

THE MOST GENEROUS MASTER EVER Chapter 212

“Senior Sister...”

In the martial arts arena, Zhao Wan'er and Little Linglong were sitting at the side and observing. Lin Qingzhu suddenly came here, and the two of them immediately stood up. They had all heard what Qi Wuhui had said just now.

Zhao Wan'er was also very shocked. They did not expect the Heaven Mending Sect to make such a decision. In her heart, she was filled with respect for her sect.

The two of them stood up and shouted in unison. Lin Qingzhu waved her hand and looked at her surroundings.

“You all heard it just now, right?” Lin Qingzhu said lightly. She was also thinking about what Violet Cloud Peak should do next.

Zhao Wan'er nodded, and Little Linglong said excitedly, “Senior Sister, can we go down the mountain to play?”

Lin Qingzhu said in a good-natured manner, “Yes, Sect Master has issued a decree, ordering my Violet Cloud Peak to work with the disciples of the other peaks to rush to Qin Chuan's Heavenly Ridge and set up a formation to protect peace...”

Zhao Wan'er pondered for a moment and said, “Senior Sister, the sect is busy now. Stay on the mountain first. Linglong and I will help.”

Lin Qingzhu was stunned. She turned around and looked at her, feeling a little worried. In this half a year, Zhao Wan'er had also broken through to level nine of Infinite Distance. However, it would still take a long time for her to break through to the Hidden Life realm. Even a Five Realms expert might not be

able to save their lives in such a calamity, let alone a Infinite Distance cultivator like her. Therefore, she was a little worried that something would happen to Zhao Wan'er.

Lin Qingzhu turned around and looked at Little Linglong. She suddenly smiled and patted her little head. She had almost forgotten that there was still this little fellow.

Little Linglong had also reached level nine of Infinite Distance. Because she was a Body Tempering cultivator, she was only a step away from the Five Realms. Her combat strength was extremely astonishing, and her potential had already been developed to the limit. Her body also contained powerful strength.

If it was at a critical moment, she might be the savior who turned the tide. With her around, it shouldn't be a problem.

After pondering for a moment, Lin Qingzhu said, "Hmm, Linglong, how about you follow your Second Senior Sister down the mountain later and help Violet Cloud Peak to suppress the chaos?"

.....

"Alright, Senior Sister. I promise to complete the mission..." Little Linglong almost didn't hesitate. She had long wanted to go down the mountain to find someone to fight. Unfortunately, she never had the chance. Her senior sister did not let her go down the mountain, and the senior brothers on the mountain did not dare to fight her. She was so bored every day.

After thinking about it, Lin Qingzhu was still a little worried. She said, "Linglong, promise me that you will protect your second senior sister, okay?"

Little Linglong looked up at Zhao Wan'er and said seriously, "Alright, I will definitely protect Second Senior Sister."

Zhao Wan'er sweated when she heard this. Why did she suddenly feel like she had become a burden? No matter what, she was still a level nine Infinite Distance expert. She couldn't be that weak, right??Senior Sister is too much. She looks down on me...

Although she was very depressed, Zhao Wan'er did not refute. She knew very well that her senior sister was worried about her safety.

Lin Qingzhu heaved a sigh of relief when she heard Little Linglong agree. She looked up at the sky and saw disciples of the Heaven Mending Sect continuously descending with their swords. All seven peaks were out. The scene was extremely spectacular.

The entire sect could move with just a decree from Meng Tianzheng.

After thinking for a while, Lin Qingzhu instructed, "Wan'er, remember to keep an eye on Linglong after you leave the mountain. Don't let her cause trouble everywhere. Just cooperate with the disciples of the other peaks and do your best to protect her. The current situation is not irrevocable. We'll make a decision after Master comes out of seclusion..."

Zhao Wan'er nodded and left the mountain with Little Linglong.

Lin Qingzhu returned to Violet Cloud Peak first.

On this day, the news of the Heaven Mending Sect taking action spread throughout the entire Eastern Wasteland just as Qi Wuhui had expected.

All over the Eastern Wasteland, cities and tribes were shocked when they heard this news.

At this moment, in the Heavenly Lake Holy Land.

In the ancient and mysterious hall, Perfected Zi Yang sat as steady as a mountain, not saying a word.

Daoist Tiantong, on the other hand, silently listened to the disciple who had just returned after inquiring about the news.

“Master! This morning, the Heaven Mending Sect released the news that they wanted to live and die with all living beings. They set up a defense line with Qin Chuan’s Heavenly Ridge as the boundary.

“Once this news was released, the entire Eastern Wasteland was in chaos. When everyone heard this news, they couldn’t wait to rush to Qin Chuan. In just a day, tens of millions of people surged into Qin Chuan. All the major families, tribes, and families moved. That scene is even more spectacular than a Dao Discussion.

“There are even rumors among the commoners that the Heaven Mending Sect is the righteous path of the world, the number one holy land, and its prestige has reached its peak.”

