### Chapter 2851: Competition (26)

Ji Xingyun came out at that moment.

Sheng Changtian sneered at Chen Ziyun before turning to his team members. "Let's get ready to go in."

"Great!" The others were all excited.

They were in Imperial College.

However, they had taken Dynasty Team's opportunity in their territory. It felt so satisfying.

They couldn't begin to describe that feeling.

"Let's eat!" Lv Haobei and the others all gloated.

Chu Yun gave Gongsun Mu a provoking glance and felt utterly fantastic.

All the Imperial College students on the ground floor had stopped eating. Their faces turned livid.

They all felt humiliated.

This was so frustrating!

They all wanted Ji Xingyun to tell them that Chen Ziyun's team could go in.

Unfortunately, that wasn't going to happen.

Chu Yun had told everybody she had asked the master to return the favor.

"This is unbelievable!"

Chen Ziyun ground his teeth and clenched his fists.

"You're going to pay for this!" He glared at Sheng Changtian.

Sheng Changtian laughed.

"We're going to pay? How? When?"

"You don't need to show us the way. I know where it is." Chu Yun smiled at Ji Xingyun.

Ji Xingyun felt conflicted.

She raised an arm and blocked Chu Yun's way.

"What?" Chu Yun frowned at Ji Xingyun.

Ji Xingyun smiled. "I'm sorry, but you can't go in."

Chu Yun smirked. "Then who can?"

Ji Xingyun pointed at Feng Wu. "Them."

What?

The entire room fell silent.

For a moment, everybody forgot to breathe.

After that, they sucked in their breaths.

Chen Ziyun was the first to react.

“Us?” Chen Ziyun pointed at himself. “Are you sure?”

Ji Xingyun nodded with a smile. “Yes, that’s what I’ve been told.”

Chu Yun finally realized what was happening and stared at Ji Xingyun. “No! That’s not possible!”

Ji Xingyun shrugged. “That’s the truth.”

The latest\_epi\_sodes are on\_the LIBREAD.COM. website.

Chu Yun glared at her. “That can’t be! You’re lying! This can’t be happening! That’s the only explanation!”

Ji Xingyun frowned.

She was very easy-going, but as the owner of Star Cloud Tower, she had her temper as well.

She stared at Chu Yun. “You don’t get to talk to me in that tone. You’re not welcome here. Get out!”

1

Ji Xingyun knew what Chu Yun had done and found her behavior despicable. She had no problem scolding this woman.

Chu Yun stared at Ji Xingyun in disbelief.

How dare the owner of a restaurant shout at her?

She was the assistant dean of the Military Academy!

Ji Xingyun smirked. “I don’t care what your job title is in the Military Academy! It means nothing here in Imperial College! If you want to give me a speech, become the vice-chief of Imperial College first!”

Chapter 2852: Competition (27)

Chu Yun was so frustrated that she shook from head to toe.

Feng Wu clapped her hands.

That was very well said. She liked Sister Xingyun a lot.

“Fine!” Chu Yun sneered at Gongsun Mu. “That’s so nice of Imperial College! You cheated in the competition, and you didn’t even try to hide it! Gongsun Mu, is that how you teach your students? If you won’t discipline her, I’ll do it for you!”

Chu Yun was going to take action, when she heard an impatient voice.

Yuanbao came into the room.

The little boy walked in with a big frown on his face. He was annoyed.

Master Linghu always stayed in the temple, and Yuanbao represented him in the secular world.

It wasn’t common knowledge, but the tutors of both schools knew it.

Chu Yun and Gongsun Mu were both surprised by Yuanbao’s arrival. They both lowered their heads but stole glances at the boy.

Chen Ziyun and the other students weren’t senior enough to know who Yuanbao was, so they were still eyeing him curiously.

Gongsun Mu and Chu Yun scolded them. “Lower your heads!”

What?

Chen Ziyun and the other students were all confused. Gongsun Mu was seldom so stern, and it only showed how much the boy had startled him.

They all did as they were told and lowered their heads.

