Chapter 2561: Feng Wu's Fault (1)

Sun Jingyu thought, "Didn't the academy raise the White Lion Elephants so that the students could use them to train their fighting skills? Why would a tutor kill them all? That doesn't make sense."

But since Mr. Luo had said so, the others believed him.

Pei Si said to Sun Jingyu, "Be grateful to that tutor, or all of you would have been in great trouble."

Sun Jingyu was speechless.

Gu Xingyuan glanced at Feng Wu.

He had his doubts and wondered if Feng Wu had killed the beasts. However, there were over a thousand of them, so he decided that it couldn't have been her. She wasn't powerful enough.

Pei Si sounded sorry when she said, "The White Lion Elephants have been wiped out, so the event has to end here. By the way, how many crystal cores do you have?"

She looked curiously at Sun Jingyu.

Sun Jingyu glanced at her. "How many do you have?"

Pei Si chuckled. "We've collected 150 already. How about you?"

Sun Jingyu shrugged. "I'm not in charge of the crystal cores." By that, she meant that she had no idea how many crystal cores Feng Wu had collected.

Pei Si thought that Sun Jingyu was being pretentious and became displeased.

She looked at the dead White Lion Elephants.

If the mysterious tutor killed them, the crystal cores should still be there.

Excited, she ran to the beasts to check their heads.

However, the crystal cores were all gone.

"Where are the crystal cores?" She stared at Sun Jingyu.

Chaoge said mockingly, "Where do you think?"

Pei Si asked, "You didn't take them all, did you?"

Chaoge crossed her arms. "It's none of your business."

Pei Si was furious and said sarcastically, "You're just a new student, so behave like one. Jingyu, aren't you going to do something about it?"

Do something about it? Sun Jingyu thought, "I'm the second weakest person in this team. Who am I to discipline Duan Chaoge? She'll probably discipline me first."

In the end, they went back to the academy because there were no more White Lion Elephants around.

Everyone was talking about it when they got back.

This was the first time that students had to come back early because they didn't have anything to hunt.

The students of Class E were avidly discussing it in the square.

"I heard that some mysterious tutor gave them a hand and killed all the White Lion Elephants."

"You mean Jingyu's team? They're all experienced students. Why would they be in such danger?"

"Jingyu and Mu Qianqian wouldn't have put themselves in danger, but have you forgotten who else is in that team?"

"Do you mean Feng Wu? The one that Chief Qingluan tried to pick?"

"That's right! She's useless, but she's so arrogant. Someone like that is bound to create trouble!"

"According to Mu Qianqian, Feng Wu was the one who lured in the White Lion Elephants."

"Feng Wu is so pretty, and I almost became her fan. I didn't know she was that type of person!"

"If it wasn't for her, the mission wouldn't have ended earlier than expected!"

"That's right! I was going to make great use of this opportunity. I even bought some potions for this event. Now that has all gone to waste!"

...

Many students of Class E held a grudge.

They needed an outlet, and Feng Wu became their target.

Chapter 2562: Feng Wu's Fault (2)

Sun Jingyu didn't know what to say when she heard all the discussion.

How idiotic were they?

Did they really believe that Feng Wu was useless and that she had lured in the White Lion Elephants?

If they knew that Feng Wu had killed a thousand White Lion Elephants with one strike, they would be shivering inside out, just like her.

However, Sun Jingyu felt excited at the same time because she was the only one who knew how capable Feng Wu was. Her classmates were all idiots!

Chaoge nearly lost control, but the thought of Feng Wu calmed her down.

She looked around and remembered every person who said bad things about Feng Wu.

Mr. Luo arrived shortly after that.

He had asked around, but no tutor in the academy acknowledged that they had done such a thing, which perplexed him. However, he stuck to his conclusion when he talked to the students.

A tutor did it.

After that, the students were ranked by performance and were rewarded with points.

All they needed to do was hand in the crystal cores.

As for the best member in each team...

Every student's armband was scanned, and the system would decide who the best team member was. Even the tutors didn't have access to the data.

The rankings of the teams were announced in reverse order.

The 300th team was awarded first, and the 1st team last.

Feng Wu was in Team 1.

Gu Xingyuan was in Team 2.

Zhen Ya and Lu Xiao's team was Team 50.

