Chapter 2551: Please (1)

“Chaoge...” Zi Ling spoke in a pleading tone.

Chaoge smirked. “No, I’m not helping her. I’ll kill the White Lion Elephants when she’s dead.”

Zi Ling said, “But a team’s points will be canceled if a team member dies. The points will go to the next team on the rankings.”

“What? Why?!” Chaoge couldn’t believe it.

“To protect the students, I guess?” Zi Ling didn’t know the answer either, but rules were rules.

“Fine.” Chaoge rolled her eyes at Mu Qianqian. “Let the White Lion Elephants chase you, and I’ll kill them.”

Mu Qianqian was exhausted. She wanted to lie down, but she knew that if she did so, Chaoge would let the White Lion Elephants trample her.

She let the White Lion Elephants chase her until Chaoge killed them all.

She was so tired that she passed out as soon as she lay on the ground.

Meanwhile, Sun Jingyu was also being chased by White Lion Elephants. There were ten beasts in total.

She couldn’t outrun them forever.

And she wasn’t capable enough to fight them.

She couldn’t run for much longer.

She couldn’t understand why she had to run away after using the explosive ball.

They were on the same team, but Feng Wu could sit there and cultivate as if she wasn’t affected at all.

Sun Jingyu wouldn’t let that happen.

At that thought, she also did a U-turn.

She decided that if she had to die, she would bring Feng Wu down with her.

When she returned, she was surprised to find all the White Lion Elephants dead on the ground.

All their heads had been smashed in, and the crystal cores had been gouged out.

It had to be Duan Chaoge’s doing.

Sun Jingyu was so frustrated.

Why did this even happen?!

She glared at Chaoge. “Come here and help me!”

Chaoge was sitting on a big rock with her legs crossed. She was chewing on a blade of grass and looked quite at ease.

She only glanced at Sun Jingyu when she heard her. Then, she began to hum a tune.

Sun Jingyu was furious.

She bellowed at Chaoge, "Duan Chaoge, I'm ordering you as the president of Class E! Get down here and help me!"

Chaoge ignored her.

She even turned around and pretended not to see Sun Jingyu.

Sun Jingyu couldn't believe it.

She looked over her shoulder as she ran.

Why wouldn't the beasts go after the others? She wasn't the only human here.

For some reason, she felt that the White Lion Elephants hated her even more.

"Mu Qianqian, help me!" she shouted.

Mu Qianqian had woken up already.

But when she heard Sun Jingyu, she pretended that she was still unconscious.

Sun Jingyu was speechless.

She could tell that the girl was awake.

Her eyeballs were moving behind her eyelids!

"Mu Qianqian, you'll pay for this!" Sun Jingyu thought resentfully.

She tried to figure out a way to escape.

Chapter 2552: Please (2)

She tried her best to lure the White Lion Elephants toward Feng Wu, but to no avail.

The White Lion Elephants wouldn't go anywhere near Feng Wu.

That was so strange!

Roarr!

The White Lion Elephants roared and charged at Sun Jingyu.

Her patron had paid her generously, but she valued her life even more.

She decided that she could humiliate Feng Wu after she killed all the White Lion Elephants on her own.

At that thought, she took out the last explosive ball and threw it at the White Lion Elephants.

It exploded right away.

Boom!?

Over half a dozen White Lion Elephants were severely injured and fell to the ground. Only two were still standing.

Both of them chased Sun Jingyu.

She was confident that she could kill two White Lion Elephants.

While Sun Jingyu was fighting the two beasts, Chaoge jumped into the air.

The next second, she landed next to the severely injured White Lion Elephants and killed them all. She then dug out all the crystal cores.

As a result, Sun Jingyu had used up her expensive explosive balls and only obtained two crystal cores in the end. She was furious when she saw what Chaoge was doing.

“What are you doing?!” she shouted at her.

“I’m helping you. Didn’t you just ask me for help?” Chaoge said innocently.

Sun Jingyu didn’t know what to say.

She did do that, but that was before she used the explosive balls. She didn’t need any help now!

Chaoge said, “I killed all those White Lion Elephants for you. Shouldn’t you be thanking me?”

Sun Jingyu said, “Give me the crystal cores!”

Chaoge said, “You’re not only scolding me, but you’re also trying to rob my crystal cores!”

