Chapter 2901: Divine Phoenix Blood (2)

He involuntarily looked at the Shadow Phoenix.

There was no doubt that the bird enjoyed the taste of Feng Wu's blood.

He had a bad feeling.

If the Shadow Phoenix liked Feng Wu's blood that much, it was very possible that he couldn't control it with Zuo Qingluan's True Phoenix Blood anymore.

Therefore, he took out the pendant.

!!

It had been smeared with the True Phoenix Blood, so he whispered at the Shadow Phoenix, "Come back! Come back!"

The Shadow Phoenix rolled its eyes at Sheng Changtian again.

Feng Wu grinned at the Shadow Phoenix. "Do you want to come with me?"

She was luring the Shadow Phoenix to her side.

"Feng Wu, how dare you?!" Zuo Qingluan ground her teeth.

1

She hadn't been so sure before, but she was certain now.

Feng Wu had indeed recovered her True Phoenix Blood, and it might even have been upgraded.

Otherwise, the Shadow Phoenix wouldn't betray her!

The Shadow Phoenix stared at Feng Wu and hesitated.

Its instinct told it to follow its heart and to go with the person with better blood.

However...

The Shadow Phoenix glared at Zuo Qingluan. "Why don't you have Divine Phoenix Blood?!"

1

It then went back into the pendant.

It used the common language, so everybody heard those words.

They also saw how much the bird disliked Zuo Qingluan.

"Divine Phoenix Blood?"

“Did I hear that correctly?”

“‘Why don’t you have Divine Phoenix Blood?’ So, the person who has it is...”

All eyes were on Feng Wu.

Everyone had curious and shocked expressions.

The audience, the team members and even the referees were astonished.

Feng was amazed, too.

Divine Phoenix Blood?

The one and only Divine Phoenix Blood?

One might find the True Phoenix Blood in another country, but not the Divine Phoenix Blood.

The Divine Phoenix Blood was so important!

Your Royal Highness, you have to marry her! Feng looked at Jun Linyuan.

2

That news would excite many people!

All young talented men would want to marry her!

Zuo Qingluan’s True Phoenix Blood was nothing in comparison!

Sensing Feng’s excitement, the crown prince raised his chin and gloated.

My girl! Mine!

1

Feng rolled his eyes.

When are you going to tell her, then?

1

The crown prince looked away.

At the same time, Sheng Changtian finally realized what had happened and pointed at Feng Wu. “You...”

His hand was trembling.

Feng Wu asked, “Me what?”

“You really have Divine Phoenix Blood!”

Feng Wu said, “I guess so.”

Sheng Changtian said, “Don’t you know for sure?”

Feng Wu said, “How? Who can verify it?”

That was true.

She was the only person who had Divine Phoenix Blood. Who else could verify it for her?

However...

"I think you have it." Sheng Changtian stared at her.

Chapter 2902: Divine Phoenix Blood (3)

That was the only reason the Shadow Phoenix would abandon the True Phoenix Blood for Feng Wu's blood.

"Your blood is more precious than True Phoenix Blood!" Sheng Changtian added.

Feng Wu said, "Are you sure you want to say that? Miss Zuo will cry."

1

Sheng Changtian looked at the audience and saw Zuo Qingluan's livid face.

Ah!

!!

He finally recovered from his initial shock.

Then, he realized something more serious.

He and Feng Wu were in the middle of a battle!

Feng Wu smiled at him. "Shall we continue?"

Continue?

Without the Shadow Phoenix, Sheng Changtian didn't stand a chance.

He had taken enough of a beating from Feng Wu.

He looked at his own team and had a bitter taste in his mouth.

Why did he have to be the last player?

Why did he have to take responsibility?

The Military Academy students looked at him with conflicted feelings.

Sheng Changtian looked at them again, but no one made a sound.

He then turned to the referees.

He didn't dare look at the crown prince because he felt so ashamed.

