

THE MOST GENEROUS MASTER EVER Chapter 234

“No, this is not a pure One Strike Opened the Heavenly Gate!” Below, Lin Qingzhu shook her head and said with a pale face. She knew better than anyone what One Strike Opened the Heavenly Gate was like. What Ye Qiu was using now was definitely not just One Strike Opened the Heavenly Gate.

That shocking divine lightning was like a judgment from the heavens. It crushed everyone in an instant, making it difficult for them to stand straight. There was no such divine lightning in One Strike Opened the Heavenly Gate. It could only be said that Ye Qiu had improved this move and added an incomparably terrifying divine technique.

“Divine punishment!” Qi Wuhui looked deeply at the figure in the sky and took a deep breath. In this world, only the highest profundity, the divine punishment, could cause such a commotion. This was a divine technique!

Ye Qiu combined the One Strike Opened the Heavenly Gate with the divine punishment. The two fused and formed an even more terrifying killing move. If he had to choose a name, it could only be called — Heavenly God Judgment!

“Unbelievable, simply unbelievable. There’s actually someone in this world who can cultivate this Sword Dao to such a level.”

In the Wujue Temple, Tianmeng revealed a shocked expression. She felt a sense of danger from Ye Qiu’s sword intent. Perhaps this person would become her greatest enemy. She could not figure out when such a stunning talent had appeared in the Eastern Wasteland in just a hundred years. What was his background?

The current Ye Qiu was like an exiled immortal who looked down on everything as he stood in the sky. He had the feeling that he was the only one under the Heavenly Gate.

“Damn it! This kid actually hid such a terrifying sword technique.”

At that moment, Chao Yi understood what the outcome of this battle would be. No matter how he thought about it, he never thought that Ye Qiu would actually master so many divine techniques.

After the One Strike Opened the Heavenly Gate, a wave of might from the Nine Heavens surged down. Heavenly lightning flickered and tore through the darkness. In an instant, the array formation they had formed seemed to have suffered a heavy blow and began to weaken rapidly.

Chao Yi was guarding the array core. He looked at his companions beside him who were all struggling. Clearly, they were all seriously injured in the first wave.

“Boss, we will definitely lose if this continues. Let’s retreat.” Chao Xi no longer had the arrogance from before. His eyes were filled with fear as he said anxiously.

“Retreat? How can we retreat? We’re already trapped by this sword force. Unless we can break his sword force, we can’t escape at all...” Chao Yi cursed. “Weren’t all of you quite arrogant just now? Why are you retreating at this critical moment?”

“Damn it! I’ll risk it. If I’m unhappy, no one will have an easy time! We might as well not have a good time!” After pondering for a moment, Chao Yi suddenly roared with a ferocious expression.

In an instant, a flag that emitted a strange black aura appeared in his hand. As he waved it, tens of thousands of ferocious spirits surged out from the flag. These ferocious spirits had undergone baptism of strange origin and were extremely hostile. The moment they appeared, the entire sky of Qin Chuan darkened.

“The sky changed!”

Everyone was extremely nervous when they saw this scene. They were shocked as they looked at Chao Yi dancing around with his flag in the array formation.

Smack...

Qi Wuhui smashed a big tree in front of him and shouted angrily, "Damn it! These dirty creatures actually have such a nauseating Dharma artifact. No wonder they fought in several worlds in a row and brought bad luck to various worlds. It turns out that they wanted to refine such an evil Dharma artifact."

This action instantly made Qi Wuhui furious. He thought that he was already bad enough. But compared to these people, he was simply a kind person. At most, he would disgust others and mess with people's mentality. When had he harmed anyone?

In order to refine an evil Dharma artifact like the Soul Summoning Banner, these strange creatures had to slaughter countless worlds.

Their actions made Qi Wuhui feel disgusted and angry.

Under the Heavenly Gate, Ye Qiu frowned and also revealed an angry gaze. He could clearly see that among those ferocious spirits, there were many human disciples and some familiar faces.

"Haha!" Chao Yi laughed loudly and said, "Kid, I admit that you have some ability! But... this matter ends here. This is one of our God Clan's strongest Dharma treasures, the Soul Summoning Banner. It is augmented by the power of our God's holy power and nourishes a million ferocious spirits. It's terrifying enough to destroy a world.

"Prepare yourself for fear!"

Chao Yi laughed loudly. With a wave of his hand, tens of thousands of ferocious spirits were summoned. In an instant, the entire Qin Chuan was covered in a ball of black aura. Hundreds of thousands of ferocious spirits appeared, covering the sky and earth, preparing to devour Qin Chuan.

Seeing this scene, Qi Wuhui instantly attacked, the power of a Paragon erupted with all his might.

“Everyone, exert strength together and strengthen the barrier!”

With a single command from Qi Wuhui, millions of cultivators in Qin Chuan attacked at the same time. All their strength was gathered into the barrier to stabilize it so that it wouldn't be devoured by the ferocious spirits.

However, those ferocious spirits were all incomparably powerful, and there were many Paragon experts among them. Even if they attacked together, they could only maintain the current situation for a short period of time. If this continued, Qin Chuan would be in danger.

