Chapter 2621: Unexpected Arrival (2)

Yu Hong and Lei Bao nodded in excitement.

They had been thrilled when Wu Lingyue said that she would avenge Wang Junwen, but what happened later only disappointed them.

Lei Bao had tried to tell himself that he hadn't done his best today, but when he saw what Feng Wu was capable of, he didn't dare utter a word.

The students of Class D put all their hopes on Huo Shan.

Huo Shan frowned and looked up at Feng Wu.

One glance, and he froze.

He recognized that face.

Why was she here?!

Wu Lingyue was still filling him in on what Feng Wu had done.

Huo Shan wasn't listening.

He stared at Feng Wu without blinking.

Huo Shan was a member of the Martial Arts Society.

Chen Ziyun, the president of the society, had held a meeting with the core members before they went out on this mission.

He carefully told them that the War Academy would soon have a new member. She was going to be incredible, and her name was Feng Wu. Not Zuo Qingluan, but Feng Wu.

He said that someone higher up the food chain had ordered him to protect Feng Wu once she arrived. It had to be subtle so that no one would notice.

Miss Feng Wu was said to be excellent.

Huo Shan didn't believe it at first. If the girl was so important, why would she go to Class E in the first place?

But when he saw Feng Wu and all the Class D students that were howling on the ground, he asked involuntarily, "Did you really defeat every single one of them?"

Feng Wu asked, "Do you want to join them?"

Huo Shan jumped in fright.

"Join what?"

Feng Wu said matter-of-factly, "Join Class D's team, obviously."

Huo Shan paled.

Class E started protesting.

“You can’t do this! Our deal was 1,000 vs 1,000! You can’t add five more people now!”

The students of Class D said, “Why can’t we? Huo Shan is a member of our class! If you find it unfair, you can always add five more people to your team!”

Class E students said, “Why do we need five more people? Feng Wu alone is more than enough!”

Students of Class D gloated. “If you think so highly of Feng Wu, let her fight. We’ll admit our defeat when she beats all the students in our class. We’ll then transfer you the points!”

...

The students of the two classes had a row.

Huo Shan’s face went pale.

Of course, he wouldn’t dare fight Feng Wu.

Chen Ziyun was his cousin, so when the others left, Huo Shan asked him in private who Feng Wu was and which prominent figure wanted to protect her.

Chen Ziyun gave him a mysterious smile and pointed upward.

Huo Shan was perplexed. “What do you mean?”

Chen Ziyun said, “Do you remember Young Lord Feng? He’s my boss.”

Huo Shan said, “Of course I do! He’s so famous here in the War Academy! Everybody knows who he is! Plus, he’s the crown prince’s childhood friend!”

Chen Ziyun chuckled. “He’s the one who asked me to protect Feng Wu.”

Huo Shan asked, “Are Feng Wu and the young lord an item?”

Chapter 2622: Unexpected Arrival (3)

“Shut up!” Chen Ziyun threw him a dirty look. “Listen, it’s about His Royal Highness...”

He whispered something in Huo Shan’s ear before saying, “I’m only telling you this because you’re my cousin. Don’t tell another soul, or we’re both dead!”

Huo Shan scratched his ear. That last sentence had been so loud that he thought his eardrums would break.

His Royal Highness... Really?

“Huo Shan? Huo Shan!”

Seeing that Huo Shan was lost in thought, Wu Lingyue shouted his name.

How could his mind wander off now?

Huo Shan woke up from his reverie.

Wu Lingyue was saying something to him, trying to egg him on.

Huo Shan gave her an indifferent look before walking up to Feng Wu.

Wu Lingyue grew suspicious.

What was going on with Huo Shan? Why did it feel like he was being diffident? Wu Lingyue couldn't believe her eyes.

Feng Wu also looked at Huo Shan suspiciously.

She asked, "Are you going to join the fight?"

Huo Shan was baffled.

Feng Wu asked, "Do you want to fight me?"

Huo Shan immediately shook his head. "Of course not!" He would never dare fight the future wife of the crown prince!

Feng Wu asked, "Are you sure?"

Huo Shan nodded.

Feng Wu then asked, "So, what about the points you owe us?"

She didn't care much about the points, but it would help her classmates greatly.

