

GED 2871

Chapter 2871: Chosen One (3)

He had lost all strength, and almost fell to his knees.

Everybody else was as shocked as he was, if not more.

Because!

They had thought Xun Jinyuan would win.

Hadn't Xun Jinyuan cornered Feng Wu? Wasn't she losing?

!!

Why?

How did Feng Wu grab Xun Jinyuan's neck and subdue him?

The Military Team, Dynasty Team and the students of both colleges were all speechless.

Everybody seemed dumbstruck and didn't know what to say.

Ye Han pointed at Feng Wu. "Has she really won the battle?"

No one knew how conflicted Ye Han felt.

She ran into Feng Wu on the first day of school and saw Feng Wu as an enemy because Feng Wu was too pretty.

Unfortunately, the two of them ended up in the same dormitory and had a fight...

Ye Han put a hand to her chest.

She couldn't understand how bold she had been then. She had once been hostile toward Feng Wu.

She used to be Feng Wu's enemy and tried to set Feng Wu up.

Ye Han buried her face in her hands and wanted to erase all those memories.

It was so embarrassing!

Chaoge was very pleased.

When the others remained silent, she was the only one who said, "He's just one Spiritual King. Xiao Wu can fight three more!"

Everybody stared at her in amazement.

Gosh...

Why did she have to say such a thing? The three remaining players wouldn't be as easy to handle as Xun Jinyuan!

Gongshu Hongzhu said, "I didn't know Feng Wu was so talented."

The crown prince finally glanced at him.

Of course his girl was talented.

However, Gongshu Hongzhu didn't stop there.

"But she's too arrogant. She tried to hide her real capability when fighting Xun Jinyuan. She'll die on a real battlefield!"

1

Of course, Gongshu Hongzhu wasn't going to compliment his enemy. He would only say bad things about Imperial College students.

Feng Wu's actual quality didn't matter. She belonged to the other team.

Gongshu Hongzhu wouldn't treat her any other way.

He was a member of the Military Academy, so he would discredit the Imperial College students in front of the crown prince in every possible way.

He didn't notice that the little smile on Jun Linyuan's face had disappeared as his eyes darkened.

Gongsun Mu knew better, so he interjected, "No, she won't die. Concealing her true power is a good thing. It means she's more than capable enough to defeat Xun Jinyuan!"

Gongshu Hongzhu smirked. "She's only slightly better than Xun Jinyuan. We still have three more players."

He then glanced at the crown prince.

He wanted the crown prince to know that the Military Academy still had much more capable fighters.

Chapter 2872: Chosen One (4)

Gongshu Hongzhu wanted the crown prince to become familiar with his team. That way, many of them would become the crown prince's guards one day.

It would be a great honor for the Military Academy.

Gongsun Mu chuckled. "I think Feng Wu is going to keep fighting. Maybe she'll defeat all five members of your team."

Jun Linyuan glanced at Gongsun Mu, pleased by what he said.

However, Gongshu Hongzhu laughed. "That's the funniest thing I've ever heard!"

!!

The crown prince's face darkened.

Feng Wu was standing casually on the stage when another Military Team member showed up.

“His Royal Highness, this is Lu Qinghe. He’s the third best student in the Military Academy.” Gongshu Hongzhu tried to introduce his student.

This was a great opportunity to let the crown prince know their faces.

Jun Linyuan said grimly, “Alright.”

Gongshu Hongzhu said, “His Royal Highness, Lu Qinghe is a slim boy, but he’s known for his great strength. Just wait and see. Feng Wu won’t withstand one punch from him!”

The crown prince’s expression was livid.

Gongshu Hongzhu wanted to say more good things about Lu Qinghe, but he felt the temperature drop, and the crown prince’s eyes glinted coldly.

He cringed and stopped talking.

He thought Lu Qinghe had offended the crown prince before, and he cursed the boy in his head.

Feng Wu and Lu Qinghe faced each other on stage.

