851 The Crown Prince and His Temper

So, if Feng Wu was that ugly girl... Yu Mingye couldn't bring himself to think further along that line.

And he had been tricked over and over again after the first time... How he wanted to spank that girl now!

However —

On second thought!

He was the only one who knew that secret about Feng Wu. Neither Feng Xun nor Xuan Yi knew. Not even Jun Linyuan!

And he also knew about Feng Wu's cultivation ability, which none of those three guys had discovered!

Yu Mingye felt a sense of superiority.

Poor Feng Wu. Even the wisest made mistakes sometimes, and she had just slipped up without knowing it.

Just then, someone called outside.

"It's dinner time —"

Feng Xun pulled Feng Wu to her feet and said cheerfully, "Come! Let's have something to eat!"

In the campsite.

The mood was quite strange at the moment.

So was the look on Xuan Yi's face.

To his surprise, instead of sitting all by himself, Jun Linyuan had joined the other candidates.

The girls gathered around automatically as soon as he sat down.

It was such a rare opportunity, and everyone wanted to grab the chance.

Mu Yaoyao was the most aggressive one. She had successfully frightened away a few girls with the intimidating look in her eyes.

However —

Jun Linyuan spoke to Gongsun Qing first.

"How are you doing?"

How are you doing?

It was a simple four-word question, but His Royal Highness had taken the initiative, which was enough to excite all the girls.

His Royal Highness had struck up a conversation with a girl?!

Holy shit!

Gongsun Qing was dumbfounded! Her head went blank, the smile froze on her face, and she didn't even know where to put her hands.

Next to her, Shi Xuan was equally dumbfounded.

But she came back to herself first and pinched Gongsun Qing!

Say something! Anything! His Royal Highness is talking to you!

Gongsun Qing blushed and bit her lower lip. The proud teenage girl was only able to reply in a whisper, "Alright..."

Alright? Go on! Say something else!

Right now, even those in front of the screen were shocked, let alone the candidates at the scene.

What the heck?!

His Royal Highness spoke to a girl? That was unheard of!

So much so that the news reached the imperial palace almost immediately!

Jun Linyuan was talking to Gongsun Qing, but his eyes were on that tent.

Seeing Feng Wu come out, he smiled in a mesmerizing manner and turned his intense gaze on Gongsun Qing.

"You've been holding your arm. Are you in pain?"

His deep voice had a majestic quality to it and all the girls were infatuated!

Holy shit!

Gongsun Qing thought her head was going to explode!

His Royal Highness cared about her!

Was Shi Xuan telling the truth?!

Just then, Jun Linyuan rose to his feet and left without looking in Feng Wu's direction.

However, what he said was enough to set the campsite on fire!

Gongsun Qing wasn't the only one shaken.

All the other girls had formed their own opinions.

They had always thought that His Royal Highness was this unattainable figure who sat high on his throne. But what happened just then proved otherwise!

852 Because... I'm Pretty?

The look in his bright eyes was so gentle when he looked at Gongsun Qing...

Holy shit!

In front of the screen.

Elder Xuanyuan cupped his hands at Gongsun Lan and congratulated her. "Elder Gongsun, congratulations. The Gongsun family is rising. Please don't forget your old friends."

Gongsun Lan was secretly elated.

After all, all families wanted to marry their girls to Jun Linyuan.

An entire clan would prosper for many years just by being associated with Jun Linyuan, to say nothing of a marriage contract.

Despite her excitement, Gongsun Lan only smiled and waved her hand. "You flatter me. That was the most common greeting and nothing more. You're overthinking it."

"Oh my, Elder Gongsun, you're too modest. This is His Royal Highness we're talking about here. When was the last time you saw His Royal Highness greet someone?"

Gongsun Lan said, "Well, I haven't."

"There you have it. Go and prepare. The royal family will be visiting you soon." Elder Xuanyuan chuckled.

In Proud Snowfield —

Shi Xuan was tugging at Gongsun Qing and crying out in excitement, "Sister Qing! Sister Qing! Congratulations! Congratulations!"

