

THE MOST GENEROUS MASTER EVER Chapter 196

The only flaw was that he had not unlocked the god-grade lucky draw this time. Otherwise, he would really have profited greatly.

All in all, it was actually not bad to have unlocked the Ten-thousand-fold return.

Because Lian Feng was in the Heaven Domain, Ye Qiu couldn't trap her even if he wanted to. He could only take advantage of his disciples. Now that he had settled Ming Yue, it would be much easier to trap them in the future.

There was still a pile of gold in Ye Qiu's storage jade. There were also many Connate Great Recovery Pills. When the time came, he would give out some cultivation-enhancing pills and activate the return system.

Oh my god, I can't imagine how long I will be able to finish those pills if I hit the ten thousand critical strike.

Ahem... Wait, the show isn't over yet.

After adjusting his mentality, Ye Qiu revealed a surprised smile. He was a little hesitant and at a loss. "Really? Senior Sister, do you like me too?"

Ming Yue's face turned red and she felt a little embarrassed. She turned around and looked behind her. Those disciples did not follow her, so she decided to be bolder.

"Yes..."

Ming Yue couldn't remember when she fell for Ye Qiu. Perhaps it had started since she went to Violet Cloud Peak. That was the first time she had taken the initiative to interact with this junior brother in ten years.

At first, she thought that Ye Qiu was really as unbearable as the rumors said. After interacting with him, she realized that that wasn't the case. This man had always been hiding his strength. He was clearly very outstanding, but he kept a low profile.

From that time onwards, Ye Qiu had aroused Ming Yue's curiosity, making her want to dig out the secrets in his heart. As soon as this thought appeared, she began to fall for it. She gradually lost herself under Ye Qiu's stunning performance.

She admitted that she really liked Ye Qiu to the point where she couldn't sleep at night. She just didn't dare to confess because she was shy. How could she refuse now that Ye Qiu mentioned it?

She was very familiar with Ye Qiu's personality. If she refused, he would probably never speak again. She did not want to miss this once-in-a-lifetime opportunity and ruin herself because of her shyness.

He looked at her tender gaze. Ye Qiu smiled and gently stroked the beautiful hair on her forehead. Then, he stuffed the immortal pill into her hand.

“Senior Sister, can you accept this pill now?”

Ming Yue's heart trembled when she saw his confident smile.

Do you want it or not??After some thought, she decided to take it.

The two of them officially acknowledged their relationship.

At this moment, Ming Yue was still a little excited, and her heart was pounding. She didn't know what would happen after they confirmed their relationship. She wasn't mentally prepared yet. No matter what, she was still the master of the Heavenly Water Peak and had more than a hundred disciples. She couldn't just throw the Heavenly Water Peak to Liu Ruyan and run to Violet Cloud Peak, right?

This was also not appropriate.

Ming Yue was very touched as she looked at the immortal pill in her hand. Through today's matter, she clearly realized that she was actually so important to Ye Qiu. She was delighted and surprised.

Looking at his handsome face, she recalled what had happened in the blessed land and blushed. She couldn't help but kiss him before running away.

“Hmm? Sneak attack?”

On the other hand, Ye Qiu was still immersed in the joy of a hundred thousand fold return. Ming Yue's unexpected sneak attack didn't react.

Ming Yue covered her mouth and laughed happily when she saw his reaction. “Junior Brother, we've arrived at the Heavenly Water Peak. I'll go back first and make an appointment another day...”

Unknowingly, they had already returned to the Heaven Mending Sect in the blink of an eye.

Ye Qiu was careless and didn't notice.

“Senior Sister, wait...”

Ming Yue was preparing to fly to the Heavenly Water Peak and enter seclusion to break through to the Paragon realm.

Ye Qiu suddenly stopped her. Ming Yue immediately stopped and turned around curiously.

Unexpectedly, Ye Qiu suddenly pounced on her, scaring her until her face turned pale and she panicked. Just as she was at a loss, a large hand slowly wrapped around her slender waist and carried her over.

“Oh...”

Just as she reacted, she realized that her mouth had been sealed. Her eyes widened. Ming Yue couldn't believe that Ye Qiu dared to kiss her in front of everyone.

“Wow... Senior Sister, look, what is Master doing?” Little Linglong's excited cry came from behind, and she couldn't wrap her head around it. She couldn't figure out what her master and Ming Yue were doing. Why were their mouths facing each other? Could it be that they were secretly eating something delicious? Did he do this in order to not let them see it?

The corner of Lin Qingzhu's mouth twitched as she knocked her head.

“Linglong, you're still young. It's better not to know these things too early. Be good, let's not look...” Lin Qingzhu explained as she turned Little Linglong around. However, she was too curious and turned around to look.

“Master must have something delicious to eat. He secretly stuffed it into Martial Uncle Ming Yue's mouth. I must see it...” Little Linglong said seriously.

“Pfft...” Zhao Wan'er couldn't help but laugh. “Yes, that's right. Master must have hidden something delicious.” She still wanted to tease Little Linglong, but when she saw her senior sister's speechless gaze, she stopped. Forget it, she shouldn't tease her.

On the other side, the disciples of the Heavenly Water Peak had also arrived. When they saw this scene, they were also a little surprised.