The team leader handed in their crystal cores, and the rankings were displayed on the big screen.

Whoosh –

The 1st team was Team 1, and the team leader was Sun Jingyu.

The 2nd team was Team 2, and the team leader was Pei Si.

...

The 100th team was Team 50, and the team leader was Lu Xiao.

...

The students were shocked. "Team 1 is the top team! Weren't they in grave danger? How did they earn so many points?!"

"Jingyu is amazing! She and Mu Qianqian made that possible despite having three unhelpful teammates!"

"You don't say! They would never have earned so many points if they didn't have Jingyu with them! I wish I had her in my team!"

"I heard that they were very lucky. The tutor left without taking the crystal cores, so they picked up everything."

"Gosh! How can anyone be so lucky? I'm so envious!"

"I thought Pei Si's team would be the best one. After all, they have Pei Si, the second-best student in our class, and there's Gu Xingyuan as well. I heard that he's already a Level 6 Spiritual Lord!"

“Seriously? Most of the students in our class are Level 3 Spiritual Lords.”

“That’s so impressive. I think he’ll be the next top student in our class.”

...

They were still discussing the possibilities, when the names of the best team members were displayed next to their teams.

“Team 1: Feng Wu.”

The students were all dumbfounded.

“Feng Wu? How’s that possible? How can it be her?!”

“Why isn’t it Sun Jingyu?”

“Didn’t you say that Jingyu and Mu Qianqian saved the team together? Why is Feng Wu the best team member?”

Chapter 2563: Black Crow

“That’s right. Didn’t Feng Wu put the team in danger? I thought she was useless. Why is she the best teammate?”

Wasn’t that self-contradictory?

The others looked at one another and were confused.

That didn’t make any sense.

“Mr. Luo, is there something wrong with the system?” Pei Si asked.

Everyone nodded and looked at him expectantly.

Something had to be wrong. It couldn’t be Feng Wu!

Mr. Luo wished that was the case. However...

“There’s nothing wrong with the system,” Mr. Luo said calmly.

If that was the case, that meant that Feng Wu had received that title because she deserved the reward.

Zhen Ya suddenly asked, “Is it because Feng Wu picked up the most crystal cores?”

Could that be the case? Everyone’s eyes lit up.

Pei Si raised her hand. “Sir, does the system rank us based on how many crystal cores are handed in?”

No one knew what the standards were.

Mr. Luo said, “There’s no question about the accuracy of the rankings.”

The students weren’t satisfied with the answer, but they found ways to convince themselves.

“That must be the case. Feng Wu picked up the most crystal cores and became the best team member. She’s shameless!”

“I agree with you! She was the one who lured in all the White Lion Elephants, but after the tutor saved them, the first thing she did was to gather the crystal cores. I can’t believe it.”

“I feel so sorry for Jingyu. She was the leader of the team, but Feng Wu became the best team member. That’s outright betrayal!”

Sun Jingyu couldn’t stand them anymore. She glared at them and shouted, “You don’t know what you’re talking about! Feng Wu deserves to have all the crystal cores! No one is more qualified than she is!”

All the students were surprised. They never expected their class president to be on Feng Wu’s side.

They gave Feng Wu strange looks.

Zhen Ya mumbled, “Jingyu is such a nice person. She was robbed of the honor, but she’s trying to defend Feng Wu. She’s the best class president.”

The others agreed with her and admired Sun Jingyu for what she said. They only despised Feng Wu even more.

Sun Jingyu wanted to cry. She wished these people would stop talking.

“Shut up, all of you! That’s the end of the discussion! If anyone says anything, they’ll be banned from our next event!” Sun Jingyu had to shut them up.

As the class president, she had the right to ban her classmates from attending the events.

But –

She couldn’t stop them from discussing it. What she did only made the rumor spread further.

The students scattered after the points were distributed, and they gathered in twos and threes as everyone talked about today’s events in low voices.

They even gave Feng Wu a nickname: black crow.

The name indicated how much misfortune Feng Wu represented.

Chaoge was furious.

But nothing she did could stop these people from talking.

In Room 2001.

Chaoge grabbed a cleaver. “I’m so mad! I can’t stand them!”

Chapter 2564: I Don’t Want to Talk to You

Chaoge said, “Xiao Wu, let go of me! I’m gonna kill them! They’re so vicious! Are they majoring in professional quarreling?”

