Mr. Han was kind to Gu Xingyuan, but the look he gave Feng Wu wasn't very friendly.

Feng Wu didn't know what to say.

Gu Xingyuan's eyes were filled with hatred when he looked at Feng Wu.

But he soon looked away.

Feng Wu knew that he was only temporarily hiding his hatred, which had to be gnawing at his heart now.

She didn't dwell on it. She was a Level 9 Spiritual Lord and far more advanced than he was.

"Mr. Han, is everyone here? Can we leave now?" Gu Xingyuan asked calmly, as if he didn't see Feng Wu. Mr. Han shook his head.

Were more people coming?

Just then, there were footsteps outside —

Everyone turned around.

"Miss Qingluan?!"

Chu Junying cried out in surprise.

She had met Zuo Qingluan before and was a big fan. Finding Zuo Qingluan here was a very big surprise.

Gu Xingyuan was equally amazed. Mr. Han had remained nonchalant until Zuo Qingluan showed up. He quickly walked up to her and greeted her respectfully. "Miss Qingluan, you're finally here. Please."

He then blocked Feng Wu's way. A portal opened.

In Feng Wu's eyes, it looked a lot like an elevator.

Chaoge was displeased when Mr. Han got in the way. Zuo Qingluan had been trying to undermine Feng Wu recently, but Feng Wu had managed to defuse all the crises. Duan Chaoge despised Zuo Qingluan for what she had done. However, the sacred lady still had a lot of fans.

"We got here first! We should go in before her!" Chaoge was indignant that Xiao Wu had to make way for this fake fairy.

Zuo Qingluan couldn't be bothered to look at Chaoge or Feng Wu.

It was as if her recent failures never existed. She was back to being the arrogant sacred lady.

Chaoge was furious.

What was that attitude?!

Mr. Han glanced at Chaoge and said, "Who gave you permission to speak?"

Duan Chaoge stared in shocked silence.

Mr. Han then bowed and made an inviting gesture to Zuo Qingluan. He said obsequiously, "This way please, Miss Qingluan."

Zuo Qingluan then walked through the portal.

Chaoge stomped her foot.

Feng Wu glanced at her. "Calm down."

Chaoge said, "Who does she think she is? Did you see how she looked at you? I'm so —".

The portal was about to close.

Mr. Han asked impatiently, "Are you going in or not?"

Chapter 2517 Enemies (2)

Chaoge said, "We're n—"

But Feng Wu dragged her through the portal.

Chaoge glared at her, wondering why they had to put up with these people.

Feng Wu glanced at her.

Chaoge needed to grow up. Right now, she would explode at the slightest provocation, which wasn't a good thing.

She had to control her temper. Otherwise, it would become her downfall one day.

In the tiny space inside the portal —

Gu Xingyuan glared at Feng Wu. If looks could kill, she would already be dead. Feng Wu was the reason he had lost his whole clan. Chu Junying was Gu Xingyun's girlfriend, and she worshipped Zuo Qingluan, so she hated Feng Wu even more.

Everyone knew of the grudge between Zuo Qingluan and Feng Wu.

It was obvious that Mr. Han was biased toward Zuo Qingluan.

If Feng Wu started a fight here, she would be at a disadvantage.

Of course, she was smarter than that. Leading Chaoge to a corner, she sat down and started cultivating with her eyes closed. After she closed her eyes, Zuo Qingluan gave her a resentful glance before looking away.

Jun Wuxia had seen through her lie the night before. She was scolded by the empress dowager and Emperor Wu before Jun Wuxia scorned her. In the end, she had to pretend to pass out to get away from the palace. After going back home, she really wished she could pass out.

She didn't know how to face other people.

With Feng Wu still alive, Zuo Qingluan didn't feel that she could stay in the imperial capital anymore.

Although only a handful of people knew what had happened, Zuo Qingluan still feared that Feng Wu would spread the news.

She had really thought about killing Feng Wu.

She had almost reached the Feng clan when she realized that it was a bad idea.

She couldn't kill Feng Wu yet, not like this. When she heard that Feng Wu was going to the War Academy, she had an idea. She knew how she could get rid of Feng Wu forever without having to do it herself!

That was why Zuo Qingluan was here.

She wanted to see who would be more popular in the War Academy.

She wanted to get back at Feng Wu.