Lu Qinghe looked Feng Wu up and down.

She was very beautiful from afar. Up close, she was stunning.

Lu Qinghe was infatuated for a moment.

Feng Wu didn’t like the look in his eyes, and she frowned. “Shall we begin?”

Lu Qinghe said arrogantly, “You should give in.”

Feng Wu didn’t know what to say.

She found Lu Qinghe’s request idiotic. “What did you say?”

Lu Qinghe said, “What are you waiting for? Surrender.”

Feng Wu didn’t know what to say.

Was this man dumb?

1

Lv Haobei told Sheng Changtian, “I didn’t know Lu Qinghe had this gentle side. He knows Feng Wu can’t defeat him, so he asked her to give in to avoid possible injury. He’s usually a very upright man. He never shows girls such courtesy.”

Sheng Changtian chuckled. “She’s pretty. That’s understandable.”

They didn’t keep their voices down, and all the cultivators heard them.

So did Feng Wu.

If she could, she would curse them with all the swear words she knew.

Many people thought Feng Wu should surrender now because she had defeated two people already. Even if she gave in, she would still earn much respect.

Even the Imperial College students felt that way.

Sun Yu also thought Feng Wu should stop while she could.

Chapter 2873: So Proud

Both Gongshu Hongzhu and Chu Yun said that if Feng Wu didn't give in now, she would be humiliated when Lu Qinghe kicked her off the stage.

Feng Wu smiled at Lu Qinghe. "Is that what you think will happen?"

Lu Qinghe said, "I'm already being very generous."

Feng Wu said, "There's something else you can do."

Lu Qinghe asked, "What's that?"

!!

Feng Wu punched him in the stomach. "Get out of my sight!"

3

Everybody was astonished!

Because!

Lu Qinghe was the team member they were so proud of, and the one they didn't think could possibly lose.

He had even told Feng Wu to give up.

After Feng Wu hit him, he flew backward like a broken kite.

It almost looked like something in a slow-motion video.

Everybody's mouths fell open when they saw Lu Qinghe fly off the stage.

The Military Team, Dynasty Team, and the students of both schools were astonished.

They had been shocked when Xun Jinyuan lost; now, they didn't know what to say.

All eyes were on Lu Qinghe.

They saw Lu Qinghe fly off the stage and over the audience toward the wall at the back.

Thump!

They only realized what had happened when Lu Qinghe smashed into the wall.

It really happened!

The battle was over!

Gongshu Hongzhu almost jumped to his feet.

Jun Linyuan casually said, "Did you say he's the third best student in your school?"

Gongshu Hongzhu didn't know what to say.

He froze on the spot and didn't know if he should cry or not.

"He... He's not..."

He was too astonished to respond to the crown prince's sarcasm.

Only then did the students realize what had happened.

"OMG!"

"Feng Wu!"

"Am I seeing things? Did that really happen?"

"Lu Qinghe was defeated without making a move!"

Students of the Military Academy wanted to cry.

They had thought that Feng Wu would defeat Xun Jinyuan at most, and Lu Qinghe would win the battle without breaking a sweat.

They didn't know how to react now.

It was as if Feng Wu had punched them in the face, too.

In contrast to their reactions, the screams of the Imperial College students went through the roof.

"Roar —"

They howled like wolves.

They were so excited!

It was so inspiring!

Unlike when she fought Xun Jinyuan, Feng Wu defeated Lu Qinghe with one punch!

"Bravo!"

"Feng Wu is the best!"

"Feng Wu is invincible!"

"Feng Wu..."

...

All the cheering wasn't enough to express their excitement. They itched to run onto the stage and toss Feng Wu up and down in the air.

Chapter 2874: Archenemy

Gongsun Mu was so proud! Feng Wu did a great job!

Recalling how the Military Academy had humiliated them the year before, he smiled even more widely.