“What?” Daoist Tiantong’s expression turned ugly when he heard this news. He turned around and looked at Perfected Zi Yang. Daoist Tiantong asked, “Master, what do you think about this matter?”

Perfected Zi Yang smiled faintly. When he heard these words just now, he was very impressed. He admired the boldness of the Heaven Mending Sect and Meng Tianzheng. While everyone was thinking hard about how to transcend the tribulation, he actually dared to do the opposite and take the initiative to fight? This method had its pros and cons. It could be said to be an extremely crazy action.

Hearing Daoist Tiantong’s question, Perfected Zi Yang smiled. They were both leaders of the same faction, so why was Meng Tianzheng so decisive? And why was Daoist Tiantong hesitating and not making up his mind? He smiled faintly and said, “Haha, Meng Tianzheng is indeed the most courageous person in your generation.

“When all of us were worried about how to protect ourselves when the calamity descended, they were already ahead of us. Not only did he not close off from the world, but he also appeared and chose to live and die with the world...

“Disciple, do you know what the deeper meaning is?”

Daoist Tiantong thought for a moment and his eyes suddenly lit up. “For reputation?”

From the disciple’s report just now, he learned that the current Heaven Mending Sect’s reputation had already reached its peak. They had become the righteous path and the number one holy land.

It was conferred by the commoners because of their decision. In the hearts of those commoners, the Heaven Mending Sect was already the number one holy land in the righteous path of the world.

“No, no...” Perfected Zi Yang shook his head and laughed.

Daoist Tiantong immediately frowned and pondered again. He felt an inexplicable emptiness in his heart, as if he had missed something. After thinking for a long time, he suddenly raised his head and revealed a surprised expression. “Providence of the world?”

Right, how could he have neglected this point? All this time, he had been thinking hard and had not known how to choose. He wanted to close the sect, but he felt like he had missed something. He wanted to open the sect, but he was afraid that the Holy Land would be in danger and he would not be able to obtain any benefits.

Now that he heard Perfected Zi Yang’s reminder, he suddenly felt enlightened. It was the providence of the world. This providence was the providence of a sect, not the providence of a single person.

After thinking this through, Daoist Tiantong immediately felt extremely regretful.

“Damn it!” Daoist Tiantong slapped the table gloomily and stood up regretfully. He had missed a good opportunity because of his carelessness.

The Heaven Mending Sect’s reputation and popularity had already reached their peak because of this decision. In comparison, the other Holy Lands seemed a little dim.

Hearing that Daoist Tiantong had understood, Perfected Zi Yang smiled in relief.

“Although the Heaven Mending Sect’s actions are bold, if they succeed, it will be a great fortune. This will be a huge transformation for the entire sect. Its Holy Land will have a heavy status in the Eastern Wasteland and will become the dawn in everyone’s hearts. It can be said to be a win-win situation.

“But if it fails, the Heaven Mending Sect can also protect themselves and leave without affecting their reputation. Because in people’s hearts, they have already done what they should do. They pity the common people and save them.”

After hearing Perfected Zi Yang’s analysis, Daoist Tiantong already knew what he should do next. Therefore, the older the wiser.

Perfected Zi Yang immediately saw through the pros and cons. The only thing he did not see through was the Heaven Mending Sect’s determination. From beginning to end, Meng Tianzheng only had one order, and that was to defend Qin Chuan to the death, placing the life and death of the entire sect at stake. He had never thought of retreating.

“Thank you for your guidance, Master. I know what to do.” Daoist Tiantong’s eyes became clear, and a smile appeared on his lips. “Fellow Daoist Meng, I’m sorry! My Heavenly Lake also wants to share this human providence...”

Daoist Tiantong instantly stood up and passed down the decree. He said, "Pass down the order. Today, we will hold the Heavenly Ritual. My Heavenly Lake is willing to block the calamity for all living beings and use the Longevity River as a boundary to protect the safety of an area.

"All the elders and disciples of my Heavenly Lake will leave the mountain immediately. Regardless of whether they are in seclusion or not, all of you will be mobilized."

As soon as these words were spoken, the entire Heavenly Lake instantly erupted. All the elders and disciples felt their blood boil.

When they heard the news about the Heaven Mending Sect, they felt inexplicably aggrieved. As cultivators, why couldn't they have such boldness and be loved by all living beings just like the Heaven Mending Sect? Were they really inferior to them?

The disappointment in their hearts made them feel very uncomfortable. Now that they heard Daoist Tiantong's words, everyone erupted.

"We will obey the First Elder's decree! We will defend with our lives..."

In less than two hours, the Heavenly Lake Holy Land was in an uproar. The disciples and aristocratic families who came to participate in the entrance examination were all excited after hearing this news.

No one expected that after the Heaven Mending Sect, the Heavenly Lake would also send out such news.

In the beginning, they were still wondering if they should leave this place and head to the Heaven Mending Sect. Now that this news was released, everyone felt relieved.

At the same time, when the Heavenly Lake released this news, the Jade-Lake Holy Land far away in the Yunmeng Lake also released the news.