Huo Shan said, "Of course we'll pay our debt! It's the right thing to do!"

All the other students were amazed.

Students from both classes stared at him in bewilderment.

Wu Lingyue was more shocked than the others.

She never saw it coming.

"Huo Shan, you..." Not only wouldn't he fight, he also agreed to give away the points. Had he forgotten that he was a member of Class D?

His classmates glared at him.

Huo Shan could single-handedly defeat all his classmates, and he wouldn't let anyone challenge his authority.

When his classmates glared at him, he immediately glared back.

The look in his eyes intimidated the others, and they didn't dare look up again.

Feng Wu smiled at Huo Shan. "Your name is Huo Shan, isn't it?"

"Yes," Huo Shan said respectfully.

The boss of his boss had given him the command. Of course he had to obey.

Feng Wu said, "In that case, can you collect the points for us?"

She was only probing, but Huo Shan immediately agreed. "With pleasure!"

Wu Lingyue said, "What pleasure? Huo Shan, why are you helping an outsider?"

She was furious not only because Huo Shan refused to help but also because of his attitude toward Feng Wu. Wu Lingyue had tried to suck up to Huo Shan before, but he only ignored her.

When Huo Shan walked past Wu Lingyue, he said coldly, "Such a loser."

What?!

Wu Lingyue felt as if she had been slapped.

Huo Shan asked his classmates, "Are you angry at me for not fighting for you?"

Of course they were, but they didn't dare say it.

Chapter 2623: Unexpected Arrival (4)

Feng Wu had given Huo Shan a signed agreement, and Huo Shan showed it to his classmates. "It's written here that each class would come up with 1,000 students. You've all lost, right?"

"If that's the case, why are you asking me to fight? Can a signed agreement be changed so easily?"

"Every student in Class D used to be in Class E before they passed the test, but now, 1,000 of you have all been defeated by one Class E student! Aren't you ashamed of yourselves?"

The students of Class D were so embarrassed that they didn't know what to say.

But Huo Shan was just getting started.

He shook the piece of paper and laughed at his classmates. "And that's not all. You fought her in groups of three, five, ten, and even 45! Still, you weren't her match! How can you bring yourself to say that it was unfair for you?!"

"It was unfair for them! They're a grade lower than you, and they put up with all your unreasonable requests, but you still lost so miserably! Do you have any shame at all? How could you make such requests?!"

"How were we supposed to know Feng Wu..." Wu Lingyue protested, thinking that she was important enough to speak.

But Huo Shan cut her off.

He glared at her.

"Wu Lingyue, you're the ridiculous one!" Search new novel. Org on google"? If you hadn't thought so highly of yourself and made such a reckless move, all our classmates would never have gotten involved in this farce! You're jealous of Feng Wu, and our class paid for your pride and narrow-mindedness!"

Wu Lingyue had never been so humiliated before and almost burst into tears.

"I, I just..." Wu Lingyue's face was covered with tears. "Why should I be jealous of her? What has she got? I'm not jealous!"

She couldn't understand why Huo Shan would take Feng Wu's side.

Huo Shan smirked. "What has she got? She's prettier and smarter than you! She's also more talented and more capable! She's better than you in every possible way! What? You don't want to admit it? Then convince me otherwise!"

Wu Lingyue was so frustrated that she nearly fainted.

"You..." She couldn't stop crying. Pointing at Huo Shan, she shouted like a mad person. "Why are you defending her? Are you in love with her?"

In love with Feng Wu?!

Huo Shan was scared out of his wits by that suggestion.

D*mn it!

Those words could get him killed! He knew he couldn't be the only one here who knew about Feng Wu's relationship with the crown prince, and if His Royal Highness heard such a rumor...

"I don't want to die!"

Huo Shan glared at Wu Lingyue as though she was his archenemy.

Wu Lingyue couldn't understand why Huo Shan was so angry and scared. Yes, he was genuinely frightened.

"I'm not in love with Feng Wu!" Huo Shan repeated, as if trying to convince someone else here. "I'm not! It's true!"

Wu Lingyue smirked. "Then why are you so protective of her? Are you her errand boy?"

Errand boy? Huo Shan's eyes lit up. "That's right! I'm her errand boy! Do you have a problem with that?"

Chapter 2624: Winner (1)

D*mn!!!