However, he feigned a modest tone. "That's nothing, really. Xiao Wu's punch came a little too fast, and your third-best student was half a second too late. If he had reacted a little faster, Xiao Wu wouldn't have defeated him so easily. Right?"

Gongshu Hongzhu threw a dirty look at Gongsun Mu. That man was obviously showing off how fast and clever Feng Wu was!

Gongsun Mu cleared his throat. "Well, you still have more players. There's no need to get upset."

!!

Chu Yun glared at him. "Gongsun Mu, you're very talkative today! You're so happy, aren't you?!"

Gongsun Mu used to be terrified of Chu Yun when they were married, but this time, he grinned. "Well, I'm in a great mood today."

Chu Yun ground her teeth. Gongsun Mu had changed! He wasn't as obedient as before! Had he stopped loving her?

4

At that moment, someone jumped out of his seat and ran out of the arena.

It was none other than Qiu Zeyu.

No one knew how complicated his feelings were.

He hated his former teammates, especially Chen Ziyun. However, he also burned with jealousy when he saw how all the team members had made progress because of Feng Wu.

He had thought he would get his revenge when the competition started. He wanted Imperial College to lose. He wanted to see Feng Wu die.

Reality slapped him in the face over and over again.

He watched as Feng Wu defeated Tang Mingjiang, Xun Jinyuan and Lu Qinghe.

Qiu Zeyu couldn't sit still anymore.

He needed to see Zuo Qingluan.

He knew Zuo Qingluan and Feng Wu were archenemies, and he believed that Zuo Qingluan had to know a way to handle Feng Wu.

He ran as fast as he could.

Finally, he found Zuo Qingluan in her garden.

“Miss Zuo! Miss Zuo!”

Qiu Zeyu was panting from all the running.

Zuo Qingluan frowned. She was cultivating, and no one was allowed to disturb her.

She was going to throw Qiu Zeyu out, when he shouted, “Feng Wu is going to win!”

What?

Zuo Qingluan’s face darkened.

She knew the competition was taking place, but she didn’t have any interest in watching it.

She was a vice-chief of the academy and was too important to attend such a competition.

Moreover, Gongsun Mu hadn’t invited her, so she simply ignored the event.

“What did you say?” Zuo Qingluan opened the door with a wave of her sleeve.

Qiu Zeyu rushed in and shouted, “Miss Zuo, I have bad news! Feng Wu has defeated Tang Mingjiang, Xun Jinyuan, and Lu Qinghe! She’s getting all the attention!”

He knew how Zuo Qingluan would react since she was someone who got jealous over the smallest thing.

Chapter 2875: Feng Wu Is Prettier

As Feng Wu’s archenemy, of course Zuo Qingluan couldn’t live with that.

It was incredible!

Zuo Qingluan didn’t plan to intervene, but when she heard Feng Wu’s name, she became very displeased.

She stared at Qiu Zeyu. “Keep talking.”

Qiu Zeyu said, “Feng Wu has defeated Tang Mingjiang, Xun Jinyuan and Lu Qinghe!”

!!

Zuo Qingluan rolled her eyes at him.

She knew the level of all three students and had some idea of Feng Wu’s level because she had fought her before. It didn’t surprise her that Feng Wu had defeated the three boys.

“Is that it?” Zuo Qingluan asked indifferently.

She didn’t watch the competition because she didn’t want to see Feng Wu win.

Qiu Zeyu was taken aback.

Was that news not enough to persuade Miss Zuo?

Fine!

Qiu Zeyu played his last card. "His Royal Highness is here, too!"

Zuo Qingluan paled.

"His Royal Highness? Are you sure?" Her face went livid.

She didn't want to see Feng Wu win, but what if Jun Linyuan saw it? He already was... No! He didn't like Feng Wu at all! Feng Wu just wouldn't leave His Royal Highness alone!

What if His Royal Highness really fell in love with Feng Wu after seeing her fight? Zuo Qingluan had a bad feeling.

No!

She sprang to her feet, her face dark.

"When did His Royal Highness come?" she asked hurriedly.

