Chapter 2721: Thief (4)

??

Shan Jingfei shook her head. "No, I'm not."

Ye Hongxue asked, "So, you don't understand the language I'm speaking."

Shan Jingfei chuckled. "I bet I know more languages than you do."

Ye Hongxue said, "In that case, listen carefully: Feng Wu is the one who earned these crystal cores, and she asked me to help her gather them. I'm giving them to her now. Understand? Do I need to repeat it for you?"

Shan Jingfei was still smiling. "Hongxue, I think you're the one who doesn't understand what's going on."

Shan Jingfei sounded like she thought everyone else was an idiot.

Where did she get that kind of courage?

What did she know that other people didn't?

The others eyed her suspiciously and wondered what she was planning.

Meanwhile, Feng Wu had finished killing the Spirit Stone Worms. Hearing the argument, she came over to see what was going on.

She wanted to know what ridiculous thing Shan Jingfei was trying now.

Ye Hongxue frowned a little. "What's that supposed to mean?"

Shan Jingfei looked at Lin Juncheng and smiled. "Do you not know?"

Ye Hongxue asked, "What am I supposed to know?"

Shan Jingfei said, "I told Zeyu earlier that I might run into danger here, so I'm sure when he gave you the mission, that included the request to protect me and make sure I have enough crystal cores to become first."

Ye Hongxue said, "No, he didn't."

Shan Jingfei said, "Yes, he did, but you forgot."

Ye Hongxue said, "No, I didn't. He only gave us one mission. We only needed to get 20 peak Class B crystal cores."

Shan Jingfei said, "Maybe he gave you a second mission."

Ye Hongxue said, "There was no such mission!"

Shan Jingfei said, "Maybe you weren't the one who accepted that mission."

She sounded very pleased when she said that.

Ye Hongxue frowned.

Shan Jingfei said, "Why don't you ask your teammates? Maybe someone else might know."

Ye Hongxue rolled her eyes at her.

Shan Jingfei said, "Maybe Zeyu even specified in the request that you should defeat whoever tries to pick on me."

Ye Hongxue laughed. That was pure delusion!

Shan Jingfei sounded quite confident. "Hongxue, don't laugh. I'm not making it up. Someone told me in person."

"Who told you that?" Ye Hongxue was ready to slap someone.

Shan Jingfei glanced at Lin Juncheng.

Ye Hongxue didn't know what to say. Was this girl dreaming?

Shan Jingfei pointed at Feng Wu and said viciously, "She offended me! I'm ordering you to kill her right now!"

Ye Hongxue was speechless.

She was astonished.

This girl had to be out of her mind!

Everyone gave Shan Jingfei strange looks when she pointed at Feng Wu.

Shan Jingfei frowned and gave Lin Juncheng a warning look.

Say something!

Lin Juncheng smiled bitterly. Why did they have to pick him?

"Didn't you tell me that Zeyu gave you a second mission?" Shan Jingfei stared at him. "Tell everyone if it's true!"

Lin Juncheng said hesitantly, "Can't we just let it be?"

Shan Jingfei smirked.

Let it be? She had been humiliated! Of course she couldn't let it be!

"Just tell us the truth! Wasn't the second mission from Zeyu to follow my orders and get back at whoever offends me?"

Chapter 2722: You Idiot

Everyone looked from Shan Jingfei to Lin Juncheng.

Lin Juncheng remained silent.

Ye Hongxue glared at him. "Answer the question!"

Shan Jingfei also stared at him. "Yes, answer the question! Tell them that Zeyu gave you that mission!"

She couldn't wait to see what would happen next.

She was so confident that Lin Juncheng would say yes.

To her surprise, when Lin Juncheng spoke, he gave her a bitter smile.

"Shan Jingfei, I'm going to turn down your bribe."

Bribe?

Did Shan Jingfei try to bribe Lin Juncheng?

Ye Hongxue and her teammates were already seeing Lin Juncheng in a different light, and his reply made them even more suspicious. Ye Hongxue asked, "What bribe? Why did she want to bribe you?"

Shan Jingfei was dumbfounded. She couldn't understand why this was happening.

