Chapter 2921: Stubborn Zuo Qingluan

Feng Xun said, "You keep saying Boss Jun will marry you. Why don't any of us know that?"

Zuo Qingluan snorted and looked away.

Her parents were almost in tears. They pleaded, "Young Lord Feng, please stop asking her. She's so upset."

Would Zuo Qingluan talk her way out of it again?

Feng Xun said, "No, I won't stop.

!!

"She's spreading rumors about Boss Jun all the time, and that has affected Boss Jun's reputation. I'm not going to stop just because you asked. You think too highly of yourself!"

After scolding Mr. and Mrs. Zuo, Feng Xun turned back to Zuo Qingluan.

"Boss Jun could have married Feng Wu a long time ago, but because of you, she still won't believe his feelings for her. Zuo Qingluan, it's all your fault!"

What?

Feng Wu?!

Zuo Qingluan's parents were astonished.

Zuo Qingluan glared at Jun Linyuan. "Did Feng Wu steal you away from me?!"

1

Jun Linyuan lost his temper.

He didn't like so many words. He wanted to kill someone.

Seeing Jun Linyuan clench his fists, Feng Xun and Xuan Yi immediately stopped him.

"Boss Jun, please don't get mad. The most important thing is to get an answer." After that, he could kill whomever he wanted.

After calming Jun Linyuan down, Feng Xun turned to Zuo Qingluan. "What makes you think Boss Jun is yours?"

"He said he would marry me!" Zuo Qingluan insisted.

Feng Xun asked, "When and where did he say that? Who else heard him?"

Zuo Qingluan said, "He said those words, and that's the truth! He gave me a token, too!"

A token?

Feng Xun glanced at Jun Linyuan, but Jun Linyuan was utterly confused.

He couldn't remember any tokens.

"Bullshit!" Feng Xun stared at Zuo Qingluan. "If you don't tell me today, no one can protect you."

Zuo Qingluan smirked. "What? Are you going to kill everybody?"

She was confident that they wouldn't do that.

The Zuo family was one of the nine major families.

Right now, the head of the family was cultivating in one of the courtyards at the back. He was also Zuo Qingluan's grandfather, and Zuo Qingluan didn't think he would let Jun Linyuan kill her.

Feng Xun lost his temper, too. "Are you going to tell me or not?"

Zuo Qingluan said, "I'm the crown prince's woman, dead or alive!"

Jun Linyuan said, "Die, then!"

He wouldn't show her any mercy.

"Your Royal Highness!" Mr. Zuo was scared out of his wits when he saw Jun Linyuan raise his sword.

Until today, he had considered himself the crown prince's future father-in-law. He thought Jun Linyuan was madly in love with his daughter!

What Jun Linyuan was doing now suggested otherwise.

Mr. and Mrs. Zuo finally saw the truth.

Jun Linyuan didn't like Zuo Qingluan at all.

He never had.

2

The whole thing was a rumor, which had probably come from Zuo Qingluan herself.

Chapter 2922: Old Mr. Zuo

The blow was so hard that Zuo Qingluan's parents seemed to age 20 years in a matter of minutes.

"Boss Jun, Boss Jun..." Feng Xun and Xuan Yi stopped the furious Jun Linyuan. "Calm down. If someone has to kill her, it has to be Xiao Wu. She'll be angry if you do it for her."

Feng Xun knew only Feng Wu's name would work.

He was right —

Jun Linyuan only calmed down when Feng Wu was mentioned.

!!

Zuo Qingluan's parents lost all hope.

What did they hear? Feng Wu?

Was the crown prince really in love with Feng Wu?

They looked from Zuo Qingluan to Jun Linyuan, and Mrs. Zuo fainted, unable to take the blow.

Mr. Zuo felt like fainting, too.

First of all, nothing was going on between the crown prince and Zuo Qingluan.

Second, the crown prince was in love with Feng Wu.

Feng Xun stared at Zuo Qingluan. "Are you sure you won't tell me?"

Zuo Qingluan proudly held her ground and wouldn't say a word. She believed these people couldn't do anything to her.

She wouldn't tell them what they wanted!

Where did she get that confidence?