This time, everyone who heard Huo Shan was shocked.

The students of Class E were speechless.

So were the students of Class D.

They stood there as if they had been struck by lightning.

What a terrifying thing to say!

Had Huo Shan been drugged? Did he know what he was saying?

Even the teachers stared at Huo Shan as if they were seeing a ghost.

“Huo Shan, you...” Mr. Wang, who had been watching in silence, couldn’t help but speak up.

Huo Shan nodded at him. “It’s true. I admire Feng Wu for her talent and capability, and I would do anything for her, but it has nothing to do with affection!”

He knew he couldn’t be suspected of being in love with Feng Wu, not even slightly. According to Chen Ziyun, the crown prince almost beat Young Lord Feng to death because there was a rumor that the young lord had feelings for Feng Wu.

Everyone was speechless.

In the end, Huo Shan scolded his classmates for over an hour, and they each paid 1,000 points.

It wasn’t that they wanted to, but they had no choice.

Huo Shan said that anyone who refused to pay the points would be kicked out of Class D, which was an effective threat.

The students of Class E couldn’t believe their good luck.

They had earned 1,000 points just like that!

They still felt dizzy by the time the event ended.

“Did we just earn 1,000 points?”

“Why do I feel like I’m dreaming?”

“Pinch me! I need to know if I’m awake!”

...

Needless to say, not everyone was as happy as they were.

The excited students were all those who had joined the fight, and they were mainly the neutral camp and Feng Wu’s fans.

As for Feng Wu’s anti-fans, they naturally didn’t participate in the fight because they were so sure that Feng Wu would lose. As a result, they didn’t get to enjoy the reward.

Seeing the 1,000 points that each of their classmates received, they were so jealous that they thought they would lose their minds.

Many of them surrounded Lu Qi.

Lu Qi said, “What? Are you going to hit me now?”

One of them snarled, “We wouldn’t have refused to join the fight if it hadn’t been for you!”

Lu Qi was rendered speechless.

She had genuinely believed that they were going to lose, and anyone in their right mind would have stayed out of it. These people wouldn’t have joined the fight even if she hadn’t stopped them.

However, now that they didn't get the points, they lashed out at her because they needed an outlet.

They surrounded Lu Qi and started beating her up.

Meanwhile, Feng Wu was surrounded by many people.

Their expressions were earnest and excited. Right now, they would lay down their lives for Feng Wu if needed.

They followed Feng Wu and left.

Feng Wu went back to Room 2001.

Many students wanted to sneak in to get familiar with Feng Wu.

Chaoge stopped them all.

She knew that Feng Wu didn't like unnecessary socializing, so she blocked the doorway. "Xiao Wu fought so many battles, and she needs to rest now. I'm sorry, but she's not receiving guests at the moment."

Chaoge and Zi Ling stood by the door and wouldn't let anyone in.

Not even Sun Jingyu and Pei Si.

The other students understood that decision.

Chapter 2625: Winner (2)

Chaoge had a point. Feng Wu had fought 1,000 students of Class D. She had to be exhausted.

The crowd envied Zi Ling.

Chaoge came here with Feng Wu, and the two of them had always been close. However, why was Zi Ling the lucky girl? Why did she get to hang out with Feng Wu? The other students wished they could switch places with her.

They then recalled that Sun Jingyu and Pei Si had teamed up with Feng Wu before, so they had to know Feng Wu's preferences.

Poor Sun Jingyu and Pei Si. They had never dreamed that they would be warmly welcomed one day because of Feng Wu.

Chaoge went to talk to Feng Wu after she dismissed the crowd.

"Xiao Wu, do you know Huo Shan?"

Feng Wu shook her head. "No, I don't."

Chaoge said, "That's strange. It seemed that he was trying to please you. He wasn't just being kind. He genuinely respects you, and you didn't even fight him. Is he that weak?"

Zi Ling's eyes lit up. "Huo Shan is competent!"

Chaoge looked at her.

Zi Ling clenched her fists. "Huo Shan is a Level 5 Spiritual Lord at his peak. He's easily the best student of Class D. He's good enough to go to Class C, but he chose to stay back. Plus, he's so handsome. Over half of the girls in Class E have a crush on him. Wu Lingyue is in love with him, too!"