If he had defeated Feng Wu, he would have run up to His Royal Highness to wait for some compliments.

But now, he felt he had disappointed the crown prince.

Both Chu Yun and Gongshu Hongzhu sat there with livid faces.

They didn't take the defeat well.

Finally, Sheng Changtian turned to Feng Wu.

Taking a deep breath, he said, "I know I'm not as capable as you, but I may still have a chance! Bring it on!"

The next second, Feng Wu moved.

No one knew how, but she did move.

Why were they so sure?

Sheng Changtian was in the air already.

Feng Wu had kicked him in the stomach. He looked like he was folded in half when he flew backward and landed with a loud thump.

Everyone was dumbfounded.

Feng Wu was such a legend!

In her airy red dress, she looked as pretty as a picture.

Sheng Changtian lay there for a long while, and Feng Wu smiled.

She said, "I was born to be brilliant."

2

Everybody was amazed by her casual tone.

Sheng Changtian didn't know what to say.

Feng Wu looked just as brilliant as the sun.

She would shine even if some people didn't want to see her.

Feng Xun was the first to stand up and start clapping.

The applause sounded like a tidal wave.

The Imperial College students copied Feng Wu and shouted at the Military Academy, "We were born to be brilliant."

Feng Wu was their sun!

Jun Linyuan felt happier than if he had won a battle himself. He couldn't stop smiling.

He was so proud of her.

Gongshu Hongzhu apologized, "Your Royal Highness, we lost the competition. We've let you down, so please punish us."

Chapter 2903: Wrap Up

Gongshu Hongzhu apologized, "Your Royal Highness, we lost the competition. We've let you down, so please punish us."

Jun Linyuan raised his head. This was the first time that he met Gongshu Hongzhu's eyes.

He frowned and seemed bewildered.

What did he have to do with this?

Gongshu Hongzhu was in tears. "Your Royal Highness, we've lost the competition. Please punish us however you see fit."

!!

The crown prince patted him on the shoulder. "No, you did a great job."

Gongshu Hongzhu felt so touched. They had let His Royal Highness down, but His Royal Highness had comforted him. He wasn't as cold as other people claimed that he was!

I'm his biggest fan!

After sending Gongshu Hongzhu away, Jun Linyuan turned his gaze on Feng Wu again.

He rubbed his chin and couldn't stop smiling.

His girl was awesome!

That little speech she gave in the arena was amazing!

The crown prince's eyes twinkled as he let his imagination run wild.

When Feng Wu turned around to receive the audience's cheers, she looked stunning.

The most beautiful girl was right there on the stage!

A girl wasn't of much use if she only had a pretty face.

If a girl was talented, she would be considered an expert cultivator.

What if someone was both beautiful and talented?

How should she be described?

Feng Xun couldn't think of any words either. He just clapped his hands and cheered loudly while he showed off his sister.

The ordinary students around him rarely had a chance to talk to a young lord, and they were thrilled.

“She really is my sister! We’re very tight!”

He showed off his sister to every student nearby, even those sitting behind him.

Feng Wu looked at Gongsun Mu.

Only then did Gongsun Mu realize what had happened.

Gosh!

They had won the competition!

Feeling relieved, he turned to Jun Linyuan. “Your Royal Highness?”

However, His Royal Highness was still lost in his girl’s beauty.

“Your Royal Highness?” Gongsun Mu had never seen Jun Linyuan like this before.

The crown prince wasn’t pleased when he was disturbed.

Gongsun Mu immediately said, “Your Royal Highness, all five games are over. Shall we announce the final result?”

Jun Linyuan looked toward the stage.

The pretty girl was looking at him.

Well!

He immediately put on a serious face.

Gongshu Hongzhu thought, “His Royal Highness is on our side. I’m sure he’ll just say the competition is over and let everybody go home.”

Of course, the crown prince wouldn’t deprive his girl of her glory.

He rose to his feet and walked toward the stage.

What?