Lin Juncheng smiled bitterly. Instead of answering Ye Hongxue, he turned to Shan Jingfei and said in resignation, "I didn't want to say it because it would affect your reputation, but you kept pushing me."

Shan Jingfei ground her teeth and glowered at him.

He had turned her down.

Ye Hongxue asked, "What did she force you to do?"

Lin Juncheng didn't answer, but Ye Hongxue was smart enough to deduce the truth from Shan Jingfei's past behavior.

She asked, "Did she ask you to make up the story about a second mission?"

Lin Juncheng nodded.

Ye Hongxue said, "How dumb is she?"

Lin Juncheng said, "Very, I guess."

Very? Furious, Shan Jingfei glared at Ye Hongxue.

Ye Hongxue only shook her head at her. "You're such an idiot."

Shan Jingfei's face went scarlet red.

This wasn't the first time that Ye Hongxue had called her an idiot.

Ye Hongxue didn't know what to say. "Is that pretty head of yours just for decoration? Do you ever use your eyes?"

“My entire team working together couldn’t hold off those Spirit Stone Worms, but Feng Wu killed hundreds of them all by herself!

“If the others hadn’t fled, she would have killed a lot more!

“Has it ever occurred to you that she can probably defeat my whole team with a single strike?”

Shan Jingfei felt as if she had been struck by lightning.

That abominable Ye Hongxue!

Her words were even more annoying than she was herself!

“You know we can’t possibly defeat Feng Wu, but you tried to send us on a suicide mission. Do you seriously think we are as dumb as you are?”

Shan Jingfei was utterly speechless.

Ye Hongxue was saying nothing but the truth, which was something Shan Jingfei hated to admit.

Ye Hongxue ground her teeth. “Was that your plan? To drag more people to their doom? If Lin Juncheng accepted your bribe and said yes, we would have died because of you!

“You think too highly of yourself!”

“You!” Shan Jingfei retorted. “You haven’t fought her! Why do you think you can’t defeat her?!”

Ye Hongxue shouted, “Everybody in my team knows that!”

Chapter 2723: You Hypocrite

Shan Jingfei said, “Do you think she’s a capable fighter because she killed all those Spirit Stone Worms? That’s not her real ability!”

She then pointed at the urine on the ground. “The worms ran away because of this! Feng Wu didn’t kill the worms on her own! That ugly bird helped her!”

Ugly bird? Little Phoenix didn’t like that at all.

Ye Hongxue said, “You’re hopeless! Lin Juncheng, tell her.”

Lin Juncheng cleared his throat.

He and Ye Hongxue had feelings for each other, and he could understand Ye Hongxue’s reaction when she heard that Shan Jingfei tried to bribe him.

However, Shan Jingfei was a pretty girl, and Lin Juncheng didn’t want to make things too difficult for her.

He smiled wryly. “Jingfei, Feng Wu is more capable than you think...”

Shan Jingfei shook her head. “No, she had help from...”

Ye Hongxue couldn't take it anymore. "What help? When my team was attacked by a Flame Snow Lion, Feng Wu saved us all by herself!"

What?!

The news shocked everyone else.

Feng Wu had saved Xuecheng Team!

Xuecheng was a Class A team, and was one of the teams that was above average.

"That's impossible!" Shan Jingfei turned pale and shook her head repeatedly. "You're lying! It's a lie!"

If Feng Wu could save an entire team, then her cultivation level... Shan Jingfei really felt like an idiot now when she recalled how she had ordered Xuecheng Team to give her the crystal cores and punish Feng Wu for her.

Ye Hongxue glanced at her in satisfaction. "Now you see how dumb you are."

Shan Jingfei murmured, "She saved your lives, you said?"

Ye Hongxue said, "Yup."

Shan Jingfei asked, "When? When did that happen?"

Ye Hongxue said, "Before we fell into this mine."

Shan Jingfei shouted, "Then why did you accept the mission?!"

Ye Hongxue rolled her eyes. "If we had known that your rival was our savior, we would never have accepted the mission!"

Shan Jingfei shouted at Feng Wu, "Why did you hide your true ability? Do you enjoy mocking other people? You're such a hypocrite!"