Shi Xuan wasn't so sure before, but after what happened just then... All the girls knew what that meant.

"His Royal Highness is really..."

Gongsun Qing was still in a trance-like state. The happiness arrived so suddenly that she was still trying to digest it.

"Yes! Yes! He is! He really is!" Shi Xuan was thrilled. She then turned around and spotted Feng Wu. The smile disappeared from her face right away. "Sister Qing, look. Someone's unhappy."

Shi Xuan didn't try to lower her voice and many heard her.

They all turned to look at Feng Wu.

Feng Wu didn't look her best at the moment and she was even frowning a little.

"So, Feng Wu's really unhappy."

"Are you kidding me? How can she be happy?"

"After following His Royal Highness around for so long, His Royal Highness can't even be bothered to look at her. As soon as she started to work on Yu Mingye, His Royal Highness... I'd be so pissed if I were her."

“Look at her face. It’s hilarious.”

Somehow, those girls just wouldn’t leave Feng Wu alone. Now that they believed that Jun Linyuan was in love with Gongsun Qing, they still saw Feng Wu as their target.

Feng Wu rolled her eyes at those words.

“Why won’t they leave you alone?” Feng Xun couldn’t stand it anymore.

Feng Wu said, “Because... I’m pretty?”

Feng Xun sighed in resignation. This girl was unbelievable.

“Feng Wu, Feng Wu —” Gongsun Qing dragged Feng Wu away.

Feng Wu didn’t want to go with her, but Gongsun Qing moved too swiftly and the others were all helping her. Feng Wu couldn’t throw her off right away.

Well, she could, if she activated her spiritual essence.

But she didn’t want to be exposed just yet.

“Feng Wu, Feng Wu, are you with Yu Mingye now?” Gongsun Qing was finally back to herself, and she was glowing with excitement.

853 The Goddess, My Senior Sister!

Feng Wu said, “No.”

Feng Wu was the person Gongsun Qing wanted to hurt the most, but Shi Xuan spoke before Gongsun Qing did.

“Feng Wu, did you see what happened? Do you think His Royal Highness... has feelings for Sister Qing?”

Feng Wu rolled her eyes. “Why are you asking me? I’m not Jun Linyuan.”

Shi Xuan persisted. “But His Royal Highness saved Sister Qing and he even asked after her himself. Don’t you think that means something?”

Feng Wu sighed in resignation. “I have no idea, seriously...”

Shi Xuan snapped, “Why are you giving me attitude? You should be flattered that we’re even asking for your opinion! Are you jealous or something?”

Feng Wu was speechless.

She had nothing to do with any of this!

He who had a mind to beat his dog would always find a stick.

The last thing Feng Wu wanted was to get involved in the bickering. So, she quickly dragged Mu Yaoyao, the queen of bickering, into the fight.

She had noticed that Mu Yaoyao had been grinding her teeth for a while.

“I’m sure Princess Mu has a lot to say on the subject. You better ask her,” Feng Wu said with a smile as she rose to her feet.

At the end of the day, it was all Jun Linyuan’s fault!

He could flirt with whoever he wanted, but couldn’t he do it discreetly? He just had to let everyone see it, didn’t he? Did he have any idea how easy it was to provoke these women?!

Crossing her arms, Mu Yaoyao leaned against a wall and smiled. “Of course she would give you attitude. How else is she supposed to react?”

Shi Xuan said, “Princess Mu, do you think His Royal Highness...”

Mu Yaoyao’s face darkened. “What’s your problem?! Are you ever going to stop? Gosh, you’re shameless! I bet you’re so proud of yourself!”

Gongsun Qing’s face darkened as well.

Mu Yaoyao was openly attacking her!

She leapt to her feet and glared at Mu Yaoyao!

Looking over her shoulder, Feng Wu saw that the two girls were indeed turning against each other. This was going to be fun.

Gongsun Qing snapped, “Mu Yaoyao, what was that supposed to mean?!”

“You heard me. Don’t understand Chinese?” said Mu Yaoyao.

“Are you cursing me now?”

“I’m just reminding you: Everyone should know their rightful place!”

“And I don’t? How?”