Sun Jingyu thought she was going to explode.

She gave Chaoge a stern look before she looked at Feng Wu. Filled with rage, she shouted at Feng Wu.

“What’s the matter with you? You’ve been sitting there since we arrived! Who could do such a thing? That’s out of line!”

Chaoge frowned. She could stand it when Sun Jingyu yelled at her, but she wouldn’t let anyone talk to Xiao Wu that way.

Sun Jingyu lashed out at Feng Wu. “Do you really think you’re a bigshot? You’re just sitting there while the White Lion Elephants chase us around! Are you going to depend on Duan Chaoge like that from now on? She’s not good enough to protect you!”

Feng Wu was at a critical moment in her cultivation and had closed all her senses to the outside world.

Chaoge was angry.

She shoved Sun Jingyu. “What’s that supposed to mean? Xiao Wu doesn’t depend on anyone!”

Sun Jingyu just smirked.

She didn't think that Feng Wu would be a problem, but she wasn't sure if she could handle Chaoge because the girl was getting stronger as the hunt continued.

"Jingyu, you're amazing!"

Seeing that Sun Jingyu was safe, Mu Qianqian rose to her feet and ran to her side.

Sun Jingyu didn't respond.

Mu Qianqian went on, "You're the best member in our team! If it hadn't been for you, the 30 White Lion Elephants would charge us all at once, and we would all be killed!"

She then held Sun Jingyu's arm and smiled obsequiously. "Thank you for saving my life."

Sun Jingyu rolled her eyes at Mu Qianqian but accepted the flattery.

Chapter 2553: Feng Wu Is So Capable

?

Seeing that Sun Jingyu liked those words, Mu Qianqian was relieved.

She still had to rely on Sun Jingyu in Class E and couldn't afford to offend her.

Sun Jingyu looked arrogantly at Feng Wu. There was contempt in her eyes.

She actually thinks that she's cultivating. How ridiculous!

Mu Qianqian also gave Feng Wu an arrogant glance.

She murmured, "Chaoge has some skills, but Feng Wu is completely useless. She's been sitting there since we got here and hasn't lifted a finger."

Sun Jingyu's face darkened.

Was she going to let Feng Wu go?

Of course not!

She gave Mu Qianqian a warning look. Mu Qianqian was scared, but she didn't dare defy Sun Jingyu, and gave her a nod.

Mu Qianqian walked away, and Sun Jingyu gave Feng Wu a taunting look.

She had used all her cards. If she still couldn't kill Feng Wu, there was nothing she could do.

Before long, there was a rumbling noise.

The ground shook.

Chaoge frowned. "What's that noise?"

Sun Jingyu knew the answer.

She had asked Mu Qianqian to lure all the White Lion Elephants toward them.

The entire pack.

Sun Jingyu had used up her points to buy a potion that could drive the White Lion Elephants into a frenzied state.

How many White Lion Elephants were there?

100?

/ please keep reading on MYBOXNOVEL(dOt)COM.

200?

No, there were at least 1,000 of them!

The sound was so loud and it made one tremble!

Gosh!

That was crazy!

Sun Jingyu beamed at Feng Wu.

She had poured a bottle of adhesive down the slope when she had mocked Feng Wu.

By now, it should have reached where Feng Wu was sitting and stuck her to the rock.

Sun Jingyu wanted to laugh.

She couldn't wait to see how Feng Wu was going to fight all the White Lion Elephants.

She then ran in the other direction.

Chaoge noticed her abnormal behavior. "Why are you running? Stop!"

She ran after her.

Sun Jingyu was the president of Class E and was at least as capable as Chaoge.

Therefore, Chaoge couldn't catch up with Sun Jingyu.

"Damn it!" Chaoge was frustrated. "I'll settle the score with you when we get back!"

But she chuckled.

Sun Jingyu had thought that she could get away, but White Lion Elephants were coming her way as well.

She almost ran into one of them.

"Shit!" Sun Jingyu was a little flustered, but she reacted in time and turned around to run in a different direction.

But she only managed to take a few steps.

Chaoge didn't know if she should laugh or cry.

She wanted to laugh because Sun Jingyu's way was blocked by White Lion Elephants again.

She wanted to cry because White Lion Elephants were coming at them in all directions.

