Chapter 2541 The Mission (3)

Since she had been targeted by Zuo Qingluan, Feng Wu would have a very difficult time here in War Academy.

Chaoge asked curiously, "What's their problem? Why do I feel like that girl doesn't like you?"

Zi Ling said, "Just ignore them!"

Chaoge and Feng Wu exchanged looks and decided that there had to be a story behind it.

By then, they only had three minutes left.

If no one else joined them, they would only have three people in their team.

With three team members only, they were bound to become the team with the lowest points. At least, that was what Zhen Ya believed

"Who do we have here? What? Can't you find any teammates?" Mu Qianqian asked in a taunting voice.

Sun Jingyu was by her side.

Feng Wu glanced at her and ignored the question.

Mu Qianqian felt as if she had just been slapped.

"Feng Wu!" she bellowed.

Chaoge glared at her. "Stop shouting at us! Who the hell do you think you are?"

Sun Jingyu cut them off. "Be quiet! Do you want to do this or not?! The five of us will form a team. That's it!"

Chaoge asked, "What if I say no?"

Sun Jingyu was very persistent. "You're new students here, and you don't know the rules. You're so weak, and we're going to fight Whiten Lion Elephants this time. If you're killed, it's my points that will be deducted, so shut up!"

Duan Chaoge stared in shocked silence.

She had never lost a quarrel until now.

She wanted to retort, but Sun Jingyu had the moral high ground.

Mu Qianqian smirked. "We're doing you a favor, okay? Don't be ridiculous!"

Chaoge said, "We don't need your help!"

Mu Qianqian said, "The class president can decide which students go to which teams. Unless you're not a student of Class E, you have to follow her orders. Guys, am I right?"

The students answered in unison, "Yes!"

Chaoge was speechless.

Feng Wu patted her shoulder. "It's alright."

She didn't care who she teamed up with.

But it was very unlike Sun Jingyu to be so helpful toward some new students.

Lu Xiao said enviously, "With Jingyu's help, that team may actually get quite a few points."

Zhen Ya smirked. "Jingyu is good, but those three are all weaklings. Do you think Jingyu alone can change anything? That team is doomed."

The other students were all amazed by how generous their class president was.

Chaoge was mad.

Feng Wu was too good to take part in such an event. That class president was a hypocrite who wanted to steal the spotlight!

Every team leader received a number.

Because Sun Jingyu was the class president, her team always got number one.

And Sun Jingyu had always been the most outstanding team player in Class E.

Chapter 2542 The Mission (4)

Everyone looked enviously at Feng Wu and Chaoge.

Feng Wu couldn't be bothered to respond.

Chaoge was speechless.

Zi Ling was excited.

The class president was on her team!

"We're going to be the best team!" she thought to herself.

An assistant tutor was already speaking on the platform.

Their mission was to hunt Whiten Lion Elephants.

The animals lived in the outer circle of Thousand Night Forest. They were giant beasts with the head of a lion and the body of an elephant. They had terrifying strength.

A student could earn a point when they obtained a crystal core from a Whiten Lion Elephant.

Feng Wu was in Team 001, and Lu Xiao was in Team 015.

"Jingyu, you're not in our team this time. I'm so sad," someone said mockingly as she walked past Feng Wu.

Feng Wu looked up.

The girl beamed at her. "I'm Pei Si. Would you like to join my team?"

Feng Wu frowned. There was something condescending about the girl's tone, which she didn't like.

"You don't want to? Miss President is going to get you killed. See you later."

Pei Si's four friends chuckled and dashed off.

"That stupid girl! How dare she act like she's better than us!" Mu Qianqian clenched her fists.

Feng Wu glanced at Zi Ling.

Zi Ling explained, "Class E has a ranking system. All the students are on it, and it's updated each month. Jingyu is currently the top student, and Pei Si is second."

She then lowered her voice. "Pei Si only joined the academy last year, but she's been making rapid progress. Jingyu feels threatened because Pei Si is also outgoing and likes to make friends."