“Wow, Master and Martial Uncle Ye have already developed to this extent?”

“What shocking news! I must share it with my junior sisters when I get back.”

“Hehe, I didn’t expect Martial Uncle Ye to be so unyielding. Aren’t they ashamed in front of everyone?”

Ming Yue’s pretty face immediately turned red after being surrounded by so many disciples. “Ah, how embarrassing...”

Ming Yue’s heart raced as she hurriedly pushed Ye Qiu away. She didn’t dare to face anyone. In the hearts of the disciples, she, who had always been steady, had never done such a bold thing. However, she was also secretly delighted. When she recalled the feeling just now, she was actually a little reluctant to part.

Was this the taste of love?

After eating his fill, Ye Qiu finally felt comfortable. “Senior Sister, you ambushed me twice. It’s not too much for me to return it to you once, right?”

Ming Yue glared at him and said, “How embarrassing. There are so many people watching.”

Ye Qiu turned around and saw the dumbfounded expressions of the disciples of the two factions. He was delighted. Unexpectedly, there were so many people who liked to watch displays of affection these days.

He didn't care much, but Ming Yue might not be able to take it.

On second thought, Ye Qiu suddenly smiled evilly and said, "Senior Sister, if you think there are many people, why don't... you come to my room tonight and we can have a long chat?"

As soon as these words were spoken, Ming Yue's heart raced and her body trembled. She understood what Ye Qiu meant. She was actually looking forward to it, but she hesitated for a moment.

"This... That's not good, right? Junior Brother, isn't this too fast?"

Ye Qiu pretended to be confused and said, "Fast? Senior Sister, I'm just suggesting that we discuss the Dao tonight and study Dao techniques... Don't tell me you're thinking of something bad?"

"Go to hell..." Ming Yue immediately blushed. She knew that Ye Qiu was playing with her again, so she pinched him and flew away. Damn it, that was clearly what he meant, but he deliberately pretended to be confused. It made others think that she wanted it herself.

This was too much. She almost agreed just now. Who would have thought that Ye Qiu would suddenly say this? Indeed, he was still the same person. Even after confirming their relationship, he still hadn't quit that scheming personality.

Ye Qiu finally couldn't help but laugh as he watched Ming Yue escape.

"Haha... Little Senior Sister is so fun."

For some reason, Ye Qiu especially liked to tease Little Senior Sister.

Was it really that fun?

Please, it was super fun, okay? Such a top-notch senior sister had a gentle personality, was considerate, and had a good figure. She had the looks of a beauty too. She was fun to play with too. Where could he find such a good wife?

“Master...”

Ye Qiu was still reminiscing when Little Linglong pounced over and hung onto him. Her little hand touched Ye Qiu’s mouth and said, “Master, did you hide something delicious? Quickly take it out. Linglong is hungry.”

The corner of Ye Qiu’s mouth twitched. He put her down and said, “Who told you that I have good food?”

“Master, you’re not allowed to lie. I saw it just now. You clearly fed Martial Uncle Ming Yue delicious food yourself.” Linglong said righteously.

The corner of Ye Qiu’s mouth twitched. He had actually forgotten that there was a child here. He had been careless.

After a while, Ye Qiu explained, “Linglong, you’re still young and don’t understand many things. When you grow up, you will understand what I was doing just now.”

“Really?” Little Linglong was puzzled.

“Of course it’s true. I never lie.”

“Oh...” Little Linglong was a little disappointed when she heard that there was nothing delicious. Although she was now at level one of Infinite Distance, she was a body tempering cultivator and could not abstain from eating. Therefore, she still had to eat every day. Otherwise, she would not be able to replenish her energy.

Licking her lips, Little Linglong thought of those roasted sweet potatoes and hurriedly ran back to Lin Qingzhu’s side.

“Senior Sister, shall we go back and roast sweet potatoes?”

“Okay...” Lin Qingzhu nodded. She had no choice.

After calming down, Ye Qiu turned around and said to his three disciples, “Alright, let’s go.”

As soon as he finished speaking, Ye Qiu was the first to fly towards Violet Cloud Peak.

On the other side, the other seven factions of the Heaven Mending Sect had already embarked on their return journey.

This year’s peak of Yun Ding has finally come to an end. Through this Dao discussion at Yun Ding, the Heaven Mending Sect’s name returned to its peak.

All over the Eastern Wasteland, the various families and dynasties were discussing this matter. Especially regarding Violet Cloud Peak. Everyone wanted to take the opportunity to curry favor with Violet Cloud Peak, but there was no way.

The Xiao Clan, who was far away in Guangling, felt extremely good.

Little Zhan could not close his mouth for the past two days.

“Haha, this is awesome! The best decision I, Xiao Zhan, have ever made in my life is to cozy up to Violet Cloud Peak. Now, Guangling City has already become the world of my Xiao Clan. In the past few days, the various large families of Guangling and even the Liyang Dynasty have almost trampled the threshold of the Xiao Clan.”

This was because they all knew that the Xiao Clan was now a subsidiary force of Violet Cloud Peak. They all wanted to use the Xiao Clan’s relationship to cozy up to Violet Cloud Peak.
