

## THE MOST GENEROUS MASTER EVER Chapter 206

The violent power in his body continuously attacked. The overflowing energy fluctuation shook the entire cave abode. Even the pool began to boil. A purple crystal circled above Ye Qiu, and a powerful suction force continuously sucked the power of the purple crystal into his body.

The power in his body had already reached the limit, and he was just a step away from the King-Ranked realm.

Ye Qiu was completely excited. This long-awaited realm had finally arrived. As he slowly raised his hand, spiritual energy circulated. With the world as the center, it evolved into the True Primordial Record.

Half a month passed while he pushed the power in his body to impact the spiritual spring.

Ye Qiu's face was filled with an excited smile. There was no turning back at this last step.

"Hmph, let me use these hundred strands of providence to ascend to the throne." With a furious shout, he instantly exerted strength. The hundred strands of providence in his body began to gather and converge towards the spiritual spring.

After the last wave of Connate providence was added, this spiritual spring that gathered the energy of heaven and earth shone with an extreme light, like the holy light of heaven.

In the spiritual spring, another Great Dao Flower slowly bloomed.

"Three Flowers Summit!"

Seeing this scene, Ye Qiu couldn't suppress the joy in his heart anymore. A smile appeared on his face.

As the Flower of Great Dao bloomed, the three flowers emitted powerful forces together.

Boom!

His body let out a loud bang. In an instant, the ground shook, and the entire Violet Cloud Peak was suddenly covered in dark clouds.

“What’s going on?”

This sudden commotion attracted the attention of countless people. They all looked in the direction of Violet Cloud Peak. The entire Heaven Mending Sect, the Seven Peaks, and even the entire Qin Chuan, be it those who were cultivating or those who were busy with various things.

At this moment, they all stopped and walked outside to look at the extreme light in the sky.

“King-Ranked realm! Junior Brother actually really broke through...”

Outside the Jade Pure Hall, Meng Tianzheng looked in the direction of Violet Cloud Peak and said with a solemn expression. Beside him, Qi Wuhui was also shocked. No one expected that the first and only person to break through to the King-Ranked Realm in the Heaven Mending Sect was actually the junior brother that everyone looked down on.

“Unbelievable, simply unbelievable! For tens of thousands of years, my Heaven Mending Sect has never produced a King-Ranked powerhouse. Even Martial Uncle Xuantian back then couldn’t do it. Junior Brother Ye actually really broke through...” Qi Wuhui said with admiration from the bottom of his heart. He recalled how he had gone against Ye Qiu many times and suddenly felt how stupid he was.

That junior brother whom he treated as trash had never bothered with him. Otherwise, even if he had a hundred lives, it would not be enough for him.

“Haha... good, very good. Looks like my Heaven Mending Sect isn’t destined to die.” After a long silence, Meng Tianzheng suddenly laughed loudly. His suppressed heart for the past few months finally relaxed.

Now that the Eastern Wasteland was in danger of being destroyed at any time, he had been worried about the survival of the Heaven Mending Sect. But the sect had a King-Ranked powerhouse now, he was instantly filled with confidence.

“Junior Brother! It’s about time. Get ready. The disciple recruitment ceremony will be held in half a month.” Holding a green leaf in his rough palm, Meng Tianzheng lowered his head and pondered for a moment. He revealed a smile and said, “My Heaven Mending Sect’s luck is at its peak, we shouldn’t die. Perhaps we can use this opportunity to completely strengthen the sect and recover our Heaven Mending Sect’s former glory.”

Hearing his words, Qi Wuhui was also very excited.

“Hehe, Senior Brother, don’t worry. I’ll do it now.” Qi Wuhui replied with a smile, feeling secretly pleased.

It was an unexpected surprise that such good news came early this morning.

The phenomenon caused by Ye Qiu breaking through to the King-Ranked realm alarmed the entire Qin Chuan. In less than half a day, news spread throughout the Eastern Wasteland.

Qi Wuhui suddenly felt amazing. His steps were light and he felt comfortable. A King-Ranked powerhouse? Doesn’t he have to call me Senior Brother when he sees me? Hehe...

After bidding farewell to Meng Tianzheng, Qi Wuhui hurriedly came to the gate. At this moment, if he didn't show off, he would really be letting down Ye Qiu's hard work.

At the same time, in Violet Cloud Peak's Qianqing Hall, Lin Qingzhu, Zhao Wan'er, and the others felt Violet Cloud Peak shake and stood up from their seats. They walked out of the Qianqing Hall and frowned when they saw the back mountain covered in dark clouds and thunder.

"Senior Sister, this commotion is coming from the Violet Cloud Cave Abode in the back mountain. Could it be that Master..."

Before Zhao Wan'er could finish speaking, Lin Qingzhu raised her hand and interrupted her. With a step, she flew towards the back mountain.

Zhao Wan'er followed closely behind and flew to the back mountain with Little Linglong.