Qiu Zeyu knew he had caught Zuo Qingluan's attention.

"His Royal Highness has been there since Feng Wu's first battle. His eyes lit up every time Feng Wu won!"

Zuo Qingluan didn't know what to say.

Qiu Zeyu glanced at her and added, "What if she can defeat Lv Haobei and Sheng Changtian?"

"Feng Wu bragged that she would defeat all five players of the Military Academy. If that really happens, she'll be so popular among the students!

"Moreover, His Royal Highness is watching, too. He's your fiance now, but what if he falls in love with Feng Wu?"

1

Qiu Zeyu tried to prod Zuo Qiangluan into action.

"I'm sorry to say this, but Feng Wu is prettier."

"Shut up!"

Zuo Qingluan waved her hand, and Qiu Zeyu smashed into the wall. He fell to the ground and spat out a mouthful of blood.

Zuo Qingluan glared at Qiu Zeyu as if she was going to kill him.

The intimidating power made Qiu Zeyu's heart beat fast, and he didn't dare say a word.

Zuo Qingluan took out a dagger.

The blade glinted in the sunlight.

Qiu Zeyu paled.

He was terrified.

Was Zuo Qingluan going to kill him?

He had only been telling the truth. Zuo Qingluan wasn't as pretty as Feng Wu.

No, he shouldn't have said that.

Was he going to die?

He was about to beg for mercy, when Zuo Qingluan made her move.

Instead of attacking Qiu Zeyu, she slid the blade across her palm.

Chapter 2876: You Must Lose

Qiu Zeyu stared at Zuo Qingluan in astonishment.

She...

What was she doing?

Zuo Qingluan filled a small porcelain vial with her blood.

The vial was only the size of her pinkie.

!!

The color of the blood could be seen through the walls of the vial. It was as if the vial was on fire.

It was such a strange scene that Qiu Zeyu felt uneasy.

"This is the True Phoenix Blood." Zuo Qingluan handed the vial to Qiu Zeyu. "It'll give the drinker a brief energy boost.

"Sheng Changtian knows how to use it.

"Give it to him. He'll know what to do when the time comes." Zuo Qingluan sounded both indifferent and confident.

Sheng Changtian knew how to use it. Had Zuo Qingluan always been in touch with Sheng Changtian? Did they have a deal?

Qiu Zeyu felt he had been brought in on a secret.

Zuo Qingluan glanced at Qiu Zeyu. "If a fourth person knows about this..."

Qiu Zeyu raised his hand. "I swear on my life, I won't tell anybody!"

Zuo Qingluan nodded and said proudly, "You know what will happen."

Qiu Zeyu's stomach fell.

He regretted his decision and wondered if he had done the right thing by coming to Zuo Qingluan. Somehow, he felt he had gotten himself into trouble.

He was going to leave, when Zuo Qingluan's voice rang out behind him.

"Stop!"

Qiu Zeyu froze.

Zuo Qingluan didn't say anything at first, as if she was weighing something in her mind. Finally, she made up her mind.

She took a phoenix-shaped jade pendant out of her pocket and gave it to Qiu Zeyu.

Qiu Zeyu was perplexed.

Zuo Qingluan said, "Tell Sheng Changtian that he owes me a big favor!"

Was this pendant so powerful? Qiu Zeyu looked at it in bewilderment. It looked like an ordinary object. Why was it a big favor?

"Put a drop of True Phoenix Blood on the pendant, and it'll wake the thing inside," Zuo Qingluan explained.

Qiu Zeyu nodded and left right away.

He wanted to get back before the battle ended.

Zuo Qingluan smiled as she watched Qiu Zeyu leave.

"Jun Linyuan, you care about Feng Wu so much.

"In that case, you can watch her die!

"It won't feel so good unless you're there when it happens!"

Zuo Qingluan closed the door behind her and strolled toward the arena.

Meanwhile, Feng Wu and Lv Haobei were standing on the stage.

