

## G E D 2631

### Chapter 2631: Genius Girl (3)

“She’s going to be an important member of the War Academy. Miss Zuo, do you hold something against her? Why? Did Feng Wu offend you in some way?”

Zuo Qingluan almost choked on her own spit.

She could continue harping on that subject since Feng Wu had done countless things to offend her!

She glanced at Mr. Yin. “What do you think?”

Zuo Qingluan no longer tried to maintain the facade of a sacred lady. It was stopping her from doing many things she wanted to do.

Therefore, she was implicitly telling the tutors that she didn’t like Feng Wu, so they could torture her however they wanted.

Unfortunately, she had underestimated the tutors.

At first, people supported her because of the crown prince.

However, they changed their minds as time went by.

They learned what happened in the imperial capital.

The people there were still talking about the birthday fireworks.

Hence...

Zuo Qingluan shouldn’t have assumed that news of the imperial capital could be kept out of the academy.

The tutors weren’t stupid. Classes A and B hadn’t carried out an investigation because they weren’t involved.

However, Mr. Yin and Mr. Zhu had been outside recently.

They knew which girl the crown prince had set off the fireworks for.

*Jun Linyuan the sovereign descends to the world, and Feng Wu the phoenix soars above the land.*

What a magnificent statement!

When the crown prince was taken out of the equation, Zuo Qingluan wasn’t much different from everyone else.

Mr. Yin smiled when he saw that Zuo Qingluan wouldn’t back down. “I think Feng Wu is excellent.”

Zuo Qingluan’s face paled.

How foolish was Mr. Yin?

She gave so many hints, but he was still singing Feng Wu’s praises. Did he have a death wish?

She glared at him. "Mr. Yin, are you saying you find Feng Wu an excellent student?"

Mr. Yin smiled. "It's like what Huo Shan said: 'Xiao Wu is good-looking, talented, capable and kind. I can't say a bad thing about her. I think she will be the most popular girl in the War Academy.'"

Zuo Qingluan was furious.

She clenched her fists and wanted to kill Mr. Yin when no one was looking. Just then, Gongsun Mu suggested, "In that case, why don't we let Feng Wu choose? She'll go to whichever class she wants to."

Mr. Yin nodded with a smile. Mr. Wang didn't like the idea, but he couldn't think of an excuse to suggest otherwise.

Mr. Zhu smiled bitterly.

Feng Wu...

She had only just joined the War Academy, and she was already going to Class C.

But he knew perfectly well that with Feng Wu's capability, Class C wouldn't keep her for long either.

Soon, Feng Wu arrived.

She saw the seven people sitting behind a row of desks, as if they were going to interview her.

"Please take a seat." Gongsun Mu had a good impression of Feng Wu and smiled at her.

A single chair was placed opposite the desks.

Feng Wu sensed hostility. When she followed the gaze, she saw that it was Zuo Qingluan.

She gave Zuo Qingluan a meaningful smile.

Zuo Qingluan remained unaffected, as if Feng Wu's arrival didn't change anything, when in fact...

#### **Chapter 2632: Genius Girl (4)**

Every time Zuo Qingluan saw Feng Wu, she wanted to eat her alive.

Feng Wu sensed more hostility and found that Mr. Wang was also glaring at her.

She was amazed. "Mr. Wang, you're here. I see you're fine. I was worried."

Mr. Wang asked angrily, "What can be wrong with me?"

Feng Wu said, "So many of your students lost the fight yesterday. I heard you vomited three liters of blood and would need months to recover. I didn't expect to see you so soon."

Mr. Wang was furious.

Yes, he had vomited blood the day before out of frustration, but it was only three mouthfuls! It was never that serious! He cursed Feng Wu under his breath.

However, he couldn't tell the others that it was only three mouthfuls. If he admitted that he had vomited any blood, it would make him seem incredibly petty.

He took several deep breaths as he fought back his rage.

He then gave Feng Wu a warning look. "Enough with the banter. You're here today because we want to hear your opinion."

Feng Wu had given Mr. Wang a blow head-on at the very beginning, but Mr. Wang didn't dare cross the line. Feng Wu had total control over the situation.

Mr. Yin was amazed.

