

THE MOST GENEROUS MASTER EVER Chapter 154

“The reincarnation of an immortal?”

Even though that peerlessly beautiful figure disappeared in a flash, many people still caught it.

Zi Yang and Yunxu revealed looks of fear and shock.

“She’s actually the legendary reincarnation of an immortal?” Perfected Zi Yang muttered, not daring to believe what he had just seen. He glanced at Ye Qiu not far away and saw his calm expression. Clearly, he had known about this long ago.

He was also envious. He didn’t expect Ye Qiu to be so lucky to have such a huge karma for taking in a disciple.

“Haha, looks like this little guy really has the bearing of a Martial Monarch.” Perfected Yunxu shook his head and smiled. It was originally a joke, but now it has become true.

“Young friend Ye Qiu, I didn’t expect you to hide so deeply. Your disciple is actually a reincarnated immortal. She will rise higher than the clouds in the future with such karma. She has a chance of becoming an immortal.” Perfected Zi Yang teased.

Ye Qiu smiled faintly and replied, “Senior, you must be joking. This is all her good fortune. It has nothing to do with me. It’s fate that I took her in as my disciple. It’s fate.”

They smiled but didn’t answer. They all knew what the reincarnation of an immortal meant.

Little Linglong’s future achievements would only be higher than low, provided that she could grow up. However, there was no need to worry about this problem. What danger could there be with Ye Qiu as her guardian?

This was Ye Qiu's luck, and also her own luck. Perhaps it was really as Ye Qiu had said. It was fate.

At this moment, after Ling Long revealed her true body, Gu Jianxuan's old face instantly sank. He originally thought that his little disciple was completely capable of controlling Zhao Wan'er. He didn't expect that... Little Linglong would suddenly erupt with such astonishing strength.

Turning around to look at Ye Qiu, Gu Jianxuan seemed to be thinking about something. An evil thought suddenly appeared in his mind, and his eyes were filled with killing intent.

Coincidentally, Ye Qiu caught this gaze.

"Senior Gu, you seem to have something to say?" Ye Qiu deliberately probed. He had to warn him.

"The reincarnation of an immortal? Interesting. Looks like your Heaven Mending Sect also has great luck." Gu Jianxuan smiled and continued, "I wonder if this little girl will be able to live until that day..."

There was a hidden meaning in his words. As soon as he said this, Ye Qiu revealed a meaningful smile. "Oh? Senior, you have a point. Killing people and stealing their luck happens from time to time. However..."

Suddenly, he slowly took out the Cloudy Heavens Sword. In an instant, a shocking sword intent covered the sky. It covered the entire Mount Yun Ding for a hundred kilometers.

Everyone's faces turned pale, not knowing what Ye Qiu wanted to do. They were terrified by this shocking sword intent and felt uneasy.

“This... What powerful sword intent. His swordsmanship has actually reached such a level.”

“Moreover, he’s at the peak of the Paragon realm. Even Daoist Xuantian back then might not have had such pressure.”

“What does he want to do?”

For a moment, everyone’s faces were filled with fear and unease. They looked at Ye Qiu, who held the Cloudy Heavens Sword in his hand. His sword intent was not concealed at all as it gradually erupted.

Even Perfected Zi Yang and Perfected Yunxu revealed a trace of fear.

The elders and experts of the various immortal holy lands present all revealed fear.

“Ye Qiu, what do you mean?” Gu Jianxuan was shocked and hurriedly asked. He had already experienced Ye Qiu’s sword technique. He was no match for him.

Furthermore, he had an immortal sword in his hand. He would probably be able to kill him in one strike. How could he not be afraid?

Ye Qiu said indifferently, “Just now, Senior reminded me that I can’t reveal the reincarnation of an immortal. If she encounters someone with ulterior motives and wants to kill her to seize her providence, I’m afraid that I will cause a huge disaster in the future...”

As he said this, Ye Qiu’s sword intent turned cold. In an instant, the surrounding air condensed, and everyone’s breathing became tense. In an instant, grass and trees flew for a hundred miles, and a huge sword formation was formed. Everyone felt the threat of death in the sword formation.

Ye Qiu slowly inserted the Cloudy Heavens Sword into the ground and took out the Immortal Slayer Sword.

“Hiss...”

“Another immortal sword...”

Everyone was shocked. Ye Qiu’s immortal swords really shocked everyone. The moment the Immortal Slayer appeared, a terrifying killing intent spread out. Everyone’s souls trembled.

Ye Qiu continued, “My disciple has a mischievous personality and likes to run around. I can’t always be by her side to protect her... In order to keep this secret, I can only... silence all of you today.”

As soon as these words were spoken, the expressions of everyone present changed. They instantly made a countermeasure. Some were already prepared to escape.

Two immortal swords appeared at the same time. Today, even a King-Ranked powerhouse would probably not be able to withstand this sword intent.

A Heavenly Gate opened on the horizon. In an instant, a destructive aura came from the heavens.

Everyone’s souls were trembling. Ye Qiu seemed to be serious this time.

At this moment, Gu Jianxuan wanted to slap himself. He didn’t expect Ye Qiu to be so crazy. It was also because of his words that everyone understood how important this little girl was to Ye Qiu.

Gu Jianxuan was just saying it casually. Ye Qiu was actually so crazy that he wanted to kill everyone present to protect this secret?
