

THE MOST GENEROUS MASTER EVER Chapter 171

If Lin Qingzhu could win the championship, the effect might be even greater. At that time, they could also pick up a wave of geniuses to teach. How awesome would that be?

Currently, almost all of the three disciples of the Heaven Mending Sect had the potential to win. Not to mention Lin Qingzhu and Liu Qingfeng, even the little guy had the potential too. This was because even He Wushuang might not be able to withstand that little guy's anger if she erupted.

This time, it should be stable.

Meng Tianzheng also revealed a gratified smile, but after a moment, he said, "It's still too early to be happy. Those who can reach this level are all talented people. We'll only know how many people can advance when we continue watching..."

Everyone nodded and looked at the screen.

Lin Qingzhu held the Violet Cloud Sword in her hand and stared coldly at Lu Yan. She did not use the Monarch's Sword because this Violet Cloud Sword represented Violet Cloud Peak. It was extremely important.

Back then, her Grandmaster used this sword to create many legends. Today, she wanted to use this sword to take back the honor that once belonged to Violet Cloud Peak. Therefore, she did not consider using the Monarch's Sword.

"Come on!"

The two of them were in a deadlock for a while. Lin Qingzhu slowly pulled out the Violet Cloud Sword and said coldly.

Lu Yan, who was opposite her, also pulled out his Fiend Saber. He had waited for this battle for a few months and could no longer hold it in. He wanted to regain all the dignity he had lost back then.

After Lu Yan pulled out the Fiend Saber, a domineering saber intent attacked, and the power of a level nine Infinite Distance erupted.

“It’s starting!”

The spectators outside the arena also began to breathe faster as the battle began.

A saber beam streaked across the sky. Lu Yan was the first to attack. A saber slashed across the void, and an incomparably domineering force fiercely collided with the Violet Cloud Sword.

Lin Qingzhu’s body trembled, and her arm went numb. She was shocked. She did not expect this fellow’s strength to increase so shockingly in just a few months. However, she did not take it to heart. She swung her arm and said, “Looks like you haven’t improved much these few months.”

As soon as she finished speaking, Lin Qingzhu slashed out with her sword.

Lu Yan already knew this move like the back of his hand. He blocked it with a horizontal slash.

“Hmph, these moves have already been used up. Don’t you have any new moves?” Lu Yan continued disdainfully, “If you still want to use these moves to defeat me, then you’re thinking too much...”

As soon as he finished speaking, Lu Yan slashed over again. In an instant, sword lights flashed frequently.

In less than a few minutes, the two of them had already exchanged hundreds of moves. It was almost a draw. They were probing each other in an attempt to find a breakthrough point. However, both sides had too much combat experience and there was no flaw at all.

After sweeping her sword across and forcing Lu Yan back, Lin Qingzhu gradually lost her patience.

In an instant, her finger streaked across Violet Cloud Sword, and a bone-chilling sword intent assaulted him. In that instant, the sky seemed to have been dyed red.

“Asura Slash?”

Everyone saw that this was the Asura Slash that she had used to defeat Lu Yan.

The Asura from the Nine Nethers opened its bloody mouth, and a shocking force instantly formed.

“This move again!” Lu Yan’s face darkened when he saw this scene. He knew that Lin Qingzhu didn’t want to fight a prolonged battle and wanted to decide the outcome in one move. However, if it were a few months ago, he might have been afraid of this move. But now...

With a cold laugh, Lu Yan suddenly drew his saber and slashed. An even more bloody and domineering aura formed. An ultimate domain storm swept through the entire chaotic space. A Taotie appeared above the Asura.

“Feast of Gluttony!”

Everyone was shocked. Lu Yan had actually learned the Feast of Gluttony. Moreover, from the looks of it, his mastery was even higher than Wanfeng. They were not on the same level at all. Be it power or aura, his was dozens of times stronger than Wanfeng.

In comparison, Lin Qingzhu's Asura Slash was at a slight disadvantage. This was because the Taotie had the ability to devour. As the two collided, the Asura's baleful aura was actually swallowed because their blood energy was the same.

Lin Qingzhu was shocked when she saw this scene. She finally understood why Lu Yan was so confident that he could defeat her. It turned out that this was a gift he had specially prepared for her.

"Haha, looks like... Violet Cloud Peak's disciple is only so-so." Seeing this scene, Gu Jianxuan's stiff old face finally revealed a smile. He had waited for this moment for a long time and finally felt proud.

No one responded to his mockery. Instead, they continued to pay attention to the battle inside.

As the Asura and Taotie collided, brilliant sparks erupted in the sky. In an instant, Lin Qingzhu was forced back hundreds of steps. Her face was deathly pale.

The Asura Slash shouldn't have lost to the Feast of Gluttony, but its fatal weakness was that the other party could devour her blood energy. This was more like the nemesis of the Asura Slash.

After gaining the upper hand with one move, Lu Yan finally smiled.

"Lin Qingzhu, you will definitely lose today... I will repay the humiliation you gave me a hundredfold today."

With that, he slashed out with his saber. The Taotie opened its bloody mouth and swallowed Lin Qingzhu.

Lin Qingzhu did not dare to be careless. She dodged backwards and dodged the attack. However, if she could not deal with this Taotie, the outcome of this battle could not be changed.

Lin Qingzhu had no choice but to turn cold. She slowly closed her eyes and suddenly pointed the Violet Cloud Sword at the sky.

In an instant, dark clouds covered the sky. A bolt of lightning streaked across the sky, and everything within a hundred miles seemed to have fallen silent.

“What’s that?”

Everyone looked and saw that a huge door suddenly opened in the void. At this moment, everyone was shocked. That extremely familiar scene seemed to have happened yesterday.

Standing above Heavenly Abyss, that white figure that was like an immortal descending to the world was peerlessly magnificent.

“One strike opened the Heavenly Gate!”

“How is this possible...”

At this moment, the entire venue was in an uproar. Everyone could no longer suppress the shock in their hearts.