Feng Xun suddenly got it. "Do you think your grandfather will help you? Zuo Qingluan, wake up. Your family is giving up on you."

Zuo Qingluan glanced at Feng Xun in disdain.

Her parents might abandon her, but her grandfather would never do that, nor would the other senior members of the family.

She had the True Phoenix Blood.

1

She was a valuable asset!

1

Although the old man had told her not to show her face again, she decided it was only an angry outburst. She was sure her grandfather didn't mean it.

"Your grandfather, is it?" The crown prince looked around and nodded. "You're right. You wouldn't have made so much trouble for me without his support. That reminds me of something.

"The Zuo family has been abusing their power in the imperial capital because you think he will always save the day for you. Good." Jun Linyuan headed in another direction.

"Boss Jun, where are you going?" Feng Xun realized something wasn't right.

Jun Linyuan said, "I'm going to kill someone."

Feng Xun said, "Holy sh*t!"

That didn't bode well, so Feng Xun and Xuan Yi ran after Jun Linyuan.

Mr. Zuo and his wife, who had just woken up, were terrified.

Jun Linyuan was heading for one of the courtyards at the back of the manor, where old Mr. Zuo lived.

Zuo Qingluan also felt uneasy.

"Let's go!" Mr. Zuo's voice was trembling. "Is His Royal Highness going to fight my father? Move faster!"

It only took Jun Linyuan an instant to get there.

He landed in the courtyard and pointed his sword at the old man.

Old Mr. Zuo was making tea.

With his capability, he could hear everything going on in the other courtyards.

However, he still sat here and sipped his tea, which showed how confident he was.

"Your Royal Highness, it's been a while." He ignored Jun Linyuan's sword.

It was as if the crown prince was an unreasonable child.

Jun Linyuan's eyes glinted coldly.

Old Mr. Zuo was a great cultivator.

He had made a name for himself before Jun Linyuan was born. After so many years, no one knew what his cultivation level was now.

Chapter 2923: For Her

"Sit." The old man gestured at a chair.

The others arrived at that moment.

Mr. Zuo was relieved to see the seemingly peaceful scene.

He thought his father would solve the problem.

He threw a dirty look at Zuo Qingluan, utterly disappointed by his daughter.

!!

Jun Linyuan didn't sit down, and his Sky Destroyer was still pointed at the old man.

"Zuo Chengfeng, bring it on!"

The old man had an air about him, but that didn't affect the crown prince.

Jun Linyuan had come here because he knew killing Zuo Qingluan wouldn't be enough.

Everybody knew Feng Wu had the Divine Phoenix Blood now, and they all had their own plans.

If they couldn't have her, they would try to destroy her. Jun Linyuan knew all the dirty tricks those forces would use.

Therefore, he came to see Zuo Chengfeng, the head of the Zuo family.

He would punish the old man as a warning to others.

Jun Linyuan hid his emotions so well that apart from Feng, no one knew what he wanted.

To Zuo Chengfeng, it was only a petty conflict over a girl. He only cared about the big picture, and this incident was nothing.

However, Jun Linyuan considered Feng Wu to be more important than his own life.

Zuo Chengfeng said casually, "Your Royal Highness, there's no need to get angry."

Jun Linyuan smirked. "Zuo Chengfeng, I'm challenging you!"

When he made that challenge official, the incident was no longer a laughing matter.

It was serious.

Zuo Chengfeng's hands trembled a little and he nearly spilled his tea. He looked at Jun Linyuan in bewilderment. "Are you serious?"

Jun Linyuan said, "Yes."

Zuo Chengfeng asked, "Why?"

Jun Linyuan said, "To set a precedent."

The old man was furious.

However, he was as shrewd as he was capable, so he soon saw what Jun Linyuan meant.

He seemed to understand why Jun Linyuan was so persistent.

Zuo Chengfeng frowned. "Is it because of her?"

Jun Linyuan said, "Yes."

He could confess his feelings for Feng Wu in front of other people, but when he was with Feng Wu, he was still a shy boy.

Zuo Chengfeng put down his teacup. He couldn't understand it.

"Jun Linyuan, cultivators come by generations. You are the young generation, but you're capable enough to be ranked among the middle-aged and old generations."