Feng Wu snapped, "When did I hide my ability?"

Shan Jingfei said, "Yes, you did! If you hadn't, why would we have misjudged you? You pretended to be so weak in class! You didn't retort when other people said you're the weakest student in our class! You're so fake!"

Feng Wu suddenly smiled. "Yes, some students said things about my grades, but there was another view, and I think we all heard it as well.

"What was it? The others said good looks were useless. A true goddess should be like Shan Jingfei, both pretty and capable. They said you're so much more capable than me, didn't they?"

Shan Jingfei's heart sank.

Feng Wu said, "However, I believe I already defeated you by then, right? We fought in front of all the tutors of the academy."

Chapter 2724: Slap

Wow!

Everyone stared at Shan Jingfei in astonishment.

If that was the case...

Feng Wu wasn't a hypocrite. She was only being modest!

Shan Jingfei wasn't just proud. She was vain!

Xin Zhixuan, Shan Jingfei's supposedly best friend, asked innocently, "Feifei, is that true?"

The question was like a slap to Shan Jingfei's face.

She had thought she had everything under control and had earned everyone's trust. However, she was filled with despair, and the fear of being abandoned almost devoured her.

She glared at Feng Wu and wanted to tear her throat open.

Feng Wu shrugged. "I defeated you in two strikes. You didn't have enough time to see my true capability."

Pfft!

Shan Jingfei spat out a mouthful of blood.

She was so angry.

.....

She hated Feng Wu to the bone!

Feng Wu glanced at her and shook her head. "If only you're as good at accepting reality as you are at bullying people."

Shan Jingfei said, "Feng Wu, I'm going to kill you!"

Feng Wu shook her head in resignation. "You'll have to get out of this place alive first."

Shan Jingfei's face darkened.

That was so true!

Feng Wu had become the center of this group. Everyone respected her and followed her orders. She was more than capable of trapping Shan Jingfei here forever.

Realizing this, Shan Jingfei gritted her teeth.

Revenge was a dish better served cold. She could wait!

Ye Hongxue went to Lin Juncheng and asked, "What did she bribe you with? Look at the state she's in. What could she possibly offer?"

Lin Juncheng blushed, "I can't tell you..."

Ye Hongxue pinched his arm and twisted.

“Ouch!” Lin Juncheng cried out in pain. “That hurts... It concerns a girl’s honor. I can’t tell you...”

A girl’s honor? As in, her chastity?

It didn’t take a genius to figure out what that meant.

Shan Jingfei had struck everyone as an innocent girl before, so Ye Hongxue wouldn’t have seen her that way. However, that image had been destroyed, and Ye Hongxue immediately saw what Lin Juncheng meant.

“You b*tch!” She walked up to Shan Jingfei and slapped her.

“You have no shame at all!” Ye Hongxue shouted furiously. She then went to stand behind Feng Wu.

Shan Jingfei was furious.

She looked around with bloodshot eyes.

“You’re all picking on me now! Fine! Once I get out of here, everyone who has offended me and those who stood there and just watched will answer for it! I’m gonna kill you all!”

“Let’s go.” Feng Wu couldn’t care less what Shan Jingfei thought. She frowned and said, “We shouldn’t linger. Let’s get out of here as soon as possible.”

The others all agreed.

Feng Wu led the team, and Cheng Fang was right behind her.

That was so terrifying...

He still remembered the long, dark journey through the tunnels all by himself. He didn’t want to go through that again.

He decided he would stay close to Feng Wu no matter what.

He didn’t even try to see where Ye Han was.

Xuecheng Team followed behind Cheng Fang.

Ye Han looked at Shan Jingfei and Xin Zhixuan before she followed the others.

Chapter 2725: Sacrifice

The others also hastily followed Feng Wu.

Only then did they realize who the leader of this group was. Staying close to Feng Wu was the only thing keeping them from getting eaten by the worms.

Xin Zhixuan and Shan Jingfei were the only ones who didn’t follow their teammates.

Seeing the others walk away, Xin Zhixuan said hastily, “Feifei, we should go with them.”