What an outstanding girl!

They were the chief tutors of the War Academy. Any other student summoned here today would be so nervous about being in the same room with them.

However, Feng Wu didn't seem nervous at all and even took the initiative to attack.

She also hit her target on her first try and successfully intimidated Mr. Wang. It was so interesting to watch!

He now understood why the crown prince cared so much for her.

Zuo Qingluan took a deep breath and glanced at Mr. Wang. She found the man too stupid to be helpful.

Seeing that Mr. Yin was singing Feng Wu's praises, she made a mental note that she would get her revenge one day.

Since Mr. Yin already knew what cards Zuo Qingluan had, he was no longer afraid of her.

Instead, he warmly welcomed Feng Wu and introduced her to all the tutors.

Feng Wu remembered all their names.

She smiled at Mr. Yin for his kindness.

Mr. Yin was thrilled. At such a young age, the girl was already familiar with the ways of the world. How wonderful!

He smiled at her. "Here's the thing: Since you've defeated virtually every student in Class D, the tutors of the academy feel that it would be a waste of your talent to keep you in Class E.

"Mr. Wang doesn't think you're Huo Shan's match, so he wants to keep you in Class D.

"However, I think you'll be an outstanding student even in Class C, and I would like you to join us.

"What do you think?" Mr. Yin smiled at Feng Wu.

Skip a school year?

Feng Wu was very familiar with skipping grades. She had done it before.

Seeing the eager look in everyone's eyes, Feng Wu asked, "Are those the only two options I have?"

What? Were these two options not enough?

Mr. Yin sounded sorry when he said, "Miss Feng Wu, you can stay in Class E if you insist..."

### **Chapter 2633: Skip Grades (1)**

What? Were these two options not enough?

Mr. Yin sounded sorry when he said, "Miss Feng Wu, you can stay in Class E if you insist..."

Feng Wu asked, "Can I graduate directly?"

"Pfft —"

Mr. Yin spat out the tea in his mouth.

Even Mr. Yang of Class B and Mr. Duan of Class A were shocked.

At first, they appreciated Feng Wu's talent and wanted to observe her, but they didn't think so highly of her when they saw how proud she was.

Zuo Qingluan was glad to see that Feng Wu didn't make a good impression on the tutors.

"Graduate directly?" Gongsun Mu found the suggestion both annoying and hilarious.

His Majesty had given him instructions that he should take good care of Feng Wu so that no one would pick on her. Gongsun Mu also needed to ensure that no boys would approach Feng Wu. By the sound of it, the emperor considered Feng Wu his future daughter-in-law.

Old Mr. Gongsun smiled bitterly. "You can't skip so many grades; not even His Majesty himself would make that request."

Feng Wu was disappointed. "Is that so? I'll go to Class A, then."

Mr. Yin expected Feng Wu to aim for something lower, but he was shocked when he heard that the girl still wanted something that seemed beyond her reach.

"Feng Wu," Mr. Yin said solemnly, "yes, you're very talented, but the academy has rules. You can't skip too many grades. Three at a time is the most you can do."

Feng Wu asked, "So, are you saying that I can go to Class B?"

Mr. Yin nodded. "Yes, Class B."

Feng Wu frowned a little. "That's a bit slow for me, but I guess I can live with it. I'll take Class B, then."

Mr. Yin was speechless. What did she mean by "I can live with it"?

Mr. Yang of Class B opened his eyes wide.

"Class B?" he shook his head. "No, I won't have her."

Zuo Qingluan smirked.

She was the deputy head of this academy, but Feng Wu had been rejected by the tutor of Class B. Feng Wu would never be able to catch up with her.

She believed it was fate.

Feng Wu looked at Gongsun Mu. "Can he do that?"

Mr. Gongsun smiled wryly. "That depends on your own capability. If you can defeat a student from Class B, you'll have a chance to enter the class."

Feng Wu frowned a little. "What do you mean by 'I'll have a chance?'"

Mr. Yang was rigorous in both his personality and his teaching. He didn't like students skipping grades, especially when it was a genius.

He frowned at Feng Wu. "If you can defeat the weakest student of Class B, you'll fulfill the minimum requirement for joining the class. When that happens, the tutors will have a vote to decide if you can enter Class B."