Mr. Zuo, Emperor Wu, and Feng Yanfeng belonged to the middle-aged generation, but Jun Linyuan had long surpassed them.

Zuo Chengfeng asked sincerely, "There are only a handful of cultivators in the Junwu Empire that are as capable as us."

“I don’t understand. Is it worth it to have this public fallout over a girl?”

Jun Linyuan said affirmatively, “I can destroy the world for her.”

Unfortunately, Jun Linyuan had never said those words to Feng Wu.

1

Feng Xun and the others were outside the transparent barrier. They could see what Jun Linyuan and the old man were doing, but they couldn’t hear anything the two people inside said.

What a pity. No one else would know what Jun Linyuan had just said.

Chapter 2924: Threaten Everybody

Zuo Chengfeng didn’t expect to get such an answer from Jun Linyuan.

He was dazed for a long while.

He only believed in the big picture and cared about nothing except the benefit of the family as a whole.

Personal emotions would never get in the way.

He looked at Jun Linyuan and said in a sorry tone, “Your Royal Highness, are you saying you’ll use me as an example to threaten everybody who wants to get their hands on the Divine Phoenix Blood?”

!!

Jun Linyuan didn’t deny it.

Zuo Chengfeng smiled bitterly. “I always thought Your Royal Highness would marry Qingluan, and we would be family.”

2

Jun Linyuan couldn’t be bothered to listen to his bullsh*t.

Zuo Chengfeng said, “I didn’t think Your Royal Highness would go so far for a girl. I’m amazed.”

Jun Linyuan’s sword moved a little.

Although neither of them had taken a step, the space between them was filled with fierce energy.

The battle was too advanced for ordinary people to comprehend.

Zuo Qingluan had been watching Jun Linyuan and her grandfather from afar, but she didn’t know what they were talking about. Suddenly, her eyes lit up.

An idea struck her.

She finally knew what her grandfather meant.

After she suffered the defeat, she had run back home distraught, and the first person she went to see was her grandfather, who had looked at her in disappointment.

He said, "Zuo Qingluan, don't come here again."

Before that, he said, "Zuo Qingluan, why are you so shaken by the Divine Phoenix Blood?"

"How long do you think she can have it?"

Zuo Qingluan had been too distraught to realize what that meant, but she figured it out now.

Her grandfather wasn't disappointed because her True Phoenix Blood was inferior to Feng Wu's lineage. He was disappointed by her state.

She shouldn't have lost faith or lost control of her emotions.

So what if Feng Wu had the Divine Phoenix Blood?

If they could destroy her True Phoenix Blood five years ago, they could do it again five years later.

Maybe they could find a way to plant the Divine Phoenix Blood in her body. The idea excited Zuo Qingluan/

All those snobbish people chose Feng Wu because she has the Divine Phoenix Blood. What if I have it instead?

Zuo Qingluan's heart pounded.

The crown prince hadn't shown much interest in Feng Wu until she revealed her Divine Phoenix Blood.

That was to say, the crown prince liked Feng Wu's lineage instead of her.

1

If I have the Divine Phoenix Blood...

The idea made her blood boil.

Meanwhile!

The two people in the courtyard were nowhere to be seen.

"Where are they? Where did they go?"

Zuo Qingluan woke up from her daydream to find the courtyard empty. The barrier was stopping them from entering.

Her father said in a shaky voice, "They're in the sky."

They couldn't keep their battle on the ground.

Instead, the battle took place in the air.

"Is grandfather fighting His Royal Highness? That's not fair. His Royal Highness is so young. How can this be a fair match?"

Zuo Qingluan was completely infatuated with Jun Linyuan.

After finding an excuse that Jun Linyuan was only interested in the Divine Phoenix Blood, she became obsessed with him even more.

Chapter 2925: Amazing Teenager

Her father gave her a stern look. "His Royal Highness may be young, but the older generations have recognized his capability. This friendly battle won't hurt him."

He was displeased with Jun Linyuan, too.

The crown prince charged into his home with a sword. Not only did he destroy the family's dream, he also threatened to kill his daughter.

1

Zuo Ming thought the crown prince was utterly arrogant to challenge old Mr. Zuo. It was time for him to learn a lesson.

Lose?

!!