Sun Jingyu screamed.

How could this have happened?!

Why was she surrounded by White Lion Elephants?

Was it Mu Qianqian's doing?

Sun Jingyu couldn't think straight anymore. She didn't know who had set her up, and was on the verge of having a nervous breakdown.

She couldn't handle ten White Lion Elephants, let alone 1,000 of them.

1,000!

"I'm going to die..."

Sun Jingyu cried and regretted her decision.

Chapter 2554: Untitled

Why did she accept this mission?

She was going to get herself killed!

Sun Jingyu had never regretted her decision so much.

"Help!"

She panicked and started running around.

But she had nowhere to go.

White Lion Elephants ran toward her like an unstoppable tidal wave.

Thump! Thump! Thump!

Sun Jingyu was surrounded and severely injured.

She couldn't last past three seconds.

Thump!

She was knocked away and fell to the ground,

Chaoge and Zi Ling weren't doing much better.

They kept falling back and couldn't hold on much longer.

Feng Wu finally opened her eyes.

She sensed that she had completed 5% of her breakthrough.

She didn't know if other people could feel it, but she could. It was a strange feeling.

Feng Wu moved.

"Fallen Star Swordplay!"

She activated the Fallen Star Swordplay and struck down.

Her energy poured out like a wall of waves.

Whoosh!

The White Lion Elephant's heads were severed from their bodies when they made contact with the energy.

Thump! Thump! Thump!

The heads fell to the ground.

Gosh!

Chaoge wasn't surprised by the scene.

Because Zi Ling had seen how Feng Wu had defeated Ye Han, she wasn't shocked either.

Sun Jingyu was the astonished one.

She was dumbfounded.

One, two, three...

Ten, twenty, thirty...

The energy spread out from Feng Wu at the center.

All White Lion Elephants within reach had their heads chopped off.

Holy crap!

Sun Jingyu looked at Feng Wu and felt as if she had been slapped.

It hurt...

But she grew excited.

She was going to live!

She wasn't going to die!

Seeing that Chaoge and Zi Ling were running toward Feng Wu, Sun Jingyu followed suit. She ran toward Feng Wu as well.

She didn't care about her dignity. She wanted to live.

Chaoge frowned at Sun Jingyu. "Didn't you just call Xiao Wu useless? Why are you running to her side?"

Sun Jingyu ignored her and stood close to Feng Wu.

Chaoge said, "You're shameless!"

Sun Jingyu still wouldn't reply.

The White Lion Elephants were shocked by Feng Wu's first strike.

Seeing that Feng Wu didn't move, they charged at her again.

Boom!?

Although Feng Wu had killed dozens of White Lion Elephants, there were still a lot of them left.

It was a terrifying scene.

Sun Jingyu said in a shaky voice, "We should run!

"We can't fight a thousand White Lion Elephants!

"We should retreat while Feng Wu still has strength left. That way, we may survive this!"

Sun Jingyu spoke anxiously to Feng Wu.

Zi Ling was anxious as well.

There were so many White Lion Elephants...

Normally, she would have to work with a teammate just to kill one of them...

Chapter 2555: Feng Wu the God (1)

Both Sun Jingyu and Zi Ling gave Feng Wu pleading looks, but Feng Wu only looked straight ahead.

The White Lion Elephants were rushing toward them.

Sun Jingyu and Zi Ling turned pale.

Feng Wu struck out.

"Fallen Star Swordplay, second stance!"

This time, she released even more energy.

Whoosh!

It spread out over 300 meters.

This strike was three times more powerful than the first one.

More White Lion Elephant heads fell to the ground.

"Oh my god!" Sun Jingyu was astonished.

Because it was such a terrifying scene.

Feng Wu had killed dozens of White Lion Elephants with one strike earlier, which was beyond Sun Jingyu's imagination.

Had she just killed 100 beasts with one strike?

Updates by

Sun Jingyu did a count.

Feng Wu had killed 123 White Lion Elephants with this strike!

Sun Jingyu wanted to kneel on the ground.

She turned around and looked at Feng Wu in disbelief.

She couldn't believe that she had tried to kill Feng Wu. She wanted to dig a hole in the ground and hide inside.

That was such incredible power.

What on earth was Feng Wu's cultivation level?