Shan Jingfei smirked. “I’d rather die than go with her!”

Xin Zhixuan wished she could leave Shan Jingfei here. That way, this girl she had always been jealous of would disappear for good.

However...

Despite the jealousy that was eating her up, Xin Zhixuan knew Shan Jingfei had to be alive if she wanted to continue freeloading off of Shan Jingfei's privileges.

She tugged at Shan Jingfei. "This isn't the time to get angry. Remember the saying: Where there is life, there is hope."

After that, she grabbed Shan Jingfei's hand and dragged her toward the others.

Shan Jingfei might have stubbornly said some things, but when Xin Zhixuan took her arm, she didn't try to resist.

The tunnels were pitch dark and suffocatingly narrow.

"Are you sure she can get us out of here?" Shan Jingfei smirked. "How do you know she knows the way?"

.....

Everyone else had remained silent, and her voice sounded exceptionally loud.

No one answered her question.

Shan Jingfei complained, "She's all safe walking in the front. What if the worms come from behind? She's so selfish!"

Ye Hongxue couldn't stand it anymore. She looked over her shoulder and threw a dirty look at Shan Jingfei, although no one could see it in the darkness.

"Can you shut up for a minute?" Ye Hongxue said grumpily. "If you're so worried about Xiao Wu getting lost, don't follow us! Find your own way!"

Shan Jingfei was speechless.

Ye Hongxue went on, "You waited for so long before following the team, so don't blame us for leaving you in the rear!"

Shan Jingfei didn't know what to say.

Lin Juncheng tugged at Ye Hongxue. "I think you've made your point."

In Ye Hongxue's eyes, Shan Jingfei was the woman who had tried to steal her man. That was something she would never forgive.

She shouted at Lin Juncheng, "No, I haven't! She was using herself as the bribe! Why should I respect her when she doesn't even respect herself?!"

Lin Juncheng remained silent.

Shan Jingfei didn't know what to say.

The air suddenly felt very thin.

All words failed Shan Jingfei because she had said exactly those words when she sent Xin Zhixuan to bribe Lin Juncheng.

In her current state, there was nothing she could offer to Lin Juncheng except herself.

Of course, she wasn't actually going to do anything. However, she couldn't deny she had said such things.

Ye Hongxue sounded so confident because she had interrogated Xin Zhixuan already.

Everyone wished they were somewhere else.

They wondered if Shan Jingfei would say something in retort to Ye Hongxue.

Had she really...

Feng Wu spoke at that moment. "I think we should change course."

"What's going on?" the others asked.

Feng Wu said, "Another team is being attacked by Spirit Stone Worms. We can take a detour and give them a hand."

"Why should we help them?!"

Chapter 2726: The Reward

"Why should we help them?!"

Someone abruptly asked the question.

Who was it?

The others immediately recognized the voice. It was Shan Jingfei.

They were all speechless.

Ye Hongxue said, "You can shut up now."

Shan Jingfei regretted it as soon as she blurted out those words.

She was quick-tempered and impulsive. When she lost control, she would say anything. However, she would realize her mistake once she calmed down.

She didn't like how Ye Hongxue spoke to her, but she stopped herself from saying anything.

Soon, they heard the sounds of fighting.

The team was in an open area connecting two tunnels.

They were surrounded by countless Spirit Stone Worms.

The team had five members.

They all had armor on.

However, the armor was covered in blood.

Dead Spirit Stone Worms were scattered around them.

However...

The more they killed, the more seemed to gather around them.

The place was soon packed.

Feng Wu looked from the worms to the five teenagers before she turned to Ye Hongxue. "The worms will take you all if you get too close."

The worms indeed gave Ye Hongxue the creeps.

She had yet to recover from her previous experience of facing so many worms.

"We'll split up here. Go wait for me at the formation core."

Feng Wu was going to help those five people in passing, but she now realized that it wouldn't be that easy. She would have to fight alongside them.

Shan Jingfei smirked before Ye Hongxue could say anything. "You're abandoning us, then. I knew it! I knew you wouldn't be that kind!"

Feng Wu didn't know what to say.

She couldn't be bothered to talk to Shan Jingfei.

