

THE MOST GENEROUS MASTER EVER Chapter 185

The other four helped from the side.

In an instant, brilliant sparks erupted in the sky, causing the world to collapse.

Gu Haitang attacked with his sword and rushed up, forcing Little Linglong back. Unexpectedly, the heavy hammer smashed over.

There was a bang.

“Pfft...”

In one round, Gu Haitang vomited blood. He felt a sharp pain in his bones, as if his arm was broken.

“Damn it, why is this little guy so strong?”

Gu Haitang was stunned. No matter what, he was still a genius of a generation, an existence with the same status as He Wushuang. Why was he so unbearable in the hands of this little fellow?

They had only exchanged one blow for a moment, but he had already been beaten up like this. He slowly took out a pill. In order to stay, Gu Haitang went all out.

“Damn it, we’ll die together then...”

With a loud curse, he took out a pill and swallowed it. In an instant, a terrifying power erupted again. He quickly condensed his sword intent, and a shocking sword force erupted.

Seeing this, the others hurriedly retreated to avoid being accidentally injured.

The furious Gu Haitang instantly condensed a sword intent.

“Slash!”

With a loud shout, he slashed out with his sword. His entire body soared into the sky and charged towards Little Linglong.

That sword energy tore through the sky, causing the world to tremble. Under the dark clouds, Little Linglong suddenly raised her head, her red eyes emitting a trace of cold killing intent. Her small hand grabbed the Linglong Hammer and jumped down from the sky.

Boom...

The sword energy collided with the aura condensed from the huge hammer and instantly explodes violently. The sky was separated, and a violent wind swept up, covering the sky with dust.

“Pfft...”

Gu Haitang spat out a mouthful of blood and was miserably smashed onto the ground again, creating a huge pit. He felt that all the bones in his body had been broken, and the pain was unbearable.

“Damn it, everyone, attack together.”

Seeing this scene, everyone panicked. Even Gu Haitang couldn't withstand her hammer, so the others must be the same. If this continued, all of them would be finished.

The four of them charged forward at the same time, using all kinds of spirit treasures and erupting with their full strength.

The sky condensed into a huge domain, and it almost collapsed in the energy riot.

As the figures charged over, Little Linglong swung her hammer with all her might and faced them. She did not retreat at all. Even when she was facing the siege of the four of them, she was not afraid at all.

"I'll kill you..."

That angry voice came from the sky. Little Linglong was like a god of war as she sent everyone flying.

"Oh my god, this little fellow has gone crazy from killing..."

"She's actually not afraid at all when she's surrounded by four experts in the top ten of the Potentials Ranking at the same time, and she even has the upper hand..."

"How fierce is she? Where is her potential and limit?"

Everyone was dumbfounded. Even Perfected Zi Yang and Perfected Yunxu were stunned.

"Phew... As expected of the reincarnation of an immortal. Such potential is unbelievable."

“To be able to erupt with such astonishing combat strength under extreme anger, what kind of existence was her predecessor?”

Vaguely, they seemed to see that peerless and magnificent figure towering above the Nine Heavens.

“I’ll smash, I’ll smash, I’ll smash you to death...”

Little Linglong, who had completely lost control of her emotions, erupted with all her might. She hammered one in less than a few minutes.

The entire peak fell silent, leaving her alone in the sky. The other five were lying on the ground, half dead.

“Hiss...”

“How terrifying...”

“She said she would fight five, but she really fought five? And she killed them all?”

This scene stunned everyone. He Wushuang, who was watching the battle in the crowd, suddenly felt a little glad. “Phew... I was scared to death. Fortunately, I was eliminated in advance. Otherwise, I would have been the one beaten up.”

It would have been too embarrassing if he were to be beaten up by a five-year-old girl. Moreover, it was five against one. If word got out, he would be too ashamed to face anyone in the future.

“Damn it...”

At this moment, Gu Haitang's expression was extremely ugly. He struggled to get up from the ground, and the more he thought about it, the angrier he became. He was the dignified Eldest Senior Brother of Zhulu Academy, a peerless genius who was born to be the center of attention. Today, he was actually beaten up by a little girl.

This blow was too great.

After eating the last pill, Gu Haitang's face darkened. He sat on the ground and tried his best to regulate his breathing. He had finally recovered a little, and the fighting spirit in his heart had completely erupted.

"I don't believe that I, a level nine Infinite Distance cultivator, can't even defeat a level one Infinite Distance Body Tempering cultivator?"

Gu Haitang was unconvinced and pulled out his sword again. When the others saw this, they also had some time to catch their breath and hurriedly sat down to recover from their injuries.

Seeing him charge over again, Little Linglong's eyes turned cold. She was extremely excited under the lightning domain of the Nine Heavens Divine Lightning Attraction.

Even after fighting for a long time, she did not expend much energy. Facing Gu Haitang's provocation again, she only gave him a disdainful look.

It was as if she was saying, you... can't do it.

This gaze made Gu Haitang so angry that he almost vomited blood. His temper immediately rose.

"Slash!"

With a loud shout, Gu Haitang slashed out. The moment the sword energy slashed out, it turned into a Nine Heavens Phoenix and spread its wings to fly.
