

THE MOST GENEROUS MASTER EVER Chapter 100

At this moment, the sea of blood was churning.

The Cardinals fought over a spirit fruit...

“Hmph, Old Jiang, Old Tiantong, I was the first to discover this spirit fruit. Do you really want to snatch it?” Tianji Zi said angrily as he swept his sword and forced Jiang Jiezhi and Daoist Tiantong back.

“Haha, ridiculous! This is too ridiculous...” Daoist Tiantong laughed and continued, “Since it’s a treasure of heaven and earth, it should be obtained by the capable. Is it really yours if you saw it first? What a joke.”

Tianji Zi’s face turned black when faced with the mockery of Daoist Tiantong. He looked greedily at the sparkling spirit fruit on the huge tree on the other side.

This spirit fruit was not an immortal-grade, but it had grown for tens of thousands of years and contained an astonishing amount of vitality. It was the treasure he needed the most at the moment.

Jiang Jiezhi stroked his beard and smiled. “Fellow Daoist Tianji Zi, I’m afraid you haven’t fully recovered from your injuries from Ye Qiu, right? At this moment, do you think you still have a chance of winning against the two of us?”

“Two old things! I’m not afraid even if you attack me together.”

For a time, the battle began again, and the entire sea of blood churned.

The power inside completely erupted because the Monarch’s tomb had just opened and the treasures hidden in the Monarch’s tomb gradually appeared.

A treasure flew past the horizon. A Cardinal rushed out excitedly, wanting to snatch the treasure.

On the other side, someone discovered a Blood Guillotine growing in the underground abyss.

At this moment, the Monarch's tomb was very lively. Almost half of the Cardinals and experts in the Eastern Wasteland had come...

For a time, the heavens and earth were in chaos. Among them, the battle between Tianji Zi, Jiang Jiezhi and Daoist Tiantong was the most intense.

Just as they were still snatching the spirit fruits, space trembled and a brilliant figure appeared in the sky above the sea of blood.

"Hmm? This is... a realm domain?" As soon as she entered the tomb, Ming Yue felt the cultivation halo on her body. It was the same feeling as Ye Qiu back then. She immediately understood that this was the domain of a Cardinal.

As soon as she entered, Ming Yue saw the three people fighting not far away, snatching a spirit fruit.

Ming Yue's eyes lit up when she saw the spirit fruit and she smiled. However, she gave up after making her own judgment. She had no chance at all when faced with these three old fellows. She should find Ye Qiu's whereabouts first. If she was lucky, she might even have an opportunity.

At this moment, the three people who were fighting felt that someone had barged into this domain and stopped. After discovering Ming Yue, Daoist Tiantong chuckled and said, "So it's Fellow Daoist Ming Yue. I thought that the Immortal Mountain's reinforcements had arrived."

“Hmph... Heaven Mending Sect again.” Tianji Zi’s face was gloomy as he coldly stared at Ming Yue. His killing intent instantly soared. He still held a grudge against Ye Qiu for injuring him. If it weren’t for Ye Qiu, he wouldn’t have ended up in such a state, suppressed by Daoist Tiantong and Jiang Jiezi.

Ming Yue felt Tianji Zi’s killing intent and her heart trembled. Her expression was strange. “Why is this guy so hostile to me? When did I provoke him?”

Ming Yue didn’t understand, but she didn’t mind. She asked Daoist Tiantong, “Fellow Daoist Tiantong, have you seen my junior brother?”

Daoist Tiantong and Jiang Jiezi looked at each other and shook their heads. “No!”

“Previously, the Monarch’s tomb had just opened and the scene was too chaotic. Fellow Daoist Ye Qiu followed the Heaven Swallowing Sparrow in before us. After we entered, he was already gone. Only the remains of a Giant Tooth Shark remained. From the looks of it, that Giant Tooth Shark should have died not long ago. It must have died at the hands of Fellow Daoist Ye Qiu.”

Ming Yue was deep in thought. She looked around at the chaos on the sea of blood and a trace of disappointment flashed across her eyes.

“Hmph, Ye Qiu? That guy is probably dead now.” At this moment, Tianji Zi said coldly, “He has already entered this place during the first wave of energy impact. A few days have passed, but no one has seen him. He must have died in some unknown corner.”

