### **Chapter 2531 Ways to Earn Points**

Feng Wu asked, "How difficult is it?"

Ling Hao said, "Didn't Wang give you an armband? All the points are saved there.

"You're given 100 points when you register, but accommodation and food will both cost you points. You won't be able to pay for anything if you don't earn points."

Feng Wu said, "Will I be expelled if I can't pay?"

Ling Hao stared at her. "Do you want to be expelled?"

Feng Wu said, "I don't care, actually."

The fairy said in her head, "You can't be expelled!"

Feng Wu asked, "Why?"

The fairy said, "If you're expelled, your master will never wake up!"

Feng Wu asked, "What? Why?!" The fairy disappeared.

Feng Wu was astonished! Was the fairy blackmailing her now?

Seeing that Feng Wu was in a daze, Ling Hao waved his hand in front of her face.

Feng Wu looked at him.

not

eve

Ling Hao said, "It's more complicated than that. The punishment is more severe than just expulsion. Just earn as many points as possible and don't go into debt!"

Feng Wu said, "I'll do my best."

Ling Hao was about to say something else, when Feng Wu cut him off. "How do I earn points?"

Ling Hao said, "There are a few ways. One is to complete tasks. You can get the requests from Wang, and you earn points when you complete them.

"Another way is through exams. We have an exam every month, and the top three students in each class are rewarded. Class E's points are the lowest, but they're enough for junior students like you."

Junior students?

Feng Wu checked Ling Hao's cultivation level and wanted to shake her head.

“You’re in the same room with Ye Han. I’ll get her to... Hey, where is she?” Ling Hao turned around and saw that Ye Han wasn’t with his team members.

Cheng Fang said awkwardly, “Ye Han said she didn’t feel well, so she went back...”

Everyone could see that Ye Han didn’t like Feng Wu.

Ling Hao was embarrassed.

Feng Wu shook her head. “We’ll settle in and go see Wang for our tasks. Don’t worry about us.”

She waved at him, then left with Chaoge.

Feng Wu was a Level 9 Spiritual Lord. People in the imperial capital thought that she was only at Level 6, and the students here probably took her for a Level 3 Spiritual Lord.

That was because most students in Class E were at Level 3; Chaoge was even at Level 2.

She barely made it into Year 4.

The living quarters were huge.

However, there were signs everywhere, and they soon found the girls’ dormitory.

They were stopped at an iron gate.

The moderator was a middle-aged woman. She looked condescendingly at Feng Wu and didn’t seem very friendly.

Feng Wu and Chaoge did everything by the book, so she wasn’t able to accuse them of anything when she examined their personal belongings.

### **Chapter 2532: You Must Graduate**

In the end, the moderator could only stare at Feng Wu in resignation.

She wondered how this pretty girl had messed with the wrong people.

Recalling the person who had hired her, the moderator shook her head and stared at Feng Wu. “The room is 90 points a month. Stick out your hand.”

The woman scanned her armband, and the points were deducted.

Before Feng Wu could say anything, Chaoge snapped, “90 points a month?! But we only have 100 points! We need to eat!”

The woman said grumpily, “That’s the rule. We deduct the points once a month. I don’t have the time to scan you every day!”

Chaoge was furious.

She believed that the woman was doing it on purpose.

The woman rolled her eyes at Chaoge. "If you can't afford a four-person room, you can move to an eight-person one when they're available. Poor people are so annoying!"

Chaoge felt humiliated. "I'm going to file a complaint!"

The woman said, "Go ahead! Do I need to show you the way?"

Feng Wu stared at the woman, and the look in her eyes made the woman uneasy. The woman said, "What are you waiting for? Get moving!" Feng Wu smiled. "You never know who'll be the winner in the end."

The woman snorted.

Zuo Qingluan was going to be the future wife of the crown prince, and Feng Wu was only an ordinary girl. That was what the woman believed.

"Hear me out: You should be content with what you have. You're just not built to become someone important. Accept it. You can go to your room now!" The woman then chased Feng Wu and Chaoge away from the office.

Chaoge was furious.

But after what Feng Wu told her, she had to control her temper.

Feng Wu asked, "You're mad, aren't you?"

Chaoge said, "Yes."

Feng Wu said, "Then let your frustration become your motivation!"