Chaoge was glad to hear that. Feng Wu knew what Sun Jingyu was doing. Someone higher up had probably given Sun Jingyu instructions, telling her to choose Feng Wu as a team member so as to plot against her later.

At that thought, she glanced at Sun Jingyu.

She recalled what the assistant tutor said earlier. "No one is allowed to rob other people of their crystal cores, retaliate against personal enemies, go deep into the woods,

or..."

Zi Ling whispered, "Mr. Tan, the assistant tutor, is the moderator's husband. As for what kind of person he is... You'll see."

"Let's begin!"

After Mr. Tan made that announcement, the students dashed off in all directions.

"Let's go!" Mu Qianqian said impatiently. "Do you think the Whiten Lion Elephants are going to come to you?"

Chaoge glared at her. "Be polite!"

Mu Qianqian said, "I am polite!"

Their shouting was giving Sun Jingyu a headache, so she shouted, "Shut up, both of you!"

Mu Qianqian immediately stopped talking, and Chaoge didn't persist either.

Sun Jingyu glared at Feng Wu. "Keep your friend on a leash!"

Feng Wu shrugged.

Sun Jingyu wanted to smack Feng Wu, but she had a mission, so she could only take a deep breath.

Chapter 2543 Take Action (1)

Sun Jingyu snorted. "Enough with the nonsense! Follow me! I know where to find the Whiten Lion Elephants!"

While she took the lead, Mu Qianqian walked in the rear. Feng Wu wondered if they were making sure that no one followed them.

She looked forward to seeing what would happen next.

Sun Jingyu led them to the northeast.

At first, there were many students around, but as they walked deeper into the woods, there was hardly anyone around.

Zi Ling felt that something was wrong, so she asked, "Why haven't we started hunting?"

She had seen several Whiten Lion Elephants running past them.

They didn't need to carry the entire animal back. The crystal core alone was enough. It was so convenient, but they hadn't started yet. Zi Ling was perplexed.

But she didn't dare question Sun Jingyu either, so she asked the question in a tiny voice.

Mu Qianqian snapped, "Shut up! Who gave you permission to speak?!"

Zi Ling immediately fell silent.

A common Class E student like Zi Ling wouldn't dare offend the more influential groups, and Mu Qianqian was a member of such a group.

Chaoge was displeased and glared at Mu Qianqian. "You shut up! Who the hell do you think you are?!"

"You!" Mu Qianqian was about to retort, when Sun Jingyu silenced her with a glance.

Mu Qianqian took the hint. She smirked and ignored Chaoge.

Chaoge didn't see the interaction. She patted Zi Ling on the shoulder and said, "They like bullying nice people. Be fiercer, and she won't dare to treat you that way."

Zi Ling didn't know what to say. She wanted to do that, but she wasn't capable enough.

Mu Qianqian threw a dirty look at Chaoge. "You just wait. I'll make you cry later!"

They traveled a few more kilometers and were about to reach the middle of the woods.

Sun Jingyu stopped.

"Let's wait here," she said.

Mu Qianqian was thrilled. She clenched her fists and gave Feng Wu and Chaoge a taunting look. "It's so dangerous here!" Zi Ling stepped onto a rock and looked into the valley nearby. "There are so many Whiten Lion Elephants down there!"

Chaoge asked curiously, "Isn't that a good thing?"

Sun Jingyu and Mu Qianqian were both amazed by her question.

“Gosh! There are so many of them!” Chaoge looked to the northeast and saw a large pack of Whiten Lion Elephants in the valley.

That place looked like their natural habitat.

That must be where all the Whiten Lion Elephants came from.

Just then, they heard a loud noise.

Boom!

That was...

“The Whiten Lion Elephants are coming!”

Zi Ling shouted, “It’s a pair of them!”

Chaoge said, “Just two? Why are you so afraid?”

Zi Ling was perplexed, but it then occurred to her.

“Chaoge is a good cultivator, at least better than I am.

“And there’s JIngyu as well...”