Both Chen Ziyun and Sheng Changtian’s teams did so.

Yuanbao walked up to them.

His words were directed to Chu Yun only.

“Shut up! How dare you raise your voice here?!” Yuanbao’s tone was very domineering.

Feng Wu didn’t know what to say.

She only remembered Yuanbao as the lovely shy boy who always enjoyed good food. She almost couldn’t recognize him now.

She then looked at Chu Yun.

The woman lowered her head and let Yuanbao scold her.

Feng Wu didn’t know what to say.

She realized once more how much ordinary people respected Master Linghu.

Even the arrogant Chu Yun bowed her head to Master Linghu’s little messenger.

Yuanbao stared at Chu Yun. “I’ve decided to give the meal to Sister Xiaowu. Do you have a problem with that?”

Sister Xiaowu?

The latest\_epi\_sodes are on\_the LIBREAD.COM. website.

Was he referring to...

Everybody glanced at Feng Wu.

Only Chu Yun could describe how she felt. Her face turned scarlet red at the boy's words, but she still had to squeeze out a smile. "No, of course not."

Yuanbao snorted, threw a dirty look at Chu Yun, then ran to Feng Wu's side.

He looked up at her with eyes filled with admiration.

He tugged at her clothes. "Sister Xiaowu, the master needs me, so I'll be off. I've saved the table for you. No other team can touch it!"

Feng Wu rubbed his little bald head. "That's great. Thank you, my dear Yuanbao."

"You're welcome." Unlike his harsh tone when he scolded Chu Yun, Yuanbao was a lovely boy when he spoke to Feng Wu. He gave Feng Wu one last look before he reluctantly took his leave.

Once he was gone, the others raised their heads and looked at one another in wonder.

Chapter 2853: Competition (28)

Chen Ziyun wanted to ask questions, but he chuckled instead when he sensed Sheng Changtian's stare.

"Xiaowu, let's go inside. The meal belongs to us now." Chen Ziyun glanced at Sheng Changtian in satisfaction. "Apparently, that favor wasn't as useful as it seemed."

Sheng Changtian recalled how he had shown off earlier, only to be stopped at the door. His face turned bright red.

Of course, the greatest humiliation was felt by Chu Yun.

She stared at Feng Wu from behind, and there was a malicious look in her eyes.

She hated Feng Wu.

However, she feared the girl as well.

What was Feng Wu's relationship with Yuanbao?

It wouldn't be too complicated if she were just Yuanbao's good friend. However, things would be very complicated if Master Linghu was involved.

Feng Wu and her team smiled at Chu Yun when they walked past her.

Chu Yun was astonished.

They were provoking her!

1

And there were also Imperial College students around them.

They looked at the Military College students as if they were a joke. They pointed at the Military Team and laughed among themselves.

As if that wasn't enough, they also stole glances at the team.

They made it so obvious!

Chu Yun and Sheng Changtian didn't react to their behavior, but the rest of the team wasn't as unperturbed as they were. They flushed red.

Chu Yun sneered at Gongsun Mu. "Do you think you've won?"

"Do I have to remind you that we're in the middle of a competition? This meal means nothing!"

"I was going to make it easy for you, but now... You'll be sorry for what you've done!"

"Let's go!"

Chu Yun led the team away after she threatened the others.

Her words affected the students, but not as much as before.

Imperial College had won the junior team competition and the meal. Both times, it happened because of Feng Wu.

Her team doted on her now.

Everybody loved her.

Needless to say, Master Taihe's dishes were delicious and effective.

After they ate, Feng Wu told them to go to the arena immediately.

Everybody was perplexed.

Sun Yu said, "We still have two hours before the final competition. Why don't we go back to our own arena and take a break?"

"No." Feng Wu was very adamant. "To the arena! Now!"

Everybody was confused.

However, Feng Wu was the most beloved team member now, and everybody listened to her.

All eight of them went to the arena.

The indoor arena could fit 10,000 spectators.

The competition would start in two hours, but people were already coming in.