Zuo Ming never considered that possibility.

People like his father had gone through many struggles and survived many wars.

Not many people in that generation were still alive, but their power was beyond Jun Linyuan's reach.

1

Yes, the crown prince was extremely talented, but it was too early for him to defeat the old man.

"He needs a few more years," Zuo Ming said confidently.

Feng Xun and Xuan Yi looked at each other, both feeling anxious.

"That idiot!

"Why did he challenge that terrifying old man so suddenly?

"If he really wants to do that, why couldn't he wait a few more years?!"

Everybody was waiting anxiously.

Boom!

The sky seemed to be torn open, and a figure fell from the sky.

"Boss Jun!" Feng Xun cried out.

Thump!

The figure fell so fast that by the time they realized it, it had smashed into the ground, creating a large crater.

Dust filled the air.

It was nighttime, so no one could see very clearly.

The barrier disappeared, and people could finally enter the courtyard.

Feng Xun pushed the door open and ran toward the crater in the ground.

“Boss Jun! Boss Jun, are you alright?!”

He was about to jump into the crater, when another person slowly landed.

His black robe was spotless.

The lower hem of his robe flapped in the wind, adding to his charm.

His eyes looked like the brightest stars in the night sky.

He pointed Sky Destroyer at the crater.

There was blood on the tip of the sword.

The blood dripped on the ground and soaked into the dust.

Feng Xun stopped short.

“Boss Jun?” He was dumbfounded.

Boss Jun was alright.

Then, who was the man lying in the crater?

There was only one possibility.

Feng Xun wasn't the only one who was astonished.

Zuo Ming and Zuo Qingluan were horrified.

1

They stared at Jun Linyuan in disbelief.

They knew the young man was more handsome than anybody they knew, but they didn't expect to see such a demonstration of power.

In the crater was old Mr. Zuo, the pillar of the family.

Zuo Ming's legs gave out, and he dropped to his knees.

Zuo Qingluan froze on the spot.

Jun Linyuan had destroyed the one person she could depend on.

1

She didn't know what to say, and her head went blank.

Jun Linyuan never looked at her.

He only looked at the crater and smirked. "Zuo Chengfeng, if you break the agreement, you know what'll happen!"

He walked away after that.

When he was gone, no one made a sound.

The old man slowly crawled out of the crater.

Chapter 2926: Zuo Chengfeng's Compliment

One side of his face was burnt black, while the other side was still normal. It was an eerie sight.

Pffft!

Zuo Chengfeng started spitting blood.

There was so much blood.

"Father!"

!!

"Grandpa!"

Zuo Ming and Zuo Qingluan helped Zuo Chengfeng to his feet.

He was the pillar of their family. What should they do now? Zuo Qingluan panicked.

"Grandpa, what happened? Did His Royal Highness do this to you?"

1

She almost couldn't bring herself to ask that question because she was afraid of the answer.

Zuo Chengfeng might have many faults, but he didn't like lying.

He slowly sat down and nodded.

Oh god!

It really was Jun Linyuan!

Zuo Qingluan clenched her fists and couldn't decide if she was happy or sad.

Zuo Ming was almost in tears.

"Father, your level is so advanced, but Jun Linyuan can still injure you. What's his level now?"

Zuo Qingluan also looked at Zuo Chengfeng.

Many people wanted to know the answer to that question.

Jun Linyuan's cultivation level was unfathomable.

Zuo Chengfeng leaned back in the chair and took a deep breath. "A year ago, I would have had no problem defeating him; I didn't know he could make such leaps and bounds in one year."

He murmured, "That shouldn't be the case. He has been making rapid progress for a long time. According to some of the elders, his potential has reached its peak and should move into a steady period.

"That wasn't steady at all! His cultivation level has skyrocketed!"

Zuo Chengfeng coughed violently.

Jun Linyuan had severely injured him.

It had been years since he fought and was wounded like this.

"Grandpa, is His Royal Highness's cultivation level higher than yours?" Zuo Qingluan didn't know how she should feel.

She was happy that she had chosen Jun Linyuan. He never disappointed her.

However, it worried her that she still didn't have the Divine Phoenix Blood, so His Royal Highness didn't have feelings for her.