Shan Jingfei had always struck others as a goddess who wouldn't meddle in worldly affairs. However, she completely gave herself up after her true self was exposed.

Ye Hongxue gave her a stern look before she turned to Feng Wu. "Are you going to save them?"

Feng Wu nodded. "I can't just walk past them when I have the ability to save them."

Some of the tunnels had collapsed, and from the higher ground they were standing on, they could see all five team members.

Ye Hongxue asked, "Do you know who they are?"

Feng Wu said, "It doesn't matter who they are."

Ye Hongxue smiled bitterly. "No, it does."

Feng Wu asked, "Why?"

Ye Hongxue said, "They're from the Military Academy."

Feng Wu asked, "The Military Academy?"

Lin Juncheng nodded. "The Military Academy and Imperial College are the top two schools in the empire. No other school can claim to be their equal."

Feng Wu understood what he meant. It was like the status which Oxford and Cambridge held.

“The two schools used to be on friendly terms, but the relationship deteriorated because of competition over resources. We’ve had quite a few conflicts with them.

“The Military Academy answers directly to the military, and they’ve made some impressive achievements over the years. Because of that, the empire has been allocating more and more resources to that school, and our school has shown signs of decline.

“That’s just how we describe the situation. The truth is...” Lin Juncheng looked at Feng Wu. “The truth is that we’re no longer as powerful as the Military Academy.”

Chapter 2727: Stand on Her Head

??

Feng Wu said, “I see...”

Lin Juncheng said, “I believe you may have heard that the allocation of resources for the two schools is determined by the annual martial arts competition.

“It’s open to all schools, but our school and theirs are really the only participants.

“The school that wins will get mining rights, not to this Secret Essence Mine, but to the Cloud Essence Mine in the western district. The winner will also get access to the imperial cultivation room!

“The resources are more significant than you think because of the mining rights. Imperial College has been winning much less frequently over the years. The Military Academy has been on the rise and is catching up to us in all aspects.”

Feng Wu asked, “That was a very long speech. What’s your point?”

Lin Juncheng scratched his head. “What I’m saying is that I know those five people.”

Feng Wu asked, “Are they students from the Military Academy?”

Lin Juncheng smiled bitterly. “I wouldn’t have told you all that if they were just ordinary students from the Military Academy.”

Feng Wu stared at him.

Lin Juncheng suddenly asked, “The winner of Class B will join the seeded team, right?”

Everyone nodded.

Lin Juncheng said, “Those five people are members of the Military Academy’s seeded team.”

All eyes were on Feng Wu.

Feng Wu frowned. “So?”

Shan Jingfei lost her temper again.

She sneered at Feng Wu. “Are you going to save them? They’re enemies!

“They’re also from the seeded team. Do you know what that means?”

“It means they’re the best students in their Class A!”

“You have some ability, I’ll give you that. However, do you seriously think you’re better than Class A students? You should give up on that idea before you make a fool of yourself!”

Feng Wu frowned and glanced at Shan Jingfei. This woman talked too much.

Shan Jingfei went on, “I don’t care whether you live or die. If you insist on saving them, go ahead. I won’t stop you!”

Feng Wu said, “I know why you’re saying that. You’re afraid that if I die, no one will get you out of here. You’re scared of the worms.”

Shan Jingfei was speechless.

Feng Wu asked Little Phoenix, “Why don’t you go with them?”

Little Phoenix didn’t like that idea at all.

It tilted its head and thought for a moment. Then, it flapped its wings.

It landed on Shan Jingfei’s head again.

Everyone had taken out luminescent pearls by then, and they had enough light to see what was going on.

Then, they spotted the bird on Shan Jingfei’s head.

No...

What was it doing?

They heard a trickling sound.

That sound!

Wait...

“What’s happening? Is it raining?” Shan Jingfei felt something warm on her hair before she smelled the stench.

Retch!

She threw up.

She wanted to kill the bird that had peed on her head.

However, Little Phoenix immediately flew away.

Everyone looked from Little Phoenix to Shan Jingfei...

Oh god!

The last time it stood on Shan Jingfei's head, it had peed at the worms, but now...