From the high platform, one could see all of the audience.

10% of the seats were occupied.

Although it wasn't their home game, the Military College would still send a lot of students here to watch the final competition.

Imperial College was on the left, and the Military College was on the right. It was clear-cut.

Just then —

Chapter 2854: Competition (29)

Just then, Chu Qu put his hands on his lower abdomen.

"My dantian feels warm."

"So does mine!"

"Why does it feel like I'm making a breakthrough?"

The others exchanged bewildered looks.

It wasn't just one of them; at least six people clutched their stomachs and said that it felt like they were about to make breakthroughs.

Feng Wu grinned. "Do it, then. I'll guard you all. Make the breakthrough."

1

Chu Qu looked at her in wonder. "Is this the effect of Master Taihe's food?"

The others stared at her in amazement as well.

That was amazing!

This shouldn't be happening!

Other students had eaten the food before. The meal was offered once a month.

Although everybody praised the effect, it had never been on this scale. The reaction came too soon.

Chen Ziyun gave Feng Wu a knowing look.

She had gone into the kitchen earlier; that had to be the reason.

If the girl said she had nothing to do with it, he wouldn't believe her.

At that thought, he raised an eyebrow at Feng Wu and gave her a meaningful look.

Feng Wu had nothing to say.

The audience was amazed when they saw the team members suddenly sit down and start cultivating.

They were indeed the best students of Imperial College. They only had a little time left before the competition, but they were still trying to cultivate. How amazing!

Wait!

Ye Han, who was sitting in the audience, widened her eyes.

Shao Xiao glanced at her. "What?"

Ye Han said, "Did you notice that? Chu Qu made a breakthrough just then! I felt it!"

Shao Xiao sensed Chu Qu's spiritual essence and nodded in amazement. "Yes! I feel it, too! He hasn't reached the next level, but he's half a level higher than before!"

"What? Sh\*t!" Ye Han was so thrilled that she blurted out, "Look at Li Zhan! Wasn't he severely injured before? He looks perfectly alright now!"

"He has advanced as well! The spiritual essence around him is different from the others!"

Shao Xiao tried to sense it as well.

Ye Han was right!

"Li Zhan isn't the only one! Zhao Si is doing it, too!" Shao Xiao was so excited that he was almost in tears. "Why are they making such rapid progress?"

Ye Han said, "Rumor is that they went to eat Master Taihe's monthly feast."

Shao Xiao said, "So, that food is really as amazing as they say!"

Ye Han and Shao Xiao looked at each other.

Ling Hao and the others were thrilled as well.

"We'll go there every month from now on. I'm sure we'll get lucky one day!"

Many people thought the same way.

It seemed Master Taihe would have a lot more customers for a long time.

3

That news couldn't be kept a secret.

The Military Academy soon caught wind of it.

Imperial College had given the Military Academy students their own rooms.

Right now, they were all sitting in their rooms in seclusion.

It wasn't for their cultivation.

Everybody knew cultivation was a lengthy process and couldn't be rushed.

They were only sitting there to calm their minds.

Chapter 2855: Competition (30)

Just then, someone ran into their area to look for Chu Yun.

It was Qiu Zeyu.

He used to be Chu Yun's student and knew her well.

"Do you want to talk to me?" Chu Yun had a good impression of Qiu Zeyu.

Qiu Zeyu looked at Chu Yun and said earnestly, "I suggest you go to the arena now."

Chu Yun was perplexed. "Why?"

Qiu Zeyu had never been so serious before.

"You'll regret it later if you don't go now. I've said what I'm here to say. It's up to you. That's all I can do for you."

He was going to leave after that.

Chu Yun frowned and stopped him. "Why are you helping us?"

Qiu Zeyu didn't speak.

Chu Yun said, "You're a student of Imperial College. Why do you want to help us?"

It was a competition between the two schools.

It would affect the honor and future of both schools.

Qiu Zeyu was from Imperial College. Why would he do the Military Academy such a favor?

Qiu Zeyu stopped, turned his head, and looked at Chu Yun with eyes filled with hatred.

