

THE MOST GENEROUS MASTER EVER Chapter 193

“F*ck...”

The moment the purple crystal appeared, everyone present went numb.

“Damn, I was wondering why he was unmoved by the blue crystal. It seems like he has a better one and doesn’t fancy that blue crystal at all.”

“You call this mere?”

Good lord, he was bragging. Let’s go...

The purple crystal in Ye Qiu’s hand emitted a dazzling light. At that moment, the entire Mount Yun Ding seemed to be illuminated. That purple light emitted astonishing power. No one present could remain calm.

Qi Wuhui even shouted, “F*ck, I felt sorry for you a second ago. The next second, you slapped my face. The power contained in this purple crystal is a thousand times that of the blue crystal. If you absorb the power of this crystal, why would you worry about not being able to become a King?”

At this moment, even Meng Tianzheng walked over with a dumbfounded expression.

Who would have thought that Ye Qiu would suddenly do this? The people from the Heaven Mending Sect were all numb.

“Haha, Martial Uncle Ye is still that Martial Uncle Ye. He’s always so unexpected.”

“Last time, when he said this, I thought he was talking about using an ordinary sword. Who would have thought that he would take out an immortal sword?”

“It’s still the familiar smell and scene. In terms of pretending, I only admire Martial Uncle Ye. I can’t see anyone else. Cough...”

The disciples could not help but tease. They really could not stand this kind of stimulation. However, no one could figure out where Ye Qiu got this crystal.

Other than Mount Yun Ding, only the Grand Primordium Mine could produce such crystals. He had never participated in Mount Yun Ding, so he could not have come from here. The only possibility was that he had been to the Grand Primordium Mine and dug out a piece of purple crystal.

Looking at the purple crystal in Ye Qiu’s hand, Little Linglong’s eyes darted back and forth between the purple crystal and the blue crystal. She gently touched the purple crystal and felt the shocking power from it. Her little face immediately revealed a surprised expression.

“Alright, Master, this purple crystal is more delicious than Linglong’s blue crystal...”

Seeing her dancing happily, Ye Qiu pinched her little nose and said, “So, Linglong, you don’t have to think for me. I have my own treasures. You have to keep what you obtained through your own hard work for yourself, understand?”

“Okay, okay...”

At this moment, Linglong was also relieved. She no longer felt burdened and began to play with the blue crystal in her hand. She turned around and said, “Senior Sister, help me set this on the bed when we get back. I want to sleep well every day.”

The corner of Lin Qingzhu's mouth twitched. She really wanted to pry open her little head and see what she was thinking every day. "Alright, alright, alright. I'll help you set it on the bed."

"Okay..."

Ye Qiu put away the purple crystal and looked back at the shocked gazes around him. He wanted to laugh in his heart. Even he did not expect this unexpected gain, let alone these people. They must be dumbfounded.

With this crystal and that longevity medicine, Ye Qiu could consider advancing to the King-Ranked realm.

Now that the Dao Discussion at Yun Ding had ended, there was nothing else to do here. It was time to consider returning to the mountain.

As Mount Yun Ding closed in the end, this Dao discussion was completely over.

The elders of the various peaks also walked up with a smile and tried to get close to him.

"Haha, congratulations to your beloved disciple, Fellow Daoist, on reaching the peak of Mount Yun Ding. Fellow Daoist's cultivation level is also soaring. It's unfathomable and the King-Ranked realm is just around the corner.

"I congratulate you in advance for forming the King-Ranked seal."

Cao Zhixuan walked up and congratulated him.

Ye Qiu smiled and replied, "I hope so with Fellow Daoist's blessings."

Perfected Yunxu also walked up. “Haha, young friend! Don’t be humble. Your talent and aptitude are worthy of such praise. I’ve cultivated for half my life and am considered knowledgeable, but I’ve never seen an existence like you who has already touched the King-Ranked realm at such a young age.

“Perhaps you can really break the legend of my Eastern Wasteland not having a Martial Monarch in ten thousand years.”

Perfected Yunxu was definitely not exaggerating. He believed it from the bottom of his heart. Ever since he met Ye Qiu, he had shocked him too much. This person’s future was limitless. The heights he would reach in the future were unimaginable.

Ye Qiu’s heart didn’t fluctuate when he heard his praise. He was already used to this kind of praise. He only smiled and said, “I’ll work hard with Senior’s blessings.”

“Haha...” Perfected Yunxu laughed heartily. After a while, he said, “Alright, young friend, this matter is over. I should go back. If you have time another day, you can come to the Jade-Lake for a chat. I will definitely welcome you.”

“Take care, Senior.” Ye Qiu bowed and watched this person leave. He was filled with emotions. If his master was still around, he would be very happy, right? After all, his grand-disciples did not embarrass him. This year, the Heaven Mending Sect and Violet Cloud Peak were in the limelight of Mount Yun Ding.

He would probably be very gratified in the netherworld.

Sigh...

It was said that having an old man in the family was like having a treasure.