The blow was so hard that Sun Jingyu didn't want to speak.

She wondered why she had turned Feng Wu into her enemy. She didn't have a death wish.

She took a few deep breaths to force herself to calm down.

The White Lion Elephants were dumbfounded as well.

Human teenagers came here to fight them all the time, but they had never been defeated like this, so the White Lion Elephants continued to live in this area.

But this human girl was so terrifying!

They decided that it was time to run.

All the White Lion Elephants switched directions.

"You're my points! Where do you think you're going?"

Chaoge wouldn't let them run.

"With Gu Xingyuan in this competition, we may not be the top team." Chaoge sounded concerned.

Feng Wu nodded and struck out again.

"Ground Control!"

With that, the running White Lion Elephants were all frozen on the spot.

"Fallen Star Swordplay, third stance!"

The sword shot up into the air and turned into a dragon.

Roar!

The dragon's roar resonated in the air.

Whoosh!

Nearly a thousand White Lion Elephants were still standing.

But they were all frozen on the spot when the dragon appeared.

Whoosh!

Heads fell on the ground and exploded one after another.

Sun Jingyu couldn't see anything but sparks.

She was so shocked that she swayed and almost passed out.

She was filled with fear and reverence.

She knew she had underestimated Feng Wu, but she didn't know that Feng Wu could be so incredibly powerful.

How talented was she?!

She was probably good enough to graduate and even become a teacher in the academy, but she joined Class E instead.

Not only that, she also concealed her true power.

Moreover, she didn't react when other people provoked her.

Sun Jingyu buried her face in her hands when she recalled what she had said to Feng Wu before, as well as her pathetic attempt to assassinate her.

"Feng Wu, I..." Sun Jingyu didn't know what to say.

Chapter 2556: Feng Wu the God (2)

"Feng Wu, I..." Sun Jingyu was so ashamed that she blushed and stuttered.

Feng Wu only glanced at her.

She didn't care about Sun Jingyu's attitude toward her.

Chaoge was the smart one. She called for Zi Ling when she saw all the dead White Lion Elephants.

"Come here and help me collect the crystal cores!"

Zi Ling was also dumbfounded.

She stared at Feng Wu and forgot how to blink.

She had thought that Feng Wu wouldn't be much more powerful than Ye Han, but reality had slapped her in the face.

Not much more powerful than Ye Han?

Feng Wu was even better than students of Class A!

“Zi Ling!”

Chaoge called for Zi Ling again while the latter was still feeling dazed.

“Right! Sure!” Only then did Zi Ling rush to her side to help her with the crystal cores.

Picking them up was all she needed to do.

Just pick them off the ground.

Before, Zi Ling and her teammates had to risk their lives to kill one White Lion Elephant, but now, she could just pick up the crystal cores.

She was both excited and bewildered.

Sun Jingyu was a little embarrassed. Seeing that Feng Wu wouldn't talk to her, she said, “I'll help them.”

There were crystal cores all over the ground.

They almost didn't have enough time to pick up all of them.

Comparisons could be so odious.

Wait.

Feng Wu raised her eyebrows. She felt that she could obtain energy from the crystal cores.

She held one in her hand, and the crystal core crumbled after its energy was drained.

She could sense that the energy in her dantian had increased a little.

It wasn't enough to raise the percentage to 6%, but it was an increase.

Feng Wu looked at the others. “Can the crystal cores be used directly for cultivation?”

She directed the question at Sun Jingyu.

Being the class president, she obviously knew better than the other students.

Sun Jingyu shook her head. “No, they can't. We can only use the crystal cores after the academy takes them away and refines them in a special way. The potions created can be used for cultivation.”

Really? Feng Wu was bewildered because she could use them directly.

What she didn't know was that such a thing could only be done by people who had the phoenix bloodline.

They put all the crystal cores in a bag and brought them to Feng Wu.

Feng Wu asked Sun Jingyu, “Usually, how many crystal cores do you need to be first?”

Sun Jingyu was the class president and had participated in events like these many times.

“100 should have been enough,” said Sun Jingyu, “but Gu Xingyuan is here now, and to be honest, I assumed that he would be first. I see now that it’ll be you.”

Feng Wu nodded and only said, “Let’s go back.”

They walked in the direction they had come from.