Feng Wu chuckled.

Chaoge stared at Feng Wu in disbelief. "How can you laugh? They're slandering you! They're calling you 'black crow'!"

Zi Ling also found Feng Wu incredible. How tough did her mind have to be for her to remain unaffected?

Feng Wu laughed. "Black crow? I kinda like it."

Chaoge didn't understand how anyone could like such a name and didn't know what to say.

Feng Wu shrugged. "Someone once told me that I should be able to withstand as much slander as the praise I receive. Plus, that can hardly be called slandering."

Chaoge still couldn't understand her.

She had been criticized all her life. She would lose her temper when other people said bad things about her and would rejoice when they complimented her. Feng Wu, on the other hand, seemed to be able to anticipate everything and could take criticism much better.

Feng Wu said, "There, there. I'll teach them a lesson next time. Happy?"

Chaoge asked, "Are you training me in patience now?"

Feng Wu shrugged. It seemed that Chaoge had guessed the answer this time.

Something occurred to Chaoge. "You didn't tell Sun Jingyu to tell the truth. You stopped her on purpose. You wanted those people to think that you have no talent because you want to use this chance to make me more patient, is that it?"

Feng Wu smiled at her.

Chaoge said grumpily, "You... I don't want to talk to you anymore!"

She walked away to sulk in a corner.

Meanwhile, Sun Jingyu was in her room. After she calmed down, she couldn't stop thinking about how Feng Wu had killed a thousand White Lion Elephants with one strike.

That was amazing!

She was lost in thought. It had never occurred to her that she would genuinely admire Feng Wu for her talent. She almost wished that she could become Feng Wu's minion.

Mu Qianqian and Sun Jingyu lived in the same dormitory, and the former wouldn't stop talking.

"Feng Wu is so annoying! I didn't expect her to become the best team member. Apart from the honor, she also earned 100 points.

"Jingyu, what are we going to do about Feng Wu?"

"You spoke up for her, which was such a brilliant move! Everyone finds you such a generous person now. That was so clever.

"Jingyu?" Seeing that Sun Jingyu was deep in thought, Mu Qianqian gave her a nudge.

Sun Jingyu said, "What? What did you say?"

Mu Qianqian repeated what she said.

Sun Jingyu gave her a contemptuous look.

It made Mu Qianqian uneasy. She wondered if she had said something wrong.

Sun Jingyu pointed at her. "You're such an idiot!"

Mu Qianqian said, "What?"

Sun Jingyu was interrupted by a knock at the door. Mu Qianqian went to answer it.

It was Wang Junwen, a student of Class D. She didn't like Feng Wu either.

She didn't ask Mu Qianqian to leave and questioned Sun Jingyu straight away. "Did you forget your task? Didn't you promise me that you would finish off Feng Wu? What the hell?"

Chapter 2565: Untitled

Wang Junwen glared at Sun Jingyu.

Yes, she was the one who had given Sun Jingyu the mission to kill Feng Wu, and Sun Jingyu had failed.

Sun Jingyu shrugged. "I couldn't do it."

Wang Junwen didn't expect her to be so straightforward. She frowned. "I can understand that you failed once, but you can always try again..."

Of course, Sun Jingyu didn't dare try again.

She raised her voice. "I'm not doing it!"

Wang Junwen gave Sun Jingyu a strange look. "What's that supposed to mean?"

Mu Qianqian was surprised as well.

Sun Jingyu had spent a lot to kill Feng Wu, including on all the explosive balls. Didn't she want to make it worth her while?

Sun Jingyu looked alarmed and said solemnly, "Junwen, I hope you can understand something."

Wang Junwen said, "Go ahead."

Sun Jingyu said, "I can't reveal too much, but I have to remind you: Feng Wu isn't someone we can touch. You better give up that idea."

Wang Junwen didn't think much of her warning and only gave her a cold glance. "You've made up your mind, then."

Sun Jingyu nodded. "Yes, and I hope you'll keep your promise. This stays between us."

Wang Junwen frowned. She wasn't ready to give up. "What if I double the reward?"

Sun Jingyu said, "I don't have a death wish."

She didn't have a death wish! Wang Junwen smirked. "Fine. Sun Jingyu, that's your final answer, then." "Please reading on N?WN0V?L.0?G" You know, plenty of people out there will jump at the opportunity!"

