“Hehe...”

Su Lijie immediately felt guilty. He hurriedly put down the sword in his hand, grinned, and raised his hands in surrender. “Little Fairy, I was wrong. Please forgive me this time.”

As he apologized, Su Lijie retreated. He watched as Little Linglong revealed a strange smile, rubbed her little fists, and walked over step by step.

That was it.

“I only have one request. Don’t hit my face. Is that okay?” Su Lijie had already given up resisting. His final prayer was also so humble.

Little Linglong gave him a reassuring look. In an instant, a hammer was raised. The huge hammer that emitted lightning blasted towards Su Lijie’s face.

Su Lijie felt his vision go black and his head buzz. With a bang, he was sent flying hundreds of meters.

“How dare you ambush me? I’ll beat you to death...” Little Linglong was furious. She carried the hammer and rose from the ground, fiercely rushing towards the Nine Heavens before ruthlessly smashing down.

“Oh...”

The following scene was extremely cruel. Everyone outside the arena could not bear to watch anymore. It was too scary.

In less than a minute, Su Lijie was beaten beyond recognition. His teeth were all broken.

Little Linglong also knew her limits. It was just a slap to the face, not fatal. As a result, Su Lijie couldn't be eliminated, nor did he have a chance to take the initiative to withdraw. Under such painful torture, he almost became mentally deranged.

"I'm so angry. I'll stomp, stomp, stomp you to death..."

The more Little Linglong thought about it, the angrier she became. No wonder her senior sister said that none of these people were good. They were all very bad. They act one way in front, but act another behind your back. If you were soft-hearted towards them, they might stab you in the back.

At first, she didn't believe it, but now she does.

She aimed her little foot at Su Lijie's face and kicked him fiercely. The originally handsome young man was now... crippled. His mouth was crooked. At first glance, he looked like the Crooked Mouth God of War.

After venting her anger, Little Linglong gradually lost her patience. She picked up the hammer and smashed it down like she was playing golf.

Su Lijie immediately flew out of the sky. In an instant, he turned into a ray of light and disappeared from Mount Yun Ding.

Boom...

As the void distorted, everyone saw a figure fly out and fall to the ground.

“Oh, isn’t this the Story King? Did you fail?”

“Why don’t you continue making things up? You’re really a piece of work, lying to children.”

“You don’t even let children off. I’m ashamed of your shamelessness. I’m impressed, impressed...”

“Haha, it’s fine if he lied to a child, but the funniest thing is that he was killed by her.”

The crowd teased when they saw that the person who came out was Su Lijie.

Su Lijie was too ashamed to face anyone. He covered his face and ran away. Today, he had lost his reputation and his teeth. If he lost his right to choose a partner in the future, he could forget about attracting the saintess of other holy lands in the future.

Seeing him flee, everyone laughed. The people of Transient Light Cave were even more embarrassed. When they saw him walking over, they hurriedly pretended not to know him.

“M-Master.” Su Lijie called out gloomily as he walked in front of his master.

The First Elder of Transient Light Cave turned his face to the side. His expression seemed to be telling everyone. “Hey, let me make this clear first. I don’t know this person. What he did has nothing to do with my Transient Light Cave. Don’t spout nonsense. Be careful or I’ll sue you for slander, do you know that?”

However, no matter what he wanted to explain, no one would listen. At this moment, everyone in Transient Light Cave had already labeled him as a child liar. It would be fine if he succeeded. After all, as long as he could advance, it didn’t matter what methods he used. Unfortunately, he had yet to advance.

“Sigh, tsk tsk... How embarrassing. You can’t even defeat a child...” Qi Wuhui walked over lightly and left after saying this.

Old Qi might be late for mocking, but he would never be absent.

When Su Lijie heard this, he was so embarrassed that he almost used his toes to dig out the three bedrooms and one living room. He wished he could bang his head against a tree beside him. He was ashamed...

“Let’s go...”

The First Elder of Transient Light Cave was too ashamed to face anyone. After saying this, he followed Gu Jianxuan and left. The discussion on Mount Yun Ding for the Transient Light Cave had also ended. Initially, they wanted to stay and watch the exciting performance of the disciples of the various sects. From the looks of it, this place could no longer accommodate them.

At this moment, the scene returned to Mount Yun Ding.

After sending Su Lijie flying, Little Linglong stayed where she was and looked up at the sky for a long time.

“Eh, why hasn’t he come down after so long?”

She didn’t know that Su Lijie had been beaten out. She thought that she had used too much force just now and he was still floating in the sky. After waiting for a while, Little Linglong became a little impatient.

At this moment, a golden light descended and a warm current surged into her body.

“Hmm? Is it over...”

Only then did Little Linglong realize something. Just like the previous few matches, after defeating her opponent, a ray of light would enter her body. Usually, at this time, she could go to a higher level.

“Ah... I’m so angry. I haven’t had enough yet.”

Realizing this, Little Linglong angrily waved her small fists, feeling very vexed. If she had known earlier, she would have hit him lightly. That way, she could have played for a while more. She turned around and looked. A door slowly opened behind her. Little Linglong thought for a moment.

“Forget it, I’ll look for Senior Sister.”

If she didn’t have enough fun here, there must be more fun upstairs.

Little Linglong thought about it and decided to go up the mountain first to find Lin Qingzhu.

As for Su Lijie, she would beat him up if she met him again. She wanted to vent her anger.

Little Linglong skipped and walked through the door with her Linglong Hammer.

The moment she stepped through the door, she appeared at the top of the mountain.

There were only three people sitting on the ground silently.

In the huge square, there was a Yin-Yang pattern. A huge “Dao” word landed in the middle.

When Little Linglong barged in, Lin Qingzhu, He Wushuang, and Fuyao opened their eyes at the same time.