Zi Ling's face glowed when she talked about Huo Shan.

Chaoge said, "Huo Shan is much better-looking than Lu Xiao. If you like, you can have a go with him..."

Zi Ling blushed profusely before Chaoge could finish. "Don't say that! I'll never be good enough for him! If you say something like that again, I won't talk to you anymore!"

She ran off after that.

Chaoge was dumbfounded.

"Fine. I get that she doesn't want me to say it, but she didn't need to run away, did she?" Chaoge said impatiently. "I was only joking. She doesn't have to like him."

Feng Wu shook her head. It was pretty apparent that Zi Ling liked Huo Shan as well.

However, Feng Wu didn't want to interfere with other people's life decisions, so she didn't say anything.

At the entrance of the dormitory.

Zi Ling was stopped before she could rush out.

"Zi Ling!" Lu Xiao greeted her excitedly and grabbed her hand. "I've been waiting for you!"

Zi Ling's first reaction was to shake off his hand.

Lu Xiao couldn't believe it.

Zi Ling had brushed him off!

"Zi Ling!" Lu Xiao couldn't believe it. "I'm Lu Xiao. Why did you do that?"

Zi Ling stared at him and came back to her senses.

She looked from Lu Xiao to her hand and was amazed by her own involuntary move.

She had lost many nights of sleep over him, but now, she could push him away as quickly as that.

She put a hand over her heart. It had stopped hurting.

Seeing that Zi Ling had stopped talking, Lu Xiao thought she had changed her mind. So, he approached her with a smile on his face. "Zi Ling, I'm Lu Xiao. I'm the man you love!"

Chapter 2626: Winner (3)

Out of the corner of her eye, Zi Ling saw Zhen Ya running toward them. The idea of getting revenge made her want to smile.

"Brother Xiao?" Zi Ling gave him a half-smile.

Lu Xiao nodded excitedly. "That's right! I'm your Brother Xiao!"

Zi Ling said indifferently, "But aren't you in love with Zhen Ya now?"

Lu Xiao sounded agitated. "I'm not in love with her! I never was!"

Zhen Ya was running toward them, and she was shocked when she heard that.

Zi Ling was satisfied when she saw Zhen Ya's twisted expression.

She had been feeling depressed for a long time, and her mind was finally clearing up.

They were right outside the dormitory, and many students were passing by.

More people gathered around to enjoy the scene.

Zi Ling asked, "Did you say that you aren't in love with Zhen Ya and have never been in love with her?"

Lu Xiao nodded without hesitation.

Zi Ling said, "If that's the case, why did you sleep with her? I grew up with you! I was your fiancée!"

The other students' eyes widened when they heard this.

What?

That was something they hadn't heard before!

Zi Ling had never tried to hide her relationship with Lu Xiao, but she had been a nobody before today's event, so no one paid any attention.

But things were different now.

Feng Wu made a name for herself after the battles. As her loyal friends, Chao Ge and Zi Ling attracted much attention as well.

Because of that, what Zi Ling said soon spread.

It had never occurred to Lu Xiao that Zi Ling, who used to be a docile girl, could become so inflexible. However, he had his plan, so he had to put up with her attitude.

He would abandon Zi Ling once he used her to get close to Feng Wu.

Lu Xiao had never doubted his charm. After all, both Zhen Ya and Zi Ling were infatuated with him.

"Zi Ling, that was because Zhen Ya threw herself at me! I didn't want to, but you know what men are like. She was so willing, and I thought I shouldn't waste that opportunity. I didn't know she could be so sinister! She let you know what was going to happen and made sure you caught us in the act! Ling, I'm sorry about everything. Can you forgive me? If you say yes, I'll be your Brother Xiao forever!"

Zi Ling stared at him.

It was as if she had never known Lu Xiao before.

That was so...

She had never dreamed she would see such a shameless side to him.

“Zi Ling...” Seeing the astonished look on Zi Ling’s face, Lu Xiao suddenly had a bad feeling.

He was about to walk up to her, when someone jumped at him.

Smack!

Zhen Ya slapped him with the back of her hand.

Lu Xiao was dumbfounded. “Zhen Ya, you...”

Zhen Ya wanted to hit Zi Ling, but Lu Xiao stopped her.