Lv Haobei had a stern look on his face.

"I didn't see this coming. I never thought you could defeat three people in a row."

Feng Wu nodded. "You're going to be even more surprised."

Lv Haobei grinned. "No, you will definitely lose this time."

Feng Wu said, "Is that so?"

Chapter 2877: What a Shame

Lv Haobei said, "I became a Spiritual King last year. I don't think you've been a Spiritual King for that long."

Feng Wu said, "Less than three days."

Lv Haobei said, "Have you learned the skills yet?"

Feng Wu said, "No."

Lv Haobei said, "Have you stabilized your cultivation level yet?"

!!

Feng Wu said, "No."

Lv Haobei said, "How are you going to win against me, then?"

Feng Wu said, "Are you here to talk or to fight?"

The audience laughed.

"Feng Wu seems impatient."

"She must be. I would be impatient, too, if Lv Haobei keeps on nagging."

"Shut up! He's a Spiritual King!"

"That's right. How strange! I used to think Spiritual Kings are so powerful, but after Feng Wu defeated three Spiritual Kings from the Military Academy, I don't respect them as much as before."

"Didn't they say the Military Academy was going to win? I think Imperial College has a better chance of winning now."

The audience didn't try to keep their voices down.

Lv Haobei heard them.

He used to be treated like a genius, and his face turned scarlet red when he heard those words.

He stared at Feng Wu with eyes filled with hatred.

Feng Wu shrugged. "I'm not laughing at you."

Lv Haobei was furious. She wasn't laughing, but her indifference was worse.

"Feng Wu, I was going to show you some mercy, but if you have a death wish, I'll give you what you want!" Lv Haobei then made his move.

He was good at swordplay.

His sword was called Thunder, and he had mastered the sword energy.

The sky was filled with rampant lightning.

Lv Haobei pointed the sword at Feng Wu.

“The thunder element!” Ye Han put a hand to her chest. “It’s the most useful element in battle and the hardest to master. Is Feng Wu going to be alright?”

Although Feng Wu had won three battles in a row, the others all attributed it to luck.

They didn’t think Feng Wu could defeat Lv Haobei.

The Dynasty Team had lost miserably to Lv Haobei’s Thunder the year before. It was so humiliating.

The memory was still fresh.

They would never forget it!

“Feng Wu, watch out!”

Seeing the lightning rush toward Feng Wu, the students were so nervous that they held their breaths.

Some even shouted, “Feng Wu, you’ve already done a great job! Just give up! You’re not Lv Haobei’s match!”

1

Many Imperial College students chimed in.

They weren’t shooting Feng Wu down, but were worried about her.

Chu Yun rubbed her chin and nodded. “I knew it. Feng Wu will lose as soon as Lv Haobei attacks. She’s so much weaker than Lv Haobei.”

Jun Linyuan smirked inwardly.

Chu Yun went on, having no idea what the crown prince was thinking. “Three strikes. Feng Wu will be defeated within three strikes, and Lv Haobei will leave some marks on her.”

Gongshu Hongzhu said, “Feng Wu should consider herself lucky if she can come out of this alive. What a shame. Her pretty face is going to be destroyed by Thunder.”

1

He glanced at Jun Linyuan as he spoke.

Chapter 2878: Why?!

“Your Royal Highness, don’t you agree with me?”

Jun Linyuan looked at Gongshu Hongzhu as if he was looking at a dead man.

The energy in his dark eyes was as lethal as the sharpest blade.

Gongshu Hongzhu didn’t know what to say.

He rubbed his neck, feeling uneasy.

!!

When he looked at the crown prince, he thought that he saw a smirk on his face.

An idea suddenly struck Gongshu Hongzhu.

Was His Royal Highness in love with Feng Wu?

No...

No!

Gongshu Hongzhu then recalled the rumor he had heard before. His Royal Highness was supposed to be madly in love with Zuo Qingluan, the sacred lady of the Firmament Palace. Feng Wu was just a nobody.