Chapter 2544: Take Action (2)

Zi Ling didn’t see Sun Jingyu and Mu Qianqian when she turned around, and she panicked a little.

“Where did they go?”

Chaoge said, “They can go wherever they want. We’re better off without them.”

They were still talking when two White Lion Elephants noticed them.

Feng Wu was about to make a move when Chaoge stopped her.

“Xiao Wu,” said Chaoge, “can you wait until I can’t hold them back anymore?”

Feng Wu said, “Alright.”

Chaoge had been making rapid progress lately, and she needed the practice before she made any more breakthroughs.

Feng Wu handed her Fire Dragon Rod to Chaoge.

It was the same weapon she had used to beat up the Gu brothers, but she preferred her sword, so she gave the rod to Chaoge.

“Wow! The Fire Dragon Rod!” Zi Ling was thrilled.

Feng Wu asked, “Do you know what it is?”

Zi Ling said, "Of course! It's ranked the third most effective weapon in its category. It's worth at least millions of gold coins!"

She stared at Feng Wu in disbelief and couldn't imagine how rich the latter had to be.

Zi Ling looked at Chaoge expectantly, wondering how excited the latter had to be.

To her surprise, Chaoge wasn't excited. She only picked up the rod and shouted, "Xiao Wu, just wait and see!"

Whoosh —

She charged at the animals with the rod in her hand.

Chaoge had learned her moves from Unflower.

Unflower's moves were as elegant as dancing flowers.

But Chaoge's moves were much more forceful.

"Watch out!" Zi Ling saw the two Whiten Lion Elephants charge at Chaoge. "Search n3wn0vel.Org on google". Although Sun Jingyu and Mu Qianqian were headed Chaoge's way, they didn't show any intention to help her.

Grinding her teeth, Zi Ling grabbed her weapon and charged at the beasts.

She stopped one of the Whiten Lion Elephants so that Chaoge didn't need to fight two at a time.

"How ridiculous." Mu Qianqian smirked. "I didn't know that she was so stupid."

Sun Jingyu snorted. "She has a death wish, so let's fulfill it for her."

Mu Qianqian was glad when she saw Zi Ling's reaction.

It made her feel that she had chosen the right side. Zi Ling, on the other hand, was stupid enough to side with the two new students.

A five-member team could only handle two Whiten Lion Elephants at a time, but now, those three people were all on their own.

Sun Jingyu and Mu Qianqian gloated at their predicament.

Thump!

Chaoge leaped high into the air and smashed down with the Fire Dragon Rod.

Both Sun Jingyu and Mu Qianqian were convinced that she was going to fail.

They believed that she was going to be trampled.

To their surprise, when Chaoge charged at the Whiten Lion Elephant from above, the animal stopped moving as if it was frozen.

That was the effect of the Fire Dragon Rod.

It could slow down all living creatures in its range.

The Whiten Lion Elephant had never felt like this before.

And Chaoge took advantage of that pause.

Chapter 2545: Take Action (3)

Thump!

The Fire Dragon Rod smashed onto the animal's head.

Mu Qianqian's eyes widened.

Because Duan Chaoge, the new student, killed a Whiten Lion Elephant with one strike.

Mu Qianqian could never do that all by herself.

But she didn't want to admit that Chaoge was better than she was.

To her astonishment, Chaoge was already charging at the other Whiten Lion Elephant.

Meanwhile, Zi Ling was being chased around by the Whiten Lion Elephant.

Chaoge leaped into the air again. While the Whiten Lion Elephant was slowed down by the Fire Dragon Rod, she hit it on the head.

Poof!

Its head exploded, and the beast fell into a heap on the ground.

Mu Qianqian was astonished.

She involuntarily grabbed Sun Jingyu's hand. "Jingyu, look..."

Chaoge's reaction was beyond her imagination.

Sun Jingyu smirked. "She only killed two beasts. It's not a big deal."

Zi Ling was amazed.

She knew that Chaoge was better than she was, but she never expected that with the help of the Fire Dragon Rod, Chaoge could do such amazing things.

