Chapter 2891: What Was There to Say?

Zuo Qingluan hated Feng Wu to the core.

She closed her eyes and told herself that with what she had given Sheng Changtian, he would win.

He would kill Feng Wu in front of Jun Linyuan.

Meanwhile, Feng Wu opened her eyes.

Her eyes were so black that they looked like bottomless pits.

!!

When Sheng Changtian met her gaze, he felt panic-stricken.

No! Don't panic!

When two capable fighters met, the first who panicked would lose.

Sheng Changtian forced himself to calm down and have some faith.

Feng Wu smiled a little. "Let's begin."

Sheng Changtian said, "Let's!"

They charged at each other immediately after that.

In an instance, they exchanged hundreds of blows.

Sheng Changtian's twisted face looked terrifying.

He was giving it all he had.

In contrast, Feng Wu was quite at ease.

This time, Feng Wu had the upper hand.

"How is this possible? This isn't happening!"

Sheng Changtian tried to calm down, but it was an impossible task. His opponent was insanely talented.

Thump!

Their palms met, and they brushed past each other in the air.

Feng Wu landed steadily on her feet with a smile on her face.

Sheng Changtian flew backward until he fell to the ground with a loud thump.

It was such a loud noise.

The ground beneath him cracked.

Unable to stop himself, Sheng Changtian kept skidding backward.

He was about to fall off the stage.

The Military Academy students were torn by anxiety.

“No!!!”

“Sheng Changtian, hold on! You can’t fall!”

“You’re the last player we have! If you lose, we’re done for!”

...

They shouted at the top of their lungs.

They couldn’t sit still.

Everybody jumped to their feet, and their eyes were bloodshot.

They knew how they had humiliated Imperial College the year before. If they lost, the same thing would happen to them.

The idea was unbearable.

The moment before Sheng Changtian fell off, he finally grabbed the edge of the stage.

He raised his head and looked at Feng Wu in the distance.

He couldn’t hide the fear in his eyes.

What on earth was going on?

“God Mu, are you protecting Feng Wu?”

Meanwhile, the Imperial College students all had strange looks on their faces.

They didn’t know what to say.

“Feng Wu has...”

“And...”

“I didn’t know she was so awesome...”

Sun Yu and the other team members realized how little faith they had in Feng Wu; they had been so sure that she would lose. How they wished the ground would crack open under their feet and swallow them up!

It was so embarrassing!

They were mortified!

However, they didn’t mind being humiliated in this way.

“Was she hiding her true strength before?” Chu Qu asked weakly.

He remembered how he was the one who had greeted Feng Wu when she joined the team.

Back then, she had appeared to be on Qiu Zeyu's level.

Chen Ziyun shook his head. "No, she wasn't. She's just making daily progress which you can see with your own eyes. She's different from the person that she was yesterday."

What else could the others say?

Chapter 2892: True Phoenix Blood (1)

"I don't get it! How can Feng Wu make a breakthrough at will?!" Chu Yun ground her teeth.

Jun Linyuan actually knew the answer.

Back then, when he tried to protect Feng Wu from the Magic Soul Vine, he had switched souls with her to refine the vine for her. Feng Wu then rose a whole stage.

Not one level, but one stage.

Feng Wu had made breakthroughs at this unbelievable speed since then.

!!

Of course, the proud crown prince wouldn't tell anyone else that.

Zuo Qingluan smiled coldly.

Feng Wu, do you really think you're going to win?

Have you forgotten about my Shadow Phoenix?

All eyes were on Sheng Changtian and Feng Wu.

They wanted to know if Sheng Changtian had more cards up his sleeve.

Cards?

Sheng Changtian wiped away the blood at the corner of his mouth and lowered his eyes to hide his smirk.

When he looked up again, he poured the small bottle of True Phoenix Blood down his throat.

"Do you think you'll win? No, Feng Wu, the game has only just begun!" Sheng Changtian smeared some blood on his cheeks.

It gave him an even more eerie look.

Formidable energy rose out of his body.

The audience wasn't capable enough to feel it.

However, Feng Wu immediately noticed it.

True Phoenix Blood?

She had been born with it, so she was familiar with that energy.

She smirked when she looked from Sheng Changtian to Zuo Qingluan in the audience.