She then stormed off.

"Junwen, Junwen?" Mu Qianqian ran after Wang Junwen, but the latter soon disappeared down the corridor.

Mu Qianqian came back and said to Sun Jingyu in resignation, "Jingyu, you shouldn't have offended Junwen. She's from Class D."

The five classes were of five different levels.

To students of Class D, students of Class E were so weak that they could bully them however they wanted.

To Class E, students of Class D were too powerful for them to mess with.

Sun Jingyu stared at Mu Qianqian. "Do you know who killed those White Lion Elephants?"

Mu Qianqian asked, "Who?"

Sun Jingyu glanced at her. "Who do you think?"

Mu Qianqian was perplexed. "Wasn't it a mysterious tutor?"

Sun Jingyu smiled.

Mu Qianqian tilted her head. "Could it be Duan Change? No, she's only slightly better than me. She couldn't have done it. It couldn't have been Zi Ling either. So..."

"OMG!" Mu Qianqian covered her mouth. "No, it couldn't have been her! Feng Wu? Was it really her?"

"Yes." Sun Jingyu was pleased to see the astonished look on Mu Qianqian's face. Unlike Mu Qianqian, she had seen it with her own eyes!

Mu Qianqian said, "How's that possible? There were over a thousand White Lion Elephants! Are you sure..."

Sun Jingyu grabbed her bucket to get some water and said casually before she left, "I saw it with my own eyes."

Mu Qianqian looked like she had been struck by lightning.

Was Feng Wu even human?

Chapter 2566: Untitled

Mu Qianqian had hung out with Sun Jingyu long enough to know her well. There was no need for Sun Jingyu to lie about it. Moreover, she had turned down Wang Junwen so decisively.

“What about Junwen...”

Meanwhile, Feng Wu was calculating her points.

Before the event, she had just 10 points left. Their team won first place, so each team member was given 100 points. Being the MVP, she earned an extra 100 points.

Therefore, she had 210 points.

Chaoge had 110 points.

Feng Wu took Chaoge and Zi Ling to the school canteen.

According to Zi Ling, all the ingredients used in the dishes in the canteen came from magical beasts of the Thousand Night Forest. Having a meal there increased one’s spiritual essence a little, and was beneficial to one’s cultivation.

The canteen was divided into two sections: ready-to-eat and stir-fry.

Ready-to-eat dishes were already cooked, and one only had to line up to put the food on their tray.

However, it was common knowledge that these types of dishes weren’t the best in terms of quality.

Stir-fry dishes were different because one could order them with specific ingredients. Such dishes ensured that the spiritual essence in the ingredients could be retained at the highest level.

Zi Ling led Feng Wu and Chaoge to the queue and suggested, “Shall we have four dishes? We came in first. We must celebrate.”

Four dishes were considered a celebration? Chaoge asked curiously, “What do you usually eat, then?”

Zi Ling said, “Vegetables poured over rice. It’s quite tasty.”

Chaoge was speechless.

She went to the front of the line to take a look at the ready-to-eat dishes, and when she came back, she said, “They don’t look that tasty to me. Plus, they’ve been sitting there for so long that there’s hardly any spiritual essence left.”

Zi Ling said, “But it’s good enough for us. We can’t afford the stir-fry dishes...”

Chaoge said, “I see that with the ready-to-eat dishes, meat dishes cost 5 points, vegetable dishes 3 points, and rice one point.”

Zi Ling nodded. “It’s so expensive, and many of us can’t afford them. We can only order one portion of rice and wash it down with the free soup. That’s the only way we can sustain ourselves.”

Chaoge asked, “Why are you so broke? Xiao Wu and I only just got here, and we already have over 100 points.”

Zi Ling looked at her in resignation. “That’s because our team was first, and only the top team can earn 100 points. The lower the ranking, the fewer points a team will earn. Teams ranked below 200 can’t

earn any points at all. That's how difficult it is to earn points. I'm the lucky one. I joined your team and earned the extra points."

"You guys stay in the line. I'll get us some soup," Zi Ling was going to fetch the free soup.

"Isn't it Zi Ling? What a coincidence. Are you here for the free soup again?" It was Zhen Ya's voice.

Zhen Ya was Lu Xiao's current girlfriend, and she had never tried to hide her resentment toward Zi Ling.