“Heh. You think you do? If that’s the case, you won’t be fantasizing about marrying His Royal Highness. Even with Feng Wu out of the picture, there’s still Zuo Qingluan!”

Gongsun Qing’s face turned livid.

Mu Yaoyao snorted. “My senior sister is the one with True Phoenix Blood, which makes her the only one worthy of His Royal Highness’s affections! Who the hell do you think you are?!”

“You!” Cheeks flushed with embarrassment, Gongsun Qing raised a hand to slap Mu Yaoyao.

“Do you know how amazing my senior sister is? She’s like a goddess!

“She became a Spiritual Elder when I left my sect the year before last!

“Even Elder Mystery was amazed by her achievements in cultivation and formations!

“She can fend off thousands of magical beasts with her spiritual zither!

“And she has obtained her phoenix wings already, with which she can fly!

“She’s only fifteen and she has obtained such achievements. In a few years... Gongsun Qing, you’re nothing compared with her!”

Gongsun Qing’s face was scarlet. She clenched her fists so tightly that her knuckles turned white.

She wanted to hit Mu Yaoyao, but couldn’t bring herself to do it.

855 Unexpected! 2

“Is that so?”

“If you want it.”

Feng Wu was intrigued. What was Gongsun Qing getting at?

She smiled. “What do you want from me?”

Gongsun Qing replied, “It’s very simple. Kill Mu Yaoyao for me.”

Feng Wu said, “You think I’m able to do that?”

“You’re not, but after Prince Yu wakes up, you can ask him to do it for you. He won’t even break a sweat! Well, I just don’t like that Mu Yaoyao. Kill her for me and I’ll put in a good word for you in front of His Royal Highness. Deal?”

Feng Wu rolled her eyes. “Do you take me for an idiot? Put in whatever word you want. Just leave me alone.”

Nudging Gongsun Qing out of her way, Feng Wu went back into the tent with her basin of water.

Surprised by Feng Wu’s reaction, Gongsun Qing almost tripped.

“Hey! You ungrateful woman!” Gongsun Qing flared up. “You’ll see after I become His Royal Highness’s woman!”

Meanwhile, a few girls, who had been hiding behind an ice wall, ran to her side.

“Sister Qing, you lost! Hahaha! Pay up!”

“Sister Qing, that was unexpected. I thought we had her there and would make her fight to the death with Mu Yaoyao. But she wouldn’t take the bait!”

“This Feng Wu is cleverer than I thought!”

It was supposed to be a trap, and they were ready to laugh at Feng Wu when she agreed. But she turned it down!

“Sister Qing, His Royal Highness really has feelings for you, right?”

Gongsun Qing gloated. “Of course!”

“Sister Qing, I have some freshly picked tea here. His Royal Highness probably doesn’t have any hot tea in this abominable place. How about you make some for him?”

Gongsun Qing hesitated. “Are you sure about that?”

“Of course! It’s His Royal Highness we’re talking about here. The feelings are mutual, and what’s wrong with a cup of tea? Princess Mu has no reason to stop you.”

By now, all the girls were divided into two teams: Gongsun Qing vs Mu Yaoyao.

Feng Wu was the only one who remained neutral.

Those who supported Gongsun Qing were all prompting her to visit the crown prince.

What was His Royal Highness doing at that moment?

Xuan Yi and Feng Xun had already built a neat log cabin for him.

Even if he was only staying for the night, the crown prince’s dwelling had to be in pristine condition, with all the necessary equipment on hand.

And that was when Feng wasn’t around.

If the steward had been here, even the color of the logs had to be adjusted to the perfect shade.

The window of the cabin opened up in the direction of the snow mountains in the distance, which made for a magnificent view.

The cabin was plainly decorated with a wooden bed and a table.

Jun Linyuan and Xuan Yi sat opposite each other on rush cushions.

And Jun Linyuan didn’t look too good.

His face was livid and he was giving off a cold air.

Xuan Yi couldn’t stand the atmosphere anymore. He rose to his feet and wanted to leave the room.

But —

“Sit your ass down!” Jun Linyuan stared at him.