“Sheng Changtian, do you think drinking True Phoenix Blood will help you win this competition? You’re so naive!”

True Phoenix Blood?!

Everybody was watching them.

They were all very focused.

Therefore, they almost jumped when they heard the name “True Phoenix Blood.”

Zuo Qingluan’s eyes widened.

Sh*t!

Feng Wu recognized it!

What kind of nose did she have?

Sheng Changtian had only taken one sip of True Phoenix Blood, and Feng Wu had picked up the smell!

To make matters worse for Zuo Qingluan, Feng Wu made it known to everybody!

Zuo Qingluan thought, Everybody will think I’m helping Sheng Changtian!

They will all see me as a traitor!

Zuo Qingluan’s expression remained calm, but one could see the anxiety in her eyes.

Sheng Changtian, you better keep your mouth shut!

All eyes were on Sheng Changtian.

“Is it really True Phoenix Blood?”

“I heard that two people in the imperial capital have True Phoenix Blood.”

“No, it used to be two people, Feng Wu and Zuo Qingluan. However, Feng Wu’s True Phoenix Blood was destroyed, and only Zuo Qingluan has it now.”

“Where did Sheng Changtian get his?”

“Did Zuo Qingluan give it to him?”

“No, I don’t believe it!”

“How else could he have gotten it? Did the Military Academy get it by force?”

...

The audience was intimidated by Zuo Qingluan's superior status and didn't dare raise their voices. They discussed the matter under their breaths and glanced at Zuo Qingluan from time to time. On any other day, they wouldn't have cared less whom Zuo Qingluan gave the True Phoenix Blood to. But today was a special day!

Chapter 2893: True Phoenix Blood (2)

This was a competition, and if Zuo Qingluan gave the True Phoenix Blood to their opponent, she would be a traitor!

The students' opinion of Zuo Qingluan changed.

Qiu Zeyu knew where the True Phoenix Blood had come from, so when he detected tension in the audience, he lowered his head and tried not to be noticed.

Meanwhile, Zuo Qingluan was glaring at Sheng Changtian.

If Sheng Changtian dared tell the truth, she would kill him!

!!

Sheng Changtian could sense the tension in the crowd and was satisfied to see what was happening to the future wife of the crown prince.

He now had something on the lady.

Does that mean I can get what I want through Zuo Qingluan in the future?

Sheng Changtian was excited by the thought.

Feng Wu didn't miss the changing expressions on his face.

She rolled her eyes at him. "I'm asking you: Where did you get the True Phoenix Blood?"

Sheng Changtian smirked. "What True Phoenix Blood? I don't know what you're talking about."

Feng Wu said, "Didn't you just drink it?"

Sheng Changtian laughed. "True Phoenix Blood? Who told you I drank that? What's the matter with you?"

"I see!" Sheng Changtian snorted. "You're jealous of the person who owns the True Phoenix Blood. You're jealous of her talent, beauty, and the person she's engaged to!"

"That's why you're saying I drank the True Phoenix Blood. You want to ruin her reputation!"

"For someone as pretty as you, you have such an evil mind!"

What?

Huh?

Everybody was listening.

Zuo Qingluan was the only one who had the True Phoenix Blood now.

Was Feng Wu jealous of her?

That seemed to make sense!

Many people believed what Sheng Changtian said.

Only a few people, like Duan Chao, Feng Xun and Chen Ziyun, knew the truth.

Most people had no idea what happened, so they started giving Feng Wu judgmental looks.

Zuo Qingluan forced herself not to burst out laughing.

Sheng Changtian was an excellent partner, and she was very pleased with what he said.

Feng Wu, I bet you didn't see this coming! I'd like to see you talk yourself out of this!

Zuo Qingluan thought Feng Wu would become flustered, but she was wrong.

Feng Wu still had that calm smile on her face.

"Not the True Phoenix Blood, you say?"

"And you didn't get it from Zuo Qingluan?"

"I'll start collecting evidence, then!"

Feng Wu charged at Sheng Changtian before he had time to react.

As a Level 1 Spiritual King, she had already been a formidable fighter.

Having risen to Level 2, she was even more capable now.

By the time Sheng Changtian realized what Feng Wu was doing, he had already been lifted off the ground.