“Lu Xiao, did you say I threw myself at you? That’s ridiculous!” Zhen Ya bellowed. “Yes, I got involved with you when you were still with Zi Ling, but you fell in love with me! You talked me into sleeping with you, but you’re saying that I’m the one who started everything? Lu Xiao, you’ve crossed the line!”

Lu Xiao didn’t expect that Zhen Ya would hear him, and he didn’t know what to do.

“I... I...”

Chapter 2627: Winner (4)

Zi Ling smirked. “So, you’re trying to get back with me when you haven’t broken up with Zhen Ya. Lu Xiao, which one of us do you want to be with?”

Zhen Ya also smirked. “That’s right. Who is it gonna be?”

Lu Xiao didn’t know what to do.

Zhen Ya was connected to Mr. Zhu and Miss Zhen, which gave her a lot of influence in Class E. However, Feng Wu was the one he wanted, and Zi Ling could make the introduction. At that thought, Lu Xiao turned to Zhen Ya. “Zhen Ya, I’m really sorry...”

Zhen Ya stared at him in disbelief. “Why?! My dad is the tutor of Class E, and my mother runs the cultivation rooms! I’ve done you so many favors, but you’re abandoning me now!

“I see!” Zhen Ya pointed at Zi Ling. “You’re choosing her now because of Feng Wu, isn’t it?!”

Of course, Lu Xiao wasn’t going to expose his real intention just yet. He apologized to Zhen Ya and made it look like he was ready to accept any form of punishment.

Huo Shan and his friends were walking this way. They weren’t going to join the onlookers, but Huo Shan changed his mind when he spotted Zi Ling.

Meanwhile, Zhen Ya was glaring at Lu Xiao. “Why are you afraid of her? My father is the tutor! Yes, Feng Wu is very capable, but once she goes to Class D, she’ll forget about Zi Ling in no time!”

Lu Xiao gritted his teeth. Feng Wu wouldn’t stay in Class E for much longer, and he had to move faster.

With the shine of love gone, Zhen Ya immediately saw through Lu Xiao.

“You!” She stared at Lu Xiao in disbelief. “You’re going to use Zi Ling to get to Feng Wu, aren’t you?!”

Lu Xiao glared at Zhen Ya.

Zhen Ya knew Lu Xiao well. Seeing Lu Xiao's reaction, she knew she was right.

She said, "Have you lost your mind? Do you seriously think Feng Wu will fall for you?"

As much as Zhen Ya disliked Feng Wu, she had to admit Feng Wu's capability. Even Huo Shan wanted to follow her. Who did Lu Xiao think he was?

Lu Xiao shot her a warning look. "Shut up!"

A few steps away, Huo Shan was shocked by what he just heard.

Lu Xiao was trying to get to Feng Wu!

Had he lost his mind? Feng Wu was His Royal Highness's girl!

Before Huo Shan could move closer, Zi Ling picked up a rock the size of a basin and smashed it down on Lu Xiao's head.

Lu Xiao was caught off guard.

His head cracked open, and he passed out on the ground.

He didn't even know why Zi Ling attacked him.

Zhen Ya stared at Zi Ling in disbelief. "How... How could you..."

Zi Ling threw away the rock and dusted off her hands. "Xiao Wu would never look at him! And you!"

Zi Ling stepped forward and slapped Zhen Ya in the face.

Smack!

She used so much force that Zhen Ya almost flew backward.

Zi Ling snorted. "That's for everything you did to me. We're even now!"

The middle-aged moderator had always been a snobbish woman. So far, she still hadn't heard of Feng Wu's battle, and she still considered Zi Ling to be some kind of inferior student.

Meanwhile —

Chapter 2628: Winner (5)

Seeing that Lu Xiao and Zhen Ya had been attacked, the moderator stepped out and scolded Zi Ling. "No fighting in the living quarters! Get out now! You're banned from the dormitory for a month!"

Zi Ling stared at her. She was reminded of what a sycophant the woman was and how she treated Feng Wu.

Zi Ling smirked. "I have no problem with you helping Zhen Ya, but do you know how Mr. Luo got injured?"

It was Feng Wu who had done it. Because of the injury, Mr. Luo was still bedridden.

The moderator stared at Zi Ling and wondered how she knew.

“It was Feng Wu’s doing!” Zhen Ya told the others.