“Alright...” Rubbing his nose, Xuan Yi reluctantly sat back down.

“Aren’t girls supposed to be jealous when the guys they like treat other girls nicely?” Jun Linyuan glared at Xuan Yi.

Xuan Yi nodded. “That’s right. And it’s the same with guys. They don’t like the girls they’re fond of to be too close with other guys, too.”

Xuan Yi thought he had made the hint obvious enough. Your Royal Highness, please listen to your heart!

Something did click in Jun Linyuan’s head at Xuan Yi’s words, but the crown prince was so absorbed in figuring Feng Wu out that he ignored it.

856 Unexpected! 3

“Then why wasn’t she angry?” Jun Linyuan glowered at Xuan Yi.

“Who wasn’t angry? Oh, you mean little Feng Wu? Well... maybe she’s still too young for that?”

Was that possible? Jun Linyuan rubbed his chin.

“So, she wasn’t angry.” Jun Linyuan frowned.

Xuan Yi said, “Well... she could be angry, but she might be too good at hiding her emotions.”

Jun Linyuan clenched his fists. So, was she angry or not?

Did she care about him at all?

Just then, there was a knock at the door.

The interruption irritated Jun Linyuan.

Whoever was at the door was senseless enough to enter the room without permission.

Xuan Yi’s heart sank. Given the crown prince’s temper...

It was none other than Gongsun Qing.

However, Jun Linyuan’s gaze lingered in her direction for a moment.

The person he was staring at was Feng Wu, not Gongsun Qing.

Somehow, Feng Wu had come with all the other girls and was smirking at him from the door.

Smirking? Why was she doing that?

Gongsun Qing thought the crown prince was looking at her and was thrilled.

“Your Royal Highness, here’s some Xiluo tea I just brewed. I didn’t have much to work with here. I hope you don’t mind —”

After that, Gongsun Qing poured a cup of Xiluo tea and handed it to Jun Linyuan with both hands.

Outside —

Many girls were waiting!

Gongsun Qing had invited Feng Wu to come with her.

Because she wanted to show Feng Wu how much the crown prince cared about her, and she wanted to prove that she had the power to persuade Jun Linyuan.

Just then!

Jun Linyuan saw that Feng Wu was blatantly sneering at him!

He smacked the table.

Gongsun Qing had yet to put the cup down, and jumped at the sudden movement. Her hand jolted, and she spilled some tea on Jun Linyuan’s sleeve.

Jun Linyuan then took out a pouch from inside his sleeve and saw that it had been stained by the tea.

The next moment!

Jun Linyuan's face turned livid!

The look he gave Gongsun Qing was so fierce that it reminded her of a thunderbolt!

That pouch was hideous! Why did His Royal Highness have it on him? It was like a joke!

"Your Royal Highness, let me wash that pouch for you..."

However, before Gongsun Qing could finish her sentence —

Something astonishing happened!

Jun Linyuan raised a foot and kicked Gongsun Qing in the stomach!

Oh god!

Everyone was shocked!

What just happened?!

The girls Gongsun Qing had brought with her were even more shocked!

They had expected to see Gongsun Qing serve the tea and His Royal Highness look affectionately at her... However, none of that happened, and Gongsun Qing was kicked out of the room!

Yes! She flew out of the cabin!

Gongsun Qing couldn't believe what happened!

She was kicked out of the window, flew through the air, then landed on the ground with a thump, making a large pit in the snow.

She even forgot to climb out.

"Sister Qing! Sister Qing! What happened there?!" Shi Xuan scrambled over and dug Gongsun Qing out.

Gongsun Qing shook her head, and loose snow fell down from her hair. She was dumbfounded.

She had no idea!

A hush fell over the crowd...

Many were exchanging looks.

Didn't His Royal Highness like Gongsun Qing?

857 Unexpected! 4

The crown prince was in love with her? Said who?

However frustrated Mu Yaoyao was before, she was delighted by what just happened!

She wanted to jump up and down and cheer!

"Cough, cough —"

Gongsun Qing coughed all of a sudden and began to vomit blood!

Pffft!