Feng Wu nodded. "What if I can defeat the top student of Class B?"

Mr. Yang was once again surprised by Feng Wu.

He had taught many students, but he had never met anyone so shameless!

Almost all the tutors felt the same.

The girl was as pretty as she was shameless!

### **Chapter 2634: Skip Grades (2)**

"What did you say?" Mr. Yang stared at Feng Wu. He didn't like opinionated students, even if they were geniuses.

"What if I can beat the top student of Class B?" Feng Wu didn't care what other people thought of her.

She smiled the entire time. Her eyes were as bright as stars, and she was as pretty as a picture.

The other tutors thought, "What a shame. She's so wonderful, but she's too arrogant!"

Mr. Yang snorted. "You'll be the top student of Class B if you can beat Shan Jingfei."

Almost everyone in the academy knew who Shan Jingfei was. She was a student of Class B, but she was also the most popular girl in the War Academy. Wu Lingyue was nothing in comparison.

Feng Wu nodded. "I'll fight her, then."

Mr. Yin liked how forthright she was. She was a girl of action, but others might take it for arrogance.

He tried to persuade her otherwise. "Shan Jingfei is the top student of Class B. She's even good enough to go to Class A."

Feng Wu nodded. "Yup."

Mr. Yin said, "Why don't we start from the last student on the billboard?"

Feng Wu said, "That's alright. Shan Jingfei will do."

Mr. Yin shrugged at Mr. Yang. He had tried, but she wouldn't listen.

Mr. Yang was usually a mild-tempered man, but he was frustrated by Feng Wu's statement. "Suit yourself, then! You'll fight Shan Jingfei!"

Feng Wu was talented, but one needed time to train their skills. Her good looks could only get her so far! Mr. Yang smirked and gave the order.

The air felt stuffy as they waited for Shan Jingfei to arrive. No one dared to break the silence.

Mr. Zhu stared at his hands on the table and was filled with emotions.

Mr. Wang smirked. This presumptuous girl would be humiliated!

Mr. Yin was worried for Feng Wu but couldn't do anything.

Mr. Yang seemed displeased.

Mr. Duan was from Class A. He decided that it was none of his business.

Mr. Gongsun shook his head, and Zuo Qingluan had a sarcastic look on her face.

...

Anyone else would be scared out of their wits under the pressure of all the attention, but Feng Wu only stood there with her hands behind her back. She was even smiling, as if nothing in the world could bother her.

Just then, they heard approaching footsteps.

The silence was broken.

Shan Jingfei walked in. When she saw all the tutors and school heads, she couldn't help but feel nervous. Although she was used to being the center of attention, she still greeted all the teachers flusteredly.

The teachers smiled bitterly.

That was how a regular student should react. Feng Wu was too calm.

Mr. Yang asked, "Jingfei, I assume you're currently the top student on the billboard. Is that correct?"

Under Zuo Qingluan's gaze, Shan Jingfei found it hard to breathe. She said in a low voice, "Yes."

Mr. Yang nodded. "You'll fight Feng Wu today."

Feng Wu? Shan Jingfei knew that name.

On her way here, she had heard other students say that once Feng Wu rose to Class B, she herself wouldn't be the most popular girl anymore.

Shan Jingfei had always assumed an otherworldly manner, as if she didn't care about fame. In fact, she cared very much.

**Chapter 2635: Skip Grades (3)**

Shan Jingfei smirked. She wanted to see how beautiful this Feng Wu could be. She couldn't possibly be more beautiful than Miss Qingluan!

She turned around.

Her pupils contracted when she saw Feng Wu's face. She was astonished.

What a beautiful girl!

Her red dress almost seemed like it was on fire.

Her bright and shiny eyes reminded one of a crisp autumn day.

She was slender, graceful and charming.

Her skin was unbelievably smooth, and she looked like someone who didn't belong to this world.

...

Expressions to describe a beautiful woman popped into Shan Jingfei's head. They were the words the boys used with her, but now...

She felt so common when she compared herself with Feng Wu.

Zuo Qingluan was beautiful, but Feng Wu easily outshone her.

That thought appeased Shan Jingfei a little.

