

THE MOST GENEROUS MASTER EVER Chapter 156

Qi Wuhui was shocked. So tricks could be played like this.

Ye Qiu smiled faintly and slowly put away the Cloudy Heavens Sword when he saw that they were finally frightened. He continued, "Remember what I said today. I, Ye Qiu, will do what I say.

"If I make a move, it won't be as simple as just one person dying. At best, his entire family will be destroyed, and at worst, his orthodoxy will be lost.

"Senior Gu, do you want to give it a try?"

Ye Qiu looked at Gu Jianxuan with a faint smile and suggested.

The corner of Gu Jianxuan's mouth twitched and his body trembled. "Haha, you're so humorous. I won't try. This child looks obedient, cute, and sensible. I like her very much. How could I bear to hurt her?"

Gu Jianxuan smiled bitterly. "Try my ass. I'm just being stubborn, not stupid.

It had only been a month since the destruction of the Immortal Mountain. It was still vivid in his mind. How could he dare to stroke Ye Qiu's whiskers now?

"That's good. Looks like you know your limits." Ye Qiu smiled faintly and put away the Immortal Slayer Sword. The sword force instantly dissipated.

Everyone immediately heaved a sigh of relief. Their tense expressions also relaxed at this moment.

"Phew..."

A sage-like old man heaved a long sigh of relief and said in a state of shock, "This is too crazy. This guy is playing too big. He implicated so many people at once."

"The most terrifying thing is that we don't dare to resist."

"It'll be fun in the future. With so many witnesses present, this little girl will probably be treated like a living immortal no matter where she goes in the future. If she's injured in any way,"

"He probably doesn't need to do it himself. The other witnesses will definitely kill those who plot against her in order to protect their lives..."

Someone else said, "F*ck, this is the first time I've seen someone play like this after living for so many years. My knowledge has increased..."

"I just hate that I don't have the strength. Otherwise, I would want to play too. It's too f*cking pretentious."

Ye Qiu laughed inwardly when he saw their reaction. That's right, I'm the godfather of the Eastern Wasteland's underworld...

"Oh my god, Junior Brother, you're too ruthless. I'm convinced..." Qi Wuhui walked over and said with admiration. Ye Qiu was still the first when it came to acting cool.

Looking at others, he coughed...

This was too ruthless. One sentence scared everyone present to death.

The main reason was that he also had the strength. Otherwise, not only would he not be able to scare others, he would even become a joke. Therefore, this depended on the person. Not everyone could pretend to be impressive. If it were him, those people would probably die of laughter before he could finish speaking.

Seeing his look of admiration, Ye Qiu was also amused. This senior brother seemed to have become a different person since he came back from the dead. He was no longer as annoying as before. Instead, he had become playful and was obsessed with the thrill of pretending to be impressive.

Ye Qiu smiled without saying anything. At this moment, Meng Tianzheng walked over. His gaze was fixed on Little Linglong on the screen, his eyes filled with shock. Although he had guessed from the start that Little Linglong might be the reincarnation of a mighty figure, he was still shocked when he saw her now.

“Junior Brother, this Martial Nephew Linglong has a powerful background. Looks like we have to protect her well. Perhaps... she can even inherit the legacy of our Heaven Mending Goddess in the future...”

Meng Tianzheng couldn't help but think that the Heaven Mending Sect, like the Jade-Lake Holy Land, also had a Saintess inheritance. However, after so many years, there had never been anyone in the Heaven Mending Sect who could inherit the legacy of the Heaven Mending Goddess. They were unable to meet the requirements because their aptitude was insufficient.

Meng Tianzheng seemed to see a trace of hope when he saw Little Linglong's situation.

However, after he suggested this, Ye Qiu interrupted. “Senior Brother, there's no need. The Goddess of our sect has already been inherited...”

“Hmm?”

As soon as these words were spoken, Meng Tianzheng, Qi Wuhui, Ming Yue, and the others were stunned.

“Who?”

The Heaven Mending Goddess was the highest inheritance of the Heaven Mending Sect. When did someone inherit it? None of them, including the Sect Master, knew.

Ye Qiu slowly said, “Do you remember what I told you? There’s also a Heaven Mending Sect in the distant Heaven Domain. In that lineage, there is already one person who has inherited the position of the Goddess.”

Everyone was shocked when they heard this. How talented was she to be able to inherit the position of the Goddess? He did not expect such a strange woman to appear in the Heaven Mending Sect on the other side of the distant Heaven Domain.

“Haha, alright... it’s our sect’s fortune.” After hearing this news, Meng Tianzheng’s old face immediately revealed a smile and laughed heartily.

His mental state immediately became clear. He had never forgotten his ancestral teachings and his will to find the successor of the Heaven Mending Goddess.

Just like Jiang Jiezhi of the Jake-Lake who had been searching for the successor of the Jake-Lake Fairy his entire life. After finding her, he treated protecting Fuyao as the most important thing in his life, even more important than his life.

Meng Tianzheng was naturally very happy when he heard that someone had already inherited the Goddess’ inheritance.

Unfortunately, that person was in the Heaven Domain. Otherwise, he really wanted to see for himself what the legendary goddess of the Heaven Mending Sect was like.

On this side, there was an intense discussion.

At this moment, an intense battle was about to begin at the foot of Mount Yun Ding.

The moment Little Linglong's emotions fluctuated, the power in her body completely erupted.

In an instant, thunder rumbled and dark clouds covered the sky.

On the ground, Zhao Wan'er ate a pill. She had just recovered and was preparing to attack again. When she discovered Little Linglong in the sky, her face immediately turned pale.

"Little Junior Sister..."

She really could not believe what she had seen.

Zhao Wan'er's feelings were stirred when she saw that peerless beauty. She thought to herself, "Is it really as Master said? Little Junior Sister's body contains endless power. When she erupts, no one can stop her?"

Zhao Wan'er's face was pale but she was overjoyed in her heart. She had thought that she would lose today and be swept out by Wanfeng, allowing the Supreme Hall to succeed. She did not expect her junior sister to erupt with such astonishing strength in this desperate situation.