Zuo Chengfeng raised his head and gave Zuo Chengfeng a strange look.

He sighed. "Let it go."

"What?" Zuo Qingluan's stomach lurched.

Zuo Chengfeng said, "He's in love with Feng Wu, not you."

1

After hearing what Jun Linyuan said, Zuo Chengfeng knew what that girl meant to the crown prince. No one could compete with her.

Zuo Qingluan was astonished.

She rose to her feet and stared at Zuo Chengfeng. "Grandpa, His Royal Highness isn't in love with Feng Wu! He likes her Divine Phoenix Blood!

"Grandpa, please help me! Let's do it again, just like five years ago! We'll destroy her Divine Phoenix Blood, so only I have the True Phoenix Blood.

"If it's possible, we can take her bloodline and plant it in me. That way, I'll have the Divine Phoenix Blood.

"That'll be so nice! No one ever said that only Feng Wu is allowed to have the Divine Phoenix Blood!"

Chapter 2927: Jun Linyuan Loves Feng Wu

“Grandpa, please help me! It’ll help the family, too! Grandpa, don’t you want Jun Linyuan as your grandson-in-law?”

“Father, talk to Grandpa.” Zuo Qingluan urged Zuo Ming.

Zuo Ming looked at Zuo Chengfeng. “Father...”

Zuo Chengfeng cut him off.

With half of his face charred, Zuo Chengfeng didn’t look as composed as usual.

!!

A moment ago, he had been smiling at Jun Linyuan while sipping his tea, but now, he had been defeated.

His current condition was a stark contrast to how he had looked before.

“Zuo Qingluan.” Zuo Chengfeng took a deep breath, the look on his face extremely serious.

“Remember everything I’m going to say next.

“You must brand it in your memory!

“Jun Linyuan loves Feng Wu, not you!

“He chose me as his opponent because he wanted to punish me to set an example.”

Zuo Chengfeng’s face was livid.

The old man used to be an approachable character. He even looked kind when he was angry. However, he seemed sinister and furious now.

Hatred burned in his chest. Jun Linyuan hadn’t destroyed his fury. Zuo Chengfeng only hid it deeper.

“Do you know why I said that?” he asked Zuo Qingluan.

Zuo Qingluan shook her head.

Zuo Chengfeng said patiently, “Let me tell you why.

“The entire empire is coveting Feng Wu’s Divine Phoenix Blood now, and Jun Linyuan chose to challenge me because when he defeats me, no one will dare touch Feng Wu.”

Zuo Qingluan’s heart was pounding.

She shook her head and wouldn’t believe it.

Zuo Chengfeng moved closer. “Do you know why Jun Linyuan chose me?”

Zuo Qingluan shook her head.

Zuo Chengfeng said, "He probably knows what we did to Feng Wu five years ago, but he can't be bothered to gather the evidence.

"According to him, he didn't fall in love with Feng Wu five years ago, so he didn't intervene.

"From now on, he will be there to protect Feng Wu. If anyone touches her, he'll destroy their whole family.

"What a shame. Such an outstanding young man fell head over heels for a girl."

Zuo Qingluan was dumbfounded.

Tears rolled down her cheeks.

"No, that's not true!

"I won't believe it! I can't!

"Jun Linyuan, if I can't have you, I'd rather die!"

She clenched her fists and couldn't listen to anything.

Zuo Chengfeng glanced at her and knew what she was thinking, so he said to Zuo Ming, "I've made some arrangements. She'll be sent to Peace Grassland. I believe the war there can quench her fury. If she learns something from it, the Zuo family will still have a future."

He waved his hand after that.

A man dressed in black walked out of the shadows.

Zuo Chengfeng nodded at him.

The man picked up Zuo Qingluan and disappeared in a few leaps.

They could still hear Zuo Qingluan yelling.

"Let go of me!

"Grandpa, I don't want to go to Peace Grassland!

"I'm sorry, Grandpa! I want to stay here! I want His Royal Highness!"

Chapter 2928: He Likes Her

The louder her voice was, the faster the man moved. They were soon out of earshot.

After Zuo Qingluan was gone, Zuo Chengfeng told Zuo Ming, "We must keep a low profile from now on."