If she had seen Feng Wu on the first day of school, she wouldn't be so surprised today. However, she hadn't looked back that day, so she had missed Feng Wu and hadn't been amazed by her beauty, until now.

When Shan Jingfei finally woke up from her astonishment, there was jealousy in her eyes.

Mr. Yang said, "You can start now."

Mr. Yin said, "Don't go too far. Please don't hurt Miss Feng Wu."

Mr. Yang rolled his eyes at Mr. Yin. "We can't promise that in a battle. You never know where they will get hit."

Mr. Yin wanted to tell Mr. Yang that he was trying to help all of them. He had been told that Feng Wu was the crown prince's favorite!

With that, Mr. Yin said, "Isn't Shan Jingfei the top student of Class B? She must be so much more capable. I'm sure she has perfect control over the force she'll use. Please don't harm Feng Wu."

Mr. Yang didn't say anything else.

Shan Jingfei nodded, but she was smirking inwardly.

*They should thank me for my kindness if I don't kill her now. Not harm Feng Wu? Mr. Yin is as hypocritical as ever.*

At that thought, she turned to Feng Wu and said sarcastically, “Feng Wu, to show Mr. Yin some respect, I’ll let you make the first move. I’ll start fighting after you make three moves.”

Feng Wu shook her head. “That won’t be necessary.”

Shan Jingfei smirked inwardly, but she still said, “Don’t blame me if I defeat you within three moves!”

She struck out immediately after that.

She didn’t spare any effort.

She knew that if Feng Wu managed to get in more than three strikes, there was a big chance of her getting into Class B.

If that happened, Shan Jingfei probably wouldn’t be the most popular girl in the War Academy anymore.

It was a formidable strike.

Shan Jingfei wasn’t going to give Feng Wu any chance.

The tutors saw through her plan right away and believed that Feng Wu was doomed.

“Feng Wu won’t withstand this strike,” Mr. Yang said calmly. “It’s an extraordinary move. Not only is Shan Jingfei exerting all her power, she’s also made some clever modifications. Even a Class A student would struggle to avoid it.”

Mr. Yin saw it too and looked worried.

However —

Shan Jingfei might have a good plan, but no one could guarantee that things would turn out the way she wanted.

She was aiming at Feng Wu’s heart.

The strike would crush Feng Wu’s heart and kill her instantly.

#### **Chapter 2636: Skip Grades (4)**

Mr. Yin cried out, “Stop!”

Mr. Gongsun was about to intervene, when Feng Wu dodged the attack.

She moved so fast that there was an afterimage in the air.

Shan Jingfei was furious after she missed.

How dare Feng Wu try to evade?

However, Feng Wu took out her weapon before Shan Jingfei could do anything.

No one knew how she made a move. However...

When they looked again, a sword was pressed to Shan Jingfei’s throat, and Feng Wu was asking, “Well?”

She was so calm.

It was as if this was the more regular thing.

She didn't even flinch.

Shan Jingfei froze on the spot.

She tried to dodge, but the blade cut into her flesh at the slightest movement.

"Stop!" Shan Jingfei screamed when she felt the pain.

Her voice trembled.

Not all the tutors reacted the same way.

Mr. Zhu wasn't shocked. Feng Wu could beat him; of course she could beat Shan Jingfei.

Mr. Wang was frowning and was obviously shocked.

Mr. Yin cried out. He didn't expect Feng Wu to be so capable.

Mr. Yang was even more surprised when he saw Shan Jingfei defeated in the first strike.

Shan Jingfei was the most astonished of them all.

Feng Wu smiled at her without saying a word.

Shan Jingfei knew that Feng Wu was waiting for her to admit defeat.

But she couldn't bear the thought!

It would be so humiliating!

She was the top student of Class B and the dream girl of many boys, but now, a new student was pointing a sword at her throat.

Shan Jingfei refused to give in.

Thinking that Feng Wu had let her guard down, Shan Jingfei took a dagger out of her sleeve.

What happened next was quicker than words could describe!

She aimed the dagger at Feng Wu's heart.

She wanted everyone to see that she was the winner, not Feng Wu.

Would she succeed?

Many people held their breaths.