Gongshu Hongzhu was dumbfounded. He didn’t understand why the crown prince couldn’t make the announcement from his seat.

Chapter 2904: We’re the Champions!

Feng Wu was intrigued when Jun Linyuan headed for the stage.

What was he doing?

When she looked at Jun Linyuan in confusion, the crown prince felt rather shy. He raised his chin and wouldn’t meet Feng Wu’s eyes.

He liked her, but he wasn’t going to let her see it.

Those who had a secret crush on someone would understand, but not Feng Wu.

!!

She sighed inwardly when she saw his expression.

She thought, "He's not going to give me trouble again, is he?"

Jun Linyuan and Feng Wu stood side by side.

They looked as pretty as a picture from all angles.

Their heights matched well.

They were equally beautiful and elegant.

...

Neither would be able to find anyone else that could match their beauty.

They belonged to each other.

There was no other choice.

Their beauty took everybody's breaths away.

"They..."

"They look so..."

"They have to be a couple! I won't accept anything else!"

"That's right! We're ready for a beautiful love story!"

The audience was already making up stories for Feng Wu and Jun Linyuan and choosing names for their babies.

They had forgotten that this was still a competition.

The award was supposed to be handed out.

Feng Wu frowned a little.

What were these people talking about?

Didn't they know what Jun Linyuan was like?

If they didn't stop now, Jun Linyuan would destroy everything on the stage.

She wasn't alone in her thoughts.

Gongshu Hongzhu and Chu Yun felt the same way.

So did Sheng Changtian and his teammates.

They felt no one could defile the crown prince like this and was sure he was going to be furious.

Hadn't Feng Wu enjoyed enough of her five minutes of glory?

Those people couldn't wait to see the crown prince lose his temper.

With the crown prince's sharp ears, he could obviously hear all the discussion.

However, he just stood there and let people talk without saying anything to Feng Wu.

Only Feng knew what he was thinking, but there was nothing the old man could do.

How frustrating!

Feng Wu felt rather embarrassed.

So, she urged Jun Linyuan, "Your Royal Highness? Your Royal Highness? Shouldn't you announce the result now?"

Why was he just standing there?

Jun Linyuan glanced at Feng Wu and didn't seem too pleased.

Feng Wu wondered what she had done.

The crown prince rolled his eyes, but he had to announce the result.

"Dynasty Team has won the competition."

"Wow!!!"

Finally!

The Dynasty Team members were over the moon.

They jumped and cheered in excitement, and many people even burst into tears.

They had waited for this victory for too long.

They looked at one another in disbelief.

Their team had won, but they hadn't fought a single battle themselves.

"We won! We won!"

"Feng Wu made it possible! She defeated all five opponents!"

Their happy voices filled the air.

Chapter 2905: Aren't You a Know-It-All?

The crown prince seemed more relaxed when he saw how thrilled the students were.

When they were done celebrating, Jun Linyuan cleared his throat.

Immediately, everybody quieted down.

The teenagers that had been screaming and crying at the top of their lungs returned to their seats and sat down properly, waiting for the crown prince's instruction.

"Ahem." Jun Linyuan turned around to face Feng Wu.

!!

Standing together, they looked as pretty as a picture.

Many girls almost couldn't control their impulse to scream.

Feng urged the crown prince in his head, "Just say it!"

Jun Linyuan didn't say a word.

Feng almost couldn't stand it anymore.

Feng Wu looked curiously at Jun Linyuan. "Well..."

Jun Linyuan said, "You've been working hard for the past five years, and today is the day you shine. You did a great job, Feng Wu."

He then patted her on the shoulder as if he was her senior.

Feng Wu said, "Why are you so serious all of a sudden?"

It made her want to blush...

Feng was almost in tears. Your Royal Highness, do you want to get married and have babies? Stop stalling!

2

I'm not being snobbish, but she has the Divine Phoenix Blood!