Ding –

Zuo Qingluan was still lost in thought when the other end of the portal opened.

They were in the wild.

It was in the middle of a forest.

"This is the Thousand Night Forest," said Mr. Han. He stayed close behind Zuo Qingluan and explained, "The War Academy is right here in this forest. The safety zone is the area in a range of 10km around the academy. Beyond that, there are all sorts of fierce animals."

Feng Xun had explained to Feng Wu before she came here that all students of the War Academy would earn points from killing wild beasts, and their ranking on the billboard would depend on their score.

Only people who ranked high on the billboard could apply to graduate.

A team was coming back from their hunting trip. There were four boys and one girl.

The boys greeted Mr. Han when they saw him. Mr. Han was in charge of opening the portal, and they all needed to go to him every month if they wanted to go home. Therefore, no one could afford to offend him.

Chapter 2518 The Prettiest Girl

One of the boys couldn't help but notice Zuo Qingluan.

What a pretty girl!

"Mr. Han, who do we have here? I don't think Shan Jingfei will be the prettiest girl in our year anymore."

"Ling Hao, this is Miss Zuo Qingluan, the sacred lady of Firmament Palace." Mr. Han liked Ling Hao, so he gave the student a reminder, fearing that he might offend the sacred lady unknowingly.

Zuo Qingluan, the sacred lady? Ling Hao recalled the name and cried out, “As in the one with the True Phoenix Blood?!”

Mr. Han nodded.

“Holy crap! She’s so famous!” Ling Hao smiled obsequiously, “Miss Qingluan, I’m —”.

However, Zuo Qingluan walked right past him before he could finish his sentence.

She ignored him completely.

Mr. Han left with Zuo Qingluan as if he was her servant.

Ling Hao had already stuck out his hand, and he was embarrassed.

“Hahaha -“

Ling Hao’s team consisted of five people.

However, the other four weren’t as outgoing as Ling Hao, so they didn’t try to approach her.

But they didn’t expect Zuo Qingluan to be so arrogant.

Seeing the look on Ling Hao’s face, his friends burst out laughing.

Because it came from a girl, the teammates didn’t think much of it.

Ling Hao cleared his throat and scratched his head awkwardly. “All pretty girls are proud. It’s normal.”

Zuo Qingluan was indeed a pretty girl. As soon as she showed up, the boys in the academy went crazy.

But —

Just when they thought that Zuo Qingluan was going to be the prettiest girl in the academy, Ling Hao spotted Feng Wu.

And when he saw her...

He felt his blood freeze!

He couldn’t look away.

What a beautiful girl!

She had translucent skin and exquisite features. He had never seen anyone like her before!

Zuo Qingluan might be the prettiest girl in the academy, but this girl was on a whole other level!

No one could compete with her! Miss Qingluan was pretty in an ordinary way, but this girl almost seemed to belong to another world!

“Who are you?” Ling Hao could barely form a coherent sentence.

When he saw Zuo Qingluan, he had tried to shake her hand, but now, he was almost too scared to talk to this girl.

Feng Wu beamed at him. "I'm Feng Wu, and this is Duan Chaoge. We're new here. You're Ling Hao, right? I heard Mr. Han call you that."

Ling Hao was amazed.

After seeing how arrogant Zuo Qingluan was, he thought that this girl would be ten times prouder. To his surprise, however, she was so easygoing.

Chapter 2519 Amazing Girl

Ling Hao's friends were as shocked as he was.

She was pretty, gentle, and approachable. What an angel!

The War Academy had very few girls and even less pretty ones. Having Feng Wu here was a miracle!

Shao Xiao stared at Feng Wu and nudged Ling Hao with his elbow.

"Introduce us, you idiot!"

Ling Hao snorted.

When Zuo Qingluan ignored him, they laughed so hard. Now, they wanted his help!

Ling Hao was honored to know such a pretty girl, so he introduced his friends. "This is Shao Xiao, our team leader. He's into girls."

Shao Xiao grinned at Feng Wu while he stomped on Ling Hao's foot. "Shut up!"

Ling Hao's cheek twitched. That hurt!

He went on, "This is Wang Zhi, the second-in-command. He's very smart and likes deducing things.

"I'm third.

"Fourth is Ye Han. She's a great healer.

"And fifth is Cheng Fang. Look, he's two meters tall and is almost a human shield."