Chaoge nodded.

They had heard from Ling Hao that there was a cultivation room here. It was rich in the spiritual essence of all elements.

Chaoge's cultivation ability had been fundamentally changed in the tomb, and she had taken up Unflower's skills. As a result, she focused on the fire and wood elements now.

Although Fallen Star Yard had a formation for gathering spiritual essence, there wasn't anything that was specifically for the elements she needed.

She was looking forward to earning some points so that she could go to that cultivation room. Both she and Feng Wu only had 10 points left, and they could barely afford any food.

Their keys said that they were in Room 2001.

They found the room.

The door opened.

Feng Wu looked inside and found that it was a spacious flat. There was a living room in the center, and each corner of the living room led to a bedroom. Luckily, each student had their own room. Otherwise, Feng Wu wouldn't be able to stand it.

“You have to graduate. Otherwise, your master won’t wake up,” the fairy reminded her again.

It seemed that she was worried that Feng Wu would leave.

Feng Wu was perplexed. “But why?”

The fairy didn’t answer..

### **Chapter 2533: Until You Surrender**

Feng Wu didn’t know what to say.

Why did she have to graduate? Did it have something to do with her beautiful master?

“I can only give you a little hint,” the fairy spoke again. “It has something to do with the third broken star piece.”

She stopped talking after that.

Feng Wu didn’t know what to say.

“Who are you? Who permitted you to come in?”

Someone shouted at Feng Wu and Chaoge.

The girl had a knife in her hand, and she looked like she was ready to start a fight at any moment.

Chaoge was already frustrated, and the girl’s tone upset her even more. She glared at the girl. “We opened the door with our own key! We’re going to live here as well! Do you have a problem with that?”

She tossed her key up and down as she spoke.

The girl was called Zi Ling, and she was also a student of Class E. She glared at Chaoge and Feng Wu but didn’t say anything. Stomping her foot, she went back to her room.

She slammed the door behind her.

Chaoge pointed at the door and turned to Feng Wu. “What’s wrong with the people here? Why are they so unfriendly?!”

Feng Wu only smiled.

Had it not been for Zuo Qingluan, they would have been very popular.

After Zuo Qingluan publicly announced her hostility toward Feng Wu, the entire War Academy would support her.

“Don’t mind her,” Feng Wu said indifferently.

“Don’t mind her?” Of course Chaoge minded that girl’s attitude. She couldn’t understand how Feng Wu could remain unaffected.

The best two rooms had been picked, leaving them with two inferior ones.

Chaoge opened one and found that it was filled with old junk.

“Did someone turn this place into a storage unit?!” Chaoge shouted at the two closed doors.

But no one answered.

Zi Ling smirked.

Because those two rooms had been empty for a while, Ye Han turned one of them into her storage room. Zi Ling had followed suit after that. Chaoge smirked. “If you won’t empty out the rooms, I’ll do it for you!”

She opened the doors.

Feng Wu had given her a storage bag, so she emptied both rooms with a wave of her hand.

She then went to Zi Ling and Ye Han’s rooms.

Whoosh

She dumped everything outside their rooms, blocking their doors.

Hearing the noise, Zi Ling opened the door.

The junk poured into her room.

“You!” Zi Ling came out and wanted to slap Chaoge.

But she wasn’t Chaoge’s match..

Chapter 2534 OMG

Chaoge pinned Zi Ling’s hands behind her back.

“Let go of me! Ye Han, help!” Zi Ling cried out.

But Ye Han’s door never opened.

No one knew if Ye Han was in her room.

Probably not.

“You’ve both disrespected Miss Qingluan! You’re going to die!” Zi Ling threatened Chaoge. “Let go of me! I’ll kick your ass!”

Chaoge smirked. “Fine. Bring it on.”

Thump! Thump! Thump!

More blows were exchanged.

Zi Ling was covered with bruises and couldn’t even stand up.

She sincerely regretted her decision.

She couldn't understand how a new student could beat her. She was an average student in Class E. That shouldn't happen.

She wished that she hadn't confronted the two girls.

Chaoge stepped on Zi Ling's back. "Ready to surrender?"

Zi Ling wanted to say no.

Chaoge said, "I can do this all day!"