Even Gongsun Mu prepared to intervene if Feng Wu's life was in danger. After all, His Majesty had left him with instructions.

Zuo Qingluan sneered inwardly. If Gongsun Mu dared to intervene, she would stop him.

The battle might as well happen among the tutors.

Luckily, Feng Wu didn't need help.

She grabbed Shan Jingfei's wrist when the latter came at her with a dagger, and she twisted it.

*Crack!*

It was the sound of bones breaking.

"Ahhh!!!"

Shan Jingfei's scream was earsplitting.

The bones in her right wrist were broken, and her hand didn't even look like a hand anymore.

It swelled up as she watched.

"Feng Wu, how dare you!" Shan Jingfei's life had been smooth sailing ever since she was little, and she had never felt so much pain.

Feng Wu smiled as she pressed the Fallen Star Sword to Shan Jingfei's throat. "Do you know where I'll hurt you next?"

She stared at Shan Jingfei's throat.

Shan Jingfei's heart sank.

She had thought that it was sheer luck at first when Feng Wu was able to defeat her, but when Feng Wu broke her wrist, Shan Jingfei realized how formidable Feng Wu really was.

She didn't hold many grudges against Feng Wu. Right now, she was overwhelmed by the energy Feng Wu was giving off.

### **Chapter 2637: Feng Wu's Reign (1)**

"I give up..." Filled with despair, Shan Jingfei admitted defeat.

Feng Wu withdrew her sword.

The teachers didn't know what to say for a moment.

Mr. Yin said, "Feng Wu, you won! I can't believe it!"

Feng Wu gave him a little nod.

Mr. Yin had been kind to her the whole time, so Feng Wu smiled at him.

She then turned to Mr. Yang of Class B.

He was the most astonished of them all.

Shan Jingfei was the top student of Class B, and Feng Wu had defeated her in two strikes. It was enough to prove her capability.

Mr. Yang didn't hold any grudges against Feng Wu, so he wasn't going to make trouble for her.

"You'll be in Class B, then." Mr. Yang gave the final verdict.

He only felt a little embarrassed.

Feng Wu wanted to graduate sooner, so she looked at Gongsun Mu.

Gongsun Mu smiled wryly. "Feng Wu, you can only skip so many grades at one time."

Feng Wu finally gave up trying and sighed. "Fine."

The teachers were still trying to digest the information when Feng Wu left.

Mr. Yin said to Mr. Wang, "Feng Wu has gone to Class B, just like that."

Mr. Wang didn't want to say anything.

Mr. Yin sighed. "We were discussing if she should go to Class C or Class D, but she went directly to Class B."

Mr. Wang's face turned even darker.

Mr. Yin shook his head. "A real genius will eventually be discovered."

Mr. Wang's expression was livid.

Shan Jingfei couldn't stand all the discussion and was about to leave, when someone knocked on the door.

"Hello, I'm Huo Shan. May I challenge Miss Shan Jingfei?" Huo Shan asked with a smile.

Many eyes followed Feng Wu after she left the office.

"Which class do you think she'll be in?"

"Didn't Mr. Wang say that she'll be in Class D?"

"But Mr. Yin said Class C would take her."

"Look, she's so calm. If it really is Class C, she should look thrilled."

...

The rumor got around, and soon, every student in Class D and Class E thought that Feng Wu was going to Class D.

In Room 2001.

"Xiao Wu, are you going to Class D?" Zi Ling asked nervously.

Feng Wu shook her head.

Zi Ling was relieved. So, Xiao Wu would remain in Class E.

Class D.

“Is Feng Wu coming to our class?”

All of Class D was astonished by the news.

Feng Wu had defeated virtually all the students in Class D.

Moreover, she had done it all by herself. That was how terrifying Feng Wu was.

The fear of being dominated by Feng Wu filled their hearts.

“Damn it... Why is she coming to our class? Why can't she stay in Class E?!” Wu Lingyue felt as if she would never see the sun again.

In Class C.

Many students were interested in the event and discussed it among themselves.

Meng Le, the top student of Class C, frowned when he heard the discussion. “She's just some newbie in Class E. Why are all of you so concerned?”

“Meng Le, they said that Feng Wu might join our class.”