Zi Ling's cheeks flushed with anger. She turned around and ignored Zhen Ya.

But Zhen Ya didn't walk away. She was the type of girl who always clung to her boyfriend.

She looked at Zi Ling, Feng Wu, and Chaoge with contempt.

Lu Xiao had always felt guilty about leaving Zi Ling, so he lowered his voice and asked, "Zi Ling, why don't you join us?"

Hearing that, Zhen Ya glared at Zi Ling.

Zi Ling had an indescribable look in her eyes when she shook her head at him. "That won't be necessary. Please leave."

Chapter 2567: Untitled

Zi Ling went back to her team and wouldn't look at Lu Xiao again.

Zhen Ya let Lu Xiao go back to their table first. After he left, she went to Zi Ling's side with a smirk on her face and raised her hand.

Thump!

She slapped Zi Ling in the face.

The sound attracted much attention.

Feng Wu and Chaoge looked at each other, and both were infuriated.

Zhen Ya had no idea that she had offended Feng Wu. She only stared at Zi Ling and said harshly, "Zi Ling, I'm warning you! Lu Xiao is my boyfriend now! If you seduce him again, you'll get more than a slap to the face!"

She was ready to leave after that.

But Chaoge stopped her.

Zhen Ya glared at her. "Be a good dog and get out of my way!"

"Right. A good dog shouldn't get in the way. That makes you a bad dog!" Chaoge then slapped Zhen Ya with much force.

Smack!

It was such a crisp sound.

Chaoge had used much more force than when Zhen Ya slapped Zi Ling. As a result, Zhen Ya flew backward.

Both her feet left the ground.

Zhen Ya stared at Chaoge in disbelief.

Chaoge had hit her.

She was the daughter of the famous Zhen family, and that girl had slapped her! Zhen Ya was dumbfounded.

All eyes were on Chaoge.

The new student was bold enough to mess with the daughter of the Zhen family!

Wait. A new student? Chaoge was a new student, and she was capable of striking Zhen Ya so hard that she was sent flying. Did that mean that she was more capable than Zhen Ya?

Just then, Lu Xiao ran back from their table. He squeezed through the crowd and rushed to his girlfriend's side. "Zhen Ya, are you alright?"

Zhen Ya burst into tears when she saw Lu Xiao, as if she had suffered the greatest injustice.

"Zi Ling told her friend to hit me!" 'NewNOvel*0 rg'Zhen Ya's tears won her a lot of sympathy, and the mark on her face also proved that she had been hit hard.

Lu Xiao glared at Zi Ling with eyes burning with fury.

He shouted, "Zi Ling, if you hate me, do whatever you want to me! Why did you hurt Zhen Ya? I'm so disappointed in you!"

He picked Zhen Ya up and carried her toward the infirmary.

"If anything happens to Zhen Ya, I'll make you pay!"

That was all Lu Xiao said.

Feng Wu could see that Zi Ling was so angry that her legs almost gave out. She had clenched her fists and gritted her teeth.

Feng Wu also saw that Zi Ling was clutching her hands so tightly that her nails dug into her palms. Blood oozed out.

What kind of hatred was that? Had someone threatened her, forcing her to endure this humiliation?

Feng Wu shook her head. "Let's go back."

They went back to Room 2001.

Ye Han hadn't shown her face ever since Feng Wu defeated her. As a result, there were only three people in the dormitory.

Chaoge closed the door and asked Zi Ling, "What on earth was that about?"

Zi Ling bit her lower lip, trying to force back her tears.

Chaoge grew impatient. "What's going on? Why is that Zhen Ya targeting you, and what's that Lu Xiao's problem? Why did he blame you? Just tell me!"

Feng Wu frowned.

She could roughly guess what had happened, but it concerned Zi Ling's privacy; if she didn't want to say anything, Feng Wu didn't want to force her either.

She only patted Zi Ling on the shoulder. "It's okay to feel wronged. What's worse is when you're wronged and can't vent your frustration."

Chapter 2568: Untitled

"Without an outlet, you won't have any motivation and can only go with the flow.

"With it, you can work from there and achieve something one day.

"Injustice isn't always a bad thing, but if you choose to remain silent afterward, that's the true tragedy."