Even Chu Yun jumped at that look.

It seemed that Qiu Zeyu hated Imperial College to the bone.

1

However, that look reassured Chu Yun.

She went inside and roused the students.

"Let's go to the arena. Something's happening."

The students were all perplexed.

Chu Yun didn't know exactly what was going on, but Qiu Zeyu had come all the way to tell her, so it had to be something big.

"You'll see when you get there." Chu Yun led the way.

Had something happened in the arena that would stop the competition from taking place today?

She didn't want that to happen. They were in a hurry to get to Peace Grassland.

Everybody was anxious.

They arrived at the arena in no time.

Seeing Gongsun Mu standing there, Chu Yun walked up to him and asked, "Can we have the competition on time or not?"

Gongsun Mu was watching Sun Yu in astonishment, and completely ignored Chu Yun.

Chu Yun was displeased, thinking Gongsun Mu was ignoring her on purpose.

"Gongsun Mu!" she shouted.

Gongsun Mu was startled. He frowned when he turned around and saw Chu Yun.

"Be quiet," said Gongsun Mu.

However, Chu Yun was furious. She was about to lose her temper, when she saw something.

She noticed Sun Yu.

Then, she was shocked.

OMG!

She couldn't believe her eyes.

That couldn't be happening!

What did she see?

She saw spiritual essence wrapping around Sun Yu like a cocoon.

He was absorbing this web of spiritual essence.

Chu Yun had been there before. She knew perfectly well that once he finished absorbing the spiritual essence, he would become a Spiritual King!

A Spiritual King!

Chu Yun panicked.

Chapter 2856: Competition (31)

Imperial College already had two Spiritual Kings. If he made the breakthrough, they would have three!

The Military Academy only had three Spiritual Kings.

That was the only reason they thought they would win.

Were they going to lose that advantage?

No!

Chu Yun wouldn't allow Imperial College to have a third Spiritual King.

She was going to sabotage the breakthrough, when she heard a cold voice in her ears.

1

"Chu Yun, remember: This is Imperial College."

The voice sounded like it was from hell. It sent a chill down her spine.

She was the only one who could hear it.

This was the technique of sending a message to one specific person.

Only a Spiritual King or above knew this technique.

Chu Yun shuddered.

She already knew who was warning her.

It was Elder Wu.

Chu Yun realized he was right.

She was in Imperial College's territory. How could she tamper with anything?

1

If they had been in the Military Academy... Chu Yun sighed.

Meanwhile, the Military Academy students were cursing in their minds.

"Sh\*t!"

"Why is Sun Yu..."

"How..."

Sheng Changtian and Lv Haobei exchanged a complicated look.

They had thought they would definitely win, but things wouldn't be so easy now.

Lv Haobei remained confident.

He said casually, "They're all new Spiritual Kings. Their levels aren't stable, and they haven't learned any cultivation techniques yet. They won't be our match."

Lu Qinghe agreed.

There was no need to worry.

They were still a much better team.

The Military Academy was definitely going to win!

However...

Sheng Changtian frowned when he looked at the other students.

Wait!

Sun Yu wasn't the only one.

All the Imperial College students had improved to some extent.

Sheng Changtian had detected their cultivation level earlier when they were in Star Cloud Tower, so he knew what they were like before.

"They've all made some progress!" Sheng Changtian was a little flustered.

He could understand if only a couple of them made progress. However, it was a big deal if all of them did it.

"It's been less than an hour, and they've all improved by at least half a level. What's going on?" Sheng Changtian ground his teeth.

If a team could make improvements together... That was a terrifying idea.

Lu Qinghe smacked his head.

"Shit! Is it because of Master Taihe?"

"Didn't they say eating Master Taihe's food might help improve a person's cultivation?"

"They ate it, and they've all become better!"

Lu Qinghe and the others were so jealous.

That feast should have been theirs.

That opportunity should have been theirs!

Jealousy and rage almost drove them crazy.

Sheng Changtian reacted in time and noticed their unstable mood.