Feng Wu picked him up like he was a chicken.

Sheng Changtian was completely baffled.

Before he could figure out how to react, Feng Wu started collecting evidence.

Chapter 2894: True Phoenix Blood (3)

She held Sheng Changtian in one hand while her other hand clenched into a fist.

She then punched him in the stomach.

Her strength was too formidable for words to describe.

Boom!

Her fist landed in Sheng Changtian's stomach.

!!

Time seemed to freeze.

Everybody gave Sheng Changtian sympathetic looks.

Sheng Changtian immediately knew what it felt like to be punched by Feng Wu.

He thought she had punctured his stomach.

He instantly spat out a mouthful of blood.

Zuo Qingluan almost jumped to her feet.

The blood he spat out was her True Phoenix Blood!

Feng Wu's friends were equally shocked.

They heard Feng Wu say she was going to find the evidence, but they never expected her to use such an approach.

That was very efficient.

Sheng Changtian was too shocked to utter a word.

Was Feng Wu even human?

They had become Level 2 Spiritual Kings around the same time.

He expected them to have similar levels of power.

How could she crush him so easily?

"Are you really a Level 2 Spiritual King?" Sheng Changtian gritted his teeth. "Are you sure you're not a Level 3 Spiritual King?"

Feng Wu glanced at him. "Didn't your work partner tell you? I'm invincible when fighting against people of the same level."

"She didn't! She only said..." Sheng Changtian almost mentioned Zuo Qingluan's name.

He realized his carelessness and stopped talking before he made another mistake.

Feng Wu shook her head.

She didn't feel sorry for him for long because she had hard evidence now.

She turned to Gongsun Mu. "I'm asking for a time-out! Please examine this blood!"

Sheng Changtian was anxious.

If that happened...

He glanced at Zuo Qingluan.

Zuo Qingluan wanted to eat him alive.

Crossing her arms, Feng Wu looked from Sheng Changtian to Zuo Qingluan with a smile on her face. She had seen through these two people.

Seeing the threatening look in Zuo Qingluan's eyes, Sheng Changtian immediately objected.

"I object!"

He glared at Feng Wu. "We're still in a competition. A time-out will disrupt my rhythm. I'll hold you responsible if I lose!"

"Oh, shut up!"

"Shhh —"

The audience booed and hooted.

Sheng Changtian's face darkened.

A moment ago, they had still respected and feared him, but now, his image had been destroyed.

Gongsun Mu wanted to grant Feng Wu's request, but Chu Yun objected.

"This is a competition. Don't make it so complicated!" Chu Yun snorted. "Sheng Changtian is right. If his rhythm is disrupted, who's going to take responsibility?"

Gongsun Mu said, "That's not the case. Sheng Changtian drank True Phoenix Blood."

Chu Yun smirked. "True Phoenix Blood? Who can tell if it's true? Are you taking Feng Wu's word for it?"

Gongsun Mu frowned. "I'm not, and Feng Wu asked for the blood to be examined because she also needs the physical evidence!"

Of course, Chu Yun knew examining the evidence was the right thing to do, but she wouldn't let that happen.

Gongsun Mu was furious. "You're an impossible woman!"

Chu Yun said, "What did you just say?!"

Chapter 2895: True Phoenix Blood (4)

Seeing that an argument was about to break out, Elder Wu frowned. "Silence! Both of you!"

Gongshu Hongzhu smirked. "There's no need to argue. His Royal Highness is right here, and he'll tell us if we should pause the game and examine the evidence!"

He then turned to Jun Linyuan and said attentively, "Your Royal Highness, what do you think?"

Deep down, Gongshu Hongzhu was very pleased.

Why?

!!

Jun Linyuan was the Military Academy's honorary president, so it was only natural that he would take the Military Academy's side.

Moreover, Zuo Qingluan was said to be his fiancée. He would protect her and choose not to examine the evidence.

The Imperial College would never get what it wanted!

Gongshu Hongzhu glanced at Chu Yun.

Chu Yun realized the connection as well.

Yes! Zuo Qingluan wasn't someone Feng Wu could slander!

At that thought, she gave Gongsun Mu an arrogant look, pleased with having chosen the right side.

All eyes were on Jun Linyuan.