A clot of blood fell out of her mouth.

Feng Wu had wanted to steer clear of this Gongsun Qing business, but she was alarmed by the blood clot the latter spat out!

She went up to Jun Linyuan and glared at him.

“Just because you’re the crown prince doesn’t mean you can do whatever you like!

“Jun Linyuan, do other people’s lives mean nothing to you?!

“I’m so disappointed!”

Feng Wu’s eyes spat fire!

Jun Linyuan’s face turned livid and he clenched his fists.

The murderous look in his eyes reminded the others of a lone wolf king!

Everyone held their breaths for Feng Wu.

That woman was so dead!

Gongsun Qing only spilled a few drops of tea and the crown prince was so mad that he kicked her out of the cabin.

And what had Feng Wu done?

She had scolded His Royal Highness relentlessly!

She was so getting killed for this!

Feng Xun was on edge and was ready to go to Feng Wu’s rescue at any moment!

However, to everyone’s surprise —

Glaring was the only thing the crown prince did, until Feng Wu stormed off. He didn’t explode like everyone expected.

Feng Wu went up to Gongsun Qing with a grim look on her face and told Shi Xuan, “Move.”

“Feng Wu!” Gongsun Qing was agitated as soon as she saw Feng Wu.

She had practically dragged Feng Wu here to demonstrate how affectionate the crown prince would be with her. As it turned out... Gongsun Qing was utterly humiliated!

“Go away! I don’t want to see you here! Retch —”

In her agitation, Gongsun Qing spat out another clot of blood!

Shi Xuan stared at Feng Wu and yelled, “Go away! We don’t want you here!”

Feng Wu darted a glance at Gongsun Qing. "I wouldn't stay here a second longer if it isn't for the fact that you're going to die."

She was going to die?!

Everyone's eyes widened!

Many had stayed behind to tease Gongsun Qing, especially those on Mu Yaoyao's side. But now, no one knew what to say.

"Are you saying... I'm dying?" Gongsun Qing wouldn't believe it.

It was only a common internal injury, wasn't it?

Feng Wu smirked. "What do you think you just spat out?"

"What?"

"Bits of your internal organs," Feng Wu said gravely.

That was why she was so mad.

Jun Linyuan had gone too far!

He was still that guy from Northern Border City who didn't hesitate to kill a stranger. To him, other people were no more than ants, Gongsun Qing or the "ugly girl" alike.

"My internal organs? My..." Gongsun Qing blanched!

Shi Xuan had some medical skills, and she had done particularly well on the medical questions in the written exam. So —

She went ghastly pale after examining Gongsun Qing.

"How can... how can this be..."

"You have multiple injuries to your internal organs and you have internal bleeding! What are we going to do? You'll die from the blood loss! Sister Qing, it's true!"

Shi Xuan was almost in tears.

Everyone else stared at Feng Wu in disbelief.

858 Unexpected! 5

Only then did they remember that Feng Wu had gotten full marks in her written exam. That was to say, she had answered all the medical questions correctly!

She had to be excellent in her medical skills.

"There's only one option for you." Feng Wu stared at Gongsun Qing. "Withdraw from the tryout and go find Master Chu. He's your only hope."

Withdraw? No...

“Gongsun Qing, withdraw now!”

Gongsun Lan’s authoritative voice rang out in Gongsun Qing’s ears!

Gongsun Lan’s excitement had been completely replaced with rage!

What Jun Linyuan did had utterly humiliated Gongsun Lan!

Gongsun Qing had no other choice but to withdraw at the order.

Gritting her teeth, she was about to hit the panic button when —

All of a sudden!

Buzz —

Buzz —

Their headbands made a strange noise.

What was going on?

All of a sudden!

With a click, all sound was cut off!

The bosses were still looking at the screen when —

The image disappeared.

The screen turned completely black.

What on earth was going on here?!

All their faces darkened!

An incident on this scale was unprecedented!

Gongsun Lan was especially furious.

She panicked!

“What’s happening? Why is the image gone? Grand Secretary Fang, can you hear them?”

Gongsun Lan realized that she had lost contact with Gongsun Qing.

