

THE MOST GENEROUS MASTER EVER Chapter 168

The old man smiled faintly and found it interesting. Then, he asked, "Little fellow, do you know what the Dao is?"

It was this question again. When the old man asked this question, everyone secretly laughed. They wanted to see how Little Linglong would answer.

Under their expectant gazes, Little Linglong scratched her head and looked back at everyone. She asked, "What is Dao? Can it be eaten?"

The corners of everyone's mouths twitched. Good lord, she didn't even know what this sentence meant. Then it's even more impossible for her to answer.

"Haha..."

Seeing this scene, the people from the Heaven Mending Sect could not help but laugh. Almost every disciple of the Heaven Mending Sect knew that Martial Monarch Linglong was illiterate. Back then, Ye Qiu had spent a lot of effort, even turning the entire Heaven Mending Sect upside down, to let her read and write.

Seeing this, everyone became more and more curious. How did Little Linglong pass this round when she couldn't read?

They watched quietly as the corners of the old man's mouth twitched in the video. He had been guarding this stage for so many years and had seen all kinds of strange people, but he had never seen someone like Little Linglong. He patiently explained, "What does Dao mean? It means, do you know what Dao is? Or rather, what is your understanding of Dao and how you view it?"

After listening to his explanation for a long time, Little Linglong seemed to understand. It turned out that the Dao he mentioned was not a thing.

What was Dao?

Little Linglong fell into deep thought. She supported her chin with one hand and pondered seriously for a while. She vaguely remembered that her master had explained to her that what cultivators like them cultivated was the Dao.

As for the meaning of Dao, it depended on one's personal understanding. Everyone's understanding of Dao was different. This thing could be the obsession in your heart, or it could be the goal you pursued for your entire life.

"I understand..." After thinking for a while, Little Linglong's eyes suddenly lit up and she said excitedly.

"Oh? Tell me about it..."

The old man was also interested. He wanted to hear what she would say.

Everyone looked over curiously.

Little Linglong said in all seriousness, "Dao is roasted sweet potatoes."

As soon as these words were spoken, many people fainted.

"Oh my god, what kind of answer is that? How can it be roasted sweet potatoes?"

"Haha, I knew it. This little brat probably doesn't even know many words. How could she possibly answer this question?"

Little Linglong's words immediately attracted everyone's ridicule, making them laugh until their stomachs hurt. After cultivating for so many years, this was the first time they heard that the Dao was roasted sweet potatoes.

Little Linglong looked up at them in confusion. According to her master, Dao was the obsession and pursuit in your heart. Wasn't the thing she couldn't forget roasted sweet potatoes?

The old man smiled when he heard this. Then, he shook his head and said, "No..."

Little Linglong's expression immediately darkened. She felt the mockery around her and was very unhappy. Her small hand silently reached out to the Linglong Hammer at the side. She lowered her head, thinking about something.

Suddenly, she stood up.

A bolt of lightning descended from the sky and ruthlessly struck the void. Everyone was shocked.

"F*ck, the Little Demon King is furious. Run..."

This shocking power instantly frightened everyone until their faces turned pale.

Little Linglong pointed her hammer at the old man and said, "Damned old man, I don't care what Dao you are. To me, Dao is me, and I am Dao..."

As soon as these words were spoken, the old man's expression changed. He saw the huge hammer smashing down.

In an instant, a shocking force erupted, smashing the chessboard into pieces.

The old man hurriedly withdrew and retreated into the void. Just as he regained his senses, he realized that the small figure was carrying the huge hammer and smashing over again.

“F*ck...” The old man was shocked. The hammer hit his face and a few of his teeth broke. “Whose child is this? Isn’t she too fierce? She even beat up the examiner?”

The old man was dumbfounded. He was a civil servant. He couldn’t fight. He was pressed to the ground by Little Linglong and rubbed against it until his face was swollen.

After stepping on him, Little Linglong stomped on him fiercely and said angrily, “Who ask you to make fun of me, I’ll stomp you to death, stomp you to death. Now do you know what Dao is?”

“This is Dao...”

It was really hard for a scholar to explain when he met the soldier. If you can’t answer, so be it. Why hit me?? Just as he was stunned, suddenly, a golden light slowly descended from the sky. Little Linglong looked up curiously.

She realized that the power was instantly injected into her body and her emotions gradually calmed down.

“Hmm? What’s wrong...” Little Linglong was stunned. This seemed to be a sign of passing the test.

As the light fell, everyone present was stunned.

“No way, this works?”

The old man was even more confused, but he came back to his senses and suddenly remembered what Little Linglong had said.

“I am Dao, and Dao is me...”

The old man immediately understood something. She was using her actions to prove...

Entering the Dao with martial arts was also the Dao.

She happened to accidentally clear it? F*ck, that works too?

This was the approval of the Dao Heart Questioning, acknowledging the fact that she had cleared the level.

The corners of the old man’s mouth twitched. It seemed like he had suffered this beating for nothing. With a gentle sweep of his right hand, he immediately returned to his immortal appearance.

“Little fellow, congratulations on clearing the level...” The old man did not argue and congratulated her with a smile.

Little Linglong came back to her senses and scratched her head in a daze. “I cleared the level just like that? It doesn’t seem that difficult...”

After saying a few words, the providence slowly descended. Little Linglong turned around to look at everyone and made a face. “Bleh, a bunch of idiots. You can’t even pass this...”

With that, she carried the hammer and skipped towards the top floor.

Everyone was dumbfounded. They... were actually mocked by a little fellow?

“Damn, brothers, I seem to have found the trick to clearing the level...”
