

# The Most Generous Master Ever

## Chapter 14: Resist

“Born with Mystical Ice Bones. Haha, Junior Apprentice Brother Ye, you really picked up a treasure.” Ming Yue smiled.

She was already feeling regretful. If she had been a little more determined and chosen Lin Qingzhu, wouldn't this genius disciple have been hers? It was a pity that this divine bone had benefited Ye Qiu.

Ming Yue was very dissatisfied. How could she not know Ye Qiu's ability? Leaving this divine bone with him was a complete waste. However, it was as if Lin Qingzhu had been bewitched by him and couldn't bear to leave Violet Cloud Peak.

The more she thought about it, the angrier she got. *How hateful! There were so many people present back then, but not a single one of them had discovered that there was a hidden divine bone in her body.*

Ye Qiu narrowed his eyes at Ming Yue's words and didn't explain. From beginning to end, he was disdainful to explain all this.

“However, there's something that I don't understand. How did she manage to reach Black Finger realm in just five days after entering the sect?” Ming Yue curiously asked. Although the divine bone was very strong, it shouldn't be able to let her enter the Black Finger realm in five days, right?

There must be something fishy going on here.

“Black Finger!” Su Ya was shocked. She had spent five days just to reach the first level of Qi Mastery. She had wanted to show off to Lin Qingzhu later. But this was a complete face smacking! What was there to brag about? What else was there to brag about? Her expression was extremely ugly.

Initially, she was proud that she could join the Sky Water Peak. But now, she realized that the clown was actually her. No, she didn't believe that was true. Why was Lin Qingzhu always one step ahead of her since they were young? She had thought that she would finally be able to defeat her this time. She had wanted to bring her back with her, but she did not expect herself to lose so thoroughly.

“Qingqing, have you really reached the Black Finger realm?” Su Ya ran over and grabbed Lin Qingzhu’s hand in shock.

Looking at her shocked face, Lin Qingzhu laughed in her heart. Everyone thought that her life was ruined after she entered Violet Cloud Peak. How could they have known that there was a selfless master here?

Nodding her head, Lin Qingzhu indifferently said, “Master has treated me very well. Yesterday, he gave me ten years of cultivation, allowing me to break through my Black Finger and reach the first level of the Black Finger.”

“This... how is this possible?” Su Ya was still in disbelief as her expression turned ugly.

“What! Imparting cultivation?” When she heard this, Ming Yue frowned. She turned around to look at the calm Ye Qiu and was extremely shocked.

*He was actually willing to impart his cultivation to his disciple? Wait a minute, didn't they say that he was only a level two Black Finger? If he were to impart ten years of his cultivation, wouldn't it mean that he had wasted his ten years of cultivation?*

After calming herself down, Ming Yue’s Wisdom Eye opened. She wanted to see what Ye Qiu’s current cultivation was. Just as she was about to check, she was suddenly repelled by an astonishing force. Ming Yue was instantly alarmed.

This power was no weaker than hers. At this moment, no matter how foolish she was, she understood what was going on.

“Junior Apprentice Brother Ye really doesn’t reveal his true strength. I was nearly tricked by you! I thought that you really only had a level two Black Finger cultivation. You tricked me so miserably.”

Ye Qiu smiled faintly. “I never said that I’m a level two Black Finger. You guys said it yourself. It has nothing to do with me.”

Ming Yue’s mouth twitched. That seemed to make sense. In that case, her visit today was completely unnecessary. Was there a need for her to worry about Lin Qingzhu’s future? It was no wonder that the other party looked down on her. With such a powerful master who was so willing to give to his disciple, it would be crazy for her to fancy her.

*The more she thought about it, the angrier she got. It was all this wretched girl's fault. Why did she call me to Violet Cloud Peak for no reason? It was simply looking for humiliation. Did the other party need her pity? She didn't care about it at all. She wouldn't be able to get such a master who was willing to impart cultivation to her for eight lifetimes.*

After a long time, Ming Yue finally calmed down.

Ming Yue seemed to have thought of something. She suddenly revealed a meaningful smile and leaned over.

From Ye Qiu's perspective, he could see everything in her chest. He almost had a nosebleed. It was a good thing that Ye Qiu was shameless enough to remain calm after admiring it.

*"Not bad, not bad! I can pretend to be cool and even enjoy such beautiful scenery for free."*?Ye Qiu laughed in his heart, but on the surface, he was as steady as an old dog.

Seeing this scene, Lin Qingzhu's heart tightened. From the start, she had thought that this woman was very dangerous. Indeed...

*"Master, you can't be bewitched by her. If you like this kind, I can actually..."*?She was secretly anxious but there was nothing she could do.

The corner of Ming Yue's mouth curled up into a bewitching smile as she looked straight at Ye Qiu. "Junior Apprentice Brother Ye, then what's your cultivation level now? There will be benefits when you tell me~"

She wanted to get information out of him, even sacrificing her beauty. Few men could withstand her evil. According to her original expectations, Ye Qiu would definitely be panicking and subconsciously reveal his cultivation level.

Who would have thought that Ye Qiu didn't react at all. He was still calm and composed. There was even a teasing smile on his face.

Ming Yue's heart trembled after seeing this scene. She immediately understood that her beauty had no effect on him.

*"Damn it! When did this fellow cultivate a state of peace with oneself? How can you remain indifferent in the face of such evil? Are you still a man?"*?As she cursed in her heart, Ming Yue's mentality began to crumble. *?Was this still the peak master of Violet Cloud Peak she was familiar with? Why was it different from the rumors? No, he had seen it. He had openly seen it without saying a word.*

This kind of feeling was like the kind of feeling when they didn't pay after you had finished your service, and even told you righteously that you had done it willingly.

Ming Yue pulled a long face and angrily returned to her seat after knowing that she couldn't get anything out of him.

At this moment, Ye Qiu smiled meaningfully: "Senior sister, are you feeling unwell? Why is your expression so strange? I happen to have learned some medical skills. Why don't I help you take a look and check?"

The corner of Ming Yue's mouth twitched. *It was one thing for that fellow to have seen it, but to think that he would want to touch it?? Dream on... I'm so pissed.*

"No need!" Ming Yue coldly replied. This was the first time in her life that she felt so defeated. It was also the first time that she doubted her own appearance.

She looked at Lin Qingzhu and was still shocked. *What was this guy thinking? He actually imparted his disciple ten years of hard work. Isn't this too generous? This type of thing had never happened before in the Heaven Mending Sect.*

After all, the struggles between the seven factions were very intense. The various factions' peak masters were also fighting in the open and in the dark. They valued their cultivation more than their lives.

Ye Qiu was actually willing to impart cultivation to his disciple. This could be considered a precedent.

Lin Qingzhu finally let out a sigh of relief after seeing that Ye Qiu could resist this wave of evil. *"Hah, I knew it. Master isn't that kind of person. It's not like I don't have one if he wants to see it. This woman is too evil! She actually used such a method to trap Master. Fortunately, Master is a gentleman and not bewitched by beauty."*

She heaved a long sigh of relief. Lin Qingzhu successfully inherited the Violet Cloud Sword, so she was very happy. Her master had gifted her a top grade treasure after giving the Marrow Cleansing Pill, Divine Marrow Pill, and the cultivation transmission. No amount of gratitude could express the respect and love she had for Ye Qiu.