Meng Le smirked. “I'm sure she's not good enough!”

### **Chapter 2638: Feng Wu's Reign (2)**

Mr. Yin entered the classroom at that moment.

He gave Meng Le, the student he had once been proud of, a strange look.

He shook his head. The decision would soon be announced.

In Class B.

If no one in Class C believed that Feng Wu would be joining them, it was only natural that no one in Class B expected to see Feng Wu in their class.

They had little interest in what happened in Class E, which was so much more inferior to them.

However, Feng Wu was such a pretty girl that many people couldn't help talking about her.

But they were using such condescending tones.

“I heard that Feng Wu is going to skip grades.”

“Even so, she's only going to Class D, which is still far below us. It's not our concern.”

“Come to think of it, Feng Wu is beautiful.”

“Being pretty won't do her any good. A real goddess should have talent as well, like Shan Jingfei.”

Shan Jingfei didn't know what to say.

The conversation gave her complicated feelings.

Feng Wu had defeated her in two strikes, and she had yet to recover from the fear.

As for good looks, Feng Wu was probably a hundred times prettier.

The thought made her want to cry.

“Feng Wu is very talented.” Ling Hao spoke up for Feng Wu. “She defeated the whole of Class D all by herself; that’s enough to get her into Class C. Could any of us do that when we were new students?”

Ling Hao had met Feng Wu once.

He had led Feng Wu to the registration office when she first came.

Ling Hao’s team had met her as well, and they all had a good impression of Feng Wu, with Ye Han being the only exception.

Ye Han gave Ling Hao a dirty look.

Ling Hao was confused. Had he said something wrong?

“Forget it. Why are we talking about a nobody?” Xin Zhixuan, Shan Jingfei’s friend, said arrogantly. “We should be paying attention to Class A and trying to get in there. That’s our top priority. Someone as petty as Feng Wu isn’t worth our attention.”

“That’s right,” said Mu Shuai, Shan Jingfei’s most loyal supporter. “It’ll take years for Feng Wu to come to Class B, and by then, we’ll probably have graduated already! Just ignore her!”

Ling Hao wanted to retort but was interrupted.

The broadcast system was making a buzzing noise. It had been a while since that happened.

Immediately, all eyes were on the device.

It was a chunk of black jade stone which the school used to broadcast all important announcements.

If anyone was looking at Shan Jingfei now, they would see that she was ghastly pale and had clenched her fists.

“Announcement. Announcement.

“Miss Feng Wu of Class E has demonstrated great talent and performed outstandingly. She has qualified to join Class B.

“The school has given her special permission to skip grades.

“End of announcement.”

...

Just like all other broadcasts, the announcement was only played once.

It had always been that way.

However —

It was such a shocking piece of news.

Class E fell silent.

It took them a long while to realize what they had just heard.

Sun Jingyu stared at Feng Wu.

So did all her classmates in Class E.

### **Chapter 2639: Feng Wu's Reign (3)**

"Class B?!"

"Xiao Wu, you've jumped to Class B!"

"I thought it was Class D!"

"Class B, oh my god!"

"You skipped two grades!"

"That's incredible!"

Feng Wu's fans couldn't control their excitement.

Lu Qi was still the head of the anti-fans. By then, there were fewer than ten of them left. They all looked like they had been struck by lightning.

Feng Wu was going to be a Class B student.

Sun Jingyu and Pei Si took a deep breath and understood why that was. If she could defeat Mr. Luo with one strike, she naturally belonged to Class B.

Zi Ling did know if she should laugh or cry. Her idol was going to Class B.

But she soon clenched her fists and told herself that she had to work harder, or she would never be able to see Feng Wu again, let alone hang out with her.

Chaoge had always known Feng Wu's capability, so she had been training hard since she joined the War Academy. She knew she would soon skip grades as well.

Class D.

Wu Lingyue was speechless.

So were all her classmates.

In Class C.

Meng Le was dumbfounded.

And his classmates were at a loss over what to say.

It took Meng Le a long while to recover from the shock.

When he did come back to his senses, he felt as if he had been slapped.

He had said some condescending things about Feng Wu, but Feng Wu had already risen above him.

In Class B.

Ye Han was speechless.