Chapter 2728: The Second Team

Everyone wanted to throw up.

They involuntarily stepped away from Shan Jingfei.

Shan Jingfei was so angry that she wanted to kill the bird.

Feng Wu didn't have time to waste, and she snapped, "The worms won't attack you anymore. Little Phoenix is doing you a favor!"

A favor? Shan Jingfei glared at Feng Wu.

Feng Wu nodded. "My bird is those worms' big boss. They'll stay away from you when they pick up the bird's scent. You'll be safe."

Shan Jingfei wouldn't believe it.

She wasn't alone. Ye Hongxue wasn't convinced either.

Feng Wu said, "We don't have much time, and you should get going. When I detonate all the worms, I'm not sure I can save all of you in time."

The thought of all the worms exploding together was bloodcurdling.

Ye Hongxue hesitated and opened her mouth. In the end, she didn't say anything. She only nodded at Feng Wu and walked away with Cheng Fang behind her.

Soon, everyone was gone. Feng Wu and Little Phoenix were left on their own.

Little Phoenix complained, "My bladder is empty."

.....

It patted its stomach and sounded quite sorry.

Feng Wu didn't know what to say.

Feng Wu was wearing the uniform of Imperial College; however, it had become quite dirty after all the fighting.

She took a robe out of her storage space and wrapped it around herself.

She then headed for the five people.

Apart from saving those people, she also needed the practice.

She had only completed 50% of her breakthrough to the Spiritual King stage. She needed to pick up her pace.

She attacked the worms without asking Little Phoenix to pee again.

Fallen Star Sword!

Ground Control!

Thump! Thump! Thump!

The worms were frozen on the spot and killed.

At first, Feng Wu could kill one worm with one strike.

Before long, she could kill two at a time.

The Fallen Star Sword and Ground Control worked better and better together, as if they had combined into one.

Feng Wu was fighting in the outer circle, and the Military Academy students were in the center, so they had no idea that she was out there.

The seeded team they belonged to was also known as the second team.

Their clothes were in tatters, and they were covered with bruises and cuts. However, they remained perfectly calm and were still fighting with all their might.

As time passed, more worms kept coming, and they began to feel desperate.

“Captain, we...”

The speaker’s name was Lian Xiao. His sword had gone blunt from striking the worms. He could hardly cut through their skin.

“Captain, we can’t keep going like this! We’re all injured, and we won’t hold our ground for much longer!”

Lou Mo, his teammate, nodded. “That’s right! We could die here, and the school won’t know what happened!”

The captain was called Lan Xuefeng. He pursed his lips and asked gravely, “What are you suggesting?”

Lian Xiao and his teammates looked at one another before answering the question.

Lian Xiao said, “Captain, you’re the most capable member of our team. If one of us can get out, it has to be you!”

“We’ll cover you and make sure you can get out!”

The other three members all nodded.

Chapter 2729: Contempt

Lan Xuefeng knew they would say that, and he wouldn’t let that happen. “I’m not leaving you! Dead or alive, we’re a team!”

“Captain!” the other four pleaded.

Lan Xuefeng shook his head. “I won’t do it!”

“If you don’t go, we’ll all die! If you get out alive, at least you can collect our bones later!”

Lan Xuefeng hesitated for a moment, but shook his head in the end. "No! We'll kill these worms together and get out of here!"

Lian Xiao sighed. He knew his captain would say that, but...

"Who would have thought this would happen after we returned from Peace Grassland. This valley appeared out of nowhere, and we fell into this Secret Essence Mine. Now, we have to face so many worms!"

The others were as full of despair as he was.

Lou Mo screamed at that moment.

Everyone looked in his direction.

A giant worm had jumped into the air when they weren't looking, and it bit Lou Mo's left arm.

Lou Mo was taken by surprise.

Crack!

.....

He immediately sliced the worm in half and freed his left arm. However, he was already wounded.

The worm's sharp teeth had dug into his arm, but the blood that oozed out wasn't red.

"The worms are venomous!" Lou Hao gritted his teeth. "Be careful!"

They were as capable as they were said to be. Not only did they have tough minds, they also had a high tolerance toward poison.