Sun Jingyu had led the team on their way here. She had been so confident that she would be the top student in Class E.

But now, she stayed an arm’s length behind Feng Wu and didn’t dare say a word.

She even walked behind Chaoge and next to Zi Ling.

For them, the event was over, but for the other students...

It had probably ended for them as well; it was just that they didn’t know it yet.

Mu Qianqian found a team after she ran away to get help.

It was Gu Xingyuan’s team.

Chapter 2557: Was Feng Wu Second?

Gu Xingyuan’s team had some very capable members.

The team leader was Pei Si, one of the top students of Class E and Sun Jingyu’s top rival.

Chu Junying went everywhere with Gu Xingyuan, so of course, she was in the team.

The other one was Pei Si’s friend.

Those were the five members of Team 2.

Mu Qianqian ran into them, and Pei Si killed the two White Lion Elephants chasing her without difficulty.

“Mu Qianqian?” Pei Si stopped her. “Why are you here? Where’s your team?”

Mu Qianqian counted the dead White Lion Elephants on the ground and saw that there were a few dozen.

She then saw the sack hanging on Pei Si’s belt, and felt her heart sink. There were at least a couple of hundred of crystal cores in it.

“Where’s Sun Jingyu? Why isn’t she with you? Where’s your team?” Pei Si asked.

“There were so many White Lion Elephants! I barely managed to get away! I need to find a teacher! We need help!” Mu Qianqian pointed in the direction she had come from.

Pei Si frowned. “What happened?”

Mu Qianqian panicked. She couldn’t afford the consequences if all four teammates died, especially if Sun Jingyu was one of them, since the latter’s family was both rich and influential.

At that thought, she burst into tears.

“I saw many White Lion Elephants, and everyone panicked, so I ran. I ran as fast as I could.”

Pei Si’s eyes widened a little. “Many White Lion Elephants? Did your teammates get away?”

Sun Jingyu was her rival who had the most capability.

“I don’t know. I think they did. It was so chaotic that we couldn’t care about anyone else.”

Mu Qianqian tried her best to make herself sound innocent.

Gu Xingyuan wasn’t interested.

Pei Si suddenly asked, “If I remember correctly, there’s a new student in your team, right?”

Mu Qianqian was frustrated at the thought of Feng Wu.

“Yes! We have two, actually. One is Feng Wu and the other is Duan Chaoge. I don’t know where to begin... Wait!” Mu Qianqian suddenly came up with an idea to shift the blame. “It was Feng Wu! She overestimated herself and lured in too many White Lion Elephants! She’s to be blamed if anything happens to Jingyu!”

Feng Wu?

Gu Xingyuan was intrigued.

The Gu family held a grudge against Feng Wu, and he wanted her dead.

“Is Feng Wu dead?” Gu Xingyuan stared at Mu Qianqian.

Mu Qianqian said, “I don’t know. I don’t know what happened after I left. I need to find Mr. Luo, our assistant tutor.”

Several tutors were patrolling the outer region of the forest to keep the students safe.

Mr. Luo arrived at that moment.

Mu Qianqian was thrilled. She ran to his side and complained about Feng Wu.

She said that Feng Wu was an ignorant new student who had lured in too many White Lion Elephants. Sun Jingyu, their class president, might have been killed for it.

Dead?!

The news soon spread.

Another team was with Mr. Luo.

It was the one that Lu Xiao and Zhen Ya were in.

Zhen Ya had always held a grudge against Zi Ling and had been paying special attention to her after the latter paired up with Sun Jingyu.

Chapter 2558: Feng Wu’s Fault

Before Zhen Ya could ask anything, Mr. Luo set out to look for the team.

Pei Si felt that with the tutor here, they would be safe.

“I don’t know why, but there are much fewer White Lion Elephants now. Shall we look around?”

Pei Si looked at Gu Xingyuan.

Gu Xingyuan nodded and marched out.

Pei Si was the team leader, but Gu Xingyuan was a Level 6 Spiritual Lord. After he demonstrated his ability, he became the key member of the team.

After Pei Si’s team followed Mr. Luo, Lu Xiao wanted to leave with them as well.

Zhen Ya didn’t want to go and kept tugging at him.

Lu Xiao said coldly, “You can’t stop me. I have to go!”