Feng Wu looked Zi Ling in the eye and said solemnly, "I hope you can remember that indignation, but if you choose to look away, that's fine, too." Feng Wu knew that she wouldn't think too highly of the girl if she chose to run away.

Zi Ling closed her eyes.

She had no idea that she was at a crossroad in her life.

Nor did she know how her choice would change her life forever.

She wiped her tears, took a deep breath, and met Feng Wu's gaze. "I'll tell you what happened."

She chose not to be a silent victim.

Her choice was appreciated.

The story was straightforward.

Lu Xiao and Zi Ling grew up together. Both came from families of scholars that were equal in social status. Therefore, they were betrothed to each other at a very young age and were going to get married as soon as they were old enough.

They went to school and cultivated together. Later, they entered Imperial College together, slowly making their way from Year 1 to Year 4.

Zhen Ya showed up when they entered the War Academy. She was in love with Lu Xiao and courted him frantically.

It was a messy process.

Zi Ling said, "Zhen Ya knew what she was doing. She slowly made friends with Lu Xiao. At first, she acted like a fangirl who was infatuated with him. She would ask him questions about schoolwork all the time, and Lu Xiao enjoyed it.

"I was angry when I found out about her and demanded that Lu Xiao keep his distance, but Lu Xiao didn't understand it. He said that Zhen Ya was only a friend and that I was being stingy.

"Gradually, Zhen Ya joined our team, and all my team members were on her side. I became an outcast. I tried to talk to Lu Xiao, but he said that his teammates found me too grumpy and too hard to please."

Zi Ling grew angrier as she talked. "I forced Lu Xiao to make a choice between me and her. It was one way or another. Lu Xiao chose me in the end and stopped seeing her. I was very happy, but..."

There was despair in her voice now. "Three days later, I ran into them in Zhen Ya's room. They were lying naked in her bed."

Zi Ling smiled bitterly. "After that, Lu Xiao announced in front of everyone that our marriage arrangement was canceled, and Zhen Ya became his girlfriend."

Feng Wu didn't know what to say.

Chaoge said, "How could Zhen Ya say that you seduced Lu Xiao?!"

Zi Ling said, "I've been avoiding them since that incident. Zhen Ya is from an influential family. Her father is a tutor of Class E. You know that our chief tutor is Mr. Zhu, right?"

Chaoge nodded.

Zi Ling said, "Zhen Ya took her mother's family name. Her father is Mr. Zhu."

Chaoge said, "What?"

Zi Ling smiled bitterly. "Because of that, all the students in Class E fear her, including Sun Jingyu. It's only natural that the other students joined hands to isolate me."

Chaoge said, "That's outrageous! Didn't Mr. Zhu say anything?"

Zi Ling gave her a strange look.

Chaoge said, "Did I say something wrong?"

Zi Ling smirked. "Well, Mr. Zhu is..."

Chapter 2569: Untitled

Zi Ling smirked. "I went to see Mr. Zhu about it, but he told me there was nothing he could do and sent me away."

Chaoge said, "I can't believe it! What happened after that?"

Zi Ling smiled bitterly. "Zhen Ya has been mocking me whenever she sees me and targets me every chance she gets. She becomes alarmed when she thinks I'm too close to Lu Xiao. That's why I've been trying to avoid them, but I can't stay unnoticed sometimes because Lu Xiao greets me all the time."

She snorted. "I wish he'd never talk to me again since it always brings me trouble."

Zi Ling turned to Chaoge and said apologetically, "I wouldn't have reacted like this if I were on my own, but I dragged the two of you into it. I really don't know what to do."

Chaoge didn't feel that she should feel bad about hitting Zhen Ya, but she had indeed caused Feng Wu trouble again.

"Xiao Wu..." Chaoge went to Feng Wu's side, lowered her head, and asked gingerly, "I shouldn't have done that, right? Have I caused you trouble again?"

Feng Wu said sternly, "Are you only aware of that now?"

Chaoge was lost for words.

Feng Wu said, "If you could choose, would you do it again?"

Chaoge gritted her teeth and hesitated, but she still gave an honest answer.

She nodded. "Although it's not right, given the choice, I would do it again. Xiao Wu, I'm sorry, but I can't become the good student you want me to be."

She burst into tears in the end.

She had a feeling that Feng Wu would give up on her.

Feng Wu chuckled.