Now that Feng Wu had made public her capability, Zi Ling didn’t mind Zhen Ya telling other people about it. She chimed in, “That’s right. Xiao Wu was the one who injured Mr. Luo!”

All the students were shocked.

Feng Wu had injured a teacher! They didn’t know she could do that!

However, they didn’t know what to say when they remembered Feng Wu’s performance during the battles. Maybe she really could defeat a teacher.

The moderator was taken aback. Feng Wu? As in the girl she had mistreated since the beginning?

Zi Ling smiled. “But what you don’t know is that Mr. Luo tried to kill Feng Wu first, and there’s no point denying it because there were plenty of witnesses. If anyone wants to defend Mr. Luo, they’ll lose.”

Zhen Ya suddenly had a bad feeling.

She was right to feel so. Zi Ling said, “Why did Mr. Luo want to kill Feng Wu? It was because he wanted to avenge a certain woman.”

Zi Ling grinned at the moderator. “Feng Wu taught that woman a lesson, and that woman complained to her husband, who wouldn’t do anything. Therefore, she went to see Mr. Luo. You’ve worked here for many years; I think you know what I’m talking about.”

After hanging out with Feng Wu for a while, Zi Ling had learned from the master; she was no longer a simple-minded girl.

While they were talking, the crowd around them grew larger.

The moderator’s face darkened.

So that was why her husband had been injured...

“That’s bullsh*t!” After calming down a little, she stared at Zi Ling and wouldn’t believe what she had been told.

“If you don’t believe me, ask Zhen Ya. She saw the whole thing.” Chaoge arrived at that moment and smiled at the moderator. “Sun Jingyu and Pei Si saw it, too. They’re right there. They can tell you what happened.”

Both Chaoge and Zi Ling remembered how snobbish the woman had been, and they wanted to “return the favor.” It just so happened that the woman had decided to take Zhen Ya’s side today.

Sun Jingyu and Pei Si smiled bitterly at each other.

They had already picked their side.

Sun Jingyu said, “They’re telling the truth.”

Pei Si said, “Yes, I can prove it.”

The moderator stared at Zhen Ya.

Zhen Ya's heart raced.

"I..."

Before she could say another word, the moderator went back to her room, grabbed a cleaver, and stormed off.

Where was she going?

Chapter 2629: Genius Girl (1)

Needless to say, she was going to cause some trouble for Miss Zhen.

Poor Miss Zhen. She had no idea that a war was coming her way.

Zhen Ya glared at Chaoge and Zi Ling, finding them extremely annoying.

Lu Xiao was alarmed because things weren't turning out the way he had expected.

Where was the obedient Zi Ling he remembered?

"Zi Ling, are you really going to turn your back on Brother Xiao? You're so heartless..."

Chaoge was amused.

She couldn't understand why Zi Ling would fall for such a pretentious man in the first place. She would be really disappointed if Zi Ling forgave him.

Luckily, Zi Ling didn't let her down.

She sneered at Lu Xiao. "You hooked up with Zhen Ya when you were still my boyfriend, and you're accusing me of abandoning you now. I've never met anyone as shameless as you!"

Zi Ling's words felt like a slap to Lu Xiao's face. He was mortified.

Overwhelmed by frustration, Lu Xiao snapped at Zi Ling, "You were engaged to me once! If you don't marry me, you won't find a husband! You'll be alone for the rest of your life!"

He was delighted with what he said.

He didn't know that someone else was paying close attention to Zi Ling with sparkling eyes.

It was none other than Huo Shan himself.

He pushed through the crowd and went to Zi Ling's side.

"Huo Shan? That's Huo Shan, the top student of Class D!"

"I heard he's good enough to go to Class C, but he chose to stay in Class D."

"Huo Shan is so handsome!"

"He's a wealthy heir! The Huo Family is a huge clan!"

...

Many girls were talking about Huo Shan in affectionate tones.

But Huo Shan only wanted Zi Ling. He looked into her eyes and asked, "Zi Ling, will you be my girlfriend?"

What?!

Those words shocked everyone.

Zi Ling couldn't look Huo Shan in the eye. She remembered how aggressive she had been and felt too abashed to face him.

She was about to run off when he asked that question.

Hearing what he said, even her hands turned pink.