She gave Chaoge a thumbs up. "Chaoge, you're much better than any of the Class E students."

Mu Qianqian was displeased.

Any of the Class E students? What was that supposed to mean?

Three more Whiten Lion Elephants arrived.

Mu Qianqian smirked. She didn't believe that Chaoge could fight off all three fully-developed beasts.

Thump!

Chaoge charged at the Whiten Lion Elephants before they could make their move. She jumped up and struck one of them.

Instinct told her that if she chose the Whiten Lion Elephant that was at the front, the other two would immediately surround her.

But if she chose the one at the rear, the other two would need time to react.

Her instinct was correct.

The third Whiten Lion Elephant didn't expect to become the first target, and its head cracked open before it had time to react.

By the time the other two Whiten Lion Elephants realized what had happened and came after Chaoge, Zi Ling had arrived with her sword, shouting, "Chaoge, just like before!"

She stalled one of the beasts for Chaoge, who would come to help her after she killed the other one.

After the first round, they worked even better together this time.

Thump!

Thump!

Chaoge killed the two Whiten Lion Elephants in less than a minute.

Zi Ling was thrilled. She ran toward Chaoge and shouted, "Chaoge, you're amazing! You killed five Whiten Lion Elephants!"

Chaoge was perplexed. "Is that a lot?"

Zi Ling said, "It's not a lot, but it'll give you enough points. We hunt Whiten Lion Elephants quite often, so I know how many beasts each team can kill on average.

"There are 300 teams in total, and killing five Whiten Lion Elephants will put our team in the top 200."

Zi Ling was an average student of Class E, and her team was usually ranked around 200.

Chapter 2546: Take Action (4)

Chaoge said, "So, we can earn points, right?"

Zi Ling said, "Yes. We'll earn the minimum points when we're ranked higher than 200. Chaoge, you're so amazing! My previous teams had to fight a whole day and still couldn't kill five beasts!"

Chaoge was perplexed. "But it's so easy!"

So easy? Mu Qianqian wanted to smack Chaoge on the head.

Killing five White Lion Elephants could never be easy. She would never be able to do it on her own!

"She's just showing off!" Mu Qianqian thought resentfully.

Zi Ling idolized Chaoge. "Chaoge, you did all that on your own, so you must be as capable as Mu Qianqian is. I can wait to see our final result!"

Mu Qianqian glared at Zi Ling.

As capable as I am? Are you blind? I'm clearly much better!

"What? Do you have a second opinion?" Chaoge glanced at her.

Mu Qianqian smirked and wouldn't reply.

Chaoge said, "Let's have a competition, then. See which of us can hunt more White Lion Elephants."

Mu Qianqian still wouldn't answer.

Chaoge said, "You don't have the guts to compete with me, but you won't admit that I'm better than you. I've never met anyone so pretentious."

Mu Qianqian stomped her foot in frustration. "You!"

Chaoge shook her head. "I what? Fight me, then. All you ever do is snort. Do you think you're Zuo Qingluan?"

Mu Qianqian was infuriated.

She rolled up her sleeves. "Bring it on! You can't intimidate me!"

Five White Lion Elephants were coming their way.

Chaoge glanced at Feng Wu. Somehow, she felt that someone was controlling the number of White Lion Elephants that could approach them. Could it be Xiao Wu?

Right now, Feng Wu was sitting on a rock with her eyes closed and her legs crossed. She was cultivating.

Mu Qianqian followed Chaoge's gaze and saw Feng Wu on the rock. She smirked. "Why are you looking at her? Do you think she can help you with hunting the White Lion Elephants? She's useless!"

Chaoge concluded that Mu Qianqian was an idiot.

Sun Jingyu felt the same way as Mu Qianqian and sneered at Feng Wu as well.

"We're all here to hunt White Lion Elephants, but she's been sitting there ever since she arrived! Who does she think she is? That's just so arrogant!"

Sun Jingyu didn't like Feng Wu at all.

If she knew how these White Lion Elephants were being controlled...

