

THE MOST GENEROUS MASTER EVER Chapter 225

“No, this is impossible. How can I be so unbearable?”

The strange giant fell into self-doubt. He dragged his broken body and kept retreating. From the beginning, he looked down on the world and had a high and mighty attitude. Now, he has become so miserable and lonely. He did not believe that he would fail. Ever since he came to this world, he had never thought that he would die. In the past hundreds or even thousands of years, he had conquered countless worlds. No one had ever injured him to this extent.

“Don’t... come over.” The strange giant finally panicked when he saw Ye Qiu gradually walking over. His eyes were filled with fear as he shouted.

Ye Qiu ignored his fear and slowly arrived. A half-smile appeared on his face. “Is this a high and mighty god? Looks like he can’t withstand a single blow...”

As soon as these words were spoken, the strange giant was instantly enraged and roared, “Impudent! How dare you lowly spirits look down on my Strange Clan? When my lord comes personally, you will know what a true ruler of the world is.”

Ye Qiu smiled faintly and slowly raised the Immortal Slayer in his hand. “Then let’s see if your so-called true lord can save you today...”

Just as Ye Qiu was about to attack, suddenly, the strange giant’s eyes moved and he released a black mist.

“Hmm?”

Ye Qiu was stunned for a moment. He felt a spatial power continuously compressing him, and his movements seemed to be restricted. There seemed to be a seal placed on the surroundings. This was some kind of spatial domain’s killing move. Once one was trapped inside, it would be difficult to break

free. Furthermore, there was the corrosion of the strange origin. Be it physically or psychologically, one would suffer a huge blow.

“Haha...” The strange giant suddenly laughed loudly. With a wave of his hand, his body recovered again. “A trash is always a trash. Do you really think I’ll be defeated by you so easily? Idiot! Just now, I was just trying to lure you into a trap.”

At this point, the strange giant could no longer hide the joy in his heart and laughed loudly. He put on his high and mighty demeanor in the black fog. Returning to his high seat, the strange giant looked down from above and sneered. “I have already set up my race’s strange array in this world before you came. Now, there are restrictions placed on this world. Space is stacked and piled up.

“I am invincible in the world. Even if a Martial Monarch comes, he can only be slowly exhausted by me here until his strength is exhausted and he is like a lamp that has run out of oil.”

At this point, the strange giant revealed a smug smile. He continued to shout, “I admit that you have something, but not much. I’ve fought in the world for many years. You’re the only one who can force me to this extent. You should be happy...”

.....

After saying that, the strange giant looked down from above and prepared to enjoy the pleasure of Ye Qiu being tortured to death. He liked this feeling very much.

Rumble...

Thunder rumbled in the sky and black mist covered the sky, completely surrounding Ye Qiu and gradually dissipating before everyone’s eyes.

Seeing this scene, everyone below panicked. That was Qin Chuan's last hope. Only he could save them.

"Master!"

In the crowd, Lin Qingzhu lost control of her emotions. She ignored the obstruction and wanted to help. However, how could she go up with her Martial Uncles around?

"Martial Niece, don't be rash! We have to believe in your master..." Qi Wuhui shouted loudly. At this time, he definitely could not cause trouble. With their strength, they would only be sending themselves to their deaths. They couldn't help Ye Qiu at all.

"Senior Sister, is Master going to croak?"

What no one noticed was that Little Linglong, who was behind Zhao Wan'er, suddenly became depressed. The stirring in her heart vaguely stirred a certain seal, and a powerful force gradually revealed itself.

Realizing the changes in her body, Lin Qingzhu instantly woke up. She grabbed her hand and instantly activated all the spiritual energy in her body to suppress the seal in her body. She always remembered what her master had told her.

Little Linglong's body was very special, so she needed to pay attention to the seal in her body. That was a seal that separated her from before her reincarnation. Once it was removed, she would no longer be Violet Cloud Peak's junior sister. She would no longer be the little junior sister who liked to follow behind them and call them senior sisters sweetly.

That seal was left behind before she reincarnated. Back then, Ye Qiu had searched for a long time before discovering it. It was hidden very well. Only when one was truly sad would the seal loosen.

The so-called eruptions from before were just small fights. It would not be a joke if this seal was removed. Currently, they could not afford such karma. Once Linglong recovered, who knew what she would do? Moreover, once the seal was removed, everything she had cultivated would fail. It had a huge impact on her.

“Senior Sister, what’s going on? What’s wrong with Linglong...” Zhao Wan’er asked in a panic as she looked at Little Linglong, who had a ferocious expression and seemed to be suppressing the pain in her body. She was focused on Ye Qiu just now and didn’t notice Little Linglong’s change. Fortunately, Lin Qingzhu noticed it quickly. Otherwise, this seal would probably really be removed.

