

## THE MOST GENEROUS MASTER EVER Chapter 169

After watching the time reversal, the atmosphere outside the arena was exceptionally quiet. Everyone looked at each other in confusion.

“F\*ck, that works too?”

“Damn it, this is a gift, right?”

“How is this the Dao discussion on Mount Yun Ding? This is clearly the way of the world!”

Everyone present could not accept the fact that Little Linglong had accidentally cleared the level. It was too abrupt. It would not make sense if this was not on purpose.

Some people asked questions, while others saw something.

Perfected Zi Yang smiled and slowly said, “No, no... Most people have ulterior motives. When faced with all kinds of questions, they only care about saying good things. Most of them are words that don’t conform to reality and are the complete opposite of the inner Dao. Only this little guy is innocent and doesn’t know what the Dao is.

“But she used her actions to tell everyone what the Dao in her heart was...”

“This is the reason why she cleared the level.”

Perfected Yunxu also nodded and said, “This little fellow was lucky and accidentally passed this test. One doesn’t have to be familiar with the scriptures and have deep knowledge to pass this test.

“A person’s thoughts are like a piece of white paper. The more books one reads, the more things there are on this paper, and the more chaotic their thoughts are. In the end, they began to lose themselves and didn’t know what the Dao in their hearts was.

“Instead, they were not as innocent as this child. She knows what she wants and what she wants to do.”

After hearing the two elders’ explanation, everyone finally understood.

“I see. No wonder there are so many people at the Dao Heart Questioning level. It turns out that most people are impatient and think too much about the problem.”

Everyone came to a sudden realization. No one expected that they, the experts and outstanding disciples of the various Holy Lands, would be taught a lesson by a five-year-old child today.

After watching for a long time, everyone finally understood why Little Linglong could enter the top floor.

At this moment, when Lin Qingzhu found out the reason why Little Linglong passed, she didn’t know whether to laugh or cry. She pinched her little nose and said angrily, “Damn girl, you really dare to hit the examiner.”

“Hehe, Senior Sister, I asked Second Senior Sister before coming. She said that these examiners are not real people. They all evolved from that nomological consciousness. So it’s fine even if I beat them up.”

Little Linglong replied with a smile. She was fierce, but she’s not a fool.

Lin Qingzhu didn’t know whether to laugh or cry. But overall, the effect was quite good. At least she had cleared the level.

While they were chatting, the door to the top floor opened again and a figure slowly walked in.

At this moment, the twenty people on the top floor had finally gathered. The people sitting cross-legged on the ground immediately looked over when they saw the twentieth person enter. The person who came was a young man. Looking at his clothes, he looked a little like the ancient race of the barbarian tribe.

Lin Qingzhu glanced at the other party and was a little disappointed. Zhao Wan'er actually didn't pass. However, it made sense after she thought about it. Almost everyone who could reach this level was a level nine Infinite Distance expert.

Zhao Wan'er was only at level five of Infinite Distance. Her limit was already there. It was almost impossible for her to reach the top level.

As for Little Linglong, she was considered an exception. This was because she was a Body Tempering cultivator to begin with, and there was endless potential hidden in her body. Her momentary outburst had brought her here.

At this moment, even Lin Qingzhu felt pressure when facing her. Not to mention the others.

As the twentieth person arrived, a light slowly descended from the sky and landed on everyone. On the horizon, ten doors slowly opened. That was the last door leading to the peak. In the end, who could reach the top and carry out the final battle would depend on this battle.

The atmosphere instantly became oppressive, and a silent battle intent slowly rose.

He Wushuang slowly walked out and said, "Everyone, at this point, there's no need to hide."

“Haha, Young Master Wushuang is right. Everyone is here for the final championship. Whether you can reach the peak will depend on your luck.” Gu Haitang laughed loudly and slowly walked to door number two and stepped in.

Seeing that he had entered the second door, the others looked at each other and were not in a hurry to choose their opponent.

He Wushuang smiled faintly. After watching Gu Haitang enter door number two, he turned around and entered door number one.

Fuyao remained silent. She took a deep look at Lin Qingzhu and walked into door number three.

Seeing the three of them leave at the same time, the remaining people began to think.

“He Wushuang and Fuyao were ranked first and second respectively. It’s clearly disadvantageous to be their opponent.”

Amidst the discussion, everyone looked at Little Linglong. She was the youngest here, so she should be the easiest to bully.

“Hehe, this little girl is not bad. I can consider choosing her as my opponent. The chances of me reaching the peak are higher.” Someone thought to himself and looked at Little Linglong.

Sensing their strange gazes, Lin Qingzhu secretly laughed in her heart. They might not know that they had targeted the most ruthless person. The funny thing was that they thought that they had chosen the weakest one.

Lin Qingzhu turned around and looked coldly at Lu Yan. “Young Master Lu, please?”

Lin Qingzhu directly issued a challenge and aimed at Lu Yan, inviting him to enter door number four.

Today, only one of them could reach the top of the mountain. It was either her or Lu Yan.