Jun Linyuan stared at Feng Wu, thinking, Be grateful! So many people can't even get me to look at them. You should be celebrating now!

Feng Wu was speechless.

She saw that Jun Linyuan was getting at something, but he wouldn't get to the point.

So, she asked directly, "Do you have something to say to me?"

The crown prince froze like a cat whose tail had been stepped on, and his earlobes turned pink.

Feng Wu said, "Well..."

She wondered if the crown prince was in love with her and wanted to tell her that.

Was her battle so amazing that even Jun Linyuan was impressed?

Feng Wu said, "Are you in love..."

“In your dreams!” Jun Linyuan rapped her forehead with his knuckle. He was so exasperated that he used a little too much force, and Feng Wu was almost in tears.

Feng Wu was speechless.

She decided she had the wrong idea. Obviously, the crown prince would never be in love with her!

She dismissed the idea in her head.

However, she didn't think Jun Linyuan would be dumb enough to fall for Zuo Qingluan.

Wait. Zuo Qingluan! The True Phoenix Blood!

Feng Wu looked in Zuo Qingluan's direction, and her pupils contracted.

“Where's Zuo Qingluan?” Feng Wu turned to Jun Linyuan and asked in an interrogative tone. “She has to pay for what she did to me! Where is she?”

When Jun Linyuan showed up, Feng Wu couldn't help but look at him.

He was like the sun. When he was around, everything else disappeared.

Jun Linyuan shook his head innocently. How would he know where Zuo Qingluan was? That woman didn't deserve his attention at all.

Feng Wu stomped her foot. “I wouldn't be so angry if she only lent her True Phoenix Blood to Sheng Changtian, but we saw that Shadow Phoenix in the Secret Essence Mine earlier!

“If that Shadow Phoenix has something to do with the collapse, so does Zuo Qingluan!”

She glared at Jun Linyuan. “You're the chief referee. Why didn't you keep an eye on her? How could you let her escape? Aren't you supposed to be a know-it-all?!”

Ssss —

Chapter 2906: My Eyes Were on You

So many people were watching them.

There were the referees and the students and teachers from both schools.

They were shocked when they heard what Feng Wu said.

They knew Zuo Qingluan had been working with Sheng Changtian, but could she have something to do with the collapsed Secret Essence Mine?

They had yet to recover from the shock when they heard Feng Wu interrogate the crown prince.

!!

They thought their hearts had stopped.

Interrogate the crown prince?!

Had Feng Wu lost her mind? Did she forget who she was after winning the competition?

Didn't she know who she was talking to?

How could she scold His Royal Highness?

He was like God!

The crown prince lost his temper when he heard what Feng Wu said.

Feng Wu rested her hands on her waist and shouted, "Answer me! How could you let Zuo Qingluan escape? Why didn't you keep an eye on her?"

Jun Linyuan said angrily, "I was too busy watching you!"

Feng Wu said, "Why did you look at me?!"

Jun Linyuan bellowed, "You're so pretty! Where else am I supposed to look?!"

Feng Wu took a deep breath and was about to shout back when she realized something.

Why was everybody so quiet?

She looked around.

The referees, members of the two teams, and the audience were all watching them in astonishment.

These people were so blown away that they didn't know where they were.

They were in a trance-like state.

Feng Wu finally realized what she and Jun Linyuan had blurted out.

Feng Wu said, "Well..."

Was it too late to explain now?

Feng Wu turned to Jun Linyuan for help.

The crown prince also realized what he had done.

Jun Linyuan didn't say anything.

But his ears had turned pink.

Feng Wu said, "Well, don't worry about it. Zuo Qingluan couldn't have gone very far. She has to be in the city, right?"

She tried to resolve the embarrassing situation.

However, the crown prince only gave her a dirty look and walked off the stage.

Feng Wu said, "Wait! Your Royal Highness! Your Royal Highness!"

What would other people say about her now?

She wanted to stop the crown prince, but Jun Linyuan walked so fast that he was soon out of sight.