Grand Secretary Fang tried and failed as well.

Something had gone terribly wrong!

Back in the snowfield —

That sudden buzzing sound made everyone prick up their ears and look around suspiciously.

They were still alarmed when the sound disappeared.

Everything was back to normal.

Only that —

“I can’t withdraw... sob... it’s not working...”

After all, Gongsun Qing was only a teenage girl, and it was only natural for her to be flustered at the turn of events.

Immediately, all eyes were on Feng Wu.

Feng Wu sighed in resignation. “Take her inside.”

Luckily, Feng Wu still had a tent left. Otherwise, her patient would freeze to death before she could treat her.

Feng Xun tugged at Feng Wu’s sleeve as the others carried Gongsun Qing into the tent. “Can you save her?”

Feng Wu said, “Don’t get your hopes up.”

The looks the others gave the crown prince were even more awe-stricken and frightened.

They reflected on themselves.

His Royal Highness was indeed as merciless and lethal as he was rumored to be! He was so dangerous to be around!

The little kindness the crown prince had shown had been mistaken for a change in his disposition. As a result, they had crossed the line...

Gongsun Qing thought the same.

She had assumed too much because of what His Royal Highness said and had acted inappropriately. She believed that she was the victim of her own deeds.

No one thought Jun Linyuan did anything wrong, for they believed that such was how he should behave. The crown prince was supposed to be unattainable and out of reach.

For a moment, it was all hushed in the campsite.

But it didn’t last long.

Someone whispered, “What was that buzzing sound?”

“I have no idea. Communication went down all at once.”

“We’ve lost all means of communication with the outside world now. I’m beginning to freak out a little.”

859 Unexpected! 6

“Can the portal be opened again? Are we going to be locked in here forever?”

—

The more they discussed, the more flustered they became. Everyone was on edge.

“We’re so lucky that we have His Royal Highness with us!”

“Yes. Yes, that’s right. With His Royal Highness here, there’s no need to be afraid. I’m sure he’ll get us out of here.”

“But the question is: will His Royal Highness do that?”

—

That silenced everyone.

The crown prince had no obligation to do that. What was more, being helpful had never been in his nature... At that thought, the candidates began to panic again.

Feng Wu had no time for any of that. She was busy treating Gongsun Qing.

In his enraged state, Jun Linyuan hadn’t even thought about controlling his strength, which was why Gongsun Qing was so severely injured.

However, would Jun Linyuan lose control over a few drops of tea?

Looking up, Feng Wu saw the sky outside through the tent gap. It was overcast and the wind was howling. It looked ominous.

In this sort of situation, it was very likely that Gongsun Qing would become a burden to everyone else.

Now that the way out had been cut off... would Gongsun Qing die here?

Jun Linyuan would be the one to blame if that happened.

The only way for Gongsun Qing to make a quick recovery was to use Feng Wu’s blood.

More precisely, to use her blood which contained the internal elixir of that Frosty Night Beast.

Feng Wu took out her dagger without hesitation!

Thud!

Blood gushed out!

“Ah!”

Shi Xuan cried out in surprise and covered her eyes.

She had never expected Feng Wu to slash her wrist open!

“Xiao Wu!” Feng Xun cried out as well.

Feng Wu ordered. “Pry her mouth open!”

“Yes, of course —”

Feng Xun and Shi Xuan scurried to Gongsun Qing’s side and opened her mouth.

Feng Wu sighed inwardly as she fed her own blood to Gongsun Qing. She would never have to do this if it wasn't for the internal elixir she had swallowed. This was all Jun Linyuan's fault.

While Feng Wu's mind was wandering off, Shi Xuan observed Feng Wu with conflicted feelings.

She recalled all the things Gongsun Qing had said about Feng Wu this whole time, and how Gongsun Qing had been showing off in front of the latter. But now, Feng Wu was saving Gongsun Qing at the cost of her own life...

Was Feng Wu really as bad as she was rumored to be?

If she was a bad person, then what did a good person look like?

Shi Xuan was bemused.

"Is that enough? Is it?"