He said, "Calm down, all of you!"

The whole team immediately quieted down.

Sheng Changtian said, "Do you know why they're not cultivating inside? Do you know why they're taking the risk to cultivate on stage?"

Chapter 2857: Competition (32)

The others all looked at him.

Lu Qinghe was the first to realize it. "Sh\*t! They're doing it on purpose! Who came up with that idea? How sly!"

Everybody looked at him.

Lu Qinghe said, "They're deliberately cultivating here to distract us and boost their confidence. It's such a clever move!"

Sheng Changtian, Lv Haobei, and Lu Qinghe were Spiritual Kings. Tang Mingjiang and Xun Jinyuan were Level 9 Spiritual Lords.

The Imperial College students were cheering loudly for Sun Yu's breakthrough. Sheng Changtian looked from them to their own seats.

Because of their arrogance, their seats were still empty.

He suddenly had a bad feeling.

He couldn't pinpoint it, but he felt uneasy.

He turned to his team. "Let's summarize our opponents. Chen Ziyun, Feng Wu and Sun Yu are new Spiritual Kings. Li Shaochu is a peak Level 9 Spiritual Lord, and Wang Nian and Wang Xiao are advanced Level 9 Spiritual Lords."

However, Lu Qinghe glanced at Dynasty Team and said quietly, "Wang Nian just became a peak Level 9 Spiritual Lord."

Sheng Changtian didn't know what to say.

Their opponents had just become stronger again.

Was Imperial College going to win this year?!

Sheng Changtian took a deep breath. "Let's see what we've got."

"Lv Haobei, Lu Qinghe and I are Spiritual Kings. Tang Mingjiang and Xun Jinyuan are peak Level 9 Spiritual Lords.

"We and our opponents have exactly the same levels. We both have three Spiritual Kings and two peak Level 9 Spiritual Lords, but we have a better chance because we made the breakthroughs earlier than they did. We've mastered the cultivation techniques for a longer time."

"Captain." Lu Qinghe smiled bitterly. "That may not be the case."

"Do you want to say this is an away game for us?" Sheng Changtian frowned. "I'm sure we can overcome that disadvantage."

Lu Qinghe reminded him, "We lost the junior game."

Sheng Changtian's face darkened.

That was right. That meant Imperial College would determine the sequence of their five players.

"Shit!" Sheng Changtian had forgotten about that fact, which was why he had been so proud. The idea was a hard blow to his confidence.

Sheng Changtian gave Lan Xuefeng a dirty look. How could they have lost that competition?!

Lu Qinghe said, "Captain, glaring at Lan Xuefeng won't change anything. Since Feng Wu is a Spiritual King, our junior team couldn't have won."

Tang Mingjiang was displeased. "Isn't she ashamed of fighting for the junior team? She's a Spiritual King!"

Lu Qinghe said, "I asked around. That Miss Feng Wu only finished the paperwork to join the team today."

The others were speechless.

Lu Qinghe smiled bitterly. "Even some of her team members questioned her qualifications to join them, so there was no way they would have put her on the varsity team. We also thought that she was a weakling at first."

The others were speechless.

Lu Qinghe glanced at Chu Yun. "Miss Chu insisted that Feng Wu only won because Lan Xuefeng let her."

The others were speechless.

That was so embarrassing.

"Forget about Feng Wu." Sheng Changtian frowned. "We must win this competition. I'll use that thing if I don't have any other choice."

Chapter 2858: Competition (33)

All his team members knew what he meant.

They all knew that method, but because they had thought they would win, they never expected to use it.

However, Feng Wu and her team were leaving them no other choice.

Sheng Changtian smirked. "Feng Wu is too proud. She probably has yet to show all her cards."

Lv Haobei also sneered. "She'll pay for her pride."

Lu Qinghe said, "Being a Spiritual King has made her so arrogant. We'll teach her a lesson."

Tang Mingjiang and Xun Jinyuan smiled smugly.

Meanwhile —

Feng Wu's team was still feeling excited.