Chaoge was confused.

Feng Wu said in resignation, "You did the right thing."

Chaoge was shocked.

"What?"

Feng Wu said, "I said, you did the right thing.

"Do you really take me for a coward? Am I someone who would compromise?"

Chaoge said, "What do you mean?"

Feng Wu said, "I'll tell you the same thing that I told Zi Ling."

Chaoge tried to recall what Feng Wu said earlier.

Feng Wu said, "We all need to preserve our will and spirit. Without them, we're no different from fish.

"If someone insults you, insult them with worse things.

"If they hit you, hit them back right away. If you can't beat them, run away. Get stronger and then fight them again.

"Who told you that you have to swallow your grievances?"

"Do you not understand why I scolded you before?"

Chaoge said, "Xiao Wu, I..."

Feng Wu waved her off. "You need to figure it out on your own. Until then, don't come to see me again."

Chaoge was almost in tears and turned to Zi Ling for help.

Zi Ling was as dumbfounded as she was.

Feng Wu left the dormitory and walked around the academy. She spent some points and listened to a few classes.

After attending a lesson on cultivation theory, she worked out the average level of the other students here.

She had learned under her beautiful master, and was good enough to be a teacher here. She didn't need the theory class anymore.

She enjoyed the course about surviving in the Thousand Night Forest.

She hadn't handed in all the crystal cores.

She only handed in 165 and had kept the rest for later use.

Chapter 2570: Untitled

She then went to the cultivation rooms.

It was an interesting place.

The five types of cultivation rooms each corresponded to metal, wood, water, fire, and earth. There were also rooms for auxiliary elements such as ice, frost, and thunder.

Feng Wu made some inquiries and was told that students of Class E could only use Grade E rooms.

She then chose the Grade E fire room.

She entered it and used the crystal cores for her cultivation.

She noticed in surprise that her cultivation had doubled.

When she used all the crystal cores that she had brought with her, the percentage rose to 8%.

She needed 100% to become a real Spiritual King.

When she left the room, she was told that she had spent a small fortune.

"100 points?" She looked at the teacher in surprise.

It was a middle-aged female teacher. Her face was expressionless, and her eyes were cold. She didn't look very friendly.

She glanced at Feng Wu and said lightly, "10 points an hour. You've used 10 hours."

Feng Wu frowned. She felt that the teacher was targeting her.

She didn't think that she had met the teacher before.

“If you can’t afford it, don’t come again.” The teacher glanced at Feng Wu and said to the student behind her, “Next.”

There was a line behind Feng Wu, and the students were all whispering.

Zuo Qingluan had targeted Feng Wu from the very beginning. As a result, other students didn’t fear Feng Wu either.

They even dared to discuss her in front of her.

“Who’s she? Ms. Zhen is usually very nice.”

“That’s Feng Wu, the one Chief Qingluan tried to pick in front of everyone.”

“I see. That’s Feng Wu. By the looks of it, she’s offended Ms. Zhen.”

“Then she’ll have a very hard time ahead of her. Cultivation rooms are the places we need most.”

Ms. Zhen glanced at Feng Wu. “Why are you still here?”

Feng Wu smiled. “I’ll use another 10 hours.”

Ms. Zhen was surprised. “Are you going to use up your points?”

Feng Wu asked, “Do you know me? Why do you know how many points I have?”

Ms. Zhen didn’t answer and only stared at Feng Wu.

Feng Wu asked, “Can’t I do that?”

Ms. Zhen smirked. “Get back in line.”

She wanted to give Feng Wu trouble.

Feng Wu glanced at her and walked toward the cultivation room.

“Stop right there!” Ms. Zhen felt humiliated and glared at Feng Wu. “Do you think you can go in just like that? Get back in line!”

Feng Wu ignored her again.

“Stop!” Infuriated, Ms. Zhen tried to grab Feng Wu’s shoulder.

The moment her fingers touched Feng Wu, Feng Wu grabbed her arm and threw her over her shoulder.

Thump!

There was a loud noise.

Everyone was shocked.

They had never imagined that they would witness such a thing one day.

A mere student had thrown a teacher over her shoulder.

The teacher was Ms. Zhen, Mr. Zhu’s wife.

“That’s Ms. Zhen!”

“She’s Zhen Ya’s mother!”