Lin Qingzhu also had lingering fear. She mobilized all her strength to suppress it. After a while, it finally eased up a little.

“Phew...” Panting heavily, Lin Qingzhu said with lingering fear, “I’m fine. It’s the seal in Linglong’s body. Fortunately, I discovered it early.”

After dealing with Linglong’s body, Lin Qingzhu slowly hugged her in her arms, not letting anyone disturb her rest.

Lin Qingzhu looked up at the sky and saw that the figure was already surrounded by black fog. She felt extremely hopeless. At this moment, she wished that she could be stronger and help her master when he needed her.

In the sky, the haze swept across, and a terrifying power continuously spread out, making it difficult for everyone present to breathe.

“Haha...” The strange giant laughed loudly as he looked at his carefully planned move. He seemed to have seen the fruit of victory waving at him and saw that Ye Qiu was about to become his puppet.

Under the natural chasm, Ming Yue's eyes were filled with panic. When she saw Ye Qiu disappear into the black mist, she hurriedly pulled out the Heavenly Water Sword and prepared to enter the black mist to save him.

Just as she was about to attack, a bloody mist suddenly flashed across the void.

"Haha... Uh..." The strange giant, who was laughing loudly, stopped when he saw the blood mist. He looked down and saw a blood-colored broken sword stabbed into his chest. "Pfft..."

The murderous aura of the Immortal Slayer instantly invaded his body. Black aura continuously emitted from his body and was gradually disintegrated by the murderous aura of the Immortal Slayer.

The strange giant spat out a mouthful of blood. He felt that his origin power seemed to have suffered a huge impact, and his vitality rapidly decreased.

This sudden scene stunned everyone.

The strange giant was in disbelief. He had clearly won, so how could Ye Qiu still turn the situation around?

The black fog was gradually torn open, and the familiar white figure appeared in the eyes of the world again.

"That's great, Perfected Ye isn't dead!"

In an instant, the entire venue was in an uproar. Everyone was overjoyed. Their low mood instantly rose again and they were excited.

"I knew it. How could a top expert like Perfected Ye lose so easily?"

The entire venue was in an uproar. Everyone could not hide the joy in their hearts as they shouted excitedly.

In the arena.

Ye Qiu slowly walked out of the black fog. As he walked over, he patted the black aura on his body with an extremely disdainful expression. "I've really had enough! I actually spent so much time with a piece of trash like you."

Ye Qiu stepped across the natural chasm and arrived in front of the strange giant.

"No... How can you break my spatial shackles?" The strange giant couldn't believe that Ye Qiu had broken his shackles so easily. The move he had used on Ming Yue just now only had a little spatial domain divine power.

What he was using on Ye Qiu now was one of the strongest spatial arrays of his Strange Clan. Not only could it imprison people in the array, but it could also combine with the Strange Origin to confuse the other party's consciousness.

It would be a huge shock from his body to his heart. Even a Martial Monarch wouldn't dare to say that they could come and go calmly with such an array formation.

Ye Qiu had actually done it...

"Haha..." Ye Qiu sneered and slowly pulled out the Immortal Slayer Sword that was inserted in his body. He stared at him from above. "How dare you show off your insignificant skills in front of me. Your so-called great divine power... doesn't work with me."

Ye Qiu no longer had the patience to waste his breath on him. The Immortal Slayer Sword was gently raised and swung down. In an instant, the world trembled and a terrifying sword intent tore through the sky.

Boom!

In just a breath's time, the strange giant was cut in half. However, before he died, Ye Qiu added another strike. The Immortal Slayer stabbed into his origin spiritual spring and directly destroyed his foundation.

Ye Qiu pushed him away and said disdainfully, "Strange origin? That's all..."

"Slash!"

Bang!

The sharp blade slashed across his body. Ye Qiu held his sword and slashed again, completely severing the source of the strange giant and scattering his soul. In an instant, the black fog circling above Qin Chuan's Heavenly Ridge dissipated. The sky regained its usual brightness, and the sky was clear.

"He won?"

Everyone below could not believe this fact. They were still in a daze. When they regained their senses, the entire Qin Chuan was filled with deafening cheers. It was like a tsunami, echoing through the mountains.

"Perfected Ye, great..."

Ye Qiu ignored the cheers coming from below. His mind was filled with thoughts. In this position, he had much more to think about than them. The different abilities they had, the height they stood at, and the

matters they saw were also different. They wouldn't understand Ye Qiu's worries. The only thing they knew was that the danger to Qin Chuan had been resolved.

That was all...

The moment Ye Qiu killed the strange giant, a sleeping creature slowly opened its eyes on a Heavenly Palace in the distant void.