Jun Linyuan didn't say anything.

He was annoyed.

How blind was Gongshu Hongzhu? He actually thought the crown prince would help Zuo Qingyun!

"Your Royal Highness?" Gongshu Hongzhu fought back his smile and reminded the crown prince in a low voice.

The crown prince said, "Get to the bottom of it!"

What?

That command was so unexpected that Gongshu Hongzhu almost banged his forehead on the table.

He stared at Jun Linyuan in disbelief.

Many other people did the same.

In the end, somebody said, "His Royal Highness is so unbiased, even when his beloved fiancée is involved."

The others agreed with him.

Yes! He was such a just ruler!

One couldn't wish more for a future emperor!

"Good!"

"Do it!"

"Find out the truth!"

“Such a wise decision!”

Everybody applauded and cheered, feeling proud to have such a crown prince.

Feng Xun and Chaoge looked at each other.

Chaoge said, “Why are they so surprised? Of course His Royal Highness will support Xiao Wu.”

Ye Han rested her hands on her waist and glared at Chaoge. “How can you say that? His Royal Highness isn’t a superficial person!”

Chaoge was speechless.

Of course he was!

He hid outside Xiao Wu’s window in the middle of the night!

Meanwhile, Gongsun Mu already got to work. He smiled at Chu Yun. “Would you like to join me, in case you decide Imperial College has cheated when the result comes out?”

Chu Yun smirked. “Of course not. I don’t want to get my hands dirty!”

Either way, she would insist that the evidence wasn’t to be trusted.

Just then, they heard a trustworthy voice behind them.

“Your Royal Highness, may I join them?”

It was none other than Feng himself.

Chu Yun stared at Feng in disbelief.

Feng was such a proud man, and he never took orders from anyone but the crown prince. However, he had just offered to help.

Why was he so nice to Feng Wu? He wasn’t her steward!

Zuo Qingluan’s pupils contracted, and a chill ran down her spine.

She gave Feng a warning look.

1

Feng didn’t even glance at her.

Zuo Qingluan didn’t know what to say.

She was so angry,

Chapter 2896: Shadow Phoenix (1)

Since Feng had joined the team, Gongsun Mu could only work as his assistant.

With Feng here, the Military Academy wouldn’t dare make any false accusations.

If they refused to believe the evidence, the crown prince would teach them a lesson.

After Feng went off to examine the evidence, Feng Wu saw that Sheng Changtian's face had turned livid.

She grinned. "Shall we continue?"

!!

Sheng Changtian was listening to Zuo Qingluan's warning in his head.

Zuo Qingluan was panic-stricken.

She could find an excuse for the True Phoenix Blood and talk herself out of it. However, things wouldn't be so easy if Feng Wu recognized the Shadow Phoenix.

She then realized in frustration that she had used the Shadow Phoenix in the Secret Essence Mine before.

It had caused the collapse of the mine.

Elder Wu had also been there.

If Sheng Changtian activated it later, and people made the connection between the Shadow Phoenix and her True Phoenix Blood...

The thought almost gave her a heart attack.

Therefore, she gave Sheng Changtian a warning look.

Don't activate the Shadow Phoenix!

Don't use it!

Sheng Changtian knew what Zuo Qingluan was saying, but he wasn't going to take orders from her.

Zuo Qingluan didn't care if the Military Academy lost, but Sheng Changtian did.

Therefore, he grinned at Feng Wu. "Bring it on!"

Zuo Qingluan wished she could run up to the stage and throttle Sheng Changtian right now.

Damn it!

The battle resumed.

Terrifying energy filled the air.

Feng Wu didn't give Sheng Changtian any chance. She believed battles should be finished as soon as possible.

Thump! Thump! Thump!

They exchanged rapid blows in mid-air.

Feng Wu had the upper hand.

Sheng Changtian was struck several times in the chest and kept falling back until he was at the edge of the stage.

At that critical moment, he finally used the last card up his sleeve.

The phoenix jade pendant!

Zuo Qingluan lost her last bit of hope.

Would she sit around passively on her end?

Of course not!

She was going to shoot a concealed weapon toward the stage.

She wanted to kill Sheng Changtian with it and blame it on Feng Wu. After that, the Military Academy would aim all its rage at her.