Ming Yue frowned. She roughly knew why Tianji Zi was so hostile towards her. So it was because of Ye Qiu.

Ming Yue had also heard that Ye Qiu had severely injured him. She was still shocked for a long time. She didn't expect Ye Qiu's strength to have already reached this level.

She was also very disappointed. She could feel that the gap between her and Ye Qiu was getting bigger and bigger. If this continued, Ye Qiu was destined to become someone she could only look up to, and the distance between them would grow further and further. At that time, could she still get along with Ye Qiu like before?

Every time she thought of this, Ming Yue felt extremely disappointed.

Ming Yue's eyes turned cold as she looked up at Tianji Zi. "Don't worry, even if you die, my junior brother will be fine."

In her heart, she didn't seem to allow anyone to speak ill of Ye Qiu.

"Little girl, you're courting death..." Tianji Zi was instantly enraged and slapped over. Ming Yue did not move and was already prepared for battle.

At this moment, Daoist Tiantong interfered and hit Tianji Zi back. He turned around and said to Ming Yue, "Fellow Daoist Ming Yue, if you want to find Fellow Daoist Ye Qiu, you can go east. If I'm not wrong, he should be heading east."

The Giant Tooth Shark's corpse was found in the east. It wasn't difficult for Daoist Tiantong to determine Ye Qiu's whereabouts. After all, Ye Qiu was the first person to enter this place. Only he could kill the Giant Tooth Shark.

Ming Yue looked at Daoist Tiantong gratefully and said, "Thank you, Daoist Tiantong. I'll take my leave first. You guys continue..."

She came in this time to find Ye Qiu and didn't have time to waste on Tianji Zi. After saying goodbye to the two of them, Ming Yue chased after Ye Qiu's aura and flew towards the east.

Soon, she found the corpse of the Giant Tooth Shark on the coastline. She became even more certain of Daoist Tiantong's judgment and continued flying towards the distant mountain.

At this moment, in the blessed land, Ye Qiu was still tempering his Supreme Body.

Three days had passed in the outside world, and a month had passed in the blessed land he was in.

Ye Qiu's body gradually changed after a month of tempering. Golden runes appeared on his body. They were the runes of the True Dragon's bone.

At this moment, he was borrowing the rune's power of the precious bone to forge his Supreme Body. If he succeeded, his body would reach a perfect state. Not only would it have astonishing recovery effects, but its defense would also reach the peak.

"It's time for the last one..." Ye Qiu was a little excited after he had tempered his body for a month. His body was already close to perfection. His realm also began to slowly increase. Soon, he stepped through the final stage.

In the depths of the prefecture sea, another Dao Flower slowly bloomed beside the blooming Dao Flower, emitting a dazzling light.

Ye Qiu felt a wave of spiritual energy approaching the spiritual spring and diving down. He felt like his soul had sublimated.

"Ah... This feeling is too awesome..."

It was as if something that had been suppressed for many years had finally poured out.

The entire grotto-heaven blessed land trembled violently as that shocking power erupted.

Boom...

Ye Qiu's clothes instantly exploded with a loud bang, revealing perfect muscles.

Ye Qiu's entire temperament underwent a tremendous change after successfully forging the Supreme Body. As the Dao Flower bloomed freely in the prefecture sea, the spiritual energy in his body seemed to have been sucked dry.

Ye Qiu instantly exerted strength. In an instant, all the spiritual energy in the grotto-heaven blessed land poured over, forming a huge vortex above his head and pouring into Ye Qiu's body.

Ye Qiu's body trembled as he felt the power of a Paragon pouring in.

This comfortable feeling was wonderful...

After an unknown period of time, the spiritual energy that had been accumulated in the grotto-heaven blessed land for tens of thousands of years was finally sucked dry by Ye Qiu. His cultivation finally stepped into the early-stage Paragon realm.

However, because this space was the Cardinal's domain, Ye Qiu could only temporarily suppress his cultivation to prevent himself from being teleported away.