Feng wanted to cry.

He prayed in his head, hoping the silly young couple would be struck by lightning.

With Jun Linyuan gone, Feng Xun couldn't stay either.

Although he knew Boss Jun had only just bickered with Feng Wu and wasn't really mad, Boss Jun, he and Xuan Yi usually went everywhere together, so they couldn't let Jun Linyuan leave on his own.

Feng Wu and Xuan Yi waved at Feng Wu and followed the crown prince out.

Feng Wu was speechless.

What else could she say?

She couldn't understand why the decisive crown prince could be so childishly grumpy.

Actually, it wasn't a surprise. Things had always been like this...

Gosh...

Chapter 2907: Show Off (1)

Feng Wu was dumbfounded. She had no idea how long Jun Linyuan would stay angry.

Gongshu Hongzhu and Chu Yun also left after that.

Sheng Changtian and his team members followed suit.

They didn't want to get caught because it would be so embarrassing.

However —

!!

Their escape plan failed.

Students of Imperial College stopped them at the gate.

"You can't leave yet." Chen Ziyun led the others and blocked the way.

The people behind him still looked dazed because of the astonishing conversation they had just heard.

"We lost the competition. What more do you want?" Sheng Changtian bellowed.

He was so frustrated.

Not only did his team lose the competition, his teammates were all badly wounded.

Imperial College had won, and their players didn't have a scratch on them.

“Nothing. We just want to show you to our principal’s office. We need to talk about what happened today.” Chen Ziyun chuckled.

He knew Zuo Qingluan wouldn’t get away.

The crown prince was very angry now and would need to vent that anger somewhere.

Sheng Changtian and his team didn’t want to go to the principal’s office, but the teachers and students of Imperial College didn’t give them any choice.

Students of the Military Academy didn’t know what to think of Feng Wu.

When the crown prince went up the stage, they wanted to accuse Feng Wu of stealing the spotlight.

When Jun Linyuan and Feng Wu stood together, they thought Feng Wu was the evil woman who wanted to seduce the crown prince.

However...

When they saw their interactions on stage, those who had been in a relationship before immediately saw what was going on. Even those who had never had a boyfriend or girlfriend were impressed.

Only a blind man wouldn’t be able to see what was happening.

Students of the Military Academy hated Feng Wu, but they knew the crown prince was in love with her, so they didn’t dare offend her. However, they couldn’t bring themselves to fawn on her either.

How annoying!

Out of sight, out of mind. The Military Academy students ran off as fast as they could.

Chen Ziyun didn’t try to stop them. He enjoyed seeing how defeated these people looked. It was a hilarious contrast to their arrogant demeanor last year.

The Imperial College students considered Feng Wu the brightest star in the school.

“She’s from our school!”

“She’s an Imperial College student!”

“I feel so proud to be in the same school as her!”

“She was in Class E when she first came here, and that was only a few months before.”

They kept looking back at Feng Wu when they left because they didn’t want to part from such beauty.

Ye Han was in a daze.

She had been defeated multiple times.

However, she had only lost to Feng Wu in terms of cultivation achievements until now, which was why she could still fight back before.

What she had just witnessed shattered all her hopes.

She felt she didn't deserve to be Feng Wu's opponent.

Everything she had done so far seemed so childish and ridiculous.

Chapter 2908: Show Off (2)

If Shan Jingfei saw this...

"Better that she didn't. If she did, she would probably lose all hope," thought Ye Han.

Chaoqe was so happy as she led the other girls toward Feng Wu.

"Let's go." She tugged at Ye Han's sleeve.

Ye Han usually would be the first to criticize Feng Wu, but she had the highest respect for that girl now.

!!

She walked a few steps behind Duan Chaoqe and watched Chaoqe hug Feng Wu. Feeling so inferior, she didn't dare move closer.

Feng Wu looked at her in bewilderment.

