Chapter 529

What?

Joash, who was standing at the side, widened his eyes and mouth in disbelief.

Bruce was taken aback as well. Then, he tugged on his mask and asked, "Yes, I do. Ms. Rachford. would you like to take a look?"

Joash was dumbstruck.

Just then, the elevator arrived on the chosen floor, and the doors opened automatically.

It was then Genevieve said, "I was just asking."

Before stepping out, she glanced at Bruce out of the corner of her eyes and remarked, "You have nice hands too."

Once Genevieve was a distance away. Joash walked out of the elevator with Bruce and said in an odd tone, "Mr. Gable, say, Ms. Rachford complimented you on your slim waist and nice hands. Do you think..."

After all, Bruce was a good-looking man. On the set, actresses would always take the opportunity to touch him all over.

Bruce looked at Genevieve's departing figure, and his dark eyes glinted.