Zuo Ming nodded, but he didn't feel that way.

His father had lost to Jun Linyuan, but he could still easily defeat anyone else.

Zuo Chengfeng smiled wryly. "You don't understand."

!!

Extremely capable cultivators could sense the battles between other capable cultivators.

Although his battle with Jun Linyuan hadn't lasted long, many people already knew what had happened.

Other people of his generation would have learned that he was weaker than Jun Linyuan.

They would discipline their family members, telling them not to offend Jun Linyuan or get any funny ideas about the Divine Phoenix Blood.

Feng Wu wouldn't need to deal with the trouble created by many of the influential forces.

However, Jun Linyuan's weakness had also been exposed in that battle.

"Jun Linyuan, I don't believe you weren't unaffected by my strike." Zuo Chengfeng smirked.

Meanwhile, Jun Linyuan led the others out of the Zuo family manor.

"Boss Jun, Boss Jun —"

Jun Linyuan went straight back home to his cultivation room.

Retch —

He couldn't hold it back anymore and spat out a mouthful of blood.

1

He frowned.

Feng wasn't here because Emperor Wu had summoned him. Otherwise, he would have followed Jun Linyuan to the Zuo family.

The emperor's study.

Emperor Wu had summoned Feng.

He started complaining as soon as the steward walked in.

"Feng, is that how you brought up that brat? He doesn't look like a crown prince at all!"

1

Feng said, "Your Majesty, he's just like you."

Emperor Wu didn't know what to say.

He couldn't deny that.

He stared at Feng and sighed. The two men sat down on the stairs, and Emperor Wu asked. "You know about what's going on with Feng Wu, right?"

Feng nodded.

Emperor Wu asked, "What is that brat thinking? Does he like her? Does he want to marry her? I want an answer!"

Feng said, "The answer to both questions is yes."

Emperor Wu's eyes lit up.

"That's great! I'll write up the edict announcing the marriage!" Emperor Wu was thrilled. "Yes, they've always been engaged, but many people thought that the engagement was annulled.

"I can't let those people belittle Xiao Wu. I've prepared a nice piece, and I'll put it on paper later. I'll say the nicest things about Xiao Wu! No one can object to that!"

Feng looked at him in resignation.

Emperor Wu asked, "What's the problem?"

Feng said, "I don't think you can make that announcement any time soon."

Emperor Wu said, "Didn't you say the answer is yes? What's the problem?"

Feng said, "Your Majesty, you know what your son is like."

Emperor Wu's face darkened. "What's his problem? Xiao Wu has the Divine Phoenix Blood! If he doesn't make a move now, it'll be too late!

"Guess what? I received these today." Emperor Wu showed Feng a thick stack of papers.

Chapter 2929: Excellent Idea

"These are the lists of all the gifts the influential forces are sending to the imperial capital. They all want to marry their sons to Xiao Wu! I'm so worried!

"After all, Xiao Wu isn't exactly head over heels for Junjun," Emperor Wu said honestly.

1

Feng nodded.

It was obvious that the crown prince liked Feng Wu more than the other way around.

He was the disadvantaged party, and she could be more willful.

!!

"What's his problem? You've been with him for so many years, so tell me! Otherwise, why do I need you?" Emperor Wu was a little mad.

Feng smiled bitterly. "Well, his problem is with the Divine Phoenix Blood."

"What? Isn't it good enough?" Emperor Wu asked grumpily.

Feng nodded. "Your Majesty, His Royal Highness is a proud man. He wants to marry Feng Wu, not the Divine Phoenix Blood."

Emperor Wu was confused. "Feng Wu and the Divine Phoenix Blood are the same thing. What's the difference?"

What a dumb question.

1

Feng said, "Your Majesty, that may be the case with everybody else, but it is definitely not how your son sees it."

Emperor Wu shrugged. "Tell me more about it."

Feng said, "His Royal Highness is a perfectionist. I'm sure you see that in his cultivation practice."

Emperor Wu nodded. "Yes. He cultivates like there's no tomorrow. When he was little, he didn't want to interrupt his cultivation streak, so he stayed three days in the snow."

Feng nodded. "His Royal Highness has the same requirement when it comes to relationships. He'll marry Miss Feng Wu, but it won't be for her Divine Phoenix Blood.