Feng Wu would never be able to rid herself of that stain.

The best way to cover up something was to create something even louder.

Zuo Qingluan wanted to save herself by killing Sheng Changtian.

However!

She was too naive.

As soon as she flipped her hand, she felt a pair of eyes on her.

She looked in that direction and met Jun Linyuan's eyes.

They looked like bottomless pits.

She couldn't tell what he was thinking.

There was no warmth in those eyes.

The man was ruthless.

She felt as though a sharp blade had cut her in half.

Those eyes!

Zuo Qingluan panicked.

At that moment, Sheng Changtian finally turned to his last resort.

He dropped the last drop of True Phoenix Blood onto the pendant before grinning at Feng Wu.

Inside the pendant, a phoenix woke up.

The grumpy bird didn't like waking up.

Somebody had woken it up from a deep sleep, and it was annoyed.

Roar!

The phoenix rose from the pendant and hovered around Sheng Changtian's head.

Fire burned in its eyes.

It wasn't an ordinary fire.

That magical fire could burn a person to ash.

Chapter 2897: Shadow Phoenix (2)

Sheng Changtian was pleased.

Zuo Qingluan's face went ghastly pale.

If the crown prince looked into it, he would definitely find out she was behind this.

However, she also had a crazy thought.

What if Sheng Changtian was right, and he could kill Feng Wu today?

!!

If Feng Wu died, would the crown prince still come after her?

She would become the only owner of the True Phoenix Blood, and the royal family would definitely want her as a member.

Zuo Qingluan was both worried and filled with anticipation.

The only thing she wanted to see now was Sheng Changtian killing Feng Wu.

Everybody quieted down when the Shadow Phoenix appeared.

It was a terrifying being.

Its body was covered in dancing flames.

Each feather was a cluster of flames.

Flames came out of its eyes and its claws.

From afar, it was a big ball of fire.

Roarr!

The Shadow Phoenix bellowed.

It wanted to lash out in frustration.

No one would be in a good mood when they were woken up from a sound sleep.

The Shadow Phoenix spat out a ball of fire, which was aimed at the audience.

The speed was incredible, and so was the damage it could cause.

The audience could feel the incredible heat long before the fire reached them.

Whoosh!

Elder Wu immediately created a shield in front of the audience.

However, even that couldn't stop the fire. The shield was shattered in a matter of seconds.

In the end, it was Feng who saved the day.

"Phew —"

Everybody let out breaths of relief.

That had been so close.

Who would have thought that they would almost lose their lives by watching a game?

The people in the front rows had been so close to getting burnt, but those at the back didn't feel much better.

They had almost died as well.

No one made a sound.

That Shadow Phoenix was terrifying!

What kind of power did it have?

It could kill someone by breathing on them!

Everyone looked at Feng Wu.

If the Shadow Phoenix could kill everyone in the audience by breathing, what should Feng Wu do?

Sun Yu and the others lost all hope.

"That's so scary!" Chu Qu sucked in his breath.

Sun Yu patted his chest. "I'm still shaking..."

Chu Qu said, "This is an impossible battle!"

Sun Yu nodded. "The battles so far all happened between cultivators of similar levels. Although Xiao Wu is a little bit better, it was still within acceptable range.

"But this bird isn't in that range! Where did it come from?!"

The others all shook their heads.

Elder Wu turned pale.

He had seen it before!

It had been in the Secret Essence Mine!

That Shadow Phoenix had chased them!

“It was that bird!” Elder Wu bellowed! “The Military Academy destroyed the Secret Essence Mine!”

Gongshu Hongzhu was perplexed. “I don’t know what you’re talking about.”

Elder Wu was already sending out messages.

The Military Academy would pay for what they did!

Meanwhile, Sheng Changtian was looking at Feng Wu with a ferocious grin on his face.

Chapter 2898: Shadow Phoenix (3)

Sheng Changtian said, “Feng Wu, do you see how fierce I am now?”

Feng Wu only smirked.

Someone in the Dynasty Team shouted anxiously, “Feng Wu, just give up!”

It was Sun Yu.

Chu Qu said, “Yes, just give up! We can’t defeat that thing. Just surrender.”

!!