He quickly followed the others.

“It’s because of Zi Ling, isn’t it? You like her!” Zhen Ya had tears in her eyes.

Lu Xiao ignored her.

Zhen Ya was frustrated, but she was worried that something would happen between Lu Xiao and Zi Ling, so she stomped her foot and followed him.

She knew that a man would always be soft-hearted toward an injured woman.

She had used a lot of tricks to win Lu Xiao’s heart, and she wasn’t going to let Zi Ling win him back.

Mr. Luo was surprised when he saw Sun Jingyu.

Because all four girls looked completely fine.

There wasn’t a scratch on them, and even their faces were clean.

He asked Sun Jingyu, “Are you alright?”

Sun Jingyu was perplexed. “Yes, we’re fine. Sir, why are you here?”

Mu Qianqian arrived at that moment, and she couldn’t believe her eyes when she saw that Sun Jingyu was still alive.

Feng Wu and the others were alive as well, and none of them seemed injured.

Mu Qianqian said, “Didn’t the White Lion Elephants surround you? How...”

Pei Si and her team were surprised to see them as well.

She said, “You’re not dead!”

Sun Jingyu smirked. “Does that disappoint you?”

Pei Si chuckled awkwardly. “Jingyu, of course not. We’re not that sort of people.”

Sun Jingyu smirked and thought, “Who are you trying to fool?”

She then turned to Mr. Luo. "We ran into some White Lion Elephants, but we're no longer in danger. Please don't worry."

Pei Si asked Mu Qianqian, "Didn't you say..."

Mu Qianqian realized what she was asking.

She ran to Sun Jingyu's side and said loudly, "Jingyu, it was Feng Wu's fault! She lured in all the White Lion Elephants! Otherwise, you wouldn't have been in danger!"

Sun Jingyu wanted to roll her eyes.

Mu Qianqian didn't know what she was thinking, and even winked at her.

Chu Junying jumped at the opportunity. "Did you say that Feng Wu lured in too many White Lion Elephants?"

Mu Qianqian said, "Yes! There were so many of them! If it wasn't for her, we would never have..."

Sun Jingyu glared at her. "Shut up!"

Mu Qianqian knew perfectly well who had lured in the White Lion Elephants, but she still tried to blame it on Feng Wu.

She had no idea how capable Feng Wu was.

Sun Jingyu recalled how Feng Wu had killed so many White Lion Elephants with a single strike...

Chapter 2559: Terrifying Feng Wu

Sun Jingyu gave Mu Qianqian a stern look.

Mu Qianqian was confused.

She knew that Sun Jingyu wanted to kill Feng Wu, and now was a great opportunity. Why was Sun Jingyu giving her that look?

Mu Qianqian couldn't figure it out.

Chu Junying still tried to circle back to Feng Wu, so she said, "I'm sure Jingyu turned things around and saved you all from the White Lion Elephants. That's the good thing about teaming up with the class president. Feng Wu, you're so lucky."

All the other new students gave Feng Wu envious looks.

Sun Jingyu wanted to explain, but she knew doing so might reveal some secrets, so she glanced at Feng Wu.

Seeing that Feng Wu wasn't going to explain, Sun Jingyu remained silent as well.

The others took her attitude for tacit acknowledgement.

Mr. Luo said, "If everything's fine, let's get back to the hunt."

He walked away after that.

Pei Si smiled at Sun Jingyu. "Jingyu, I have an idea. Would you like to hear it?"

Sun Jingyu didn't like Pei Si, but she had to show her some respect while everyone was watching, so she said indifferently, "Go ahead."

Pei Si said, "Since we have three teams here, why don't we form an alliance and hunt a pack of White Lion Elephants together?"

A pack? Sun Jingyu found the suggestion idiotic. She wondered how Pei Si would react if she knew that Feng Wu had killed the entire herd. She smiled inwardly.

However, she pretended that she didn't know anything. "A pack? Well..."

Pei Si said, "Didn't you run into a pack earlier? All we need to do is lure them here. I'm sure our three teams will be more than enough to handle a dozen beasts."

"A dozen, you say?" Sun Jingyu asked deliberately.

Pei Si said, "If you think that's too much, we can do fewer than ten, just to be safe."

Sun Jingyu smiled at her.