"He'll agree to a marriage agreement, but he won't want to force her to marry him because of an imperial edict.

"He wants her to marry him willingly.

"Your Majesty, if I were you, I wouldn't intervene. It'll make things more complicated.

"I could have intervened many times, but...

"Relationships need to be worked on. We're outsiders. If we meddle, it'll only distract the two of them.

"One thing is for sure: They're moving in the right direction, which is a good thing.

"Your Majesty, your edict will have to wait until they're both willing to acknowledge the relationship."

Emperor Wu looked at Feng in resignation.

"Is that the only way?"

Feng said, "I'm afraid so."

Emperor Wu said, "Alright. I'll hold back on the edict, but you have to show him these lists. He needs to know he has competition!"

Jun Linyuan was still treating his wounds when Feng returned home.

Feng Xun and Xuan Yi guarded the door.

"What happened?" Feng asked.

Feng Xun told him Jun Linyuan fought with Zuo Chengfeng earlier that day.

Feng frowned. "Does he have a death wish? He's not as capable as Zuo Chengfeng!"

Feng Xun said, "What? Didn't Boss Jun win?"

Feng said, "He did, but at a cost. Well, he likes the challenge..."

An idea suddenly struck Feng.

Chapter 2930: Leave Her Alone

"Feng, what's on your mind? Why are you smiling like that?" Feng Xun's stomach lurched.

Feng wouldn't carry out the task himself.

He was supposed to be an unapproachable steward.

He waved at Feng Xun, and Feng Xun quickly ran to his side.

Feng put a stack of papers in his hands.

!!

"What are these?" Feng Xun was curious.

Feng said, "They're from His Majesty. All the major forces want to propose to Xiao Wu."

Feng Wu said, "Are they blind? Don't they know Xiao Wu isn't available anymore?"

Feng rolled his eyes at him.

Feng Xun got it right away!

Boss Jun hadn't made the announcement yet.

Feng Xun thought about Boss Jun's injury. If he heard from other people that so many people wanted to propose to Feng Wu, he would turn the imperial capital upside down!

At that thought, Feng Xun told Feng, "We can't keep it from Boss Jun. If he loses his temper, no one can stop him!"

Feng said calmly, "Is that right?"

Feng Xun said, "Yes, it is! You've been with Boss Jun for so long. You know what he's like. If he sees all the gifts going into the Feng manor, I can't imagine what'll happen."

Feng rubbed his chin. "I see..."

Feng Xun said, "This file says they're moving as fast as they can and they'll get here tonight. Oh, no! I have to tell him now! It can't wait!"

He then rushed inside.

Xuan Yi was going to follow him inside, when Feng said, "I hear that Miss Feng Wu is a good doctor."

Xuan Yi was amazed.

He had just gotten a glimpse of the real Feng.

4

That night, ordinary people in the imperial capital didn't sense anything strange.

Little did they know that 15km outside the imperial capital, people were scattered all over the ground.

Apart from the Zuo family and the downgraded Xuanyuan family, all the major families and forces had sent their elite young members.

Only the monks of the Sumeru Temple and the Beggars' Gang didn't get involved.

Firmament Palace was here, too.

"Send the gift. I dare you!"

His sword moved.

He made one furious, single strike.

The strike was powerful enough to split the ground open.

The crown prince spared no effort.

There was a ten-meter gash on the 15m road leading to the imperial capital.

One strike.

Carriages tipped over, and men and horses fell all over the ground.

They were all terrified but had no idea what had happened.

Feng Xun was kind enough to remind them, "If you want to marry Feng Wu, you'll have to go through Boss Jun!"

They didn't see Jun Linyuan's face in the dark, but they remembered his sword.

He left as swiftly as he came after successfully intimidating everybody.

The son of the Hua family fell backward on the ground and still hadn't recovered.

After that strike, the crown prince stumbled and almost fell.

He soon disappeared.

"Boss Jun! Boss Jun?" Feng Xun and Xuan Yi ran after him.

The crown prince asked, "Who else wants to take up the challenge?"

Feng Xun said, "No, there's no one. Your strike sent the warning. No one will mess with Xiao Wu again."