Chaoge charged at the White Lion Elephants before Mu Qianqian could make a move.

Mu Qianqian was scared.

Each of the White Lion Elephants was ten times bigger than she was. Normally, she couldn't run away fast enough.

"Are you scared? What a coward! Let me teach you how to hunt!"

No, you won't! Mu Qianqian was furious.

Agitated by Chaoge's words, she grabbed her sword and charged out before Sun Jingyu could stop her.

Thump!

Chaoge ran away from the pack after she killed the first White Lion Elephant.

Mu Qianqian just happened to run into the circle at that moment.

Immediately, four White Lion Elephants surrounded her.

Chapter 2547: More Action (1)

Standing next to the four White Lion Elephants, Mu Qianqian looked as frail as a straw.

The dead White Lion Elephant's blood had splashed everywhere. The smell agitated the four beasts, and they lost control.

When Mu Qianqian arrived, they attacked her without hesitation.

"Ahhh —"

Mu Qianqian shouted in agony.

She wanted to flee but was surrounded, and she wasn't capable enough to defeat them either.

She was flustered and didn't know what to do.

Chaoge took the chance to start knocking the beasts on the head with her Fire Dragon Rod.

Thump! Thump! Thump! Thump!

She killed all five White Lion Elephants in the end.

Mu Qianqian was so frightened that her face was ghastly pale. Her clothes were disheveled, and she kept waving her hands around like a crazy person.

"Hey! Stop!" Chaoge patted her on the shoulder.

Only then did Mu Qianqian calm down. She looked at Chaoge in bewilderment and was dumbfounded when she saw the dead White Lion Elephants around them.

"Did you do this?" She glared at Chaoge.

Chaoge raised her chin. "Now you know how good I am."

Mu Qianqian only yelled at her. "You stole my White Lion Elephants! You're so disgusting! That's cheating!"

Chaoge was perplexed.

She had saved Mu Qianqian, but the girl was accusing her of cheating.

"You're unbelievable!" Chaoge started walking away from her.

Mu Qianqian ran after her. "Their attention was on me, which was why you could kill them all at once. You don't get to claim all the rewards. You should give me at least two, no, three crystal cores! I'm better than you!"

Chaoge rolled her eyes at Mu Qianqian. "Talking to you is an insult to my intelligence."

Mu Qianqian was going to chase Chaoge, but was stopped by Sun Jingyu's stern look.

Recalling their plan, Mu Qianqian calmed down and snorted at Chaoge, who had turned her back on her.

I'll live with your arrogance for now because you'll be dead soon!

Mu Qianqian went to Sun Jingyu's side and looked forward to what would happen next.

"We have ten crystal cores already!" Zi Ling took Chaoge's hands in excitement. "We'll be ranked in the top 150 teams at least."

Chaoge asked, "Can we rank that high?"

Zi Ling said, "Yes, it's relatively easy to be ranked between 100 and 200. It'll get more and more difficult to move up the rankings after that."

Mu Qianqian smirked. "I'll report you for cheating!"

Chaoge found her claim idiotic. She told Feng Wu, "No matter what happens to her later, I won't help her. Xiao Wu, you should do the same."

Feng Wu nodded.

Why had she been cultivating since she arrived? It wasn't just for show. She had noticed that the forest had the purest spiritual essence.

Since the White Lion Elephants had all gathered in this area, it meant that the spiritual essence was the densest here.

That was why they had chosen to live in this spot.

Feng Wu could feel her cultivation level rising as she sat there.

Her capability had reached Level 9 of the Spiritual Lord stage.

Chapter 2548: More Action (2)

Ordinary people couldn't imagine how difficult it was to advance from a Level 9 Spiritual Lord to a Spiritual King.

Countless people had never been able to break that barrier.

Feng Wu wanted to become a Spiritual King as soon as possible because Zuo Qingluan was a Level 1 Spiritual King.

Now that she was about to catch up with Zuo Qingluan, she didn't want to waste a single minute.

That was why she was so focused on her cultivation.