Pei Si asked, "Do you have a different opinion?"

Sun Jingyu said, "My opinion has nothing to do with it. It's just..." She wanted to say that Feng Wu had destroyed the White Lion Elephants' habitat, and there were no beasts left in the outer ring of the forest.

But she knew that the tutors would be furious if she said that.

The White Lion Elephants were there to help the students train their fighting skills, and the academy had invested in resources for raising them, but now...

Pei Si looked around and asked, "Have you noticed something?"

Chu Junying asked, "What is it?"

Pei Si said, "Why do I feel that the White Lion Elephants have disappeared? Usually, we should see individual beasts along the road, but I haven't seen a single one of them since we arrived."

Sun Jingyu glanced at Pei Si with a sense of superiority.

Chu Junying said, "We didn't find many White Lion Elephants either. Did we kill them all?"

"Don't be ridiculous." Pei Si didn't agree. "There are thousands of them, and they multiply very fast. We can kill as many of them as we want, and there will always be more."

Just then, they heard someone cry out.

It was Mingjie, Pei Si's friend.

Mingjie shouted, "Guys, come here!"

Pei Si frowned. "Let's have a look."

She led her team to Mingjie.

Chapter 2560: Who Did It?

Lu Xiao kept his gaze on Zi Ling.

His reaction made Zhen Ya nervous. She tugged at him and said, "Let's go have a look!"

Lu Xiao was noticeably reluctant to do so because he wanted to stay with Zi Ling and see if she had been hurt.

Zi Ling glanced at him and turned to Feng Wu. "Let's go back."

Feng Wu could see that something was going on between Zi Ling and Lu Xiao.

She could also see that something was going on between him and Zhen Ya.

But since Zi Ling wanted to leave...

Pei Si came over before Feng Wu could say anything and told them, "You better come with me. Mr. Luo wants to see you."

Feng Wu knew that they had found out about the White Lion Elephants.

To save herself from future trouble, she knew she had to offer an explanation, so she nodded and followed Pei Si.

Her team followed her.

Despite her conflicted feelings, Sun Jingyu followed her.

Mr. Luo's face was livid, and the students couldn't believe their eyes.

Sun Jingyu knew what had happened, but Feng Wu had told her to keep it to herself, so she pretended that she didn't know anything.

Pei Si asked her, "Jingyu, what happened?"

Sun Jingyu gave her a strange look. "What do you mean? You don't think that I killed all those White Lion Elephants, do you?"

Pei Si rolled her eyes at her. "Dream on!"

Mr. Luo said, "There are over a thousand White Lion Elephants here, and their heads have all exploded. Even I couldn't do it, let alone you."

Sun Jingyu asked, "Mr. Luo, even you couldn't do it?"

Mr. Luo nodded. "I don't think even Mr. Zhu could do it."

Class E had one chief tutor and numerous assistant tutors.

Mr. Zhu was the chief tutor, and Mr. Luo was one of the assistants.

Sun Jingyu couldn't help but glance at Feng Wu.

She thought very highly of Feng Wu now, but as it turned out, she still had no idea of her full potential.

By the sound of it, she was even more capable than the chief tutor.

Sun Jingyu wondered if Chief Qingluan, who had been hostile toward Feng Wu since day one, knew Feng Wu's real ability.

"Jingyu? Jingyu!" Mu Qianqian tugged at Sun Jingyu's sleeve and woke her up from her reverie.

"Mr. Luo is talking to you!" she whispered.

She wondered what Sun Jingyu was thinking.

Sun Jingyu looked at Mr. Luo in bewilderment.

He had just asked her if she knew what happened.

Not only did she know, she had also experienced it for herself. However, Feng Wu wouldn't let her talk about it.

Sun Jingyu could only smile bitterly. "I was too busy running for my life to notice anything else. Maybe you could ask Feng Wu." That was the person that could give the final answer.

Mr. Luo narrowed his eyes.

He could have asked Feng Wu, but he didn't.

In fact, he hadn't glanced at Feng Wu since he arrived.

He had deliberately ignored her.

Therefore, he waved Sun Jingyu off. "I'm sure some tutor saw that you were in danger, so they gave you a hand and walked off after that."

Sun Jingyu remembered the rumor about the academy deliberately raising White Lion Elephants.