Chen Ziyun looked from Feng Wu to the other team members and said casually, "Isn't that spirit wine so precious to you? Why did you put it in our food?"

Feng Wu said, "Did I? Do you have evidence?"

Chen Ziyun didn't.

He was intrigued. She had done a good thing. Why wouldn't she tell anybody?

Why stay anonymous?

Feng Wu wanted to shake her head. Of course she wanted to remain anonymous. Letting the others know would only create endless trouble.

There were so many tutors and students in Imperial College. They could all come to her to ask for some spirit wine. If they only wanted a drop, would she give it to them or not?

Therefore, she didn't give it to Elder Wu.

However, she secretly helped her team.

Chu Qu was the first to finish cultivating.

He ran to Feng Wu in excitement. "Xiao Wu, Xiao Wu, I've improved! I'm a Level 9 Spiritual Lord, too!"

Feng Wu pointed at Sun Yu.

"Holy crap!" Chu Qu saw that Sun Yu had become a Spiritual King.

He then realized that all his teammates had made great progress.

He said, "Master Taihe's food is so powerful!"

They were making progress as a group.

Dynasty Team had never felt so good.

"They're staring at us." Chu Qu glanced at Sheng Changtian's team and smirked. "He's glaring at me. He's such a bad loser."

By then, everybody had finished cultivating. They were all in high spirits, and nothing could wipe the smiles off their faces.

Feng Wu and Chen Ziyun went to the side to discuss the sequence for the other team, and the other members were left on stage.

"From now on, we're going to the Star Cloud Tower every month to see Master Taihe!"

The others all nodded.

"Do you really think our progress was because of Master Taihe?" Wang Nian asked tentatively.

"Is it not?" The others were intrigued.

"I thought it was Master Taihe, too, but I heard Captain Chen talking to Xiao Wu just then. She added something to the dishes, which is why we all made progress!"

"What did she add?"

"I think it was the legendary spirit wine."

“Holy sh\*t! Spirit wine? I heard about it from my tutor. She said everybody used to make fast progress when the school had a lot of spirit wine. No one got stuck at the Spiritual King stage. However, the spirit wine ran out.”

Chapter 2859: Jun... (1)

“Other people might think the spirit wine has run out, but Elder Wu mentioned that Xiao Wu found a bottle of spirit wine in the Secret Essence Mine!”

“What? She was almost buried alive, and she was still able to bring out a bottle of spirit wine?”

“Yes! Elder Wu tried to ask her for some, but she wouldn’t give him any.

“But she added some to the dishes we ate.

“How did Sun Yu become a Spiritual King? How did we all make progress? It’s all because of Xiao Wu!”

Wow!

After that, everybody knew what had happened.

Feng Wu was the reason they had all made progress in their cultivation.

“Xiao Wu! Xiao Wu!”

Everybody ran to her side.

Feng Wu had just figured out the sequence for the other team with Chen Ziyun.

The spirit wine was supposed to be a secret, so they couldn’t thank Feng Wu openly.

However, they still felt they should say something.

Both the spirit wine and Master Taihe’s dishes had come from Feng Wu. No one could deny that.

They all looked at Feng Wu but didn’t know what to say.

Feng Wu knew what they were thinking. She glanced at them and said, “You’re going to jump over a cliff if you can’t win this battle!”

“Yes, of course!” Everybody nodded.

Sun Yu stared at Feng Wu in excitement.

He had made the greatest progress of all of them and had become a Spiritual King.

Without Feng Wu’s help, he might never have become one in his lifetime.

“I won’t allow anyone to disrespect you in the future!” Sun Yu said solemnly. “If they do, I’ll kill them, along with anyone who tries to spread rumors about you!”

Feng Wu didn’t know how to react.

Just then, she saw people coming into the arena.

And more kept coming.

There hadn't been that many people during the junior team competition.

Not only was the auditorium full, the judges had arrived.

Chen Ziyun knew Feng Wu didn't know most people here, so he explained to her, "The Military Academy students all sit in the area on the left. They're here to support their team. Because it's an away game for them, they take up only about one-third of the seats.