She felt so shy that she gave Huo Shan another look before dashing off.

Huo Shan was dumbfounded, and he asked Chaoge, "Was that a yes?"

Chaoge said, "Take a wild guess."

Huo Shan didn't think he should go see Feng Wu now, but he still asked Chaoge to give Feng Wu his best wishes.

Chaoge liked Huo Shan because he had shown Feng Wu respect.

"By the way," Huo Shan added before he left, "the tutors are having a meeting to discuss if they should put Miss Feng Wu in Class D or Class C. If Miss Feng Wu has any preferences, please let me know in advance. I can pull some strings."

Chaoge delivered the message to Feng Wu.

Meanwhile, a meeting was taking place, just like Huo Shan said.

The head of the academy was absent as usual, and the meeting was led by two deputies.

Zuo Qingluan had replaced Zixuan. Gongsun Mu had been told what was going on, and he took Feng Wu's side.

The other participants of the meeting included Mr. Zhu of Class E, Mr. Wang of Class D, Mr. Yin of Class C, and the tutors of Classes A and B.

Chapter 2630: Genius Girl (2)

"Feng Wu is an interesting girl." Mr. Yin of Class C smiled at Gongsun Mu. "I didn't know she could do that, defeating all of Class D on her own."

Mr. Wang of Class D didn't like the sound of that. He rolled his eyes at Mr. Yin and said, "If you don't know what to say, you can keep your mouth shut."

Mr. Yin laughed. "Am I wrong? So many people saw it. You can't deny what happened, Mr. Wang."

Mr. Wang was furious.

As if being humiliated in front of the students wasn't enough, he was being humiliated in front of the deputies as well. Of course Mr. Wang was angry.

"By the way, I heard that even Mr. Wang's saber couldn't stop Feng Wu," Mr. Yin added.

He and Mr. Wang had always had grudges against each other, and he wouldn't miss this opportunity.

Seeing that Mr. Wang was going to lose his temper, Gongsun Mu interjected, "In that case, where do you think Feng Wu should be? In Class E, Class D, or Class C?"

Mr. Yin said, "Judging by her capability, of course, Feng Wu should be in Class C with us. All the students in Class D put together couldn't do anything."

Needless to say, Mr. Wang didn't want to lose Feng Wu.

He and Feng Wu were archenemies now. If Feng Wu went to Class C, she would be out of his reach forever.

Thus, he smirked. "That was because Huo Shan didn't take part in the fight. Feng Wu wouldn't have been his match."

Mr. Yin laughed so hard that he was almost in tears. "Wang, you're just fooling yourself. No one else will believe you. Didn't you see Huo Shan's attitude toward Feng Wu? He was so humble. Don't you know why?"

Mr. Wang snorted. "Boys are always humble around pretty girls. What's wrong with that? Yin, I bet you're just as humble when you're with your wife."

Mr. Yin glanced at Mr. Wang. "Are you saying that Huo Shan showed Feng Wu respect because he has feelings for her?"

Mr. Wang asked, "Can there be another reason?"

Mr. Yin shook his head. "If you ask me, Feng Wu is too good for Huo Shan. Even if he's fond of Feng Wu, his feelings would be wasted. He's not good enough for her."

Mr. Wang looked like he was going to explode. "You're making things up now! That's bullsh*t!"

Mr. Yin turned to Gongsun Mu. "Class C will take Feng Wu."

Mr. Wang also turned to Gongsun Mu. "Feng Wu belongs in Class D!"

The two tutors were at a stalemate.

Zuo Qingluan frowned and seemed impatient.

"Miss Qingluan, what do you think?" Gongsun Mu tossed the question to Zuo Qingluan.

"What do I think?" Zuo Qingluan smirked inwardly. She thought Feng Wu was the biggest hypocrite!

Feng Wu wasn't much inferior to her. She was at least a Level 6 or Level 7 Spiritual Lord, but she started in Class E.

It was such an easy start, so she managed to shock so many people with the insignificant achievement of defeating Class D.

Zuo Qingluan was even more furious about Feng Wu. "She's a petty student from Class E. Do you seriously think she's worth this meeting?"

Everyone was surprised.

A petty Class E student?

Mr. Yin said, "She might have been a petty student before, but not anymore."