Ye Qiu slowly opened his eyes with a happy smile on his face. He looked around and saw that the spiritual spring had been sucked dry. He looked at his clothes and saw that they had been completely destroyed.

Ye Qiu's heart ached.

"This is all money! I haven't had my fill of the new custom-made clothes yet, yet it has been scrapped. Fortunately, I prepared a few more clothes before I went down the mountain in case of emergencies. Otherwise, going out naked like this would damage my dignity..."

Ye Qiu rejoiced. He took it out from his storage jade pendant and changed into a clean set of clothes.

He slowly raised his right hand and felt the powerful right arm as well as the endless power in his body. Ye Qiu's confidence immediately soared. If he encountered the Heaven Swallowing Sparrow again, he would definitely be able to kill it.

Just as he was immersed in the joy of breaking through, suddenly the cave entrance trembled, as if someone had barged in.

Ye Qiu frowned and realized that Ming Yue was carefully pushing open the stone wall while lowering her head and walked in. She observed as she walked, extremely cautious.

After Ye Qiu discovered her, he suddenly had an idea. He hurriedly blocked his aura and hid behind a large rock.

After concealing his aura, Ming Yue's divine sense couldn't detect Ye Qiu's existence. She only cared about walking in. As she walked, she cursed softly, "Damn it, where did he hide?! His aura clearly disappeared here, why isn't he here..."

Ming Yue was a little angry. She had followed Ye Qiu's aura all the way here, but it ended here.

Ming Yue's body trembled as she looked around the cave.

“There’s actually a time domain array here?” Ming Yue was shocked. She looked at the blessed land in front of her and walked with light steps to the spiritual spring where Ye Qiu had just cultivated. She fell into a long examination.

At this moment, the cave was very quiet. The sound of water dripping could be heard clearly from afar.

Suddenly...

“Ah...”

A scream came from behind, and under the moonlight, her entire body trembled. Even a man would not be able to withstand this sudden shock, let alone her.

Ming Yue turned around with a pale face and realized that the person who screamed was Ye Qiu. She immediately stomped her feet in anger.

“Are you crazy?” Ming Yue was still in shock. Her face was pale. The sudden shock just now had made her legs go limp.

“Haha...” Ye Qiu let out a deranged laugh.

He wanted to scare his beautiful senior sister on a whim. He had thought that he would not be able to scare her with her current mental state. Who would have thought that Ming Yue would be so frightened that her face turned pale? At first glance, it made one unconsciously feel pity for her.

Her watery eyes were filled with faint tears. They were beautiful and intoxicating. Unfortunately, Ye Qiu wasn’t in the mood to appreciate it. He smiled unkindly.

“Damn you, how dare you laugh... I’m so angry.” Ming Yue gritted her teeth in anger. She was so worried about Ye Qiu’s safety that she chased him all the way here. Now that she had found him, not only was she not happy at all, she was also very angry.

As she spoke, she reached out to hit Ye Qiu to vent her anger. However, that little fist was soft and weak. It didn’t look like she was taking revenge. Instead, it felt like she was flirting with him.

Ye Qiu didn’t resist. Instead, he stood quietly on the spot and let her vent her anger. After a while, Ming Yue finally recovered from her shock, but she was still very angry.

Ye Qiu looked at her in amusement and said, “Senior Sister, why are you here?”

“Hmph, you still dare to say that? You tracked the Heaven Swallowing Sparrow here without saying a word or sending a message back.” Ming Yue said angrily.

Ye Qiu was amused when he heard this. He suddenly lowered his voice and blew into Ming Yue’s ear. “Senior Sister, are you worried about me?”

“Go to hell. Who would worry about you? I just happened to pass by here.” Ming Yue denied it as if her thoughts had been seen through. Her face turned red. She felt the wind from Ye Qiu beside her ear. It was itchy and had a special feeling.

Ye Qiu smiled and pretended to be disappointed. “Oh... I thought Senior Sister was worried about my safety, so you came all the way here to find me. Sigh... Looks like I was thinking too much.”

“No...” Ming Yue’s heart trembled when she saw Ye Qiu’s disappointed expression. She thought that her words had hurt Ye Qiu and panicked. She asked herself honestly. She was indeed worried about Ye Qiu, so she came.