Zi Ling didn't want to fight her anymore.

Chaoge smirked. "If you want some more fights, I can give you that chance!"

Zi Ling was so frightened that she almost burst into tears.

Why was the girl so fierce?

They fought from morning to evening, and Zi Ling felt like all her bones were broken.

"I surrender..." she said.

Chaoge let go of her. "You'll be my minion from now on. You'll have to do as Xiao Wu says. Understood?"

Zi Ling couldn't understand it.

If she had become Chaoge's minion, why should she follow Feng Wu's orders?

Seeing the way Chaoge handled Zi Ling like a chicken, Feng Wu felt sorry for the girl. She handed Zi Ling some ointment. "For your wounds."

Her face was bruised and swollen.

Zi Ling didn't know how miserable she looked until she stood in front of a mirror.

She cried out.

Chaoge snapped. "Quiet! It's just a little scratch!"

"A little scratch? Look at my face!" Zi Ling was almost in tears. "The whole class is going on a mission tomorrow. How am I supposed to go out like this?"

Chaoge scratched her ear. Zi Ling was so loud.

Zi Ling grabbed Chaoge's arm and shook her. "Did you have to hit my face? My face!"

She really was crying now.

Chaoge felt a little guilty. "Are you really crying now?"

Zi Ling ignored her.

Chaoge said, "Didn't Xiao Wu give you that ointment? That's a Supreme Level medicine. Use it and you'll be good as new."

Zi Ling didn't believe her because Supreme Level medicine could be very expensive. It shouldn't be something that Chaoge could afford.

"See for yourself," said Chaoge. "That's not even her best work."

Zi Ling thought, "You're still lying to me! I won't be taken for a fool!"

She threw away the bottle.

Thud!

The bottle cracked when it hit the floor, and the smell filled the air.

Chapter 2535 How Generous (1)

The bottle cracked when it hit the floor, and the smell filled the air.

What a wonderful smell!

Zi Ling ran over and picked up what was left of the bottle.

It really was a Supreme Level medicine.

"No, it can't be... Medicines of that level are so expensive! Why would she give it to me for free?"

Chaoge rolled her eyes at Zi Ling. "That's the last one. Throw it away if you want."

Zi Ling felt conflicted, but if her wounds weren't treated, she couldn't go out tomorrow.

"Fine, I'll use it."

Zi Ling scooped up some of the ointment and applied it to her skin.

She smeared it on her face, her arms and her legs.

She didn't know if she would recover in time.

The idea of meeting the whole class like this the following morning made her frustrated.

"I'll never forgive you if I can't recover by tomorrow!" Zi Ling stormed back to her room.

Early the next morning –

"Chaoge! Chaoge!" Zi Ling banged excitedly on Chaoge's door.

Chaoge was still in bed, and she opened the door with a flick of her fingers.

"Chaoge!" Zi Ling ran into the room, opened the curtain to let the sunlight in, and grabbed Chaoge's hand.

Chaoge didn't like being woken up this way.

Zi Ling said, "Look! All my wounds and bruises are gone!" Chaoge said sleepily, "Alright." Zi Ling said, "Look! My skin is so smooth! It has never been this good before!"

She had always felt inferior because of her darker skin tone, but after using the ointment, she was glowing.

It was incredible!

Chaoge nodded and wanted to go back to sleep.

Zi Ling wouldn't let her. "Just look at me! I'm so fair now!"

Chaoge rolled her eyes at Zi Ling. "Why are you so surprised? You used the Supreme Level medicine! Say another word, and I'll slap you! Let me sleep!"

Zi Ling didn't dare say a word.

Despite having been told off, she was thrilled.

It really was a bottle of Supreme Level medicine!

Gosh!

How rich was Feng Wu?

Ah!

It suddenly occurred to her that she had only used less than half of what was in the bottle, and the rest was still on the floor.

Ahhh —

Zi Ling ran out to the living room.

The ointment was still there on the floor! Her eyes lit up.

Just then, someone walked in and stepped on

Zi Ling almost wept. "You!!!" She pointed at Ye Han. "How could you step on it?!"

She had stepped on the ointment.

Zi Ling had wanted to cover the rest of her body with the ointment.

Ye Han shook her head. "Why are you making such a big fuss? It's only a pair of shoes."

