

## THE MOST GENEROUS MASTER EVER Chapter 247

In this situation, Qin Chuan had become the safest place.

The collapse of the Infinite World exposed the other domains on the other side. The strange in the Eastern Wasteland were afraid of and didn't dare to provoke Ye Qiu's authority. After the Infinite World opened, they instantly headed to other domains.

The Eastern Wasteland became the safest place. The chaos in the Eastern Wasteland gradually calmed down. It could be said that the collapse of the Infinite World had directly helped the Eastern Wasteland restrain most of the firepower.

This was something Ye Qiu didn't expect, but it really happened.

Perhaps the three kings who had escaped were afraid of Ye Qiu and were preparing to choose a pushover to bully. They would recover their strength and come back for revenge.

Ye Qiu smiled faintly when he saw this scene and said, "Looks like our Eastern Wasteland can rest for a while and prepare. We just experienced a bloody battle. We've suffered heavy losses all over the Eastern Wasteland. What we lack the most now is time.

"The collapse of the Infinite World has exposed the other seven domains. The strangeness has already targeted them and has no time to care about us. Haha, this is getting more and more interesting."

Meng Tianzheng smiled evilly after hearing Ye Qiu's words. It had to be said that Ye Qiu was really cunning. That strike just now seemed to have been intentional. He directly distributed all the firepower to the other domains. He wanted them to share some firepower and give the Heaven Mending Sect enough time to develop.

In any case, Meng Tianzheng could tell that Ye Qiu did it on purpose. But he wouldn't admit it unless one had evidence.

“Alright, Senior Brother, I’ll leave the rest to you.” Ye Qiu hurriedly said and instantly arrived beside Lin Qingzhu and the other two. He picked up the sleeping Little Linglong and said to his two disciples, “Let’s go back to the mountain.”

With that, the three of them instantly flew towards Violet Cloud Peak.

Everyone was puzzled and puzzled by Ye Qiu’s hasty departure. Could something have happened?

Meng Tianzheng said loudly, “Everyone, Qin Chuan’s danger has been resolved. Everyone, rest. In addition, I hereby announce that from tomorrow onwards, the Heaven Mending Sect’s disciple recruitment ceremony will continue. This time, there will be another hundred thousand spots.

“We welcome all talents to the assessment. My Heaven Mending Sect welcomes you.”

As soon as these words were spoken, Qin Chuan was in turmoil. Everyone was incomparably excited.

Especially those who had been eliminated in the beginning. Now that they heard that the Heaven Mending Sect had added another 100,000 spots, they immediately felt that their chance had come again.

After today’s battle, in everyone’s hearts, the Heaven Mending Sect had undoubtedly become the best cultivation holy land in their hearts.

Just Ye Qiu’s name alone was worth it.

With Meng Tianzheng’s words, the entire Qin Chuan was instantly filled with cheers.

The disciples of the Heaven Mending Sect were incomparably proud as they looked at these hot-blooded young people.

“Hehe, this is the first time in my life that I feel that my decision to join the Heaven Mending Sect was the right one.”

“Father, did you see that? My Old Li’s ancestral grave is emitting green smoke. I’ve become successful. I’m now an outer sect disciple of the Heaven Mending Sect. My status is high.”

The elders of the Heaven Mending Sect revealed gratified smiles as they looked at this happy crowd. It seemed like they could pick up a few good disciples to play with this time.

According to the rules of the Heaven Mending Sect, usually, only the seven peak masters were qualified to take in disciples, followed by the elders who had made great contributions to the Heaven Mending Sect.

In most cases, when it was their turn, they would only have trolls. They didn’t fancy them, so they might as well not accept them. Now that so many people had entered the sect, they would definitely be able to pick up a few with good aptitude and pass down their mantle.

All the elders were extremely happy in their hearts, and their mouths were wide open.

After the battle ended, Qin Chuan’s danger was completely resolved. Qi Wuhui laughed loudly and turned around to shout at his disciples. “What are you waiting for? Go pick up treasures.”

After his shout, everyone reacted. The ground was filled with precious bones and treasures. If they didn’t pick it up now, when would they?

It had to be Old Qi who was sober. While the others were still preparing for tomorrow’s disciple recruitment, he had already begun to plan how to accept the treasures.

“F\*ck!”

With Qi Wuhui’s order, everyone immediately panicked and rushed out to look for the precious bones.

Countless ferocious beasts had died in this battle. It was a good opportunity to develop. Liu Qingfeng led the way and the disciples of the Heaven Mending Sect were the first to come out of the barrier to pick up treasures.

In Qin Chuan, hundreds of thousands of youths fought to be the first to join the fray. It was very lively.

At this moment, Ye Qiu had already brought his three disciples back to Violet Cloud Peak.

Sitting in the Qianqing Hall, Ye Qiu revealed a worried expression as he looked at Little Linglong who was still sleeping in his arms.

“Master, what’s wrong with Little Junior Sister?” Lin Qingzhu said worriedly. Little Linglong had almost removed the seal twice, and it seemed to have affected her body quite a bit. She had been asleep for most of the day, but she still showed no signs of waking up.

At first, they didn’t notice because they had been paying attention to Ye Qiu’s battle.

