

THE MOST GENEROUS MASTER EVER Chapter 163

Who doesn't know Lin Qingzhu's reputation now? Just the name, Head disciple of the Sword immortal, alone was enough to scare a large number of people. Besides, her reputation was not just for show.

The news of her defeating Lu Yan from the Supreme Hall with a single strike at the entrance of the tomb was still spreading everywhere.

"It's over, it's over. Why am I so unlucky? Of all people, I had to meet her."

Now what?

Liu Yuan immediately lost his composure. He didn't know what to do with his hands either. He could neither lift it up nor put it down.

Lin Qingzhu looked at him and frowned, not knowing what he was doing. "Do you still want to fight?"

As soon as these words were spoken, Liu Yuan panicked. He calmed down and revealed a smile. "Haha, Fairy, you really know how to joke. I don't think there's a need, right?"

Liu Yuan smiled awkwardly. He knew that he was not Lin Qingzhu's match and said, "There's no need for you to do anything. I'll walk myself..."

After saying that, he raised his hand and ruthlessly struck his chest. With a whoosh, he left this domain.

Lin Qingzhu was stunned.

"This... People nowadays play pretty well... They actually beat themselves up?"

She was a little confused. They hadn't even fought yet. Why did he withdraw himself? Shouldn't he struggle a bit more?

Lin Qingzhu pursed her lips and pondered. Perhaps, he was afraid of pain. After all, this Violet Cloud Sword was quite painful although he wouldn't die. This was good too. It saved her the effort of wasting her energy and saving it for the upcoming tough battle.

She shook her head and saw a strand of providence descending from the sky. A portion of Liu Yuan's providence was also taken away and entered Lin Qingzhu's body.

A name appeared at the end of the Potentials Ranking.

Lin Qingzhu.

"Look, it's here..."

The moment Lin Qingzhu's name appeared, everyone who was paying attention immediately became excited.

The one with the most intense reaction was undoubtedly Qi Wuhui.

"I knew it. I've always thought that this child could do it since she was young. She really can do it..."

Qi Wuhui grinned. Ye Qiu was stunned. Wasn't this his little darling? Why did it seem like Qi Wuhui's reaction was even more intense than his? It was as if his little darling had entered the rankings.

“Senior... Senior Brother, are we mistaken? Martial Nephew Qi isn't on the rankings yet. Why are you so excited?” Ye Qiu asked gloomily.

“Hehe, I'm just happy for you. It doesn't matter whether my Hao'er can get on the rankings or not. Anyway, I don't expect him to win...” Qi Wuhui said indifferently.

Listen, was this Qi Hao's f*cking biological father? So you're ignoring your son just to show off??The corner of Ye Qiu's mouth twitched. He was momentarily stunned and didn't know what to say.

While they were still discussing, the rankings changed again.

“F*ck, rank 56 already.” Qi Wuhui said excitedly. Wasn't this speed of ascension too fast?

Lin Qingzhu overcame all obstacles and rose very quickly. At this speed, she would quickly catch up to the rankings of the geniuses. At this moment, her potential value had already reached 50,000 points.

Currently, the highest points were He Wushuang, who was ranked first at 90,000 points, and Fu Yao, who was ranked second at 89,000 points.

At this rate, Lin Qingzhu would soon enter the ranks of the first tier.

Gu Jianxuan's old face instantly darkened. He turned around and gestured to Daoist Qingmiao, “The next level is the discussion of Dao Heart. You know what to do.”

“I understand.” Daoist Qingmiao nodded and took out a communication talisman to convey the news.

After entering the upper level, Lin Qingzhu arrived at a square. As she had delayed for too long previously, He Wushuang and the others had already entered the next level. There were not many people on this floor that she knew.

Everyone on the platform immediately looked at her in surprise when she came up.

The few Supreme Hall disciples who had just received the news immediately revealed hostile gazes.

“Don’t be anxious. Let’s see how she gets through this trial. Many people are stuck at this stage. It’s best if we can delay her a little, but... If she passed it easily, we’ll make a move then...”

A disciple suggested and immediately received the agreement of the others.

Lin Qingzhu frowned and glanced at them. She ignored them and walked straight to a stone tablet and injected her spiritual energy.

In an instant, a phantom appeared from the stone tablet. A white-haired old man sat in front of the chessboard and looked at her.

The old man picked up a chess piece and slowly placed it under the chessboard. “Little girl, do you know what Dao is?”

What was Dao?

This question seemed simple. There were many answers, and the answers in everyone’s hearts were different.

At this moment, Lin Qingzhu’s figure, who was standing in front of the Dao Heart Questioning, was seen by everyone outside the arena.

“Hmph, looks like she doesn’t even know why she’s cultivating the Dao. Let’s end this game here...” Gu Jianxuan sneered as if victory was already in his grasp.

At this moment, Qi Wuhui was also anxious and hurriedly asked, “Junior Brother, you won’t only teach her secret techniques and not Dao techniques, right?”

This question was very simple for many people. As long as they focused on the Dao and comprehended the Dao every day, they would definitely be able to answer it.

But now, Lin Qingzhu stood still and did not respond. It was no wonder that Qi Wuhui was so worried.

Ye Qiu didn’t answer his question. Instead, he looked at the white figure in the image and remained silent.