Chapter 2536 How Generous (2)

Zi Ling thought, "Who cares about your shoes! My ointment!"

She ran so fast that she almost knocked Ye Han down.

The white ointment had turned black after Ye Han stepped on it.

Zi Ling glared at her.

Ye Han was confused. "What's the matter with you? What's with all this junk?"

Zi Ling looked at the ointment on the floor and hated Ye Han.

But most importantly...

Zi Ling knelt on the floor and scooped all the ointment into an empty bottle. She almost wanted to rub her face on the floor.

Ye Han stared at her and asked incredulously, "Are you nuts?!"

Zi Ling ignored her.

When Ye Han saw the pile of things outside her door, she was furious.

"What on earth is going on here?!"

Zi Ling was too focused on the medicine to answer her question.

Thump! Thump! Thump!

Ye Han tried to open the door to her original storage room, but it wouldn't open.

Frustrated, she banged on the door.

It was now Feng Wu's room.

Feng Wu was cultivating and wouldn't answer the door. "What are you doing?!" Chaoge opened her door and asked angrily. How dare this person bang on Xiao Wu's door?

Ye Han was furious. She pointed at the pile of things behind her. "What the hell did you do?"

Chaoge said impatiently, "I should be the one asking that question! Why did you put your things everywhere? If you don't want them, I'll throw them out!"

Ye Han said, "That's my stuff!"

Chaoge said, "Is that so? Who gave you the permission to put your things wherever you want?"

Ye Han glared at her.

Chaoge said, "We each have one room only. What makes you think that you can occupy someone else's room? You don't get to question me!"

She was about to slam her door shut.

"Stop right there!" Ye Han said coldly.

Chaoge turned around to face her.

Ye Han said, "Clear out your room now! I need it for my things!"

Chaoge found the demand idiotic.

Ye Han said, "Do it now!"

She didn't like Duan Chaoge, and she disliked Feng Wu even more.

She hadn't liked Feng Wu ever since Ling Hao gave her a warm welcome, and it only became worse when Feng Wu became the center of attention at the morning assembly.

Chaoge rolled her eyes at Ye Han. "What if I say no?"

Ye Han smirked. "Are you sure?"

Chaoge said, "Positive."

Ye Han said, "Fine! I'll beat you until you say yes!"

She charged at Chaoge.

After learning Unflower's skills, Chaoge was a very capable cultivator now.

Ye Han was from Class B and should be more advanced than Chaoge.

Thump! Thump! Thump!

They started exchanging blows.

Ye Han narrowed her eyes. She didn't expect the new student to be such a good fighter, but she didn't think that Chaoge was her match.

Chapter 2537 How Generous (3)

Chaoge indeed wasn't Ye Han's match. She would fight back when she had the chance, but Ye Han could easily overwhelm her.

She was going to lose after thirty blows. Thump!

Ye Han struck at Chaoge.

Chaoge would be severely injured if Ye Han's blow hit her.

"Chaoge, watch out!" Zi Ling cried out.

Before she knew it, Zi Ling had sided with Chaoge and was worried about her.

But the next moment!

Thump!

Ye Han was kicked away with tremendous force!

How did that happen? Zi Ling watched as Ye Han flew away.

She then looked at Feng Wu, who was helping Chaoge to her feet.

Gosh!

Holy crap!

She couldn't believe her eyes.

That was Feng Wu!

The new student!

The supposedly useless Feng Wu!

But she had just kicked Ye Han away so easily!

Ye Han was a student of Class B!

The second best class!

Zi Ling sucked in a breath.

She wasn't the only one who was shocked.

Ye Han fell and slid a few meters over the floor before she stopped when she hit the wall.

Luckily, the War Academy used the best soundproofing material. No one outside heard the noise.

There was a burning pain in Ye Han's back.

Being a Class B student, she thought she could easily crush the new students.

It had never occurred to her that she would be the one who was crushed.

No, it had to be a coincidence!

Ye Han struggled to her feet.

She glared at Feng Wu.

"Feng Wu, did you do this?" Ye Han was furious.

Feng Wu didn't even look at her.

She ignored me!

Ye Han was humiliated.

"Who the hell do you think you are? You've offended Miss Qingluan! You'll never graduate! just die!"