Just like ten years ago, when the snow sealed the mountain, Ye Qiu watched Daoist Xuantian leave on his crane.

After watching Perfected Yunxu leave, the knot in his heart seemed to have been untied.

After Perfected Yunxu left, Jiang Jiezhi brought his disciple Fuyao up to bid farewell.

“Fellow Daoist, this time, at the peak of Yun Ding, it can be considered that we have all seen the powerful secret technique of the Heaven Mending Sect. It also allowed me to see how important the Heaven Mending Sect is to the nurturing of disciples. I’m impressed.”

Jiang Jiezhi said with a smile. Fuyao had inherited the position of the Jade-Lake Fairy. Even though her strength had increased greatly, she was still on par with Lin Qingzhu one-on-one. This matter had a huge blow to her.

In her heart, that inheritance was the strongest thing in the world. She originally thought that the final champion of Mount Yun Ding would definitely be Jade Lake.

Who would have thought that Lin Qingzhu would use the One Strike Opened the Heavenly Gate? She directly defied the heavens and changed her fate. With the body of a mortal, she defied the heavens and punished the immortals. Just Fuyao alone was eliminated.

This made Jiang Jiezhi feel very helpless. After working hard for so many years, he still lost in the end. Who could stand it?

“Haha, Fellow Daoist Jiang, you’re right.”

Before Ye Qiu could answer, Qi Wuhui slipped up first and laughed heartily. “My Heaven Mending Sect places great importance on the nurturing of disciples. When everyone is free in the future, you can come to the Heaven Mending Sect to visit and learn. We welcome you.”

As soon as these words were spoken, the corners of the mouths of all the elders present twitched.

Qi Wuhui’s words were clearly directed at those young disciples. If those people really went to the Heaven Mending Sect to visit and it was as Qi Wuhui had said, they probably wouldn’t be able to return.

“Good kid, you’re quite vicious. You’re playing this trick...”? Someone cursed in his heart. They were making it clear that they wanted to poach their disciples.

One had to know that the Heaven Mending Sect was famous everywhere now. The rumors that Ye Qiu never hid anything from his disciples were also confirmed. Now, countless people were eyeing the Heaven Mending Sect and wanted to enter it.

Unfortunately, the Heaven Mending Sect’s disciple recruitment ceremony had yet to begin, so they could not enter even if they wanted to.

“Hey, let’s go...”

In order to protect these disciples from being poached, many Holy Lands slipped away, not giving Qi Wuhui a chance to fart. This made Old Qi angry. He had just prepared a wave of passionate speeches, but the audience ran away.

Jiang Jiezhì’s face also darkened. The corner of his mouth twitched and he said, “Fellow Daoist Qi, you really know how to joke. If there’s nothing else, I’ll take my leave first. Yao’er, greet Perfected Ye and prepare to leave.”

Fuyao nodded and walked up from behind to bow to Ye Qiu. She looked at Ye Qiu blankly. Her heart was very complicated, as if she was hiding many things. After a while, she said, "Thank you for saving my life last time, Senior. I will remember it for the rest of my life."

Ye Qiu nodded. It had to be said that this little girl was much more beautiful than before after inheriting the position of the Jade-Lake Fairy. Her temperament had also changed, becoming even more immortal.

"It was nothing. There's no need to be so polite."

Ye Qiu only replied politely, but Fuyao didn't think so.

"To Senior, it might really be a piece of cake, but to Fuyao, this is a life-saving grace that I can't repay in this lifetime. If Senior needs anything in the future, feel free to ask. I will do my best to satisfy you."

Seeing her firm answer, Ye Qiu couldn't bear to refuse. He did not expect this girl to be so sensible and grateful. Unfortunately, she was not his disciple.

Ye Qiu nodded and didn't answer. After Fuyao finished speaking, she looked at Lin Qingzhu.

At this moment, Fuyao still had not forgotten the scene of her being on par with Lin Qingzhu. That scene was deeply imprinted in her mind.

"I won't lose again."

With that, Fuyao turned around and left with Jiang Jiezhong. She knew very well that the reason why she lost was because she had just inherited the position and was not familiar with it yet. That was why she gave Lin Qingzhu a chance to successfully become a Heaven-defying mortal.

However, she was confident enough. She was determined not to give Lin Qingzhu another chance.

Lin Qingzhu clenched her fists as she watched her leave, her eyes filled with realization. She did not think that Fuyao was spouting nonsense. Instead, she believed her words very much. She was a high and mighty fairy, while she was just a mortal. Although she had divine bones, she was nothing compared to a true genius.

In terms of talent and aptitude, she could not compare to Fuyao at all.

After this trip to Mount Yun Ding, she finally realized the importance of innate talent, opportunities, and other factors. The reason why she could stand on the same stage as these geniuses was because her opportunities were better than theirs. Because she had met the best master and he tried his best to raise her to this height.

Without her master, with her aptitude, she would not be qualified to be their opponent even if she had divine bones.