Ming Yue couldn't bear it and was about to explain when she suddenly realized the slyness in his eyes. She immediately understood that this guy was tricking her again.

"Damn it!" Ming Yue stomped her feet in anger. She thought that it was a display of his true feelings, but she didn't expect it to be another trap. In the end, she gave her feelings to the wrong person.

Enraged, Ming Yue punched Ye Qiu's chest a few more times. Suddenly, the stone under her feet slipped and fell into the spiritual spring.

Ming Yue immediately lost her balance and fell down. At the critical moment, Ye Qiu decisively reached out and pulled her back. He pulled her into his arms and took advantage of her. This was a chance given by the heavens. It would be a waste not to take it.

Ye Qiu took a deep breath as he smelled the faint fragrance from the soft body in his arms.

He looked down.

"Hiss..."

It was a different scene that made it difficult for one to extricate themselves. I've said more than once that only people like me who have seen countless films can resist this erotic scene.

At this moment, Ming Yue's heart was thumping wildly, and she was extremely nervous. She felt completely safe in Ye Qiu's arms. She was ashamed of her shyness and had no choice but to push him away. Her face was red and she was very moving.

"Damn it, he took advantage of me again." Ming Yue cursed softly.

She didn't know what was wrong with her. Her heart was racing just now. She even felt a little expectant and reluctant. Ming Yue, oh Ming Yue, to think that you don't even have this state of mind after cultivating for so many years.

She despised herself more than once, but when she met Ye Qiu's eyes, her heart couldn't help but beat faster.

After a long time, she finally recovered. She pretended to be calm and returned to her normal state.

"Phew..." She heaved a long sigh of relief to ease the awkward atmosphere.

Just as she was about to say something, Ye Qiu suddenly said, "It smells so good. Senior Sister... What did you eat growing up? Why do you have a special fragrance on you? This fragrance is very charming and special! One whiff of it is enough to make people indulge..."

"Hmm... Let me take another puff..."

"Go to hell..." Ming Yue blushed. She had just recovered from her shock when Ye Qiu broke her defenses again.

"Haha..." Ye Qiu laughed unkindly. He suddenly realized that teasing Ming Yue was also a very happy thing.

Ming Yue was exasperated and gritted her teeth. However, when she heard Ye Qiu say that her fragrance was very charming, she was delighted. It seemed that she was not completely useless. She had always thought that her beauty wasn't enough to attract Ye Qiu, so she was disappointed for a long time. From the looks of it, she still has some attractive points.

However, this fellow was too detestable.

The fragrance Ye Qiu mentioned just now was her unique body fragrance. This might be related to the cultivation technique she cultivated, or perhaps she was born with it. She was not sure. She only knew that this fragrance was very attractive to men. However, she did not know how attractive it was. She had never tried it before.

Ye Qiu laughed for a long time before finally calming down. He said, "Alright, alright. I won't tease you anymore."

Ye Qiu looked around and said, "Senior Sister, this is a blessed land with a time domain. It's very suitable for cultivation. Do you want to go into seclusion here?"

Ming Yue was stunned. She had long seen through it. She thought about it. She had just broken through to the Cardinal realm and currently had no opportunity to break through. Although her cultivation could also increase during this seclusion, the benefits were not great.

There were many treasures in the Monarch's tomb now. Instead of wasting her time here, she might as well dig for treasures.

"Forget it. There are many treasures in this tomb. Instead of wasting time here, it's better to search for treasures. When I came just now, I discovered that Daoist Tiantong, Jiang Jiezhi, and the Immortal Mountain's Tianji Zi were fighting over a spirit fruit."

Ye Qiu was stunned.

"It's this old man again. Hmm..." After pondering for a moment, Ye Qiu suddenly revealed a smile and asked ambiguously, "Senior Sister, do you want this spirit fruit? I'll go snatch it back for you..."

Ming Yue's heart trembled. She felt tempted.

Was he going to confess? I'm so excited...

This was the first time he had expressed that he wanted to give me a gift.

However, after thinking about it carefully, Ming Yue shook her head and said, "Forget it. That fruit is useless to me. You should save your energy."