"The area on the right belongs to our school. They didn't want to watch us at first, but the seats are all occupied now. I think they have some confidence in us.

"Look there." Chen Ziyun pointed at the judges. "The two seats in the middle belong to the two people with the highest authority from the two schools during this competition.

"Elder Wu will represent our school.

"That elderly man represents the Military Academy. He's Gongshu Hongzhu, a major general in the army. His status in the Military Academy is the same as Elder Wu in our school.

"Next to Elder Wu is Mr. Gongsun Mu, and next to Major General Gongshu is Miss Chu Yun.

"We're still waiting for one more person."

Feng Wu asked, "Who?"

"The chief judge." Chen Ziyun gave Feng Wu a meaningful look. "His Royal Highness, the sixth brother of His Majesty, has been the judge for as long as I can remember. This year is no exception."

"His Royal Highness?" Feng Wu asked. "Is he the one who is away all the time and lives like a wandering ranger?"

Chapter 2860: Jun... (2)

Chen Ziyun said, "Yes. Not only is His Royal Highness a capable man, he's strict and impartial. He's been our judge all these years and has never missed any competition. When he comes..."

Just then, they hear noise outside.

It was a hubbub of excited voices.

"I think His Royal Highness is here." Chen Ziyun smiled.

But he was perplexed.

!!

His Royal Highness was an ordinary-looking middle-aged man. He didn't look like a royal member, and the energy he gave off reminded one of a sharp sword. People usually stayed away from him.

Why was there so much noise?

It wasn't like he was the crown prince.

Just then, he heard an excited voice.

"His Royal Highness, the crown prince is here!"

What?

Everybody was astonished.

His Royal Highness?

Jun Linyuan?

Seriously?!

Soon, a teenager walked into the arena.

Wrapped in a black robe, his perfect figure reminded one of a pine tree.

He had smooth skin and deep-set features.

As he walked, his energy seemed to spread to the entire arena.

Everybody felt a chill run down their spines.

Feng Wu frowned a little when she saw Jun Linyuan.

What was he doing here?

Why did he come?

Feng Wu asked Chen Ziyun, "Isn't it supposed to be the crown prince's uncle?"

Chen Ziyun was equally perplexed, but he reacted quickly. "Since the crown prince is here, is it possible that His Royal Highness will be the chief judge today?"

Feng Wu said, "Are you sure?"

While they were talking, other people were already greeting Jun Linyuan.

The audience was thrilled.

Ye Han grabbed Ling Hao's hand. "It's His Royal Highness! It's the crown prince!"

She didn't dare make too much noise, so she controlled herself and lowered her voice.

Ling Hao was equally excited. "It's him! It's him! Gosh, I never thought I could be so close to His Royal Highness."

Zi Ling was also excited. She held Chaoge's hand and trembled with excitement.

"Chaoge! Chaoge! Look! It's His Royal Highness! It's the crown prince!" Just like all the other girls, Zi Ling was over the moon.

“Why aren’t you excited?”

After her initial excitement, Zi Ling was perplexed when she saw the look in Chaoge’s eyes.

Chaoge said, “Why are you so excited? It’s only the crown prince.”

Zi Ling’s eyes widened. “It’s only the crown prince? Chaoge, you’re so arrogant now! Why do you make it sound like you can see His Royal Highness all the time?”

Chaoge rolled her eyes.

She saw the crown prince all too often.

He seemed perfect, but all he wanted was to steal Xiao Wu away!

1

Chaoge pouted.

However, she didn’t dare say any of that out loud. When Jun Linyuan was around, she was as obedient as a lamb.

Hearing Zi Ling’s question, she thought, “I’ve seen the crown prince so many times. I even ate with him on several occasions.”

All the judges stood up and looked at Jun Linyuan.

Gongshu Hongzhu lifted his chin in an arrogant manner. He pushed Elder Wu out of the way and sat down in the seat that was the closest to the crown prince.