The other team members all said, “Yes, please do. You’ve already done an amazing job. No one will blame you, and no one will think you lost the battle.”

Chen Ziyun said earnestly, “Feng Wu, this isn’t your battle anymore. Just come back.”

It wasn’t Feng Wu’s fault. Their opponent had something so terrifying that it was beyond their imagination.

Even Elder Wu’s shield couldn’t stop the Shadow Phoenix. Feng Wu should come back before she lost her life.

Although the Imperial College students felt frustrated, they still asked Feng Wu to give up and to come back.

Feng Wu turned around to look at her teammates and fellow students from Imperial College.

They were all very lovely people.

However —

Not her battle?

Feng Wu didn’t believe that.

Her eyes met Zuo Qingluan’s, and Zuo Qingluan gloated.

Feng Wu suddenly smiled, too.

Her smile was as bright as the sun.

Zuo Qingluan's stomach lurched.

Why did it feel like Feng Wu still had more tricks to play?

No! That wasn't possible!

What more could she possibly know?

Zuo Qingluan involuntarily turned to Jun Linyuan and wondered how he would react.

It was incredible!

The crown prince rose to his feet.

Zuo Qingluan turned pale and began to panic.

Was His Royal Highness going to protect Feng Wu?

Did he have feelings for her? No! That couldn't be happening!

The crown prince was about to walk to Feng Wu, when she beamed at the Shadow Phoenix.

Why did she do that?

Sheng Changtian snorted. She wouldn't be smiling for much longer!

"Shadow Phoenix, kill Feng Wu!"

The Shadow Phoenix was furious.

How dare a human being order it around?!

Just then, Feng Wu smiled and waved at the Shadow Phoenix. "Shadow Phoenix, come to me."

Nobody understood what she was doing.

Even the crown prince paused and looked at her in bewilderment.

Feng was also surprised.

She shouldn't underestimate that bird.

Sheng Changtian laughed so hard that he was in tears.

"Do you think you own this Shadow Phoenix?"

"How dare you order it around like it's a pet?"

"Feng Wu, how stupid are you?!"

...

Feng Wu ignored Sheng Changtian and only smiled at the Shadow Phoenix. "Are you sure you don't want to come here and drink my blood?"

She took out a dagger and sliced it across her palm.

Blood oozed out.

The crown prince's pupils contracted.

If he didn't have great self-control, he would have torn the stage apart.

Sheng Changtian smirked. "Your blood? Do you really think your blood is more precious than the True Phoenix Blood?"

Everybody started talking.

"True Phoenix Blood?"

Chapter 2899: Shadow Phoenix (4)

"Is it really True Phoenix Blood?"

"So, Sheng Changtian got his hands on some True Phoenix Blood?"

1

Most people had been so focused on the Shadow Phoenix that they forgot about the True Phoenix Blood.

Feng Wu grinned at Sheng Changtian. "Are you sure there's no blood rarer than the True Phoenix Blood?"

Sheng Changtian said arrogantly, "Is there?"

!!

Everybody thought the same.

Was there?

Zuo Qingluan's stomach lurched.

She had a very bad feeling.

Had Feng Wu recovered her True Phoenix Blood?

No, that couldn't happen!

That wasn't possible!

She had personally destroyed Feng Wu's True Phoenix Blood.

Why did she feel so nervous?

She felt like a giant hand was gripping her heart; it was beating so fast, like it would jump out of her mouth.

“Yes, there is.” Feng Wu beamed at Sheng Changtian, looking as pretty as a picture.

Sheng Changtian didn’t believe her.

However, the Shadow Phoenix did.

It didn’t believe what Feng Wu said, but it trusted its nose.

The bird identified with Feng Wu’s blood, as if it belonged there.

That was something that had been branded in its name.

The Shadow Phoenix had tasted Feng Wu’s blood once, and could never forget that taste.

Hence...

It flew toward Feng Wu.

“Watch out!”

“Feng Wu, come back!”

“Feng Wu, run!”

The people who didn’t know what was happening shouted at Feng Wu, telling her to run.

Those who knew what was happening watched Feng Wu in amazement.

The Shadow Phoenix wasn’t big. It was about the size of an adult.

It hovered in the air in front of Feng Wu and stared at her with its cold eyes.