He calmed down and wiped off the cold sweat on his forehead.

When he looked at the battle again, he thought he was going to have a heart attack.

Because!

Lv Haobei was losing!

Feng Wu was attacking!

When Gongshu Hongzhu looked up, Feng Wu just happened to strike out.

“Star and Moon!

“Thunder and Soul!

“Die!”

The thunder element?

What Feng Wu used was the real thunder element.

The Fallen Star Sword struck Lv Haobei while everybody watched.

Shit!

Sheng Changtian had been sitting idly in his seat, but he sprang to his feet when he saw this.

He wasn't the only one who had that reaction.

Even Chu Yun jumped to her feet.

Her face went very pale.

Because they were more capable, they knew the result earlier than the others.

The audience were all looking nervously at the Fallen Star Sword.

They wondered if it would hit Lv Haobei.

Lv Haobei looked astonished.

He then panicked.

Yes, he did.

The sword energy was terrifying.

Where did Feng Wu learn her skills? Why were there streaks of lightning around her sword?

The rumbling sound suffocated Lv Haobei.

He couldn't believe it!

Feng Wu had been using the fire element before this.

If Lv Haobei were to lose, he had expected to be defeated by fire.

However, Feng Wu suddenly switched to the thunder element, and was even stronger than Lv Haobei.

Run!

That was his first reaction.

However, the lightning had formed a web in the air.

The crackling noise filled the air.

Lv Haobei looked up and was terrified.

That was a scary lightning web!

The web grew bigger, but it wasn't coming down.

Lv Haobei looked at Feng Wu.

Amidst the lightning flashes, she looked very fair.

Her dress flapped in the air.

She closed her eyes and pointed her sword at the sky.

The energy surged and was injected into the lightning web. Even the sky shook.

So did the air and the ground.

Lv Haobei was no longer panicking, only because he was terrified.

It felt like a sword was hanging above his head, and he didn't know when it would fall.

"How is that even possible?!"

Chu Yun smacked the table, her lips trembling. "Why? Why can she do that?! She..."

Chapter 2879: Gongsun Mu, You're Dead

Chu Yun smacked the table, her lips trembling. "Why? Why can she do that?! She..."

Why could she do that?

How could she force Lv Haobei's hand? That was Lv Haobei!

One of the best students of the Military Academy!

He was the second-best student in the academy.

!!

"No, Lv Haobei must have more cards up his sleeve. He can turn things around! I'm sure of it!" Chu Yun tried to cheer herself up.

Gongshu Hongzhu also nodded. "Don't worry. This is only temporary. Lv Haobei won't lose! How can he lose to such a girl?"

"Such a girl? What girl?" The crown prince had kept silent until now.

He spoke in an indifferent tone, as if he didn't care about anything they were talking about.

Indifferent?

Behind the crown prince, Feng rolled his eyes.

Gongshu Hongzhu said, "Your Royal Highness, I remember who the girl is!

"She's Feng Wu, the girl who destroyed her own cultivation because she was too greedy!

"I don't know what happened, but she's cultivating again. It doesn't matter because her character won't take her very far.

"Even if she begs us to become a student of the Military Academy, we won't take her. Right?"

Feng rolled his eyes again.

This Gongshu Hongzhu had no idea how much danger he was in.

The crown prince stared at Gongshu Hongzhu and smiled coldly.

Gongshu Hongzhu was confused. Somehow, he felt the crown prince didn't like him very much.

He had been trying so hard to please the crown prince. What should he do now?

He was still trying to figure out his next move, when a loud thump made him jump.

He looked in the direction of the noise.

Holy crap!

A streak of lightning struck right down at Lv Haobei.

"This can't be happening!" Gongshu Hongzhu smacked the table. "It's not that fast! Why couldn't Lv Haobei get away?"

Gongsun Mu offered a kind reminder. "Our Xiao Wu used Ground Control so that Lv Haobei can't move. He can only watch the lightning fall on him."