Just as everyone was trying their best but were unable to resist and in despair, several lights descended from the top of the Heaven Mending Sect and landed on the Heavenly Ridge.

Everyone was overjoyed. They knew that at this critical moment, the Heaven Mending Sect had finally used all their trump cards.

“Everyone, work harder. The elders of the Heaven Mending Sect have arrived. We can definitely hold on.”

Someone cheered.

Everyone looked up in surprise when they saw another ray of light flickering in the sky. A white-haired, immortal-like old man slowly landed at the peak of Heavenly Ridge. With a gentle flick of his Daoist robe, a King-Ranked power erupted in an instant. The barrier that was originally close to collapse instantly stabilized.

“It’s Grandmaster!”

When the disciples of the Heaven Mending Sect saw the old man, they were instantly overjoyed and incomparably excited.

“Xuanyi!” In the Wujue Temple, Tianmeng, who was watching the show, immediately changed her expression when she saw the white-haired old man. She put away his previous indifference and a trace of hatred flashed across her eyes. There was a complicated feeling mixed in her hatred.

“Are you finally willing to appear?” Tianmeng said coldly. She had waited so long for Xuanyi to appear. She knew that Xuanyi was escaping, so she was not in a hurry to attack the Heaven Mending Sect. She wanted to give him some time. Now that he finally came out, a smile immediately appeared on Tianmeng’s face.

At this moment, on Heavenly Ridge, Xuanyi suppressed the tens of thousands of ferocious spirits in front of him with one hand. He looked up at the battle in the sky and gave Ye Qiu a reassuring look.

Then, he turned around and said, “Go!”

With that, the hundreds of elders behind him exerted strength at the same time and helped to stabilize the barrier that was about to collapse.

Qin Chuan’s danger was finally resolved for the time being. When the ferocious spirits saw Xuanyi, they didn’t dare to rashly attack and scattered towards other parts of the Eastern Wasteland.

Seeing this scene, Meng Tianzheng slowly flew down from the mountain and said coldly, “All disciples, listen up. Open the barrier and kill the demons on the spot!”

He could not let these ferocious spirits spread out. This was definitely a destructive blow to the other Holy Lands and dynasties that were still guarding it.

As soon as Meng Tianzheng said this, the scene instantly fell silent.

“What?”

“Open the barrier and go out to fight?”

Everyone was stunned. Even Qi Wuhui was in disbelief. “Senior Brother Sect Master, are you sure?”

Meng Tianzheng turned around and looked at him. He said very seriously, “These ferocious spirits are extremely cruel. Once they leave this place, they will completely lose control. This is definitely a destructive blow to the entire Eastern Wasteland. If someone has to bear it, then let my Heaven Mending Sect do it!

“Kill!”

As soon as these words were spoken, Qi Wuhui immediately understood that Meng Tianzheng had already made up his mind. He could not persuade him, so he could only support him. The other masters also expressed their admiration. With just one sentence from him, everyone in Heavenly Ridge seemed to have been injected with steroids.

“As expected of Perfected Meng, the Sect Master of the number one holy land in the Eastern Wasteland. Your words are so domineering!”

“What a good sentence. If someone has to bear it, then my Heaven Mending Sect will do it!”

“It’s our honor to fight side by side with the disciples of the Heaven Mending Sect.”

“A good man will walk everywhere! He will be buried wherever he dies.”

“If we can save the Eastern Wasteland and protect our human bloodline, this trip to the mortal world will not be in vain...”

“What’s wrong with dying?”

Meng Tianzheng’s few words instantly stirred up the emotions of a million people. The flames of battle in their hearts were instantly ignited.

“We will obey the Sect Master’s decree...”

“We will obey Perfected Meng’s decree!”

“Kill the demons on the spot! Kill...”

With a deafening sound that echoed throughout the mountain, everyone was in high spirits. Qi Wuhui pushed out with one hand, and a hole slowly opened in the barrier. In an instant, a million cultivators rushed out, still shouting.

“Kill them!”

“Don’t even think about leaving. It’s time for you to taste how sharp my Eastern Wasteland’s sword is.”

Outside the barrier, millions of human cultivators charged out at the same time. Among them, the Heaven Mending Sect’s disciples led the way and rushed to the front. All these years, the Heaven Mending Sect had always been ahead of all the Holy Lands in terms of calming the chaos. This time was no exception. The other seven peak masters, the elders of the various factions, and the hundreds of Cardinal experts from the back mountain charged out at the same time.

With Xuanyi guarding Heavenly Ridge, they would be safe!

The flames of war were about to erupt. This world-shaking battle had completely begun. The hot-blooded youths who had been defending for the past few days were already feeling extremely aggrieved. Now, the rare opportunity to fight had arrived, they could finally fight the strange creatures head-on. They rushed forward as if they had completely gone crazy.

Ye Qiu's blood boiled as he watched the battle below.

"Interesting, this is getting more and more interesting."

Ye Qiu was shocked by the youths' imposing manner towards death. These people's cultivation levels were so low, yet they could still do this. How could he not do anything?