It didn’t trust Feng Wu completely.

Feng Wu hadn’t been the first person it saw when it woke up.

Someone had put a spell on the bird.

When it was activated by the True Phoenix Blood, it would pledge loyalty to the first person it saw.

It didn’t like that hypocritical girl, but it still fought for her.

The Shadow Phoenix stared grimly at Feng Wu, while Feng Wu smiled at it and waved her left hand.

There —

Fresh blood was dripping.

The smell was so alluring that the Shadow Phoenix couldn’t control itself anymore.

It tried to fight back the longing in its head.

The smell was so attractive!

The Shadow Phoenix couldn't hold on for much longer.

Zuo Qingluan was really panicking now.

"Back!" She glared at the Shadow Phoenix. "Go back to the pendant!"

Everybody looked at her.

Why did she jump out?

Feng Xun asked loudly, "Zuo Qingluan, why are you giving the Shadow Phoenix orders? Do you have something to do with it?"

Did she have something to do with it?

Of course she did!

Would she admit it here?

1

Definitely not!

Zuo Qingluan gritted her teeth and clenched her fists.

Why was everybody against her?

Why were they all on Feng Wu's side?

Zuo Qingluan wouldn't accept that!

However, given the circumstances, she could only sit back down.

The Shadow Phoenix felt conflicted.

Should it drink the blood?

It couldn't decide!

It suddenly had an idea.

Chapter 2900: Divine Phoenix Blood (1)

Why should I feel conflicted? That blood is obviously better! I'm not switching masters. Why should I overthink it?

No, I can't do that!

I've drunk this girl's blood before, which means I've already betrayed my master once. I can't drink it again!

The Shadow Phoenix turned its head away.

Zuo Qingluan was relieved.

!!

At the end of the day, the Shadow Phoenix still followed her orders.

“Why does that yummy smell keep floating my way?!” The Shadow Phoenix was frustrated.

Sheng Changtian also opened his palm.

He still had a little True Phoenix Blood that Zuo Qingluan had given to him.

He said, “Come here! I have some True Phoenix Blood!”

The audience watched with curiosity.

The competition had somehow become a game of wooing a pet, but no one cared about that. They only wanted to know how the Shadow Phoenix would choose.

Hearing what Sheng Changtian said, the Shadow Phoenix turned its head and rolled its eyes at him.

That was a look of disdain.

Disdain...

No one expected to see such a look.

That was the True Phoenix Blood!

“Is it me, or does the Shadow Phoenix actually look disgusted?” Ye Han asked Chaoge.

She hadn’t believed Chaoge before, but Chaoge had been right every single time. Ye Han still wouldn’t openly agree with Chaoge, but she couldn’t help but look to Chaoge for answers.

Chaoge said grumpily, “I thought you didn’t believe me. Why are you asking?”

Ye Han pouted. “It’s just a random question... Do you really think I’m asking for your opinion?”

Chaoge was speechless.

Ye Han asked curiously, “So, is Feng Wu’s blood more precious than Zuo Qingluan’s?”

Chaoge said, “Of course!”

Ye Han said, “I don’t believe you!”

Chaoge was speechless.

The rest of the audience was also excited and intrigued.

This proved that the blood which Sheng Changtian had was Zuo Qingluan’s True Phoenix Blood. How would the Shadow Phoenix choose?

This was so exciting!

At the center of attention, the Shadow Phoenix felt agitated.

Zuo Qingluan gave it a warning look.

The Shadow Phoenix was angry at both Zuo Qingluan and itself.

Why is my master so weak?

Her blood used to be acceptable, but why do I feel so attracted to better blood?

Is this an immoral thing to do?

I don't know what to do! This is so hard!

The next second, the conflicted Shadow Phoenix licked the blood on Feng Wu's palm.

All eyes were on the Shadow Phoenix.

It raised its head and closed its eyes to savor it. It was so delicious!

The crowd was speechless.

Zuo Qingluan felt like she had just been slapped.

3

Sheng Changtian was shaken to the core.

He looked at his palm. There was still some blood there, but...

He looked at Zuo Qingluan and saw the mixture of rage, bewilderment, and astonishment on her face.

Sheng Changtian was dumbfounded.

He still didn't know what was happening.