Now that the crisis was resolved, they suddenly sensed that something was wrong.

Ye Qiu didn’t answer her and carefully checked Little Linglong’s body.

After a long time, he comforted them, “She’s fine. There seems to be some power awakening in Linglong’s body. Her body couldn’t withstand it and she went into a deep sleep.”

“How long will she sleep then?”

Ye Qiu shook his head and said, “We can’t confirm it yet. It will take at least ten years or more than a hundred years.”

“What!”

As soon as these words were spoken, Lin Qingzhu and Zhao Wan’er immediately panicked. What kind of situation could make a person sleep for ten or even a hundred years?

Ye Qiu continued, “This is a process of the Linglong Immortal Body’s transformation. It seems to be related to the technique she cultivated in her previous life. Every time she reaches a special realm, she will undergo a transformation to reach the most perfect immortal body. Once the transformation succeeds, her strength will increase greatly. Her potential will be unimaginable.”

At this point, Ye Qiu sucked in a breath of cold air. It had to be said that this little disciple had indeed given him many surprises. Especially the mental cultivation technique she cultivated. It deeply attracted Ye Qiu and he was very curious. What Dao did she cultivate?

He wondered how many times she had reincarnated. If it was the last time, she would probably return to her peak this time.

Ye Qiu suddenly looked forward to it. What kind of scene would it be when she returned to her former peak?

“Haha, don’t worry. This is a good thing for Linglong.” Ye Qiu comforted his two disciples and said, “Later, I will seal her in the Violet Cloud Cave Abode at the back mountain. The seal will automatically break when she wakes up.”

After hearing Ye Qiu’s words, the two of them finally heaved a sigh of relief.

“Alright, both of you are tired from this battle. Go back and rest early. The era of great competition is about to arrive. You should prepare early. I don’t ask you to suppress everyone in the same generation, but you have to work hard and not neglect your homework.

“At the very least, don’t lose too badly.”

As soon as these words were spoken, their hearts trembled. Lin Qingzhu said with an incomparably firm gaze, “Don’t worry, Master. I will definitely not disappoint you.”

Ye Qiu was delighted when he saw her extremely serious expression. It was still his eldest disciple who was obedient. She drank this chicken soup without hesitation. This is the difference between a real little darling and a fake little darling.

Hearing her senior sister’s expression, Zhao Wan’er also echoed, “Me too.”

“Okay, go.”

Ye Qiu smiled in relief. After sending them away, he brought Little Linglong to the Violet Cloud Cave Abode in the back mountain.

Sealing her in that lotus pond could be considered a settling one worrying matter.

“Hmm?”

Just as Ye Qiu was about to leave, he suddenly discovered that the seven-colored divine stone beside the lotus pond was emitting a faint light.

Ye Qiu was stunned for a moment. He walked over to take a look and saw that there was a mysterious rune on the Seven-Colored Divine Stone.

Ye Qiu carefully studied it. This rune was actually a powerful inherited precious technique.

“Gasp... F\*ck! This stone has become a spirit?”

Ye Qiu was shocked. This stone actually knew how to produce rune precious techniques. This really frightened Ye Qiu.

One had to know that usually, only ferocious beasts could derive this kind of rune precious technique because most of them were born with it.

However, the stone in front of him was only a stone. How could it produce a rune precious technique?

The only explanation was that it had become a spirit.

“Oh my god, will a monkey jump out from inside?”

Ye Qiu couldn't help but think to himself. Was this considered trespassing? No way... What if a monkey really popped out?

After carefully studying this precious rune technique, Ye Qiu suddenly smiled evilly. “What an innate bone text of an Invincible Vajra. Hehe... it's mine.”

He gently swept his right hand and the rune precious technique on the stone was instantly swept away by Ye Qiu.

The stone immediately panicked. It had yet to develop intelligence and did not know what was happening outside. It only knew that something of it had been stolen.

In a panic, there was a loud bang.

Clung, clung, clung, clung.

“What’s going on?”

This sudden movement stunned Ye Qiu. Who was this? Where did he come from? He even brought his own BGM?

With a loud bang, the stone exploded. Then, a furry figure collapsed from inside.

In an instant, Violet Cloud Peak emitted a dazzling light, and the furry figure flew into the distance.

Ye Qiu immediately reacted and chased after him. He chased all the way to the East Sea, a beautiful place.

“Hmm? Where did he go...”

Ye Qiu was suddenly stunned as he looked at the monkeys all over the mountain. He, a Martial Monarch, had actually lost track of a monkey? Impossible, this was definitely impossible.

Just as he was feeling puzzled, a monkey emitting golden light walked into his sight.

“Haha, so it’s here...”

Ye Qiu smiled in his heart and didn’t disturb it as he watched it run happily by the sea.

A thought suddenly popped up in his mind. “Monkey? Interesting. This matter seems to have become much more fun.”

If nothing unexpected happened, such a thing was definitely not a well-behaved person. He had stolen its precious technique just now. If he imparted it to him later, wouldn’t he be able to nest again?

Yes, it was feasible.

However, his heart is too black. Even capitalists cry when they see him. He’s the worst.