Ye Han charged at Feng Wu.

Feng Wu was asking Chaoge, "Are you hurt?"

Chaoge said, "It's just a scratch."

Feng Wu gave her a bottle of Supreme Level ointment.

Another bottle?

Zi Ling was so excited that she trembled.

However, she was kind enough to warn Feng Wu. "Watch out!"

Ye Han was already by Feng Wu's side.

No one saw how Feng Wu moved, but —

Thump!

Ye Han flew away just like before, and she landed in the same spot.

She smashed into the wall again.

Wow!

She spat out a mouthful of blood.

Zi Ling was amazed.

Gosh!

Feng Wu was...

Zi Ling had seen it clearly this time. It really was Feng Wu!

Feng Wu only moved when Ye Han was a leg away from her.

Chapter 2538 How Generous (4)

Ye Han couldn't even withstand one kick.

A student from Class B was so easily defeated.

"Feng Wu, I'm going to kill you!" Ye Han spat out another mouthful of blood.

Zi Ling suddenly felt sorry for Ye Han.

But Ye Han wouldn't admit her defeat. She struggled to her feet and charged at Feng Wu for the third time.

This time...

She was kicked away just like the first two times.

She kept trying until it was the tenth time.

This time, she couldn't get up anymore.

She lay on the floor and stared at Feng Wu.

Her mouth and clothes were covered with blood, and the fact that Feng Wu was better than her filled her with despair.

She had been angry the first two times.

And the two times after that.

Then she became confused.

By the tenth time, she finally admitted her defeat.

Zi Ling felt sorry for Ye Han, but she was happy that it wasn't her.

Luckily, she had surrendered in time. Otherwise, she would be the one crying on the floor now.

She walked up to Ye Han, knelt on the floor, and took out the last bit of ointment she had. "Sister Ye, this is..."

Ye Han pushed her away before she could finish.

With how severely injured she was, it was amazing that she could push Zi Ling so hard.

Although Zi Ling managed to steady herself, she dropped what was left of the ointment.

Thump!

The porcelain bowl fell on the ground.

"My ointment!" Zi Ling really was crying now.

Ye Han struggled to her feet and stared at Feng Wu coldly. She took a deep breath and jumped out the window.

She hadn't killed herself, had she?

Chaoqe rushed to the window and saw Ye Han stumble away.

"She's so stubborn," Chaoqe mumbled.

Zi Ling was concerned. "Is Sister Ye going to be alright?" Feng Wu nodded. "It's not as bad as it looks. Her internal organs will be fine as long as she doesn't do anything reckless. Staying in bed for two weeks and using some Supreme Level medicine should do the trick."

Zi Ling was baffled.

Some Supreme Level medicine? Not everyone had that! Most people would never encounter something like that in their lifetime!

Feng Wu watched as Chaoqe bundled the things into Ye Han's room and cleaned the living room. "Did you say that there was going to be a big event today?"

"That's right!" Zi Ling showed Feng Wu to the door.

There was a schedule on the wall.

"We have a major assembly today!" Zi Ling said, "All students of Class E are going on a mission together, and we only have 15 minutes left! Let's go!"

Feng Wu, Chaoge, and Zi Ling were all in Class E.

Zi Ling explained it to them on their way to the gathering

Chapter 2539 The Mission (1)

“Missions like these are our best chance to earn points. Miss Feng Wu, can I team up with you?” Zi Ling asked excitedly.

Before, she would have stayed far away from Feng Wu, but things were different now. She had seen Feng Wu’s true power.

She had kicked Ye Han away so easily, and Ye Han was from Class B!

How terrifying would her real power be?

And Zi Ling knew that she could use that sort of help.

Follow Feng Wu, and she would win!

Feng Wu asked, “Earn points? How?”

Zi Ling’s eyes sparkled.

She said, “The 1,500 students of Class E will be divided into five-member teams. That’s 300 teams in total.

“The teams will be ranked by the points they get, and members of the top team will each earn 100 extra points. The best member of that team will get another 100 points.

“The second-best team will get 80 points.

“The third one will get 60 points.

“The fourth to the 100th will get 40 points.

“The 100th to the 200th, 20 points.

“The last 100 teams won’t receive any points.

