

THE MOST GENEROUS MASTER EVER Chapter 176

“From this, it can be seen that Su Lijie is a person we can befriend... He chose the most ruthless one right from the start. If something were to happen, he would definitely help.”

Such a comical scene amused everyone present. In an instant, Transient Light Cave became the laughing stock of everyone.

Perhaps Su Lijie did not know that he would still be mentioned in some way for a period of time in the future.

Back then, when Martial Monarch Linglong was young, she met a handsome young man at Mount Yun Ding. The young man told stories to the martial monarch. Because he didn't speak well, he angered Martial Monarch Linglong and she beat him up.

This karma was too great.

“Quick, tell me properly, or I'll beat you to death...”

After a series of fierce kicks, Little Linglong grabbed Su Lijie. This huge man was actually crying at this moment.

“Mommy, I don't want to play anymore. I want to go home...”

When Little Linglong saw this, she immediately revealed a look of disdain. Just because she was fierce didn't mean she was stupid. This guy was full of tricks. When he came in just now, he bullied her for being young and even wanted to set her up. If not for her quick reaction, she would have fallen into his trap.

“It's boring. Leave. I'm not playing with you anymore...”

Seeing him cry his heart out, Little Linglong couldn't bear it and directly threw him to the ground, preparing to play with her senior sister.

When she turned her back, Su Lijie's cries stopped and he instantly revealed a smile.

"Heaven does not disappoint those who work hard. This rare opportunity has finally come."

Su Lijie was delighted. He had been acting for half a day, waiting for this moment to erupt. He instantly pulled out his sword. In that instant, a shocking sword intent attacked, cold to the bone.

The moment the sword was unsheathed, Su Lijie instantly used a secret technique to sneak attack from behind, wanting to defeat Little Linglong in one go.

"Not good! Linglong is in danger..."

One could not judge a book by its cover. Little Linglong was really young and innocent. How could she have known that Su Lijie, who was crying his heart out just now, was pretending?

Seeing this scene, all the elders of the Heaven Mending Sect immediately became nervous.

Seeing that Su Lijie was about to obtain it, the First Elder of Transient Light Cave revealed a smile.

"Hehe, as expected of my good disciple. You can endure what ordinary people can't. You're just waiting for this moment to erupt. As long as you can advance, no matter what method you use, it doesn't matter..."

He could almost see the dawn of victory.

Su Lijie's sword was the strongest secret technique of Transient Light Cave, a heaven-grade sword technique, Aurora Slash. Its profundity was its extreme fast speed in an instant. Ordinary people could not react at all, let alone sneak attack. He watched as the sword stabbed towards Little Linglong. Suddenly...

Bang.

There was the sound of metal colliding. What happened next stunned everyone present.

"What... what's going on?"

In the scene, Little Linglong hurriedly turned around and saw the sword stabbing her chest. What was puzzling was that the sword was blocked and did not stab in at all. As a gust of wind blew, Little Linglong's flawless white dress suddenly emitted a ray of light.

"This is... Immortal... Immortal Robe?"

At this moment, everyone's expressions changed. They all looked at Ye Qiu with shock.

Seeing everyone look over, Ye Qiu smiled faintly and didn't answer.

After entering, Ye Qiu considered that Little Linglong was still young and he doted on her. He was afraid that she would be injured. Therefore, he lent her the Liuxian Robe.

There's nothing wrong, is there? Which family didn't have a little sweetheart? If it was yours, wouldn't you dote on her?

The Liuxian Robe had already acknowledged him as its master and was bound to Lian Feng, so he could not give it to her.

Ye Qiu only evolved it for a while and changed its shape for Little Linglong to wear.

With the protection of this immortal robe, Ye Qiu felt at ease letting her go in to play.

“Oh my god, he’s even willing to give such a high-quality immortal robe?”

For a moment, everyone present was stunned and filled with disbelief.

“I really can’t believe that he actually has so many immortal treasures. There were two immortal swords earlier, and now there’s an immortal robe. Perfected Ye’s terror is becoming more and more incomprehensible.” Someone said with a heavy heart.

They took a deep look at Ye Qiu in the distance and stood there calmly, feeling a fear from the bottom of their hearts. His strength was already at the peak of the Paragon realm. At this moment, he had probably already become the strongest expert in the Eastern Wasteland, right?

With two immortal swords and an immortal robe, who in this world was his match? After searching in their minds, they shook their heads. His opponent could only be found in other domains.

There wasn’t one in the Eastern Wasteland.

Gu Jianxuan had already lost. He didn’t even have the qualifications to make him draw his sword, let alone the others.

Looking at the immortal robe, everyone had mixed feelings and discussed it.

As for the First Elder of Transient Light Cave, his face was originally full of light, but his smile stopped at this moment. The victory that was within reach seemed to have... flown away?

“That’s it, I’m toasted—” Su Lijie even shouted, “My life is over.”

Who would have thought that Ye Qiu would have such a trick up his sleeve? He really doted on her. Damn it, he was even willing to give up his immortal clothes. If I had such a master, I wouldn’t have to worry about not becoming an immortal.

Little Linglong looked at the sword that was stabbing towards her and her face immediately sank. She had kindly let Su Lijie off, but she didn’t expect him to ambush her.

Suppressing the anger in her heart, she fell silent for a while before suddenly revealing a strange smile.