Ye Hongxue and her teammates were from Class A as well, but the venom had still affected their minds.

Feng Wu had to give them a potion to neutralize the toxin.

However, the worm's bite didn't affect Lou Mo's movements.

As the number of wounds increased, however, they started to get exhausted.

Their hands were all swollen.

However, they gritted their teeth and kept on fighting.

They were drained of spiritual essence, and they were stumbling as if they could collapse at any moment.

However, they still decided to fight until they were dead.

Lou Mo seemed to have lost all hope.

"We fought our way out when we were surrounded by Dongsang soldiers. I would never have thought we would be killed by some worms one day!"

Lian Xiao said, "Where did this Secret Essence Mine come from? How did we get here? I survived the Dongsang battlefield, only to die in my homeland! This is ridiculous!"

His teammate chimed in, "If I knew this was going to happen, I would have killed more Dongsang soldiers in Peace Grassland!"

"I killed 13!"

"I killed 15!"

"I think Captain Lan killed 30!"

"Guys, we've killed our fair share of enemies. We don't have any regrets!"

...

Thump!

Lou Mo was the first to fall.

He was finally drained of energy, and his legs gave out.

"Hey, where are the worms going? They've turned away!"

Lian Xiao caught Lou Mo and dragged him back. He was about to charge at the worms, when he saw that they had all turned in the opposite direction.

What did that mean?

Was it contempt?

Chapter 2730: Fairy

What did that mean?

Was it contempt?

Lan Xuefeng and the others looked at each other in astonishment.

But it was good news for them.

They were barely holding their ground, and the worms had been about to devour them. However, the worms suddenly spun around and ran in the opposite direction.

"What's over there? Why are they all so agitated?" Lian Xiao asked curiously.

Just then, Ma Hao, who had climbed onto a rock, shouted, "Look! Someone's over there!"

There was someone else in this godforsaken place?!

They all climbed onto the rock and looked into the distance.

They were shocked by what they saw.

"It's true! Someone really is there!"

“Look at that speed and the swordplay! Is that a human being?”

“Is she a teenage girl?”

“Can she be a fellow Military Academy student?”

“Of course not! We would recognize her if she were one of us!”

“We’ve never had such a capable girl, anyway. I think she’s as capable as Captain Lan!”

Lan Xuefeng smiled bitterly. “Don’t make fun of me. I’m nowhere near as capable as she is. Look! She cut off the heads of several worms in one strike! She makes it look as easy as chopping vegetables!”

His teammates had to agree with him because this girl was incredible!

She had killed over 100 worms during the short time that they were watching her.

She was surrounded by dead Spirit Stone Worms.

Her bright red dress was set off against the dead worms. It was almost a disturbing scene.

“Is she killing the worms? Why does it look like she’s dancing?”

“What kind of swordplay is that? Her sword went through three worms in one go!”

“Gosh! Are you seeing this? She’s not killing Spirit Stone Worms! She’s training herself!”

“Yes! She’s been using the same three stances so that she can hone her skill. At first, she could only kill three worms in one strike, but she can kill five now. It’s amazing progress in such a short amount of time! Is she even human? She looks like a fairy!”

“I agree! She’s definitely a fairy! A fairy of the Secret Essence Mine has come to rescue us!”

The five teenagers were so glad that they wept.

“I’m getting a crush on her!”

“Me too!”

They were so excited that they couldn’t form coherent sentences.

Somehow, none of them could believe Feng Wu was real.

At first, the worms were screeching fiercely.

Feng Wu had made an agreement with Little Phoenix that it wouldn’t interfere while she practiced her skills.

However, it never occurred to either of them that Feng Wu would get lost in her training.

She went on fighting.

Dead Spirit Stone Worms piled up around her until she realized that there were no more worms to kill.

She finally put down her sword and gradually returned to reality.

When she looked up, she saw five astonished faces.

They were five teenagers.

Their eyes were wide open as they gaped at Feng Wu. It was as if they were seeing a ghost.

Feng Wu frowned and asked Little Phoenix in her head, "How long has it been?"

"One day and one night," said Little Phoenix in amazement.