Why did Ye Han look so humble?

"Ye Han, what's the matter?" Feng Wu asked. "Do you not feel well?"

Ye Han was almost in tears.

She was horrible to Feng Wu, but Feng Wu didn't hold any grudge against her. Feng Wu had such a superior status, but she still treated everybody like her equal. Ye Han decided Feng Wu, instead of Zuo Qingluan, was the one she should support.

"Feng Wu, I'm on your side!" Ye Han waved at Feng Wu.

Feng Wu was confused. "What?"

Ye Han said, "I'll place my bet on you and His Royal Highness! Please kick Zuo Qingluan's ass!"

Feng Wu's mouth fell open.

Before she could say anything, Ye Han blushed and ran off, feeling so embarrassed for having expressed her admiration for her idol.

Feng Wu said, "Hey! Stop!"

But Ye Han had already run out of sight.

Feng Wu was speechless.

She tried to explain to the others, "There's nothing between Jun Linyuan and me! Please believe me!"

Chen Ziyun patted her on the shoulder. "Xiao Wu, don't. You'll only sound like you're trying to cover something up."

Sun Yu said, "Xiao Wu, we'll think you're making up stories."

Chu Qu said, "Xiao Wu, please go on. We don't mind your stories."

Feng Wu was speechless.

Although she was secretly pleased to be associated with Jun Linyuan, she would insist that she only had the tiniest bit of feeling for him.

It was so complicated that she would rather throw some punches.

She still had to take revenge. She didn't have time for puppy love!

Her mission was to revive her beautiful master.

Feng Wu said, "I don't care what you say. I'm not going to admit it!"

Not everybody was happy after the competition.

Imperial College won a generous award, and Military Academy almost lost everything.

The Military Academy wanted to keep it a secret, but Imperial College wouldn't let that happen.

Therefore, they started telling everybody about it.

They even spread the news inside Military Academy and to people outside the campus.

The news wouldn't have spread so fast if it was only a battle between the two schools.

However, the Divine Phoenix Blood was involved.

What an exciting piece of news!

Before long, all the major families heard about Feng Wu's Divine Phoenix Blood.

The imperial palace was no exception.

Who were the main players in the empire?

There were nine families, four forces, and two schools.

As soon as they learned the news, they were all blown away!

Chapter 2909: Show Off (3)

The nine families were the families of Gongshu, Dugu, Zuo, Fang, Long, Hua, Gongsun, Xuanyuan, and Tao.

Feng Wu had dealt with most of them. Some were her friends, and some were her enemies.

The four forces were Firmament Palace, the Sumeru Temple, the Shadowless Sect, and the Beggars' Gang.

They each had their own territory in the empire, but they all had a branch in the imperial capital.

When the news spread in the capital city, it was soon delivered to the other corners of the empire, as if it had grown wings.

!!

The common folk were only amazed at the existence of the Divine Phoenix Blood, and they went about their own business after that.

That wasn't the case with the major families and forces.

They were influential players for a reason.

Most of their backgrounds went back thousands of years.

Their favorite thing was to keep valuable information to themselves and only share it within their inner circles.

The Divine Phoenix Blood was one such example.

The common folk were just amazed for a while, but the major forces knew something scarier.

Back then, the ruler of the continent was the honorable Master Mu.

He had the Divine Phoenix Blood.

They had just found out that Feng Wu had the same bloodline. That meant Feng Wu would have an unbelievable future.

Even if she didn't achieve great things, her offspring would be more than likely to have the bloodline.

Holy crap!

Who wouldn't want to marry such a girl?

There was no question about that.

No matter what kind of grudge a force might have held against Feng Wu before, their first reaction now was to send her a marriage proposal.

1

Feng Wu had no idea of her impact on most of the influential forces in the empire.

She also had no idea that people all over the empire were going to send her the most valuable gifts to win her heart.

They didn't believe she was engaged to the crown prince, because if that were the case, the crown prince would have announced it already.