Feng Wu had yet to comment on her blood loss before Feng Xun cried out first. His voice was trembling.

Feng Wu nodded after examining Gongsun Qing, then gave Feng Xun instructions. "Warm up the blood for her with your spiritual essence, then direct it to her injured internal organs. It should do the trick and repair them."

Feng Wu swayed a little after those words.

She hadn't fully recovered from her own blood loss earlier, and she had just given away some more. Her face was ghastly pale.

"Xiao Wu, you —"

Feng Xun doted on Feng Wu. Gongsun Qing was the last thing on his mind, and all he wanted to do was check up on his dear little sister.

However, Feng Wu shook her head. "You can't let all my efforts go to waste."

Feng Xun had no choice but to do as Feng Wu said.

Feng Wu's face had drained of all color and she felt like she was going to black out. She sat down against the wall, crossed her legs, and rested in silence.

860 Unexpected! 7

The first thing Xuan Yi noticed when he walked into the tent was Feng Wu's bloody wrist.

"What happened?!" Xuan Yi cried out.

Boss Jun would go berserk if he saw this!

Xuan Yi glared at Feng Xun. "What kind of brother are you? Your sister is still bleeding and you're looking after someone else?!"

Like Jun Linyuan, Feng Xun and Xuan Yi only cared about those they deemed as one of their own.

Shi Xuan listened in embarrassment, but didn't dare to utter a sound.

Feng Xun snapped, "What? Xiao Wu's wound hasn't been treated yet? Oh god, I'm such an idiot!"

Feng Xun forgot all about Gongsun Qing and went to look after Feng Wu.

Shi Xuan was speechless.

Four hours had passed when Feng Wu woke up again. The sun was setting and the light was fading outside.

She looked up to see the concerned expression on Feng Xun's face and his frighteningly bright eyes.

"What time is it now?" Feng Wu asked weakly.

"It's a little after five. The sun's almost down."

"How's Gongsun Qing doing?"

Feng Xun rolled his eyes at Feng Wu. "I'd worry more about myself if I were you. Who the hell is that Gongsun Qing? She's not worthy of your blood."

"There's greater merit in saving a life than building a great temple." Feng Wu smiled.

As a matter of fact, she would never have used her own blood under normal circumstances, but what was happening was anything but normal. Luckily, blood was a renewable resource.

"I don't care about a stupid temple! You're the world to me! Remember this: nothing is more important than your own life!"

A smile appeared on Feng Wu's pale face. "It feels good to have a big brother."

This was the first time that Feng Wu had addressed Feng Xun as her brother.

Feng Xun almost blushed. Scratching his head, he said, "Well, I'm going to Boss Jun now. I'll come back with something nice for you!"

Something nice for her? An idea struck Feng Wu. Could Jun Linyuan...

In Jun Linyuan's cabin.

"Boss Jun, you have no idea what Xiao Wu has gone through," Feng Xun said with a long face. "She's such a brave girl. She cut her wrist open for another person! The blood gushed out like a fountain! Gosh, I was so frightened!"

Feng Xun didn't look frightened, but the crown prince blanched a little.

It was just that Feng Xun didn't notice.

The crown prince had gone stiff. He felt a chill run down his spine as he stared at Feng Xun.

Feng Xun said, "I kept wondering, was it worth it for her to hurt herself to save that Gongsun Qing?"

The crown prince said, "No!"

"I thought the same." Feng Xun nodded. "My sister is so kind and naive..."

“She’s stupid!” Jun Linyuan’s eyes flickered.

Feng Xun cleared his throat. “Well, the girl has lost a lot of blood and she’s all dizzy. Boss Jun, do you have any tonics or potions on you that can help her?”

Feng Xun smiled obsequiously and put an open palm under Jun Linyuan’s nose.

Jun Linyuan glanced at him, then rose to his feet and walked out with an impassive face.

Feng Xun followed him out immediately.

Jun Linyuan headed directly for Feng Wu’s tent.

On their way there, many rose to their feet to show their reverent respect for their crown prince.

“Have you heard? Feng Wu saved Gongsun Qing’s life.”