Feng Wu noticed that the four boys were very friendly, but Ye Han was practically hostile toward her.

She didn't know what to say.

Were all women natural enemies?

But Feng Wu didn't care. With how she looked, she was used to being targeted by other girls.

Just then, they heard a loud whistle.

"The academy is calling us to assemble." Ling Hao found it strange. "They usually won't interrupt our cultivation like this. What's going on?"

"Let's go back now," Ye Han urged him. That way, she could get away from Feng Wu.

Ling Hao nodded. "Sure. Miss Feng Wu, you're one of us now, and you need to go to that assembly as well. Come with us."

Ye Han was infuriated.

But she couldn't let the others see it and could only sulk on her own.

They still had 15 minutes left when they got back, so Ling Hao took Feng Wu and Chao to complete their registration.

"You'll visit the place a lot in the future," Ling Hao told them. "After our hunting trips, you have to come here to exchange the animals for points."

"Hey, Wang, wake up. You have guests!" Ling Hao seemed to get along with everyone. He walked up to the counter and tapped the counter top.

Wang had dozed off. He saw three people standing in front of him.

All four boys had offered to walk with Feng Wu, but Feng Wu found it too over the top and suggested that she could go on her own. However, the team insisted that one of them go with her.

After a round of paper, rock, and scissors, Ling Hao won.

"Since when were you so lucky? Who's the pretty girl?" Wang yawned and glanced at Ling Hao.

Ling Hao chuckled. "She's a new student. Please hurry up. After the registration, we need to go to the assembly. Did you hear the whistle?"

"I need your exam results for Year 3," Wang said to Feng Wu.

Ling Hao looked away.

He decided that she was too pretty to be a serious cultivator and didn't want to see her grades because they wouldn't be any good. He didn't want to embarrass her.

Chapter 2520 First Day

Ling Hao looked away so that he wouldn't embarrass Feng Wu.

As a result, he didn't see the look on Wang's face when he saw Feng Wu's grades.

People here in the War Academy were sealed off from the outside world by the forest.

They could go home once a month but could stay no more than two days. To accumulate as many points as possible, most students hardly ever went back home. Therefore, they were quite behind on the news outside.

Wang's hand trembled a little when he saw Feng Wu's grades.

He couldn't believe that such grades existed.

He looked from the paper to Feng Wu in amazement, then looked back at the paper again.

Feng Wu was perplexed. "Is something wrong?"

Before Wang could answer, Ling Hao interjected. "Don't be so strict. One point or two won't make any difference. Just let her in. Here, I've brought you some nice wine!"

"Go away." Wang waved him off. He looked Feng Wu up and down, amazed by how capable this pretty girl was.

He put the paper away and took out a booklet.

Ling Hao knew that it was time for Feng Wu to choose her room.

He immediately said, "Wang, are there any four-bed rooms left? The six-bed ones aren't as convenient. Look at how pretty Miss Feng Wu is. Someone's bound to get jealous."

Wang rolled his eyes at Ling Hao.

With Feng Wu's grades, she deserved a room all to herself!

However, Feng Wu took Chaoge's hand and said, "I want to share a room with her."

Chaoge handed over her report card.

Wang looked at her grades.

Ling Hao leaned over to take a look as well.

"You barely passed the exam. That was close. You could have been rejected. How lucky." Ling Hao patted Chaoge's shoulder in a brotherly manner. Chaoge said, "I made it from Year 1 to Year 4 within a year, and you call me lucky."

"What?! From Year 1 to Year 4 in one year? You must be joking!" Ling Hao couldn't believe it.

He grabbed the report card from Wang, and his eyes widened when he saw the content. "Gosh! You really skipped Year 2 and Year 3! Are you even human?!"

He had thought that Chaoge was a foil for Feng Wu, but as it turned out, she was a genius herself!

Chaoge was very proud.

If he's so excited to see my grades, what will he do when he sees Xiao Wu's?

Wang was impressed by Feng Wu's grades, so he was patient enough to explain to them, "You're allocated dormitories by your ranking on the billboard. Since you're new, you don't have much choice. Right now, there's only one four-bed room available, and it already has two occupants."

Feng Wu nodded. "That one's fine."

Wang quickly completed Feng Wu and Chaoge's registration.

They each received a key.

Ling Hao looked at the form, and his eyes lit up. "You're in the same dorm as Ye Han!"