So was Ling Hao.

And Xin Zhixuan.

Mu Shuai was at a loss over what to say.

The entire class was shocked.

They all looked like they had been struck by lightning.

“What?!”

“Feng Wu?!”

“Class B?!”

“She’s coming to our class!”

“Didn’t Mu Shuai say that it would take her years to get to Class B?”

Mu Shuai was at a loss.

Everyone turned to Shan Jingfei.

Now that Feng Wu had entered Class B, with how pretty she was, Shan Jingfei would undoubtedly feel threatened!

Xin Zhixuan cleared her throat. “So what if Feng Wu comes to our class? She must be the weakest student here! She won’t be my match, let alone Jingfei’s!”

Shan Jingfei grew even paler.

Just then, they heard footsteps outside.

Everybody looked up.

Mr. Yang had arrived with Feng Wu.

They all saw Feng Wu.

When Zuo Qingluan picked on Feng Wu on the first day, Class B had been standing in the front, and the students had only vaguely seen Feng Wu’s face.

Now, she was standing right in front of them.

What a beautiful girl!

She wore a red dress. She had bright eyes, exquisite features and the smoothest skin. She was slender and graceful. One didn’t know where to begin to praise her.

How incredible!

She looked like she didn't belong to this world!

"Is that Feng Wu?"

"Is that really her?"

"She... Oh my god!"

The female students grew pale when they saw how beautiful Feng Wu was.

#### **Chapter 2640: Feng Wu's Reign (4)**

The boys were so stunned that they forgot to blink.

"Xiao Wu!" Ling Hao was thrilled to see Feng Wu, and waved at her.

Feng Wu smiled at Ling Hao when she recognized him.

The smile only accentuated her beautiful features.

The boys were dumbfounded.

Their new classmate was so stunning! They felt so blessed to have her!

Shan Jingfei grew even paler.

She stared at Feng Wu.

Feng Wu just happened to meet her gaze.

Feng Wu smiled slightly when their eyes met, but Shan Jingfei involuntarily looked away.

The fear she felt when Feng Wu defeated her grew even stronger.

Xin Zhixuan gritted her teeth.

She wanted to say something, but she was filled with jealousy when she saw how the boys goggled at Feng Wu. She didn't know what to say.

Standing on the podium, Mr. Yang saw everyone's reactions. He shook his head slightly when he saw Shan Jingfei.

She had lost this battle.

It wasn't just because of her lack of capability. She had lost because she didn't have courage.

He had yet to decide if Feng Wu's arrival was good or bad news for Class B.

With that in mind, he said to all the students, "I think you've all heard the broadcast, so there's no need for me to say more. Let me introduce your new classmate to you. This is Feng Wu."

Ling Hao immediately started applauding.

His team members followed suit.

Xin Zhixuan and Shan Jingfei were displeased. They wanted these people to stop clapping.

However...

The two of them couldn't control what the boys did. After Ling Hao started applauding, the other boys did the same.

There were only a few of them at first, but gradually, everybody was doing it.

"We have two other new members."

Mr. Yang gestured at two people behind him.

One was Gu Xingyuan, and the other was Huo Shan.

"This is Gu Xingyuan. He's from Class E.

"This is Huo Shan. He's from Class D.

"Please find your seats. The class will start in a moment."

The other students were dumbfounded.

All these three had skipped grades. Seriously?

However, Feng Wu seemed to be the center of all the attention.

The students weren't as excited when the two other newcomers were introduced.

"Xiao Wu, Xiao Wu!" Ling Hao shouted excitedly. "Come here and sit with us!"

Ye Han's face was livid.

As Ling Hao's team member, she naturally sat with her team members.

As for Feng Wu...

Ye Han used to share the same dormitory with her.

However, she suffered an utter defeat on the day Feng Wu arrived and had never set foot in Room 2001 since. Now that Feng Wu had joined Class B, one could only imagine how furious Ye Han was.

To make it worse, Ling Hao was so enthusiastic about Feng Wu.

Ye Han turned around and glared at Ling Hao. "Ling Hao, I'm warning you. If you keep sucking up to her, I'll leave this team!"

Ling Hao was speechless.

Ye Han looked away before he could say anything.