She hadn't been able to find a way at first, but she had an epiphany when she saw the White Lion Elephant herd earlier. After circulating the spiritual essence through her energy channels, she felt everything clearing up.

If one were to quantify it, she was 3% into completing the task.

3% wasn't much, but it was a start, and Feng Wu was happy with the progress.

When Sun Jingyu saw Feng Wu nodding at Chaoge after the latter suggested that they shouldn't help Mu Qianqian, she was speechless. She found their reaction ridiculous.

How could that useless Feng Wu agree? She wasn't even as good as Duan Chaoge!

Why did Sun Jingyu know that? Because she had been told that Feng Wu was even weaker than her maid, let alone Duan Chaoge.

The news had spread in the War Academy.

Most students didn't care much because Feng Wu was in Class E. That was too low a level for them to be concerned with.

But all the students in Class E had heard the news.

Updates by . com

They believed that Feng Wu was useless.

Mu Qianqian believed that Feng Wu was bluffing as well.

But what they didn't know was that Feng Wu was so capable that she could control all the White Lion Elephants.

"That's so strange," said Mu Qianqian. "The other White Lion Elephants should have run in our direction when they heard the sound of fighting. Where are they now?"

Sun Jingyu was perplexed as well.

The beasts were coming in threes or fives, as if to train Chaoge. Was someone controlling them? How strange!

"Here they are!" Mu Qianqian pointed at some White Lion Elephants in the distance. She was so excited that she took Sun Jingyu's hand. "Look! They're coming, right?!"

Sun Jingyu and Mu Qianqian had disappeared at first because they had gone to set up a trap.

"Yes, there they are." Sun Jingyu grinned maliciously.

She couldn't wait to see how Feng Wu would react when ten White Lion Elephants were charging at her. She wouldn't be able to sit there and cultivate anymore!

Sun Jingyu had used a luring agent to attract the White Lion Elephants' attention, and she had sprinkled the same potion around the rock that Feng Wu was sitting on.

That would lead the White Lion Elephants directly to Feng Wu.

Sun Jingyu didn't dislike Feng Wu to the point of wanting to kill her, but her patron had paid her enough to persuade her otherwise.

Mu Qianqian grinned when she saw the beasts charging at Feng Wu.

But it baffled her when she saw that Feng Wu wasn't nervous.

Why wasn't Duan Chao nervous?

Even Zi Ling wasn't nervous.

That was so strange.

Wait —

Chapter 2549: More Action (3)

When the White Lion Elephants reached Feng Wu, they suddenly stopped and bowed to her, which amazed Mu Qianqian.

What was wrong with these beasts? Mu Qianqian and Sun Jingyu looked at each other and were both confused.

What confused them even more was that the White Lion Elephants turned around.

They were facing the opposite direction now.

Boom!

The White Lion Elephants glared at Sun Jingyu and Mu Qianqian.

Sun Jingyu was speechless.

So was Mu Qianqian.

Their hearts sank, and they had a bad feeling.

They were right!

The White Lion Elephants were charging at them now.

How was that even possible?!

Sun Jingyu couldn't believe her eyes.

Anyone would find it incredible, but it couldn't change the fact.

Updates by .com

The two of them couldn't change the White Lion Elephants' behavior.

Soon, they were surrounded by over 20 beasts.

Mu Qianqian almost lost her mind when she had to face five White Lion Elephants. Now, there were four times that.

She screamed and grabbed Sun Jingyu's hand. "Jingyu, what's going on? Help me! Do something!"

Sun Jingyu was dumbfounded.

She had used the potion so that the White Lion Elephants would attack Feng Wu. Why was this happening?

She wanted to run.

But where could she run to?

She couldn't get away.

They were both surrounded by White Lion Elephants.

They had no choice but to fight.

But there were so many of them...

Sun Jingyu was filled with despair.

Thump!

A White Lion Elephant threw its trunk around Sun Jingyu's waist and tossed her into the air.

Sun Jingyu rose and fell.

She managed to flip around in mid-air, and landed on the back of a White Lion Elephant.