At this moment, the cave was still closed, but the shocking aura coming from inside was incomparably shocking. Even though it was far away, it still made one feel suffocated.

"This power is unbelievable! Could it be that Master has really broken through to the King-Ranked realm?" Lin Qingzhu said in disbelief.

No one expected that Ye Qiu, who had been silent for a few months, would suddenly erupt and cause such a huge commotion. The commotion here had probably spread throughout more than half of the Eastern Wasteland.

Looking at the dark clouds circling above the Nine Heavens, a powerful force wantonly swept up a violent wind. Under this suppression, everyone's breathing became tense.

"Everyone, look!"

Outside the mountain gate, a voice sounded from the crowd. Everyone instantly looked up. It was as if in that void, a phantom stood in the sky, like a god that had descended to the world.

“Heavens! Is this the legendary King-Ranked realm? Rumor has it that only those who have reached the legendary King-Ranked realm can cause such a phenomenon. The so-called King-Ranked Seal is the recognition of the Heavenly Dao. It represents supreme authority...”

The crowd instantly erupted. Everyone discussed animatedly as they looked at the illusory figure in the sky. They actually felt like kneeling down and paying their respects. This was the reverence from the bottom of their hearts, the submission to a King-Ranked powerhouse.

A gust of wind blew and the dark clouds dissipated. Everyone could clearly see the phantom in the sky.

“It’s really him...”

“Heaven Mending Sect’s youngest martial uncle, Violet Cloud Peak’s master, Ye Qiu...”

The moment Ye Qiu’s true body of Dharma character appeared, everyone was shocked. They finally confirmed who was breaking through. As soon as this phenomenon appeared, a large number of people instantly surged into Qin Chuan.

At this moment, in the back mountain of the First Peak.

The elders, the Grand Elder of the Heaven Mending Sect, and the last Martial Uncle of the Xuan generation suddenly opened their eyes.

“King-Ranked realm. He... really broke through?” Xuanyi’s weathered face was filled with joy, but there was also a hint of loneliness and sorrow. He lowered his head and did not say anything. He seemed to

have thought of something and shook his head. He smiled bitterly and said, "Haha, Senior Brother, your greatest regret in life has been realized by your disciple."

Xuanyi shook his head again as he looked up at the purple light outside the mountain.

"Your wish has been fulfilled, but what about mine?"

He recalled everything that happened back then. He was so high-spirited that he joined forces with Daoist Xuantian to dominate more than half of the uninhabited region. Now, as time passed, the old people of the past had already left, leaving him alone. He guarded an empty mountain with guilt.

If not for his mental demons, he would be the first person in the Heaven Mending Sect to break through to the King-Ranked realm with his talent. Unfortunately, the change in the uninhabited region back then made this once most stunning junior brother of the Heaven Mending Sect turn white overnight.

Trapped by his mental demons, he guarded an empty mountain all day long and lived in desolation.

"Martial Uncle, should we go out and congratulate him?"

Xuanyi was in a daze when an elder walked over and asked.

As the Heaven Mending Sect's final trump card, they rarely went out. Only when the Heaven Mending Sect suffered a calamity and the current Sect Master ordered them could they be mobilized.

Xuanyi looked up at the haze above Violet Cloud Peak and said, "There's no need. Now that the Heaven Mending Sect has a successor, it's time for us to leave."

Everyone's hearts trembled when they heard Xuanyi's lonely voice. They felt indescribably uncomfortable. They had been by Xuanyi's side all day long, so they knew better than anyone what was on his mind.

"Sigh..." An elder sighed and wanted to persuade him, but he gave up weakly.

Back then, Daoist Xuantian had yet to untie his knot, let alone them. He could only blame fate for being unfair. If it weren't for the incident in the uninhabited region back then, a genius that attracted the attention of the world wouldn't have fallen.

The seal in the sky gradually erupted. In an instant, the world trembled and a shocking force spread out.

Everyone in the Heaven Mending Sect immediately trembled. This shocking power actually contained the aura of longevity.

"What... what's going on?"

At this moment, everyone was shocked. This sudden nourishment caught everyone off guard. When they turned around, there were already people who began to meditate and enter a state of absorption to absorb this longevity aura. That longevity aura was the power of the Chaos Green Lotus. It unintentionally erupted after Ye Qiu reached the Three Flowers Summit.

"Oh my god, everyone, sit down. This is a gift from Martial Uncle Ye..."

For a moment, everyone in the Heaven Mending Sect was excited. No one expected Ye Qiu to suddenly give them a huge gift. During this devouring and expiration, everyone in the Heaven Mending Sect received a gift. Their strength had increased greatly.

At this moment, in Violet Cloud Cave Abode, Ye Qiu, who was silently controlling everything, suddenly opened his eyes.

“Hehe, absorb as much as you can. When you’re done, it’s my turn...”

That’s right. His actions just now were intentional. The goal was very simple.

A trap...

It was boring to trap them one by one. Ye Qiu prepared to do a big one and harvest the entire Heaven Mending Sect.
