

THE MOST GENEROUS MASTER EVER Chapter 155

Gu Jianxuan panicked and hurriedly said, "Fellow Daoist, don't be angry. That's not what I meant."

Damn it, he was really just casually mentioning it. He didn't really want to do it. Who would have thought that Ye Qiu would be so crazy that he really wanted to kill all of them? It seemed like he could really do it with his current strength.

"Oh? Then what do you mean..." Ye Qiu said coldly. His killing intent instantly locked onto Gu Jianxuan, scaring him so much that his body was trembling.

"I... I just..." Gu Jianxuan was speechless. He didn't know how to explain. He hurriedly gestured to Perfected Zi Yang and Perfected Yunxu.

The two of them were also shocked. They looked at the opened Heavenly Gate and completely panicked. It was difficult to guarantee that Ye Qiu wouldn't attack them. After all, this guy had always been strange and unpredictable. It was difficult to guarantee that he wouldn't start a massacre if he was interested.

Perfected Zi Yang hurriedly said, "Fellow Daoist, don't attack first. Listen to me."

Under such shocking sword intent, Perfected Zi Yang even changed the way he addressed him and called him Fellow Daoist. He was afraid too. He originally didn't have many years left to live too.

At this moment, everyone wished they could pull Gu Jianxuan out and skin him alive. Why did he say such things for no reason?

If you want to die, don't drag us down with you. We were just watching the show when you suddenly said this and pushed everyone into the sea of flames. You can't escape death either. What are you after?

Ye Qiu slowly retracted his sword when Perfected Zi Yang spoke. He didn't really want to silence them, but he deliberately pretended to scare them. This kind of thing could not be eradicated, so the best way was to make them feel fear from the bottom of their hearts and not even dare to think about it.

"Senior, please speak." Ye Qiu said lightly as he stared fixedly at Gu Jianxuan, making him not dare to move.

At the side, Perfected Zi Yang said, "Don't be anxious. Although this child has luck on her, she is also implicated by karma. She was a supreme immortal the previous life so ordinary people can't withstand that kind of karma. It's impossible for them to have such thoughts.

"Moreover, who would dare to have such thoughts in the Eastern Wasteland with you around? Unless they are fools. So, you don't have to do this."

Perfected Zi Yang seriously analyzed for Ye Qiu. Ye Qiu knew his analysis very well. These words were mainly meant for the others.

Indeed, Linglong's reincarnation was very powerful. She was at least an immortal, so it was impossible for her not to leave behind life-saving methods before she reincarnated.

Therefore, ordinary people really didn't dare to try to kill her and snatch her luck. Even Ye Qiu probably wouldn't be able to withstand such karma. Therefore, the reason why Ye Qiu did this was to warn them and trick them.

Ye Qiu smiled and continued, "Yes, what you said makes sense. However, Linglong is my disciple. I don't care if she's the reincarnation of an immortal, she's still my disciple."

Ye Qiu looked around and recognized everyone's faces. He said with a faint smile, "I've already memorized all of your appearances. From now on, if my disciple encounters any danger, such as tripping on the road, or suffering any injuries, I will blame everyone present. At that time, don't blame me, Ye Qiu, for being impolite..."

"After all, all of you here know about this matter. You can't escape the blame."

As soon as these words were spoken, the expressions of everyone present changed.

"Hiss..."

"F*ck..."

"What kind of logic is this? What has it got to do with us when she tripped..."

Everyone present immediately sucked in a breath of cold air. They recalled Ye Qiu's shocking sword intent and immediately felt a chill in their hearts. They wanted to retort, but they didn't dare. They were really unlucky. They had only come to watch a show today, so why did they have to take on such a blame?

At this moment, everyone had the same thought in their hearts. And that was to kill this old thing, Gu Jianxuan.

You have nothing to say, right? If you have nothing to say, shut up. What nonsense are you spouting? You're courting death, yet you want to drag us down with you.

Under Ye Qiu's threat...

Some experts had already begun to secretly make arrangements.

“All of you, remember this little girl’s appearance. Damn it, if she accidentally sneaks into our territory in the future. Send out the experts to protect her. If she’s injured, all of you prepare to die.”

Who would have thought that Ye Qiu would play like this? Everyone was shocked.

Gu Jianxuan’s face darkened. He didn’t expect Ye Qiu to really dare to play like this.

Qi Wuhui even called him an expert, saying that he was too brilliant. “Damn, it’s too brilliant. This move... is too brilliant. Damn it, he hired so many bodyguards in one sentence, and all of them are experts above the Cardinal realm. In the future, would they dare not protect her well if they encounter this little fellow wherever she goes?

“If she were to be injured, no one would be able to escape the blame. He’ll kill everyone with a single strike. Under such circumstances, anyone who dares to have such evil thoughts will be captured and beaten to death by everyone else.

“Junior Brother is indeed Junior Brother. He’s too sly. I thought he really wanted to start a massacre just now, but it turns out that it was to pave the way for this trap.”