She wrapped her arms around it. No matter how violently it struggled, she wouldn't let go.

Mu Qianqian copied her move. She jumped onto a White Lion Elephant and wouldn't let go of its head either.

She shouted at Chaoge. "Kill them now!"

Chaoge glanced at her. "Didn't you say that I was cheating? You can have it all to yourself now."

Mu Qianqian was almost in tears.

She had no choice but to beg Chaoge. "I shouldn't have said that. Help us now! Jingyu will owe you a favor, and that doesn't happen every day!"

How condescending.

Chaoge shrugged. "Why do you think we need it?"

She yawned as she spoke. "I've killed ten White Lion Elephants. I'm tired. I need to take a break."

She then lay down on a big rock to take a nap.

Mu Qianqian was flustered. "Duan Chaoge, I'm begging you! Do something! Kill these beasts! I don't want any crystal cores! You can have them all! Help!"

Things were getting out of hand.

Mu Qianqian and Sun Jingyu could be killed at any moment.

Sun Jingyu held a black object in her hand and hesitated.

It was an explosive ball that had cost her several hundred points. She had been saving it until now.

Chapter 2550: More Action (4)

She couldn't delay any longer.

"Mu Qianqian, jump!"

Sun Jingyu gave the final warning.

Thump!

She then threw the ball at the beasts.

Boom!

All the White Lion Elephants were injured.

The more severely injured ones fell to the ground and screeched, and those with minor injuries angrily chased Sun Jingyu and Mu Qianqian.

Chaoge had to be a fool to miss such a great opportunity.

She told Zi Ling, "Get the crystal cores!"

Zi Ling finally knew what to do. "I'm coming!"

But she was kind enough to ask, "What about Jingyu..."

Chaoge snapped, "They've lured quite a few White Lion Elephants away. The two of us would never be able to handle all of the beasts at once. If I'm right, they'll circle back soon. Do it now!"

Zi Ling didn't believe that Sun Jingyu would bring the White Lion Elephants back here.

Updates by

But she couldn't waste such a great chance.

Fifteen White Lion Elephants were lying on the ground.

Ten of them had been at the center of the explosion and had the most injuries. They were grumbling on the ground and couldn't get up.

Chaoge raised her Fire Dragon Rod and killed each beast with a single blow to the head.

Thump! Thump! Thump!

Zi Ling followed her and picked up the crystal cores.

They finished off all 15 injured White Lion Elephants in less than a minute.

Meanwhile, Sun Jingyu and Mu Qianqian were still running.

Ten beasts were chasing Sun Jingyu, and five were chasing Mu Qianqian.

These beasts were injured as well, but they had been further away from the explosion, and their wounds were all superficial.

Mu Qianqian ran very fast.

She was also injured. Normally, she would be crying and want to give up, but with her life on the line, she ran as fast as she could.

She had lost one shoe, but that didn't slow her down.

However, she was getting tired, and the beasts were almost on her.

She knew that she couldn't go on like this. If she didn't do something, she would die.

She decided that she had to lure these White Lion Elephants back to where they came from and let Duan Chaoge kill them.

She took a U-turn and ran in the direction she had come from.

Chaoge was casually picking up the crystal cores when Mu Qianqian arrived.

Damn it!

Mu Qianqian thought, "The White Lion Elephants should be charging at Duan Chaoge and Feng Wu, but Sun Jingyu and I were surrounded instead. Not only that, Duan Chaoge also collected all the crystal cores! Sun Jingyu spent so many points on that explosive ball!"

That was so frustrating!

But she couldn't lash out at Duan Chaoge. She still needed her help.

She ran to Duan Chaoge's side and cried, "Chaoge, help me! I'm sorry! I shouldn't have done all those things! Please help me! We're on the same team..."

Zi Ling frowned at Mu Qianqian.

Because Mu Qianqian hung out with Sun Jingyu, she was very picky about whom she befriended.

She had always been arrogant toward all her classmates in Class E; Zi Ling had never seen her so flustered.