Moreover, wasn't Zuo Qingluan, the crown prince's fiancée?

Either way, they would send Feng Wu proposal gifts first.

No force wanted to be left behind.

...

Feng Wu didn't know anything about that.

Because of her great contribution, Imperial College gave her a week off so that she could go home and take a break.

Gongsun Mu told Chen Ziyun after Feng Wu left, "If we don't let her go home, no one will be there to make His Royal Highness happy. When His Royal Highness isn't happy, he'll probably lash out at us."

Hence, Feng Wu returned to Feng manor.

She was shocked before she even set foot inside.

Since when did they get so many visitors? Nobody ever came to the Feng family.

Why was there red silk draped over the front gate?

Feng Wu saw Feng Yanfeng greeting the guests outside the front gate in a fake humble tone. "Xiao Wu isn't half as good as you say. Divine Phoenix Blood? There's nothing special about that. It's only slightly better than True Phoenix Blood."

Feng Wu was speechless.

What a familiar scene.

When she was five and still a little genius, her uncle used to do this. He might sound modest, but nothing could hide the big smile on his face.

Feng Wu shook her head.

Instead of using the front gate, she returned to Fallen Star Yard by jumping over the wall.

Chapter 2910: Show Off (4)

The white fairy stared at Fairy in astonishment.

She knew about Master Phoenix, and she knew Chu Tianxiao was Feng Wu's third senior brother and that Master Mu was Feng Wu's master. However, she never thought the girl would have Divine Phoenix Blood!

How could anyone be so lucky?

Was she really the Chosen One?

The white fairy gave Feng Wu an envious glance before walking away.

!!

Feng Wu said, "White Fairy..."

The white fairy shouted without looking back, "I need a moment to calm down!"

That was how any ordinary person would react.

Feng Wu shrugged; she knew the white fairy was just having a grumpy moment, and would soon go back to normal.

The whole world seemed to have been agitated by her Divine Phoenix Blood, and Fallen Star Yard was the only safe haven.

Her beautiful mother was as innocent as ever.

Chaoge still trusted her unconditionally.

Uncle Qiu and Granny Zhao were still hardworking people, and Qiuling spared no effort in her cultivation.

The imperial palace.

"What?!"

Emperor Wu almost fell off his chair when he heard the news.

Master Gao, the eunuch, nodded with a smile. "Your Majesty, the news is everywhere. They all know that Miss Feng Wu has the unique Divine Phoenix Blood!"

Emperor Wu's eyes became frighteningly bright.

He grabbed Master Gao's arm so hard that Master Gao thought his bones would crack.

The emperor was no longer a young man, but he moved so fast.

"What did you say? The Divine Phoenix Blood? My precious daughter-in-law has that bloodline?!"

"Are you sure?!" Emperor Wu's eyes sparkled.

Master Gao suspected that if he said no, His Majesty would break his neck.

There was a bright smile on Master Gao's face.

"Your Majesty, of course I'm sure. The crown prince's future wife has the Divine Phoenix Blood. Imagine how bright their children will be." Master Gao chuckled.

Emperor Wu jumped to his feet.

He put his hands behind his back and paced around in the spacious study.

The Divine Phoenix Blood?

For real?

My family is so blessed!

Is it true? Can it be a lie? thought the emperor.

“Summon the crown prince!

“Find people who watched the competition. I want people from both schools!” Emperor Wu rubbed his hands and took a deep breath as he tried to calm his pounding heart.

Ordinary people thought the Divine Phoenix Blood was just a more impressive bloodline than the True Phoenix Blood.

The influential forces knew Master Mu had that bloodline.

Only the imperial family knew the secret of that bloodline.

OMG!

Emperor Wu was so excited.

People from both schools arrived before the crown prince did.

Emperor Wu talked to them in person.

From their statements, Emperor Wu was almost certain that his daughter-in-law indeed had the Divine Phoenix Blood.