Ground Control?

Gongshu Hongzhu's stomach lurched. "Isn't that a lost skill? Why does she know it? Doesn't Ground Control use the earth element? Isn't she fire and thunder? How..."

Gongsun Mu couldn't hide the satisfaction in his voice. "The earth element is nothing. If our Xiao Wu wants to, she can master all the elements!"

Gongshu Hongzhu didn't believe a word of it.

Just then, the crown prince glanced at Gongsun Mu. "Your Xiao Wu?"

Gongsun Mu burst out in a cold sweat.

He had been careless!

He was over the moon after seeing Feng Wu win four times in a row, and he had forgotten a certain thing.

He immediately said, "No, yours."

Feng gave Gongsun Mu the thumbs up for his fast reaction.

Gongshu Hongzhu, who had no idea what was going on, smirked. "Gongsun Mu, you're dead!"

Chapter 2880: Is Feng Wu His Royal Highness's Fiancee?

Gongshu Hongzhu was so loud that everybody nearby looked at him instead of Feng Wu.

"I'm dead?"

Gongsun Mu looked at Gongshu Hongzhu in bewilderment.

Gongshu Hongzhu said, "What did you say? You said Feng Wu is His Royal Highness's? Gongsun Mu, you've just committed a capital crime!"

Gongsun Mu said, "What did I do?"

!!

Gongshu Hongzhu said righteously, "Don't you know that her engagement to His Royal Highness was annulled?"

Gongsun Mu said, "I do, but..."

Gongshu Hongzhu cut him off. "Do you know what that means? It means His Royal Highness doesn't like Feng Wu! No, he detests her!"

The crown prince was furious!

Gongshu Hongzhu said, "Moreover, have you thought about the other young lady? She's going to be the crown prince's future wife!"

The crown prince himself had no idea what he was talking about.

Gongshu Hongzhu said arrogantly, "You just said Feng Wu belongs to His Royal Highness. You should kneel and apologize!"

Gongsun Mu was speechless.

Gongshu Hongzhu said, "His Royal Highness hasn't killed you because he's noble and lenient, but I can't let this go!"

Jun Linyuan was astonished!

There was no expression on his face, but he felt like an erupting volcano inside.

Feng wanted to give Gongshu Hongzhu the thumbs up.

That sycophant was surprisingly unyielding now.

Normally, Feng would have intervened and kicked Gongshu Hongzhu out, but he didn't do so.

He pretended he hadn't heard anything.

He wanted to see if the proud crown prince would finally admit that Feng Wu was his fiancée.

Feng couldn't see Jun Linyuan's face from his angle, so he quietly moved around until he could see Jun Linyuan's profile.

Meanwhile, Jun Linyuan gave Feng a stern look.

Feng was speechless.

He thought, "Your Royal Highness, why is it so hard for you to openly admit who the girl is to you?"

Jun Linyuan's earlobes turned pink, and his lips parted.

Feng was thrilled.

Yes!

Finally, he was going to say something!

Do it!

Feng could hardly control his excitement when he heard footsteps.

He ignored them and kept his gaze on the crown prince. It would be such a shame to let this opportunity go to waste.

Nobody as dumb as Gongshu Hongzhu would appear again!

The footsteps moved closer and closer.

“Miss Qingluan is here!”

“Is she here to watch the competition?”

“I heard she’s the real fiancée of His Royal Highness!”

“She’s going to humiliate Feng Wu! I’m so nervous!”

Gongshu Hongzhu looked up to find Zuo Qingluan strutting toward them.

“Miss Zuo! Sacred lady Qingluan!” He waved at Zuo Qingluan in excitement.

Zuo Qingluan couldn’t take her eyes off Jun Linyuan, and moved toward him without knowing it.

Gongshu Hongzhu asked the question everybody wanted to ask.

“Miss Qingluan, is Feng Wu His Royal Highness’s fiancée?”