“Absent students, students who ask for help, and those who take leave, will have their points deducted.

“How many points do you have now?” Zi Ling asked.

Chaoge said, “Ten.”

Zi Ling’s eyes widened. “How is that possible? We each have 100 points to start with, don’t we?”

Chaoge said, “Yes, but this room costs 90 points a month.”

Zi Ling stared at her.

The look gave Chaoge the creeps. “What?”

Zi Ling asked, "Why did you pay the rent for the whole month when you can pay by the week? Some students even pay every five or three days. How are you going to pay for your meals now?"

Chaoge was shocked. The moderator had lied to them!

Zi Ling said, "Apart from accommodation, taking classes will cost you points as well. Everyone has to save up, or they won't be able to last for long in this place."

Chaoge asked, "Do I have to pay to go to classes?"

Zi Ling said, "Of course! As long as you can afford it, you can go to whichever class you want."

Duan Chaoge stared in shocked silence.

Zi Ling said, "A big event like this doesn't happen every day, so we have to cherish this opportunity. Individual tasks are much more time-consuming

"If you only have ten points, you have to work hard this time. Otherwise, you won't be able to attend any class."

Feng Wu glanced at the moderator on their way out.

The woman raised her chin in an arrogant manner.

Chapter 2540 The Mission (2)

Just then, they saw someone coming their way.

The person came from the villa section.

It was none other than Zuo Qingluan herself.

The moderator beamed at Zuo Qingluan when she saw her.

"Miss Qingluan!" She greeted the girl from afar and bowed.

Zuo Qingluan didn't even glance at the woman as she walked past her.

The woman only raised her head after Zuo Qingluan was a few hundred meters away. She said, "She's so young but so talented! And she's the crown prince's fiancée as well! Her future is so promising!"

She then sneered at Feng Wu and Chaoge.

Feng Wu couldn't be bothered to respond.

Fearing that Feng Wu would be angry, Zi Ling dragged her and Chaoge away.

After a few hundred meters, Chaoge threw off her hand and asked, "Why did we run?"

Zi Ling whispered, "You don't want to cross that woman."

Chaoge asked, "Why should I be afraid of her?!"

Zi Ling said, "Because her husband is one of the assistant tutors of Class E!"

Each class was led by a chief tutor and five assistant tutors.

Chaoge said, "Even the chief tutor can't scare me!"

Zi Ling rolled her eyes at Chaoge. "All tutors are capable cultivators, even the ones of Class E. They're as good as Class A graduates, if not better. You were crushed by Ye Han, and you'll surely be crushed by any of the tutors. Don't do anything impulsive, okay?"

Chaoge only smirked.

Since Feng Wu had defeated Ye Han, Zi Ling felt that she was good enough to be a Class B student. Ye Han was one of the weaker students, however, so Zi Ling believed that Feng Wu should only be above average in Class B.

But that was impressive enough.

It would make her invincible in Class E.

Soon, they arrived at the designated location.

Almost all the students had arrived, and they had picked their teammates.

Someone called Zi Ling's name.

"Zi Ling, join us! We have one spot left!" A teenager named Lu Xiao waved at her.

Next to him was a girl named Zhen Ya, who frowned at the suggestion.

Zi Ling glanced at Zhen Ya and shook her head. "That's alright. I have a team already."

Zhen Ya took Lu Xiao's arm affectionately. "Lu Xiao, she has her own team. Let's not trouble her."

Lu Xiao frowned when he saw Feng Wu. It was obvious that Zi Ling's teammate was the new student who had offended Chief Qingluan.

"Zi Ling, why are you with them? You'll be a bottom team." Lu Xiao tried to pull Zi Ling away.

Zhen Ya gave Zi Ling a warning look.

Zi Ling pretended not to notice it. She said grumpily, "It's my choice. Go back to your team!"

She then dragged Feng Wu and Chaoge in the other direction.

"Team up with Feng Wu and you'll lose!" Lu Xiao shouted after Zi Ling.

Zi Ling thought, "You have no idea how good Feng Wu is."

Because of what Lu Xiao said, everyone looked in their direction.

“It’s Feng Wu!”

Everyone had almost forgotten about the once genius girl, but Zuo Qingluan had jogged their memories.
